Corbell Receives Conservation Award

Kenneth Corbell was named the Outstanding Conservation Farmer by the Directors of the Blackwater Soil and Water Conservation District, Henry Stoneham presented the award to him at the annual Chamber of Commerce banquet.

Corbell and his wife, Evelyn, have two daughters, Trena and Celia. The Corbell family farms in the Maple and Enochs communities in the south part of Bailey County. They own and operate 506 acres of dry and irrigated cropland and rent an additional 708 acres of land. He was cited by the directors for his efforts in the use of his irrigation water and the control of wind erosion through the use of cover crops and sprinkler irrigation system. Corbell has a limited amount of water but by installing underground

pipeline and sprinkler irrigation system, he has been able to double the use of his irrigation water. He controls wind erosion on land where needed by over-seeding with cover crops of small grain. On his dryland he constructed a system of parallel terraces to control water erosion and keep the rain where it falls.

Corbell not only practices own land, but is always willing to assist his neighbors with theirs.

Through the efforts of families such as the Corbell family, we Americans live in a land of plenty where little is actually realized of the pollution problems some areas face today, stated Stoneham.

Corbell will represent the Blackwater Valley Soil and Water Conservation District as their outstanding conservation farmer in the Texas Conservation Awards Program and in the Goodyear Conservation Award program.

DEE CLEMENTS

Dee Clements Announces Candidacy

S. D. "Dee" Clements, in announcing his candidacy for Bailey County Sheriff stated "I wish to take this opportunity to announce my candidacy for Bailey County Sheriff in the election which will be held this year.

While serving as your sheriff during the past several years, I have really appreciated the help and cooperation that you, the people of Bailey County, have given me in enforcing the law.

During the years I have served in the sheriff's office, law enforcement had undergone major changes, with professional law choosing an officer. With the changes in law enforcement, I have made every effort to keep the officers in the sheriff's department as well-trained as practical to provide you with the best protection possible.

I have enjoyed serving you as sheriff in the past and would appreciate the opportunity to further serve you in the next elective term."

Jack Young Files For Re-election

This paper has been authorized to announce that Jack Young will seek re-election as District Attorney of the 154th Judicial District of Texas, composed of Lamb, Bales and Parmer Counties.

Young said, "I would like to take this means and opportunity to announce my candidacy for re-election as District Attorney for the 154th Judicial District of Texas. I appreciated the confidence that the people of Lamb, Bailey and Parmer Counties have shown in me in the past by electing me their District Attorney, and pledge my continued effort in the fight for law and order."

Jack Young is a candidate in the Democratic Primary to be held May 6, 1972.

Fires Reported Wednesday

The Bailey County Volunteer Fire Department had a busy day Wednesday fighting two fires.

Three units were called out at 12:30 p.m. to Melvin Seymour's on the West Camp road where some burrs caught fire. The fire spread to a nearby haystack on the John Rogers place and the fire department worked at the location until 2 p.m.

At 6 p.m., a barn on the Doyle Eubanks farm caught fire and

president, R.A. Bradley, right during the annual banquet. A crowd estimated at 300 people listened as Dr. McFarland urged citizens to start at home to revive and keep the true American spirit.

Livestock Show Rules Released

The Bailey County Junior Livestock Show has been scheduled for February 17, 18, and 19 in the bus barn at Muleshoe High School.

Any boy or girl who is a member of the 4-H, FFA or FHA whose projects are supervised by the County Agent or Vocational Agriculture teachers of Bailey County and attend school in Bailey County is eligible to show in the Bailey County Show. Club members must own and have their animals in their care not later than December 1, 1971.

Each exhibitor is limited to three hogs which may be barrows, gilts or any combination of same. Each exhibitor may also show three lambs which may be ewes or wethers or any combination of the same and two beef animals which may be steers, heifers or any combination of the same.

Livestock permitted to show are as follows: Lambs must be carrying milk teeth on show day; lamb classes will be fine wool, fine wool cross, medium wool cross and Southdown and Southdown cross. There are not regu-

lations on shearing. Breeding gilts must be purebred, farrowed after July 15, 1971 weigh at least 170 pounds on arrival for the show. Gilt classes will be by breeds. Judges will disqualify completely clipped gilts. Clipping ears, tails and underlines will be permitted but gilts must meet breed requirements for registration. Barrows will show by breeds when eight or more of a breed arrive at the show. Breeds of seven or under will show grouped together as one breed. Barrows may be purebred or crossbred with all crosses grouped as a breed of hogs. Only barrows weighing over 170 pounds and under 250 pounds will remain for the show. Breeds of barrows will be equally divided into weight divisions.

