### COUNTY FARM BUREAU CONVENTION Oct. 22, 7:30 p m Eastland Methodist Church

The date for the County Farm Bureau Convention has been set for Tuesday, October 22, 7:30 p. m. We will meet in the basement of the Methodist Church at Eastland.

Resolutions to be considered are:

I - Will farmers do nothing and let the money which was appropriated for Farm-to-Market Roads be transferred to maintenance and building of super-duper highways or are we going to let our legislators know what we think about it. NOW IS THE TIME TO ACT!

II - Should some of the permanent School Fund be used to pay Teachers pay-raises or should it be kept for future education and the money raised from other sources?

III - Other important issues of vital interest to farmers and others who live in rural communities will be discussed. Every Farm Bureau member is urged to attend and voice his opinion and vote. Every farmer in the county is invited to the Convention and he will also be given an opportunity to express his opinion if he so desires.

MITCHELL CAMPBELL, President  
Eastland County Farm Bureau

The following telegram was received by Mitchell Campbell on October 14th.

"Thirteen thousand members needed to meet 75,300 quota I am counting on you to take advantage of this excellent time to gather your best workers for final all-out effort. We must have strength in numbers to protect rural roads, agricultural rights, etc."

J. Walter Hammond, President, Texas Farm Bureau

### Deflated Ego

In Dallas and Fort Worth Monday soliciting advertising and printing accounts, I missed out on the Boy Scout breakfast. Returning to Gorman Tuesday I asked Tom Dunn, chairman, if they had a nice turn out. He looked me straight in the eye and asked, "Weren't you there?"

Which brings to mind that Joe Bennett, Jerry Clark and Delmer Shugart are doing such a fine job I am going to spend more time out of town soliciting business. So many of my competitors are inching in on my local customers that I am going to have to go after some of theirs.

Joe, Jerry and Delmer have decided that I have been too lenient on the Progress subscribers, so they have drafted a letter which is being mailed out to delinquent members. After this week if you miss your paper, see Jerry.

When you hear people talking about home-town boys who are making good you can point with pride to the young men at the Gorman Progress. They have learned their trade in the Progress plant and are quite capable of working in all departments. In fact, the only time they like to see me around the shop is on Fridays so I can sign the checks.

This is my farm you understand I own my deed and I pay the tax. I built my home and fences, too Like any farmer would like to do I conserve the soil as best I can because it is only borrowed land It was loaned to me from God above

To be a steward of his soil God owns the land I say But the rules are made by the USDA

Now, if the land belongs to God and me Why in the heck do I have to ask the ASC how much cotton I can plant

Or else get kicked in the seat of my pants

If I plant too much I must plow it up And leave it lay there in the dust

Approximately forty businessmen and local citizens gathered at Emerson Cafe Monday morning for breakfast. After a pep talk by Chairman Tom Dunn, the group canvassed the town and raised \$406.10 as of Wednesday. More collections are expected to be turned in at the end of the week.

### Hospital Report

The Blackwell Hospital of Gorman reported the following listed as patients on Tuesday morning:

- 201 - J. W. Mounce, Eastland
- 202 - Mrs. James Stanley, Comanche
- 203 - Donna Lynn Jordan, Eastland
- 204 - Mrs. H. C. Wharton, Carbon
- 205 - Mrs. Nancy Maupin, Gorman
- 206 - Mrs. Jess Blackwell, Ranger
- 210 - Mrs. Jimmy Posey, Colorado City
- 401 - Wesley Eads, De Leon (No Visitors)
- 402 - Mrs. Rilla Sutton, Gustine
- 403 - W. D. Parson, Snyder
- 404 - Miss Janet Parks, De Leon
- 405 - Mrs. E. J. Terry, De Leon
- 406 - Tresa Garrett, Eastland
- 407 - Miss Pat Bennett, Comanche
- 409 - Mrs. Alma Cloud, Comanche
- 410 - Dennis Frasier, Gorman
- 411 - Mrs. Della Brown, R. Star
- 412 - Don Hamilton, Comanche
- 415 - Mrs. Herman Bennett, Fort Worth
- 416 - Mrs. F. E. Woodall, Gorman
- 417 - N. D. Burns, Carbon
- 418 - Mrs. S. C. Gregory, R. Star
- 419 - J. L. Smith, Comanche

### BIRTHS AT BLACKWELLS

Ronny Dwayne Johnson born to Mr. and Mrs. Bobby Joe Johnson of Cisco on October 9 weighed 6 pounds and 13 ounces. Kathy Ann Stanley born to Mr. and Mrs. James Stanley of Comanche on October 11 weighed 7 pounds and 10 ounces.

And if I plant too little this I know I lose my allotment row by row I know God gives me sunshine and rain

But the ASC gives me a pain God loans us his land And should receive our thanks But the USDA created the soil bank

And this to as you can see Is an extension of the ASC Now, if the land really belongs to God and me

Why, oh, why do we need the ASC?

A is for ask S is for Santa C is for Claus and get something for nothing

Rain in Gorman measured 3.6 inches this week according to Mrs. Daisy Peveto, official recorder for the U. S. Weather Bureau. The rain started falling Saturday night after midnight and continued until Tuesday morning.

