OUR 60TH YEAR OF SERVICE — 5c per copy

The GORMAN PROGRESS, Eastland Co., TEXAS, JULY 28, 1960

NUMBER TWENTY-TWO

MAX R. PIERCE, son of Mr. and Mrs. Bob Pierce of Gorman, and an Air Force ROTC cadet at Texas Christian University, prepares to take off on an orientation flight in an Air Force T-33 jet trainer. Cadet Pierce, who completed his junior year in advanced Air Force ROTC, is attending 4 weeks of summer training at Webb Air Force Base, Texas, as part of his officer training at college. While at summer training, Cadet Pierce observes and actually participates in Air Force operations.

Following graduation at TCU, he will be eligible for appointment as a second lieutenant in the Air Force.

CURBING FARM ACCIDENTS GOAL OF 'FARM SAFETY WEEK'

Farm and ranch accidents claim about 3,500 lives each year, more than any other industry. Some 11,000 farm and ranch residents die each year in all types of accidents, and another million suffer accidental injuries.

To direct attention to this appalling problem, President Eisenhower has designated the week of July 24-30 as "National Farm Safety Week." In Texas, Governor Daniel has proclaimed the period "Farm Safety Week in Texas." The Texas Farm and Ranch Safety Council, together with the Texas Safety Association, Texas Agricultural Extension Service and the Texas Farm Bureau, is pushing a farm safety education program during the week.

Todd's Variety Is Certified Radio-TV Technican

Todd's Variety Store of Gorman has been certified as a qualified technician under a nationwide program to benefit the radio and television owning public, R & R Electronic Co. of Abilene, Texas announced today.

Todd is a charter member of the program.

R & R Electronic Co. represents Howard W. Sams & Co. of Indianapolis, the industry's impartial testing and laboratory service which annually examines and analyzes radio, TV and other electronic equipment of more than 300 manufacturers and supplies service data to the nation's electronics technicians and repair men, and which sponsors the program.

Todd was accredited as a Photo fact-Equipped Electronic Technician under the new protective plan which requires that a service technician meet six basic requirements, including possession of adequate test equipment and facilities; an adequate investment in his business; adequate service data library to facilitate quick and satisfactory repair work at fair prices, and character endorsement by three local references.

The Code of Ethics under which qualified technicians operate pledges participants to employ qualified personnel to insure proper service; employ approved methods of performing installation and maintenance; issue a standard guarantee, whenever possible render service within 24 hours; install only such parts and tubes as are necessary; use only brand name parts and tubes of high quality; issue an itemized

Theme of the observance is "Enjoy Farm — Practice Safety." Objective of the educational effort is to curb the soaring farm accident problem which hits one farm family in four each year.

Texas is among the top ten states in the nation in accident rates associated with drownings, firearms, burns and electricity. The major cause of accidents across the nation is machinery, which accounts for about 35 percent of all accidents, followed by drownings, firearms, falls, blows, animals, burns, electricity and lighting.

In his proclamation designating National Farm Safety Week, the President noted that accidents "substantially reduce the productive capacity of our farming industry." Governor Daniel's proclamation urged farm families to "increase their vigilance against needless accidents." The Governor said the nation's economy is dependent upon the continued well-being and progress of its agricultural population, and accidents from farm work cause needless suffering, distress and loss of life each year among rural families.

The rate of accidental deaths from work and recreational activities on farms is increasing slightly each year. The death rates associated with machinery, drownings, firearms and electrical current are increasing, while those associated with animals, falls, lightning and burns are showing some decrease.

There are more than four times as many accidental deaths in farming than in manufacturing. Today's farms are becoming more like small industrial plants, and they have some of the same safety needs.

CARD OF THANKS

May we take this means to express our sincere gratitude for the kindness shown us at the time of our sorrow due to the death of our loved one.

May God bless each of you.

Billy Jack Van Zandt
Aunts and Uncles

bill; give estimates when possible before performing major repairs; retain removed parts for return to customer on request; service sets in the home whenever possible; carry adequate liability insurance; make proper arrangements for protection of reserve funds on contracts; avoid questionable "bait" or unethical advertising; be honest, courteous and treat each customer in a professional manner and observe the Golden Rule.

Scouts To Enter Swim Meet, Ranger

The Gorman Boy Scout Troop No. 38 has been invited to attend the Swim Meet August 18th at the Ranger City Pool to compete with the other troops of the Comanche Trail Council. The events will consist of races in 25 yard breast, back, side, and crawl strokes plus 100 yard relay with four scouts each swimming 25 yards. There will also be events for the non-swimmers.

All parents and friends are invited to attend this meet. Some troops and families plan to go to Ranger early and take picnic lunches and eat at the park. The swim meet begins at 7:30 p. m.

