

HULLS

by Kernef Gene, aPe

Thanks to Mrs. Tidwell for the letter. If more people would express their opinion and take an active part in civic affairs and politics - oh, well, some of us have dreams and some have not. I have two pictures and an article which will be published next week. I hope it will inspire you as it did me.

Traveling around the county this week I found a restlessness among people that is good. Could it be that people are beginning to think? Could it be that there is a re-kindling of human desires to slow the tide of socialism and other isms that seem to be sweeping across our nation? Could it be that more people are tired of giving aid to communistic countries while they are telling us it won't be long before our way of life will crumble?

Several people have inquired about the consolidation of our high schools. One question asked: "If a district votes for non-consolidation will they be forced to consolidate if the other districts vote for consolidation?"

Visited with Mr. H. R. Garrett, County School Supt., Wednesday. He stated that each district would have the option of accepting or rejecting the consolidation. I will have more specific information on this consolidation project before an election is held.

Glenda Pennington Wed To Ray Price

Miss Glenda Dale Pennington became the bride of Mr. Ray Price in a beautiful ceremony solemnized January 27, 1962 in the parsonage home of Mr. and Mrs. John Goble, Gorman Church of Christ minister. The bride is daughter of Mr. and Mrs. Dick Pennington of Gorman, and the groom is the son of Mr. and Mrs. W. J. Price of Dublin. Mr. Gary Adams of Eastland Church of Christ performed the ceremony in a setting of white with orchid color accents.

The bride was attired in tan with brown accessories. Her corsage was a beautiful one of pink gladiolus.

A reception was held immediately following the ceremony. A large group of friends and relatives were served orchid color punch and bridal cake from the beautifully arranged table. The white cutwork table cover was centered with a lovely arrangement of orchid gladiolus. The white cake was topped with the traditional bride and groom.

Miss Nell Browning presided at the bride's book registering the guests. Serving at the bride's table were Misses Barbara Overstreet and Carolyn Scitern. They were attired in orchid color dresses.

Mr. and Mrs. Price left immediately following the reception on a short wedding trip.

Glenda graduated from Gorman High School in 1961 and has been attending Abilene Christian College. Ray attended Dublin Schools.

The couple will reside in Stephenville where Mr. Price is employed with Poston Feed Co.

Funeral Services Mrs. Jack Moore Held On Tuesday

Funeral services for Mrs. Jack Moore, were held in Haskell on Tuesday.

Mrs. Moore formerly lived at Gorman, in the Indian Mountain Community.

Those attending the services from Gorman were Doyle and Euell Poyner and Mesdames Dean Bennett, Ava Mason and Era Maupin.

Miss Lynda Jo Hallmark Becomes Bride of Jerry DeLoyn Singleton

MRS. JERRY DELOYN SINGLETON

Rites read amid candlelight and greenery on January 20 at 8 p. m. in the De Leon First Baptist Church united in marriage Miss Lynda Jo Hallmark and Jerry DeLoyn Singleton.

Rex G. Tilley, minister of the Goldthwaite Church of Christ, officiated. Wedding music was rendered by Miss Carol Hatcher, organist, of Gorman. Solos, "Because", "Always", and "The Lord's Prayer", were presented by Mr. Al Strasner and Mrs. Kathy George, both of De Leon.

The bride is the daughter of Mr. and Mrs. T. J. Hallmark and the bridegroom is the son of Mr. and Mrs. De Loyn Singleton, all of De Leon.

Kenneth Pressley, cousin of the groom, served as best man. Groomsmen were Larry Bunting, cousin of the groom, and Grady West. Ushers were Tommy Butler, Craig Waller, David Coan, and Tommy Singleton, cousin of the groom. All were from De Leon.

Miss Bennie Coan of Stephenville was maid of honor and Misses Pat McCormick and Pamela Pittman of De Leon were bridesmaids.

The bride, given in marriage by her father, wore a floor length gown of imported hand-clipped chantilly lace over white satin fitted bodice with sabrina neckline and long tapered sleeves. The gown was complimented by a butterfly bow in back detailed by three cabbage roses, and the skirt swept back into a chapel length train with three more white satin cabbage roses.

