THE MAN BEHIND THE STORY

Seldom, if ever, does the news reporter or photographer receive recognition for their work. Above picture shows Alton D. Sears, editor of the employee magazine for Pioneer Natural Gas Co. photo graphing employees of Empire Southern Gas Co., which is now owned by Pioneer. Mr. Sears drove from Amarillo, home office of Pioneer, to take these pictures and also to collect facts and pictures of Gorman to be used in conjunction with an article concerning towns in Pioneer's newly formed Empire Southern Division.

Alton is a native of Lamesa, Texas, and a graduate of Texas University of Journalism. He has been editing an employee publication for Pioneer for over six years.

We appreciate Mrs. Pullig letting us know that Mr. Sears was in town so that we could meet and talk with him.

Coffee Break Talk

By Joe Bennett

PLAY BALL! will soon be the cry of the umpires of the Little League as the season draws near. So far only enough players for three teams have been secured. All boys, age 13 are urged to contact any of the team managers or Jack Harrison, field manager if they wish to play Little League ball. The managers are in the process of obtaining enough players to make up four teams.

Keith Whitt and Quail Thompson will manage the Gorman Peanut Co. Team. Speck Clark will manage the Hospital Team, and Alvis Rodgers will be the manager of Frossard's Dept. Store Team.

At present the baseball diamond is being put into playing shape. The bleachers and concession stand are to be painted, the net has been repaired, and as soon as the diamond is in good condition, the Little League teams begin play.

Wilbur and Melvin Shell have volunteered to keep the field mowed with their tractor mower.

Lets all support the Gorman Little League teams this season to the fullest extent with our presence at the games and with 100% backing from everyone.

The WALKING BLOOD BANK is being organized for Eastland County. Towns of Eastland, Ranger, Gorman, Cisco, Rising Star, Carbon and Desdemona will be included in the organization.

A complete list of available blood donors and their blood types will be completed for each of the towns mentioned above.

Tentative plans call for the Blackwell Hospital of Gorman to service the towns of Gorman, Carbon and Desdemona; Eastland, Ranger, Cisco and Rising Star to service their towns.

More information will be published on this Walking Blood Bank organization as soon as it becomes available.

Well, the Teen Flat Youth Center of Gorman will open Saturday night. This proves what I have said, "get behind our youth and they will have an outstanding youth center".

The youth of our city sincerely appreciate all of the donations of furniture, etc. and especially the cooperation they have had in making this dream of a youth center become a reality.

Gorman, after winning the District 23-B Championship, will enter three events in the Regional II-B Track Meet at Brownwood on Saturday, April 19th.

SCOUTING SKILLS TO HIGHLIGHT EXPOSITION - 19TH

"The biggest boy's show in our area will be the annual Spring Scouting Exposition staged by 1200 Cub Scouts, Boy Scouts, Explorers and Leaders April 19 in Memorial Hall in Brownwood." The county fair type show will be open to the public from 2 p. m. to 9 p. m. This is a walk-around show and people will feel free to come and go at will. Special stage attractions will include Indian dancing by the Otena Lodge of the Arrow. This dance team placed first in contest recently among several groups. Explorers of Rotary Post 50 of Stephenville will lash a signal tower on the stage using native materials. Cub Scouts of Blanket will feature home made kits of all types and Boy Scouts of Troop 32 sponsored by the Coggin Ave. Baptist Church of Brownwood will demonstrate uses of scout neckerchief.

Troop 38 of Gorman will exhibit a pig and other crafts at the show.

"There will be thirty-five booths depicting merit badges and achievements with demonstrations going on continuously during the afternoon and evening", according to Lowell Pouncey, Chairman of camping and Activities in Comanche Trail Council. E. R. Weatherford of Breckenridge and Norton McCullough of Brownwood and their Committee Members will assist the Scoutmasters, Cub masters, Denmothers, Explorer Advisors and the boys in their activities.

Tickets may be secured through the boys and each Scout Unit will receive a commission from their sales which will be used for the summer camping activities.