All boys 11-14 years who are interested still have time to join our troop and enter these events and bring to Gorman the Blue Ribbons.

Next meeting will be Monday night at 7:30 at the Fire Hall.

The first meeting of the Boy Scout Troop No. 38 was July 11. Ten boys met at the Sutton home about 9:30 a. m. and hiked about five miles out to the Ed Harrison place and enjoyed a lunch and swim at Boston Springs. This was a very interesting trip, climbing on huge rocks and exploring caves.

The second meeting was July 18. We met and went out to Frank Gray Park where we enjoyed a wiener roast and swim. Everyone had lots of fun!

Our last meeting was July 26. We met about 6 p. m. and went to Frank Gray Park for an all-night camp out. We went swimming and ate supper, then pitched camp.

Early next morning we began to cook our breakfast and after trying to eat it and wondering how Mom cooks that bacon so easily, went for a refreshing swim. About 9:30 a. m. we all came in tired but happy.

Boys attending these meetings were Jim Thompson, Tommy Kirk, David Kirk, Jerry Ormsby, Jimmy Warren, John Shell, Mike Pennington, Gregory Pennington, Bobby Williams, Vance Laminack Mack Sutton, and Ed Sutton. Those unable to attend were George Bolt and Jerry Hogg.

Winners In Sears Swine Contest Are Announced

Four Eastland County 4-H Club boys won in the Area 4-H Sears Swine Program heavy litter contest. Winning first place honors in the contest was Jimmy Hogan of Ranger who won \$20 in prize money. Placing second in the contest, also of Eastland County, was Melvin Wende, of Cisco, who won \$16 in prize money.

The litter winning first place was composed of seven pigs weighing 489 pounds with an average weigh of sixty-nine and eight-tenths of a pound. Melvins litter had nine pigs and weighed 451 pounds with an average weight of fifty and one-tenth pound per pig.

Doyle Welch, Gorman, placed his litter to seventh place with eight pigs which weighed 357 pounds. Placing fourteenth was Victor Plambek's litter of seven pigs weighing 271 pounds.

The pigs were weighed at fifty-six days of age or eight weeks.

Eastland County is in the Breckenridge Area composed of six counties. Each county in the area has from five to eight boys in the Sears Program each year with girls and one boy in each county with the male hog.

Jimmy Hogan set a record since he won First in the County Sears Swine Show, First in the Area Sears Swine Show and First in the Heavy Litter Contest. His total winnings was fifty-three dollars in prize money.

Births At Blackwell

Mr. and Mrs. Buddy Reeder of Sidney are the proud parents of a baby girl, Delpha Wynnett, born July 20, 1960 weighing 6 pounds and 5 1/2 ounces.

Mr. and Mrs. T. B. Smith, Jr. of May are the proud parents of a baby girl, Elizabeth Alene, born July 24, 1960 weighing 4 pounds and 6 ounces.

CALENDAR OF EVENTS

FRIDAY, JULY 29TH

Meeting at Gorman Church of Christ begins at 8 p. m.

SUNDAY, JULY 31ST

Bro. Lawrence Trott to speak at Midway Baptist at 11 a. m.

Meeting begins at Congregational Methodist Church.

MONDAY, AUGUST 1ST

Eastern Star meets at 8 p. m. in lodge hall.

Gorman Volunteer Fire Department meets.

TUESDAY, AUGUST 2ND

Rebekah Lodge meets at lodge hall at 8 p. m.

THURSDAY, AUGUST 4TH

The Gorman Jaycees will meet at the Brown Jug on the patio at 7:00 p. m. (unless otherwise notified).

The Directors of the Jaycees will meet at 6:30 a. m. at Emerson's Cafe.

CLASS OF '55 TO HOLD REUNION JULY 30

Graduates of Gorman High School, Class of 1955, plan their class reunion on Saturday, July 30, 1960, at 2 p. m. at the Brooks Ross apartment.

This is the first reunion so all graduates who can possibly do so are urged to be present.

REVIVAL MEETING AT OLIVER SPRINGS, Aug. 19

The revival meeting at the Oliver Springs Church begins on Friday night, August 19th. Rev. Creath Davis of Brownwood will be the speaker.

Home talent will do the singing.

The public is invited.

"The Unforgiven" Opens Sunday At Weeping Oak

A star-studded cast combined with exquisite photography and the craftsmanship of an Academy Award-winning director make "The Unforgiven," which opens Sunday at the Weeping Oak Drive In Theatre in De Leon through United Artists release an unforgettable experience. The cast, all of whom give outstanding characterizations, include Burt Lancaster and Audrey Hepburn in the top roles.