Her headpiece featured scalloped edges of pearls and finger tip veil of silk illusion. The bride's bouquet was a yellow throated orchid and stephanotis with streamers tied in love knots atop a lace covered white Bible that was a gift of the bridegroom's grandmother. She wore a gold wedding band belonging to her great-grandmother and a single strand of pearls, a wedding gift of the groom.

The bride's attendants were attired in peach silk organza over peach taffeta with fitted bodice and bouffante skirts. Each wore brief halo hats of matching silk organza, shoes and gloves dyed to match, and carried a bouquet of white feathered carnations on a large plume with lilies of the valley.

For her daughter's wedding, Mrs. Hallmark chose a blue brocade design sheath dress with a matching coat and silver accessories. Her attire was complimented by a white carnation corsage. Mrs. Singleton, mother of the groom, wore a tan taffeta and silk organza dress with gold accessories and a white carnation

corsage. Immediately following the ceremony, the reception was held in the basement of the church. Miss Joni Coan of Stephenville presided at the register table with the bride's book. This setting of white net over satin was centered with an arrangement of white stock.

The bride's table was laid with all white, the cover of white net overskirt over satin was adorned with white satin bows centered with rosettes at the edges, centered with an arrangement of white stock in a white satin ring with white wedding bells and ribbons of white revealing Lynda and Jerry written in silver. The beautiful four tiered wedding cake of white with peach flowers was topped with the traditional miniature bride and groom. Presiding at the silver coffee service and serving the wedding cake were members of the house party, Miss Pat McCormick and Miss Pamela Pittman, assisted by Mesdames Eldon Terrill, Jack Stephens, M. O. Branum, Al Strasner and Miss Charlotte Strasner.

For a short wedding trip to Salado and Waco, Mrs. Singleton wore a beige brocade dress, tan fur jacket, and dyed to match lime green accessories. Both Lynda and Jerry are graduates of De Leon High School. They will be at home in Lubbock where Jerry is enrolled in Texas Tech.

Hardie and I pay as much (or more) taxes as the average tax payer in these districts and for our part we would like to see the children have a chance at a top education. We feel that everyone should put aside any selfish motive that he might have and think first of the children.

One thing about this country of ours is that everyone is entitled to his own beliefs and are free to speak freely. That is what I have done. This is what I believe. Thank you.

Yours very truly,
Mrs. J. H. Tidwell

Carbon M.O.D. Benefit Musical Hits \$117.47 Mark

Mrs. Gaylon Warren, March of Dimes Chairman at Carbon, reported the Community Musical Benefit held on Saturday night in the Carbon High School Auditorium, was well attended and everyone had a wonderful time. The sum of money raised for the March of Dimes was \$117.47, far and above expectations.

Mrs. Warren wishes to thank everyone who had a part in making the event a success.

LOCAL BOYS ENLIST IN THE NAVY THIS WEEK

Charles Rodgers, son of Mr. and Mrs. Ray Rodgers, Billy Gray, son of Mr. and Mrs. H. E. Gray, and Don Everton, son of Mr. and Mrs. E. W. Everton of Rt. 1, Eastland, left Tuesday for Dallas where they will enlist in the U. S. Navy.

Mr. and Mrs. J. S. Ripley and children were Stock Show visitors Sunday.

A letter To The Editor

Desdemona, Texas
January 27, 1962

Dear Mr. Baker:

I have been reading, in the Progress, the articles written by various people concerning the cost, etc., of the proposed county wide high school, which would give the children in this area the advantage of a triple A school. As you have always been very cooperative in presenting the views from both sides of an issue, I would like to give my views as a taxpayer of this county.

First, I would like to give you one of the reasons for my stand on the question. Having only been able to complete high school and having no college work myself, education, to me, is of the utmost importance. As many of you know, Hardie and I have sent our children to the Stephenville Schools for the past ten and one half years. In order to do this, we have maintained two homes, lived apart for the most part of this time, and I have commuted to the farm daily, a distance of twenty-six miles one way. This has cost us several thousand dollars, besides the inconvenience of being apart. We have no regrets. Stephenville is a triple A school and a good one. I never realized that there was so much difference in a triple A and a class B school until I saw the difference for myself.

