## Panthers Edge Hounds 16-14; Travel To Albany Friday

### GAME AT A GLANCE

Gorman	Throckmorton

28	Passing Yards 71
2 of 7	Passes Completed 5 of 14

The Gorman Panthers hosted the Throckmorton Greyhounds in the home opener on Friday night in a drizzling rain and came out with a 16 to 14 win over the favored Greyhounds. The Panthers got the win despite being on the short end of the total yard statistics 240 to 217.

Gorman scored on their second possession when they took the ball on their own 5 yard line and went the distance in 7 plays with Robert Seaton catching a TD pass from Cody Foster for 16 yards with 5:44 left in the first period. The drive featured long runs of 21 by Margarito Sanchez and 20 by Dathan Wright. Following a 15 yard penalty on the Hounds to the 13, Foster hit Seaton for the score. The point after was good by Richard Svarovsky and the Panthers were up 7-0.

Two possessions later the Hounds evened the score when they got the ball on their own 24 and scored in 13 plays with Justin Ash getting the final 2 yards with 6:41 left in the half. Nick Rankin booted the point after and the score was 7-7.

Then just before the halftime the Big Red Defense recovered a fumble on the Greyhound 11 and Richard Svarovsky kicked a 20 yard field goal as time ran out in the first half to make the score 10 to 7.

Despite the rain both the Gorman Panther Marching Band and the Greyhound Band turned in fine routines.

After playing on even terms through the third period the Greyhounds took the ball on their own 42 and scored in 9 plays with Josh Dormier getting the final 6 yards with just 2:15 left to play. Rankin kicked the point after and Throckmorton led 14 to 10.

Some thought that this score gave the win to the Greyhounds but the Fighting Panthers had other ideas as they returned the kickoff to their own 37 and from there they scored in 6 plays with Cody Foster getting the final yard on a quarterback keeper with just 40 seconds left. The drive featured a fantastic 40 yard scamper by Sanchez to set Gorman up at the Greyhound 22. Following runs of 1, 1 and 15 yard run for a first down at the one, Foster hit paydirt. Svarovsky missed the point after and the score was Gorman 16 to 14 with only 40 seconds left. The Hounds get the ball on their own 33 but failed to move the ball before time ran out.

Margarito Sanchez led the Panthers with 141 yards on 17 carries. Blake Guthery had 30 on 12 tries. Dathan Wright got 15 yards on 4 trips. Foster had a minus 7 on 4 tries.

The Big Red Defense was led by Blake Guthery and received Honorable Mention in the Abilene Reporter News on Defense. The entire defense did a great job of stopping the Hounds.

The Panthers will travel to Albany on Friday night for a 8 p.m. game. The Big Red Defense will really have to be up again for this one as the Lions have a fine ball club. But if they continue their outstanding play the Panthers have a good chance to win again.  
**Go Get 'Em Big Red!!!**

## Coaches Corner

This past week turned out to be a good one for all of the Junior High and High School Football Teams. On Thursday night the Junior High, and Junior Varsity teams traveled to Throckmorton to take on their Junior High, and Junior Varsity Teams. The Junior High team came out of their scrimmage tied, and the Junior Varsity won by a score of 19-0. Scoring for the Junior High Boys was Roland Torres, and Sean Rountree. In the Junior Varsity game quarterback Ben Longoria hit three different receivers for touchdowns. Receiving Ben's passes were T. J. Jay, Michael Lynch, and Erick Park. On Friday night the Varsity played a very good Throckmorton, and came out on top 16-14. This game turned out to be a nail bitter for fans as well as the coach.

I can't say enough about the effort our varsity team gave last Friday night. They really have a burning desire to be successful. When you have kids like that the coaching part is easy.

This week will be a real test for our football programs as we prepare for our games with the Teams from Albany. They have a tradition rich program, and we will have to ready to play well. Their varsity team is 2-0 with wins over Dublin and Cisco. They have a very potent passing style of offense that we will have to contain to be successful. I am sure our boys will be ready to give another great effort and hopefully come home with another victory. Game time for the Thursday night games will be 6:00 p.m. for the Junior High, and 7:30 p.m. for the Junior Varsity.

