

NEW HOTEL OWNERS — Mr. and Mrs. Art Prater, Terri, Mrs. Liller Hughes (mother of Mrs. Prater), and Toni Prater.

New Owners For The Gorman Hotel

Mr. and Mrs. A. V. (Art) Prater of Fort Worth have purchased the Gorman Hotel from Mr. Roy (Buddy) Blair.

Mrs. Liller Hughes, mother of Mrs. Prater, and the Prater children, Terri and Toni, have been living here since February while Mr. and Mrs. Prater disposed of business affairs in Fort Worth, where Mr. Prater was associated with Frank Kent Motor Co. and Mrs. Prater operated a stock brokerage firm, a unique occupation for a woman. She is believed to be the only woman securities dealer in Texas.

The Gorman Hotel, built in 1920 by Frank Kirk, Sr., longtime resident of Gorman at a cost of approximately \$1,000,000, will be remodeled in the near future with many modern improvements and redecorations throughout the hotel.

Mr. Prater will continue the operation of the appliance store, located on the lower floor of the hotel.

Toni, 16, is a Junior in Gorman High School and Terri is a sixth grader. The family are members of the Unity Church and Mrs. Prater is a niece of Mrs. Nell Rainey of Gorman.

The 46 room structure, built during the "oil boom days", was dubbed the "Goober" following the depression when peanut growing developed into a big industry.

Former owners of the hotel were Donna David, and the First National Bank, Sam Powers, and the late Doy Blair, and Roy Blair.

Mr. Blair has not disclosed his plans at this time, but plans to remain in Gorman until the school year ends.

THE DONALD BOLTS HAVE NEW GRANDSON

Mr. and Mrs. Dale Adams of Denton announce the birth of a son, William Edward, born at 3 a. m. Wednesday. He weighed 9 pounds.

Edward has a brother, Scott Patrick, 2 years old. His father is on a fellowship teaching freshman English at NTSU.

Maternal grandparents are Mr. and Mrs. Donald Bolt of Gorman.

nessmen's Club again on Monday night. These officers are to be commended for the fine work they are doing in the "thankless task" of handling highway and city traffic. Meeting and talking with these men gives one a better understanding of their problems.

If you enjoy hymn singing and would like to make a collection of hymns, take a special look at the First National Bank at this week.

CITY COMMISSION CONSIDERS WATER AND SANITATION NEEDS

The Gorman City Commission considered, among other things, the city's water and sanitation needs in its first meeting of the new year, last Saturday.

The members, all of whom were present, discussed the opportunity available under the Upper Leon River Municipal Water District. This would include principally the supplying of the city's water needs from the Lake Proctor Reservoir. The big question at the moment is that of water rates. From preliminary figures submitted several months ago, it seemed that in order to obtain water from Lake Proctor the Gorman rates would have to be substantially increased. Initial rate estimates at that time looked prohibitive. In now appears that there is a possibility that initial rate estimates will be lowered. Mr. Homer A. Hunter, head of the Homer A. Hunter Associates, Consulting Engineers of Dallas, has

been invited to meet with the Commission Saturday, April 18. At this time Mr. Hunter will have some tentative figures relative to water rates, water supplies and other matters to present to the Commission. Mr. Hunter has pointed out that Gorman, Hamilton, De Leon, Comanche and Dublin have an option to purchase the entire yield of the Proctor Reservoir for a 10-year period beginning June 14 of this year. He also pointed out in a conversation with Ross Wilson that Dublin, De Leon and Comanche have called elections for May 9, to allow the citizens of these cities to decide at the polls whether to give their city commissions authority to negotiate with the Upper Leon River Municipal Water District for supplying their respective cities with water from the lake.

Mr. Hunter further stipulated that under law, the option to obtain such water supplies must be exercised not later than June 14.

Additional reports on this matter will be made by the Gorman City Commission to the people as additional information develops, provided the revised rates presented by Hunter are considered reasonable by the Commission.

Another matter of some significance was discussed by the Commission. This has to do with the modifications in the City Sewage Disposal System. According to recent inspections by field representatives of the Texas State Water Pollution Control Board, certain changes will have to be affected in order that residue entering into Sabanna Creek will meet the rigid requirements established by the State Board. A committee, composed of Ross Wilson, E. E. Todd and Charles Underwood, was selected to determine the most economical manner of bringing about the required modifications.

Other business of the Commission included the selection of the following members: Mayor Pro Tempore, E. E. Todd; Sanitation Commissioner, Charles Underwood; Street Commissioner, Arlton Smith; and Water Commissioner, J. Davis Smith. The Commission also voted to accept bids for a one-year contract on maintenance of the grounds in the old section of the Gorman Cemetery. Terms for bidding are given elsewhere in this issue of the Progress.

HULLS

Folks who know Kernel Gene will tell you he is easily confused, especially where names are concerned. Sure enough he's done it again. Personally, I have talked to the Kernel 'in the quite of my office' but it hasn't helped much.

Mr. and Mrs. Horace Gray, who operate the skating rink, have one son, Gene, a senior in Goldthwaite High; and two daughters, Janan and Arline.

The Kernel loves people with dreams, especially those who dream of building Gorman. The Praters have re-named their hotel the "Goober", and stated:

"The lush coolness of the tropics surrounding the Atlantic Ocean coupled with the vividness of a Mexican fiesta will soon be the decor of the Goober Hotel, according to an announcement made by Arthur V. Prater, Jr., who recently purchased the hotel and Buddy's Appliance from Roy Blair.