I read in this weeks paper the terrible cost of the buildings, etc., for this new school. Did anyone ever stop to think what it would cost to put these six schools up to the academic standard of a triple A school (even if it were possible)? Do these schools in question give adequate training in science, foreign languages, advanced mathematics, etc.? I am afraid that they are sadly lacking academically when compared to a triple A school. Also did anyone ever stop to figure the cost per pupil for what education they are getting? Personally, I want what I am paying for. In this world that is moving so fast, our leaders of tomorrow are going to have to be tops in the field. If we keep our country great and FREE we are going to have to produce top scientists, mathematicians, and tops in every field and to do this, these children are going to have to have the very best basic training and that has to be gained in our public schools. Many of the children in this area have the ability to be tops in their field if given the proper chance. I am for giving them the chance.

As to the advantage, I think that having a top school would help attract more industry into our county. That is one of the first things that a company looks for in choosing a site for new industry. They want top school facilities for their employees children. This has all come about too late to be of any help to me in educating my children as my last one is almost through with public schools, but I certainly would like to see the other children given the best in education. That is their American heritage.

Any information you can give on the early days of the fire department would also be appreciated. Contact the Progress Office or see Mrs. M. H. Fairbetter.

ALSO — Remember to notify the Progress or Mrs. Fairbetter of your 50th wedding anniversaries, weddings and senior citizens birthday celebrations. We will need to know at least two weeks before the dates in order to get information and pictures.

Mr. Capers makes the sixth candidate in the Commissioners race in Precinct Two.

Palamino Club Elect New Officers

The Palamino Club held its first meeting at the Progress Library on Friday afternoon, January 26. Plans for the club were discussed with several good suggestions submitted but no action was taken. SCHOOL CONSOLIDATION TALKS PLANNED

Eastland Telegram — A discussion of the proposed consolidation of six Eastland County school districts will be held Thursday, February 8th, at 7:30 p. m. in the Texas Electric Service Co. Auditorium, Attorney Bill Crocker has said.

Taking part in the panel discussion will be Supt. Wendell Seibert, Mayor Cyrus Frost, Crocker and others. The public is invited.

FINAL RITES FOR CORA PARK ON THURSDAY

Funeral services were held on Thursday, January 25, 1962, in the First Baptist Church of De Leon for Mrs. Cora Mae Park with the Rev. Pat Cummings officiating, assisted by the Rev. Jack Shaw.

Mrs. Park was born February 15, 1896, in Bosque County, Texas, and passed away January 14, 1962 in the Blackwell Hospital, being 65 years, 11 months, and 9 days of age.

She had lived in Comanche County 60 years and was a member of the Robinson Springs Baptist Church.

Mrs. Park was preceded in death by her husband, Mr. C. W. Park, on April 13, 1960.

Survivors include three sons, L. V. Park and Durwood Park of De Leon and Norman Park of Gorman; three daughters, Mrs. Charlene Partain of San Diego, Calif., Mrs. Imogene Bishop of Ft. Worth, and Mrs. Barbara Coan of De Leon; two brothers, Carl Lowery of Loraine and Earl Lowery of Stephenville; one sister, Mrs. Linnie Shankle of Stephenville; one aunt, Mrs. Mary Gilbreth of Dublin; nine grandchildren, and a host of other relatives and friends.

Music was rendered by a quartet consisting of Mrs. E. P. Cummings, Jimmy Duncan, Dean Gardner and Homer Hafford with Mrs. C. L. Mohon, Sr. at the organ.

Pallbearers were Jim Koonce, Troy Waller, A. J. Stewart, Milton Forrest, Nickly Clark, and Henry Paul Spencer.

Interment was in the De Leon Cemetery.

Early Day Fire Department Pictures Needed

The Progress and Mrs. M. H. Fairbetter are working on an article of the Gorman Volunteer Fire Department for the Progress and Star-Telegram and could use some early day pictures. If any one has any of the old city well or the bucket brigade you would lend us for cuts, we would be happy to hear from you and the pictures would be returned, of course.

Mr. Capers makes the sixth candidate in the Commissioners race in Precinct Two.

