

By Kernel Gene, aPE

Last week I printed the first issue of the Farm Bureau Forum, a monthly organ published by the Eastland County Farm Bureau. The Farm Bureau, like the SWPGA, can be the "farmer's fortress" if they will only band together. Knowing there are a number of people subscribing to the Progress who should be interested in the Eastland County Farm Bureau I have taken the liberty of using several articles from the Farm Bureau Forum this week.

The following is from the column of the Farm Bureau Forum Editor, Mrs. Bill Tucker:

"This initial issue of the Eastland County Farm Bureau Forum is a timely way of telling the story of farming to all our many neighbors and friends in the county and in the city.

For many years the Farm Bureau has worked hard to establish good relations with our friends in town, on the basis of mutual understanding and self-interest. This activity, from all indications, is relatively needed on a year-round basis.

If we fail to do our part as members of Farm Bureau the business men and the men who work on the Farm may never get the truth about such things as the harmful effects of mounting surpluses, looking at it through the eyes of agriculture, or the undesirable results of high fixed support prices. Other issues of vital concern include the necessity for an expansion of two-way trade, the meaning of a declining rural population, and the need for intervention, protecting the farmer's right to produce. Calling attention to these facts in telling our urban neighbors is not enough unless we try to understand some of the problems which are a part of their everyday living. Without this understanding, cooperation, between farmers and city folks in the struggle for a free, prosperous agriculture and a better America, would be of little effect.

In telling our story we should let our friends know that we need each other.

Our business is like their business.

That we earn our income as they do.

That we have problems - our income is down.

That we are producing more than they will buy - at a profitable price.

That the farmers and ranchers engaged in the business of agriculture are organized in order to try to solve some of these problems which affect our way of life.

These are just a few of the basic things which could be effectively discussed from time to time when rural and urban citizens get together, and the outcome could mean a mutual understanding of present day problems in our changing world.

Present economic ills are primarily due to low income of farmers, and it was asserted recently by J. Walter Hammond, President, Texas Farm Bureau, "that the nation's economy will never get back on an even keel unless the income of agriculture is on a par with other groups."

A very interesting "Letter to the Editor" will be found on page 3. Thanks to the Farm Bureau Forum.

NOTICE - Quarterback Club will meet at the Fire Hall, Friday, 7 p. m.

Diversion Or Refund - Which?

WACO (Spl) - The president of the Texas Farm Bureau has asked Texas' Senators Johnson and Daniel to investigate the possibility of collusion on the part of oil companies in a recent gasoline price increase to farmers.

In messages to the Senators, J. Walter Hammond said discriminatory gasoline price increase to farmers could eliminate the benefits of the federal gas tax exemption recently passed by Congress. The state farm leader said oil companies have recently hiked the price of gasoline one-half cent per gallon to the farm and ranch trade only. Heretofore, the "tank wagon" delivery price had been the same to all, he said.

"Farmers are of the opinion," Hammond said, "that this increase is a flagrant discrimination against the farm and ranch trade and appears to be a deliberate attempt to take away some of the benefits farmers would receive from the recent tax refund law."

Hammond asked the Texas Senators to "Please investigate the possibility of collusion on the part of oil companies to divert all or part of this refund into their own treasuries." He said that if there is collusion, it "could completely nullify the intention of Congress to refund federal taxes paid on gasoline used in tractors and stationary engines on the farm."

Announcements

The Eastland County Singing Convention will be held at Kokomo on Sunday, July 8. It will be an all-day affair, so everyone should bring plenty to eat.

The Sabanna Valley Game Preserve will meet Tuesday night, July 10 at 8 p. m. at the Center Point Community House, 5 miles south of Carbon.

This will be an important meeting and all members are urged to attend for the purpose of electing new officers.

There will also be a program of films and talks given by the Upper Leon Soil Conservation Unit of Eastland on native grasses that should be of interest to all. Everyone is welcome.

There will be a Bible School at Kokomo beginning July 9 and ending Friday, July 13th. Time is 8:30 to 11:00 p. m.

Two Bible students from Howard Payne will have charge. Everyone is invited to attend.

Gorman Masonic Lodge No. 716 AF&AM will have installation of officers Tuesday, July 10 at 8 p. m. All members urged to be present. Visitors welcome.

W. O. Parr, W. M. E. E. Todd, Secy.

Mr. and Mrs. Layton Plaster were visiting here this week.

Political Announcements

The Gorman Progress is authorized to announce the following as candidates, for the respective state, district, county and precinct offices subject to the action of the voters in the Democratic Primaries in July and August.

HERMAN FITTS
FLOYD BRADSHAW

FOR CONGRESS, 17TH DIST.:
OMAR BURLESON (re-election)

DAN KRALIS

For State Representative 76th. District:
PAUL BRASHEAR (re-election)

Heart Attack Fatal To Vernis W. Day

Vernis W. Day was born June 24, 1893. He was united in marriage to Donna Wallace at De Leon on March 6, 1919.

