

## HULLS by Kernel Gene, aPE

The prefix RE in front of your phone number does not stand for REpublican — its REpublic. I don't think Gorman as a whole has gone all-out Republican, although quite a few folk in this area are opposed to the give-away program of Kennedy, and Johnson placing his name on the ballot for two offices.

Enjoyed visiting with several of the Ex-Students who dropped by the Progress office. A million thanks to Mrs. Ruth McKittrick White who brought up a set of encyclopedias and several volumes of the classics for your Progress Library.

"It is great to have friends when one is young, but indeed it is still more so when you are getting old. When we are young, friends are, like everything else, a matter of course. In the old days we know what it means to have them. — Edvard Grieg.

Watching and talking with ex-students over the weekend gives depth to the above question. It was interesting and heart-warming to watch old classmates grasp each other's hand; place their arms around each other or embrace. As they stood together for a moment one could almost see the years roll back ten, twenty, thirty years... "treasures stored in the heart and mind are priceless and can only be enjoyed by those who seek the better things in life."

I hope to see all of you next year.

The problem of doing one's job efficiently may seem big until one looks around. Because it plays a major part in the economy of our area and was built by a father and two sons, I have always taken pride in boasting of the growth of Gorman Peanut Co. However, for the past few months I have "missed the boat" as the saying goes. So, I want to thank Quail Thompson for bringing a picture of the new drying plant at Gorman Peanut Company and asking me to place it in his ad this week. Melvin and Wilbur Shell undertook a big job in re-modeling their shelling plant and building the Batch Dryer for farmers stock peanuts at the same time. This Dryer consists of 20 bins and has a capacity of 130 tons. Peanuts containing more than 10 percent moisture or 10 percent foreign material can be made eligible for price support loans. The Shell brothers have one of the most modern, and complete plants for handling peanuts in the United States.

Melvin and Wilbur are just a couple of local boys who stayed home and built a successful business.

B. M. Bennett, County Commissioner, told the Businessmen's Club Monday night that a definite commitment had been made on the new Kokomo road which will tie in to the old Ranger Road coming into Gorman. Bennett is to be complimented for the fine work he has done on the Farm-to-Market Roads for this area — and a million thanks to the State Highway Department.

Kernel Gene missed several birth announcements recently, and apologies don't help. Anyway we congratulate Mr. and Mrs. George Rodgers on the arrival of their daughter, Ruth Davonne, born Thursday, Sept. 29, 1960.

We haven't gotten the information on Mrs. Ruth Slaton's new grandchild. Bill Slaton just doesn't come to town any more.

# Homecoming Is Acclaimed Successful

The Seventh Annual Homecoming of former Gorman Students is about to become history. Only each of you who attended can say if it was a success or not. If you had such a good time that you resolved never to miss another one, then it was truly a success. Those of us who worked getting it together were exhausted, but we enjoyed it so much that we were telling each other before it was over of things to do next year to improve the day's

activities. If any of you have helpful suggestions, send them now to Homecoming Association Gorman, Texas.

About one hundred attended the morning coffee registration session, and as the day progressed the crowd increased. If chatter and yak-yak are any criteria, the coffee was a huge hit. The early arrivals must have had the best time of all, for as each new group came in, there was roar of noise and greetings.

The Pep Rally, too, created quite a lot of noise and confusion. Right in the middle of downtown under a huge sign saying, "Welcome Exes" the yells were led by Pep leaders Kay and Nell Browning, Sue Huff and Mary Shell. The Band, under the direction of Mr. Alton Roan, played several numbers. The business houses were closed from 2 til 4, so every one was out on the street "backing the Panthers" and recognizing some of the Older Panthers. About one hundred and fifty attended the business session. Bill Parr, Association President, (who seemed to be working everywhere at once all day long) presided. Rev. Buel Bryan, Swenson, Texas, gave the Invocation, followed by James Mears, Gorman, who gave the Welcome Address. Interspersed throughout the meeting were other short talks by several Exes, among them Mrs. Ruth McKittrick White of Muskogee, Oklahoma, Bob Ross, Brownwood and Maurice McMullen of San Diego.

Election of officers occupied an important spot of time. Those who will take the lead in working out plans for the Eighth Annual Homecoming are: President, Glynn Kirk; First V. P. Dr. Bill Brogdon; 2nd V. P. W. C. Brownling; Secretary Elva Shell Kirk; Treasurer Blanche Brasher Browning and Publicity Chairman Dorothy Parker Hatcher.

Gift boxes of Gorman peanuts were presented to Christine Hudson Kinser and Nina Hudson Graves both of Buena Park, California for having come the longest distance.

Dinner was served at the Brown Jug Cafe beginning at 5:30. From there everyone went directly to the football game, and an exciting game it was. The Panthers took an early lead and stayed right up to the closing minutes of the game, when Aledo edged ahead and won. (The only sour note of the day). By the way, the crowd had increased tremendously by this time.

