General Election Set November 3

The General Election is set for November 3rd. The Election in Gorman will be at the Senior Citizens Building. Polls open 7 a.m. to 7 p.m. Judd Maxfield is the Election Judge. All Citizens are urged to get out an voice your opinion by voting in the General Election. This Election is very important and effects all of us. Below is a copy of the Ballot for Precinct #5.

Panthers Defeat Bulldogs; Host Rising Star Friday

GAME AT A GLANCE table with columns for Gorman and Ranger, rows for First Downs, Rushes/Yds, Passing Yards, etc.

Robert Seaton, three to Dathan Wright, 1 to Margarito Sanchez, and 1 to Bradley Gilmore. Offensively we are averaging 382 yards of total offense per game and averaging 32 points per game.

Cypher has 53 total tackles this year. Sack leaders are Blake Guthery and Cy Cypher, both with 8.

We are very proud of the efforts of our young men this fall, they are a very exciting bunch to coach as well as watch perform on Friday nights.

Lets all come out this Friday and watch these kids in their last home game of the season as they take on the Rising Star Wildcats. Game time will be 7:30 p.m.

Blake Guthery rushed for 188 yards and scored two touchdowns as Gorman doubled Ranger 42-21 at Ranger Friday night.

The win was the seventh in eight tries for Gorman overall and keeps the Panthers on top of the District 14-A standings at 5-0. Ranger dropped back in the playoff chase at 5-3 and 3-2.

Gorman led 21-14 at halftime but two third quarter touchdowns provided breathing room for the Panthers. Guthery scored his second TD on a short run and Cody Foster, who started the game scoring with a touchdown pass to Robert Seaton, ran 6 yards for another. Each team scored in the final quarter.

Foster's 27 yard pass to Seaton put Gorman ahead to stay at the 9:16 mark in the first quarter. Ranger answered by Chris Hughes' TD pass to Travis Clifton for the same distance but missed the extra point and never caught up.

Guthery then scored on runs of 7 and 13 to put Gorman ahead 21-6 but Ranger made it a game again with 29 seconds to go in the first half on John Rutledge's 2 yard run.

Gorman had 447 total yards to 265 for Ranger. There was only one turnover in the high scoring game that produced 37 first downs between the two teams.

Gorman - 14 7 14 7 - 42
Ranger - 6 8 0 7 - 21
SCORING SUMMARY

- G - Robert Seaton 27 yard pass from Cody Foster (Svarovsky kick)
R - Travis Clifton 27 yard pass from Chris Hughes' (kick failed)
G - Blake Guthery 7 yard run (Svarovsky kick)
G - Guthery 13 yard run (Svarovsky kick)
R - John Rutledge 2 yard run (Martinez pass from Hughes)
G - Foster 1 yard run (kick failed)
G - Foster 6 yard run (David Seaton run)
R - Hughes 2 yard run (Martinez kick)
G - Margarito Sanchez 12 yard run (Svarovsky kick)

In Joe's absence I was asked to write for the newspaper this week. I have found out very quickly that I am no sports writer. What I would like to do is fill the rest of this article with the cumulative statistics we have amassed for this season. Margarito Sanchez leads the rushing category with 1,034 yards on 143 rushes. He has scored a total of 9 touchdowns. Blake Guthery has 741 yards on 97 rushes scoring 5 touchdowns. Cisco Madera has 367 yards on only 23 rushes. That works out to an average of 16 yards a carry. Cisco has scored 4 touchdowns for the year. Dathan Wright has 251 yards on 18 carries and has scored 6 touchdowns. Cody Foster has thrown 9 touchdown passes this season. Four to

GOING FOR THE FIRST — Quarterback Cody Foster is shown scampering up the field to make a first down in game action against Ranger. Blocking for Cody is Brian Simpson.

GAINING GROUND — Blake Guthery is shown scampering for extra yardage in the Gorman - Ranger ballgame. Blocking for Blake are Margarito Sanchez, John Paul Sheppard, and other unidentified Panthers.

FOLLOWING BLOCKERS — Margarito Sanchez is shown following his blockers in game action Friday. Blocking for Margarito are Mike Torres, Dathan Wright, Josh Johnson, and other Panthers.