To this Union was born one daughter, Alva Loraine. She was born on December 22, 1921 and died on January 3rd, 1925.

Mr. Day is survived by his wife and two brothers, T. A. of Okla. and Roy L. Day of Texico, N. M. Five sisters, Mrs. Will Humphreys of Temple, Mrs. F. V. Moore of Abilene, Mrs. D. W. Smith of De Leon, Mrs. E. S. Huffman of Houston, and Mrs. Ben Short of McCaully, Texas.

Mr. and Mrs. Day moved to Gorman in 1938. He has been a member of the Baptist Church since he was 12 years of age.

He leaves many nephews and nieces, aunts and uncles and friends to mourn their loss.

His service record, of which he was very proud, shows that he served in the Army of the United States from December 19, 1917 to January 27, 1919. He fought in the St. Mihiel and Meuse Argonne Battles in France during World War I.

Mr. Day passed away at his home Friday afternoon after suffering a heart attack.

HOPE

By V. W. DAY

There's a spark that burns eternal in the breast of every man, If you think my words are futile, try to quench it if you can; God gives us determination to withstand all stress and strain, Purely for the sake of living, though life yields us nought but pain.

This small flame that flares and flickers, we call Hope, the boon of man,

'Cause when reason says "You can not," then 'tis Hope that says "You Can."

When you're on the brink of failure, in this life of give and take,

Hope says, "Bear a little longer, you are due another break."

There's a faithful law of average that takes care of everything, That's why darkest days of Winter must give way to smiling Spring.

What if yesterday was dreary, with its ghastly aches and pains,

This new day that's just arriving may show drastic wins and gains;

So, don't throw the sponge or waver, you may lose your fighting chance;

To again forget your troubles in life's merry song and dance:

So you'll find us striving, HOPING, in the midst of greatest pain,

Looking always for the better things of life we hope to gain.

Then my brother, never hinder, by suggestion, word, or deed;

This, the boon of human misery, that fills such a wanted need;

Help your friend that's up against it, and needs courage for the fight;

Where there's LIFE God gives us Hope, as sure as daylight follows night.

Broom Reunion Held Sunday, July 1

The Broom reunion was held on Sunday, July 1, 1956 at the Frank A. Gray Memorial Park. Those attending were Mr. and Mrs. Jessie Broom, Mr. and Mrs. Sam Broom, Mr. and Mrs. W. T. Broom, Burma Hickey, Tom Broom, Burma and Tommie, all of Gorman, Mr and Mrs. L. A. Bell, Lynn and Chuck, Greenville, Mr. and Mrs. Charles Stafford, son and daughter of Sidney, Mr. and Mrs. Marvin Broom, Jerry and Joney and boy friend of Cisco, Mr. and Mrs. Jim Broom of Monohans.

CARD OF THANKS

We wish to thank each and everyone for their kindness, to all who sat up at the hospital and funeral home. All the nice food brought to the hospital and to our home, for all the cards and beautiful flowers, all visits and to the hospital staff for their kindness in the illness and death of our dear father. May God bless each of you in our prayer. The Stephens Children

Mr. and Mrs. Roy Dennis of Denton were home for the week end.

Joyce Blair Becomes Bride Of Gene Tosh

BRECKENRIDGE, June 28 - (RNS) - Joyce Blair became the bride of Gene Henry Tosh in a candlelight ceremony performed Sunday evening at 6 o'clock in the First Christian Church.

The bride is the daughter of Mr. and Mrs. Bernard Blair of Breckenridge. The groom is the son of Mr. and Mrs. W. E. Tosh of Breckenridge.

The double ring ceremony was read by the Rev. Charles R. Whitmer.

Miss Jackie Cornelison was organist and Eddie Green was soloist.

Mrs. Eddie Offield was the bride's only attendant. She wore a white sculptured cotton dress with pink accessories. Her corsage was of white carnations.

The bride, given in marriage by her father, wore a white ballerina length gown of wedding taffeta with an off the shoulder lace trimmer neckline, ornamented with seed pearls. She carried a heart shaped bouquet of small daisies centered with gerberias.

Eddie Offield served the bridegroom as best man.

The reception was held in the home of the bride's parents. The receiving line was composed of Mr. and Mrs. Tosh, Mr. and Mrs. Blair and the newly married couple.

The bride is a 1956 graduate of Breckenridge High School. Tosh is a 1955 graduate of Breckenridge High and is a second year student of Tarleton State College of Stephenville. He is a member of the Wainwright Corps.

The two are making their home at 304 West Lindsey St.

Joyce is the granddaughter of Mr. and Mrs. N. O. Whitfield of Gorman.