J. C. Woods Home Damaged By Fire

The J. C. Woods home, located about one mile and a half east of Gorman, was partially damaged by fire on Monday afternoon. A grass fire got out of control and set fire to a small building near the house and spread to the back portion of the house.

Mrs. John Warren happened by just as the fire reached the house, and her quick action in turning in the alarm and the promptness of the fire department, prevented major damage.

The kitchen was the only room damaged by the fire but the house had considerable water damage.

The next meeting will be held February 9th and the group will read the book, "Big Black Stallion." After the meeting the club members went to Mehaffey Drug for refreshments. We want to thank Mr. Baker for making our pictures and for the use of the Progress Library.

SCREW-WORM ERADICATION MEET SET FOR GORMAN FEB. 5

All persons in the Gorman trade area who own livestock of any kind are invited and urged to attend a meeting at 7:00 p. m. next Monday, February 5, to be held at the Gorman Fire Hall. The purpose of the meeting will be to have fully explained the program of the Southwest Animal Health Research Foundation for the eradication of screw-worms throughout the State of Texas.

438 POLL TAX RECEIPTS PAID IN GORMAN

A total of 438 poll tax receipts were issued by E. E. Todd, who handled the tax sales at the sub station in Gorman. According to Mr. Todd this is a record number to be issued, at least in the past several years.

This is not all of the poll taxes that were paid by Gorman citizens as some were paid in Eastland.

There are a number of important offices to be filled in our city, county and state this year, and we hope all these people that have their poll tax receipts will exercise their rights and vote when elections are held.

Lonnie Capers In Race For Precinct Two Commissioner

Mr. Lonnie (L. E.) Capers has authorized the Progress to announce his candidacy for the office of County Commissioner of Precinct Two in the forthcoming May 5th Democratic Primary.

Mr. Capers stated that he would make a formal statement at a later date.

J. C. Woods Home Damaged By Fire

The J. C. Woods home, located about one mile and a half east of Gorman, was partially damaged by fire on Monday afternoon. A grass fire got out of control and set fire to a small building near the house and spread to the back portion of the house.

Mrs. John Warren happened by just as the fire reached the house, and her quick action in turning in the alarm and the promptness of the fire department, prevented major damage.

The kitchen was the only room damaged by the fire but the house had considerable water damage.

Mr. Ed Harrison, recently elected president of the Gorman Chapter of this program, hopes to have 75 livestock producers present at this meeting so that the help of as many farmers in this area as possible can be enlisted.

Harrison explains that the Texas program will be patterned after the successful Florida plan which has resulted in almost 100% elimination of the screw-worm problem in that state. It is further explained that meetings of this type are being conducted in every area of Texas at this time.

J. M. Cooper, County Agricultural Agent, has announced that Dr. Stallworth, of the Texas Animal Health Commission in Austin, will be present to help explain the program and answer any questions which may arise.

The importance of widespread participation in this most important program cannot be over-emphasized. Remember - if you own cattle, sheep, goats, swine, horses, or other type of livestock, it is important that you attend this meeting.

Ed Harrison has informed us that the Gorman Businessmen's Club will provide refreshments for all persons attending this meeting.

Gorman Student Nominated For Military Academy

WASHINGTON, D. C. — Rep. Omar Burleson of Anson Tuesday announced the nomination of 30 young men for appointments to the three service academies. One is a Gorman student.

The Gorman student, who was nominated on the first slate for the Military Academy, is Kenneth Phil Puckett, of Rt. 1, De Leon. Two more on the first slate were from Abilene and one from Hamilton.

Burleson said he submitted one slate of 11 to the Air Force Academy and two slates of 11 and 8, respectively, to the Naval and Military Academies. One from each slate will be chosen by the academies after competitive examinations.

Last Rites For John Porter, 58, Held At Lometa

Funeral services for Mr. John Porter, 58, were held on Saturday, January 27, in Lometa.

Mr. Porter passed away Friday following a lengthy illness.

A long-time resident of Lometa, Mr. Porter lived in Gorman for several months some years ago, and was a barber in the Davis Smith Barber Shop.