Coaches Corner By Coach Curlee

It was another good week for the junior high and high school football teams this past week, as we won two out of three contests last Thursday and Friday. On Thursday night the junior high team played hard against a good Ranger team and came up a little short by the score of 14-0. The junior varsity team came away with a 13-12 victory, and on Friday night the varsity won a key district game against Ranger by the score of 42-21. This win puts us in the playoffs with two games to play in the regular season. The district championships will be decided next week when we travel to Tolar.

This week our junior high will travel to Rising Star on Thursday night for a 6:00 p.m. ball game. Rising Star doesn't have a junior varsity team so our junior varsity will travel to Cross Plains on Thursday night for a 7:30 game against their junior varsity. Make plans to attend as both of these young teams continue their winning seasons.

This week's varsity game against Rising Star is also Parent's Night. This is always a special game for us as we honor the parents of our varsity and junior varsity football players, as well as the cheerleaders and mascot. On Friday night we will have a reception for all of the parents in the cafeteria starting at 6:00 p.m. Refreshments will be served. At 7:00 we will have a ceremony honoring our Cheerleaders, players and parents at the football field. Game time will be 7:30 p.m. This is an important time for all of us, as we honor the parents of the kids we get to work with every day.

The Spirit Club meets every Tuesday night in the cafeteria. We hope you make plans to attend as the club starts making plans for the playoffs. It is not too late to become a member if you haven't already done so. This organization has done a fine job of supporting the programs and promoting spirit for all of our teams this year. We really appreciate them. Keep up the good work.

Remember the ball games on Thursday night when the junior high team travels to Rising Star, and the junior varsity team travels to Cross Plains. Those games will start at 6:00 and 7:30. Make sure you are in the stands for our last varsity home game of the year this Friday at 7:30 p.m. as the Panthers take on Rising Star Wildcats. Hope to see you in the stands the next time the Panthers or Lady Panthers play.

Marti Heyser Candidate For County Treasurer

To the People of Gorman, may I say Thank You for allowing the "Politicians" invade your community during this election time. My name is Marti Heyser and I would like to take this opportunity to say Thank You for the warm reception I have received from your fine population. I have met many very nice people and learned that some very nice people I have know are well and happy in Gorman.

I am a candidate for County Treasurer. Some say "Why do we need a County Treasurer?" I would like to answer that question, if I may. The Treasurer is a vital part of a checks and balances system of County Government. The Treasurer attends all commissioner meetings. If the Treasurer believes that the Court has acted inap-