Shell-Flanagan Family Reunion Held Sunday, July 1

The Shell-Flanagan family reunion was held again this year at the O. T. Shell farm East of Hamilton on Sunday, July 1st. The Shells and W. M. Flanagans were long-time residents of Fisher, Jones and Nolan Counties.

The three surviving children of these families, O. T. Shell of Hamilton, Jane Shell Miller of Oklahoma City, Okla., and Willie Mae Flanagan Mizell of Sweetwater, were all present.

A barbecue dinner was served on the banks of the Leon River which runs through the farm. Plans were made to return to the farm for the 1957 reunion.

Family members attending the reunion were: O. T. Shell, Hamilton, Mr. and Mrs. Wilbur Shell, Linda and Mary, Mr. and Mrs. Melvin Shell, Terry, Marilyn, and John, Mr. and Mrs. Glenn Kirk, Larry and Ann, all of Gorman, Mr. and Mrs. W. K. Miller, Oklahoma City, Okla., Mrs. Jack Jolly, Redondo Beach, Calif., Mr. and Mrs. D. M. Mizell, Sweetwater, Mr. and Mrs. Dick Young and Jean, Hamlin, Mr. and Mrs. Morris Underwood and Jacqueline of Lubbock, Mr. and Mrs. Fred M. Springer, Dallas, Mrs. Alynne Shell of Rotan, Mr. and Mrs. Cleo H. Phillip, Ft. Worth, Mrs. Edith Shell, Sharon K., Sidney, and Johnson, Sweetwater, Mr. and Mrs. Manney S. Johnson, Ralph and Dennis, Hamlin, Mr. and Mrs. Milton Johnson, Lubbock, and Mr. and Mrs. Marvin S. Johnson, Lubbock.

Guests included Miss Weldaene Mabra of Dallas and Mrs. Mary Alexander of Hamilton.

CARD OF THANKS

We wish to thank our many friends for the many nice gifts and kind words given us after our home burned. Also we want to thank the Fire Dept. for their prompt service and help. May God richly bless each one of you. Mr. and Mrs. Walter Goodwin

CARD OF THANKS

Your expression of sympathy and friendship during our bereavement is deeply appreciated by all members of our family. We thank you. The Coffman Family

Baby Sharks Ride Waves At Padre Island

Mrs. M. H. Fairbetter reeled in a 24" baby hammer-head shark at Padre Island last week. The shark had ridden an 8 foot wave into the shallow water at the fishing pier.

Mr. and Mrs. Fairbetter and Milton Jr. in company with the Raymond Fairbetter family of Boyd spent several days in Corpus Christi. They also visited her sister, Mrs. P. Scott in San Antonio.

They were in Breckenridge on July 4th where Mr. Fairbetter had been invited to serve as a judge selecting "Miss Breckenridge of 1956."

Later this week they will visit their son, Manning Fairbetter, and family at Granbury. Manning will leave Sunday for 2 weeks National Guard training at Camp Hood.

Milton Jr. will spend next week with his sister, Mrs. Wade Russell, and family in Ft Worth.

Ben Nix Receives C.P.T. Scholarship

Ben Nix, son of Mr. and Mrs. Marvin Nix, recently won a scholarship presented by the Texas Congress of Parents and Teachers. These scholarships are given to students showing promise for the teaching profession. Qualities of character and personality also are considered in the selection.

This is only one of the many means being employed to attract and hold well qualified teachers. It has been estimated that 15,000 teachers will be needed to teach the additional 350,000 boys and girls coming into our Texas Public Schools within the next five years. In addition, more than 28,000 other teachers will be needed to replace those leaving our classrooms at the rate of 5,000 to 7,000 a year.

OUR PROBLEM OF SW SPANISH

A close study of the figures listed below will reveal our problems:

1. We must promote the sales and consume more SW Spanish Peanuts, the type we grow.
2. To do this we must obtain more outlets for SW Spanish.
3. We must continue to improve quality.
4. Our prices on SW Spanish must be competitive with other types.

CONSUMPTION OF EDIBLE PEANUTS BY TYPES 1954-1955

26.8%	Southwest and Southeast Spanish	113,588
29.2%	Runner	123,992

SHELLED PEANUTS USED IN SALTED PEANUTS

22.4%	SW Spanish and SE Spanish	15,949
2.1%	Runner	1,489
75.5%	Virginia	53,811

TOTALS OF ALL TYPES

Peanut Butter	53.2%	148,999
Salted Peanuts	25.4%	71,249
Candy	19.7%	55,330
Other	1.7%	4,584

RATES AND REQUIREMENTS FOR PARTICIPATION UNDER PEANUT SOIL BANK

Requirements for Participation in the 1956 Acreage Reserve Program. (No peanut grower should go ahead with action to participate in the Soil Bank Program until he has entered into an agreement with his local County ASC Committee).