He is survived by his wife; one daughter, Anna Lee; his parents, Mr. and Mrs. George Porter of Gorman; four brothers, Floyd, Sam, and Clyde of Lometa, and Stanley of Gorman; and two sisters, Mrs. Roy Kinser of Gorman and Mrs. Clyde Cornwell of Seminole.

NEW STARR PEANUTS YIELD MORE DOLLARS PER ACRE, STARR FINDS

The new Starr variety of peanuts had a better dollar yield per acre than other varieties during the past year. That's the verdict of the man for whom the variety of Spanish peanuts was named — W. B. Starr of the Mitchell Community, southwest of Cisco, Texas.

The above picture shows Mr. Starr sitting on a sack of Starr peanuts and with the crop yield of two acres — one planted in Starr peanuts and another in Spantex peanuts. The two acres were in the same field and were planted at the same time with the same kind and amount of fertilizer.

The yield for the acre was 24 sacks of Spantex and 28 sacks of Starr peanuts. Mr. Starr is shown with the Starr peanuts and with the four extra sacks in front of the big pile of sacks.

The Starr acre had 1,730 pounds that brought \$196.87 as compared with the Spantex acre with 1,440 pounds bringing \$160.72. The Starr peanuts graded 73 per cent, while Spantex had a grade of 74 per cent.

The Starr's Highland Springs farm, operated by Mr. Starr and his son, Lee, had an allotment of 167 acres last fall, one of the largest in Eastland County. Twelve of the acres were planted in the Starr variety. The Starr seed were limited.

The Starrs saved 9,300 pounds of seed from their Starr acres for planting next spring.

Other peanuts grown by the Starrs were marketed mostly at Farm & Ranch Supply in Cisco with some going to Rising Star.

Mr. Starr estimated their 1961 crop at 38 bushels per acre. They lost about nine bushels per acre due to the rainy weather, he figured.

The Starr peanuts were developed at the Texas A&M College Experiment Station at Stephenville and named for Mr. Starr, long-time Cisco and Eastland County civic and farm leader.

Signup Opens For Boy Scout Week 1962 Feed Grain Set For Feb. 7-13

Growers of corn and grain sorghum may sign up under the 1962 feed grain program during the period February 5 through March 30, William F. Bryant, Chairman, Comanche County Agricultural Stabilization and Conservation County Committee, announced recently.

Operation of the program, the Chairman explained, will be similar to the 1961 feed grain program.

Likewise, its objectives are the same — (1) to increase farm income; (2) to further reduce the excess feed grain stocks; (3) to reduce Government costs of farm programs; (4) to reduce the risk of serious overproduction of meat, poultry, and dairy products; and (5) to assure consumers of fair and stable prices for these products.

All producers of corn and grain sorghum are eligible to take part in the feed grain program, which calls for the diversion of acreage formerly planted to one or more of these crops into an approved soil-conserving use. The program is voluntary, but program participation by farmers who produce these feed grain crops is required if they want to be eligible for price support on their feed grain crops, including oats and rye.

Mr. Bryant said that for corn and grain sorghum, there must be a minimum reduction of 20 per cent from the farm's 1959-60 average acreage of these crops and the producer must not exceed the farm's barley base. For barley, there must be a minimum reduction of 20 per cent in the farm's average 1959-60 barley acreage, and the producer must not exceed the farm's corn and grain sorghum base.

Producers of oats and rye will be eligible for 1962-crop price support if they comply with either the corn-grain sorghum program or the barley program.

The 979 Cub Scouts, Boy Scouts and Explorers of the Northeast District of the Comanche Trail Council of the Boy Scouts of America, will observe the 52nd anniversary of the movement during Boy Scout Week, February 7-13.

They will join with nearly 5,200,000 other members of the movement in every part of the nation in recommitting themselves to the Scout Oath and Law on Thursday evening, February 8, the actual birthday of Scouting. This ceremony will take place at unit meetings. If the unit does not meet on Thursday night the boys will recommit to the Scout Oath and Law in their own homes in the presence of their parents.

Observed nationally by over 130,000 Scouting units in every city and town plus countless villages and hamlets as well, Boy Scout Week is the largest single birthday observance by young Americans.

