Third Trial

MIDLAND, April 30 (.P)—A jury here today acquitted Leah Balley of charges of murdering Dan Horn, Monahans peace officer at Mona-hans in 1928. Two previous convic-tions, both reversed and remanded, gave her 99-year sentences.

### Unemployment Is Principal Topic For Brotherhood

DENVER, April 30.-Unemp ment problems facing the Interna-tional Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employes will be threshed out at triennial meeting of the organization here May II to 21, according to George S. Levi, Cin-cinnati, Ohio, grand secretary-treasurer, who was in Denver recently making preparations for the con-

At least 2,000 of the 135,000 members of the brotherhood are expect-ed to attend the Denver meeting, Levi said. A meeting of the general chairmen of the railroads west of Chicago will be held May 7 to 10 to complete matters of mutual interest that may be presented for dis-cussion in the convention.

"This is the first convention since the business slump, and one of our major problems will be to help the unemployment situation, which is rather serious among our members, many thousands being idle," Levi Over Affairs

said. "We will advocate a shorter work week with no reduction in pay.

Our work week is 44 hours and in some districts 48 hours, as some roads demand a full day on Satur-

competition the railroads are meeting from the bus and truck lines, a business which naturally is hurting the members of the brotherhood.

Delegations from the east will arrive in special trains and tho Canada in special cars, Special trains will be provided to take dele trains will be provided to take gates through the Royal gorge dur-

ing the convention.
"Our brotherhood has a total and Commissioners Jarrel Pickle, membership of 135,000," Levi ex-Woodrow Cambron, Steve D. Ford, plained. "Our convention is long ber., and James Johnson.

Kidwell's aides included the folyears. We embrace the clerical tary; Howard Schwarzenbach, Mexico and the United States and chief of police; Fred Koberg, city have headquarters in Cincinnati, engineer; Walter Deats, sanitation Ohlo. Our international president

### OPINIONS OF OTHERS

the Interstate Commerce Comp present heights mission contains the astonishing information that only seven passen-gers were killed in railroad acci-Now however an English a death and the Class I railroad accidents on all the Class I railroads of the country. This is an all-time low record, the best previous figure being 10 in 1927. Also as regards passengers injured a new low record was established only 780 persons receiving hurts while riding on railroad trains in the year.

The report indicates that railroad safety executives and organizations.

Anthony Bushell, tall, thin-faced only want one hand and my teeth of the country. This is an all-time low fewer, an English accent, if pure, is rather an asset, or at least is no liability. Ronald Colors, everything . . If I get clear would be a "Quick" I growled. "Cap, trousleds or, ext time it opens," I said. "I may get mad and make a real killing."

The door closed gently, and again I locked it and withdrew the least.

The report indicates that railroad safety executives and organizations.

Anthony Bushell, tall, thin-faced only want one hand and my teeth

have done a good job. There were 101.581.000 passengers carried safely for every one fatally injured, and signed, and some safely for every one fatally injured, and some safely for every one fatally injured, and safely for every one fatally injured, and some safely for every one fatally injured, and signed a long-term contract. Elissa be holding the gun against your to the fact that, being in the uniform of a guard, I was able to present a pistol at my victim before dent during the year. The low rec-

the high train speeds demanded by modern conditions, are little short of miraculous.

The report refers of course only to accidents involving actual passengers on trains. The figures do not include the great number of persons killed and injured at rail.

In another minute his hands were bound together behind him and I could now lay the bind him and I could now lay the his feet were tied together.

Having gagged him I dressed Hollywood, but if London affected her as it did Juliette Compton, and include the great number of persons killed and injured at rail. persons killed and injured at rail- genuine broad-A. road crossings. That figure is properly found in the records of FAUX PAS

properly found in the records of motor traffic accidents.

The ruliroads may well be proud of their passenger accident record. Unfortunately the grade crossing accident involves a factor, and the determining factor in most cases, entirely outside the control of the railroad executives and mepioyes.

NEW SERVICE

BERLIN (INS)—After April 15

NEW SERVICE

BERLIN (INS)—After April 15

telegrams will be accepted for transmission within Germany on all fast trains of the German Railroads Company. The rate will be the usual charge per word, with an made into a picture, "The Sheik."

FAUX PAS

Acquisintance with the movies to my suddenly presented pistol, there was a chance that I should be free outside it too.

Assuming the attitude of a guard on duty, I tramped down the watchman corridor toward the watchman well woman, feel much stronger, years younger and my weight is 170 some reason as The Fort.

If the watchman took no notice of me, as was quite likely in that look beiter, so all my friends and if every man re-acted correctly to my suddenly presented pistol, there was a chance that I should be free outside it too.

Assuming the attitude of a guard on duty, I tramped down the watchman took no notice of me as was quite likely in that did him when he auggested a screen career.

"Most screen stories are silly and offend the intelligence," she to my suddenly presented pistol, there was a chance that I should be free outside it too.

Assuming the attitude of a guard on duty, I tramped down the watchman took no notice of me, as was quite likely in that look beiter, so all my friends and ideas and lower part of abdomen and sides.

"Most screen stories are silly and offend the intelligence," she to my suddenly presented pistol.

The ruliroads may well be proud as chance that I should be free outside it too.

Assuming the attitude of a guard on duty, I tramped down the watchman took no notice of me, as was quite likely in that look beiter, so all my friends and lower part of abdomen and sides.

"So the fee outside it too.