WE CAN'T DO IT

There is nothing we can do about the condition of our streets. We feel certain, however, that there is some plan underway to re-pave some of our streets.

Postal Employees Express Appreciation

We would like to express our sincere thanks and appreciation to the patrons of the Gorman Post Office for their understanding and patience for the inconveniences caused by the installation of the new equipment.

By this weekend the partition and door will have been completed and patrons will be able to get to their lock boxes for their mail as before, since the front door will not be locked as in the past week.

NOTICE OF CEMETERY WORKING SATURDAY

There will be another cemetery working at Oakland Cemetery on Saturday, April 18th. Since such a few are interested in the work and so many have loved ones resting there, and so much rain has fallen the cemetery is in drastic need of being cleaned up. Contributions are slow coming in. Please come or send someone in your place who can work. The regular working will be May 3rd. Please come.

Mrs. L. P. Anglin, Sec'y.

Jerry Anderson will be entered in the 100 yard dash and also in the 220 yard dash. He had a time 10.1 second in the 100 yard dash and 23.5 seconds in the 229 yard dash in the District meet.

The other entry will be the 440 yard relay team of Gorman, who had a time of 46.9 in the District meet. On the relay team are Jerry Yates, Eddie Browning, Jerry Anderson and Eddie Gregg. Entries in the Literary Events at the Regional meet in Short-hand are Julia Beth Skaggs and Sandra West. Entered in the Typing event are Kay Lynn Ramsey and Jean Porter.

Gorman Teen-Agers Invited To Ranger Teen Town Jamboree

The Teen Town Mothers Club, under leadership of president Mrs. David Pickrell, is completing the plans for the Teen Town Downbeat Jamboree. A whirlwind of activity in preparation is keeping an every-member committee on the beam.

Invitations are being sent to Teen Clubs of surrounding towns. Each club will be allowed a six-count team in the competition dance show.

Date set is Saturday, April 26 at 8 p. m. The place is the National Guard Armory Building in Ranger.

A motorcade will prelude the event with a morning parade. Stickers will be seen on cars at an early date. The evening's entertainment will include the performance of the contestants and novel feature acts.

To further entice the public, light refreshments are planned to be served at 7 p. m., during preliminary activity.

There will be a charge for admittance.

Gifts will be awarded to group winners and top-winners. Judges are being selected.

The anticipated event is fast becoming an all-town interest happening.

From Ranger College, Dr. and Mrs. Price Ashton have suggested additional student talent which will be welcomed by program planners. The talent includes Chacha and Mambo acts.

Also Gene Ashcraft has consented to emcee the evening's entertainment. Eastland County folks became acquainted with Gene when he was KERC's disc-jockey personality.

"IT" GETS AROUND

Mrs. Nettie Isbell told us Tuesday that she mailed her paper to her daughter who in turn gives it to three other former Gormanites or Gormanians (whichever you prefer) and they all keep up with former friends.

Long Illness Fatal To H. L. Capers, 78

Mr. Henry L. Capers died at the Blackwell Hospital last Thursday morning, April 10, 1958 after an illness of several months. Services were held at the First Baptist Church on Friday and burial was in the Gorman Cemetery.

Mr. Capers was well-known in Eastland and surrounding counties having been active in the business of recreation and entertainment for many years. Mr. Capers success in life was due to his interest in people and willingness to work. Davis Smith said that Mr. Capers often spoke of barbering in his early days and how during cotton ginning time he slept in back of his shop and would get up all during the night to cut hair or shave customers.

At one time people came from miles around to swim and picnic at old Bass Lake, now Frank A. Gray Memorial Park. He also operated a skating rink at the lake and the King Theatre in Gorman. His motto was, "Give the people the right kind of entertainment at reasonable prices and you will always have a crowd." In 1948 he deeded the lake to the City of Gorman in memory of a foster son, Frank A. Gray, who was reported missing in action flying the Burma Hump in World War II.

