State School on her birthday, also at numerous other times. Another subject discussed was the sale of candy by each member - proceeds to pay for two water fountains already purchased for the grade school. We would like to express our appreciation to each one who has helped us in this project and we would also mention that we have a "few" bars of candy ye to be sold.

As is customary, the nominating committee presented the following names for officers for the club year '61-'62: President, Mrs. Ray Rankin; Vice-President, Mrs. Graydon Baze; Secretary, Mrs. The minutes were then read James Miears; Treasurer, Mrs.

The program was next on the agenda with Mrs. Dorothy Hatcher giving her part on "Our First Lady," Jacqueline Kennedy. She told of her background before her marriage, her influence in the fashion world, her children, and her outlook of becoming "Our First Lady". There were pictures shown with each topic discussed which made the program very interesting.

Mrs. Berenice Jeffs gave "Mrs. Vice-President" - of our own Mrs. Claudia Alta Taylor Johnson of Texas. She told of how Mrs. Johnson acquired the nickname "Lady Bird" from a colored maid. Something else interesting to note was that beginning in 1840, that president and each one elected at twenty year intervals since, have died or been assassinated while in office. We can only hope that history will not repeat itself in this respect, even though Texas would have liked to have owned | our "First Lady".

Now came the time of peace and quiet - that is, while we were enjoying the delicious refreshment plate served by the hostess. Mrs. Wheeler, we enjoyed your lovely new home, too!