The official measurement was 2.30 on Sunday, 1.05 on Monday, and 0.25 on Tuesday. The readings were made at 1 p. m. each day.

The rains prevented farmers from taking up their peanuts this week, as some had planned to do. Part of the growers had already plowed up the "goobers", however. Some farmers said the late rains would damage their peanut crops, while others maintained the moisture would not hurt if the rain would cease long enough for them to gather the crops. If the wet weather continues, the peanuts will rot in the ground before they can be harvested.

The total rainfall in Eastland County for the year is now 33.25 inches. Average annual rainfall is just 25.83 inches. That means that the county is 4.42 inches above average for the entire year, or 9 inches above average for this time of the year. If the record rains continue, this could be the wettest year in history.

Highway 6 to Eastland was closed the first part of the week because of high water, and Highway 8 to Desdemona was also impassable near the Ed Harrison ranch for the same reason. Traffic between Gorman and Desdemona had to be re-routed by way of De Leon.

Cisco and Eastland had some flooding. Cisco had 11.2 inches and Eastland had a 3-day total of 8.03 inches. Lake Leon rose to an all-time high, and stood at 81.4 feet on Tuesday morning. Boat docks and lake homes were damaged by the rising water. Many lake cottages are under water and few escaped any damage.

### Federation Is Focus Of Woman's Study Club Meeting

The members of the Woman's Study Club gathered in the home of Mrs. Keith Whitt on Monday evening, October 14th, and entered right into one of the required studies of the year, "Federation Facts". Beginning with the organization and ranging right through history down to the present, three levels of Federation were presented. Mrs. Roy Byrd gave highlights of General Federation, Mrs. Ray Rankin discussed Texas Federation, and Mrs. Berenice Jeffs presented interesting details of our Sixth District. These reports of the progress of women united were not only interesting, but gave each of us a great feeling of pride in being one of the eleven million federated club women.

Roll Call was very unusual at this particular meeting. Each member is assigned a roll call topic such as "odd facts", "artful art", and "face forward", for the year. The unusual - everyone of the eighteen members present had prepared for roll call, which made for a very enlightening and entertaining period.

Believing in the old saying, "All work and no play, etc." our business and program session was followed by a buzz session. Hostess Mrs. Whitt served a delicious refreshment plate while everyone visited.

The meeting was obviously enjoyed by everyone, as evidenced by the reluctance of all to say good-night.

### Statement By Lyndon B. Johnson

It is always difficult for me to take seriously speculation about possible candidates in an election campaign which is three years away. The difficulties are compounded when the speculation involves my attitude toward a position I do not seek.

There are some things about which I am certain.

In 1960, the Democratic Party will hold its convention. There will be a wealth of candidates among which we can select our standard bearers. I do not know who the candidate will be, but I have every conviction a man could conceivably have that it will not be me.

A presidential nomination is not something that is just handed out. It is determined by the Convention which selects among candidates.

I have made it clear both in public and private that I do not seek the nomination. There are absolutely no reservations in my mind on that question. And I am not leaving the door open for any last minute changes in attitude.

The people of Texas and the Democratic Party have accorded me fulfillment of every ambition I ever had. I seek only to justify their faith and discharge my obligations by contributing whatever I can to the service of my Party, of my State, and my Nation.

There is no doubt that the high cost of living is our major domestic problem.

There may be times and circumstances in which our people benefit by a tightening of credit policies. But as an "anti-inflation" move for the present, "tight money" has been a miserable failure.

Tight money has increased the Federal, State, and local tax burden.

Tight money has denied needed credit to small businessmen. Tight money has added to the troubles of our farmers.

Tight money has lowered the value of the dollar for the borrower, and increased the value of the dollar for the lender.

But one thing it has not done is to lower the weekly grocery bills of our people.

I predict the Congress will refuse to go along with any efforts to raise legal interest rates and make the present "tight" money market any tighter. And there will be a strong effort to lower those which have already been raised.

The Congress will insist on a strong and broadly based program to achieve stable living costs in contrast to the Administration's policy of putting all of its eggs in the tight money basket.

### BUSINESS WOMENS W.M.U. CIRCLE MEET AT CHURCH

The Business Womens W. M. U. Circle of the First Baptist Church meet Monday evening at 6:30 in the Educational Building for Royal Service program. Mrs. Bert Bennett presided. Mrs. J. R. Todd opened the meeting with a prayer. Mrs. Bennett read the 8th. verse of the 3rd. Chapter of Revelations.

The program was brought in two parts, Mrs. Geo. Blackwell taking the first part, the open door, a cobblers shop door to Christian Missions, then the door of heritage, the door of the present, the door of opportunity, and the door of responsibility, which was very interesting.

Mrs. Ethel Harrell brought the second part, the key to the door, door opened wide, and the door keeper.