Beef division is restricted to purebred heifers and purebred steers and crossbred steers of beef breeds carrying milk teeth on show day. Steers 725 pounds and over will be weighted and equally divided into light, medium and heavy classes. Calves must be gentle and halter broken to the satisfaction of the superintendent. Steers weighing less than 725 pounds will be grouped into one class and paid the same premium scale applied to hogs and sheep, and first prize will not compete for Grand Champion.

The premium list is as follows: Heifer and Steer Classes—First, \$70; second, \$50; third \$40; fourth, \$30; fifth, \$20; sixth, \$10; seventh, \$8; eighth, \$6; ninth, \$4; tenth, \$4; 11th, \$4 and 12th, \$4; the Grand Champion Steer, \$100 and the Reserve Grand Champion Steer, \$50.00. Barrow, gilt, lamb and feeder steer classes will conform to the following pay scale that varies as numbers in classes vary: Classes of 10 or more animals: First, \$30; second, \$25; third, \$20; fourth, \$15; fifth, \$10; sixth, \$5; seventh, \$4; eighth, \$4; ninth, \$3; 10th, \$3; 11th, \$2; and 12th, \$2.

Classes of six to nine animals: First, \$25; second, \$20; third, \$15; fourth, \$10; fifth, \$4; sixth, \$4; seventh, \$3; eighth, \$2; and ninth, \$2.

Classes of five or less animals: First, \$15; second, \$10; third, \$4; and fourth, \$3.

The Grand Champion Barrow, \$25; Grand Champion Lamb, \$25; Grand Champion Gilt, \$25; Reserve Grand Barrow,

\$15; and Reserved Grand Gilt, \$15.

Arrival of livestock at the show will be from 1 p.m. to 6 p.m. February 17. Judging of lambs starts the Show at 9 a.m. on February 18. Immediately following the lamb show will be the purebred gilt show with breeds shown alphabetically. Following the gilts will be the barrow, heifer and steer shows.

The following directors are responsible for the proper conduct of the show: Loyd Throckmorton, chairman; Donald Harrison, Eugene Black, Leon Lewis, Bob Newton, Gordon Murrain, Reuel Kirby, Lewis Scoggin, Guy Kendall, and Pete Black, secretary-treasurer.

The board of directors reserves the right to adjust all prize money in accordance with funds available and are not responsible for any accident or injury to persons or property while performing their duties.

"3.76 In '76" Week Set For January 16-22

Governor Preston Smith has proclaimed the week of January 17 through the 23 as "3.76 in '76 Week".

The current state-wide program to increase agricultural income in Texas to \$3.76 billion in 1976 is geared to help the agriculture industry, but what does it mean to the consumer?

"Consumers are concerned with an assurance of adequate food supply, and 3.76 in '76 is a program of growth," says Dr. W.E. Black, Extension economist-management at Texas A & M University. He adds that the program is important because the increasing population must be fed on a decreasing amount of land used for agricultural production.

"Guidelines in the program are meant to increase production and improve quality," Dr. Black says of the project which seeks to increase cash receipts to agriculture by one billion dollars at the end of the 1976 crop year.

The increase in production

Crowd Of Over 300 Hears Dr. McFarland

"You can do something about it" was the challenge made by Dr. Kenneth McFarland, speaker at the 22nd annual Muleshoe Chamber of Commerce Banquet held Thursday evening, January 13, in the Muleshoe High School cafeteria.

Dr. McFarland, who has been called the "Voice of America", challenged the people to do something about America's problems, beginning at home. He told an estimated crowd of 300 at the banquet that the trouble with young people today was a lack of teaching. He stated that just because a person is born an American, he still has to be taught the American system and philosophy. "The whole American system has to be sold, or it will all be lost", the speaker said.

Rev. Doug DuBose served as master of ceremonies at the banquet. Outgoing Chamber of Commerce President Frank Ellis reviewed his past year and turned over the gavel to incoming president R.A. Bradley. Ellis also presented plaques to the outgoing directors, Neal Dillman, Bill Wimberly, Hane Poyner and Don Harmon. Bradley then presented Ellis with a plaque for his service to the Chamber during his year as president.

Henry Stoneham of the Bailey County ASC office presented the Soil Conservation Farmer of the Year Award to Kenneth Corbell.

Muleshoe Mayor Irvin St. Clair introduced the out-of-town guests which included State Senator and Mrs. Max Sherman of Amarillo and State Representative and Mrs. Bill Clayton of Springlake.

