## Home Ec Girls Hold Fashion Show For WSC On Monday

On Monday evening the Woman's Study Club met at the Methodist Fellowship Hall for a very enjoyable evening.

Members and their guests, mothers of the Home Ec girls, were entertained by the first, second and third year homemaking students with a style show.

Mrs. Ralphanne Moody narrated as styles of casual, school, beach, and dress were modeled. Each girl modeled a dress that she had made this year. All were beautiful dresses and the girls did a very good job in sewing as well as modeling.

Some of the very attractive accessories were furnished by the Frossard Department Store. The beautiful flowers decorating the hall were furnished by Preston's Florist.

Cake, punch, nuts and mints were served buffet style to members and guests by the hostess, Mrs. G. C. Acrea.

## Gorman Receives Two Inch Rainfall

Rainfall measuring up to two inches fell in Gorman Monday night and Tuesday morning. The area northwest of town received lesser amounts of moisture, with the Kokomo community reporting only one-half an inch, but the area to the south received more than two inches.

The rain increased the prospects for a good peanut crop, and came at a good time as farmers are in the process of getting fertilizer in the ground.

## FINAL RITES FOR P. H. COUCH SET FOR TODAY AT 2

Funeral services for Patrick Henry Couch, 93, were set for today, Thursday, April 23, at 2 p. m. in Higginbotham Funeral Chapel with Rev. Robert Sanders, pastor of the First Methodist Church, and Rev. W. H. Williams, pastor of the First Nazarene Church in Eastland, officiating, with burial in the Murray Memorial Cemetery at Carbon.

Mr. Couch died at 3:15 p. m. Tuesday in Lawndale Home For Senior Citizens. He had been ill for approximately six months.

A Spanish American War Veteran, a member of the Odd Fellow Lodge and a retired cotton buyer, he was born September 29, 1871 at Honey Grove.

He was married to Miss Myrtle Davis June 12, 1901 at Zephyr, Texas and had lived in Eastland since 1939, prior to coming to Gorman eight weeks ago.

Survivors include his wife; three daughters, Mrs. Helen Collins of Gorman, Mrs. Bob Itterly of Thousand Oak, California, and Mrs. Jim Gilbreath of Harlingen; two sons, Vernon Couch of Pico Rivera, California and Murray Couch of Slaton; eight grandchildren and eleven great-grandchildren.

## Carbon Senior Play Set For Friday Nite

The Seniors of Carbon High School will present their senior play, "They Went Thataway," a three act play of western comedy, at 8 p. m., Friday, April 24 in the Carbon High School Auditorium.

The cast will include Charlotte, played by Paula Norris; Rhonda Jackson as Lil; Kenneth Parrigan as Jackson; Tim Warren as Freddy; Larry Purdom as Joe; Deane Snider as one blossom; Neita Tucker as Elmiar; Lindon Reynolds as Waxy; Bruce Wyatt as Slug; and Bertha Taylor as Sue.

Admission for adults will be 50 cents and 35 cents for students.

Mr. G. W. Mosier is senior sponsor and director of the play.

## Limited Changes In Postal Services

The limited adjustments in some postal services ordered in Washington March 10 by Postmaster General John A. Gronouski to save \$12.7 million will begin to take effect in Gorman and other cities May 4, 1964. Postmaster Graydon Baze said today.

Service changes planned locally include the following, Mr. Baze said:

1. There will not be, under any circumstances, money orders issued on Saturdays.

2. Rural carriers shall not accept money order applications on Saturdays.

The Postmaster emphasized that no essential major services are affected under the orders. There will be no change in rural delivery, special delivery or parcel post, for example. Regular business mail will continue as usual. Letters and other first class mail will be handled with the same priority as ever.

The economy step, Mr. Baze explained, is in line with President Johnson's programs under which the recent Federal income tax cut was provided.

ates, Consulting Engineers of Dallas. In the Saturday meeting Mr. Hunter discussed with the Commission in detail the history of the Proctor Dam Project and the legal implications relating to the matter at hand. Mr. Hunter presented tentative charts showing the flow of water from the Proctor Reservoir to the 5 towns contemplating a contract for water usage; they are: Comanche, Hamilton, Dublin, De Leon and Gorman.

The Commission hastens to explain that it is not in a position at present to recommend an affirmative vote on this question. At the present time, the city is collecting approximately \$28,000 per year for the sale of water. It is spending only approximately \$11,000 per year in maintaining the present water system. This leaves a considerable surplus of funds which are being used in various city operating costs. Under the proposed new plan, this surplus of funds would not be available since the new system would utilize all moneys collected for water. A detailed study is currently underway in the city office, of income and expenditures so that the Commission and the voters can be better informed relative to the financial implications involved in

Awards will be presented to first, second and third place winners.

The exhibit will be a silver tea to which the public is invited.

## Senior Class Play Draws Nice Crowd

The Senior Class play, "The Case of The Missing Heirs", presented last Friday night was well received by an almost capacity crowd.

The seniors and the directors, Mr. and Mrs. Mel Cowan and Mrs. Ralphanne Moody are to be commended for the wonderful presentation of the delightful three act comedy-mystery, that was so thoroughly enjoyed that the seniors have received many requests to present the play again for the benefit of those who were unable to attend the Friday night performance.

Class president Richard Watson, on behalf of the class, expressed appreciation to the directors and to Mr. Jack Harrison, who built the stage props, and presented each with a gift, and to those who supported it with their presence.