"This year," says Claude Boles of Eastland, District Scout Commissioner, "we will recognize the scouting families in our District. We feel that families make a great contribution both to scouting and the American way of life."

Throughout the Northeast District, which includes Scouting in Eastland, Stephens, and Erath Counties, plus De Leon in Comanche County and Eliasville and Woodson, Scouting units will honor parents of Scouts at unit meetings, in numerous cases these will be pot luck dinners. At these functions "typical" Scouting families will be honored for their many years of activities in Scouting.

Recognizing Boy Scout Sunday, February 11, Cub Scouts, Boy Scouts, and Explorers of the Northeast District of the Comanche Trail Council, will attend services in uniform with their families, in the church of their choice.

State Soil Testing Lab Expanded

College Station, Tex. — The increasing interest in soil testing, as the foundation for soil improving programs and the resulting increase in the number of soil samples submitted to the State Laboratory, has necessitated expansion of the facilities, said Dr. R. E. Patterson, Dean of Agriculture at Texas A&M College.

Dean Patterson added farmers and ranchmen have found that crop and pasture yields can be increased by following recommendations supplied by the Laboratory. Soil tests will determine the proper amounts and kinds of fertilizers, and limestone required for profitable production.

The new laboratory, located on the second floor of the College's Old Creamery Building, was put into operation immediately after the move on October 26. It will continue to be operated by the Texas Agricultural Extension Service with Extension Soil Chemist W. F. Bennett in charge.

In commenting on the new facility, Extension Director John E. Hutchison said, "the new laboratory will enable us to provide better service to the agriculturists of the state. The new quarters will provide additional space and increase the capacity of the laboratory."

In addition to the State Laboratory, the Extension Service also operates facilities at Seymour and Lubbock. During the past year, September, 1960 through August, 1961, the three labs handled 13,987 soil samples. Harris county was high with 702 samples submitted. Castro, Parmer, Lamb, Hale and Wilbarger counties followed in that order. Samples were also received and tested from seven other states and from Mexico, Brazil, Argentina, The Bahamas and Vir-

Final Rites For Bishop Craddock Held On Friday

Mr. Bishop (Blackie) Craddock, 56, of Midland, former Honolulu Oil Company general superintendent and a familiar figure in South Plains oil circles, died at 9 a. m. Thursday, January 25 at his home in Midland.

Services were held at 3 p. m. Friday in Sundown First Baptist Church with the Rev. Gaston Green, pastor, officiating. Burial was in Resthaven Memorial Park in Lubbock.

Craddock is former chairman of the 650-member South Plains Chapter of the American Petroleum Institute and was a charter member of that organization. He first was employed as a gauger for Honolulu. He later was named field superintendent, then general superintendent. He retired last year.

Craddock was a native of Gorman. He moved to Sundown in 1937 and became active in civic affairs. He was a member of the Sundown First Baptist Church, the Sundown Oddfellows Lodge and the Lions Club. He moved to Midland in 1958.

Survivors include his wife; one son, David, of Odessa; one daughter, Miss Barbara Jane Craddock of Midland; four brothers, Wade Craddock, Grand Prairie, Lonnie, Joe and W. A. Craddock, all of Sundown; three sisters, Mrs. E. A. Lasater, Sundown, Mrs. J. D. Ragland, Frankel City and Mrs. Scottie Crone, Spearhead, Alaska; and one grandchild.

Pallbearers were R. F. Ferguson, A. S. Donnelly, Clint Edwards, R. C. Tucker and George R. Hoy, all of Midland, and Howard Shaw, Bishop Keeling and Bert Guerry, all of Levelland.

Richmon-Johnson Vows Exchanged In Church Ceremony January 20th.

MR. AND MRS. JACKIE JOHNSON

Miss Nancy Richmon became the bride Mr. Jackie Johnson in a beautiful double-ring ceremony held at the Church of Christ at Downing on Saturday evening, January 20th at 8 p. m. The bride is the daughter of Mr. and Mrs. L. M. Richmon of De Leon, and granddaughter of Mr. and Mrs. Lon T. Stewart of Brownwood. The groom is the son of Mr. and Mrs. Harvey Johnson, also of De Leon. Minister Moore Eubanks of Goldthwaite performed the ceremony.

