

OLIVER SPRINGS NEWS
FLORENCE RICHARDSON

Come be with us in Sunday School at Oliver Springs. Had several visitors and good singing before Sunday School.
Sorry we did not have any news last week. Seems like time gets away from us and no news. Will try to make it up.
Mr. and Mrs. Jeff Reese and son of Goldthwaite visited Mr. and Mrs. W. B. Day this past week.
Mrs. Clyde Setzler visited in Dallas with her sister, and stopped by Weatherford to visit her

daughter this past week.
Lugene Rodgers of Stephenville and Louise Yancey of Cheaney spent the weekend with Miss Sue Clement.
Mr. J. E. Nutt of Kentucky, Mr. and Mrs. W. C. Worsham of Carlsbad, N. M. and Mrs. John Nutt of Big Spring visited their parents and grandparents, the W. B. Days, last week.
Mrs. Arland Clement spent Tuesday in Waco visiting her son and family.
Mr. and Mrs. A. D. Bryan, this writer and husband spent last Sunday in Abilene visiting with friends.
Mrs. Willie Henderson visited Mrs. O. C. Reid Tuesday. Sorry

Outdoors In Texas
By Hugh Williamson

Now that the dove season is open in the South Zone, more Texans are brightening their shooting eyes.
Hunters know the mourning dove is like a good halfback. He's shifty and has a deceptive change of pace.
He's not as fast as some birds but if you can hit a dove you can hit any bird that flies.
Here is a shooting stance recommended by expert shooters.
First be sure both feet are solid on the ground, unimpeded by brush. The left knee should be slightly bent.
NOW DO THIS
When the bird comes along, swing the gun along his line of flight. Shift your weight from right to left foot, and squeeze the trigger as you pass him, leading the bird just enough.
What do I mean by just enough?

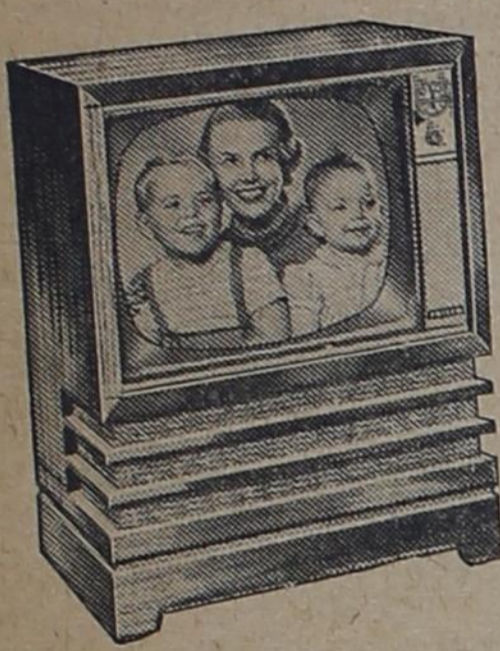

I mean that you don't zig when he zags. Also that you don't speed up when he slows down, or vice versa.
Seems simple, doesn't it? Why not try it sometime?
But try it with a lighter gun than your father or grandfather used.
There are two big reasons for a lighter gun. One is that you can swing it more easily as you follow the bird in flight. The other is that those old 12-gauges get heavy along about the end of day.
And nowadays you can do fine shooting with a "20" because of improved loads.
NOTE THE COLOR
Hunters have customarily worn red to make themselves known to other hunters and thereby avoid being shot.
But now comes a color change because optometrists at two Army posts have discovered that yellow can be distinguished more easily and quickly than any other hue.
Red was one of the worst colors for being readily seen, according to the tests. The ranking was this way: yellow, orange, green, red, blue.
All of which makes me wonder if yellow is a favorite color for fishing lures because fish see it quickly, the same as we do.
A friend of mine, who had great fishing success on a South Texas lake, not long ago reported that it didn't make any difference what kind of lures he used, so long as they were yellow.
The other day a partner and I were fishing on Lake Austin, and the only bass caught were on a yellow Lucky-13.
GUESSING GAME
You might follow through on this and speculate that bluegills