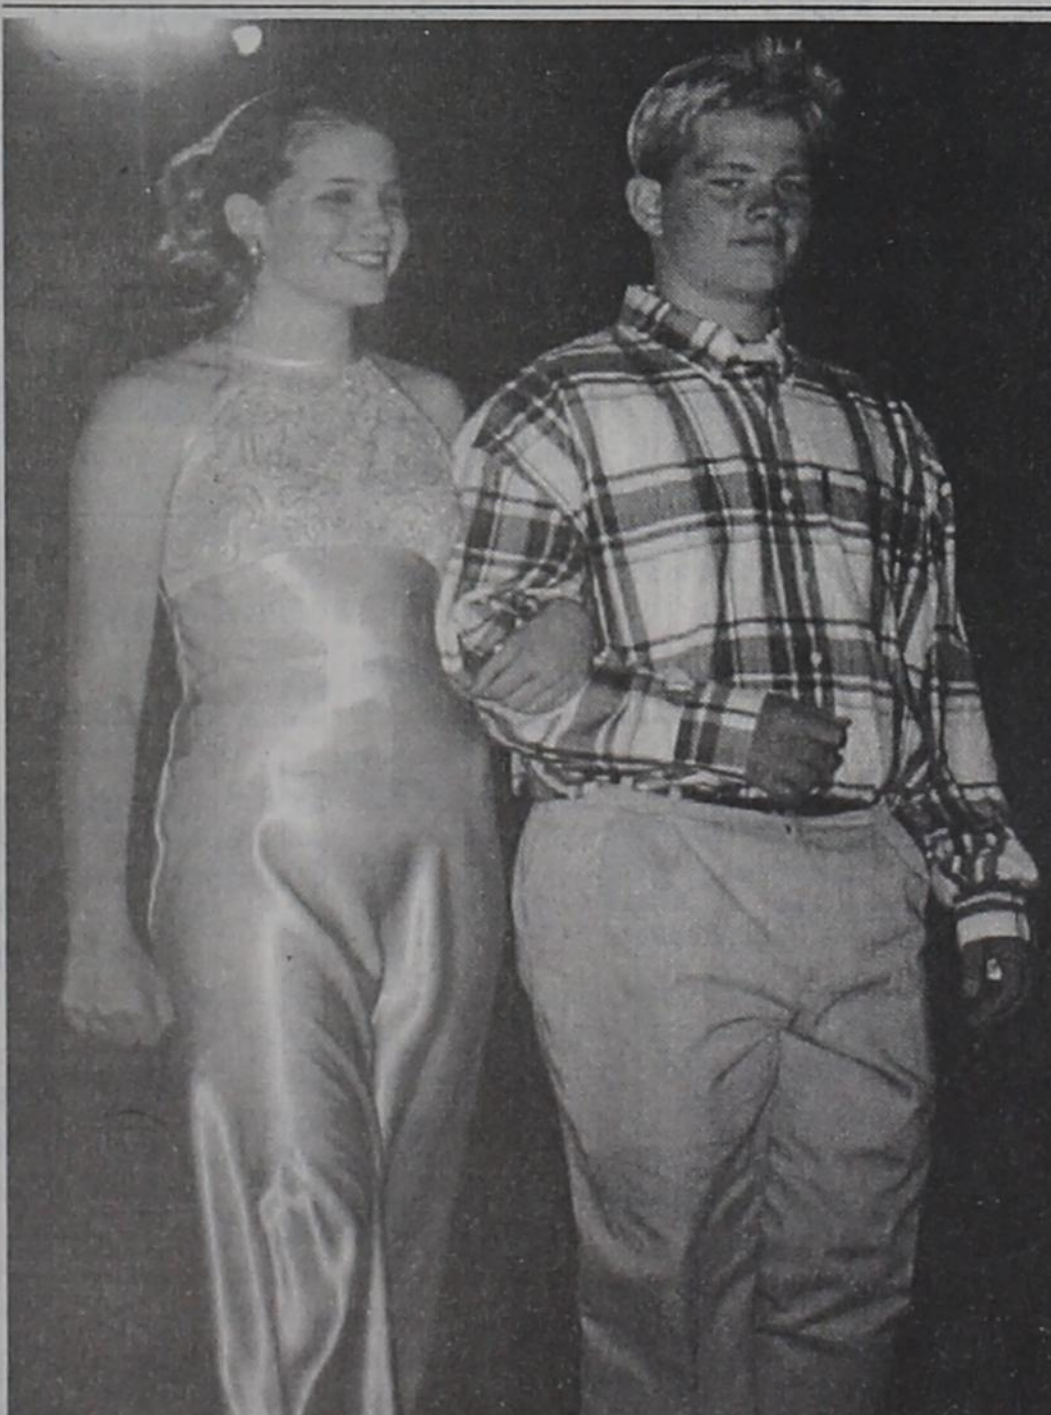

ropriately or in error, then it is that person who points out the error in order for the Court to reconsider or redetermine their act. Balancing accounts is a very important part of the Treasurer's job which includes tracking county employee records. The Treasurer must produce quarterly reports of the various county officers according to the Commissioner's wishes. Of course, the treasurer receives and disburses all monies produced by the County. The treasurer pays the bills at the direction

of the Commissioners Court. No political decisions or Fiscal Decisions are made by the Treasurer.

I have the Experience, Honesty, Dedication, and Integrity to perform this job and I would very much like to be your next County Treasurer.

I would appreciate your Vote and Support on November 3, 1998 for this position. Thank You.

Letter To The Editor

Why is it, the City hires a good Chief of Police and then fires him. We the Citizens of Gorman need to know. Support Ken Wheeler, today and be there Thursday night, November 5th at 5:00 p.m. for the City Council meeting.