The camerawork of Franz Planer, enhanced by glorious Technicolor and Pana-vision, is breath-taking.

"The Unforgiven", from Alan LeMay's widely acclaimed novel, with screenplay by Ben Maddow, tells of the Zacharys, a family group in the desolate prairie-wilderness of the Panhandle who are haunted by a malevolent past. It concerns a sinister mystery surrounding the origin of young Rachel Zachary, whom the Indians claim was their child. Egged on by a demented stranger who had known the Zacharys long ago, the Indians ride upon the Zachary soddy to spread murder and devastation.

Attend Water And Sanitary Meeting

The Bosque Water and Sanitary Association held their regular monthly meeting in the De Leon City Hall on Tuesday night, July 26, 1960.

In their round table discussions they talked of water works operation and pipelines. There is talk of making the works entirely automatic rather than being manually operated.

Those in attendance from Gorman were M. F. Boston, E. E. Todd, Arlon Smith, and James Mears.

Joe Mehaffey left last week for Fort Ord, California to begin his stint with Uncle Sam in the U. S. Army.

Gorman Schools Open August 29

Gorman Public Schools has been announced:

August 29 - School Opens

Sept. 5 - Labor Day Holiday

Nov. 24-25 - Thanksgiving

Dec. 23 - Jan. 2 - Christmas

March 31 - Easter Holiday

May 16 - School Closes

Further information on the registration of students, etc. will be published at a later date.

OUR TOWN

By Ted Bickle

Mr. Chairman, Ladies and Gentlemen — you've heard enough of that this week, eh? But it will be another four years before you have the opportunity to see that sort of thing again — and it is Democracy in action you know. Perhaps you do get sick and tired of this and that and the other, but is there a better way? Coming to an understanding over differences of opinion is one of the best things that can happen in the Democratic process of our way of life.

I do hope there isn't too much "mud-slinging" done, for those who participate in such actions generally wind up getting a large portion on themselves. If each party will refrain from fighting AGAINST the other and fight FOR what they believe and want, I think everyone will come out a winner in some degree — So much for politics.

I got out of town and headed West last weekend. It had been a long time since I'd been any farther West than Abilene. Since it has rained so much out that way this spring and summer the whole countryside really looked good. It was our first visit to Post and we enjoyed it very much — but I don't think I want to move there for they don't grow watermelons and blackeyed peas. I didn't see any cantaloupes, tomatoes or okra either, but the grain and cotton was beautiful. They should have a bumper crop from their fields, too. The grass lands were green and pretty also.

It is good to know that the Progress is passed around out there and friends of my folks enjoy it, too, and some of the recipes that are in it. Good for you!

Since ranching plays such a large part in our Texas economy lets serve beef real often. The Texas Beef Council puts out some wonderful recipes. I've tried a lot of them and they are delicious. The one I'm using this week doesn't have to go on a picnic even tho it was designed to satisfy out-door appetites.

SKILLET DINNER

1 lb. ground beef
3/4 teaspoon accent
1 1/2 teaspoons salt, divided
2/3 cup fine dry bread crumbs
1/4 teaspoon pepper, divided
2/3 cup evaporated milk
1/4 cup shortening
1/4 cup chopped onion
1 can (1 lb.) tomatoes
1 can (1 lb.) whole kernel corn

Break up meat with fork in mixing bowl. Sprinkle accent and 3/4 teaspoon of the salt over entire surface of meat. Toss gently with fork. Add bread crumbs, 1/8 teaspoon pepper and milk; mix and form into a large patty. Brown meat in hot shortening on all sides. Add onion and green pepper. Cook until tender. Drain tomato and corn liquid into skillet; simmer until liquid is reduced to about 1/2 cup. Add tomatoes, corn, remaining 3/4 teaspoon salt and 1/8 teaspoon pepper; heat to serving temperature.

BRO. LAWRENCE TROTT TO SPEAK AT MIDWAY BAPTIST ON SUNDAY

This coming Sunday, July 31, Bro. Lawrence Trott, our District Missionary, will bring the morning message at the Midway Baptist Church.

Bro. Rob Kinser, one of the Deacons at Midway, will bring the evening message.

Everyone is invited and encouraged to attend these services. Sunday School begins at 10 a. m. and the morning worship at 11. Training Union begins at 7 p. m. and the evening service at 8 p. m.

Peanut Growers Help Themselves

By Sydney C. Reagan, Secretary
Southwest Peanut Research Foundation
Gorman, Texas

The peanut farmers in Texas and Oklahoma have organized The Southwest Peanut Research Foundation to provide for a program of research and promotion to be paid for by the growers out of voluntary assessments placed on themselves. Through the cooperation of peanut buyers, 50c a net ton will be deducted on a voluntary basis from each ton of peanuts marketed in these two states. If all farmers participate, this will result in \$50,000 to \$75,000 being available each year to finance research and promotion to help peanut farmers.

