

LAST RITES FOR ELLA COUNTS ON WEDNESDAY

Funeral services for Mrs. Ella Counts, 95, were held at 9:30 a. m. Wednesday in the First Methodist Church with Rev. John Dowd officiating.

Interment was in the Bardwell Cemetery in Ellis County.

Mrs. Counts was born on August 16, 1866 and passed away in the Gorman Nursing Home on Tuesday, May 21.

She came to Gorman 31 years ago and entered the nursing home here six years ago.

Mrs. Counts lived her early life near her birthplace, Ennis, Texas, where she became adept at fine sewing. She was the former Miss Ella Lambert. Her parents were owners of fine farm land in the Ennis area.

Before buying a home in Gorman she lived in Comanche County a number of years.

Survivors are two nieces, Mrs. L. S. Ferrell of Tecumseh, Oklahoma and Mrs. Mable Kirksey of Amarillo.

Pallbearers were Bill Parr, Hulon Pullig, W. C. Browning, Arlan Watson, and R. O. Buchanan.

HULLS by Kernel Gene, aPe

My apologies to Roy Lane, for leaving the THANK YOU off his ad last week.

Dear Mr. Baker:
We would like to take this method of expressing our appreciation to the leaders of the Scouts and Cub Den Mothers of Gorman. Also, we want to compliment the boys who are in these two organizations. These boys and their leaders have been out to our place several times to camp and to cook out and they have always been as nice a group as we have ever known. Also, the camp site is spotless when they leave.

We have enjoyed having them come out and hope they have had some fun along with learning the fine arts of scouting.

We think these men and women of Gorman who take the time and interest to lead these joys should be commended.

Sincerely,
Mr. & Mrs. E. F. Harrison

We agree with the Harrisons wholeheartedly on the fine job of these leaders and wish to add our compliments on the outstanding job they are doing with the fine youth of our community.

REASON ENOUGH TO COME HOME — Leland Warren with his grandchildren, George Rodney, 5, Amy Ranell, 2 weeks, Melissa Elaine, 2, and Douglas Bryan, 3, made this statement after he accepted a position with Frossard's Department Store last week.

Leland has been with Higginbotham's for several years and transferred to De Leon when the ready-to-wear and shoe dept. closed in Gorman. Leland stated that De Leon was a fine town but that anyone with grandchildren knows a Grandpa should be closer home. — Kernel Gene isn't sure that maternal grandpa, Cecil Robertson, would agree with this, as grand-brats get in your hair — they also keep a fellow feeling young, especially granddaughters.

HANKINS NORMAL COLLEGE EXES SET HOMECOMING FOR JUNE 3

Teachers, friends and classmates are making plans to meet again on June 3, when the Hankins Normal College Exes return for their annual Homecoming.

The annual event will again be held in the Gorman High School Auditorium and lunch will be served in the school lunch room by the school dietician and helpers.

Church of Christ VBS Program Set For May 28-June 1

The Church of Christ will begin a Vacation Bible School on Monday, May 28th. Classes for all ages, including adults, will begin each morning at 9:00 and continue until 11:00 a. m.

The Pre-School group will study "Parables and Miracles of Jesus"; the Primary class will study "God's Promises to Man"; the Juniors will study "Christ, and a Practical Application of His Teaching"; the Intermediate group will study "The Church"; the Senior class will study "Christ in the Epistles"; the Adult class will make a "Survey of Church History".

Everyone, young people and adults, is invited to attend these classes each day.

There will be a program at the church on Friday evening, June 1st, at 8:00, featuring the Pre-School through Intermediate groups. Awards and Certificates will also be presented at that time. Everyone is invited to attend this program.

Dale Curbs Are Honored With House Warming

Mr. and Mrs. Dale Curb were honored with a house warming on Friday, May 18. Hostesses for the event were Mesdames L. D. Holliday, Rachel Johnson, Floyd Gowan, and Maude Underwood.

Cheryl Hudson and Debbie Holliday registered the guests.

The refreshment table was centered with an arrangement of roses. Mrs. Holliday and Mrs. Gowan served the punch and cookies. Mrs. Johnson and Mrs. Underwood directed the guests through the house and showed the display of gifts.

The new three room and bath home recently completed on Logan St. was built by Modern Homes Construction Co. of Fort Worth, and is an add-to construction. It is a compact home and the Curbs plan to add more rooms in the future.

2nd. Lt. Max Pierce Gets Navigator Wings In USAF

JAMES CONNALLY AFB, Tex. — Second Lieutenant Max R. Pierce of Gorman, Texas, has been awarded his United States Air Force navigator wings after completing navigator training here.

Lieutenant Pierce, a graduate of Texas Christian University, Ft. Worth, received radar and celestial navigation training in Air Force T-29 "Flying Classroom" aircraft. He will be reassigned to Mather AFB, California for further training.

Pierce, son of Mr. and Mrs. Bob Pierce of Route 3, Gorman, is married to the former Nancy H. Wilkerson of Brady, Texas.

A member of Phi Delta Theta, he entered the service in July, 1961.

Local Merchants to Observe Holiday Wednesday, May 30

The business houses of Gorman will observe Wednesday, May 30, Memorial Day, as a legal holiday and will not be open for business on that date.

Memorial Day is one of six holidays each year set by the Businessmen of Gorman.

CARD OF THANKS

To the wonderful friends who remembered me during my illness and stay in the Blackwell Hospital, I want to say how grateful and happy I was for the visits, the cards, and other tokens of remembrance. I also want to thank the doctors, nurses and hospital staff for their consideration and good care.

May God's blessings be yours.

B. E. WILSON LAID TO REST ON TUESDAY

Funeral services for Mr. B. E. Wilson, 79, were held at 2 p. m. Tuesday, May 22, in the First Methodist Church with Rev. Marion Dennis, pastor of the Congregational Methodist Church, and Rev. John Dowd, pastor of First Methodist, officiating.

Interment was in the Gorman Cemetery.

He was born on November 26, 1882 in Hot Springs, Arkansas, and passed away at Blackwell Hospital on Monday following an illness of six months.

He was married to Miss Myrtle Reynolds in 1905 in Hot Springs. They came to Gorman in 1918 and operated a home dairy for 23 years, retiring in 1945.

A son, Elvie, preceded him in death in 1934.

He is survived by his wife; one daughter, Mrs. Gail Bennett; one grandson, Herman Bennett, and two great-grandchildren of Gorman; one sister, Lula Rush of Hot Springs, Arkansas, and a host of nieces and nephews.