Mr. Capers also renovated the King Theatre, giving Gorman one of the most modern and up-to-date theatre houses in this section of the country. His hobby was gardening. In 1957 he entered pecans in the Eastland County and State Pecan Show and won first place.

He is survived by his wife, Carrie Capers; two brothers, Tom and Walter Capers of Fort Worth, and two sisters, Mrs. Bess Elliott of Fort Worth and Mrs. P. C. McCulley of Abernathy.

Pallbearers were Whit Russell, D. R. Clark, Joe Collins, Hubert Craddock, J. O. Thompson, W. C. Browning, Honorary Pallbearers were Hugh Baskin and Jim Underwood.

Sale Of Calf Nets Profit For Church

Last year members of the Fellowship Class of the First Methodist Church voted to buy a calf. E. N. Higginbottom agreed to feed and care for the calf and at the proper time sell it on the open market.

This week Mr. Higginbottom reported that he sold the calf on April 12th. The calf cost \$32.50. Ed did not charge for the care or feeding of the calf which grazed with the rest of his herd. The calf netted the Class \$157.30. One hundred dollars of this money was placed in the Building Fund. The balance was kept for future investments.

A church in Wichita Falls has earned several thousand dollars by investing in various enterprises and then using the profit for church projects.

YOU COULD TELL US

We know there were lots of visitors in Gorman and vicinity Easter week. We would appreciate your writing their names on a postcard, phoning us, or you could stop by the office and give us this information, when you have visitors. Or, if something unusual happens we would be glad to publish it and even come out and take a picture.

M. P. Cain, 87 Rites Held At Methodist Church

Mary Pomroy Cain born in 1871 in Liberty County, Texas, died at his home April 7, 1958. Mr. Cain, although semi-retired for a number of years, was active and interested in local and national affairs. He had been a member of the Methodist Church for 72 years.

He is survived by his wife, Annie Bell Cain; three daughters, Fannie Lee Flack of El Paso; Claudia May Browning of Comanche; Doris Littlefield of Cleburne and one step-daughter, Leona Butler of Ralls, Texas. Three grandchildren and six great grandchildren and a host of nieces and nephews also survive.

Funeral services were held at the First Methodist Church with Rev. Robert Haynes in charge assisted by Don Turner, Baptist Minister. Burial was in the Elm Cemetery.

Adult Drivers Re-Education Course To Be Held April 30

The public is invited to attend an Adult Driver's Re-Education Course to be presented April 30 at 1:30 p. m. in the Lutheran Parish Hall, 18th and Avenue D, in Cisco. The course is being sponsored by the Home Demonstration Clubs of Eastland County. Miss Eudora Hawkins of West Texas Utilities Company will be in charge of the program. The program will last approximately 3 hours with a refreshment break at mid-afternoon. The course is open to all adults.

The purpose of this program is to re-educate adults in the rules and principles of driving to help make our highways safer places on which to drive.

This program is being planned as part of the observance of National Home Demonstration Club Week which is the first week in May. This is observed by home demonstration women all over the United States.

REV. JACK HEATH TO SPEAK AT KOKOMO BAPTIST CHURCH

Rev. Jack Heath of Olden will preach on the Second, Third and Fourth Sundays of each month at the Kokomo Baptist Church. The public is cordially invited to attend these services.

CARD OF THANKS

We would like to thank our many friends who have stood by us during life's darkest hours, the illness and death of our loved one, Mr. H. L. Capers. Throughout our long stay at the hospital you helped so much with your visits, your kind words and your prayers. We feel we could not have carried on except for you.

To the good doctors and nurses a special word of thanks, your tender care did so much to ease his suffering, and helped us to carry our load of sorrow. For the food brought to our home, the beautiful floral offering and the memorials to him, we say thank you from the bottom of our hearts and pray God's blessings on you always.

YOUTH CENTER TO OPEN SATURDAY NITE

It's for sure this time! The Teen Flat Youth Center will open Saturday night at 7 o'clock for high school students only.