The Southwest Peanut Research Foundation is being sponsored by the following organizations: The Southwestern Peanut Growers' Association, the Texas Farm Bureau, the Oklahoma Farmers Union, the Southwestern Peanut Shellers Association. The Board of Directors whose members are named by the participating organizations, consist of the following members: Mr. H. C. Dean, Southwestern Peanut Growers' Assn., Route 1, Comanche, Texas; Mr. Dean Kirk, Southwestern Peanut Growers' Assn., Route 1, Gorman, Texas; Mr. Floyd L. King, Southwestern Peanut Growers' Assn., Route 3, Hydro, Oklahoma; Mr. Wesley Swearingen, Texas Farm Bureau, Route 3, Sealy, Texas; Mr. Carroll Smith, Oklahoma Farm Bureau, Route 1, Lookeba, Oklahoma; Mr. Leland Stanford, Oklahoma Farmers Union, Route 1, Shawnee, Oklahoma; and Mr. Sydney C. Reagan, Southwestern Shellers Association, 3840 Greenbrier Dr., Dallas, Texas.

The purpose of the Foundation is to foster and promote research in any and all phases of production and marketing of peanuts in order to improve efficiency, lower the costs of production and marketing, and thus improve the net income to the producers and to promote the increasing usage of peanuts and peanut products. The promotional phases are limited to 8c per net ton and will be handled exclusively through the National Peanut Council. The Foundation is prohibited by its charter and by-laws from engaging in and providing funds for any legislative and political purposes.

Allowance On Water Raised

At the last meeting of the City Commission on Saturday, July 23 it was voted to allow an additional 1,000 gallons of water effective during the month of July.

If weather conditions warrant the additional 1,000 gallons per month will also be allocated for the months of August and September, as has been the usual custom of the city.

The city also approved additional street lights that will be installed in the near future.

Work on the laying of additional sewage lines is continuing.

Crowd, Crowds Frossard's Sale

As the heading implies it was a CROWD at Frossard's.

One of the most successful anniversary sales at the Frossard Department Store closed on Monday of this week. Store owner, Gus Frossard, stated that it was one of the best sales they had ever had and he wishes to express his sincere appreciation for the cooperation of everyone in this trading area.

The sale is a semi-annual event and it is their aid to give their many customers high quality merchandise at very reasonable prices.

New fall stock is arriving daily and is being put on display for your inspection.

The Frossard's Dept. Store sale always brings a large number of people to Our Town.

SEVEN-TENTHS OF A SECOND!

For the benefit and information of Tribune readers who are engaging in usual abnormal vacation-time travel on the nation's highways and biways, there is a chilling report in Motor magazine on just what happens in the first second when an auto speeding 55 miles-per-hour crashes into a tree.

Researchers, particularly those at the University of California and Cornell, have been studying various types of auto collisions and the auto-tree variety has produced gruesome findings that argue strongly for avoiding it.

Here they are: In the first tenth of the fatal second, the front bumper and grille collapse.

The second tenth finds the hood crumpling, rising and striking the windshield as the spinning rear wheels lift from the ground. Simultaneously, fenders begin wrapping themselves around the tree and, although the car's frame has been halted, the driver's body is still going 55 m. p. m. Instinct causes the driver to stiffen his legs against the crash and they snap at the knee joint.

During the third tenth of the second the driver's torso lunges from the seat, broken knees smashing into the dashboard. The steering wheel starts to disintegrate and the steering column aims for the driver's chest.

The fourth tenth of a second finds two feet of the car's front end wrecked while the rear end still moves at 35 m. p. h. and the driver's body still travels at 55.

In the fifth tenth the driver is impaled on the steering column and blood rushes into his lungs.

The sixth tenth finds impact built up to the extent that feet are ripped out of tightly laced shoes. The brake pedal breaks off; the car frame buckles in the middle, and the driver's head bangs into the windshield as the rear wheels, still spinning, fall back to earth.

In the seventh tenth, hinges rip loose, doors spring open and the seat breaks free, striking the driver from behind.

But he doesn't mind because he's already dead and the last three-tenths of the second mean nothing for him.

KOKOMO NEWS

By Mrs. Glenn Jordan

Visiting with Mr. and Mrs. Henry Seiter on Saturday were her sister, Mrs. Oscar Treadway of Eastland, and sister-in-law, Mrs. Poe Burleson of Odessa.