Letter To The Editor

I would like to know if there is anyone still living in this area who would know anything about Jacob Smith Richardson who came to Eastland Co. in or around 1900 with his wife Martha Fisher Richardson and children. Martha Richardson died in 1905 and is buried in the Gorman Cemetery. Jacob died in 1939 but I can't find out where he is buried. Also a daughter is buried by Martha, who died in 1913. This family originally came from

Wanda Duske Hull 1998 Coming Home Queen

Wanda Duske Hull was voted Coming Home Queen during the class of 1948 class reunion. She was presented with a red carnation bouquet.

Wanda reported a wonderful Homecoming with twenty-five out of the thirty-two graduating class members attending the reunion. Three class members were deceased.

Delvin Speck came the farthest distance from near San Diego, California. They all met at Brogdon Football Field, which was named after one of their classmate's father, Bob Brogdon. After the football game most went back to the home of George B. and Wanda Hull in Eastland for more visiting and looking at pictures and getting reacquainted. The next day they met again at the school cafeteria where they enjoyed lunch and nominated the Coming Home Queen.

Mr. C. of Eastland came and took the group picture of the class. Then they were off to the old King Theater which is now the Senior Citizens center for more visitation.

Dwayne Clements and J.L. Owens had special name tags made up with the graduation picture on them. They also presented each member with a book of their life after graduation. It was very nice. Thanks to Dwayne Clement and J.L. Owens. A big thank you to Billie Jo Reed (Stewart) and Margie Nell (Weaver) Treadway for furnishing refreshments to all. And thanks to Dwayne Clement's cousin Randy Finley and his father Roy Finley who played the music for all to enjoy. Randy is seventeen and is a really good fiddle player. Thanks to Gina Owens, J.L. Owens' wife, who played the piano. Dwayne Clements and J.L. Owens presented Wanda Duske Hull with a dozen beautiful pink roses. At 5:00 p.m. the class went to J's Restaurant and ate before heading back home.

The Class of 1948: Dwayne Clements-Dallas; J.O. Owens-Calleytmle, Tx.; Billie Jo Reed Stewart-Gorman; Marjorie Nell Weaver Treadway-Gorman; Peggy Peynor Singleton-Desdemona; Wanda Duske Hull-Eastland; Billy Joe Dennis-Gorman; Roy Dennis-Midland; Maxine Fuller Dennis-Midland; Francis Clairor McMillin -Hiltop Lake, Tx.; Louise Moore Waydell-Austin; Billy Fred Jay-Abilene; Bob Brogdon-Austin; Genese Warren Vestal-Pasadena; Imogene Mauney Parks-Stephenville; Billy Ray Greathouse-Midland; Delvin Speck-Temecula, CO; Gerald Hale-Brownwood; Billy Frank Day-Irving; James Kinser-Gorman; Betty White Bulter-Dallas; Wilbur Mehaffey-Georgetown; Delia Faye Hunter Jones-Sagawin, Tx.; Wanda Baily Harper-Hurst; Herman Bennett-Gorman.

We hope we can get together next year. To all you young people, Homecoming night may not mean much now, but the older you get the more you will enjoy getting together. Thank you for your education at dear Ole Gorman High School. A good foundation for the students and the wonderful teachers we had. Thanks to all our classmates of 1948, for caring and making our Homecoming the best.

Wanda Duske Hull

Brad Stephenson, Proposals for the Future of Eastland County

I want to take this opportunity to thank Judge Scott Bailey for 36 years of exemplary service to Eastland County. As the people of Eastland County prepare to elect their first new County Judge in nearly four decades, the word replace is wholly inappropriate. Judge Bailey's dedication and knowledge of Eastland County history can not be replaced. I know that the next County Judge will be well advised to elicit Judge Bailey's help and support.

My family and I also wish to thank you again for your consideration of my candidacy for your County Judge.

In this modern age of politics, all too often, rhetoric and opponent bashing are the key to election. Too few candidates are willing to put forth specific proposals for fear the public will adversely react.

I firmly believe that it is necessary for the voting public to be informed on all important County issues. In that way, citizens will establish a well-founded opinion on any issue facing us.