Green palms, an archway banked with greenery, white wedding bells, ribbon, and gladioli, tall baskets of white gladioli and orchid mums, and floor candle-

abra bearing white lighted candles formed a background for the bridal party during the ceremony. Mrs. Geneva Wilson, sister of the bride, played traditional wedding music on the organ before a large and quiet host of friends and relatives. The music consisted of "The Lord's Prayer", "Because", "The Wedding March", and "Bridal Chorus".

Master Garry Powell, nephew of the bride, and Master Gary Golden, nephew of the groom, served as candlelighters, and Miss Brenda Nowlin served as flower girl.

Given in marriage by her father, the bride wore a ballerina length dress of lace and tulle over satin,

designed and made by the bride's sister, Mrs. Reta Hood. The full skirt of tulle was accented by a wide border of lace which was brought to a gradual point in the front. The fitted bodice was pointed at the waist and was accented at the neckline with beaded scallops. The long sleeves came to a graceful point over her wrists and were also outlined by pearls. A tiara of pearls and sequins held her finger-tip veil of illusion. She carried white orchids surrounded by stephanotis on a white Bible. The bride also wore a necklace and earrings featuring glittering stones, a gift of the groom. Nancy carried out the traditional something old, something new, something borrowed and something blue, with a penny in her shoe.

Mrs. Reta Hood, the bride's sister, was matron of honor. She wore an orchid dress featuring a full chiffon overskirt and a satin bow at the waist. Reta wore an orchid satin hat fashioned after the bride's, and covered with a short veil of orchid illusion. She carried a matching colonial bouquet of carnations.

Mr. John Ray Johnson of Midland, brother of the groom, served as best man. The wedding guests were seated by Mr. L. W. Richmon of Brownwood, brother of the bride, and Mr. Bobby Browning of Gorman, nephew of the groom. Miss Agatha Johnson of Midland and Miss Kathy Browning of Gorman, nieces of the groom, registered the guests.

The bride's mother wore a white tweed dress accented by a black velvet belt and buttons with black and white accessories and a white carnation corsage. The groom's mother wore a taupe brown dress with self-made belt and buttons with black accessories and a white variation corsage.

A reception was held at the home of the bride's parents. The

table was covered with a lace tablecloth over white, with wide white ribbon streamers bearing the names Nancy and Jackie. The cake was three-tiered with miniature bride and groom. Misses Freda Loudermilk and Kathy Browning served the reception guests.

For going away, the bride wore an orchid two-piece suit of wool suiting with white gloves and hat with black cobra shoes and bag and wore an orchid corsage.

After a short wedding trip, Mr. and Mrs. Johnson make their home at 705 East Ross Street, De Leon.

Farmers Union News

Reporter, Arnold Butler

The Comanche County Farmer's Union held its regular meeting on Thursday, January 18, 1962, in the library at De Leon. About sixty members and wives attended.

Jack Straub, president, called the meeting to order. All of the officers and members of the Board of Directors were present.

The President introduced the Texas Farmer's Union President, Jay Naman of Waco. He made a very good talk on the Farmer's Union, what it does, and the things for which it stands.

During the intermission there was entertainment by a string band from Tarleton State College in Stephenville. The music was enjoyed by everyone. Soft drinks, coffee, and cookies were served.

The meeting was then called back to order, and Mrs. Wooten continued her speech. "Red" Mad- aux, from Waco, was then introduced and talked about the things that the Farmer's Union has done for its members as a whole.

The meeting was closed and everyone commented on how they had enjoyed the meeting and the music by the band from Tarleton.

All members and prospective members and their wives are urged to attend the next meeting, which will be held at the Comanche Courthouse on February 15 at 7:30 p. m. Jay Naman, president of the TFU will be present and we hope to see all the members of the Comanche County Farmer's Union.

IS THERE AN ALTERNATIVE TO THE COLD WAR SITUATION?

By Omar Burleson, M. C., 17th District, Texas

WASHINGTON, D. C. - IN A RECENT ADDRESS here in Washington, the noted columnist Walter Lippmann referred to the "Frustrations of our Time."