1. Under the 1956 Acreage Reserve, peanut growers who are eligible may earn payments, (except Virginia and Valencia growers)
2. Payment under the Acreage Reserve will be determined by multiplying a base unit rate of 3c per pound by the yield established for the farm by the County ASC Committee.
3. Maximum and Minimum Payment Period: The maximum payment will be the larger of one-half the allotment of ten acres. The minimum is the larger of ten percent of the allotment or one acre.
4. Acres placed under the Acreage Reserve will be deducted from the peanut allotment.
5. The same acreage on a farm may not be included under both the Acreage Reserve and the Conservation Reserve parts of the Soil Bank.
6. Penalty for over-planting allotment - 75%.
7. A one year Parity freeze on transitional period (Take Legislation to change).
8. The Secretary of Agriculture is to conduct a study by January 31, 1957.
9. Allotment - 1,610,000 Acres. For the U. S. remains the same. (Take Legislation to change).

SPECIAL NOTICE

By Presidential Proclamation pursuant to Section 22 of the Agricultural Adjustment Act, 1,709,000 pounds of peanuts (shelled equivalent) may enter the country for the next 12-month period beginning August 1.

Information On Peanuts

By S. E. Cloninger, Mgr. SW Peanut Growers Association

On June 18, 1956, a number of Texas and Oklahoma Congressmen and Representatives of all our Senators, met in the office of Omar Burleson, Washington, D. C., with Representatives of the Department of Agriculture and discussed the proposed Standardization of U. S. Standards on Shelled Peanuts. Congressman Burleson presided. The meeting lasted well over two hours and evoked a definite and active interest.

The representatives of the Department frankly admitted that they could not justify the continuation of different standards for different types of peanuts, but felt that they could not make entire changes at this time. Under the present U. S. Shell Rules, SW Spanish peanuts have a damage tolerance of .75 of .01 and Runner peanuts have a damage tolerance of 2.50. This is reason Runner peanuts are used exclusively in government contracts for peanut butter on the School Lunch Program, Army, Navy, and Air Force - which gives Runner peanuts advantage of approximately \$10.00 per ton in price.

1956 FARMER STOCK PRICES

SWPGA will make loan available in 1956, in all areas to all producers. The National Average minimum for all types of peanuts will be \$233.60 per ton - base grade. This minimum support price is 86% of the March 15, 1956, effective parity price of \$260.00 per ton. Do not let this \$233.60 confuse you as this is the average for all types. As best we can determine, a support on SW Spanish peanuts (the type you grow) will be approximately \$216 and the Loan we will advance to grower will be \$207.00 per ton, base grad. The average support in 1955 was \$244.80. Support on SW Spanish was \$237.00 SWPGA loan advance was \$228.00 per ton base grade.

OUR PROBLEM OF SW SPANISH

A substitute pharmacist is filling in for Mr. Walker at Mehaffey Drug while he is gone to New York on a two week vacation. He is Bert Drake of Stephenville. He started serving as pharmacist at Mehaffey's on Monday of this week.

Work On New Gorman Cemetery Is Progressing

Work in progressing on the new Gorman Cemetery. The new cemetery is located across the road southwest of the old cemetery. Surveying of lots was to be finished Tuesday. Work is expected to begin on curbing for the lots and streets between lots.

Lots will be for sale in the new cemetery as soon as it is completed and prices for the lots can be set by the City Commission. Lots in the old cemetery will still be free of charge.

Illness In Gorman

The following patients were registered at Blackwell Hospital on Tuesday morning.

- 201 - Mrs. Albert Taylor and Billy Taylor, Gorman
- 202 - R. L. George, De Leon (No Visitors)
- 203 - Mrs. F. E. Woodall, Gorman
- 204 - Mrs. Floyd Hartsleson, Cisco
- 205 - Mrs. Elzo Been, Carbon
- 206 - Hardy Harris, Gustine Lounge - Mrs. G. B. Northcutt, Dublin
- 301 - Demoris Echols, Blackwell
- 302 - Darrell Wayne Hirst, Gorman
- 303 - Ira Echols, Gorman
- 304 - Mrs. Myrtle Alsbrook, Gorman
- 305 - Mrs. Nell Dolberry, Gorman
- 306 - Mrs. Della Brown, R. Star
- 307 - John Levisay, Comanche
- 308 - Carl McCullough, Comanche
- 309 - Mrs. Jim Jordan, Gorman
- 310 - Mrs. R. T. Hughes, Comanche
- 311 - Miss Nancy Duggan, R. Star
- 318 - George Snider, Dallas
- 321 - Mrs. G. H. Gilder, De Leon

Relief Pharmacist At Mehaffey Drug

A substitute pharmacist is filling in for Mr. Walker at Mehaffey Drug while he is gone to New York on a two week vacation. He is Bert Drake of Stephenville. He started serving as pharmacist at Mehaffey's on Monday of this week.