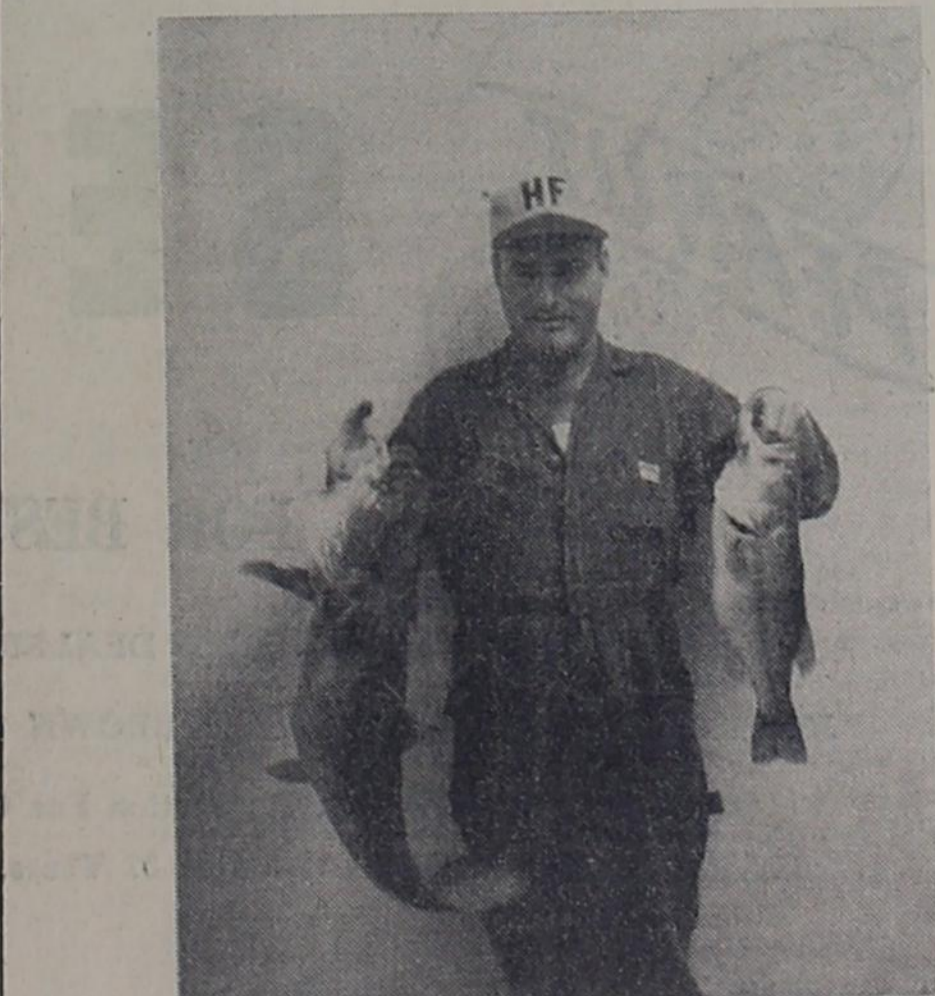

We hope to bring the hotel "alive" through the use of color, with the lobby being the central setting of an Atlantic Fiesta, says Mr. Prater. Much of the ratan furniture, straw wall coverings, light fixtures and brightly colored Indian Totem Poles will be imported from Mexico. The now dark stairs will be transposed into a "well of light" by painting one wall of the stairs sunlight yellow with bright orange stair railings. The opposite wall will be covered with matchstick bamboo. Multi-colored fiesta lights lining the stairwell and bright Mexican feather fans will complete the decor of the stairs and halls.

No central decorating theme will be used in the rest of the hotel. Each room or apartment will be decorated in a different period, ranging from antique to modern.

Mr. Prater predicts it will take 2 years to complete his plans to decorate 7 apartments and 10 rooms. Longer range expansion is planned if business warrants the expansion.

Since Mr. and Mrs. Doyle Ward added the dining room to their cafe it has become a very popular meeting place for groups in this area.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Inasmuch as automation, removal of production facilities to cheap labor countries abroad, and State Dept. policies of scuttling U. S. protective tariffs have resulted in unemployment, the taxpayers are being tapped for quite elaborate programs to "retrain" workers. This is largely resulting in some people learning new skills for which there are no jobs, either. But in all this flurry of "retraining," a major item has been overlooked.

C. W. Harder

In fact, some thought should be given, probably to the establishment of a new government agency to be known as BFRBFD, or Bureau For Retraining Bulls For Different Pursuits. In time, for headline purposes, this could become known as the Bureau of Bull.

The bulls of the nation, both Hereford and Angus, by following their natural bent, have aggravated problem brought about by flooding U. S. with imported meat.

Rep. E. Y. Berry of South Dakota states that in 1962 more beef was imported than was produced and marketed in the entire states of Wyoming and South Dakota, plus six counties in North Dakota.

Rep. Berry points out that in negotiating with cartel formed by European Common Market, State Dept. opened gates to U. S. market for foreign produced meats.

This has been done, he points out National Federation of Independent Business

out, because of the free nations of the world, the United States is the only one which does not put up rigid barriers and control to protect the domestic meat producers.

Rep. Berry believes what is sauce for the goose is also sauce for the gander and the American livestock producer should have at least equality with his foreign competition. This illustrates how far behind the times the Congressman has fallen.

Rather, he should be thinking of some other solution. After all, the reason for the existence of Hereford and Angus bulls is to increase the beef production of this nation. Now if foreign beef is being dumped in U. S. market, then there should be restraints placed on American bulls, but never on the foreigners.

Now, of course, it is difficult to teach an old bull new tricks, but with enough tax money and a sufficient number of young theorists recruited, there is no doubt that sufficient bull retraining programs could be developed to make BFRBFD the biggest Bureau of Bull history has known.

Perhaps these bulls could be retrained as fighting bulls, and thus mark the introduction of bull fighting to American life. The Bureau of Bulls could then, with matching funds, encourage cities to build modern bull fighting arenas, which would furnish more employment, government employed press agents by the thousands could write about the drama of bull fighting, and in due time the American people would get their fill of bull.