For those who have not gotten to visit our Youth Center, we have repaired it, made curtains,

repainted, and the ladies of the town have covered some of the sofas donated to us. The tables and ping pong table have been painted.

We wish to thank each and everyone of you for your nice contributions and donations.

The above picture was taken last week while the workers were taking a rest period.

SS REP. AND SWPGA MANAGER SPEAK AT BUSINESSMEN MEET

C. M. Vaden, Jr., of Abilene, Field Representative for the Social Security Administration, spoke at the Businessmen's Club meeting Monday night. Stating that Social Security had nothing to do with Old Age Pension and Unemployment Benefits, Mr. Vaden highlighted a few of the advantages of Social Security. He then offered anyone interested two small booklets, "Your Social Security Payments" and "Your Social Security". These books give full information on how to figure your social security and how much you will draw when you become of age. He also handed out postcards which one can mail and find out exactly how much they have on deposit in the Social Security Fund. Some of these books and cards are to be left at the City Office or if you write the Social Security Administration Office, Abilene, Texas, they will mail these booklets and card to you.

Mr. Vaden will visit the City Office at Gorman again on May 12th and June 9th.

(A number of people have called the Progress office to express their appreciation for Mr. Vaden including Gorman on his itinerary.)

The Southwestern Peanut Grower's Association will be 21 years old August 11th, having been organized in 1937 without capital stock to be operated on loans advanced by Commodity Credit Corporation. The Association began with only a few farmers in a minor portion of Texas and today functions in 221 counties located in five states. Its jurisdiction covers all the peanut producing area west of the Mississippi River, but principally this would be Oklahoma, New Mexico and Texas. It represents some 40,000 growers in the Southwest and has an active membership of about 13,000 at present, including members in Louisiana and Arkansas.

In 1955 CCC advanced to SWPGA over Eleven Million Dollars which was loaned to growers for their peanuts.

In his talk to the businessmen, Mr. Ross Wilson, manager of SWPGA, said that the principle function of SWPGA is to carry out the price support program on peanuts in the Southwest area. Each year a contract is signed with Commodity Credit Corp. enabling SWPGA to administer the program. There are two other Peanut Associations in the United States. One located in Georgia and the other in Virginia.

The number one function of the Association is to support the price of peanuts by contracting with warehousemen in all of the peanut producing localities. These warehousemen sign a storage contract with SWPGA wherein they agree to purchase, store and deliver out the peanuts. By having facilities set up in all localities, the grower is guaranteed the base price. The commercial purchasers of peanuts are the shelling mills. There are 31 mills in the Southwest with one of the largest located in Virginia.

Captain and Mrs. W. (Bill) Bettis are now living in Arlington, Va.

Pvt. Billy Gene Whitlock is home on leave.

cated in Gorman. Eastland County's other mill is located at Ranger. These mills and others buy a large volume of the peanuts produced.

When peanuts stored by the Association are sold at a profit, after the loan to CCC is repaid, the balance is prorated to the members as dividends. To date the Association has paid dividends of some four million six hundred thousand dollars.

Discussing the difficulties of getting equal representation in Washington for SW peanut growers, Mr. Wilson stated that the Association is the only Cooperative in the Southwest who has fought and will continue to fight to gain an equal footing for our Southwest Spanish peanuts in competition with Runners grown in Georgia, Alabama and Florida.

A year and a half ago a series of hearings were held in Washington by the Department. Prior to the hearings Runners could contain 3 times as much damage as could Spanish and still be called No. 1 peanuts. The Grade problem is a matter that the Southwest area must continue to press the Department to do something about. The Southeast area bitterly oppose this as they want to hold their present advantage.

REQUEST ACREAGE INCREASE

Mr. Wilson said managers of the three price support associations will meet in Washington soon with officials of USDA to begin plans for the 1958 program. Recommendations will be made at this time which are in the interest of the Southwest. However, the association's capacity in the formation of the peanut program is advisory only and the final authority is in the USDA. Sometimes it is necessary to administer certain phases of the program which do not meet with approval.