Pat Keesee, the Chamber of Commerce Secretary and president of the Ladies Auxiliary, was in charge of the decorations for the banquet which were done in a patriotic red, white and blue theme with political posters of the new president, outgoing president and speaker hanging from the ceiling.

Wayland Ethridge provided dinner music at the piano and accompanied Jerry Hoover as he sang "God Bless America". Dr. McFarland was introduced to the audience by Robert L. Jones.

The speaker touched on the one issue in America that citizens fear—the breakdown of law and order. He told the audience that "you have to decide on what kind of law enforcement you have and to have good officials they must have your support to produce efficiently".

He challenged the audience by asking "Who elects your judges? Who elects your school board? Who runs your churches?" He reminded the audience that national problems do have local solutions, but some-

one has to do something about it.

The American Home was a subject brought up by the speaker when he asked the question "Where are the homes of America?". He stated that one half of the crimes are committed by young people still living at home. He advocated Parent Power and said to "turn it on" because if parents would stand up for law and order and teach respect for it and the courts in the home, one half of the crime problems could be solved.

In the closing minutes of his talk, in speaking of Americanism, he challenged the audience again by asking "If you don't believe it, how are you going to sell it?"

The two are traveling from Pontiac, Michigan to California in dune cycles which can only travel at speeds up to 40 miles per hour. Chamber of Commerce President R.A. Bradley presented each of the travelers with a plaque welcoming them to Muleshoe.

MRS. JAMES CUNNINGHAM

Mrs. Cunningham Is Shower Honoree

Mrs. James Cunningham, the former Toni Trevino, was honored with a bridal shower Wednesday, January 12 at the Bailey County Law Enforcement Center.

Mrs. Cunningham was assisted in opening the gifts by her husband's mother, Mrs. R. B. Cunningham.

Refreshments of white cake, yellow punch and coffee were served from a table laid with

a white lace cloth over avocado. The centerpiece was an arrangement of yellow and blue flowers, accented by greenery. Mr. Bud Street and Mrs. Jack Milburn presided at the refreshment table.

Hostesses were Mrs. Jack Milburn, Mrs. Forrest Williams, Mrs. Dee Clements, Mrs. Howard Solawn, Mrs. Bud Street, Mrs. Ruth Briscoe, Mary Ann Gallegos and Cleta Williams.

Sanders, Williams Vows Exchanged

Miss Carol June Sanders and David Wayne Williams were married January 1, 1972, in Juarez, Mexico. The vows were repeated in a marriage ceremony performed by Rev. Bob Robbins on January 7 at 6:30 p.m. at the First Baptist Church in Levelland.

The bride is the daughter of Mr. and Mrs. Stanley Sanders of Levelland, and the groom is the son of Mr. and Mrs. Billy Williams of Muleshoe.

Bridal attendants for the Levelland ceremony were Miss Joella McLean and Mrs. Carla Baldwin, sister of the bride, of Levelland. Serving his brother as best man was Billy Don Williams of Muleshoe. A cousin, Jackie Williams, of Levelland, was groomsman.

Following the ceremony a reception was held at the home of Mr. and Mrs. Homer Shifflett of Levelland. The bride's chosen colors of blue and white were used in the decor for the reception.

The couple will be at home at 111-B Hickory Street in Levelland.

Williams is a 1971 graduate of Muleshoe High School and Mrs. Williams is presently attending Levelland High School.

Out of town guests at the wedding included Mr. and Mrs. Billy Williams, Billy Don and Terry, Mr. and Mrs. Gary Smith, Mrs. Virgil Williams and Miss Viola Jackson, all of Muleshoe, and Mr. and Mrs. James Hayes of Lubbock.

WEEKLY RECIPE

Sarah Anne Sheridan

Pork has been a staple food for years and most folks have their own favorite ways of fixing it. Pineapple adds that special flavor to pork chops.

Hawaiian Pork Chops

- 4 pork chops
- 1/4 c vinegar
- 1/2 c catchup
- 9 oz. can crushed pineapple
- 1 T soy sauce
- 3 T brown sugar
- 1/2 t salt
- 2 c cooked rice

Trim a little fat from the edge of pork chops and fry out in a heavy skillet. Remove pieces. Flour chops and brown in hot fat. Combine remaining ingredients. Spoon fat from skillet and pour catchup mixture over and around chops. Cover and cook over low heat 1 1/4 hours or until very tender. Spoon sauce over chops once or twice during cooking and add a little water as needed. Serve chops and sauce with cooked rice.