As I have said before, the focus of my administration will be economic development for all of Eastland County and a more efficient County Government.

To this end, I put forth for your consideration, 8 proposals I have for the future of Eastland County.

1. Formation of a Volunteer County Judge's commission comprised of two leaders from each community in East-

land County to study, evaluate and make recommendations to the Commissioner's Court.

2. County Judges initiative to organize meetings between each community's economic development and industrial foundation boards to work for the common good of the County.

3. Support economic development through County Tax abatement, where appropriate, for businesses willing to locate in our County.

4. As County Judge and a full-time employee of yours, I will actively research and seek out new businesses and new families who are interested in Eastland County. I will personally go to metropolitan areas surrounding our County to promote our way of life and the benefits of living here.

5. I will, with the help of the Commissioners, reformulate our county

Quinn for Treasurer

There is no substitute for experience and dedication. Susie Quinn started her campaign in the Democratic Primary with her willingness to submit her qualifications to the voters of Eastland County. Susie says "thank you for your vote and support to the name, J. Susie Allen Quinn, on the General Election ballot." Susie needs your help one more time, this election day, Tuesday, November 3, 1998. Due to time constraints and Susie's dedication to her current job, Susie was unable to shake as many hands as she had hoped. But please review her qualifications and her experience when deciding who you want to handle your County's money.

The county Treasurer is hired by the people, more specifically, the voters. The County Treasurer answers to the voters of the County. The office of County Treasurer is an intricate part of County government and plays a very important role in the checks and balances of County Government. The County Treasurer works with the Commissioners but not for the Commissioners nor any other County office. Part of what the County Treasurer does is:

- * Receives and disburses all county funds from whatever source they may be derived.
- * Attends all commissioners meetings, not by law, but attends to stay knowledgeable.
- * Advises the Commissioners of any improprieties.
- * Prepares quarterly financial reports.
- * Serves on the investment committee.

J. Susie Allen Quinn has done all of the above plus other requested duties by the Commissioners. In addition, the law requires the County Treasurer to be certified. Susie was certified and ten recertified five times during her tenure as Ector County Treasurer. Quinn has nine and a half years courthouse experience. All of it in the Treasurer's office. Three and a half years as Assistant Treasurer and five and a half years as Treasurer. Susie has earned a reputation as a hard worker. She is a team member but will maintain strict independence when safe-guarding your county money and accounts.

In her closing statement, Susie added, "I pledge my full support and commitment to the job if elected as your next County Treasurer. My experience and dedication along with my honesty and integrity makes me a very qualified candidate. Your vote and continued support is appreciated by me and my family. Thank you."

Gene Kea Democratic Candidate for Eastland County Judge

We begin a new era in Eastland County with the retirement of Eastland County Judge, Scott Bailey. After 36 years of dedicated and exemplary service, Judge Bailey has chosen to step down and take a well deserved retirement.

This campaign began in January with the decision to seek the office of Eastland County Judge. In the Democratic Primary in March, Gene had two opponents. Gene received 46% of the votes and was forced into a runoff election in April. With the runoff win, Gene advanced to the General Election on November 3rd. Gene is the only candidate for the office of Eastland County Judge that has been tested on the ballot.

Even though Eastland County is having financial difficulties because of a declining tax base, there is no need to revamp the budget process. The budget process works. Why re-invent the wheel when you only need to grease the bearings. We must find ways to reduce cost while attempting to increase the tax base by attracting new industry and businesses to the county.

Eastland County has leaders in each community that study, evaluate, and make recommendations to the commissioners court. These community leaders are elected by the people of each community. They are the county commissioners. We must let the county commissioners do the job they were elected to do instead of turning the job over to an appointed commission.

The position of Eastland County Judge is perhaps the most vital political office within our county government. We must elect a candidate that has the experience in dealing with the budget process, experience in handling the business of a taxing entity, as well as the experience on the criminal justice system. That candidate is Gene Kea.

Your vote for Gene Kea as the next County Judge of Eastland County will be a vote for the betterment of Eastland County.