Pallbearers were Claude Dennis, W. C. Browning, John Scitern, Alvis Scitern, J. W. Alexander, and Hulon Pullig.

Fire Destroys Two Homes In Area

Two major fires have occurred in the Gorman area this week.

Monday afternoon the farm home of Noey Underwood, in the Midway Community, was completely destroyed when paper from a trash fire was blown to dry grass catching fire to the house. The house was almost destroyed by the time the alarm was turned in, however the Gorman Volunteer Fire Department arrived in time to keep the fire from spreading.

The G. L. Martin family lost most of the contents of their home on Wednesday afternoon when fire of undetermined origin partially destroyed the farm house on the Sandy Roberts estate on the outskirts of the city limits.

The fire department was able to get the fire out and saved all the furnishings from the house except from the bath, kitchen and one bedroom.

With the weather being exceptionally hot at this time all persons are urged to take all precautions to prevent costly fires.

Rites Held For Infant Daughter of Elmer Watsons

Graveside services were held at 4:30 p. m. Friday, May 18 at De Leon for Paula Kay, infant daughter of Mr. and Mrs. Elmer Watson of Midland.

Paula passed away in a Midland hospital Wednesday, only 23 days after her birth.

Funeral services were held at 9:30 a. m. Friday in Crestview Baptist Church in Midland prior to the body being sent to De Leon.

Survivors are her parents, Mr. and Mrs. Elmer Watson, Judy, Barbara Jean and Carl, and Mrs. H. N. Price, all of Midland, and her grandparents, Mr. and Mrs. L. F. Mears and Mrs. J. N. Watson, all of Gorman.

Out-of-town relatives attending the funeral were Mr. and Mrs. L. F. Mears, Jr. Doyle J. Mears and his son, Mr. and Mrs. Leon Mears of Austin, Elvin M. Hamilton, Mr. and Mrs. Roy Weehunt of Weatherford and Ronnie Weehunt of Decatur, Mr. and Mrs. Bobbie Weehunt of Midland, Mr. and Mrs. Ray Levins of Lubbock, and Mr. and Mrs. Milton Day of Eastland.

Little League Will Play Opener At De Leon Monday

The Little League ball club will meet their first opponent of the season on Monday night when they journey to De Leon for two games. The Peanut and Hospital teams will be playing.

Game time has been set for 6:30 p. m. Monday, May 28.

FINAL RITES FOR WILL REYNOLDS HELD MONDAY

Funeral services for Mr. Will H. Reynolds of Route 1, De Leon, were held at 2:30 p. m. Monday at the Kokomo Baptist Church with Rev. Creath Davis and Rev. Buel Bryan officiating.

Interment was in the Simpson Cemetery.

Mr. Reynolds passed away at the home of his daughter, Mrs. Roy Shugart of Gorman, on Sunday, May 20.

He was born in Union County, Miss. October 16, 1879 and was married to Miss Wilma Anna Bryant in Ellis County.

A long time resident of Eastland County, he farmed in the Kokomo community for some 50 years and had lived in Gorman for many years before moving to De Leon. He was a member of the Baptist Church.

Survivors are four sons and two daughters: George of Bisbee, Ariz., Edgar of De Leon, Dalton of Arlington, and Doy of Gorman, Mrs. Essie Shugart of Gorman and Minnie B. Aldredge of Albany; three brothers, Govy and Royal of California, and Dorsey of Knox City; and 31 grandchildren and 11 great-grandchildren.

Pallbearers were Herman Eison, Crawford Thurman, Jewell Snider, Walter Goodwin, Lofton Frasier, and Odjs Rodgers.

EULA JEAN ASH

Eula Jean Ash, daughter of Mrs. John Ash, will receive her B. S. degree in Education from Abilene Christian College on May 28, 1962. She is a 1958 graduate of Desdemona High School.

While in college she was a member of C.S.O., A.C.E., S.E.A. and Eta Beta Pi. The first is a service club, the next two are clubs in connection with her field of study and the late is a club for all students that work in the cafeteria. She paid for her schooling by working in the cafeteria.

The commencement exercises will take place at the college stadium on May 28 at 8 p. m. Everyone is invited to attend.

Her future plans are to teach in the public school this fall.

We wish her the best of luck.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to everyone who extended comforting sympathy in our recent sorrow.

Our gratitude is indeed great to the doctors, nurses and hospital staff, to those who sent the lovely flowers, the food, cards and every kind expression of thoughtfulness.

May God bless each of you for your thoughtfulness.

BASEBALL SEASON OPENS MAY 26; WORK DAY SET FOR FRIDAY TO MAKE REPAIRS ON FIELD

We appreciate so very much the contributions made by Smith Bros. Chevrolet Co., Jay's Grocery & Market, Higginbotham Bros. & Co., Blackwell Hospital, Gorman Peanut Co., First National Bank, and Frossard's Department Store, that the youth of our town and community might have the equipment to play baseball.

Also the the managers who spend hours of their time working with these boys. But we need more — that is our park needs so many repairs and it is a big job for just a few people. So, we are asking for two hours of your time this FRIDAY, MAY 25, at 5 p. m. or any time you can get there.

So, men of the Fire Dept. Community Club, Business Men's Club and all men that are interested meet with us at the ball park with your saw and hammer, as the bleachers need repairing, rakes and shovels, as the grounds need cleaning and smoothing, light bulb replacing is needed, and we have wire that needs replacing and re-stringing. We will take care of all the mowing and will have all necessary material on hand for repairs. So — come on men — I know you want to have a part in this worthwhile project.

MEMORIAL DAY SERVICES SET HERE MAY 30

Under the auspices of the Mauney-Bryan Post 594, of the American Legion, Memorial Day Services will be held at 9 a. m. Wednesday, May 30 at the Gorman Oaklawn Cemetery.

All service mens graves will be decorated with flags by the Post members.

Each year the American Legion members of the Mauney-Bryan Post plan and present a good program honoring our war dead, and so few people take the time to attend these services. Let each of us this year display the flag at our homes and places of business and take 30 minutes Wednesday morning to pay tribute to the ones who have given so much for us.

Gorman WSCS Install Officers

The Woman's Society of Christian Service of the First Methodist Church installed 1962-63 officers on May 22nd, preceding the annual mission service.

The new president, Mrs. M. H. Fairbetter, was installed by Mrs. G. C. Acrea, retiring president.