Discussing Secretary Benson's opposition to price supports for agriculture products, Mr. Wilson stated that this was of vast significance to Eastland County. "The average Eastland County peanut crop at present market prices is worth about \$2,138,000. If marketing quotas and price supports were to be abolished, most peanuts would sell at oil price which is approximately one half of the present price. However, and even larger factor to Eastland County is the fact that our farmers could not compete with Alabama and Georgia where there is consistently adequate rainfall. These facts, plus the increased production costs today would, in my opinion, eliminate the Eastland County peanut grower and consequently constitute a severe economic blow to this area."

Thirty-seven men were present for the meeting, including visitors, H. M. Gilbert of Carbon and John Love, Alameda, President of the Eastland County Farm Bureau. Three new members joined the club. E. G. Henderson who recently purchased Shelley's Variety Store, Chas. Underwood and Durward Warren.

John Kimble, president of the club, expressed his appreciation to the Excelsior Club for the fine chicken dinner; to the speakers for their interesting talks; and to the members for the large turnout. The club has fifty-four members.

Grisham Sisters Are Winners in 4-H Club Contests

By Ethel Keith

Misses Joyce and Sharon Grisham, daughters of Mr. and Mrs. John Grisham of Abilene, and granddaughters of Mr. and Mrs. Bennie Belyeu of Desdemona and Mrs. Jodie Grisham of Gorman, were winners in a Food Demonstration Contest held in Abilene March 22, 1958.

Joyce, age 14, won first place in the senior division of the individual dairy foods demonstration and Sharon, age 10, was the 3rd place winner with her teammate Carol Dubbs in the junior division.

Placing in contests is not new to the Grisham girls. Sharon, past vice-president and present program chairman of the local girls auxiliary, also serves on the recreation committee for the Hamley 4-H Club of Taylor County.

Last year, her first year in 4-H Club work, she entered and won 3rd place award for a shirt in the county dress review in Abilene. Joyce, president of both the girls auxiliary and Tamley 4-H Club, is also the junior chairman for the Rock Hill Community Cancer drive in Shackelford County. She also represented her local club at the district camp at Kerrville last year returning to serve on the county committee for planning camp recreation at Buffalo Gap 4-H held each year for county members.

Joyce won her first 4-H contest in 1956 placing second in the county with a teammate. In 1957 she and Marion Dubbs, also of Hamley, won first place in local, county and district in the junior vegetable team demonstration, the highest honor for juniors in that division.

In 1957-1958 Joyce was presented a food award and a recreation award respectively by the Kiwanis Club of Abilene at the annual awards banquet given by the Kiwanis for top 4-H'ers and their parents.

A first place winner in the Taylor County contest, Joyce will represent the county clubs in the senior division of dairy foods at San Angelo College on April 19, competing for the honor of representing the district at the 4-H Roundup at College Station.

TO THE PUBLIC

Almost daily I am asked the question if I am going to be a candidate for re-election to the office of Justice of Peace again this year, so I am taking this method to publicly announce that I will not be a candidate for re-election and will use the familiar quotation of one of our former Presidents and say that "I Do Not Choose to Run Again" and let it go at that, and leave the field wide open and if anyone wishes to enter the race for this highly remunerative office you will have my good wishes and assure you that I shall cooperate to the fullest extent with whomsoever is elected to succeed me.

Thanking you for your past cooperation and good wishes, I am,
Yours very truly,

cussion. Carol Ramsey, Terry Shell, and Annye Kate Blair were on the panel. The program was a third in a series about what Christians should do about joining or not joining the Armed Forces.

After we had finished our panel discussion Rev. Don Hazelwood, who had served in the Armed Forces for 9 years, spoke to us on what we can gain or lose by joining the Armed Forces. His talk was very interesting and informative.

We want to take this time to welcome our new sponsors who have met with us before. They are Mr. and Mrs. Keith Whit who we are sure are going to do a very good job. We also want to welcome Butch Boyd to our M. Y. F. as a new member.

We discussed our business and closed with the MYF benediction. He was moderator of a panel discussion.