Thank You Gene Kea

The Charlie Garrett Memorial Library is open to the public five days a week from 3 p.m. until 5 p.m. November is FREE RETURN MONTH. If you have books that are overdue, return them in November, and there will be no late charges. Fines for overdue books are ten cents per day, including weekends. There is a drop box in front of the Library for weekends and other times when the Library is closed.

We are facing serious financial difficulties, which will require competent and decisive business decisions. However, I strongly believe that the implementation of these proposals, along with your input, will in time, heal the economic downturn invading our County.

As your County Judge, I pledge to you competent business decisions, the information you want or need and fair and impartial County Court decisions for all of Eastland County.

If you agree with me that Eastland County has yet to see its finest day and you support aggressive new ideas to enrich our county, I will appreciate your voting, "Brad Stephenson for Eastland County Judge."

I urge you to vote early at the Courthouse in Eastland between the hours of 8 a. and 5 p.m through Oct. 30th, or in

your precinct on Nov. 3, 1998.

Thank you and God bless our County.

"I Want Every Single Child In Texas to Read, Every Child."

George W. Bush
Governor George W. Bush

Bush's Education Plan

- Teach every child to read by the 3rd grade
- End the automatic promotion of children who can't do the work
- Give these children the extra help necessary to get up to grade level (cost: \$203 million)
- Send \$1 billion more to districts without strings to use as they see fit— for teacher pay raises or more teachers
- Build more classrooms by having the state spend \$200 million to help pay the debt costs of \$3 billion in bonds for new school construction.
- Expand after-school programs for at-risk middle school kids (\$25 million)
- Expand the Advanced Placement Program (\$18 million)
- Pay for new textbooks, geared to Texas' new back-to-basics reading curriculum (\$166 million)

"Last year, more than 40,000 students failed the 3rd grade minimum skills reading test. And you know what happened to them? Most were passed to the 4th grade.

"It's unacceptable so many children can't read."

"What they need is extra help.

"We're going to test our children early to make sure they can read. If they can't, we'll give them extra help to catch up and more chances to pass the test.

"State government should pick up the extra cost of this early intervention — \$203 million — but leave it to local districts to decide what programs to bring these kids up to grade level.

"There is no question that when our children learn to read, the math scores will go up, the science scores will go up, and the discipline problems will go down."

"We're focusing on the basics and teaching every child to read. It is a goal I know we can achieve."

When August and Emma Stenholm bought land in Ericksdahl in 1906, West Texas was still a raw and untamed land. One of the first things they did was build the town church — chiseling rock from a creek bed for the church's foundation. What they built was a monument to their faith, values, and decency. Their grandson, Charles, was raised by his parents with those same bedrock values...

The same values that guide our daily lives are the same values that Charlie Stenholm fights for in Congress.

Curriculum and Federal Intrusion Vital Issues in Education

State Board of Education member Richard Watson of Gorman continues to push for adoption of textbooks that do not undermine parents' values and do not rewrite our history as he seeks re-election to the fifteen member Board in the November 3 general election.

Citing environmental science textbooks that misrepresent conservation efforts of farmers and ranchers and social studies books that vilify Christopher Columbus as examples, Watson stated that constant vigilance is necessary on the State Board to ensure that Texas students have texts that present academics rather than social agendas.

A second vital concern of Board member Watson is the increasing level of Federal intrusion into the public schools of Texas. While Texas receives about seven percent of its education budget from the Federal government, a recent study showed that Federal programs generate fifty percent of the paperwork load in public schools. "As result," Watson stated, "only about sixty-five cents of each Federal dollar ever reaches the classroom."

Since being elected to the State Board in 1994, Watson has supported the return of spelling books to the classroom, and helped prevent the removal of grammar books which were scheduled to be removed from textbook adoptions in 1997. In the recent curriculum rewrite, he helped achieve the inclusion of language that requires elementary math students to learn multiplication facts, that requires algebra students to "solve" equations rather than to "recognize" equations, and that corrected the omission of the account of

I have a special grandmother, And "Me Maw" is her name, There are only a hundred and so of us; Children, Grandchildren and Great Grandchildren, But she loves us all the same.

My "Me Maw" is warm and gentle and Has a smile that will set you free, Thank you Lord for my "Me Maw", Thank you for blessing me.