Mr. Drake is a registered pharmacist with many years experience. He worked at a drug store in Dublin for 20 years. At present, he works as a substitute pharmacist, relieving others in his profession when they are ill, on vacation, or away from their work for some cause. His last day here will be July 14. The next day he will go to Albany to relieve a pharmacist there.

Mr. Drake attended high school here for two semesters. He was reared near Dublin. He has several kin here, including Mr. and Mrs. Homer Mason.

Edwin Glenn Morrow and David Ellis Hornage of Marshall are visiting their grandmother, Mrs. T. F. Morrow.

"As It Looks From Here"

OMAR BURLESON
Congressman
17th District

WASHINGTON, D. C. - This will be the last newsletter of the weekly series for this year.

Except for obvious reasons, this column would continue until the Congress adjourns this session, which is now expected to be near the latter part of July than the middle, as has been hoped for.

An effort has been made through this column each week to comment upon these things behind the scenes in Washington not usually reported in the daily press. Many times the "little things" between the headlines become most significant, and often the action behind the headlines is more important than the event which makes the black type.

This generally has been the intent of this column, and thanks and appreciation go to those who have written me their reaction to many of them. It will be continued at the appropriate time.

AS IS USUAL IN EVERY SESSION OF THE CONGRESS - highly important legislation comes late in its deliberations.

At the present time, the so-called Federal Aid to Education, or more properly defined as Federal Aid to School Construction, is being debated.

Then will come the Postal rate increase, and likely public housing.

Two measures embodying extremely different philosophies are the so-called Civil Rights Bill and a bill known as HR-3, by Smith of Virginia, which redefines States' Rights. The Smith Bill was discussed in this column last week. I support this measure wholeheartedly, and have been doing everything possible in getting it up for a vote.

THE FARM BILL PASSED BY THE CONGRESS . . . will raise farm income by \$2 billion if the Administration will carry out its provisions effectively and conscientiously.

AN INCIDENT OCCURRING RECENTLY . . . reminds me that the Navy is not too different from what it was when I served in it during World War II. The Navy, like the other Branches of the Armed Forces, is concerned with the defense of our Nation, but it has a problem of such importance that the Board of Policy has submitted the matter to the Secretary of the Navy for a decision.

The question is, "Should the Navy modernize its equipment and put zippers on the traditionally many-button trousers of enlisted men?"

The Secretary has promised to take the matter under immediate advisement.

Country Echoes
FROM INDIAN MOUNTAIN
By Mrs. Bill Tucker

We enjoyed a visit on Friday afternoon with Mrs. R. W. Gordon of Cheaney community, near Ranger. She has made satisfactory recovery from recent hospitalization in a Ft Worth hospital and they have added 200 more acres to their 700 acre ranch south of Ranger.

Continued hot weather is taking its toll on growing crops in this community and other communities as well. Cotton seems to be holding up fairly well, but early corn is ruined. Maize comes out of the wilt stage overnight, but we suspect those acres that are already beginning to head out will not have sufficient moisture to mature good grain. The Monday afternoon shower was enough to settle the dust.

We went over to Cheaney Sunday and spent the day with Mr. and Mrs. Richard Tucker and attended church service Sunday morning.

Mrs. Etta Brittain of Ranger and her daughter, Mrs. Wanda Frasier and children of Graham, were present.

Also the Earl Strickler family of Caddo and their twin grandsons, the Moore twins of Muleshoe. Mrs. Jim Moore is the former Ethel Strickler.

Mr. and Mrs. Truman Gregory and family of Crosbyton were visiting her parents, Mr. and Mrs. Lee Yancey, and Betty. Gregory is a member of the Soil Conservation Service at Crosbyton.

SOUND
PROGRESSIVE

AMANTEXANS KNOW and RESPECT

BEN RAMSEY
FOR
LIEUTENANT GOVERNOR

Mrs. Ernest Broom and Mrs. Bud Lay visited with Mrs. Elvira Anglin on Wednesday afternoon. Mrs. Anglin is not recovered from the loss of her father, Mr. J. W. Stephens, two weeks ago.

Ernest Broom visited R. W. (Rufus) McPhail Sunday morning. Mr. McPhail has been seriously ill, but is reported much better on Sunday.

Mr. and Mrs. Luther Cunningham are enjoying a visit with their daughter, Mrs. Lott and family, who arrived on Saturday. Another daughter, Mrs. Floyd Eison, went to Houston Friday for hospital observation and care. It has been our pleasure to know Mrs. Eison for several years in connection with Farm Bureau and other club activities.