EXCELSIORS MEET WITH MRS. HAILE

The Excelsior Club met on Tuesday, April 8th with Mrs. Rudolph Haile.

Mrs. Allen discussed Federal Controls. She took "controls necessary" viewpoints giving heads of various cabinet posts with the duties of each.

Mrs. Check Smith gave the pattern of how the Internal Revenue works. She took her discussion from a 1957 edition of The Post, titled "Bring All Your Cancelled Checks."

After a brief business session refreshments were served by the hostess.

MINISTER WITH WIDE RANGE OF EXPERIENCE SPEAKS AT 1ST. METHODIST

Rev. John D. Hazelwood, of Ft. Worth (above) spoke to the congregation of the First Methodist Church April 6th through 13th.

Rev. Hazelwood, a graduate of Oklahoma A&M and Southern Methodist University, served five years in the US Army during World War II and has served three years since as an Army Chaplain.

In addition he is widely traveled and has interpreted much of his experience in the light of The Christian Gospel.

METHODIST LAYMEN ATTEND RALLY

Four Laymen from the First Methodist Church attended a Laymen's Rally at Breckenridge on Wednesday evening.

The rally, attended by 450 Methodist laymen from this area heard Mr. Melvin Munn of Dallas, an outstanding Lay Speaker of the North Texas Conference of The Methodist Church, emphasize "Togetherness", in the work of Christian laymen. "Neither The Master or man, ever did anything alone", said Mr. Munn.

Those attending from Gorman were Mr. Hubert Craddock, Mr. G. E. Bennett, Mr. Eugene Baker, and Rev. Robert Haynes.

LOCAL WOMAN EDITS RANGER PAPER

Mrs. M. H. Fairbetter is presently working at the Ranger Times. She is commuting daily, serving as editor until Mr. Joe Dennis, owner of the Times, can secure an editor who wishes to be permanent.

SERVICE FOR SERVICE MEN

Some folks are surprised to learn the Progress is sent to men in service without charge. "The Best Things In Life Are Priceless".

We still appreciate the sacrifice young men are making to protect our interests.

VISIT THE TEXAS LONGHORN CAVERN

Miss Jana and Larry Pullin, of Route One, Gorman, took the guided tour through famous Texas Longhorn Cavern recently while on a trip through the scientifically beautiful Highland Lakes region of Texas.

The cavern, located in Longhorn Cavern State Park 4 miles south of Burnet off U. S. Highway 281, is the third largest cave in America. Over eight miles of the underground passageways have been explored without an end being reached. The two mile guided tour is conducted several times daily through the more marvelous and amazing of the cavern's vast rooms and chambers.

Duster News

Mrs. Lorene Johnson, Reporter

There is never any situation that cannot be made right. There is never a time when we cannot seize the opportunity to begin again. There is never a need that is without its perfect fulfillment in God.

Church of Christ had regular attendance.

Bethel Baptist, due to rain and muddy roads, had only 22 present at each day and night service. A group from here attended the Eastland Singing Convention in Carbon Sunday afternoon.

It rained 1.55 inches here Sunday.

Mr. and Mrs. Audie Whitehurst visited Mr. and Mrs. Albert Winn in Dallas Sunday.

Mr. and Mrs. Ira Frasier and children visited Mr. and Mrs. Andy Medcalf in Coleman Sunday.

Mr. and Mrs. Fry of Temple spent a few days with Mr. and Mrs. Norman Lehman.

Misses Polly and Pansy Coan of Ft. Worth are spending a few days with their parents, Mr. and Mrs. Abb Coan.

Bro. and Mrs. Moody Smith and girls were luncheon guests with Mr. and Mrs. Seal Smith Sunday.

Mr. and Mrs. Almos Lasater and boys visited her parents, Mr. and Mrs. D. F. Overstreet, in Olden Sunday.

Mr. and Mrs. Nugent Haynes of Rising Star visited Mr. and Mrs. Will Haynes Saturday.