Other officers include Mesdames William Brogdon, Edward Harrison, J. E. Walker, R. C. Mehaffey, Keith Whit, M. E. Shell, B. E. Eppler, W. T. Shell, M. F. Allen, D. J. Jobe, W. M. Blair, and W. G. Kirk.

During the summer months the Society will meet on the 2nd Tuesday of each month only.

This Could Be The Driest May Ever

If something doesn't happen soon May will set an all time record of being the driest month in weather bureau history, which dates back to 1889 — and there has never been a May without a measurable rain. However, this month may be the exception.

Since May is our wettest month, this makes the situation even more rare.

Some of the peanut farmers have peanuts up, others have their fertilizer down and are waiting for rain before planting.

LETTER OF THANKS

It is with grateful hearts we express our thank for the help and kindness shown us in so many ways during the illness and

We have one of the best programs set up for this year that we have ever had. Our Little League is about ready to go. Already they are being challenged by our neighboring towns. Our boys, age 13 through 15, are in a league with two teams from Eastland, two teams from Ranger, and one from Carbon. They open Play on Tuesday, May 29.

Our boys, age 16 through 18, are in a league with Cross Plains, Cisco, and Ranger. We open with Cross Plains there on Saturday night.

The park is sponsored by the Sophomore Class under the supervision of the Fire Department.

There will be no admission charges this year. The gates are open to all.

JOE A. CLARKE
TREASURER OF
TSCRA GROUP

FORT WORTH — The new treasurer of the Texas and Southwestern Cattle Raisers Association is Joe A. Clarke of Fort Worth, it was announced by TSCRA president, Leo Welder of Victoria.

Clarke is executive vice-president of the Fort Worth National Bank. Through the years he has participated actively in programs of benefit to farmers and ranchers, and he now is serving as president of the Fort Worth Farm and Ranch Club, as treasurer of the Texas Beef Council, and as a member of the Agricultural Committee of the American Bankers Association.

He has spent 42 years in banking, the last 16 of which have been with the Fort Worth National Bank. He is a past president of the Texas Bankers Association, having served as president in 1956, and also is past president of the West Central Texas Oil & Gas Association. He currently is a director of the latter.

Clarke was born in Albany, Texas, in the heart of the cattle country, and he chose cattle as his subject when preparing a thesis in graduating from Stonier Graduate School of Banking.

The TSCRA treasurer's position is filled on a rotation basis by representatives of three major banks in Fort Worth. This method of filling the treasurer's position is the result of action taken at the TSCRA annual convention in Houston in March. The former treasurer was Fred Korth, now Secretary of the Navy.

CATTLEMEN SHARPLY SCORE,
OPPOSE FEED GRAIN SECTION OF
ADMINISTRATION'S FARM BILL

FORT WORTH — The president of the Texas and Southwestern Cattle Raisers Association has called the feed grain section of the administration's farm bill a back-door approach to production controls and price regulation in the cattle industry and urged livestock producers to inform congressmen of their views immediately.

Leo Welder of Victoria made this statement shortly after delivering a welcome address to the South Central Hereford Progress Clinic here in the Will Rogers Memorial Coliseum.

Welder said the TSCRA executive and cattle feeder committees meeting in joint session at San Antonio Tuesday, unanimously passed a motion calling on beef producers to actively oppose the Feed Grain Section which is Title 4 of House resolution 11222.

Welder said this legislation would provide for mandatory production controls for all feed grain crops, and said producers who utilize a portion or all of their feed grain and sorghum production of their own farms and ranches would not be allowed to make necessary changes in planted acreage to meet changes in their livestock programs.

He pointed out that passage of this legislation would have a direct effect on the beef consumer. "This legislation would mean higher feeding costs, and this would necessarily result in

higher costs of beef to the housewife," he emphasized.

During 40 years — 1921 to 1961 — the average retail price of meat has increased from 30 to 65 cents per pound. During the same period, however, per capita income increased 400 percent.

Most of Texas farm income is derived from livestock and livestock products.

subsidized acres diverted from other crops.

Welder said the cattle industry has long opposed controls and price fixing, and that the TSCRA is vigorously opposed to provisions in the feed grain section of the new farm bill. He emphasized that many of the provisions are quite similar to those presented in the omnibus farm bill last year. The TSCRA passed a resolution, calling for the defeat of this bill during their quarterly meeting at San Angelo last September.

GO TO COLLEGE...

... Or Get A Job

Which Is Right Choice For High School Grad?

ABOUT GOING TO COLLEGE

Question: Should I go to college?
Answer: Yes—if your high school grades were good enough; if you can pass an entrance examination; if you can afford it.

Question: Why should I go to college?

Answer: To continue your education and place yourself in a better position in your chosen field.

Question: Will a college degree guarantee me a job and a high income?

Answer: A college degree certifies that you have completed a specified course of education. You still have to get out and get yourself a job, just as a high school graduate does. And you have to "earn" your way to the top.

Question: Then, why shouldn't I go ahead and get a job right now?

Answer: You can get a job right now—but a job that requires no more than a high school education will not pay as much as a job which sets a college degree as a requirement. As we said earlier, a college degree puts you into a position to realize a higher salary for your services.

Question: If I start now, with some good company, isn't it possible I might receive several promotions in four years, and by then have a good start on a career?

Answer: It's possible. It's also possible that four years from now you will discover that a co-worker, with a similar salary and similar pay, is fresh out of college—and you must compete with him for future promotions.

Question: Is a college education really so important in getting a "good" job and is it such a factor in company promotions?

Answer: Simply stated, the best jobs go to college graduates because employers believe the college graduate is better qualified

to accept a position of responsibility. If a high school graduate has outstanding qualifications, he may do well in any field; but another individual, with equal qualifications, plus the added recommendation of a college diploma, is certain to do better. As to the matter of promotions in business, put yourself in an employer's position: If you had two men of equal ability and talents, except that one had a college education, which man would you promote?

Question: Should I go on to college even though I have not yet chosen a career?

Answer: Certainly. The college of your choice will appoint an advisor to chart a course of general study and lend counsel to guide you to the choice of a career for which you are suited.

GETTING A JOB NOW

Question: I don't want to go to college. I want to get a job right away. How do I go about it?

Answer: Decide the type of job you would like to have... factory work, office work, selling, etc. Once you have chosen the type of work you wish to do, make a list of the companies in your community which might hire you. Visit the personnel office of each and fill out an application for employment.

Question: Is that all there is to it? I just go around and make an application?