Mr. and Mrs. Floyd Smith and Patsy of Jal, N. M. are spending this week with her sister and husband, Mr. and Mrs. John Love, and Loresta. Smith is planning on a huge fishing spree at Lake Leon.

From all indications and hearsay, the Farm Bureau Forum, which came out this week, was a very successful and worthwhile project of the Eastland County Farm Bureau in publishing a news sheet. We - (the editor speaking) are proud of our initial issue of the paper, certainly, but we realize that our efforts were made possible only with the fine cooperation of others who contributed news, time and financial help. Our thanks hundred fold to everyone.

Mr. and Mrs. Shirley Brown, accompanied by Sharon Brown, their granddaughter, spent the week end in Odessa with Wayne Brown and family. They carried Larry, their grandson, home after a two weeks visit at Cheaney. Larry is the son of Wayne Brown and Sharon is the daughter of Kenneth Brown.

Luther Melton has returned to Sweetwater after an extended stay with his brother, Lonzo, Melton, and Mrs. Melton.

The Melton's daughter, Mrs. Euell Carr and children of Kermit, are visiting then, this week.

The Richard Tuckers accompanied the Jack Rogers to Caddo on Thursday, and beyond for a visit with the Gene Ferrells who moved recently from Cheaney. After a three-hour search they finally located Gene in the middle of that 12,000 acre ranch, which we mentioned awhile back in our

column. The group assured us that it was a hot, tiresome search with only drinking water handy - that right out of Possum Kingdom Lake. A few thousand goats had been sold, leaving that many less for Gene to see after. The rest of the day from 11:30 a. m. was spent in visiting.

Mrs. Melva Love and Joy spent Sunday afternoon with the John Tuckers and Charlie Millers.

We were the dinner guests of Mrs. Mitchell Campbell on Saturday and a dinner that came out of the deep freeze in a matter of a few minutes from stove to table. We can't help but tell you about new potatoes, as nice and tasty as anyone could wish and conserved by the home freezer method. Fried chicken and a nice big blackberry cobbler, made the week before, also brings forth our praise. Just wish we had a home freezer, brother.

Larry Campbell is visiting in Haskell this week with his sister.

A Ready Answer (1 Pet. 3:15)

IS THE CONSCIENCE A SAFE GUIDE?

ANSWER: The Conscience is subject to education, hence it can be no safer than the knowledge that it has acquired. Naaman, in 2 King 5, thought he could do certain things and that it would be alright. But his thoughts were wrong. Saul or Paul lived in all good conscience while he persecuted the church, but he was in error. Acts 23:1 (26:9) These and many other Bible accounts prove to us that the conscience is not always right. Thus since we are to live in good conscience before God and men, we must study and educate ourselves as to what the will of the Lord is.

Friends, we invite you to meet with us each Lord's day. We strive to teach the Bible and it alone. A knowledge of God's Word will help you to have a safer conscience to direct your life.

REDDY KILOWATT SUGGESTS:

Timely Tips

to help you get the most efficient cooling from your

REFRIGERATED ROOM AIR CONDITIONER

COOL ONLY AN AREA WITHIN THE SIZE your unit is designed to cool. When cooling a larger area, the unit is over-worked and its efficiency is lowered.

KEEP AIR FILTERS CLEAN. Clogged filters lower efficiency of the unit and cause it to use more electricity.

INSULATE CEILING AREA above room being cooled. Insulation is comparatively inexpensive and keeps hot air out, cool air in.

LOCATE UNIT IN SHADE if possible. The north side of house is best, followed by east, south and west. Proper shading of unit increases its efficiency.

PROPERLY REGULATE intake of outside air. This is important to operating efficiency of your unit. Follow manufacturer's instructions carefully.

KEEP OUT DIRECT SUNLIGHT. It brings in heat which your unit must work extra hard to remove. Awnings over your windows will help.

AN AUTOMATIC THERMOSTAT is recommended to hold room temperature to 78 to 80 degree level recommended for comfort. Each degree below 78 degrees increases power consumption unnecessarily.

REMEMBER, TOO, that operating cost is governed by hours of use. Turn off your unit when you expect to be away for several hours. You can quickly lower the temperature when you return.

An Electric Refrigerated Room Air Conditioner is a wonderful boon to comfort during hot summer weather. Follow Reddy's tips and make the most efficient use of your unit. It will help you **LIVE BETTER ELECTRICALLY!**

Keeping Up With Our Friends

Mr. and Mrs. Billy Jean Adcock was seen around town over the week end, having brought his mother home after a visit in Borger with Dewey, Billy Jean and their family.

Mr. and Mrs. V. W. Crew and children and daughter, Mrs. L. E. Moorman of Denton, Bennie Edwin Burdette of Arlington State College, Arlington, visited their parents Mr. and Mrs. Ben Burdette last week.