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1926—Defeated for Sheriff of Foard County by L. D. Campbell
- 1930—Defeated for District Attorney by John Meyers.
- 1932—Defeated for District Attorney by Ed Gossett.
- 1940—Defeated for District Attorney by T. Gene Rogers.
- 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1958—Defeated for District Judge by Tom Davis.
- 1960—Defeated for Court of Civil Appeals by James Denton.
- 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

You cook for pennies...

when you cook electrically

You'll be delighted to find out how little it costs to cook the modern electric way. Surface units cook by direct contact with utensil bottoms, use heat thriftily. The electric oven, insulated all around including the bottom, keeps heat inside where it belongs. And once the oven reaches the temperature you select, it uses electricity about one-fourth of the cooking time. It costs the average family only about 3¢ a meal to cook with flameless electricity. WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The question that many people have long asked was answered quite definitely fairly recently. That question has been "to whom is the United States State Department responsible?"

There perhaps should no longer be any doubt. The U. S. State Dept. is in affect a subsidiary of the AFL-CIO. This was made graphically clear when the unions refused to load wheat for Russia until assurances were given that at least 50% would go in ships under the American flag.

When the unions first refused to load the wheat, it was thought they were joining forces with the wide segment of American sentiment that the American people should not help bail out the Kremlin.

But such optimism died a-borning when it was learned the unions had no qualms about shipping to communists, as long as at least 50% went in American ships. The Russians have refused to pay the higher freight rates involved with shipping under U. S. flag.

So the nation, and the entire world, was treated to the unedifying spectacle of a President of the United States saying to the unions, "please fellows, let's get this wheat for Russia

loaded up, and we cross our heart and hope to die if we don't make sure that in the future at least half of it goes in American ships."

So it is perhaps of little wonder why the Prime Minister of England, the President of France, the Prime Minister of Canada, or even the Sultan of Swahili, if that is what they call the buck in charge there at the present time, pay little heed to U. S. policies presumably designed to protect and strengthen Free World.

After all, they hardly know who to deal with. Should they check in with the State Department or the CIO-AFL offices to find out what the United States is going to actually do next?

And it seems logical that such confusion should exist.

Fairly soon under the democratic procedures set up by the nation's forefathers, the major political parties will meet in convention to determine which candidates shall compete for the great honor of leading the American people. This entails untold expense as well as the subsequent costs of holding national elections.

But if the nation is to see much more repetition of the Russian wheat shipment mess, perhaps in the best interests of economy it would be well to eliminate these two conventions in favor of the annual CIO-AFL convention. After all, it is perhaps time to face facts, and recognize who is running the country.

HELLO FRIENDS!

With kindest regards to my old-time friends in the Gorman area. I gratefully remember in my race for the State Legislature in 1944, that you gave me a majority vote (more than the combined vote of my two opponents).

Some of my friends in the Gorman territory might like to know who I am supporting as our Representative for Congress in the 17th Congressional District, (Max Carriker vs. Omar Bursleson). I am a strong supporter for Max Carriker. I have carefully watched his record in the three terms he has served his district in the State Legislature. His fine record speaks for itself.

Max comes from an old-time family in West Texas; noted for their integrity in all their business dealings.

Max served his country in World War II.

It is my opinion that Max has the ability to make us a splendid Representative in the 17th. District.

I am paying for the insertion of this advertisement in your local newspaper, as I want my friends in and around Gorman to have the information, as I have outlined it above.

With my kindest regards to all my friends who may read this advertisement.

Where to Give Time Is WSCS Program Topic On Monday

Mrs. William Brogdon, program chairman for the Woman's Society of Christian Service, presented a yearbook program "Where Should a Christian Woman Give Her Time?"

Most Christian women, she said, do given several hours weekly to the church of their choice, but there are other places and other things, individuals in particular that need the time of a Christian woman.

So ably was the program presented that the women will adopt a local visiting project.

Mrs. Bob Green has been elected president of the WSCS for the 1964-65 year. She and her co-workers will be installed in May, at which time the full roster of officers will be published.

L. E. Sublett Makes Statement In Race For County Sheriff

L. E. (Lefty) Sublett pledges to make and maintain close cooperation with city and county officers, Texas Liquor Control Board agents, Department of Public Safety patrolmen, Federal Bureau of Investigation men and other law enforcement agencies in making his formal announcement as candidate for the office of Sheriff of Eastland County.

Basing his candidacy on personal honesty and personal attention to details of running the sheriff's office, the county native has this to say:

"Upon the unsolicited urging of Eastland Countians from all walks of life, I announced as a candidate for election to the office of sheriff, subject to the action of the Democratic Party primary.

"I was born in this county, one of six sons of Mrs. E. Sublett of Cisco and the late E. Sublett, who was one of the first pioneers of the county. I have four living brothers, Joe and Russell of Los Angeles, Calif., H. W. (Bill) of Enterprise, Kans., and the Rev. L. A. Sublett of Stamford.

"My health is very good and I will be able to devote all the time necessary to fulfill the office of sheriff.

"Raised on a farm two miles south of Dotham, I married Ann Edwards of Scranton in 1931. We both are long-time members of the Baptist Church. We presently live at 407 E. Foch in Eastland.

"We have two sons, L. E., Jr. of Dallas and Jim, who is employed on government installations on the Johnston Island. Both served in the U. S. Navy and we have four grandchildren.

"I worked 16 years for the county for Mr. Arch Bint, Commissioner of Precinct No. 4, and was for six years mechanic and maintenance man for the City of Cisco, and during the same time, served as automotive mechanics instructor in the Veterans Education Program in night school.

"For four years I was combination driver for the Cisco Fire Department and the Police Dispatcher. I was jailer at the Eastland County Jail from Jan. 1, 1961 to July, 1963. At that time I was named chief deputy in the sheriff's department where I am presently employed. I have served 18 years in Volunteer Fire Department work and served three years as Fire Chief. A member of the W. O. W. Lodge, I have served every officers station in the lodge. With a baseball background of my own, and especially with two sons, I have spent a lot of time working with Little League and Teen Baseball programs.