Half-time entertainment was exciting and colorful. Smith Bros. provided beautiful new '61 Chevies for the four royal ladies to ride around the field to the tune, "It Had to be You", played by the Gorman Band. Then, escorted to the center of the Band formed heart and presented bouquets of red roses were Coming Home Queen Christine Hudson Kinser escorted by her husband, Ralph Kinser; Band Sweetheart Tomasine Whitt escorted by Band Vice President Russell Fuller, Homecoming Queen Merla Ray Miller escorted by Senior Class President Charles Reeves and Jackie Simpson. Assisting by presenting flowers were Exes' President Bill Parr, Band President Kay Craddock, Drum Major Mary Thompson and Pep Leaders Kay and Nell Browning, Mary Shell, and Sue Huff, and Band Director Alton Roan.

Most everyone went from the game to one of the two receptions for more talk and fun and refreshments. Time seemed to be jet-propelled all day. As both people and time became quite exhausted, good-nights began to ring out. Write me, some were heard to say. And see you next year was heard every where.

Those registered from out-of-town were:

## Panthers Edged By Aledo; Open District At Jim Ned

Most Panther football fans would agree today that a high school football game should be just a few minutes shorter because the Aledo Bearcats scored in the dying seconds of the second and fourth periods to spoil the homecoming for the Gorman Panthers.

The Panthers came out in the first quarter real strong, showing the best offensive work of the season, scoring two touchdowns in the first half. Sparking the offense in the backfield were Jim Rodgers, Harold Rodgers, Jackie

Simpson, Gene Simmons, Glenn Scitern, and Joe Harrison, racing 26 yards for the Panthers first tally.

Doing some fine blocking during both drives were ends Nathan Files and Gene Snider; guards James Blackshear and Terry Shell; tackles Charles Reeves and Butch Boyd, and center, Jerry Shugart.

Again in the second quarter Joe Harrison went 23 yards for Gorman's second tally. The try for two extra points were made by Gene Simmons showing some real power at fullback, but the Panthers were offside and were penalized 5 yards and the next play failed.

With only a few moments left in the first half Aledo's passing game worked for a long gainer to the Panther one yard line and just as time ran out they sneaked across for their first tally and their extra points try failed, making the score 12-6 at the half.

In the second half the Panthers were not able to score but held the Bearcats with their stout defensive work. But faith would have it with less than one minute left quarterback Bill Robinson fired a 36 yard desperation pass to end James Rogers to tie the score at 12-12 and for the extra two points Robinson passed to Bob Brown and they went ahead 14-12.

The Panthers came back strong and were moving the ball when time ran out on them.

The Panthers again displayed good defensive, and the best offensive, efforts of the season. Their pass defense was their downfall in this game, but all in all it was a good ball game and every boy played hard and hustled all the way.

The Panthers are preparing for their first conference game next Friday night when they journey to Jim Ned to take on the favorite in District 7B. But if the Panthers keep improving and lady luck smiles on them instead of the opponent, they just might beat anybody. We believe the Panthers are determined to play ball and a good game is expected. So lets (as many as possible) follow the boys next Friday night to Jim Ned. Could be we might see an upset.

## GORMAN GETS APPROVAL FOR HOUSING UNITS

The following notice was received from Congressman Omar Burlison on October 8, 1960:

"Gorman, Texas today received from Housing Administrator Norman P. Mason approval of its Program for Community Improvement (Worable Program) through the elimination and prevention of slums and blight.

Formal approval of a workable program is a prerequisite for Federal assistance in the forms of loans and grants for slum clearance and rehabilitation, for public housing, and for liberal types of FHA mortgage insurance for private redevelopment of project areas and for rehousing displaced families.

Thus, while approval of this workable program does not constitute approval of any specific project, or allocation of funds, it does make the community eligible to apply for one or more of the types of Federal assistance mentioned above.

## SERVICES FOR JOHN WOODALL OCTOBER 4

## Cubs Defeat Hamilton; Journey To Comanche

The Gorman Grade School Cubs built up a 16-0 halftime lead Tuesday night and then fought off a determined Hamilton rally to win 24-14.

The Cubs scored early in the game with Fullback Gary Overstreet traveling 48 yards around end. Halfback William Jay added the extra points. In the second quarter Jay scored from 2 yards out after a pass from Overstreet to Jay had put the Cubs in scoring position. Halfback Don Wallace added the extra points.

After the half Hamilton took charge with a good ball carrying and tackling performance by Hamilton's No. "38". Fullback Mike Kornegay. The 140 pounder was making numerous tackles and constantly gaining long yardage advancing the score to 16-14 in favor of the Cubs in the middle of the fourth quarter.