readily strike golden larvae because of their color. But you would doubtless soon run into complications. For example, I took a line string of bluegills recently, using those coal black crickets that have been so plentiful.
Talking about bait is a good part of the fun. - but there is one conclusion I have drawn: I'll always have a few yellow lures in my tackle box.
Another tip about lures is to use light ones when the day is bright; dark ones at dawn, dusk, or night. Trying to figure that one out (at first thought it seems the reverse ought to be true), I reason that in dark waters the night sky seems bright.
And in daylight the blue sky is darker than the sun-filled, reflection-bright water. In any event you should use a lure that is easily spotted because of contrasting shade.
FISHING BEST NOW
Fishing is going to be at its best for the next few months. There are several reasons why this is true.
Most of the vacationers have gone back to work. This cooler weather encourages the fish and discourages the water skiers. And many quondam fishermen have gone to the sunflower patches far doves, further reducing the angling population.
Fishing is good in the spring - before the heat and the tourists set in.
But why fishing is generally thought of as a summer sport, I'll never know.
For that matter, I'll never know why summer is the vacation time for most folks. Spring would be a better time. So would Fall. Even Winter. Who wouldn't en-

joy a couple of weeks around Christmas and New Year's Day.
IT'S BEING DONE
But no - we take vacations in the Summer because people always have done it that way and we're too full of inertia to change.
For the same reason, I suppose, we wear a coat and tie in Summer because our forebears in England did. England - where I took a nap on the afternoon of July 24th one year and missed the whole warm season.
Anyway, most anglers will agree that Texas fishing in the hot summer months is poor. A lot

of anglers won't even try it. They hang up their rods until October.
A lot of us keep trying. I know a place where you can always catch gaspergou in July. I know another place where your chances are good to get a string of white and black bass in July and August. Sometimes the trotliners get catfish.
Then, there is always the coast where, if they don't actually bite every day, they do bite some days. And if you hit a good one you're in.
But Fall's the time for the best and biggest fish.

Parents!

Your Junior Fire Marshals want you on their team!

Your school age youngster will soon be coming home with a Home Inspection Report to make out. It's part of a Fire Prevention Week campaign to make our homes safer. And you'll have an opportunity to take part with your child in a worthwhile community project, the Junior Fire Marshal Program.

As your local Hartford Agency, we are happy to cooperate with the Hartford Fire Insurance Company in sponsoring Junior Fire Marshal activities here. More than three million boys and girls throughout the nation are participating this year. And the program has the unreserved endorsement of teachers, fire officials and civic organizations.

Won't you join the children — and us — to help make our community a safer one to live in?

Duster News

Mrs. Lorene Johnson, Reporter
In John 6:1-14. We see what the Lord Jesus did with those five barley loaves and two small fish when presented unto Him for His blessing. And there is no telling what He can do with insignificant, weak Christians, like you and me, when we too, are fully yielded unto Him.

Bethel Baptist had good attendance at both services Sunday. Also had good attendance at the Wednesday night services. Monday night (14th) will be regular W.M.U. meeting. We are expecting to have an interesting program and serving supper. Ladies are invited.

Duster Baptist and Church of Christ had regular attendance Sunday.

This community regrets losing Mr. and Mrs. Ted Roland and family. They are moving to Sweet water to make their home. Also Mr. and Mrs. Harvey Hall and daughters have moved to De Leon. Wishing for them luck and happiness in their new homes and business.

Mrs. Gladys Gott of San Angelo who is recovering from surgery, is spending a few days in the home of her sister, Mrs. Letha Smith. Visitors Sunday were Mr. and Mrs. Pete Cadenhead and Mr. and Mrs. James Cadenhead of Ft Worth, Mr. and Mrs. Ollie Ross of De Leon, and Bro. and Mrs. Killough of Brownwood.

Sorry of the misfortune of little Qurisha Sloan breaking her arm, but happy she was able to attend Sunday School and church Sunday.

Mr. and Mrs. Phillip of Calif. visited her brother, Mr. and Mrs. Everett Wilson, last week.

Mr. and Mrs. Tom Forrest and girls of Robinson Springs spent Sunday in the home of Mr. and Mrs. Dean Pounds.