After the program a short business meeting was held and officers elected for the ensuing year. Mrs. Bert Bennett elected circle chairman, Mrs. J. Q. Eakin, co-chairman, Mrs. J. W. Richardson, sec.-treasurer and reporter, Mrs. Geo. Blackwell, social and missions chairman, Mrs. J. F. Dean, chairman of stewardship, Mrs. Jesse Parker, community missions, Mrs. Todd, prayer leader, Mrs. Rider, song leader, Mrs. Ethel Harrell, Bible study chairman, Mrs. Gowan, program chairman.

Nine ladies attended. The meeting closed with a prayer by Mrs. Gowan.

## PANTHERS Lose Hard Fought Battle To Eastland, 33-19

# Jim Ned Game Reset For Nov. 1st Due To Flu

3 P. M. Thursday — Mr. Baze, Superintendent of Gorman Schools called the Progress office just as the paper was being printed and stated that word had been received from Jim Ned School that the football game for Friday night would have to be postponed due to a flu out-break at Jim Ned. The game will be played at Jim Ned November 1st

By Jerry Clark  
Magnificent! That word could best describe the way the Gorman Panthers played the Eastland Mavericks last Friday night at Gorman, although Eastland won 33-19. It took three quarters for Eastland to subdue the stubborn Panthers before scoring the two decisive touchdowns in the fourth

### STATISTICS ON PANTHERS AFTER SIX GAMES

Statistics on the Gorman Panthers show that Eddie Gregg is leading in offense and Co-Captain Bobby Standridge is the leader on defense after six games. Totals for the first six games, all non-district, are as follows:

**OFFENSE**  
Rushing Offense - Eddie Gregg, 672 yards, 113 carries, 5.94 yards avg.; John Brinegar, 476 yards, 113 carries, 4.21 avg.; Neal Overstreet, 220 yards, 49 tries, 4.48 avg. (Overstreet has missed almost two full games because of injuries); Delbert Smith, 55 yards on 34 keepers; James Whitlock, 18 yards on 10 tries; and Eddie Browning, 11 yards on 7 carries.

Total rushing offense - 1,452 yards for an average of 242 yards per game.

Scoring — Gregg, 9 touchdowns for 51 points; Brinegar, 5 touchdowns, and 7 extra points for 37

points; Overstreet, 1 touchdown for 6 points. Total - 97 points.

The Panthers were nervous at the start of the game and lost 4 fumbles in the first quarter. One of these fumbles led to the first Eastland score. The Panthers received the opening kick-off and drove to the Mav 23-yard line before losing their first fumble. Eastland couldn't move and punted. The Panthers fumbled the punt and the Mavs recovered the ball on Gorman's 18-yard marker. After three plays Eastland had its first score.

But at the end of the first quarter the Panthers stopped an Eastland drive on the Gorman 22 yard stripe. As time ran into the second quarter the Big Cats punched out 78 yards to paydirt with Eddie Gregg scoring on a 1-yard burst. Fullback John Brinegar ran the extra point across to tie the score 7-7.

Eastland received the ball on downs a little later after the Cats moved to the Mav 27. Sparked by runs of 28 and 29 yards by Fullback Saul Pullman, the Mavs went 73 yards to score again. Quarterback Clint Humphreys passed 9 yards to Halfback Hollis for the marker.

Gorman received the kick-off and on the second play Gregg dashed 55 yards behind good blocking for another tally. Brinegar's conversion try missed, and the halftime score was 14-13.

The two teams swapped scores in the third period, with Eastland scoring first on a 75 yard move. Hollis aided the march with runs of 37 and 21 yards, with Fullback Joe Martin scoring from the one. Point try was blocked.

The Panthers took the kick-off on their own 36 and moved for the score, Gregg making the last nine. Point try failed. Score at the end of the third period was 20-19.

In the fourth period, Hollis made a 50 yard run to set up another Eastland score, then scored himself on a one-yard plunge. The conversion was good.

Eastland iced it in the fourth on a pass from Humphreys to end Charles Thompson that covered 48 yards to the one. Then Humphreys carried over. Point try was blocked, and the game ended, 33-19.

Halfback Eddie Gregg made 148 yards on 19 totes, Fullback John Brinegar had 101 on 22 carries, Halfback Neal Overstreet had 31 on 5 tries, Quarterback Delbert Smith collected 22 on 7 journeys, and reserve Halfback James Whitlock had 17 on 8 ambles. Overstreet was able to play only until the middle of the second quarter because of his leg injury.

End Jerry Warren made 10 tackles and assisted on 3 more, Co-Captain Bobby Standridge made 7 tackles and helped on 4, Tackle David Revels had 7 and 2 assists, and Tackle Dick Townley totaled 6 tackles and 3 assists, and recovered a fumble. These were the leaders on defense.

Saturday night in the Cotton Bowl, an important Southwest Conference football game will be played between Rice and SMU. The game is expected to attract upwards of 50,000 fans.

The free Aztec-Mayan Spectacular, featuring the fabulous "Flying Indians", will be presented at 2 and 7:30 p. m. daily thru Sunday. "My Fair Lady", the wonderful musical show at the State Fair Music Hall, has performances at 8:30 p. m. nightly with matinees at 2:30 p. m. Saturday and Sunday.