Mr. and Mrs. Gilford Gray visited their daughter and family in Denton over the week end. They are visiting another daughter in Corpus Christi this week.

Jeanne and Pat Ellison of Abilene are visiting their grandparents Mrs. Fannie Burkett and Mr. and Mrs. Jimmy Ellison.

Mr. and Mrs. T. E. Hogan and Shirley are visiting Mrs. Hogan's sister in Arkansas.

Mrs. N. Cunningham of Sweetwater is visiting her brother A. N. Mahan and wife.

Mr. and Mrs. Elan Reaves of Eastland visited A. N. Mahan and wife Saturday.

Master Gary Schultz of Kermit visited last week with his grandmother, Mrs. Pearl Williams. He is leaving for Ft. Worth Sunday for a visit with another grandmother Mrs. J. T. Allen. Gary is the stepson of Berry Williams an employ of Shell Oil Co., Kermit.

Mr. and Mrs. George Hallmark and Sue left Friday for a two weeks vacation in Calif.

Mrs. Berenice Jeffs and Mrs. Edna Kirk visited in Henrietta with Mrs. J. W. Mangum and her daughter, Mrs. Irene Mangum Phillips of Yuma, Ariz. last week. Joe Mehaffey was home for the

week end from his studies at the University of Texas.

Mr. and Mrs. Doyle Lynn Clark of Ft. Worth were here over the week end.

Mrs. John Wheeler is on vacation.

Rev. and Mrs. Leighton Ferrell of Ft. Worth visited relatives here last week.

Miss Mary Swaim of Ranger and a granddaughter, Gail Redding have been visiting Grandparents, the John Fonvilles.

Other visitors in the John Fonville home were C. A. Swaim Mrs. Lee Swaim and Loyd, Mr. and Mrs. John Ryan and James and the S. J. Fonville family.

Mr. and Mrs. Kenard Moos and children of San Angelo are visiting her parents, Mr. and Mrs. Vernon Crews.

Mr. and Mrs. Julius Underwood are visiting in McCamey and Odessa.

LETTER TO THE EDITOR

Anigo Mio;

My amigo Pedro in Brazoria County received a check for one thousand dollars from the government this year for not raising hogs. So I am going into the not raising hog business next year.

What I want to know is, in your opinion, what is the best kind of farm not to raise hogs on and the best kind of hogs not to raise? I would prefer not to raise razorbacks but, if that is not a good breed not to raise, I will just as gladly not raise any Berkshires, Dorcos or Poland Chinas.

The hardest work in this business is going to be in keeping an inventory on how many hogs I haven't raised.

Ma Amigo Pedro is very joyful about the future of this business. He has been raising hogs for more than twenty years and the best he ever made was \$400. back in 1918 - until this year, when he got a thousand dollars for not raising hogs.

If I can get \$1000 for not raising fifty hogs, then I will get \$2000 for not raising one hundred hogs, etc. I plan to operate on a small scale at first, holding myself down to about 4000 hogs which means I will have \$80,000.

Now one other thing - These hogs I will not raise will not eat 100,000 bushels of corn. I understand that you also pay farmers for not raising corn. So will you pay me anything for not raising 100,000 bushels of corn not to feed the hogs I am not raising?

I want to get started as soon as possible as this seems a good time of the year for not raising hogs.

Yours truly,
Ramon Ortiz de la Munoz

P. S. Can I raise ten or twelve hogs on the side while I am in the not-raising-hog-business? Just enough to get a few sides of bacon to eat.

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

America's largest selling car—2 million more owners than any other make.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whirl, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Only franchised Chevrolet dealers display this famous trademark

Abolish The Evil Tax Law Now!

Recently I proposed abolition of the progressive income tax. I suggested its replacement with a flat rate tax on income with a top limit of 22 1/2%, plus a Federal sales tax. I pointed out that not only would this form of tax encourage greater investment, greater risk, harder work and larger incomes for all - it would also NOT necessarily REDUCE the tax collections by the government. The Federal government will even collect MORE in taxes with lower rates.

Figures from the past show why this would probably occur. In the National Review of March 28 there is an article advocating a 25 per cent limit on income taxes. It contains some highly significant figures.

They show that in 1925 the maximum income tax rate was 40 per cent and the maximum personal exemption \$2,500. Total income tax collections in 1925 were \$2,584,140,000. The next year the top tax rate was dropped to 24 per cent and the personal exemption was increased to \$3,000. But tax collections increased from \$2,584,140,000 to \$2,836,000,000. Thus with lower rates for higher income groups and greater exemptions for lower groups the revenue department collected more money.