Mr. and Mrs. Ernest Johnson, visited Mr. and Mrs. Jim Koonce of Robinson Springs Sunday evening. Mr. and Mrs. Jim Norton of Comanche visited in the Johnson home Thursday night.

Mr. and Mrs. George Scott and Mr. and Mrs. Johnnie Gray attended the Gray reunion at Stephenville Sunday. Mr. and Mrs. Lonnie Brewer and children from San Angelo visited in the Scott home.

Mr. and Mrs. Tommie Gray were in Ft Worth Thursday visiting relatives and on business.

Mr. and Mrs. Snooks Kinnard and children of Jal, N. M. visited her parents, Mr. and Mrs. Franks.

Desdemona News

By Ethel Keith

Mr. and Mrs. A. L. Williamson have purchased a new Chevrolet and spent the week end in El Paso with their daughter and family, Lt. and Mrs. Bobbie Burleson and Jerrel.

Mr. John Arnold left Friday night to be at the bedside of his daughter Mrs. Frank Leazar who has been a patient in a Big Spring Hospital for several days. Her mother, Mrs. Arnold, has been at her bedside several days.

Mr. and Mrs. H. C. Abernathy recently made a visit in San Angelo with their son, Mr. and Mrs. Melvin Abernathy.

Miss Betty Yancy who is a Student at Draughon's business College at Ft. Worth was home for the week end visiting family and friends.

Miss Wanda Fox was home on Friday with her parents. She is working at Stephenville Hospital.

Mr. and Mrs. Mack Keith and little son "Mike" are spending a two weeks vacation here with their parents Mrs. Ethel and the Hubert Rainey.

Mr. and Mrs. Jr Moore of Ft. Worth visited with their parents the Hayson Echols and Floyd Moore's the past week end.

Mrs. Edna Clayton and daughter Mrs. C. R. Krapf and Mrs. Ollie Fein spent the past week-end in Silvertown with a sister Mrs. Ziretta Perry to celebrate their wedding anniversary.

Mrs. Callie Sharp went with the group as far as Breckenridge to visit with her daughter, Mr. and Mrs. G. D. Riggs where the children had planned a birthday dinner in her honor.

Mrs. Raymond Joiner is spending this week in Electra with her husband who is an employee of Magnolia Petroleum Co.

Mr. and Mrs. Windford Lindley of Electra spent the week end here with relatives and friends.

Mrs. Ethel Patterson is visiting this week in Ft. Worth with a sister-in-law.

Word has been received that Mrs. Frank Leazar has been transferred to a Dallas hospital.

Sports

Jerry Clark

Figure out this one: De Leon beat Eastland, 20-6, and Ranger walloped De Leon, 33-0, so by comparing scores Ranger should have been 47 points better than Eastland. But Eastland edged Ranger, 14-13 last week. All of which points to the fact that you can't predict the outcome of a game by comparing scores of mutual opponents. The object of my discussion here is to show that the Panthers have just as good a chance to defeat Eastland as the Mavericks had to beat Ranger. It was the first time Eastland had won over Ranger in 10 years. So anything is possible, isn't it? Brand those Mavericks, Panthers!

Gorman was the only team in our district to win last week, as only two games were played. Jim Ned lost its third game of the season to a Class B team, Aspermont, by a score of 12-6. Baird and Moran had open dates.

Rising Star, a future non-district foe of Gorman, lost its fourth game of the season in its district opener to Santa Anna, 27-12. Rule proved that it has perhaps the No. 1 Class B team in this area by stomping undefeated Wylie 35-0. Rule has not been scored in this season. The Bobcats have scored 135 points to date while giving up none.

This week Jim Ned will be the fifth victim of the Class B Kings as the Indians go to Rule. The first District 8-B game will be played this week as Moran travels to Baird. Gorman plays its fifth non-district games as the Panthers host Eastland.