Lord as long as I can remember, My "Me Maw" has loved me, For who I am, For what I am, UNCONDITIONALLY!

I know I can always go to her, With all my burdens and cares, No matter what I do, She is always there.

I regret Dear Lord all the times, We could have spent together, But I was so busy doing, WHATEVER?

I Thank You Lord for my "Me Maw" And I hope she will always know How much I truly love her, no matter where I go! Kelly

42nd Annual Homecoming

By Cecilia Hirst

The classes of 1948, 1958, 1968, and 1978 were all having reunions this year. This helped our attendance because these classes worked really hard getting their classmates together for this event. There were 115 that registered this year and 94 present for the business meeting.

Dr. Betty Rodgers Heathington of Knoxville, Tennessee, was the speaker at the meeting. We want to say thank you to her for doing this.

We recognized the oldest exes present which were Ruth Higginbottom, class of 1926, and Clara Mae Frossard, class of 1927. The ex that traveled the farthest was Mary Todd Wagoner, class of 1938, from Virginia. Some of the ex-teachers and or coaches present were David Goodwin, Clara Mae Frossard, Carolyn Gilbert, Katherine Reagan, Ruth Higginbottom and Ruby Lee Kinser.

Wanda Duske Hull of Eastland, class of 1948, was elected as Coming Home Queen. She was presented a bouquet of red carnations at the meeting.

We would like to thank our nominating committee which was Lottie Morris, Nelda Mauney, and bob Boswell. Their job is to find new officers for the next year, and sometimes this is difficult. New officers are: Catherine Eaves-President, Norma Webb-Vice President, and Cecilia Hirst-Secretary/Treasurer.

Each year the ex-students association gives three seniors a \$250 scholarship. Our recipients for 1997 were Samantha Stephens, Shannon Mauney and Jeremy Bryan.

Next year the ex-students voted to have Homecoming on the same day as the Peanut Festival. We hope this will bring more people to both events.

Thanks to the seniors for catering the delicious lunch.

Sharing With Brother Bob

By Bob Beeman

It was a dark, cold and rainy night. Well, at least last Wednesday it was overcast and it was misting and it was after lunch. I asked my friends what they remembered doing in weather like this when they were kids.

A.V. Seay remembered playing hide-n-seek, especially to get out of extra chores. Jack Bellows remembered playing Mumbly Peg with a pocket knife. Veno Hale remembered playing Mumbly Peg with a file because knives were too dangerous. Some how she still managed to get the file stuck deep in the side of her leg. Somebody else said haul wood.

I asked how to cut wood in the rain. S.D. Gilmore said "not cut it, haul it." I asked him to explain. Seems you cut wood (or gathered deadfalls) whenever chance permitted and stacked it in ricks in the woods. When it was too wet to work in the field, you could always haul the wood up to the house. Then you stacked it up on the covered porch to dry.

Everyone seemed to know the basics of using a two man (woman) crosscut saw. You didn't push, you only pulled. Then held your end straight to make it easier for the other person to pull back. The log was cut in short lengths (less than 2') to make it easy to split. Except elm (pronounced el'lemn). It wouldn't split.

Green wood was okay for the fireplace, but not good for the cook stove. It wouldn't stay afire. Green wood was good to heat with because it would burn hotter than seasoned wood, once you got it lit. The trapped moisture superheated the inside of the wood, or something.

I was warned that the chimney pipe needed to be cleaned regularly. Carbon soot would build up inside the pipe whenever a small fire was used. Then it would catch afire the next time a really hot fire got going. The updraft would carry the burning carbon out the top of the smokestack and onto the dry cedar shingled roof. That had a way of causing excitement.

Hummmmm.... A regular cleaning examination to prevent disastrous things coming out when you get heated up. Sounds like a sermon in there somewhere. Till next time, Brother Bob

KOKOMO NEWS

ZELDA JORDAN - PHONE 254-639-2289

We've had beautiful weather with a touch of fall in the air during the past few days. Really good for peanut harvest.

The special music at the Kokomo Baptist church at the Sunday morning service was rendered by Woodrow and Helen Browning with Glynda Bond at the piano. Visitors were Harold and Beth Welch and Jerrel McClearn of Gorman, Karen Patterson of Breckenridge and her grandson, Will Patterson of Seymour. "Happy Birthday" as sung to Nancy Hendricks and Earl Little.