Sympathy is extended to the Jewel Snider family. Their son-in-law, Ira Ray Hall, was killed in a car accident near Paducah on Saturday night. He is survived by wife, Treva Jewel, and two daughters.

Mr. and Mrs. Albert Hendricks had as guests last week his nephew and wife, Mr. and Mrs. Norman Wheeler of Carlsbad, N. M. Larry and Jana Pullin spent Saturday with Cecil and Patricia Everton.

Mr. and Mrs. Drayton Lenz and Mrs. Drayton Lenz of Brady have been visiting with Mr. and Mrs. Buddy Eaves and other relatives.

Bill and John Alexander of Lincoln, Nebraska are visiting with their aunt and uncle, Mr. and Mrs. Victor Pack and children.

Mr. and Mrs. Heppy Jackson and girls of Carbon and Mr. and Mrs. C. V. Drennan of Coleman were visiting with the Glenn Jordans on Sunday.

Rev. and Mrs. Jackie Heath and children were guests of Mr. and Mrs. J. A. McNeely on Sunday. Recent guests of the McNeelys were their daughter, Mrs. Ila Rollins and family of Warren, Arizona, and Mrs. Bounds of Eastland. Mr. and Mrs. L. D. Holiday and Mrs. Polk Holiday of Gorman were visiting with the McNeelys on Sunday afternoon.

Mrs. John Donaldson was able

DESDEMONA NEWS

ETHEL KEITH, Reporter

This community was shocked early Sunday morning when word came that Ira Ray Hall, only son Mr. and Mrs. Ted Hall and a twin to Mrs. Brooks Wilcoxson, had been killed Saturday night in a car accident at Paducah, Texas. Funeral services were held Tuesday at the Methodist Church here with burial in Howard Cemetery.

The family has the heartfelt sympathy of this community.

to return home from the hospital last week and is doing fine. Mr. and Mrs. Truman Bryant and children of Carbon visited with the Donaldsons on Sunday.

Mr. and Mrs. John O'Neal of Hamlin and the George Eppers of San Angelo visited over the weekend with the W. A. O'Neals and Albert Hendrickses.

Mr. and Mrs. Albert Hendricks and Sylvia visited in Breckenridge on Sunday night with her grandmother, Mrs. Fannie Maude Freeman, and with Mr. and Mrs. D. D. Gray.

Mr. and Mrs. Tommy Webb of Abilene visited with her parents, Mr. and Mrs. Buddy Eaves, on Sunday afternoon. Tommy has just returned from Air Force duty in Spain.

Mrs. Jesse Lemley of Gorman and her nephew, Franklin D. Schmick, spent Monday with Mr. and Mrs. Buford Parker.

Mr. Vern Garrett was admitted to the hospital at Gorman about 4 a. m. Tuesday morning, suffering from a spider bite.

EXCUSES!

In the 22 Chapter of Matthew, Verse 4 we find this parable of the marriage supper which deals with the second coming of Christ.

Mrs. Nora Lane was called back to Eastland to the bedside of her mother who has been ill for quite a long while, but had suddenly turned for the worse. No later word has been received here.

Brenda Roberts, daughter of Mr. and Mrs. Morgan Roberts, is spending this week in Granbury with her grandmother Roberts.

Mr. and Mrs. Ernest Key and children of East Texas spent the weekend here with his mother, Mrs. Shorty May, and family. The Bernard Keiths of Cisco were here Saturday visiting with the Keiths and Pug Gutherys.

Several people from here were in Ranger Sunday afternoon to attend the funeral of Mrs. Mae King.

Mrs. Helen Arnold has been away on a visit this week.

Mrs. Virgie Caudle and daughter, Sherril, who have been visiting in Fort Stockton since school was out, have returned to their home here.

Christ inviting us to get ready for His coming. We find that there are two kinds of people in the church today; that is the saved and the unsaved; those that are faithful to the church and those who are not.

In Verse five we find these excuses: One, to his farm; that is where a large part of our farmers spend Sundays and don't serve God anymore. The other one, to his merchandise, no time for God, afraid that there would be a dollar that they would not get. Yet God said seek first the Kingdom of God and His righteousness and all these things will be added. But what happened to those that were bidden and did not come. They were destroyed.

So you see what happens to the church members that did not attend church. Jesus said you cannot be my disciple unless you take up your cross and follow me.

The Congregational Methodist Church invites you to attend our revival beginning July 31 and continuing through August 7. We are looking for you.

Marion Dennis, pastor

OLIVER SPRINGS NEWS

By Florence Richardson

Our thought for the week: "Riches come not from an abundance of worldly goods, but from a contented mind."

We are still having showers in this vicinity. Cloudy and cool here this Monday morning.

Our crowd fell short Sunday due to family reunions, heavy rains, and vacation time.