"Acquainted with the city, county, state and federal officers of this area, I'm convinced that it takes everyone doing his part to make an effective law enforcement team.

"My experience has taught me that complete honesty in your dealings with everyone, as well as courtesy and consideration, is the best way to utilize the sheriff's office in combatting the growing criminal rate.

"Cooperation with law enforcement agencies means more to me than answering questions when called upon. It means actively participating in raids; it means doing work quietly with the FBI; it means physically going along with highway patrolmen in times of crisis. Attention to details means personally inspecting jail quarters, examining personnel, promptly handling paper work and being on call 24 hours a day.

"That's the kind of sheriff I plan to be, and your vote, and your influence, in advising your friends will be greatly appreciated in my campaign for election.

"I am making every effort to personally contact every voter, but should I miss any, I trust that they will accept this as my personal request to ask support as your sheriff."

Mr. and Mrs. Fred Holdridge and Mike of De Leon visited Sunday with Mr. and Mrs. Speedy Clark. Mr. and Mrs. Harry Hudson visited Monday with the larks.

Carriker Congress Caravan Scheduled Friday - Saturday

Fisher County Supporters of Max Carriker, Democratic Candidate for Congress, met Monday night and announced final plans for a "Carriker Congressional Caravan". Neighbors and supporters of Carriker are planning to tour the district Friday and Saturday in support of Max. Al Finch, chairman of the planning committee, announced that the caravan was due in Eastland at 3 o'clock on Friday, April 17th.

The caravan, equipped with the candidate, sound truck, signs and red-white-and blue decorations, will visit Hamlin, Stamford and Anson Friday morning. Lunch will be a fried chicken dinner in Albany at noon. Friday afternoon the caravan will tour Moran, Cisco, Eastland, Ranger and Weatherford. Friday night will be spent in Mineral Wells where the group will attend a Carriker-for-Congress barbecue which is being sponsored by Palo Pinto County Carriker supporters.

Saturday morning the caravan will tour Mineral Wells business sections and depart for Stephenville at 9:30. Towns on Saturday's schedule will include Hico, Hamilton, Dublin, De Leon, Comanche, Rising Star, Cross Plains, Baird, and Clyde. The caravan will disperse in Abilene shortly after five Saturday afternoon.

In addition to Fisher County people who will be in the caravan, cars from Scurry and Nolan will join the caravan in Rotan, Taylor county people will join at noon in Albany, and other will join as the caravan moves eastward.

Max Carriker said at the meeting Monday night that he "was deeply touched by the large turnout." "When your neighbors back you so wholeheartedly and so enthusiastically," Carriker said, "I know that we are on the road to victory." Al Finch, who chaired the Monday night meeting, said, "This large turnout testifies to the good service that Max Carriker has given his district in six years in the Texas Legislature."

Mrs. Dorothy Hatcher visited in Abilene Friday and Saturday with her daughter, Mr. and Mrs. Charles Brown.

Mrs. B. E. Wagley Issues Statement For County Supt.

Mrs. B. E. (Audye) Wagley, Cisco teacher who is a candidate for Eastland County School Superintendent, issued a formal statement Friday in connection with her bid for public office.

"The decision to enter the race was my own," Mrs. Wagley said. "I am not obligated to any person or to any group. Having taught the Constitution of the United States for years, I firmly believe in the Constitutional right of the individual to be her own agent.

"The only promise that I make regarding the office is to try to do an honest day's work when and where there is work to be done.

"I feel that I am qualified to do this work properly. My experience and education have been such that I meet all of the professional requirements for the position I seek.

"Because I was late to enter the race, I know that it will be impossible for me to contact each voter in the county personally. I will try, however, to see as many as I can. I will sincerely appreciate every person's consideration and vote."

Mrs. Wagley is the former Audye Gentry, daughter of the late Mr. and Mrs. Gilbert Gentry. She was born and raised in Stephens County. She has one brother, Delma Gentry, of Route 3, Cisco,

Local School Board Re-elect Officers At Monday Meet

After executing oaths and commissions of office Monday night of this week, Gaylon Wright and Dr. W. M. Brogdon winners in the recent Gorman Independent School District Board of Trustees election, were renamed as president and vice president, respectively, of the school board.

E. G. Henderson was renamed as secretary of the board.

Among the items of business transacted by the board in its regular meeting was the authorizing of offering Driver Training this summer and the hiring of a lunchroom worker for next school term.

The Driver Training course being offered for the second consecutive summer, will be conducted by Bill Little, local high school principal. The tuition fee will be \$20 this year and will go to the instructor as his compensation.

Local students will have until April 27th to enroll and pay their fee before the class will be opened to students from neighboring districts. The class will be limited to thirty students.

Mrs. Velma Grady was employed to fill the lunchroom worker vacancy, occasioned by the decision of Mrs. Ava Mason to retire from the position at the close of the current school year.

and one sister, Mrs. J. G. High of Cisco.

A graduate of Breckenridge High School, Mrs. Wagley is a veteran of 24 years as a teacher in Callahan, Shackelford, Stephens and Eastland Counties. She has taught in the Cisco Public Schools for the past 19 years, and is a member of the high school faculty at the present time.

Mrs. Wagley has a BS degree and holds a permanent professional certificate. She has attended seven colleges and universities, including Randolph Junior College, Ranger Junior College, Sul Ross College, Daniel Baker, Texas Woman's University, H-SU, and McMurry College. In addition, she has studied with the American Academy of Accounting.

Wayne Gibbens Issues Statement For Rep. of Dist. 63

State Representative Wayne Gibbens today issued his formal announcement for re-election to a second full term from the 63rd. Legislative District.