Young Homemakers Hear Sewing Tips

The Muleshoe Young Homemakers met Thursday, January 13 at 4 p.m. in the homemaking department of Muleshoe High School.

Mrs. Jimmy White, president, called the meeting to order. The devotional was given by Mrs. Elmer Downing. A program on sewing tips was presented by Mrs. Robin Taylor, Bailey County Home Demonstration Agent.

A report was given on the Nursing Home Bazaar, which was co-sponsored by the Young Homemakers. The \$40 earned from the sale of baked goods at the Bazaar was used to buy Christmas gifts for Nursing Home residents.

A new secretary, Mrs. Pat Vinson, was elected. Mrs. Jerry Harrison, March of Dimes Chairman for Bailey County, reported on plans for the Bailey County Drive.

Members attending the meeting were Mrs. Elmer Downing, Mrs. Bobby Newman, Mrs. Willie James, Mrs. Jimmy White, Mrs. Robert Hunt, Mrs. Kenneth Powell and Mrs. Pat Vinson. Two sponsors, Mrs. Jay Harbin and Mrs. Roland McCormick, also attended. Guests present were Mrs. Robin Taylor and Mrs. Jerry Harrison.

Beta Sigma Phi Elects Valentine Queen

Alpha Zeta Pi, Chapter of Beta Sigma Phi met Tuesday, January 4 at 8 p.m. in the home of Mrs. Red Johnson.

The routine business meeting was presided over by the president, Mrs. Max King. A report was given on the two needy families helped by the Sorority at Christmas. A report was also heard on the Christmas party the Sorority gave the special education class at Richard Hills Elementary School, refreshments and individual gifts were furnished by the Sorority.

The Valentine Queen was voted on by secret ballot, and will be revealed at the Valentine Ball February 12. Last year's Valentine Queen, Mrs. Wayne Gregory, counted the votes and will crown the new queen.

The program, "Poetry Into Music", was presented by Mrs.

Glen Watkins and Mrs. John Agee. A background on the topic was given, and several old favorite, patriotic and religious poems that had been set to music were read. The poems are now known as songs.

Hostesses for the occasion were Mrs. Merlyn Neel and Mrs. Joe King. Refreshments of cherry pie, snacks, coffee and coke were served to the following members: Mrs. John Neil Agee, Mrs. C.J. Feagley, Mrs. Wayne Gregory, Mrs. Marcia Henry, Mrs. Tom Jinks, Mrs. Dick Johnson, Mrs. Max King, Mrs. Paul Poyner, Mrs. Don Rempe, Mrs. Eric Smith, Mrs. Benny Splawn, Mrs. Royce Turner, Mrs. Glen Watkins, Mrs. Jerry Don Glover, Mrs. Delbert Barry and Mrs. Marshall Lee.

The next meeting will be January 18 in the home of Mrs. Tom Jinks.

New Programs To Promote Cattle Industry In Texas

AUSTIN--Texas, already Number One in the nation in exports of beef cattle, will show further gains in the coming years due to several programs being promoted by the Texas Department of Agriculture.

Texas Agriculture Commissioner John C. White outlined these projects now being conducted by TDA to expand cattle exports:

1. Personal contacts by TDA personnel in lining up buyers and sellers of cattle for foreign purchases.
2. New export handling facilities to be built at a half dozen locations in the state.
3. A tour of Mexican government officials under auspices of TDA personnel to the Houston, Sulphur Springs, Panhandle and San Antonio areas of the state January 12 to 14.

Recently, about 200 head of dairy cattle were shipped from Central Texas to Mexico as a result of TDA personnel contacting Mexican buyers and getting them in touch with Texas producers. Included in the shipment are Holstein and Jersey dairy cattle.

The cattle were shipped from the Evans Reese Auction Service barns near Waco. "It is an operation such as this through the private trade channels and through the Texas Department of Agriculture programs that give us a sound basis for further expansion of livestock exports to foreign countries," White said.

"We hear a lot about imports of the exotic breeds to this country, but our cattle, too, are in much demand by foreign countries for upgrading their herds," White explained.

The Texas livestock export business amounted to more than \$12.5 million in 1970.

The Texas Legislature appropriated about \$750,000 for construction of the new export facilities. Present shipping pens have been condemned.

Specifications for new facilities...

and cash receipts will benefit the consumer as well as the producer. Food prices will undoubtedly reflect an increased efficiency in production and marketing as costly practices in current use are improved or eliminated.