Answer: That is the beginning. When you make application for employment, you let a prospective employer know that you are available. He may not need you today or tomorrow. Next week, however, an opening may arise and he will be looking through the job applications filed with the personnel office to see if a likely candidate for the job is available.

Question: Then, if I am suited for the job, they call me and tell me when to report to work?

Answer: Not exactly. The job application that you fill out at a company personnel office does not always tell an employer all that he would like to know about you. The job application provides general information. If you are considered for employment, you will be asked to come in for a job interview at which time more specific questions will be asked.

Question: What preparations should I make for a job interview?

Answer: You should be prepared to "sell" yourself—to convince your interviewer that you are "the man for the job."

Employers want neat, intelligent, and efficient employees.

The first impression you make is through appearance. Dress neatly, be well manicured and polished, but don't overdo it. If your clothes are flashy, you might be considered too flashy for the job.

An interviewer will judge intelligence not by how much you say but rather by what you say and how you say it. Don't be afraid to talk about yourself, your hobbies, your achievements, whatever they may be, but don't drag it out.

How can you display efficiency during a one-time interview? Simply by showing that you have given some advance thought to the interview. Bring with you a folder containing documents that will be of interest to your prospective employer—your birth certificate, high school credits, a certificate of health, and a brief resume, or personal history. You might even prepare a scrapbook, using information about yourself from your school yearbook, local newspaper, including two or three character recommendations from responsible adults. Your interviewer might give this only a casual glance, but he will be impressed—and he will know that you are sincerely trying to "sell" yourself and show that you are capable of handling the job which you seek.

Question: What if I can't find an opening in the field of my choice? What do I do then?

Answer: Get a job—doing whatever you like "second best," or doing something you don't like to do, if this becomes necessary. Look for a "second choice" job that will give you some free time to continue looking for the kind of a job that you really want. It's always easier to get a new job if you are working, rather than unemployed.

At last! From Arkla-Servel comes a GAS heating and air conditioning unit that's really new... converts an ounce of GAS into more than enough heating and cooling to slug it out with Summer heat and Winter cold and never yield a degree... laughs at repair and utility bills, because it has NO MOVING PARTS in the heating and cooling cycle... wrings out, sifts and cools or heats to just the temperature that suits you... leaves dust and pollen outside to irritate the bees... operates like a coffee percolator and who ever heard of a coffee percolator wearing out?

If spending a penny to get 2c worth of heating and cooling makes sense to you, then call us for further information about the Arkla-Servel Sun Valley* All-Year® GAS air conditioner.

OLIVER SPRINGS NEWS

By FLORENCE RICHARDSON

Our thought for the week: "When you break your word, you break something that can never be mended."

The Willie Hendersons children spent the weekend with their parents.

Mr. and Mrs. Kelly and children of Fort Worth visited with the A. D. Bryans Sunday afternoon.

Mr. and Mrs. Buel Bryan were in Temple Saturday visiting the Pete Sniders where Mr. Snider is a patient in the hospital.

Miss Effie Gilmore spent last week in South Bend with her brother and family.

Mrs. Harley Rawls, Patsy, and Mr. Locke were in Abilene Thursday shopping.

Mr. and Mrs. Lucien Warren and Mrs. Era Wallis of Abilene, and Mr. and Mrs. A. D. Bryan were dinner guests in our home Sunday and attended singing in the afternoon.

Mr. and Mrs. Jim Johnson were in Comanche Saturday for the cattle sale.

Mr. and Mrs. Buddy Yancey and children of California are here visiting her mother, Mrs. Zettie Mathis, and the Parker families. The infant daughter of Mr. and Mrs. Elmer Watson was buried in De Leon Friday afternoon. Mr. and Mrs. Watson live in Midland. Grandparents are Mr. and Mrs. L. F. Mears and Mrs. J. N. Watson.

Mr. and Mrs. Jimmy Bryan and Lizzie Ann of Odessa were here last week for the graduation exercises of Linda.

The L. F. Mears children were here Friday attending the funeral of the Watson infant.

JOHN WESLEY ASKEW AND ROY F. DENNIS TO RECEIVE MASTER'S DEGREES AT NTSU

DENTON — John Wesley Askew and Roy F. Dennis of Gorman are among 51 graduate students who have applied for master's degrees to be awarded at North Texas State University on June 1.

Commencement exercises will be held at 8 p. m. at Fouts Field. There are 550 candidates for bachelor's degrees, 51 for master's degree and three for the doctor of education.

Askew, son of Mr. and Mrs. John W. Askew, Route 3, Gorman, is a candidate for a master of arts degree in English.

Seeking a master of education degree in secondary education, Dennis is the son of Mr. and Mrs. M. F. Dennis, Route 2, Gorman.

119 Local Citizens Sought Social Sec. Advise So Far in '62

Figures for the first four months of 1962 show that 119 persons in the Gorman area talked with H. L. Weatherly, field representative of the Abilene office of the Social Security Administration on the 4 visits made to the City Office here. This compares with 109 for the same period of 1961.

Weatherly says that the 1960 and 1961 amendments made it advantageous for all persons to file their social security retirement claims soon after age 65 even if still working. And, if not earning more than \$1200 per year, a person should file at age 62, or be certain why he doesn't.

Everyone should check into just what social security can mean for him and his family, when that 65th birthday rolls around, for checks are due many persons whose annual earnings surpass the \$1200 figure by a considerable amount, Weatherly concluded.

DALLAS — Samuel M. Rosenthal, president of Samuels & Co., Dallas, was awarded a citation by the President's Committee for Employment of the Physically Handicapped commending Rosenthal and the company for "sustained efforts in providing employment for physically handicapped people and setting an example for industry to follow."

Commented Rosenthal: "Our experience has been most satisfying as we have found these people to be eager to learn, master their jobs and stay with their jobs longer."

Livestock auction markets sell 81.6 percent of the cattle and calves consigned to market in Texas.

The next visit to Gorman will be on June 4th.

STATE ORDERS LICENSES FOR ESTES VOIDED

AUSTIN — State Agriculture Commissioner John C. White ordered Billie Sol Estes' grain warehouses to stop business Wednesday. He criticized use of storage

SPRING WORKLOAD UPS FARM LABOR FORCE

AUSTIN — During the week of April 22-28, an estimated 444,000 persons worked on Texas farms. Of this number 293,000 were family workers and 151,000 were hired workers.

A month earlier 253,000 family workers and 113,000 hired persons were working.

Land preparation, planting, and cultivation accounted for the seasonal increase.