Mr. and Mrs. Henry Johnson of De Leon were visiting the Jim Johnsons Sunday afternoon.

Roy and Rex Kinser, Homer Richardson and Loyd Glasson were in Morton Valley Friday night attending a musical.

The Ray Levens family of Lubbock spent the weekend here with Mrs. J. N. Watson and attended the Watson reunion Sunday at the Park.

The Watson families of Fort Worth, Sammie Watson and wife of Mexico, Johnnie Watson and family of Abilene were here for the reunion and visiting friends.

Jessie Roberts of Haskell, Mr. and Mrs. Lewis Laung and Clarence Roberts and wife of Round Rock were here Saturday for the Hazel Roberts funeral.

Barbara Kinser spent the week in Gorman with friends.

COX-PALMER WEDDING SET FOR SEPTEMBER 11

Mr. and Mrs. Edd E. Cox of Monahans have announced the engagement and approaching marriage of their daughter, Elizabeth, to Roy George Palmer. Parents of the bridegroom are Mr. and Mrs. R. L. Palmer of Gorman.

The couple plans to be married Sunday, September 11, in the home of the bride-elect's parents.

Miss Cox is a graduate of Monahans High School and stud-

BENNETT REUNION HELD SATURDAY & SUNDAY

The descendants of the late Lawson A. Bennett held their reunion on Saturday night and Sunday. Saturday night the families met at Lake Leon for an evening of visiting and recreation.

On Sunday the group moved to the Fire Hall in Gorman due to the inclement weather for the days festivities. After the bountiful lunch those present enjoyed visiting, reminiscing and games of "42" and dominoes.

Members of the family and their respective families attending were eleven members of the George Bennett family, five members of the Bessie Justice family, two members of the Babe Huett family, eleven members of the Ruby Bennett family, eight members of the Ida Parrish family, five members of the Gail Bennett family, two members of the Sam Bennett family, three members of the Jim Bennett family, four members of the Roy Bennett family, three members of the Jessie Lee Eison family, and ten members of the Purnie Fay Grice family.

Others attending were Aunt Mary McBride and Mr. and Mrs. Newton Bennett. Also four visitors.

A total of 64 descendants were present.

SURPRISE BIRTHDAY TREAT FOR MRS. MAHAN

Monday evening, July 25th the sisters of Mrs. A. N. Mahan and their husbands surprised her with a birthday party at the Gray Memorial Park.

Mr. and Mrs. Sidney Roff of Eastland, Mr. and Mrs. W. M. Dunn of Carbon, and Mrs. J. T. Clement, also of Carbon.

They brought gifts, sandwiches, home made ice cream and cake. Everyone enjoyed the outing, especially the home-made ice cream.

Not a single cracked egg since Chevy took over the route

That '60 Fleetside pickup you see takes whatever kind of road comes along, and makes about 250 stops a day delivering eggs house to house for Mr. Harry Hansen of Missoula, Montana. "With my previous truck," Mr. Hansen writes, "I always had some cracked eggs. Cargo damage always cut into my profits. But the new Chevy eliminated that problem completely. I haven't had one cracked egg with my new truck and I've had up to a ton of eggs in it without any difficulty. . . . I didn't know a truck could ride so nice."

Chevy rides nice, all right: takes good care of fragile cargoes. But that's not even the half of it. Torsion-spring suspension also means longer life for the truck, extra thousands of working miles, because the sheet metal and body components take less of a beating. You can run off-the-road or over back trails at faster safe speeds, too; get in more trips a day, make more money. Those facts are as true of the big Chevrolet heavyweights as they are of the pickups. Any model you name. Get one on your job and you've got the world's most efficient, most economical way to haul any load over any road. Your dealer will be happy to prove that statement any day you say.

"I'm getting close to 20 miles to the gallon," Mr. Hansen states, "and that's on stop-and-go delivery."

County Agricultural Agents office in Eastland.

Tenants as well as owners and operators are eligible for this refund.

This is a different refund from the state refund it was stated. Many of those eligible have received the proper form through the mail but there are many in the county who have never filed. The gasoline must have been used for agricultural purposes on the farm or ranch and must have been purchased from July 1, 1959 to June 30, 1960.

The claim must be filed with the District Director of Internal Revenue at Dallas by September 30 of this year.

The refund amounts to 3 cents per gallon on gasoline purchases from July 1 to October 1, 1959 and 4 cents per gallon on the amount purchased from November 1, 1959 to June 30, 1960.

MRS. CARROLL RESIGNS POSITION WITH GHS

Mrs. Musetta Carroll, who was English and Spanish teacher at Gorman High School, has resigned to accept a position with the school system in Rule, Texas.