Late in the quarter another Overstreet to Jay pass put the ball on the 15 yard line and Wallace hit for the touchdown from 2 yards out with Overstreet getting the extra points.

The ball handling and play calling of quarterback Mike Foster was excellent along with halfback Jerry Ormsby going into the Cub backfield on several occasions to aid the Cub offense and defense.

The line was led on offense and defense by Tommy Broom, David Kirk, Robert Whitt, Terry Joiner, Mack Sutton, Ronnie Smith, David Hunt, Gerald Scitern, and Dryick Pooock. The Cubs journey to Comanche next Tuesday night to play a highly regarded Comanche team. The Comanche team is the heaviest in the district.

Game time at 7:30 p. m.

CANDIDATES FOR COMING-HOME QUEEN — The following were nominated as candidates for the honor of Coming-Home Queen at the Ex-Students Homecoming Saturday, October 8, 1960: Ruth McKittrick White, Johnnie Mae Leazar Wylie, Grace Jones Nix, Ruth Oldham May, Mildred McDonald McCroan and Christine Hudson Kinser. Mrs. Kinser was chosen as the Queen.

REGISTERING — Odis G. Thompson of Borger receiving his official credentials from Registrars Dorothy Parker Hatcher, Eula Lee Mehaffey Mears, and Johnnie Mae Capers Baze.

MADE LONGEST JOURNEY TO GORMAN — Bill Parr, President of the Ex-Students Association, presenting a gift of peanuts to Her Majesty Queen Christine Kinser, left, and Nina Hudson Groves, right who came all the way from California to attend the Homecoming.

A HUNTING THEY DID GO — Dr. J. B. Brandon, Dick Jay, B. M. Bennett, Preach Horton, Bud Smith; Dr. Dick Hodge of Ranger, Bill Reid, Alameda, and Bob Crider of Monahans were guests of Check Smith on an antelope hunt near Marfa, Texas recently. This picture of the kill was taken on an ice dock.

ARTIST-TEACHER — Mrs. Ruth McKittrick White, who has gained national fame with her paintings, especially snow scenes, has presented a picture to Gorman High School. One may see it in the School Library. Mrs. White has never lost her affection for Gorman and her friends here. She speaks highly of a former teacher, Mr. Makin, whom she says did more to encourage her during her student days than anyone. Mr. Makin would ask her to look at an object through a microscope and then make an enlarged drawing on the blackboard for the rest of the class.

Mrs. White has written several books on Art Work, the latest of which is for beginners which gives the basic principles on how to draw and has illustrations and sketches for the student to study. Aside from the encyclopedia and classics, Mrs. White presented the Progress a copy of this book on art.

**DEATH CARS** - These smashed, blood-stained automobiles are stark reminders that grim, sudden death lurks menacingly along every highway. Above, the crumpled remains of the auto which Arthur Gordon was driving early Thursday morning when it was smashed by a big auto transport truck on U. S. Highway 80 near Thurber. Below, Tyner Garage's wrecker holds the battered station wagon which plunged off State Highway 109 late Friday night and killed Joe Michiel Dyson, Route 1, Desdemona, and Elmer Hudson, Jr., Garland.

Within the fleeting span of less than 48 hours, death-on-wheels snuffed out the lives of three men, two of them residents of this area.

The first of the pair of bloody auto crashes occurred early Thursday morning and was a two-vehicle collision (passenger car and truck) and the second fatal mishap was a one-car accident.

Two of the victims were killed instantly, a third died enroute to a Ranger hospital, and the fourth occupant of the two death cars, still shaken and somewhat shocked, is mighty lucky to be alive today.

Arthur Gordon, 62-year-old Mingus store operator, was killed Thursday morning in a car-truck collision on U. S. Highway 80 near Thurber, in northwest Erath County.

Highway patrolman David Coffee of Stephenville said Gordon, traveling eastward alone in his car, apparently was attempting to turn onto a rural road when a westbound auto transport truck struck the side of the auto, knocking it into a fence alongside the highway.

The truck driver, Jesse Benford Pearson, 39, of Arlington, escaped injury.

Two men died late Friday night when the station wagon in which they were riding plunged off State Highway 108 just west of

Mingus, fell into a creek and burned.

Dead as a result of the spectacular accident were Joe Michiel Dyson, 23, of Route 1, Desdemona, and Elmer Hudson Jr., 28, of Garland.

A third occupant of the car, Arvel Elton Smith Jr., 24, of De Leon, escaped with minor injuries. He was treated at Strawn Hospital and dismissed.

The station wagon went out of control on State Highway 108 about 11:45 p. m. struck a guard post and careened down a 16-

foot embankment, snapping off a mesquite tree in its path.

A crowd gathered after the vehicle ended its plunge in the creek and burst into flames. Hudson, apparently killed instantly, was pulled from the vehicle.