THE GORMAN PROGRESS, Eastland Co., TEXAS, MAY 24, 1962

income from the federal government to pay for Estes' losses.

White refused to reinstate the operating licenses of two Estes warehouses and three warehouses of Coleman McSpadden, an Estes associate.

He estimated the five warehouses contain 4,700,000 bushels of grain.

Estes' receiver, Harry Moore, applied for reinstatement of the two licenses Wednesday after White permanently revoked them. Moore said he could increase liability bonds to meet White's requirement.

"In my understanding, receivers are not responsible as far as liability is concerned. Receivers are similar to new managers, and a new manager of an insolvent warehouse can not be licensed," White said.

He said he acted under a provision of Texas statutes which provides that no license shall be issued to a warehouseman who is insolvent.

White said the Commodity Credit Corporation has no obligation to grant storage contracts to Estes' creditors.

"The taxpayers don't have to pay the bills of Billie Sol Estes," he said.

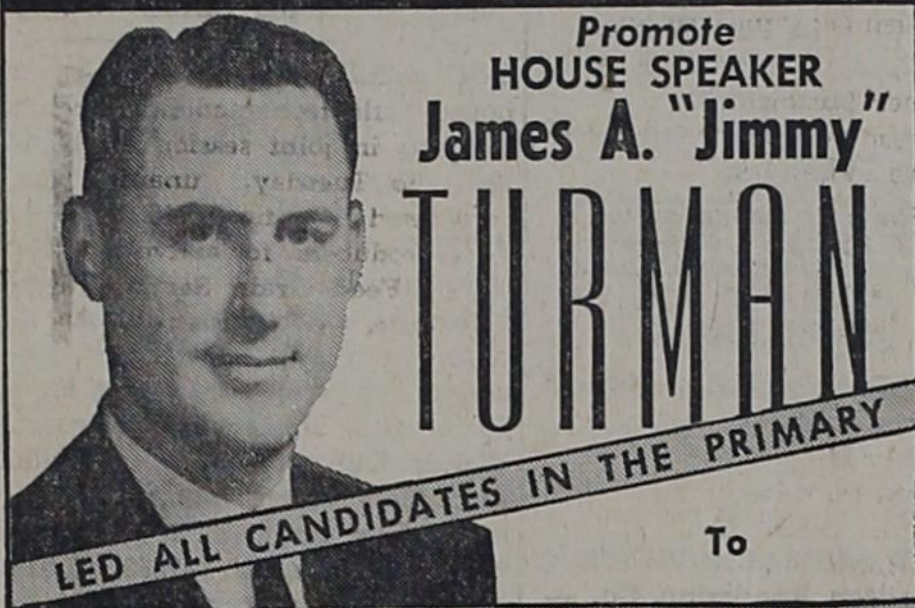

Times Are Changing Fast -

... and so are governments, economic conditions, ways of life, and even human nature itself. Likewise, revolutionary changes have taken place in the field of land titles. Not so long ago title chains were short and simple, but today the records in this county are voluminous and the changing times have wrought havoc to many titles, maybe to yours. The abstract is about the only answer. Do you have one?

Working for Texas

Meet a fellow Texan: Preston Smith.

Preston Smith's story is in the best Texas and American tradition—a farm boy who worked his own way to an education and a place of honor in his business and community life.

Born in the heart of Texas, at Georgetown, he moved with his family to Dawson County in 1923 when he was 10 years old. He went to school at Sunset, Lamesa, and Texas Tech. In his adopted home town of Lubbock, with his wife Ima and their two children, he now carries out the full responsibilities of a typical Texas business and civic leader.

A steward at St. John's Methodist Church—member of the Salvation Army Board, the Kiwanis Club, the Chamber of Commerce, the Texas Farm Bureau—these are some of the activities close to the heart of Preston Smith, citizen.

He did not stop there. In his daily pursuits Preston Smith came to realize that business and government are closely related in the American system—and that without good government we cannot have a favorable climate for good business. A man of direct action, Preston Smith went into the business of government. He served six years in the Texas House of Representatives and six in the Senate.

Senator Smith has supported sound statewide legislation for better schools, roads, welfare and conservation. He took the lead in establishing a permanent building program for state colleges. He had the integrity to support necessary state spending and the courage to oppose extravagance and waste. In government, as in business and at home, Preston Smith believes in meeting our obligations and paying our bills.

Having proved himself as one of the best-rounded, best-equipped, best-informed and most highly respected Texans in both his private and public careers, Preston Smith was a logical candidate to succeed Ben Ramsey as Lieutenant Governor of Texas.

Voters in 102 counties gave Preston the lead over four opponents in the First Democratic Primary. Now he is in the runoff. He got there without the support of any self-serving group or power bloc. His opponent has the endorsement of labor leaders and other special interests who want to dominate our state government.

Preston Smith asks only for the votes of individual Texans who want a Lieutenant Governor without any strings attached. He is depending on independent-minded Texans everywhere to vote for him on June 2.

Elect your independent candidate for Lieutenant Governor—

PRESTON SMITH

Many Thanks For Your Support

I would like to take this opportunity to express my appreciation to the voters that supported me in the Democratic Primary Election and made it possible for me to get into the run-off on June 2. As you know Precinct 2 covers the trade territory of Gorman, Carbon, Desdemona and it is my firm belief and conviction that a commissioner should serve these three communities with equal consideration. I would like to restate that as your Commissioner that will be my promise to serve all the precinct with equal consideration. You realize as well as I that the person that represents our precinct in the Commissioners Court has a tremendous responsibility. I feel that with my past experience in the service of my country; as President of the Eastland County Farm Bureau; as President of the Carbon School Board and having been active as Sunday School Superintendent of the Carbon Methodist Church; will enable me to meet these responsibilities with courage and a sense of fair play.

As your Commissioner I think that the Headquarters should be where it is now and that the maintainers and equipment will be stationed in Gorman to be used when and where they are needed within the Precinct. Every purchase made for the precinct will be from business houses that reside in the precinct if at all possible.

Having lived on a farm all my life I realize the importance of

KEEPING UP WITH FRIENDS

Mr. and Mrs. Alvin Lasater and Ina Margaret spent the weekend in Sundown with her brothers, Mr. and Mrs. Snooks Craddock and Mr. and Mrs. Joe Craddock, and Mr. Lonnie Craddock.

Mr. and Mrs. M. H. Fairbetter and Milton were in Sweetwater for the weekend with their son, Mr. and Mrs. Manning Fairbetter and children.