DIST. 8-B SEASON RECORD

| Team | W | L | T |
|---------|---|---|---|
| Baird | 2 | 2 | 0 |
| Gorman | 2 | 3 | 0 |
| Jim Ned | 1 | 3 | 1 |
| Moran | 0 | 4 | 0 |

Oh, my aching average! I was clobbered again on my college football predictions, and I missed 4 of 10 picks for 60 per cent correct. That makes my season average 63 per cent. Texas had a 14-point lead but fooled around and let South Carolina beat them, and Baylor was upset by Miami. These were the first two inter-sectional losses for the Southwest Conference in three weeks of

play. Rice looks like a strong contender for the title after its impressive win over Stanford. Of course, the top game this week is the Texas and Oklahoma annual hassle, which will be on television. The only conference game this week sends Arkansas to Baylor. Rice can add more national prestige by licking Duke.

Baylor over Arkansas (on the bounce)
TCU over Alabama (a patsy)
SMU over Missouri (Mighty Mustangs)
A&M over Houston (a rough one)
Michigan over Michigan State (top game in nation)
Minnesota over Northwestern (boom)
Notre Dame over Army (call out the Marines)
Navy over California (Anchors Aweigh)

Oklahoma over Texas (we'll win someday)
Rice over Duke (power aplenty)

Stand Up For Your Rights -

... when you are negotiating for the purchase of real estate. If the seller refuses to furnish an abstract, it is customary for the buyer to deduct the cost from the sales price and buy the abstract himself. Lands and improvements thereon are worth little if the title proves to be faulty. Only expense, embarrassment, and disappointment follow unthoughtful buying. Don't get in a hurry. Buy carefully and wisely. See your abstracter first - thank him later!

Desdemona Study Club Meets With Mrs. J. L. Burleson
By Mrs. H. R. Hall

The Desdemona Study Club held its first meeting of the new year in the home of the President, Mrs. J. L. Burleson.

After a short business session and the new yearbook presentation, small song books were given to the guests as souvenirs and also for use in the program for the evening. Seven songs of different classifications, Negro melodies, folk songs, and other songs of the South were discussed. Also the life of Stephen Foster. Mrs. Aaron Henslee was accompanist for the songs on the program.

A low table arrangement of a cotton field using boles of cotton and small figures of Negro cotton pickers. Coal-oil lamps were used to give a soft light over the scene, illustrating our study for the year - "The Deep South".

Squares of applesauce cake, decorated in club colors and a fruit punch were served at the close of the program.

The rain kept several members from attending the meeting, but those who came enjoyed the opening of the club year which will be most successful, under the leadership of Mrs. Burleson.

Statement Of Publication

Statement required by the Act of August 24, 1912 as amended by the Acts of March 3, 1933, and July 2, 1946 (Title 39 US Code, Sec. 233) showing the ownership, management and circulation of Gorman Progress published weekly at Gorman, Texas for October, 1957.

CHILDREN OF METHODIST HOME TO BROADCAST SERIES OF RADIO PROGRAMS

Children of Methodist Home Waco, Texas will be heard on a new series of radio programs broadcast Sunday mornings on a network of stations in New Mexico and Texas. The programs, will carry a basically inspirational theme and will be designed to blend with listeners' Sunday morning activities.

The broadcast will originate on the Waco Home's campus and will point up some of the aspects of the expanded child-care services now provided by the Home. These include group care, Foster-Home placement, Adoption, and Family Rehabilitation. Music on the program will feature one of the nine choirs of the Home with occasional selections performed by all of the four hundred children who live on the Home's campus.

The programs will be heard at 8:15 a. m. in this area.
The Waco Home is supported by the Methodist Church but is non-denominational in its service. Centrally located, the Home serves the two-state area of Texas and New Mexico.

Announcements

The First National Bank will be closed on Saturday, October 12, in observance of Columbus Day.

The Friendly Ladies Sunday School Class of the First Methodist Church will hold a rummage sale and a bake sale Saturday, October 12, from 9:30 till 5:30 in the building next to the Progress formerly occupied by Foster Appliance.

It is requested that anyone knowing the addresses of any ex-students of Gorman High School please turn them in to Mrs. Edgar Higginbottom in order that notices of the homecoming may be sent to them. Mrs. Higginbottom stated that notices would not be sent to ex-students living in Gorman.