Things Seen and Unseen - -

... are all paid for by the ultimate consumer. The farmer sells his bale of cotton for \$150.00 and we buy it back in cotton products for several hundred dollars. Same old cotton except the looks, design, color, wage, transportation, rent, storage, interest, commission, profit and taxes - many kinds of them. Like the bale of cotton, the abstract must bear its myriad of hidden costs but at that it is well worth the sales price for it is the basis of your title security and your protection against fraud.

MODERNS GO GAS FOR COOKING!

Why did I go GAS for cooking? For one thing, it's COOL... no warming up, or lingering heat after the burner's turned off. It's CLEAN... everything's automatic, so I have no "spill-overs" or scorching. And, properly adjusted, a gas burner flame is as clean as ANY fuel! As for looks, I think the new built-in GAS units are just "dreamy". Go see for yourself!

Atlantic to Pacific and back, across the towering Andes, in 41 hours

CHEVY TAMES THE TOUGHEST TRANSCONTINENTAL HIGHWAY!

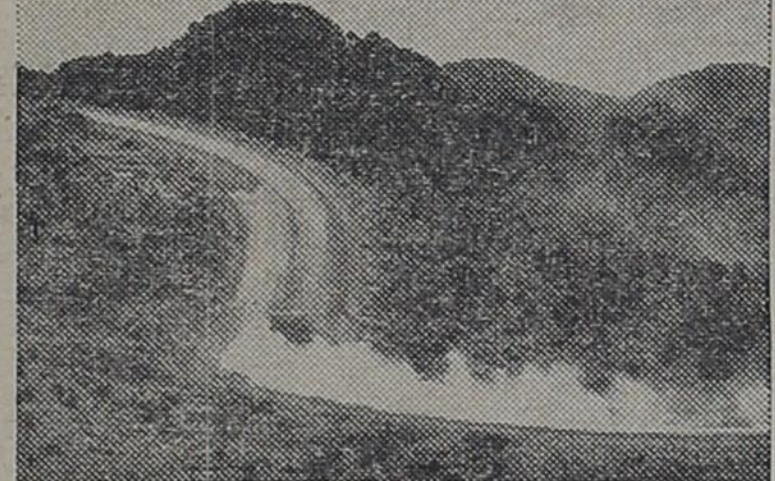

'58 Chevrolet station wagon with 250-h.p. Turbo-Thrust* engine swings down to the dock at Buenos Aires, Argentina, ready for record-setting run across South America to Valparaiso, Chile, and back.

Heading for the freezing Andes, with hood sealed shut by officials of Automobile Club of Argentina, Chevy arrows across Mendoza desert in 98-degree heat. Not one drop of oil or water was added during run!

Turboglide* shows its velvet competence in fantastic foothills of Andes. Jolt-free powerflow of triple-turbine transmission was particularly important in keeping traction on hundreds of gravel turns.

Mighty Turbo-Thrust V8 seemed virtually unaware of astonishing grades up to 30 percent. Even at summit, 12,572 feet high, drivers found terrific reserves of torque from its 348-cubic-inch displacement.

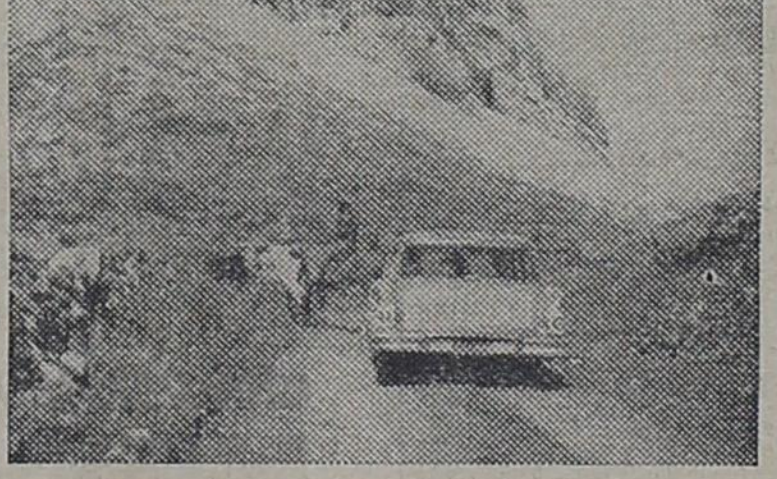

Powdery dust of Argentina's talc mine country proved value of High-Level ventilation, with air intake high above road. Ultra-efficient air cleaner protected V8 from smallest abrasive particles.