Technology in production and food preparation will be reflected in food prices, although cost of individual items will also be determined by the amount of preparation before purchase by the consumer. This would include special services such as pre-cooking and speciality packaging.

Farmers will gear their production to specific markets that are dictated by consumers' preferences. This in turn will provide consumers with higher quality foods in greater amounts at stable prices.

Life can be enjoyed by all people who are willing to accept it patiently.

Congressman Bob Price

Congressman Bob Price today received word that the Office of Management and Budget has approved an additional \$55 1/2 million for the 1972 Rural Environmental Assistance Program. Congressman Price commented, "I am pleased that the Administration has responded to the needs of farmers and ranchers throughout the country by making available the full amount of funds appropriated for this important program." Price pointed out that he supported the appropriation of the full \$195.5 million for the REAP program when it was considered in the House.

The decision to release the funds was made in response to growing indications from across the country that farmers are willing to match, or exceed, the

additional investment in soil and water conservation and pollution prevention and abatement practices. Under REAP the Federal Government shares, generally on a 50-50 basis, the cost of such practices in the effort to solve rural environmental problems for the primary benefit of the total rural community and the public.

REAP is administered by the Agricultural Stabilization and Conservation Service through its farmer-elected committees. The Soil Conservation Service, Forest Service, and Extension Service provide technical and educational assistance.

Congressman Price concluded, "This program has been of great benefit to our Northwest Texas area farmers and ranchers both in applying sound con-

servation measures and providing a supplemental source of income, and I am delighted to receive this good news."

In a telegram to Secretary of Agriculture, Earl L. Butz, Congressman Bob Price called for the development and announcement of an additional wheat diversion program for 1972.

Congressman Price pointed out that current projections for wheat production indicates that farmers will be faced with a surplus in 1972 which would be considerably larger than the surplus crop of the 1971 year. The Congressman emphasized that the 1971 wheat crop produced 128 million bushels more than the 1970 crop and that there are currently 3.5 million acres more of winter wheat under production that at this time last year.

The Congressman concluded, "It is evident that unless some action is taken we will be faced with a near record crop, resulting in an unacceptable reduction in farm prices."

On another matter, Congressman Price today received word from the Department of Agriculture that Rural Environmen-

tal Assistance Program funds for the State of Texas for 1972 will total \$17,450,000. This amount is \$5 million more than originally had been approved, and came about as a result of a decision by the Office of Management and Budget to approve nationally an additional \$55.5 million for the 1972 REAP Program. The amount approved for Texas in 1972 now compares favorably with the 1971 REAP funds which totalled \$13,496,000.

REAP funds are used for soil and water conservation and pollution prevention and abatement practices, and are administered by the Agricultural Stabilization and Conservation Service through its farmer-elected committees.

Congressman Price commented, I have continued to support the REAP Program in the Congress and am pleased that these funds will be made available to the benefit of our Northwest Texas area farmers and ranchers, both in applying sound conservation measures and for providing them with a supplemental source of income."

Miss Withrow, Smith Wed In Littlefield Ceremony

Double ring vows performed December 30 at 3 p.m. in the Crescent Park Church of Christ in Littlefield united in marriage Miss Sherry Tylene Withrow of

Sudan and Jerry Stephen Smith of Brownfield. Willard Cox officiated at the ceremony. Parents of the couple are Mr. and Mrs. J.C. Withrow, Sudan and Mr. and Mrs. Raymond Smith, Brownfield.

The altar was decorated with an ornamental tree, flanked by large baskets of yellow mums. Wedding selections were provided by Alvis Jones and a choral group from the Crescent Park Church of Christ.

The bride, given in marriage by her father, wore a formal length gown of white bridal satin, accented with appliques of re-embroidered lace and seed pearls. The gown featured an empire bodice with rounded neckline and bell sleeves. The skirt fell into a chapel length train. The shoulder length veil of illusion fell from a bandeau of seed pearls. The bride carried a white bouquet tied with streamers atop a Bible.

Miss Jodi Withrow of Sudan served as her sister's maid of honor. Bridesmaids were Miss Sue Ann Smith, sister of the groom, of Brownfield and Miss Jackie Withrow, sister of the bride, of Sudan.

The groom, a graduate of Brownfield High School, is also a senior at Abilene Christian College. He is a member of the National Speleological Society in the Abilene Grotto.

The Progress Home Demonstration Club met in the home of Mrs. Ernest Bass, Tuesday, January 11 at 2 p.m.