Gibbens earlier had filed for re-election with the County Democratic Chairman. Gibbens formerly served two years as State Representative from the old 75th. District prior to his election in 1962 from the 63rd. District following legislative re-apportionment. District 63 is composed of Callahan, Eastland, Palo Pinto, Shackelford and Stephens Counties.

Few Texas legislators have ever had as many year-around assignments or as heavy a twelve-month committee workload as has Wayne Gibbens. Currently Gibbens is representing this district on the tremendously important Congressional Re-districting Committee — appointed by the Lieutenant Governor at the request of Governor John Connally.

Hard-working Representative Wayne Gibbens brings still further credit to this District by serving as Chairman of two additional Legislative Committees. He was elected by other members of the House of Representatives and the Senate to act as Chairman of the Finance Committee of the Legislative Council and he is also Chairman of the House Contingent Expense Committee, which, under Gibbens' tight-fisted supervision has cut House legislative costs and expenses by nearly 50%.

Representative Gibbens also serves on the important Agriculture, Rules, Oil and Gas, and Revenue and Taxation Committees.

In making his formal announcement for re-election Gibbens stated, "I am proud of the trust and confidence which you have placed in me and I have worked to bring credit and honor to Eastland County and District 63. The people of this district are entitled to an effective voice in our legislative halls."

Without question Rep. Gibbens has given the citizens of Eastland County strong and effective representation as witnessed by Governor Connally's statement after the last Legislative session, "Wayne Gibbens is an outstanding young man and an intelligent, effective legislator."

Gibbens is a graduate of Breckenridge high school and holds a degree in Government from Texas Tech. A member of the Baptist Church, Gibbens is married to the former Beth Cannon. Mrs. Gibbens has been a teacher in the public schools, but is now campaigning with her husband.

Gibbens' statement continued: "The next session of the Legislature will be an important one to Texans. Congressional re-districting, improvements in our educational system - both public schools and colleges and universities, industrial and economic development of our state, pollution of fresh water supplies, industrial safety programs, tourist attraction, election code reforms, delinquent youth re-habilitation programs, and fiscal reforms to promote the greatest advantage for the least amount of money in state government - all will be of major concern during the next session of the legislature."

"The confidence, trust and faith you have placed in me during my four years as State Representative are deeply appreciated. Your help

Carolyn Clark Undergoes Surgery In Houston Hospital Correcting Curvature

Carolyn Clark, high school freshman and daughter of Mr. and Mrs. Othell Clark of Gorman, is recuperating from an idiopathic scoliosis operation (a curvature of the spine) the cause of which is unknown, designating it from paralytic, caused from polio and congenital, a birth defect. When able to stand after six months in the cast she is wearing, Carol will measure near three inches above her pre-operative height of five feet.

In an interview Tuesday the fourteen year old young miss and her parents were pleased to tell of her good fortune which is cited as a miracle of modern science in surgery. The surgery is termed instrumentation and fusion, the bracing with rods after adjusting the curve to a near straight line.

Carol's curvature was discovered by her mother when the zipper of her May 1963 graduation dress persisted in pulling to a curve. But toying with the idea, "it couldn't be," for sometimes the curve just wasn't visible, Carolyn was allowed all summer fun and swam every day until August. Then x-rays made at Blackwell Hospital left no doubt. The curve was there.

The attending physician, Dr. William Brogdon, referred the parents to a Fort Worth orthopedic, a Dr. McDonald, who in turn, recommended Dr. Paul R. Harrington, a Houston orthopedic specialist.

Mrs. Clark said, "Speaking of making a decision about letting her submit to the operation. We had no choice. It had to be done, there was no other way."

Carol was readied for the operation with a month's rest routine which cut social and school activities to a minimum and her Sunday night piano playing for the First Methodist congregation was left to a substitute.

The operation was performed March 27 and two weeks later she was returned to her home. The cast is on for six months, but she will be allowed to stand after the tenth week for a few minutes and the time will be increased each week.

But sitting posture will come much later.

Among the many young people experiencing the same operation in Houston were Melinda Urban of Eastland and Linda Bailey of Irving.

Carol has a young brother, Bill, who keeps things lively around her bedside and she will continue her school work under the direction of Mrs. Bob Green, a former Gorman teacher, who like many friends of the Clark's, has volunteered to help keep things moving until Carol moves on her own power.

Democracy Is Topic Of Excelsior Club

The Excelsior Club met Tuesday evening in the home of Mrs. Martha Sutton with Mrs. Lawrence Eison as co-hostess.

A most informative and interesting talk on the meaning of democracy was given by Mrs. Gene Baker.

A panel discussion on democracy was presented with Mrs. George Blackwell as moderator and Mmes. M. H. Fairbatter, O. T. Shell, Fanny Burkett, and Walter Underwood as panelists.

During the business meeting final plans for the Silver Tea to be held on April 28 were discussed.

A delicious refreshment was served by the hostesses to members attending. Mmes. Blackwell, Walter Underwood, T. Shell, Walter Steele, Burkett, Gene Baker, Jr. and Nell Rainey.

Theodore Currie Is Buried In Abilene

Mr. Theodore Currie, 60, of Abilene, died at Hendrick Memorial Hospital at 12:50 a. m. Wednesday, April 14, 1964. He became ill late Tuesday at Barnes-Williams Drug Center where he had worked for the past 18 years as pharmacist.

Funeral services will be held this afternoon (Thursday) at 3:30 p. m. at Elliott's Chapel of Memories with the Rev. David Ruffin, pastor of the Central Presbyterian Church, of which Mr. Currie was a member, officiating. Burial will be in Elmwood Memorial Park.

He was born June 11, 1903 in Dallas and moved to Gorman with his family as a boy. He graduated from Gorman High School and entered the Pharmacy School of the University of Texas which was then located in Galveston. After graduating in 1925, he was associated with the Sanders Drug Co. in Albany before going to Abilene in 1946.