I made a mistake last week in giving the time of our Spirit Club meeting. Our meetings will continue to be held on Tuesday nights at 7:00 p.m. in the cafeteria. Speaking of the Spirit Club, I would like to thank all of those involved in working at the Spirit Club table during last weeks home game. I understand that a lot of t-shirts, and memberships were sold. If you would like to purchase a t-shirt or become a member you can contact Scott Sheppard or any spirit club member. I would like to encourage everyone to be a member of the spirit club. It is an organization that helps all of the athletic programs at Gorman I.S.D.

Our next home volleyball game will be Tuesday, September 22nd when we will host Evant. Game time will be at 5:00 p.m. These girls were really worked hard this year, and are hoping for a spot in the playoffs at the end of the regular season. Come on out to their next home game, and let these girls know that you are behind them 100%.

Hope to see you in the stands when we line up to play Evant in volleyball, or tee it up to play Albany in football.

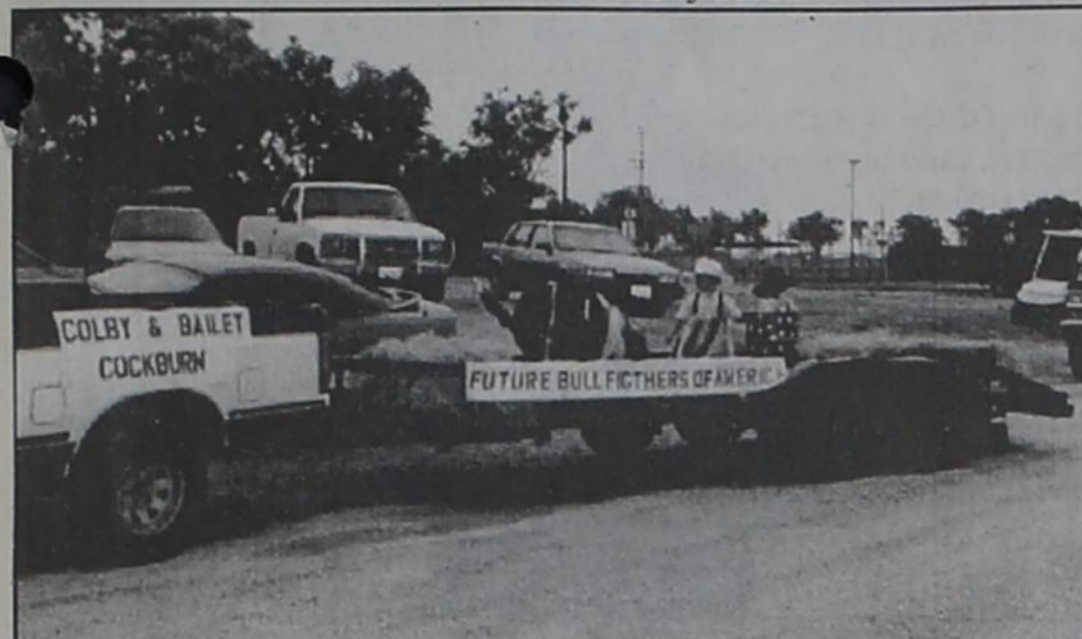

Miss Mandy Warren

**KOKOMO NEWS**

ZELDA JORDAN - PHONE 254-639-2289

Saturday was a cool, cloudy day with a mist of rain most all day. Just enough to keep me, and probably others, from going to the Peanut Festival in Gorman. I hope that they had a good festival for those who braved the messy weather.

The special music at the Kokomo Baptist Church on Sunday morning was rendered by the choir: Kay Snider, Leona Wilson, Norma Webb, Helen Browning, Daryl Hirst, Oren Webb, Jimmy Little and Woodrow Browning with Helen at the piano. Visitors for the morning service were Aline Garrett of Gorman, Grant Burgess of Granbury, Glenn and Donna Burgess and Reba of Pleasanton, and Ben Wilcoxon. "Happy Birthday" was sung to Deane McNeill. Norma Webb gave a Mission Emphasis encouraging us to pray and give generously to our State Mission Offering this month.