"Ice Capades," another glittering and popular Fair attraction, has performances scheduled at 8:30 p. m. Friday and Saturday and at 2:30 p. m. Saturday and Sunday. The Aut Swenson Thrill ride will be presented in front of the grandstand at 2:30 and 8 p. m. Friday, Saturday and Sunday.

**GRAPELAND'S PEANUT FESTIVAL CLIMAX SET FOR SATURDAY, 19TH**

Grapeland's 13th annual peanut Festival will have its climax Saturday, October 19, with an all afternoon free program of western and country style music, program chairman Luther Brown of VFW Post 5870 has announced.

Appearing on the free program will be the Wynne Melody Boys, popular group from the Wynne Unit of the Texas Prison System; a fiddlers and fiddle band contest with entrants invited from all over the state; and entertainment by the KTRE-TV Jamboree Band headed by Hank Huggins, Brown said.

Saturday's activities will get underway with the festival parade at 10:30 a. m. and the musical program will begin immediately afterward.

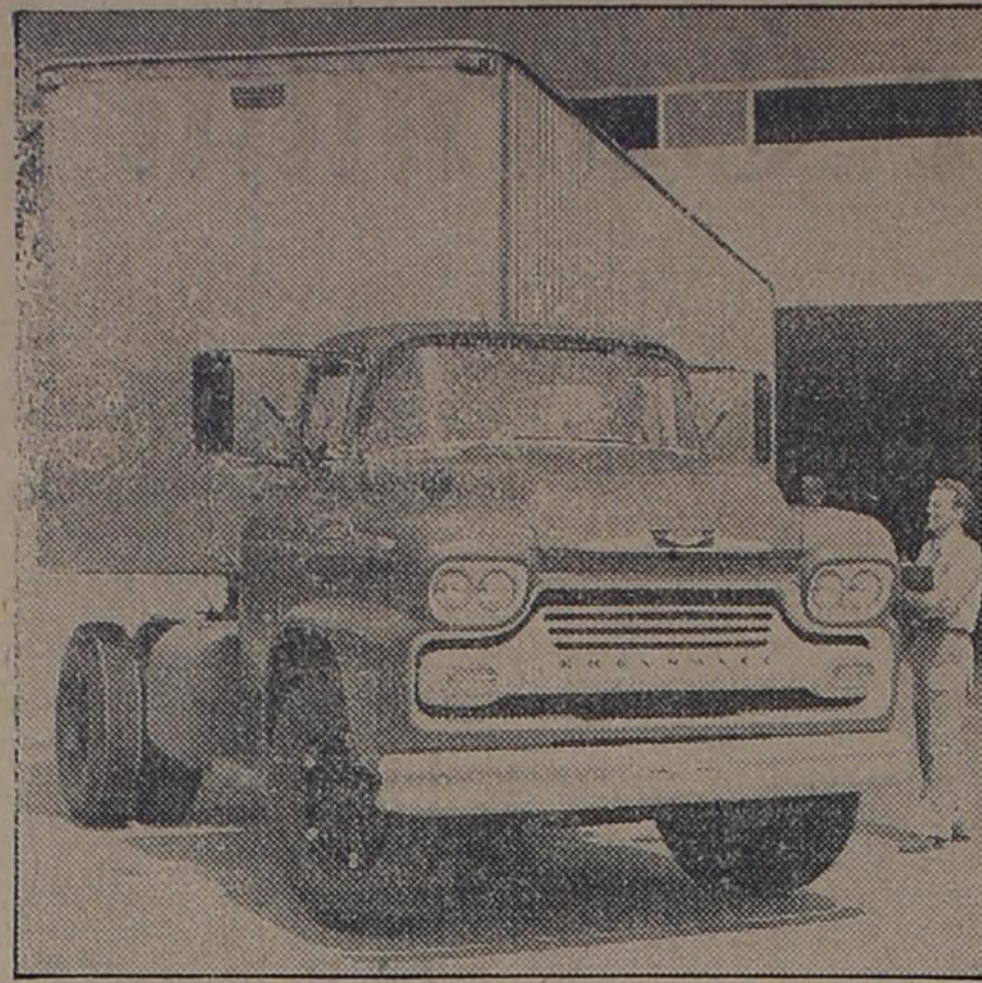

Following the free afternoon show will be a Western Variety Show at the High School Auditorium Saturday night and a dance at the VFW Post Home. Headliners at both the Variety

show, at 8 p. m., and the dance, at 9, will be Jimmy Heap and the Melody Masters, stars of Capitol Records. Heap's group is currently listed as the seventh top western band in the nation and is having a rapid rise in popularity, Brown said.

A feature of the variety show will be the presentation of the Festival Queen and her court. The Queen is to be crowned during half-time at the Grapeland-Diboll football game Thursday night and will appear with her court on the "At Your Service" program on KTRE-TV, Lufkin, on Friday, Brown said.

Following the variety show will be give-away time with merchandise prizes to be given to the public and cash awards presented to peanut growers for the three top grades of peanuts sold in Grapeland through Friday, October 18th.