Visiting the George Bells over the weekend were their children, Miss Jolene Bell of Fort Worth, farm to market roads and know what has to be done to get them. There are several roads in Precinct Two that should be paved in the near future and it will be my pledge to you that I will strive to see that these roads will be paved. This in turn will enable us to work the roads better where there are no farm to market roads. It will also be my desire that the elderly and unfortunate people be treated with compassion and understanding and do all possible to aid them.

Not ever having asked for a public office before these plans and promises are not just passing fancies but are sincerely meant and if you feel that I am qualified and merit your support I will be grateful for your vote on June 2.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

The recently announced completion of negotiations on tariff cutting under the present Reciprocal Trade Treaty Act probably best illustrates a point of futility about the proposals to slash U.S. protective tariffs even further.

It is the contention of the adherents of this new measure that if the U.S. cuts its tariffs to permit greater floods of cheap labor into the American market, the European nations will also cut their tariffs so that the U.S. can sell more to them. As part and parcel of the plan, the U.S. taxpayer will be called upon to finance aid for workers, and for industries that are liquidated in U.S.

In the recent tariff go around, one of the items on which tariffs were further cut was automobiles. The U.S. agreed to cut the tariff and European nations agreed to cut their tariffs on U.S. made cars.

From the standpoint of money it works about like the following. The U. S. import duty on one small, cheap European "puddle jumper" type of cars will be about \$35 lower. The typical European duty on a standard sized American car will be about \$125 lower.

Does this mean there will be a big rush on foreign orders for the products of Detroit? In 1960 the U.S. imported \$596 million dollars worth of foreign cars, exported to Europe only \$76 million worth.

There are two basic reasons © National Federation of Independent Business

Consider a typical illustration. A medium priced American car can now be landed in England for about \$125 less than formerly. How powerful a buying incentive is this? It is perhaps as much an incentive as a price reduction of \$500 on a 100 foot yacht would be to someone living on Social Security payments.