He married Edella Wilhelm in Throckmorton County in 1933.

He is survived by his wife; two sons, Charles M. of San Angelo, and Gene of Sweetwater; one sister, Mrs. Barton Eppler of Gorman; one brother, Maurice of Washington, D. C.; one half-brother, Edward Harrison of Gorman; and one granddaughter, Kymberly Jane Currie of San Angelo.

Pallbearers will be Jack Barnes, Warren Smith, J. C. Crowover, Jack Shields, J. W. Edwards, Dawson Blackwell, J. E. Wakefield, and Herbert Preston. All Abilene pharmacists and members of the Taylor-Jones Medical Society are named honorary pallbearers.

A NEW SON FOR MR. AND MRS. LARRY GRICE

OLIVER SPRINGS NEWS

By FLORENCE RICHARDSON

Just a few thoughts of mine driving along in the quiet country roads passing the houses, admiring the flowers, vegetable gardens and beautiful trees that Mother Nature can do to this wonderful country of ours.

COUNTRY HOMES

When I see the charming houses standing in the country side, Oft in passing I have pondered Of the dreams that they must hide. When I gaze upon the gardens, With their plots of tree grown shade, And with hearts most kind and gentle Beauty on the land have laid And when flowers have been planted underneath the Azure sky, I have sometimes heard the laughter of a child or two nearby And when in the glow of sunset Window panes are painted gold, I believe that they are symbols of the dreams these houses hold. And when in the star kissed night time doorway lights to Heaven nod, Then the dreams inside the houses must be bedtime prayers to God.

Mr. and Mrs. Wade Smith of Comanche visited the Garland Perrys, Sam Tunnells and Ed Gregorys this past week.

Mr. and Mrs. Bill Locke of Austin were weekend visitors with the Rawls family.

Mrs. Charlie Atchison and Mrs. Zetta Mathis spent last weekend in Tyler with Mrs. Atchison's children.

Mr. and Mrs. Clifford Moore were visiting their son and wife in Gorman Sunday afternoon.

The A. D. Bryans were in Eastland last Sunday visiting Mrs. Emie Seals.

Mr. and Mrs. Jack Scott of Abilene visited the Irvin Dominey family Saturday afternoon.

Methodist News

Pastor, Rev. Robert Sanders

We are looking for continued increased attendance at all services this next Sunday. Our Sunday School attendance for the last six Sundays has averaged 10% better than our average for the rest of the year.

"The Badge of Royalty" will be the sermon topic for the 11:00 a. m. service and "The Profit of Prayer" will be the topic for the 7:00 p. m. service.

We are happy to welcome Mr. and Mrs. Nelson Rand as newest members of our church. They come by letter from First Baptist Church of Gorman.

Things are really humming around our church as all Farrow Plan committees are starting to work. You will be hearing more about this each week and each Sunday during the next four weeks.

Only seven Sundays remain in this conference year. Let's do our best every week.

The Bruce Hirst family were dinner guests in their parents' home Sunday, the B. A. Hirsts.

Visiting in our home this past week were the A. D. Bryans, the H. T. Rawls and the Clyde Setzlers.

The Homer Richardsons were in Eastland Saturday afternoon visiting Jeanette and Barbara Kinser.

4-H NEWS

By Catherine Parr

It pays to advertise. Last week I wrote an article on 4-H work in which I stated I needed a Sewing Leader. Mrs. Doyle Preston offered to help me with Unit II Sewing.

Selecting my pattern and material was the first step. Next I straightened my material, pressed it and my pattern pieces. So I was ready to start work when I reached Mrs. Preston's home.

Mrs. Preston showed me how to lay my pattern, transfer pattern markings to fabric, and cut it out. I then learned about stay-stitching, darts, seams and how to leave an opening for a zipper. Also learned how to fix neck and sleeve facings. These lessons took most of Thursday and Friday - but I got far enough along that I will be able to finish the garment at home by myself.

Certainly do appreciate all the help Mrs. Preston gave me. Wish she could continue to help all the 4-H girls who would like to sew.

Now I will be able to enter the Dress Revue in May. Are there some other girls in Gorman that would like to join me in Unit II?

UNIT II CLOTHING MEETS

Unit II Clothing Group met on April 13th. at the home of Mrs. Bill Parr. Members present were Brenda Browder, Barbara Williams and Catherine Parr.

Mrs. Parr gave a demonstration on the correct way to shine shoes - first being sure they are clean by using saddle soap and then applying the desired polish.

We also learned how to care for shoes that have gotten wet.

We now have three girls interested in entering the Dress Revue. We will have to work hard to meet all the requirements necessary by that date but bet we will make it.

SEATON'S GRANDDAUGHTER WINS DISTRICT SPELLING BEE

LUBBOCK — Debbie Landers of Amherst, granddaughter of Mr. and Mrs. J. C. Seaton of Gorman, won the district spelling bee after 133 rounds Saturday with the correct spelling of "dipteral."

Bonny Brookshire of Denver City had a chance at the championship when Debbie misspelled "diminutive" but was unable to spell "diphthong." Debbie spelled it right and went on to take the spelling bee crown.

She was among 21 county champions competing.

RE-ELECT THE QUIET MAN WHO GETS THINGS DONE

OMAR BURLESON

Born and raised in Jones county.

Is a lawyer. Served as County Attorney, County Judge, Special Agent FBI and in U.S. Navy, WW II.

YOUR CONGRESSMAN FOR 14 YEARS. ELECTED WHEN 40.

Married, lives in Anson, Texas.

INCOME TAX REDUCTION

The income tax reduction bill that became effective in April of 1964 had the vote and support of OMAR BURLESON who has long felt that tax relief for the public was one of the most important issues before Congress.