In 1927 the top tax rate remained at 24 per cent but personal exemptions were increased to \$3,500 taking more lower income people off the tax rolls. Again the revenue collections INCREASED. They went to \$2,865,683,000. Next in 1923 the top tax rate was again dropped to 20 per cent. The exemption remained the same. This further reduction in rates caused only a slight dip in collections amounting to \$75,147,000. The next year at those same lowered rates, however, the revenue bureau again gained more revenue. It collected \$2,939,054,000. And still at those same lower rates in 1930, the tax take rose to the highest level of all although at HALF the rates in 1925. It reached \$3,040,146,000.

These figures prove conclusively that a drop in tax rates does not automatically mean a drop in the revenue. More often than not it means an INCREASE in tax collections. Canada tried this in recent years and it paid off. It pays off because at lower rates people try to earn more so they can keep more. They work harder, spend more, build more and employ more because they don't have to share such a large proportion of the fruits of their labor and investment with the government. But by earning more and profiting more and employing more they pay more taxes even at lower tax rates.

In my opinion right now would be a good time to try that kind of tax policy again. Save the working man from becoming an economic slave. \$1,500 exemption for each person. A family of four making \$6,000 will not pay taxes. The working man and the independent business man deserves a fair deal. God willing, we shall abolish this terrible injustice where the middle and low income tax group is giving its money to the government without any strings attached, and paying most of the bills. Then our politicians turn around and give it to our foreign friends to keep them liking us and from joining the Russians.

Sports

By JERRY CLARK

What a thrill it was to watch the Olympic Trials on television last Saturday. All of the glory, drama, and color of the actual Olympics was there. The only difference was that the competitors were all Americans instead of the athletes from every nation who will compete at the Olympics. It was probably the first time in history that millions of people could simultaneously watch the top athletes of America. To my knowledge it was the first time that the Olympic Trials were televised nationally. The climax of the two-hour telecast for Texans was when Bullet Bobby Morrow, the pride of the Lone Star State, won the 200 meter dash to make a clean sweep of all national dash titles this year except one. He has won the 100 and 200 meter dashes in the NAIA, NCAA, and Olympic Trials. He also was the winner of the 100 meter dash at the national AAU meet. The only national 200 meter title he did not win was at the national AAU meet. He did not enter the race at that meet upon the advice of his coach. But undoubtedly he would have won it too if he had entered. He won ALL of the national 100 meter titles.

Morrow now looms as Americas first double gold medal winner in the Olympics since Jesse Owens won three first places 20 years ago. Bobby is favored to win the 100 and 200 meters at the Olympics. Jesse Owens, one of America's all-time great athletes, won the 100 and 200 meters, and the broad jump at the 1936 Olympics. Bobby will also run on the 400 meter relay team for the U. S.

Morrow, who had equalled the world record of 10.2 for the third time this season in the 100 meter prelims, thus is one of two Texans on the Olympic squad. The other is Eddie Southern, University of Texas freshman, who pushed Glenn Davis of Ohio State to a new world record of 49.5 in the 400 meter hurdles. Southern was a close second.

Three world records were broken and two were tied by the greatest assemblage of track and

LOST or STRAYED - One red faced springer heifer in the vicinity of New Hope. Anyone who has seen a stray, or has one please notify A. C. Self, Gorman, Texas Route 2. 7-12p

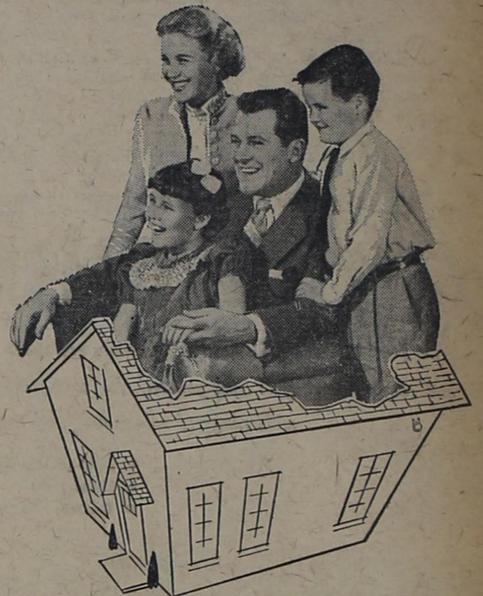

field athletes in history. Besides the new world record in the 400 meter hurdles, a new world mark was set in the high jump and the 400 meter dash. The new world mark which caused the most excitement was in the high jump, 7 feet 1/2 inch set by Charley Dumas of Compton College, Calif. The height of 7 feet had been sought by star high jumpers for years. Lou Jones of the Army clipped two-tenths of a second off his own world record by setting a new one of 45.2 seconds in the 400 meter dash.

So track season is over until the track stars gather in October to begin training for the Olympics at Australia in November. This has been one of the greatest track seasons in the history of the United States. Six or seven new world records have been set by U. S. track stars, and the

best Olympic squad in American history is expected to win more honors at the world-wide meet this fall.