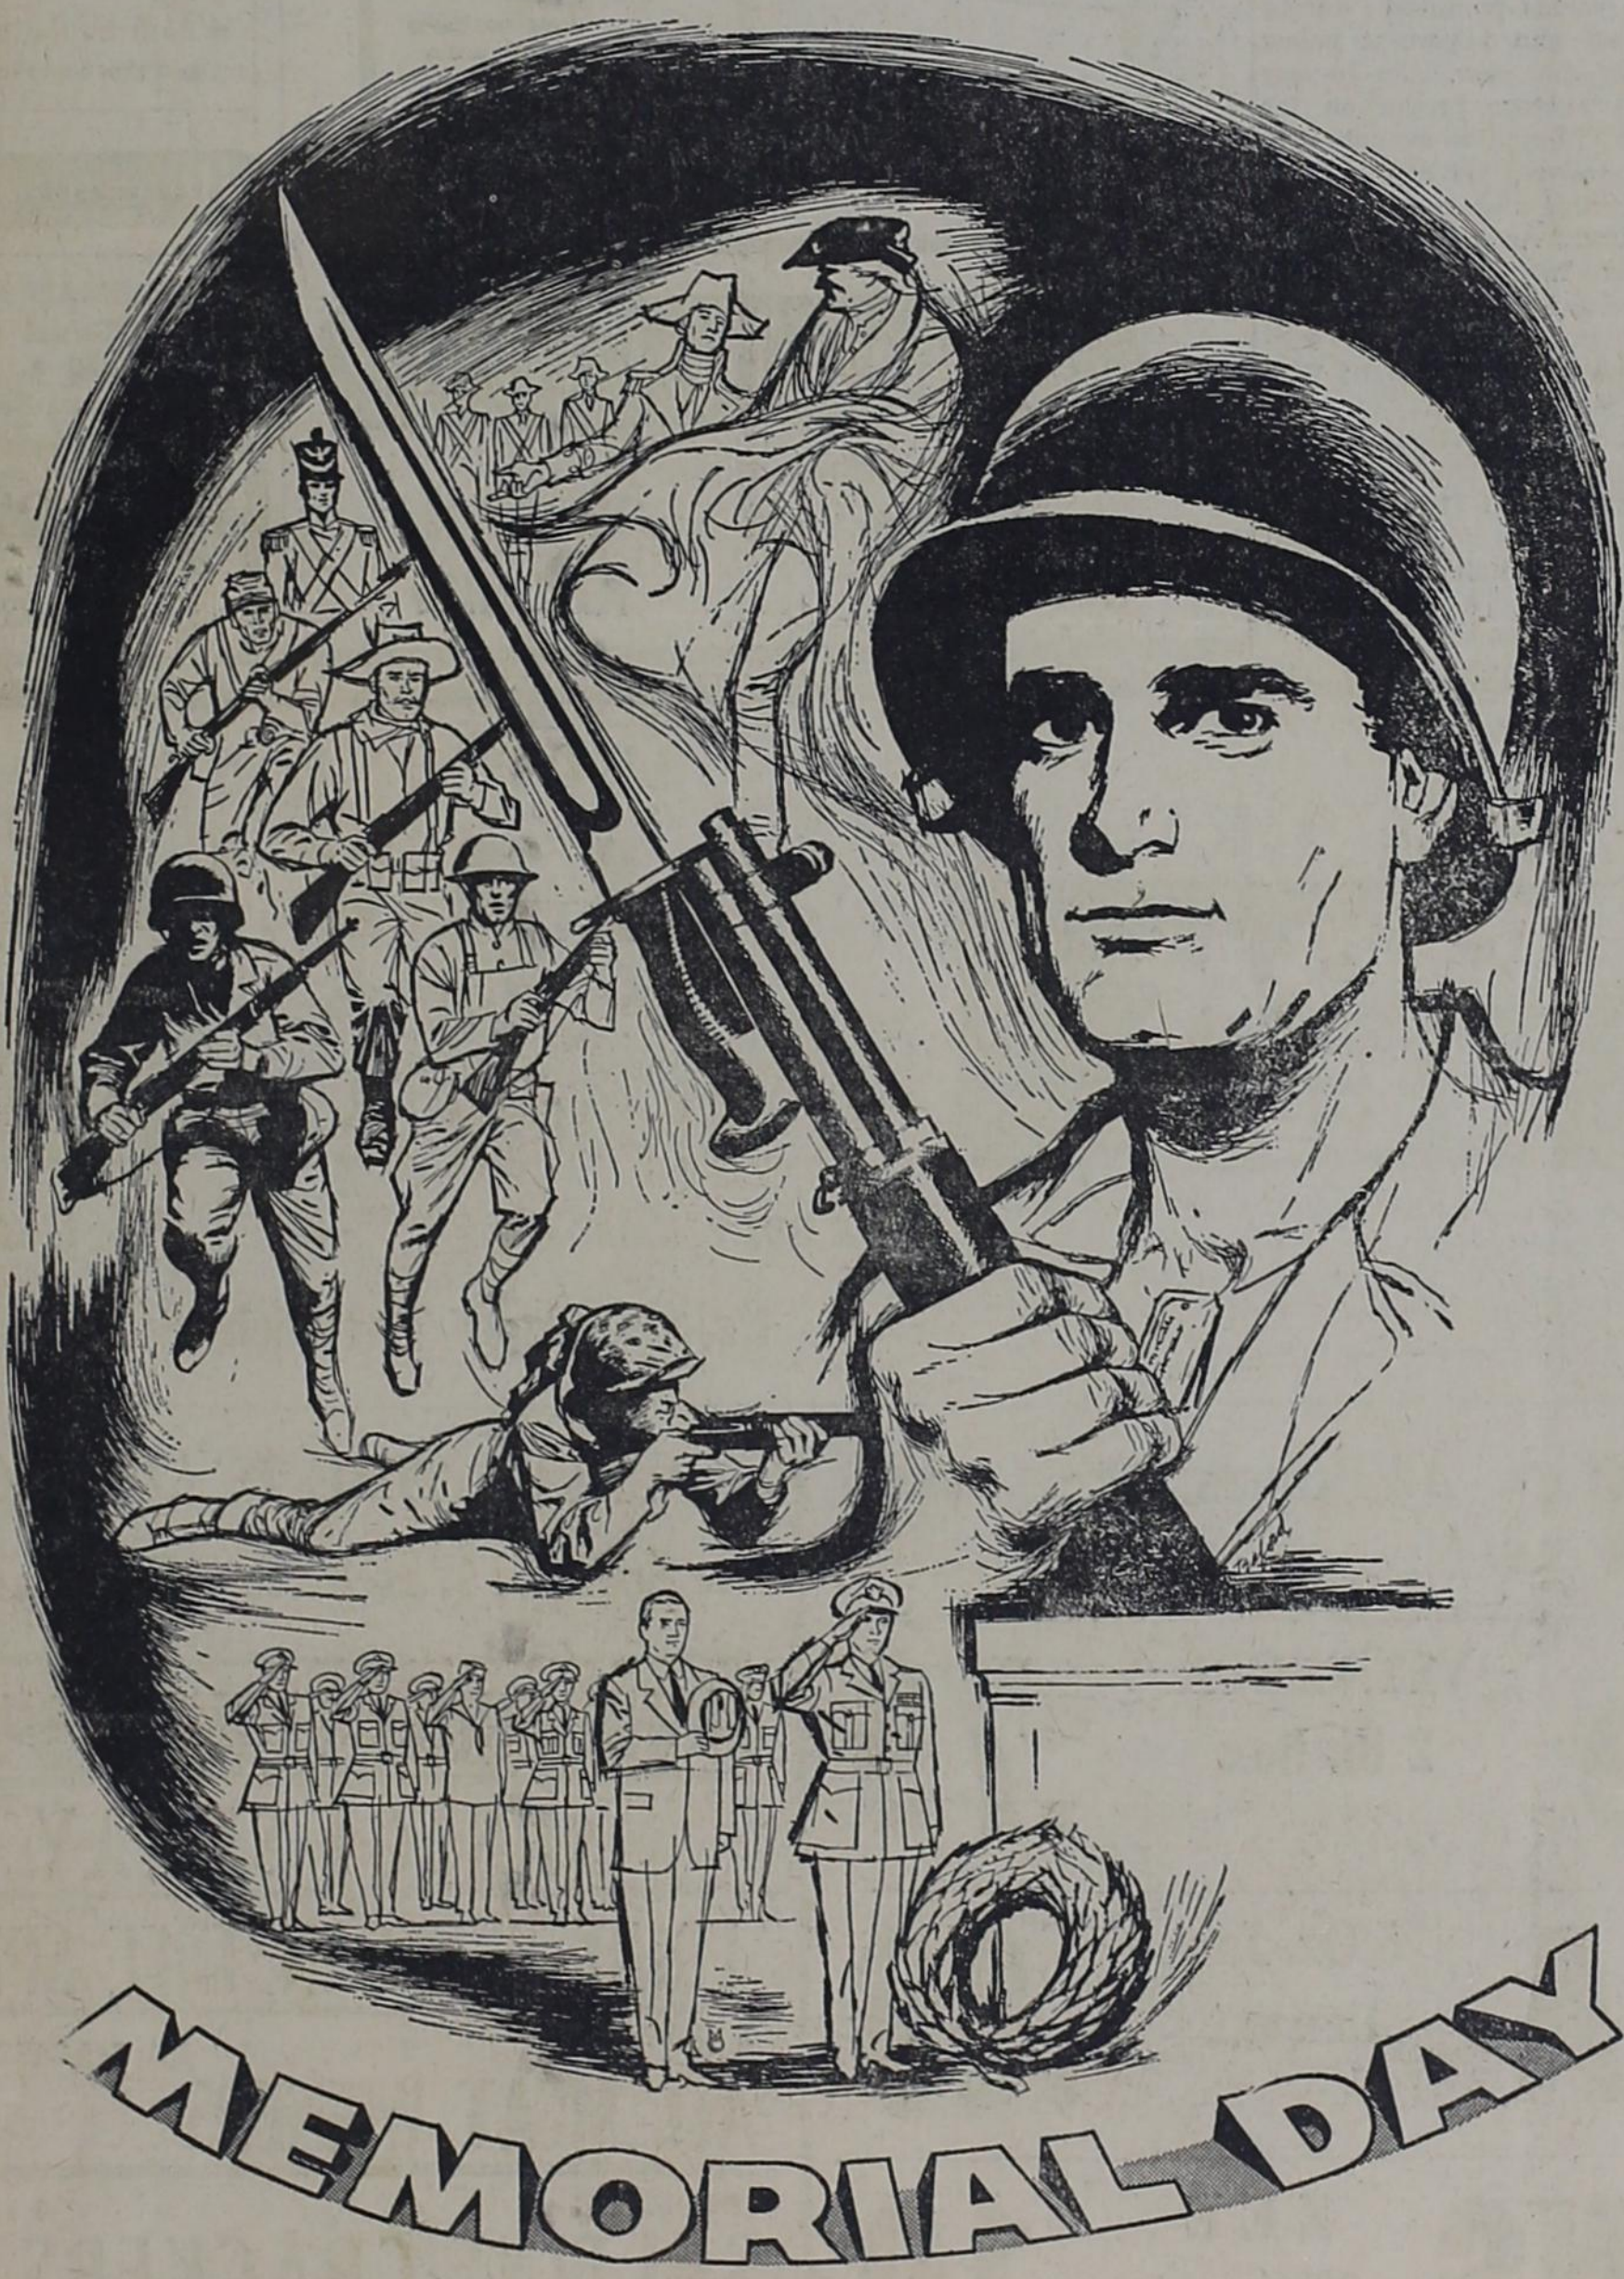

For there is a matter of a 55% purchase tax in England.

Thus, for example, an American medium priced car is sold by Detroit to a British dealer for \$2,000. When freight, dealer mark-up, other extras are added, the cost to the potential buyer is around \$3,000, or about equal to full two years income for the average Englishman.

But if this average Englishman figures out how he can afford it, he has to pay a tax of 55% on \$2,000 manufacturer's price, or pay over \$4,000.

This perhaps well illustrates the nonsense at the heart of a great deal of the current mystical fervor about "free trade."

For as long as governments use power to inflate wages in the U.S., or hold them down as in other nations, as long as world wide monopolies can rig prices of basic commodities, and as long as governments can levy taxes on transactions in the market place, the whole concept of "free trade" is an illusory myth.

MEMORIAL DAY

On this day let us pause to honor the memory of those who gave their lives so that we might live in freedom. It is a time to reflect . . . and give thanks for the priceless heritage they helped to preserve.

EXPAND LINE IN FIGHT ON SCREWORMS

AUSTIN — Livestock moved by truck have carried the screwworm fly into East Texas, so the U. S. Department of Agriculture is having to expand its drop line to take in a big added area.

Dr. John L. Wilbur Jr., veterinarian in charge of the USDA Animal Disease Eradication Division here, said that a new station for dropping sterile screwworm flies will be established at Conroe as soon as the Texas Railroad Commission gives Southwestern Motor Transport Inc. a permit to haul flies to Conroe. Hearing was held on the emergency permit Friday, and commission action is expected by Wednesday.

The new "drop line", replacing

the old one through which screwworm flies have penetrated, now extends from Galveston northward to a point west of Waco, then cuts back southwestward to Val Verde County. Dr. Wilbur said the added area north and west of Houston was due to the appearance of screwworms in Montgomery, Leon and other counties in the mid-East Texas area. The Texas Animal Health Commission is considering adoption of a requirement that a preventive spray be used on animals being moved into fly-free areas.

The new Conroe distribution station will be added to those already in operation in Mission, Laredo and Kerrville. The plant at Kerrville now is producing 25 million sterile male flies a week. Construction of the new fly factory at Mission is reported to be "ahead of schedule."

The program has been expanded into New Mexico, with flights covering the Rio Grande from Laredo to Elephant Butte Dam a

CARD OF THANKS

Verlon and I wish to express our sincere thanks to our friends and neighbors who have been so kind and thoughtful during my illness and stay in the hospital. A special thanks for the gift of money and to the doctors and nurses and hospital staff for their constant care and kindness. To those who have sent cards and flowers and for the food, we are indeed grateful to each of you. May God bless all of you.