HE MENTIONED A CHRISTMAS MESSAGE from a friend who said of 1961, "Another year of frustration, confusion and compromise is about over."

THERE ARE, OF COURSE, MILLIONS who are experiencing a frustration and confusion, the exact quality of which has never been known before.

THERE WAS A TIME WHEN WAR was an ultimate and a last solution to changes because of religion, social, economic, political and legal conditions. This is no longer the case in a situation where opposing forces have weapons of such destructive force that neither side would win. Unlike 16 or 17 years ago, war is no longer a useable instrument for national purposes. It is as Mr. Eisenhower said, "There is no alternative to peace." On the other hand, considering the kind of world in which we live, there are conditions demanded by our adversaries, worse than war.

BUT IS THERE AN ALTERNATIVE to both these propositions? I think there is.

ON SEPTEMBER 22, 1961, I introduced a Resolution which I think is and should be an immediate first step to achieve the alternative.

IT IS AS FOLLOWS:

Whereas it is recognized through out the world that a cold war exists between the free nations and the Communist bloc nations;

Whereas foreign aid in various forms has been a principal instrument of United States foreign policy in combating its adversaries in the cold war; and

Whereas the United States has depended upon an appreciation by assisted nations for a quid pro quo; and

Whereas there is evidenced a lack of response on the part of many nations to cooperate in opposing international communism; and

Whereas recognizing such failure and recognizing the inevitability of the cold war continuing through decades to come; and

Whereas the Communist bloc nations are a disciplined bloc to trade only to their advantage with the free nations of the world; and

Whereas many free and uncommitted nations, by reason of their

5000 BARGAINS and some extras at Eppler's Army and Navy Surplus Store.

failure or unwillingness to recognize the international Communist menace, both in ideology and in physical aggression, maintain trade relations with, and thereby contribute to the strength of, the Communist bloc:

Now, therefore, be it Resolved by the House of Representatives (the Senate concurring), That it is the sense of the Congress that it is urgent that the present foreign policy of the United States of America be altered to definitely define the cold war and to identify those nations willing to assume responsibility in winning it by (1) agreeing to strict economic sanctions against all nations dominated by international communism, and (2) by agreeing to the cessation of all trade intercourse with the Communist bloc nations.

Section 2. It is further the sense of the Congress that the United States of America should (1) call for a convention of all nations willing to cooperate for the purpose of ending all trade with the Communist bloc nations, and (2) should apply sanctions to those nations dominated by a Communist regime, and all other nations who furnish goods or materials of whatever nature to said Communist bloc, including re-shipment of transshipment, received from nations agreeing to apply economic sanctions to Communist bloc nations.

THIS SORT OF ACTION may supercede the United Nations and all other international organizations. It would cause all to stand up and be counted. It would identify those who are serious about the life and death struggle of the cold war. It would put us and nations of a like mind on the offensive and get us out of the timid defensive position which has been our practice since World War II. It would be the immediate first major action to bring us out of frustration, confusion, compromise, and indecision.

IN MY OPINION, IT IS THE ALTERNATIVE.

Bridal Shower Tuesday Honors Mrs. Ray Price

Mrs. Ray Price, (nee Glenda Pennington) was honored with a miscellaneous gift coffee Tuesday morning in the home of Mrs. George Rodgers. Co-hostesses for the occasion were Mesdames Dick Foster, John Goble, Vernon Files, Fred Rogers, T. Y. Gregg, V. E. Overstreet, Henry Scitern, and Luke Palmer.

As the guests arrived they were greeted by Mrs. Rodgers who then presented them to the honoree. Also in the receiving line were the honoree's mother, Mrs. Dick Pennington, the groom's mother, Mrs. W. J. Price, his aunt, Mrs. Arthur Price, and cousin, Mrs. Lee Price.

Guests were registered in the bride's book by Miss Nell Browning, then directed to the bedroom where the many beautiful gifts were displayed. Miss Barbara Overstreet helped everyone see all the gifts, then showed them to the dining table to be served. The table was laid with an ecru lace cloth, centered with an arrangement of orchid flowers and white tapers.

Coffee and donuts were served to the many friends of Glenda's who came to bring gifts and wish her well.