The meeting was opened with the "Beatitudes," given by the hostess. The president, Mrs. Harold Mardis, presided over the business meeting. The annual spring District II meeting will be held in Plainview March 28. The Bailey County Home Demonstration Council chairman, Mrs. W. E. Meyers, was elected delegate, with Mrs. Ernest Bass as alternate.

Out of town wedding guests were from Bula, Sudan, Lubbock, Brownfield, Abilene, Waco, Dallas, Ackerly, Tokio, Spearman, Olton, Stanton and Deming, N.M.

The next club meeting was changed from January 18 to January 25 at the Muleshoe State Bank community room with the program to be on Arthritis. Mrs. Mardis invites everyone interested in Arthritis to attend.

The bridal attendants wore formal length, yellow crepe dresses. The attendants shoulder length headpieces were of yellow net attached to yellow satin bows. They each carried a long stemmed white carnation.

A rehearsal luncheon was given by the bridegroom's parents on Wednesday, December 29 following a morning rehearsal.

Mrs. Albert Davis presented a program on "Driver Education," with members answering roll call with "A Driving Experience I Have Had."

Following the ceremony, a reception was held in the Willie Room of the Rural Electrification Association building. The bride's table was covered with a white lace cloth over yellow, centered with a bouquet of yellow flowers. A three

tiered wedding cake and the punch were served from crystal appointments. The groom's table was covered with a white linen cloth and was centered with a yellow candle. Chocolate cake and coffee were served from the groom's table. Presiding at the refreshment tables were Mrs. Joe Price, sister of the bride, Miss Vicky Bartley and Miss Jeannie Swenson. Guests were registered by Mrs. Price.

Those present for the meeting were Aliene Chapman, Lyndell Galt, Druclilla Hutton, Chloe Klutts, Frieda Lowe, Opal McCelvey, Betty Parkman, Maxine Ragsdale, Sammie Simence of the president, Chloris Tarlton was elected reporter, Ann Stegall, Chloris Tarlton, Ruby Waldrip and the hostess.

The refreshment table was laid with white lace over yellow and centered with a yellow and white floral arrangement. Jodie and Jackie Withrow and Helen Black presided at the serving table. Yellow punch and white cake were served. Entertainment for the evening was given by a group

of musicians on the guitar and banjo, John Dunn, Forrest Martin, Forrest Moore, Otis Witcher, and J. D. Rowland, with Betty Harlan at the piano. Miss Sharron Wilson, a school mate of Sherry's at Abilene Christian College played on the guitar and sang, "I've Been Everywhere, Man".

"THE RESERVE"

"The Reserve" — to some it means a standby military unit or perhaps the Federal Reserve Board.

To us, "reserve" means the supply of electricity we have left after you, industry, business and public authorities have used all the electricity you want. We've never had a blackout in the area we serve by reason of not having enough left. We've always made sure that there would be plenty for your use... an adequate reserve.

And, that's why we're projecting an investment of \$144 million over the next five years. To be certain there will be an adequate reserve left after you use what you want. To be certain new industry coming into our area will have the electric power it needs to operate and so make jobs — jobs that contribute to economic well being for our customers.

Hospital Auxiliary Committees Report On Recent Projects

The Muleshoe Hospital and Nursing Home Auxiliary met in regular session Wednesday, January 12 in the dining room of the Nursing Home. The meeting was called to order by the president, Mrs. J.E. McVicker. The group read the Auxiliary prayer in unison, led by Mrs. McVicker. Mrs. Gordon Wilson, secretary, read the minutes of the last meeting which was September 18, and called the roll.

Reports were made by the standing committees.

Mrs. Charles Lewis, chairman of the Memorial committee, reported to the group that the plaque, which is inscribed "Muleshoe Hospital Auxiliary expresses appreciation for the generosity of these donors who have liberally contributed to the West Plains Memorial Hospital, Nursing Home Complex" has been received. As soon as the donors names are engraved on it, it will be hung in the lobby of the hospital. This completes a project that was begun in the spring of 1969. Mrs. Lewis also told the group about the Memorial Fund which is available. To give a memorial in memory of one deceased, or in honor of one living, the gift may be sent to Mrs. Lewis, and she will notify the family.

Mrs. Gary Miller, chairman of the Vending Machines committee, reported that the Auxiliary is buying these machines, which are more than half paid for. These machines make a nice profit each month, all of which goes to the Auxiliary to buy needed items and equipment for the Hospital and Nursing Home. Auxiliary members service them daily.