M. Y. F. NEWS

Carol Hatcher, Reporter
The Methodist Youth Fellowship met in fellowship in the Methodist Annex. We opened MYF with a song played by Kay Lynn Ramsey and led by Norman Jones. Then we had Jimmy Bright well lead us in prayer.

This week we had our first lesson in the Round Table book. Larry Grice had the first lesson in it, with David Revels' help in a skit. It was a very good program, and I think that we all are going to enjoy this new book. We had 22 youth at MYF and we had 4 adults. Our sponsors, Mrs. Dorothy Hatcher and Rev. Haynes, were there and also Mr. and Mrs. Fairbetter as our visitors. We are always glad to have visitors, so why don't you come? We are honored to have Rev. Frank Leach from Wesley Foundation at Tarleton State College here to speak with us about the Wesley Foundation next Sunday. Be sure and come. I know you will enjoy it. — MYF at 6:30 p. m.

Jerry Mehaffey Home From Navy

Jerry Mehaffey is visiting his parents, Mr. and Mrs. R. C. Mehaffey, after receiving his honorable discharge from the Navy at San Diego, Calif., on Sept. 30. He had completed four years of service, and at the time of his discharge was a Lieutenant, Junior Grade. He was a jet fighter pilot for most of his hitch.

Jerry received 18 months of flight training at 7 or 8 bases, including Pensacola, Fla., and Corpus Christi, Texas. He was stationed at San Diego for most of the remainder of his tour of duty. During this time he served seven months on the aircraft carrier, U. S. S. Essex, on a cruise in the Far East.

FIRE PREVENTION will be family business in the Roy Rogers home as well as in millions of other American homes during National Fire Prevention Week (October 6-12). The screen and TV star joins three of his children, Dusty, Dodie and Debbie in a fire prevention inspection tour of the family's California residence. Dusty, at 10 a full-fledged Junior Fire Marshal in the program sponsored as a public service by the Hartford Fire Insurance Company, holds a copy of the fall issue of the Junior Fire Marshal magazine which features a home inspection report for boys and girls. His adopted little sisters, Dodie, an American Indian, and Debbie, a Korean War orphan, are both just five and eligible for the first time for school and a chance to participate in the Hartford Fire's gigantic fire prevention and safety program.

ATTACK WARNING effects are graphically illustrated in the two aerial views of New York's George Washington Bridge above. The left picture shows normal mid-afternoon traffic, while the right photo shows the same scene a few minutes later on July 20, 1956, after civil defense sirens had blown to test New York's ability to take cover quickly. In general, a large city populace would be told to take cover from impending attack only when there was too little warning time to evacuate. (New York Daily News Photos)

Come in and "POWER TEST" a new

Golden Anniversary INTERNATIONAL

New Golden Anniversary INTERNATIONALS range from Pickups to 33,000 lbs. GVW six-wheelers. Other INTERNATIONALS, to 96,000 lbs. GVW, round out world's most complete line.

There's plenty of action under the hood of every new Golden Anniversary INTERNATIONAL Truck.

Here's the way to prove that yourself.

Just accept our invitation to take one of our new INTERNATIONALS and "Power Test" it. Give it the works under the most rugged road conditions you can find. Put it through tests that would make your present truck strain and shudder.

You'll see what we mean by more usable horsepower—really surprising performance... all you'd ever want! And you get it, in a long life, quiet "Six" that keeps costs way down.

And don't forget this: Owners' cost records prove that INTERNATIONAL Trucks cost *least* to own! Come in today!

INTERNATIONAL TRUCKS cost least to own!

BANK NOTES by Malcolm

You Can Bake A Broiler With Unstuffed Stuffing

Broilers are the gay young things of the chicken population and, thanks to their tender age, will always be tender on your plate. However you prepare them, do yourself a favor by shaking Ac'cent on them before cooking.

Ac'cent is a leading brand of pure monosodium glutamate, derived from sugar beets, which has the unique property of making foods taste naturally better. Chicken dishes of every size, shape and character become more lively with a liberal sprinkling of the pure white crystals.

In this instance, we plan not only to bake a broiler but to serve an unstuffed stuffed bird. Wrap the stuffing securely in aluminum foil, and bake it alongside the chicken.