Bro. Louie and Mollie Jones of Gorman were visitors on Sunday night.

TIME CHANGE: The Sunday evening and Wednesday evening services at the Kokomo Baptist Church will now meet at 5:00 p.m.

Bro. Louie Jones of Gorman will be the guest preacher for the next two Sundays at the Kokomo Baptist Church while Bro. Clarence and Leona Wilson are on vacation. Woodrow Browning and Joe Bond, deacons of the church, will be in charge of the Wednesday night services. There will also be a speaker from the Gideon Organization on Sunday, Nov. 1. Visitors are always welcome at the Kokomo Baptist Church.

The Kokomo Baptist Church was one of seven churches in the Cisco Baptist Association to be recognized with a certificate of appreciation for helping churches in Romania and Hungary over the past two years with mission offerings. The certificate was presented to Bro. Clarence Wilson, pastor, at the Cisco Baptist Association Rally at Cisco on Oct. 19th.

Mike and Mary Jo Leonard of Canadian spent the weekend with her mother, Anna Laura Clearman. Johnnie B. Griffith also visited with them.

Glady's Morrow of Levelland is visiting with her sister, Naoma Morrow.

Imogene Norris underwent knee surgery in the Stephenville hospital on Wednesday last week, and was able to come home on Monday. Paul Norris was admitted to the Stephenville hospital on Wednesday with lung congestion and is feeling much better and hopes to be home by Tuesday or Wednesday. We with Imogene and Paul continued improvement. Their daughter, Paula Morrow is here to be with her parents.

Visitors with Nancy Hendricks were Freddie and Johnnie Shackelford of Amarillo, Hope Joiner, Ruth Bryant and Zelda Jordan.

Glady's, Alexis and Tiffany Nelson, Maggie Nelson and Teresa, Quinton and Samantha Findley all of Ft. Worth visited with Clifford Nelson and David and Cassie Brasher. Pleas and Pat Reneau of Ranger and grandchildren, Trisha Rose and Zach of Wichita Falls and Zelda Jordan visited with them on Saturday.

Mary and James Donham were in Abilene on Monday for Mary to have some medical tests done, and she will be returning to Abilene for more tests next week. We extend our prayers and get well wishes to Mary and hope

that she will soon be doing fine.

Letter to Editor, Abilene Reporter News 10/18/98

Bad information

While I was Social Security district manager in Abilene, it was my privilege to work closely with U.S. Rep. Charlie Stenholm on many issues. The relationship has continued, as I now do advisory work for the National Committee to Preserve Social Security and Medicare.

I have participated in Stenholm's town meetings, we have discussed individual cases in which he has had an interest, and I have observed his research into many different issues that affect the 17th District. Charlie has always been fair, honest, sincere and thorough in studying and making decisions on any issue that was before him.

My exposure to Rudy Izzard is more limited, but I did hear him speak on Social Security to a civic club recently. The information he gave was very misleading, and much of it was completely erroneous. With only a minimum of research, he would have realized he was presenting rumor and not fact on most of the Social Security issues.

Now Izzard is using inaccurate information in TV ads that accuse Stenholm of "raiding the Social Security trust funds." Nothing could be further from the truth! Stenholm has been dedicated to protecting the Social Security trust funds. This is why he has opposed a large tax reduction until the federal budget has a real surplus without including Social Security's surplus to balance the budget.

We need Charlie Stenholm's honesty, ability and common sense as our voice in Washington. GLYN HAMMONS Abilene

HERITAGE MANOR NEWS

By Nancy Hendricks

A Note From The Administrator

I would like to thank Pastor Bob for the kind and educational words he has had to say about the family we have here at Heritage Manor. Our staff is dedicated to giving excellent care. We have all the same problems as other nursing homes: call ins, no shows, the few staff who are here for only a paycheck, etc. Even with these problems we still have an excellent nursing facility. Thanks for all the community support. Our residents and staff could not get along without it. If you know of anyone who needs employment, send them our way. See ya at the nursing home.