The annual festival, sponsored by the Houston County VFW Post in Grapeland, is staged as a salute to the peanut growers of the area for their development of what has become one of the biggest cash crops in the area.

**THE WONDROUS YEARS OF OUR TIME...**

Man's use of petroleum — of oil and natural gas — began before the first records of history. But petroleum's full usefulness to man has been a matter of decades only. They have been wondrous years, those decades. Years that saw automobiles built by the millions because gasoline was available as a cheap source of power. Years that saw the oceans dwindle under the high speed of great ships powered by oil. Years that saw the evolution of a more comfortable living in homes warmed by oil and natural gas. Years that saw rubber, fibers, paints and many other useful items of everyday living produced from petroleum's hydrocarbons. Years that saw the earth shrink under the wings of the airplane, and great wars decided by the availability of oil. Thus, the oil industry has led the way into the wondrous years of our time. The industry, through foresight, ingenuity, research, and risk-taking, has found and produced the oil required in greater quantity each year, has conserved

oil for the future, has devised the transportation systems that move oil economically, has built the refineries and plants that convert crude oil and natural gas to the hundreds of useful products needed by a growing United States. The Humble Company, founded in 1917, has participated in petroleum's progress during four great decades, and has pioneered in the development of many current techniques for finding, producing and refining oil. This week, with the industry, Humble invites you to consider the variety and extent of oil's progress . . . Surely no other industry has contributed more to the making of modern America.

Consolidation has not helped the former South Taylor football team too much it seems. However, the team has not lost all of its games as it did last year. And the games Jim Ned, the new name for the school, have lost have been close except for the

35-0 whitewashing by powerhouse Rule last week. Of course, Jim Ned has not played Class AA teams like Gorman has. The Indians have played only one Class A team, Wylie, and the rest have been Class B teams. But a team is always harder to beat on its home field, so the Panthers had better be prepared to play hard.

Baird looked weak in its district opener with Moran last Friday. If Fred Sanner of the Abilene Reporter-News expects Baird to win our district, he may have to give them some vitamins. The

Bears beat Moran only 13-0, which looked very poor compared to the way everyone else has tromped Moran. It was the least number of points scored on Moran this season. An excuse was made that five of Baird's backs were injured, but that would show that their team depends too much on its backs. If they had a strong line like Gorman, the backs could still go, even with injuries. That may be exaggerated a little, but I get tired of the Abilene paper making excuses for Baird.

This week Baird has its Homecoming, and hosts Trent on Saturday night in a non-district game. The only district game is the Gorman at Jim Ned affair. Moran entertains the Cisco "B" team.

### DIST. 8-B SEASON RECORD

Team	W	L	T
Baird	3	2	0
Gorman	2	4	0
Jim Ned	1	4	1
Moran	0	5	0

### DIST. 8-B STANDING

Baird	1	0	0
Moran	0	1	0

Other games of interest in the area are Eastland at Wylie in their district opener, and Mason at Rising Star in their third district game. Rising Star lost its second district game to Llano, 34-0, last week and is winless this season.

One Point - that is the margin by which SMU and Rice lost their football games, and the margin by which I missed picking them to win. And I missed picking Baylor to win by only 3 points, but that is the way the ball bounces. My average last week was 60 percent for 6 right of 10 picks. That makes my season average 61 percent.

- This week the Southwest Conference race gets underway in earnest, with 3 games slated. Baylor at Texas Tech is the only non-conference game.
- Arkansas over Texas (Don't Cry, Joe)
  - A&M over TCU (poor ole Oda)
  - Rice over SMU (Owls look stronger)
  - Baylor over Texas Tech (break losing streak)
  - Auburn over Georgia Tech (Wrecks wrecked)
  - Pittsburgh over Army (try the Pentagon)
  - Michigan State over Purdue (socko)

The Methodist Youth Fellowship met in the annex of the Methodist Church. Carolyn Haynes played the piano and David Revels led the singing. Jimmy Brightwell said the prayer and David Revels took up collection. There were 22 youth and 6 adults present. Our adult visitors were Mrs. Blair and Rev. Leach and our sponsors are Mrs. Hatcher, Mrs. Day, and Rev. and Mrs. Haynes.

Rev. Leach had the program and spoke to us about the Wesley Center at Tarleton. I know all of us were very happy that he told us all about it. Kay Lynn Ramsey led the M. Y. F. Benediction.

## Desdemona News

By Ethel Keith

Mr. and Mrs. C. M. "Shorty" Bratton of Henderson were here Wednesday visiting with Mr. and Mrs. W. H. Davis and with other friends. Mr. Bratton is field supt. for Stanolin Oil Co. in the East Texas field.

Mr. and Mrs. Carson Loving of Texas Tech in Lubbock spent the weekend here with her grand parents, the W. H. Davis, and also in Lingleville with her parents, the Aaron Hensleys, and Aaron E.

Mrs. Aaron Henslee made a business trip to Ft Worth Saturday.

The T. R. Wilcoxson family of Odessa spent the weekend here with the J. M. Wilcoxsons and Ethel Keith.