Dyson was thrown about 100 feet from the car and was not found until after Smith told spectators there had been a third person in the car.

Dyson, still alive when found, died enroute to a Ranger hospital.

The station wagon, traveling eastward, was owned and driven by Hudson, a microwave tower contractor for Magnolia Pipe Line Company. Dyson and Smith worked for Hudson.

Dyson was the son of Mr. and Mrs. Foy Dyson of De Leon.

## Ecumenical Mission Is WSCS Topic Tuesday

The Woman's Society of Christian Service met in the Melvin Shell home Tuesday for the third in a series of studies titled "Into One World Together."

The topic discussed was "Ecumenical Mission" with Mrs. Keith Whitt giving the origin of the word "ecumenical" from its Greek root, meaning together, a oneness, same mission or purpose. The term has come into common usage among the Christian Churches during the past three decades, dating from that period when Christians came to realize that denominations greatly confuse peoples of the East. Missionary work of the Western people becomes increasingly more the training of native peoples for preaching and teaching and medical administration in Asia and Africa.

Mrs. Edward Harrison told what the World Christian Churches are doing and Mrs. Marvin Blair spoke on "Our Mission Changed." Mrs. A. A. Brown was leader of the program. Mrs. W. T. Shell gave the devotional "Living One Day at a Time."

The first two sessions of the fall study were given in the homes of Mrs. Keith Whitt and Mrs. Edward Harrison respectively. The Society will meet with Mrs. G. C. Acrea for the closing session Tuesday, October 11th at 9:30 a. m.

Coffee with dainty sweets was served as members arrived.

\$150 SMILES—(l to r) — E. C. Bramlett, Sr., Ag. teacher, Bill McKinnis with Texas Electric; Jackie Simpson, E. C. Bramlett, Jr., and Joe Ed Baze, ag students.

Jackie Simpson, E. C. Bramlett, Jr., and Joe Ed Baze reflect a rather happy mood upon receiving a check for \$150, which the Gorman F. F. A. Chapter won in the Farm Electrification Contest sponsored by Texas Electric Service Company.

Ben McKinnis, Agricultural Representative for Texas Electric in the Eastland District, is shown making the presentation. Mr. Bramlett, the Ag Teacher, is on the left.

Each year Texas Electric gives two cash awards to the F. F. A. Chapters doing the most outstanding job in farm electrifica-

tion in each of their districts. In the course of this type of study, stress is put on ways to use electricity efficiently and safely.

Electricity is enabling today's farmer (both crop and livestock) to compete more favorably. Through the use of automatic equipment and other labor and time-saving devices, today's farmer can produce more units with less labor, increasing his margin of profit.

McKinnis works primarily with farmers and ranchers, and expressed his desire to help rural customers on wiring as well as other electrical problems.

**Which Democratic Platform?**

Which do you prefer: the socialistic, anti-Texas platform of Kennedy — or the Nixon Platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for—it is for nearly everything Texans are against.

What will be your choice? It is between a party label and the best interest of Texas and the Nation.

Allan Shivers says:

"I'LL TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other—the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests.

"I will vote for Richard M. Nixon and Henry Cabot Lodge."

Joe Bennett & Speedy Clark

Most people will agree that last  
week in the Southwest Confer-  
ence Baylor and Texas separated  
the men from the boys. From  
the way Baylor and their three  
R's took care of the Hogs in their  
own back yards makes them the  
most impressive of the young  
season. Beating the Razorbacks  
28-14 and not playing their first  
team much in the second quarter  
seems to indicate that the Bears  
have something to go with that  
"good ole Baylor Line."

Texas downing the Oklahoma  
Sooners 24-0 may not indicate as  
much strength as Baylor because  
in most of the experts opinion  
the Sooners are the weakest team  
ever coached by Bud Wilkinson.  
But by Coach Royal playing  
every player he had it seems to  
indicate that the Longhorns may  
be as strong if not stronger than  
last year. But before any team  
can feel they have the conference  
in the bag, all they have to do is  
remember that this is the South-  
west Conference and the lowest  
man on the totem pole some-  
times knocks off the big 'un. But  
according to the games played so  
far it looks like a tight race be-  
tween Texas and Baylor.

Baylor moved into the No. 7  
spot in the top ten while the  
Longhorns are ranked 11.

## ACCEPT NO SUBSTITUTES

There's only ONE Democratic Party

Only ONE Texan in the Race

John Kennedy and Lyndon Johnson are the men who get  
things done, who believe in strengthening small business,  
encouraging new ventures and greater industrial growth . . .  
and who believe a fair share of the national income is the  
right of every farmer.

Here is Texas' hope for the future . . . to put an end to  
GOP policies that have brought tight money, HIGH  
INTEREST rates, growing business failures, and the cost-  
price squeeze on the farmer.