Remember, the annual church picnic of the Kokomo Baptist Church will be held on Saturday, Sept. 19 at the Kokomo picnic grounds. All members are urged to attend and visitors are welcome. There will be barbecue brisket with all the trimmings. Members are to bring salads, pickles, onions or slaw. There will be games to play and a good time to be had by all as we enjoy the fellowship with one another. We will be looking for you. Activities will begin about 4:00 p.m.

Those from the Kokomo Baptist Church going to Heritage Manor in Gorman on Sunday afternoon for the church service were Bro. Clarence and Leona Wilson, Woodrow and Helen Browning, Jimmy Little, Johnnie B. Griffith, Nancy Hendricks, Hope Joiner and Zelda Jordan and a visitor, Ruth Bryant. Leona Wilson, Helen and Woodrow Browning and Jimmy Little

rendered the special music.

Joe and Glynda Bond went to Copperas Cove on Sunday to help their son, Shannon, celebrate his birthday. A belated "Happy Birthday" to Shannon.

Those visiting with Durwood and Aletha Burgess on Sunday were Billy, Sheryl and Grant Burgess of Granbury, Dan, Angela, Chelsea and Haley Buckley of Desdemona, Dan and Charla Burgess, Glenn, Donna Burgess and Reba of Pleasanton, Ben Wilcoxon and Aline Garrett of Gorman.

Durwood and Aletha Burgess visited on Sunday evening with Gary Echols who is a patient in Hendricks Medical Center in Abilene and his wife Lavenia. Also visiting the Echols were Billy Earl and Francis Simpson of Gorman and J.O. and Gaynell Jackson of Hobbs, NM. and Durwood and Aletha enjoyed a visit with them also.

Zelda Jordan enjoyed lunch with a friend, Frankie Eakin in Eastland on Wednesday.

Barbara and Bo Bell of Denver City visited from Thursday night until Saturday with her sister, Zelda Jordan.

Jamie and Ann Clearman of Lawn, Nanetta Thompson of Plainview and Kelvin, Kristi, Kade and Kaylee Whitehurst of Tuscola visited during the weekend with their mother and grandmother, Anna Laura Clearman.

We wish a speedy recovery to Zane Mauney who received facial injuries in a car accident on Friday. Zane is the son of Scotty and Caye Mauney of Santo and the grandson of Charles and Carolyn Little of our community and Donnie and Nelda Mauney of Gorman. Zane was riding with his baby-sitter when the accident happened.

**Sharing With Brother Bob**

By Bob Beeman

I love it when people help me look on the bright side. My friends at Heritage Manor pointed out the fact that the mosquitoes are almost nonexistent this summer. This is not where we started our discussion. We started talking about flies. The idea came to me that morning at the Gorman Progress office where Elania was thumb tacking up some fly tape to combat the fly infestation (like in an Old Testament real Moses plague). We, at Heritage Manor, agreed the fly plague was a sign of rain (and it did, right on the Peanut Festival).

We got to sharing ideas and methods on how to get rid of flies. Dorothy Beaty's brother would catch them with his hand. That didn't work real well so her parents would smoke the house with sulfur. A.V. Seay would put up fly strip/tape by the door, but you had to be careful or it

would catch you in the face. S.D. Gilmore would lay out sheets of fly paper and supplement that with a homemade swatter. Some sprayed with DDT type chemicals.

Since there are just so many ways to swat flies, we moved to other pests. Blue bugs on chickens was the next worst. Spray, picking off by hand, nothing worked good. Lice were bad but ticks were worse. Jack just pulled them off and scratched the scab 'till it went away. He bragged that if he ever got the seven year itch, he could scratch it out in five years. Others used a hot iron, alcohol, and/or lit cigarettes to convince the tick to let go. Bed bugs came next. They would sneak out of hiding and bite you, then dart back into the mattress and hide.

Till next time, Brother Bob

**A Note From The Administrator**

Sitting on the patio of my sister, Connie Hammitt's in Cimaron, NM at 65 degrees at 8:00 p.m. I thought of everyone in Gorman, Texas. The reason being my sister was complaining about it being so warm on this Sunday evening. Continue to pray for rain. Remember that Labor Day was established because of the hard work done by those the age of the residents in the nursing home. We need to continually honor this age of individuals. They need and deserve this respect. Come and visit us at the nursing home.