Precision of Chevy's famous Ball-Race steering was a lifesaver on cliff-edge curves; its silk-smooth ease sharply reduced driver fatigue. Vital safety factor was full panoramic visibility of windshield.

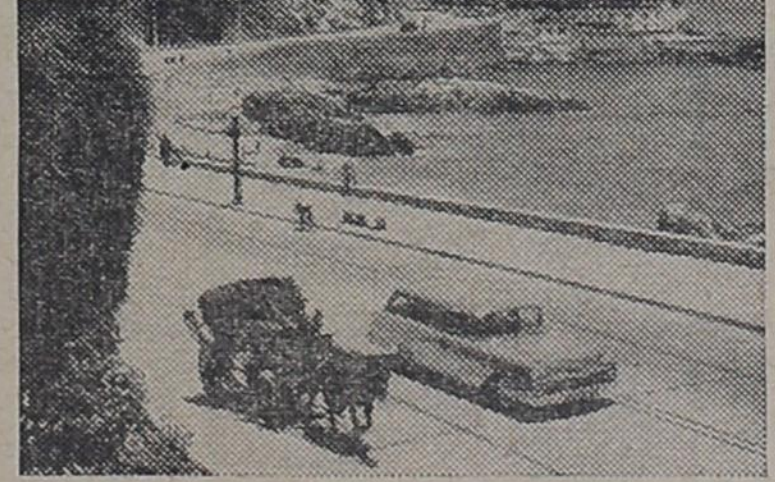

Racking hairpin turns on Chilean slope of Andes tested superior torsional strength of Chevy's new Safety-Gilder frame, demonstrated the better road-holding permitted by its lower center of gravity.

Jumbo-Drum brakes got a real workout in emergency stops for roving livestock, loose boulders, stream gullies cut across road. Drivers particularly liked Turboglide's special Grade Retarder on long hills.

Full Coil suspension, with a deep coil spring at each wheel, took big rocks and deep chuckholes in stride. Stability of four-link rear suspension held car true and steady on worst sections of road.

Turnaround at Valparaiso on Pacific—and car starts return leg of trip called impossible by A.C.A. experts! Engine was never stopped, oil dip-stick still said "full" at end of 1,900-mile test!

You don't have to cross the Andes to discover Chevy's remarkable ease of handling, riding smoothness and performance. Just see your Chevrolet dealer for a test run.

You'll get the best buy on the best seller!

WOMAN'S STUDY CLUB HAS PARADE

As members of the Woman's Study Club entered the home of Mrs. Melvin Shell last Monday evening, just about the first thing each one noticed was the "Line Up." During the preceding week members and guests had by various notorious methods entered their baby pictures into the "Line Up" in the Shell living room. Of course, then the natural thing to do was try to identify the babies.

President, Mrs. A. A. Brown, presided during the business meeting, and welcomed guests, Mrs. E. G. Henderson, Mrs. Pete Ram-

sey, Mrs. Ross Wilson, Mrs. Bob Green, Mrs. J. O. Thompson, and Mrs. Frank Rhymes. Among business items was a report on Teen Flat Youth Center progress and a reminder that club members may be called on to help in the up-coming Cancer Crusade.

You've heard of Easter, Band, Peanut Festival, and Pet Parades, but the Parade staged at this club meeting was undoubtedly the most unique one anywhere yet. The program title for the evening was "Personality Plus" with introductory quote thus: "On this day you are out to test, to do the thing you do best." Mrs. Jerry Clark was "Talent Parade" leader, introducing each club member