Mrs. Robert Hooten chairman of the Membership committee, announced plans for a membership drive soon. Members are needed in the Auxiliary, in all areas, but especially in the sewing department, reported Mrs. Hooten. She further stated that is hoped that some people might be interested in some work behind the scenes, and this would involve mending, etc. for both the Hospital and the Nursing Home.

Mrs. Calvin Embry, chair-

man of the Nursing Home Shampoo Room committee, stated that the Auxiliary gave small bottles of perfume to each patient and nurse in the Nursing Home for Christmas.

The following reports were made by special committees: Mrs. Clarence Mason chairman of the holiday tables committee, reported that decorated tables were set up in the lobby of the Hospital and Nursing Home from which coffee, punch and cookies were served all day to the patients, doctors and staff.

Mrs. Calvin Embry reported that six new tables were born during Christmas week and were sent home from the Hospital in red Christmas stockings made by Auxiliary members.

Mrs. Ivan Woodard reported that the "Project: Christmas Card" was a success, and the Auxiliary expresses their appreciation to the people of Muleshoe who participated in it. The \$1000 that was made on the project will be pledged toward a day room for the Nursing Home.

Several other projects were voted on to be done by the Auxiliary. Mrs. Hooten heads a committee which will make new curtains for the Hospital. She will set aside a work day and the Auxiliary group will meet and spend one entire day making the curtains and hanging them. To further brighten the hospital rooms, Mrs. Oscar Allison will head a drive to collect pictures to hang on the walls. Holders for the names of Hospital patients and Nursing Home residents is another project soon to be completed. These holders will be placed on the doors of the rooms. The Auxiliary voted to install loud speakers in the Nursing Home to carry FM music into every hallway. An AM-FM radio was donated by Mr. and Mrs. Gene McGlaun and much of the expense of the loud speaker installation has been donated by Muleshoe Antenna Company making the cost to the Auxiliary nominal. Mrs. McVicker reports that the Auxiliary appreciates this help.

Mrs. Harold Allison was appointed chairman of a committee

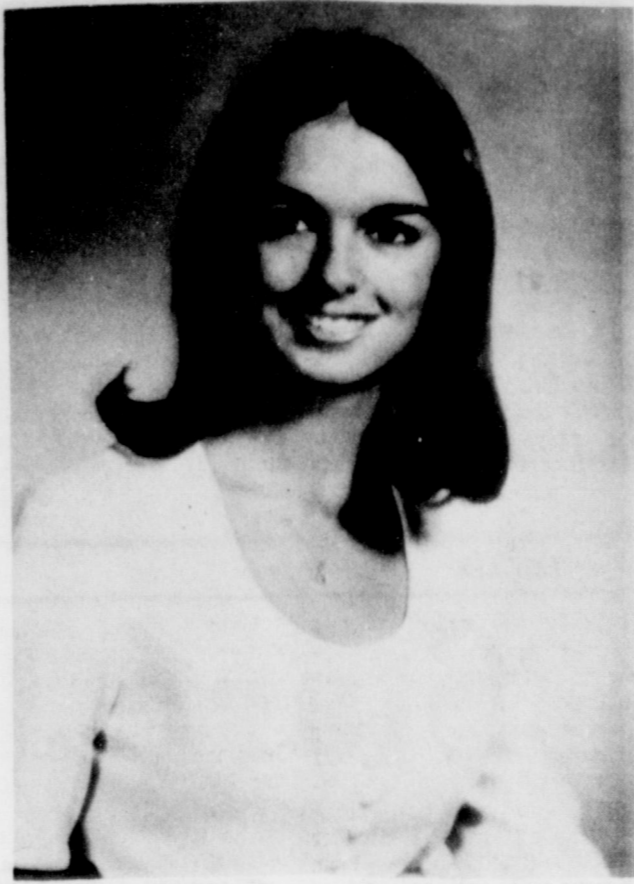

composed of Mrs. Clarence Mason, Mrs. Jerry Gleason, and Mrs. Gene McGlaun to make plans for a workshop conducted by a team from the Mental Health and Retardation Center in Plainview. More will be announced on this at a later date.

The Auxiliary will sponsor a Bridge Tournament in March. Mrs. Doyce Turner is chairman, with Mrs. Travis Bessire, Mrs. Dick Chitwood, Mrs. Charles Flowers, Mrs. Buck Campbell and Mrs. Gene McGuireas committee members. The details will be announced soon.

The State Hospital Auxiliary Association Convention is to be May 21-23 in Ft. Worth. The Auxiliary group voted to send two delegates.