LIMITED BEEF IMPORTS

OMAR BURLESON introduced a bill in Congress to limit the imports of beef from foreign countries. With a 25% wholesale price decrease caused by foreign imports this bill would provide a broader market for the ranchers and cattlemen. Retail prices remain high.

REDUCE FEDERAL BUDGET

Long an advocate for lower federal spending, OMAR BURLESON, in his 18 years in Congress, has voted to reduce the federal budget from three to 13 BILLION dollars each of his nine Congressional terms. He has never voted to reduce defense expenditures.

CUBAN EMBARGO

During the Cuban affair OMAR BURLESON introduced a bill for a complete embargo on trade with that country. He voted against the sale of wheat to Russia, recognizing that it would encourage our allies to sell to Cuba which they have done in fact.

CIVIL RIGHTS

Because the present form of the Civil Rights bill contains provisions to limit the freedoms of all Americans, he voted against it. He is for the constitutional guarantees for all Americans regardless of status.

LIMITED OIL IMPORTS

In 1949 OMAR BURLESON introduced the first bill to limit all imports, and then voted for the bill that gave the President of the United States power to limit or abolish oil imports.

REDUCE COMMITTEE BUDGETS

As chairman of the House Administration Committee, OMAR BURLESON has consistently reduced the spending of congressional committees. He reduced Adam Clayton Powell's committee spending budget by 50%.

FOREIGN AID

OMAR BURLESON has voted against foreign aid since the late 1940s. The recent reaction in Congress as to drastically reducing foreign aid and discussion about abolishing it prove him correct.

Visitors with Mrs. Ometa Lewis Sunday were her daughters, Mr. and Mrs. Joe Stewart and Mr. and Mrs. Dutton of De Leon.

ROGER Q. EVANS STATES VIEWS

ROGER Q. EVANS

It is now time that the issues in the State Representative race be spelled out in plain language, states Roger Q. Evans of Baird who opposes Wayne Gibbens.

The people of this district have a right to know the current issues and views of the candidates, in the five county district.

The office of State Representative has become a vital cog in the economy of our state and the citizens of said State. Over a five billion dollar appropriation faces the next session of the legislature. This money will go to state agencies, which will affect the lives of not only our school children but our adult life.

It is the opinion of Roger Q. Evans that the problems are so grave and vital to our economy and the destiny of people that a person well versed in the ups and downs of life and the ups and downs in our economy, that a seasoned experienced person in the problems of government can better represent your tax dollar than a person with little personal experience.

Mr. Evans, knowing many of the pitfalls, and who is seasoned enough to know the tricks of lobbyist, and who has the intestinal fortitude to defend the rights of our people against their clever schemes, is seeking the job as a hired hand to represent you in the Texas Legislature.

Here is how he stands on many of the issues. He makes these pledges:

I PLEDGE

To support an Educational Program — including teacher pay increases and adequate school facilities — that will place Texas on par with other states.

I PLEDGE

To give every aid and assistance to our retired and aging citizens by trying to amend the restrictive laws — to permit, under certain conditions, a recipient of old age assistance, social security and other pensions, to earn money through self-employment or part-time employment through programs established for the ones able to work so as to improve their economy.

I PLEDGE

To work with all agencies of the city, county and state governments to improve our economy through added payroll incomes to be provided through self-made projects — I have confidence this can be accomplished by establishing in each County a County Senior Citizens Industry Inc. to work out the details to manufacture products to be sold commercially through a five-county marketing program.

I PLEDGE

That if you elect me as your state representative by your vote on May 2, 1964, as long as I draw the \$4,800.00 per year, my services will belong to the five counties in proportion to the population of the counties. I will work with the various agencies to develop jobs and open opportunities to make life more liveable for this fast growing population of senior citizens who have been the backbone of our defense and civilization.

I PLEDGE

To energetically fight to protect the rights of property owners on all phases of their constitutional rights and work to defeat any legislation that tries to give powers of attorney to any state agency to control your oil, gas and other mineral rights under the surface of your land. House Bill 510 sponsored by my opponent tried to do this to land owners at the last session of the Texas Legislature.

I congratulate the Farm Bureau Legislative Director and its membership for so vigorously fighting against the Forced Pooling Bill No. 510 sponsored by Mr. Gibbens.

The bill was opposed by Land Commissioner Jerry Sadler, the Sheep and Goat Raisers Assn., the Independent Land Owners Assn. and others.

I PLEDGE

To support and vote to see that our tax dollar, before and when appropriated, will produce a dollar in return in needed services to the people of the State. I shall work to economize in said appropriations which will go a long way to meet most of the need for new taxes. Spending the taxpayers' hard-earned tax money is truly a grave responsibility and merits the most rigid test of NEED to the agencies requesting appropriations and to do this you need a seasoned and experienced man who knows these problems.

I PLEDGE

To support better rural roads and highways with adequate lateral roads.

I PLEDGE

To work for Industrial Development in our cities and small towns — to re-establish some of our lost business. I have been asked to express myself on two or more very controversial issues. In stating my views I well realize that I will lose votes, and will gain support by others.

I lived through and experienced the economic breakdown in business in a radius of 100 miles of the Arlington Downs, and saw when it got so corrupt that the governor called a special session of the Legislature to repeal the growing menace. I do not believe in legalizing for tax purposes, or otherwise, anything that will demoralize, and open opportunities for further break through on the moral standards of our State.

I PLEDGE

To introduce and push for the passage of a bill amending the laws governing the use of County equipment, to permit its use to incorporated towns on a rental or satisfactory bases agreed upon by the court. Such a bracket bill will meet the constitutional requirements as it may apply to this subject. There is a State wide need for such legislation.