Mmes. Lora Abel, Leota Powers and Hattie Tate were in Dublin Saturday visiting in the nursing home.

Mrs. A. J. Whitlock of Gorman was here Saturday visiting with Mrs. Viola Huff and Mrs. Jess Griffith.

Mr. and Mrs. Lowell Johnson of Dallas spent the weekend here with her parents, Mr. and Mrs. R. A. Brown.

Mrs. Rob Guthery and children and Mrs. Chubbie Forman of Irving visited Sunday with their parents, the Roy Gutherys.

Mr. and Mrs. Hugh Abel were in Turnersville Saturday visiting relatives and friends.

The T. R. Wilcoxsons and the Mack Keith family attended the Dallas Fair Saturday.

Miss Margaret Ruth Kinser of Gorman and Eugene Lewis were married Monday night, October 14, at 7 o'clock at the First Baptist Church here. Their many friends extend best wishes. Eugene is in service for Uncle Sam and is due to report to camp on October 24th.

Mr. and Mrs. Perry of Silverton are here visiting her sister, Mrs. Ollie Fien, and brother, Mr. Lonnie Clayton, after a tour in South Texas.

Mrs. Frank Leazar, daughter of Mr. and Mrs. John Arnold, remains a patient in a Dallas hospital, and is reported not very much improved.

Mrs. William Riddle returned home Sunday from Odessa where she had spent several days visiting her parents, Mr. and Mrs. Howell Stokes.

The Bud Carters had their son, J. D. and family, home for the weekend.

## Mrs. Eldridge Hosts Desdemona Study Club On Saturday

Mrs. Claiborne Eldridge was hostess to the Desdemona Study Club on Saturday evening, October 12th.

The club's colors of pink and green were carried out in beautiful arrangements of carnations, dahlias and bells of Ireland.

Roll Call was answered by naming a quiz program on TV.

Mrs. Eldridge, as program leader, introduced a spicy TV and radio quiz. Mrs. Burleson and Mrs. Wade were high score winners.

Mrs. Stell Joiner spent part of last week in Electra with her husband, Mr. Raymond Joiner.

Mr. and Mrs. Homer Joe Sparkman and children visited his parents, the Jessie Sparkmans, and his grandparents, Mr. and Mrs. H. C. Abernathy, the past week end.

During the business meeting, at which Mrs. Burleson presided, Mrs. Moseley presented the year-books which she had typed. Mrs. Burleson had designed and artfully decorated the covers in the theme of the year "Dixie Land".

Mrs. Davis, parliamentarian, conducted a short drill on parliamentary law. She announced that the drills would be continued at every other meeting and that a vocabulary study would be made at every other meeting.

Mrs. Burleson paid tribute to the junior past president, Mrs. Wade, and presented on behalf of the club, a beautiful Early American Fostoria footed compote to her.

A delicious refreshment plate was served to Mrs. Gordon Tate, a guest, and the following club members, Mesdames John Burleson, W. H. Davis, Aaron Henslee, Claiborne Eldridge, Ollie Fien, J. F. Moseley, and Howard Wade.

**OLIVER SPRINGS NEWS**

FLORENCE RICHARDSON

**Duster News**

Mrs. Lorene Johnson, Reporter

Life with Christ is an endless hope. Life without Christ is a hopeless end.

Due to rainy weather Church of Christ and Bethel Baptist had fair attendance Sunday. The W. M. U. women and visitors enjoyed an inspirational program and visiting.

We attended the wedding of Miss Margaret Ruth Kinser and Mr. Eugene Lewis Monday night at the Baptist Church in Desdemona.

Mr. John Reed was buried at Oliver Springs Monday afternoon. He died in Austin. Oliver Springs was his home for many years.

Mr. Melvin Daniels has been in Mexico visiting his parents, the Ernest Daniels.

**LINDA LEE SPECK ENROLLED AT HSU**

Linda Lee Speck, daughter of Mr. and Mrs. Walter Speck of Gorman, is among more than 1,500 students attending Hardin-Simmons University in Abilene this fall.

The fall semester got underway Sept. 20. The first university holiday will be Thanksgiving to be observed Nov. 27 through Dec. 1. Students will leave the campus at noon Dec. 21 for the Christmas vacation and return on Jan. 5.

Hardin-Simmons University, founded in 1891 by the Sweetwater Baptist Association, is a liberal arts university. Dr. Evan Allard Reiff is president.

Hardin-Simmons, a Christian institution, is noted for academically offering more than 550 courses in more than 40 fields.

A wonderful social hour Monday night.

Audry Gray of Tarleton State College and Kenneth Heathington of Austin College were home over the weekend.

This community welcomes Mr. and Mrs. Freddie Hammit who have moved into our community.

Mr. and Mrs. George Scott attended the funeral of a brother-in-law, Mr. Hilley, at Breckenridge, Tuesday. His home was in California.

Mrs. Ethel Sanders visited relatives in Waco a few days.