Mr. and Mrs. Carl Dean Stacy

few cases of screwworm infestation have been reported in the Edwards Plateau area, so heavier fly drops are being carried out in parts of Val Verde, Terrell, Sutton, Uvalde, Medina, Kerr, Blanco and Brazoria Counties. The map is being expanded and changed daily as new infestations are reported. The original drop line, from Corpus Christi to Del Rio, has been steadily pushed northward as the flies move up in their spring and summer migration from Mexico and South Texas.

4-H Meeting Slated

A 4-H meeting has been set for Tuesday, May 29 at 7:30 p. m. at the Fire Hall.

"Appropriate Dress" will be given by one of the agents as the program for the evening.

We encourage all men and women interested in helping the 4-H to please come. We need your help.

All boys and girls from ages 9 to 21 are also welcome.

The County Dress Review, set for June, will be discussed. If you are interested in entering this, the ACHDA should be notified soon. Attending this month's meeting could help you with that.

MRS. JOHN WHEELER UNDERGOES SURGERY

Mrs. John Wheeler underwent major surgery on Wednesday at Scott and White Hospital in Temple. She came through the operation very nicely, but her condition will be critical for several days.

Friends from Gorman who spent Wednesday with her family were Mr. E. G. Henderson, Mr. and Mrs. Oda Monroe, Mr. and Mrs. Davis Smith, Mr. and Mrs. J. L. Morrow, Mr. and Mrs. Claude Fuller, Mr. and Mrs. Odis Rodgers and Vera Rodgers.

Milk Production Down Over Texas

AUSTIN — Milk production in Texas during April totaled 266 million pounds according to the Texas Crop and Livestock Reporting Service.

This is 1 percent below the 268 million pounds produced during April 1961 and 1 percent below March of this year. The 10-year (1951-60) average production for April is 279 million pounds.

Milk produced per cow kept by crop reporters average 13.6 pounds daily during April. This includes very small farm herds as well as commercial dairies.

Crop reporters milked 55.0 percent of their cows compared with 58.0 percent a year earlier.

Pasture feed condition averaged 77 percent of normal on May 1. This represents a 14 point improvement when compared with the 63 percent registered April 1. Pasture condition a year ago also averaged 77 percent.

WEST TEXAS ART ASSN. AWARD WINNERS BEING SHOWN IN CISCO EXHIBIT

The West Texas Art Association Award Winners will be on display at the Chamber of Commerce building in Cisco from Thursday afternoon through Sunday. The show consists of 38 paintings that have been on tour of West Texas since October. This is the last showing before they are sent to

Austin for a final show and only citation paintings will be in the Austin showing.

Mrs. Maude Underwood has a painting in the show and Macie Hyatt has a citation painting. There will be 14 citations in the Austin show. Mr. Hyatt is Art Director of the Cisco and Eastland area. He had planned to bring the art showing to Gorman but did not have enough time before the exhibit had to be sent to Austin.