Attending the meeting were 17 members, Mrs. Clarence Mason, Mrs. Dorothy Green, Mrs. Gene McGlaun, Mrs. Charles Lewis, Mrs. Gordon Wilson, Mrs. Jerry Gleason, Mrs. Robert Hooten, Mrs. Calvin Embry, Mrs. Alex Williams, Mrs. J.E. McVicker, Mrs. Harold Allison, Mrs. Herb Ramage, Mrs. Ivan Woodard, Mrs. Clinton Kennedy, Mrs. Mabel Caldwell, Mrs. Oscar Allison, Mrs. Gary Miller, and one new member, Rosemary Pool.

The next meeting of the Hospital Auxiliary will be in April, at which time new officers will be elected.

ENGAGEMENT REVEALED . . . Mr. and Mrs. Guy Kendall, Muleshoe, announce the engagement of their daughter, Darla, to Terry Trapp, son of Mr. and Mrs. Doyle Trapp of Malta, Texas. Miss Kendall is a graduate of Muleshoe High School and is a student at West Texas State University. Trapp is a graduate of DeKalb High School. The couple plans an early June wedding.

A doctor who operates on himself has a fool for a patient.

It's an old saying, but it's never made more sense. There are some jobs in life that you just don't tackle by yourself. The preparation of your income tax should be one of them.

And that's where H & R Block, The Income Tax People, come in. H & R Block is America's largest tax service with more than 6,000 conveniently located offices to serve you. Your H & R Block representative is specially trained and can provide information on legitimate income tax benefits and opportunities that the average man on the street doesn't even know exists.

For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging?" And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

H & R Block's charges start at \$5 and last year averaged under \$12.50 for over 7 million returns we prepared. And, if we make any error in the preparation of your tax return that costs you any interest or penalty on additional taxes due, while we do not assume the liability for the additional taxes, we will pay that interest and penalty.

Our one time fee entitles you to year round tax service and assistance.

Come to the company that more than 7 million Americans placed their confidence in last year. Come to the people who will fill out your next income tax return efficiently, quickly, confidentially. Come to H & R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.

more of its markets to competing fibers unless there is a sizable increase in the 1972-73 cotton crop.

But conversations with USDA officials and Department writings indicate that the Department believes increased production will come about in spite of program provisions almost identical to those of 1971. The thinking is that favorable cotton prices this year and prospects for good prices in 1972-73, coupled with not-so-favorable prices for some other crops that compete with cotton for acreage, will induce farmers to produce all the cotton that is needed.

The USDA goal, apparently, is to see around 13 million or so acres planted, from which they would expect production of a little more than 12 million bales. One paper prepared for discussion by the Department states this would be "an amount which would maintain adequate supplies at what we believe will be acceptable market prices, and add perhaps 8000,000 bales or so to carry over stocks."

The paper goes on to say "There is some reason to believe that a production increase much above this level could work against cotton's best interests through serious price erosion. What we strive for--and what producers should aim for--is a more balanced situation, i.e., that production which can be assimilated by the cotton system at tolerable, acceptable prices."

Johnson points out that 13 million acres would be only a modest increase from this year's 12.3 million, and that most in the industry will agree that such a goal can be reached without giving producers any further incentive than is offered by the cotton program as announced and by market prices.

The bone of contention lies in the feeling by many in the industry that 13 million acres may not be enough to assure an adequate, balanced supply for cotton's U.S. and foreign customer's.

Johnson states that "It is impossible to say with any degree of certainty whether USDA's 13 million acre goal is the right goal, because it is impossible to predict what the production will be from that acreage. But as producers we are in total agreement with the Department's objective of a 'more balanced situation' in which we produce enough to supply our markets without seriously depressing prices."

Ostensibly USDA is holding off on final cotton program decisions until after they see the results of this month's planting intentions survey, which should be available January 27.

"But unless the survey shows something drastically different from what can be reasonably expected," Johnson says "there are strong indications that the cotton program will be left as it was announced last October."

Tolerance isn't a matter of conversation; it's the business of living.

Many hard-of-hearing persons are not aware of their handicap. A person who habitually turns his head to one side when listening to a speaker is exhibiting a possible hearing loss danger sign.

There are widespread rumors, even expectations, that the U.S. Department of Agriculture may in the next few weeks announce significant changes in provisions of the 1972 cotton program.

Most persistent is speculation that the base cotton allotments may be increased, the percentage of allotments required to be "set aside" may be reduced, or that cotton planting may be permitted on set-aside acres.