Mr. Charlie Gott and son of San Angelo spent the weekend with Mr. and Mrs. Seal Smith. Mrs. Gott returned home with them. Happy to report she is recovering satisfactorily after surgery.

Mr. and Mrs. Herman Gray of Rule visited in the Coan and Scott homes.

Mr. and Mrs. Jay Franks of Plainview were recent visitors with his parents, Mr. and Mrs. H. S. Franks.

Misses Polly and Pansy Coan of Ft Worth visited their parents, Mr. and Mrs. Abb Coan, a few days.

David Craddock, student at Tarleton State College, visited his grandparents, Mr. and Mrs. L. L. Dukes, over the weekend.

**Attack Warning Net New 'First Line'**

Twentieth Century Paul Reveres may some day play a vital part in saving your life and that of the nation just as the original Revere's timely warning helped preserve the life of the American Colonies.

In this age of nuclear weapons, intercontinental bombers and some day, perhaps, long-range guided missiles, hours and even minutes of attack warning time can be of vital importance.

**AN ARMY** of professionals and volunteers man the radars, scan the skies and operate the military and civil defense circuits to pass along word of danger. They range from scattered outposts in northern Canada and radar picket ships far at sea to the man who sounds your home town air alarm.

This network is tested constantly, both in the Air Force phase of initial warning, and the civil defense phase of spreading the warning from air defense division control centers to the general public.

In a very real and personal sense, this warning system is the first line of defense for every American as he goes about his daily life under the threat of ever-possible attack.

**Keeping Up With Our Friends**

Mr. and Mrs. R. C. Sims of Stamford visited with his mother, Mrs. W. M. Sims, last weekend.

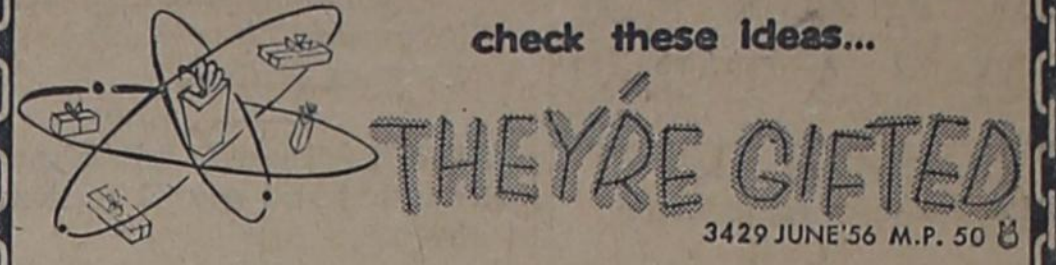

Miss Marjorie Warren returned to her position with Gulf Oil in Ft Worth after visiting with her parents, Mr. and Mrs. Leland Warren. Marjorie and her mother also visited with her brother, Mr. and Mrs. George Warren and family at Odessa.

Mr. and Mrs. J. Q. Eakin have returned home from a two weeks vacation. They visited Mrs. Eakin's mother in Dallas, attended State Fair and Ice Capades. They also visited their son and family, Mr. and Mrs. William Eakin, of Moore, Oklahoma.

Granny Barnett and Mrs. Laura Westmoreland have been visiting their children and grandchildren in Metcalf, Odessa, Andrews, Monahans, and Lubbock. Each had a wonderful time.

Mr. and Mrs. Stanley Porter spent the weekend in Waco with Mr. and Mrs. Dwayne Clement and attended the Baylor and Arkansas football game.

Mrs. John Browning visited recently with the Joe Bob Brownings at Gruver and with the Hup Morris family at Brownfield.

## Highlights and Sidelights

From Our State Capitol  
By Vern Sanford.

AUSTIN - There is talk of not just one but two special sessions of the Legislature.

East Texas House members, who served as a tightly-knit team in pushing pro-segregation laws last Spring, are asking Governor Price Daniel for a chance to put through some more.

Texas needs laws to prevent the kind of trouble that developed in Little Rock, say the East Texans. Specifically, they propose (1) a law to allow local boards to close schools in case of riots or occupation by troops and (2) a measure directing the Attorney General to assist local school systems involved in federal suits to enforce integration.

Daniel said, "It may be we should take some further action." But he thought the East Texans were wise in not suggesting the segregation issues be added to the agenda of the session which opened Monday. It was called to work on lobby registration, regulation of practice before state agencies, water conservation and crime study. Most observers think thrashing out all the details on these will take a full 30 days.

FOUR INDICTED - Travis County Courts, which serve as the arena in which state officials are taken to task, are due many more months of statewide attention.

After four months of studying the history of the ICT Insurance Co., a Travis grand jury returned perjury charges of bribing the commissioners. Also Smith's son-in-law, Max Wayne Rychlik, on perjury charges.

Jurors recommended state laws be strengthened, particularly in regard to liabilities and responsibilities of company officers and board members.

There wasn't time to go into legislative lobbying, said the weary jury. But it urged a law requiring registration and expense reports by lobbyists.

Proof that the jury's tiresome task took its toll was the hospitalization of one member just as the term ended, reportedly suffering from "physical exhaustion."