Cape Canaveral: 10 Years Of Progress From Sand Strip To Space Center

Two missile photos, ten years apart, span history of Cape Canaveral, Fla. On July 24, 1950, G-E managed Bumper 8 fired from relatively crude launching pad (actual photo, left). Ten years later missile nose cone (right) flies record 9,000 miles.

Cape Canaveral, launching site for many of this nation's most spectacular space successes, celebrates its tenth anniversary this year. The G-E managed Bumper 8 was fired from desolate shores by a handful of civilian and military engineers. Today the Cape, which is the missile launching area for the Air Force's Missile Test Center, employs about 8,000 persons and has expanded its launching facilities tremendously. An example of one of the Cape's many missile triumphs was the recent record-breaking 9,000 mile flight of the General Electric Missile and Space Vehicle Department's Mark 3 nose cone, a flight longer than any other recorded ballistic missile shot in the world. The Mark 3 can be seen atop the Atlas (right) as it starts its historic flight.

Lone Star Gas Completes Pipeline

Lone Star Gas Company soon will begin laying gathering pipelines in the Rising Star area of Eastland and Comanche counties to connect with a recently completed 37-mile 12-inch gas transmission pipeline which joins with the company's pipeline system in the X-Ray field south of Gordon.

Purpose of the pipeline network is to transport gas purchased from Coastal States Gas Producing Company into Lone Star's transmission system near Gordon. Coastal States is constructing a 1,320 horsepower compressor station in the Rising Star area to compress low pressure gas in the area into the 37-mile pipeline.

It is planned for the station to begin operating when the gathering system is completed.

The 37-mile pipeline was completed last week by Lone Star's construction crew No. 2 under direction of J. T. Belknap, superintendent. About four weeks were required to finish the line. It runs in a northeasterly direction from the Rising Star area through Comanche, Eastland and Erath counties.

Ed. Note: Several of Lone Star Gas Company employees are staying in Gorman. A few have visited the Progress office and Library. A fine bunch of fellows and we hope they return often to visit our city.

T. E. L. CLASS MEETS THURSDAY, JULY 21ST.

The T. E. L. Class of the Baptist Church of Gorman held their regular meeting on Thursday, July 21, 1960 in the Educational Building.

President, Mrs. Emily Yates, called the meeting to order. Mrs. Maud Huff lead in prayer. After the devotional and reading of the minutes, the members voted to give the quilt they had quilted to Mr. and Mrs. Joe Belyeu who lost their home by fire.

The class honored Mrs. Vesta Weeden with gifts on her birthday, which is the order of the class.

After some discussion of new work that is planned for the near future, the meeting was adjourned with prayer by Mrs. Coy Warren.

Refreshments were served to those present, which included Mrs. Charlie Simmons, Vesta Weeden, Coy Warren, Jess Richardson, Emily Yates, Beulah Capers, Maud Huff, and a visitor, Mrs. Cynthia Earles.

BACK HOME FROM DUTY IN GERMANY

Mr. and Mrs. Billy Bryan have recently returned to the States from overseas duty with the Army in Germany. During their stay in Germany they took every opportunity to see as much of the European

country as they could. Some of the countries they visited were France, Belgium, Austria, and Italy. Beth (Brightwell) mentioned the fact that they visited several factories in the various countries and enjoyed their many tours. She also stated that they felt very fortunate in being able

LOCAL STUDENTS ENROLLED AT NTSC SUMMER MUSIC CLINIC

DENTON — Seventy junior and senior high school students from Texas are enrolled in a 13-day North Texas State College Summer Music Clinic.

to obtain tickets to the Passion Play that is held every 10 years in Oberammergau, Germany.

The Bryans are the proud parents of an adopted son, Scott, who they adopted while they were in Germany. Beth and the baby flew by jet back to the States and Billy came by boat to New York and arrived in Dallas a few days earlier than expected for by surprise, he came by plane rather than train.

Billy and Beth are now in Kermit visiting with his parents and introducing their young son to his paternal grandparents.

Students are participating in concert and laboratory band work and attending practice and theory session for ensembles. The clinic opened July 18 and will be concluded July 30 with a final band concert by the 70-piece student band.

Among those enrolled are three Gorman students. They are Russell Fuller, son of Mr. and Mrs. Q. D. Fuller, Route 1; John Paul Bolt, son of Mr. and Mrs. Donald Bolt, Route 2; and E. C. Bramlett, son of Mr. and Mrs. E. C. Bramlett.

KEEPING UP WITH FRIENDS

Mrs. W. M. Sims has returned home from a two weeks visit with her children in Pecos and Odessa. She also visited her granddaughter in Lubbock and while there a nephew who lives in Lubbock came over for a visit with her.

