Its purpose is to find each evening at 7:30 with preach- out which hymns Progress readers (and Americans everywhere) enjoy singing and hearing — as The church extends to you a well as to encourage hymn singing in homes and churches

> throughout the country. Hymn singing has been a dynamic force for American family and community strength since colonial days. For some years after the end of World War II, however, interest in hymn singing declined. But as a result of Bill McVey's Christian Herald Hymn

Under the direction of Rev. Dr. The bride's parents were the man, Mr. and Mrs. Carson Loving, Daniel A. Poling, editor of Christ-Lingleville, and Mr. and Mrs. Billy ian Herald, hymn sings with Bill McVey have been held in many states, attracting audiences as large as 6,500 people.

The Progress and Christian Herald believe the family that sings together lives in greater harmony. Hymns selected by readers of the Progress and readers of newspapers across the country in the National Newspapers Hymn Poll will be the religious songs that have had the greatest personal meaning to them since childhood.

Last year McVey and Christian Herald conducted a survey of more than 30,000 people to determine their interest in hymn singing in America. Many newspapers printed the results and editors of Christian Herald magazine received thousands of letters from churchgoers and ministers who expressed renewed faith in hymn singing as a vital force for bringing families closer together and closer to God.

But a controversy arose shortly after the results were printed......

After World War II Billy be- PROGRESS JOINS CHRISTIAN | Many people felt the old hymns came a teacher of business admin- HERALD IN NATIONAL STUDY best expressed their faith and directly portrayed the great stories What is America's favorite of the Bible. Others believed the newer gospel songs with their The Gorman Progress joins strong melodies had greater ap-

This controversy was reflected in the popularity of "The Old A native of Gorman, he had finitive survey to determine the Rugged Cross" and "How Great Thou Art."

"The Old Rugged Cross," a hymn that vividly describes how the cross has been the symbol of brotherhood and love for ages, ranked first. "How Great Thou Art," a gospel song praising God's power, was selected by many church groups as better suited to

the tempo of our times. Our National Newspapers Hymn Poll should end this dispute and determine which hymns have the most meaning for American

churchgoers today. Each vote submitted in the coast-to-coast survey will be tabulated by Audience Analysts, Inc., a leading independent research organization. The Progress will publish a list of favorites in this area and compare them with na-

tional results. Please use pencil or ball-point pen to print the name of your favorite hymn on the ballot. Mail it today so your vote is sure to be counted. And remember to add your full name and address, clearly printed, so we will be able to send you our gift of the inspiring 64-page book, "Hymn Thoughts for the Day" by Bill

and representation and representation of the second second

Back in Genesis, the 23rd Chapter -

.... there is recorded one of the early-day real estate transactions. Sarah had died at the age of 127, and Abraham bargained for and finally bought a field containing a cave for her last resting place. While there is no direct mention of an abstract, the evidence is clear that Abraham got a good title in the purchase. Time changes many things, for better or for worse, but the caution used by Abraham still prevails. The title was important then, it's more so now.

GORMAN

NOW'S THE TIME to save more truck dollars on the more-for-your-dollar trucks!

Your truck dollars are worth a whole lot more at your Chevrolet dealer's right now! First off, you get a head start on saving because summer's the saving season. Then, with a harder working, easier riding Chevy truck, you're set to save every mile you haul. And, finally, at trade-in time, you can expect an extra dividend because of Chevy's traditionally higher resale value. What could be better?

Fleetside Pickup and Series 60 with high rack

Summer's the season to get extra mileage from your dollars on the trucks built to give you extra miles of hauling. With Independent Front Suspension, Chevrolet trucks keep going thousands of miles longer because far less destructive jar and shake are transmitted through the truck. Chevy I.F.S. trucks work harder, too, in areas where other trucks have to be pampered. And, with Chevy's wide choice of thrifty 6 and hardy V8 power, you can tailor your truck exactly to your job. So how can you miss-especially now during the summer saving season?

THE ALL ELECTRIC

DOES BOTH JOBS AUTOMATICALLY ... WITH ONE SETTING OF THE THERMOSTATIC CONTROLS

Year-round indoor climate control is completely automatic with the All-Electric Heat Pump. The same central system unit that cools your home in summer also heats it in winter, using only air and electricity. In hot weather, the Heat Pump extracts heat from indoor air and pumps it outside. In cold weather, the Heat Pump automatically reverses itself. It extracts heat from outdoor air (even when it's below freezing) and pumps it into your home. And during changeable weather, the Heat Pump switches automatically from cooling to heating or back again, as needed, to maintain the temperature you like best. You just set the thermostatic controls once and enjoy perfect comfort the year round. See your air conditioning contractor soon . . . or call Texas Electric Service Company for complete information.

TEXAS ELECTRIC

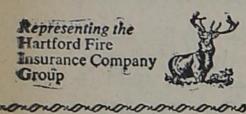

A home built in 1943 for \$10,000 would cost at least \$21,000 to replace today. Building costs have more than doubled since 1943!

Why not find out now how much it would cost you to replace your home at today's costs? We'll gladly sit down and go over your policies with you . . . tell you how much insurance protection your home should have. There's no obligation for this service, and it may give you a new slant on the value of your home. Come in today, for your own peace of mind.