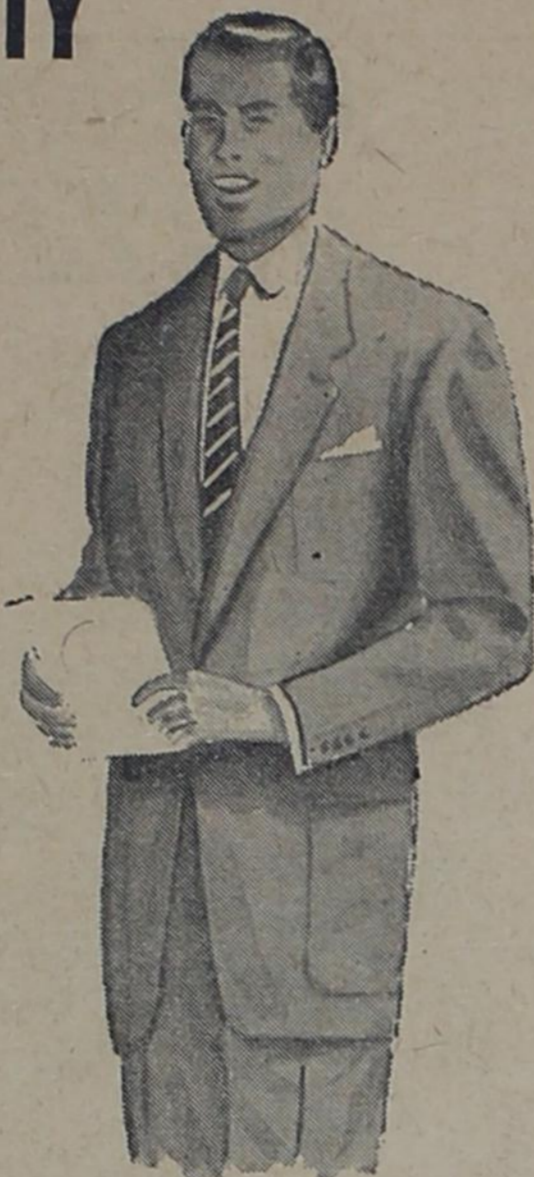

Baked Chicken and Stuffing

Sprinkle 4 broiler-fryer chicken halves with Ac'cent on flesh side of chicken and a little on skin side 15 to 20 minutes before cooking, then sprinkle with salt, pepper and paprika. Place chicken halves, skin side down, in baking pan. Do not overlap halves. Brush melted butter over cut side of chicken. Bake in a moderate oven (350° F.) 1 hour, 15 minutes. While chicken is baking, prepare packaged stuffing according to directions. Place stuffing in aluminum foil; seal edges tightly. At end of first half hour, turn chicken over and brush with butter. Place stuffing in oven with chicken. Bake 30 minutes longer and brush chicken again with butter. Continue baking 15 minutes longer. Serve with stuffing and gravy made from partially diluted cream of chicken or mushroom soup.

COMPARE THESE QUALITY SUIT FEATURES

EASTLAND CO. HOME DEM. COUNCIL MEET AT EASTLAND

The Eastland County Home Demonstration Council met October 2 at 2 p. m. in the Texas Electric Conference Room in Eastland, Mrs. York Eberhart, chairman, presiding. There were 7 of the HD Clubs represented and 27 people attending.

Council members decided to sponsor a Driver's Re-Education program sometime soon after the first of the year. The yearbooks for next year will be made by representatives from each club. They will meet in the HD Agents office and use the mimeograph which was presented to the agent by Council.

Plans for the Annual Achievement Day, to be held on November 6, were made. A covered dish luncheon will be served to county home demonstration club members and guests that day. There will be an education booth put up by each club. There will also be individual exhibits which include muffins, aprons, Secretary's books, crafts made at HD Club camp, and gifts. These individual exhibits and the educational booths will be judged and prizes awarded.

Each HD Club will take orders for cakes from people in their vicinity. The money from these cakes will be turned over to the county council as each club's part in this year's money-raising campaign.

Sandra Kirkland
County HD Agent