WATER PREVIEW - Sectional rivalries and lack of money have hobbled past efforts for an overall water conservation program in Texas. So said speakers at the Texas Water Conservation Association meeting where water problems confronting the special legislative session were previewed.

State Water Board Chairman R. M. Dixon said his department has never had enough money to carry out its assigned duties. He asked for more money to gather data and pay salaries comparable with other state departments.

House Speaker Waggoner Carr pointed out that legislators have had trouble getting together on a water program because they reflect the conflicting ideas of their

constituents, said Carr. He urged cooperation.

Governor Daniel recommended a water plan to take care of needs up to the year 2000. "We can go forward," he said, "and guarantee the future growth and prosperity of our state, or do nothing and face economic stagnation."

WATER AMENDMENT - Governor Daniel has expressed great pleasure over the widespread interest in passage of the Constitutional Amendment for water development.

He pointed out that the measure, which is third on the Nov. 5 ballot, has received the endorsement of the state's leading organizations and associations.

"Each day's mail brings additional support from local chambers of commerce and other civic organizations, as well as private citizens interested in the welfare of Texas," the governor added.

ROD AND GUN STATISTICS - Texans spend twice as much money to hunt and fish as they do for admission to all football, baseball and basketball games, plus all other spectator sports, plus all the movies and other theatrical attractions combined.

So said L. A. Wilke of the Texas Game and Fish Commission at a Rotary Club luncheon in Austin.

Here are some other facts with which Wilke surprised the Austin Rotarians: Anglers and hunters outnumber golfers 9 to 1. They also spend more on hunting and fishing than all Texans spend on medical and dental care and hospitalization insurance.

FLU CASES PILE UP - "That

foreign flu" is getting familiar to Texans. Reported cases doubled in a week, according to the State Health Department, bringing the total of flu-like illnesses to 62,319.

A number of schools had to close after absences skyrocketed. Many others canceled football games, band concerts and other special events.

COTTON FORECAST UP - Texas' 1957 cotton crop will be 83 per cent of normal, says the U. S. Dept. of Agriculture. October estimate is for 4,100,000 bales - a half million bales more than was expected in September.

USDA also reported that mild fall weather was helping farmers in many areas. Scattered showers brought up winter wheat on the plains and encouraged volunteer oats and other pasturage for cattle over wide areas. Weather also was favorable for harvesting peanuts, rice and sweet potatoes.

APPOINTED BY GOVERNOR - Named by Governor Daniel to serve on state boards are:

W. W. Heath, Austin attorney, rancher and banker - to the State Board for Hospitals and Special Schools.

Dr. B. B. Brown of Dallas (re-appointed) and Dan McKnight of Rocksprings to the State Board of Pharmacy.

Dr. Elmer C. Baum of Austin, Cyrus Hill Lambert, a pharmacist of El Paso, and Dr. William Hibbits of Texarkana, to the State Board of Health.

Dale Broussard of Beaumont and Norman Bratcher of Denison to the State Board of Morticians.

TO THE PEOPLE OF GORMAN

I would like to take this time and opportunity to give you my heartfelt thanks. You were so good to me during my stay in the Hendricks Memorial Hospital and after my release you continued to be the town with the Loving Heart. I cherish your cards and many gifts. Your visits meant so much to me and made my stay seem shorter. I thank all of you again for being the town with the "Heart of Gold".

May God's richest blessings be with you and yours.

## Land a Favorite with Hungry Anglers

Want a campfire meal that cooks in jig time? When you do, serve Barbecued Fish Sticks in Buns. Hungry picnickers, or anglers, will choose fish in the pan toasting for an uncertain catch. These precooked fish sticks, popular for outdoor cooking, are purchased cut to size.

Prepared as Barbecued Fish Sticks, everyone sniffs in anticipation as the aroma of this savory dish blends with the scent of hickory coals. The barbecue sauce, made in advance, is heated in a skillet until it bubbles merrily. The fish sticks are added and allowed to just heat. For easy out-of-hand eating, place the "sticks" between buttered, split bakers' buns or slices of enriched bread. Roast fresh corn on the cob, which has been seasoned, buttered and wrapped in aluminum foil and served as the vegetable.

- Barbecued Fish Sticks in Buns**
- |                                   |   |
|-----------------------------------|---|
| 2 tablespoons butter or margarine | 1/2 cup or 1 (8-ounce) can tomato sauce |
| 1/4 cup finely chopped onion      | 1/4 cup lemon juice                     |
| 1 cup finely chopped celery       | 1 package frozen, precooked fish sticks |
| 1/4 teaspoon thyme                | 5 sliced frankfurter buns               |
| 1/4 teaspoon rosemary             |   |

Melt butter in a small skillet. Add onion and celery and saute until tender. Blend in thyme, rosemary, tomato sauce and lemon juice. Simmer for 30 minutes. When thick, pour sauce into jar with tight cover. At picnic site, put sauce and fish sticks in small skillet. Heat through. To serve: Place 2 fish sticks and a little lemon barbecue sauce between bun halves.  
Yield: 5 Barbecued Fish Sticks in Buns