Stand Up, Stand Up For Jesus

A revival . . . a corn-shelling machine . . . an accident . . . a hymn

"The Work of God in Philadelphia" is what men called the citywide revival of 1858. Of the participating ministers, none was more powerful than 29-year-old Episcopalian Dudley Tyng. Tyng was a born preacher and had been tutored by his minister father. One Sunday he stood before 5,000 men in Jayne's Hall. When he concluded his sermon 2,000 knees were on the floor. The following Wednesday he was at work in his study. For relaxation he went to his barn to watch the operation of a corn-shelling apparatus. The sleeve of his robe caught in a cog. His arm was torn out of his shoulder. Doctors and a score of ministers gathered at his bedside. He tried to sing "Rock of Ages" but he was too weak. The Rev. Stephen H. Tyng leaned over to hear the last words of his son, who had brought thousands to their knees

... "Tell them to stand up for Jesus." The phrase so impressed Presbyterian Minister George Duffield, Jr., that his next sermon from the text, "Stand, therefore, having your loins girt about with truth . . ." Then Duffield read a poem he had written. One of his members had the verses printed for distribution in the Sunday School. One of the leaflets found its way to a Baptist periodical. Composer George Webb read the poem . . . set it to music. In 1864 the Rev. Duffield heard soldiers in a Union camp sing verses he had written as a concluding exhortation to a sermon six years earlier.

A revival . . . a corn-shelling machine . . . a fatal accident . . . a hymn. "The Work of God in Philadelphia" has its influence today every time a hymnal is opened to—

Stand up, stand up for Jesus,
Ye soldiers of the cross;
Lift high His royal banner,
It must not suffer loss.
From vict'ry unto vict'ry
His army shall He lead,
Till ev'ry foe is vanquished
And Christ is Lord indeed.

Stand up, stand up for Jesus,
The strife will not be long;
This day the noise of battle,
The next, the victor's song.
To him that overcometh,
A crown of life shall be;
He with the King of glory
Shall reign eternally.

Homemaking Girls Selling Cookbooks

The Gorman Homemaking II Class is conducting their annual sale of the famous cookbook, Favorite Recipes of Home Economics Teachers. The 1964 edition features salads and appetizers. These cookbooks are sold only for fund raising. The 1962 edition features meats and the 1963 edition features desserts. These books may also be obtained from the chapter.

Homemakers will find in this book the most complete collection of salad recipes ever printed. It contains more than 2,000 recipes

submitted by home economics teachers from every section of the United States. The recipes are very practical and are suitable for every day meals as well as creative and gourmet attractions.

The "Salads" edition contains separate sections featuring vegetable and fruit salads. It contains one of the most complete sections on molded salads ever printed. Many salads which use low-calorie ingredients are also included.

To make the role of the hostess easier, a special feature is the section on party and dessert salads. An exotic touch is added with foreign salad favorites. A boon to the hurried homemaker is the section on frozen salads.

Appetizers and salad dressings are emphasized in this complete collection as well as hints for successful salad making, charts and photographs which made the "Salads" edition worth the \$2.95 price.

Favorite Recipes of Home Economics Teachers make excellent gifts for weddings, showers, and graduation. For information about obtaining this book, contact the home economics teacher at Gorman High School.

Births At Blackwell

The following births were reported at the Blackwell Hospital in Gorman this week:

Sharon Kay Johnson, daughter of Mr. and Mrs. Ivan Johnson of Waco, born April 6th at 12:25 p. m. She weighed seven pounds and six ounces.

Robert Morrison Proctor, son of Mr. and Mrs. Marshall Proctor of Lingleville, born April 10. He weighed seven pounds and two ounces.

MRS. ED WYATT HONORS GRANDDAUGHTER WITH LUNCHEON ON SATURDAY

Mrs. Ed Wyatt honored her granddaughter, Suzanne Welch of Fort Worth, a senior at Arlington Heights High School, with a luncheon Saturday at Ridgela Country Club.

A graduation tree with miniature silhouettes of graduates heads tied with class colors of gold and blue ribbon, hung from the branches, decorated the luncheon table. Miniature hornets, the school mascot, were place favors.

Attending the luncheon were eleven classmates and the honorees mother, Mrs. Clyde Welch.

Junior And Senior Banquet Held At Country Club

The Lone Cedar Country Club was decorated in a Mexican theme as the Juniors hosted the Seniors at the traditional Junior-Senior Banquet on Friday evening, April 10th.

The guests were greeted by Seniors Tommy Kirk, Robert Whitt and attractive Senoritas Rita Jarrett and Glenda Jordan dressed in typical Spanish costume.

Tables were gaily decorated with crepe paper and miniature sombreros. The centerpiece for the head table was a handsomely dressed doll in a matador's costume, surrounded by red carnations.

In the center of the floor stood an eight foot cactus plant created of paper machi with a life sized "bandito" slumped in a typical "siesta" position. Guitars, sarapes, and sombreros adorned the walls along side a large mural painted especially for the occasion by George Bolt.

Invocation was given by Terry Clark; the welcome to the Seniors by Don Wallace. Richard Watson responded for the Seniors with their thanks. Terry Clark gave the Senior Will and Joy Love, the Junior Prophecy.

Seated at the head table were the Senior sponsors, Mr. and Mrs. Mel Cowan, Mr. and Mrs. Denson Moody, and Junior sponsors, Mr. and Mrs. Arthur Young and Mr. and Mrs. Mike Newby. Other guests were Mr. and Mrs. Bill Little and Mr. W. R. Taylor.

A delicious meal was served, consisting of "Biftec, Alhorno Patata, Verde Haba, Ensalada, Limon Pastel, Hielo Te', and Cafe" (Broiled steak, baked potatoes, green beans, combination salad, lemon pie, tea and coffee.)

Entertainment consisted of a Mexican hat dance performed by the "welcoming committee." Dance music following the banquet was furnished by a group from De Leon.

At special request, listening music was spontaneously performed by a talented group of Juniors (Jerry Ormsby, Gary Overstreet, Doyle Welch and Mike Foster).