P. O. Frasier of Imperial is conducting a revival at Victor this week and is also taking time to visit relatives and friends in Gorman.

The following visited in the home of Mrs. H. O. Files over the weekend: Mr. and Mrs. E. E. Files and son of Houston, Mr. and Mrs. H. R. Files and son of Mesquite, Mr. and Mrs. I. M. Hill and Mrs. Cora Hill of Rising Star, and Mrs. Rosa Williams of Amarillo.

Mr. and Mrs. P. L. Roney and son of Wagarville, Ala. visited in the home of his brother, Mr. and Mrs. W. G. Roney, recently.

Guests in the home of Dr. and Mrs. Ed Wyatt for the weekend were Mr. and Mrs. E. W. Babb and their granddaughter of Lubbock.

Mr. and Mrs. Stanley Porter, their daughter and husband, Mr. and Mrs. Dwayne Clement of Waco, returned last week from their vacation in Washington, Oregon, California, and Arizona. They spent a night visiting in the home of Mr. and Mrs. Loris Jarrett (Jeanette Poyner), who are homesteading in Mesa, Washington. She and Mrs. Clement (Georgia Porter) were classmates in GHS.

Mr. and Mrs. Carroll Bickle visited in Post last weekend with her niece and husband, Mr. and Mrs. Fred Cockrell, and her brother, R. O. Rankin.

Mrs. A. B. Rankin returned Sunday from several weeks stay with her sister in Dublin. She is making her home at present with her daughter, Mrs. A. C. Files.

A/2c Clyde Austin Files left last Friday to return to Travis AFB in California after a 20-day leave.

Mrs. John Wheeler is back home from a vacation trip with her daughter and family, Mr. and Mrs. Vernon Bennett, of Crane. They were in Yosemite National Park, Estes Park, Colorado and other famous vacation spots.

Mrs. Zelpha Wood and granddaughter, Bobette Wood of Fort Worth, spent last week in the

home of Mr. and Mrs. Maynard and Boston. Young Ronnie Wood is spending this week with the Bostons.

Mr. and Mrs. W. M. Lewis returned home Tuesday night from Fort Worth where they had been called to the bedside of their son, James, who has been in and out of the hospital for the past several months. The doctors have been unable to find the cause of his severe headaches. He was some better when his parents left him late Tuesday afternoon.

Mr. and Mrs. E. F. McCormack returned home Saturday from a three weeks visit with their son, Floyd and family. The children brought them home but returned to their home early Sunday morning.

Butch Torgeson of Kenosha, Wisconsin, who has been visiting his grandparents, Mr. and Mrs. Clayton Rhyne of Carbon, and his aunts, Mrs. Cecil Self and family and Mrs. Joe Bennett and family of Gorman, for the past month, returned home on Monday.

Mr. and Mrs. N. F. Bennett of New Hope were Sunday visitors in the A. N. Mahan home.

Mrs. Eula Caldwell, daughter of Mr. and Mrs. J. R. Todd, left early Thursday morning for Donna, Texas, near the Mexican border, to visit Mr. Todd's three brothers, J. M., L. W. and Huey Todd, and their families.

Mr. and Mrs. Jack Bennett, their daughter, Barbara, and her two children visited with Jack's mother, Mrs. Mollie Bennett, last Saturday.

Wayman Mason of Ballinger and E. H. Mason of Kingsville visited their sister, Mrs. Myrna Winters, last weekend.

LUMBER STAIN DISCOLORATION

Lumber grading rules generally degrade a piece of lumber if it has stain. This is done to protect the consumer, since the higher grades of lumber are often used with transparent finishes. Stained lumber, coated with a transparent finish, reveals the stain discolor through the finish. This is often objectionable.

If lumber is to be painted, the use of stained lumber is no problem. Such lumber is equivalent in strength to clear lumber and can be employed for similar uses.

There are numerous kinds of stains possible in and on wood of both hardwood and softwood species. However, all stains result either from chemical action or by the attack of fungi. The fungi do not cause decay. However, their presence indicates that a condition suitable for decay fungi also exists. Consequently, stain may provide a visual warning.

Chemical stain is usually restricted to the surface layers of sapwood. It is brought about by the oxidation of organic compounds in the wood during hot humid weather. These superficial stains often can be removed by planing the lumber. Prevention may be accomplished by dipping the freshly cut lumber in an anti-stain solution.

Sap stain, or blue stain, as it is most generally known, is probably the most widely known lumber stain caused by fungi. Lumber manufacturers utilize specialized drying equipment and certain stain control solutions to produce stain-free lumber. Kiln drying also protects the lumber against both stain and decay fungi, and dries it to a suitable condition for use.