## D. R. CLARKS ENTERTAIN SENIORS AT DINNER PARTY

Mr. and Mrs. D. R. "Speck" Clark were hostess for a barbecue dinner Tuesday evening honoring the senior class of 1964, and their son, Terry, who is a member of the graduating class.

Class flower and colors were used in the table decor with an arrangement of red carnations centering the table covered in white with red streamers down the center.

Each place card contained a Kennedy half dollar, a memento of the year of a historical event and their graduation.

Tommy Clark presented organ music during the dinner hour, beginning with the class song "Mementos To Remember."

All members of the class were present for the joyful occasion.

considering how to vote on this matter. However, in view of the fact that time is of the essence, and that our option to say yes or no on contracting for the lake water will run out within a few weeks, it seemed that the most prudent course of action for the Commission to follow was to take the legal steps necessary in allowing the entire voting citizenry to say yes or no on the proposition. In the meanwhile, the Commission will make every effort to bring before the voters the facts as they actually exist.

Hunter explained that the water district, composed of the 5 towns previously mentioned, has a 10-year option on the entire yield of the Proctor Reservoir. At the end of this 10-year period the district will have another option extending possibly over a period of 30 to 40 years. He explained that there would be plenty of water available. He stated that the reservoir will yield 11 million gallons of water daily, even during periods of drought. The 5 towns now require only 2 million 700 thousand gallons per day. By the year 2010 the engineer estimates that the combined needs of the towns will be 8 million gallons per day. There will be a central treating plant near the reservoir where water will be treated prior to entering the pipelines on its way to the several towns involved. If the situation materializes, the water for Gorman would be piped to De Leon along with De Leon's water supply. From De Leon a smaller pipeline would be used to transport Gorman's water.

The monthly rates quoted by Mr. Hunter as necessary to maintain the proposed new system would be the same as now for up to 2,000 gallons. This is currently \$3.50 per month and would remain unchanged. However, for amounts above 2,000 gallons per month, the rates would increase under the proposed new system. For example, 4,000 gallons monthly (which is our present average per meter per month) now costs \$4.30. Under the new system the rate would be \$5.10. For a monthly usage of 8,000 gallons we now pay \$5.78. The new rate for 8,000 gallons would be \$7.85. For 20,000 gallons monthly we now pay \$9.98 per month. The new rate would be \$14.45.

An affirmative vote on this election would merely give the Commission permission to contract with the Water District. It would not be mandatory in nature.

## Roger Blackmon to Be Honored Friday By 4-H Adults

Mr. Roger Blackmon, reared on a Rannels County farm, is moving to Dickens County as agriculture agent May 1st. Roger has been the assistance agriculture agent in Eastland County for the last 30 months. He is a graduate of Texas Texas with a BS in agricultural education. He succeeds Billy Precival, who has been transferred to Houston County.

Roger will be missed in the Gorman area as he has worked closely with many 4-H youth here. His successor has not been named as yet.

The Eastland County 4-H Adult Leaders Association is sponsoring a farewell picnic on Friday night, April 24 for Mr. Blackmon.

All friends of Mr. Blackmon and his family are invited to attend.

Anyone attending is asked to bring a covered dish for the supper, or a freezer of ice cream. The supper will be served at 7 p. m., however, the group will begin gathering around 4 p. m. for games. The supper-picnic will be held in the Lake Cisco Park, north of Cisco.

**Hospitals And You**

By Gerald Geyer, member Council on Public Education Texas Hospital Association & Administrator, Memorial Hospital, Seminole

You hear and read about the high cost of hospitalization nearly every day. But, do you ever try to figure out just why these services cost so much and just what you actually receive for your money?

The hospital's FIRST responsibility is to safeguard the health of all patients — providing scientific skills and resources you may need NIGHT AND DAY — doing every thing possible regardless of cost. These are the services for which you are asked to pay.

Are all those laboratory tests necessary? Yes, your doctor ordered them as an aid to diagnosis. You wonder why just sticking a needle in your finger costs so much? The man who stuck the needle in your finger is a skilled technician whose specialty is laboratory research and analysis. His laboratory findings will aid the doctor in giving him a more detailed picture of your disease or illness. Some tests require hours of time and quantities of chemicals and drugs to work up and complete.

**Farm Bureau Directors Meeting Held In Eastland**

The Eastland County Farm Bureau Board of Directors met in their regular meeting Monday night, April 20th in the office location.

Invocation was given by Pat Moseley.

Roll call was answered by eleven directors. Billy Claborn, Rt. 1, Eastland, was appointed to fill the vacancy of Jimmy Sparks, Desdemona, who has moved to Stephens County.

cost so much? Your room is especially designed and equipped to care for the sick. It is your home away from home. Few people realize that they occupy in the community hospital cost in excess of \$14,000. Of course the bed itself did not cost \$14,000, but that bed's share of the cost of operating rooms, the laboratory, the X-ray department, the kitchen, the laundry, the heating and air conditioning plant, and the office cost more than \$12,000, and it takes ALL of this to provide a single hospital bed. Linens must be frequently changed — you know the price of sheets and laundry costs. Special foods are prepared for you, on your doctor's orders, and you are served three meals a day in bed. Only top quality foodstuffs are used. Knowing the increase in your own grocery bill helps you to understand — doesn't it?

We could go on and on with this explanation. Salaries and wages are the highest in history. To operate all departments of the hospital, each patient requires the services of approximately two hospital employees and even the finest hotels have only ONE employee for each guest.

So is it any wonder that hospital costs are a little higher than motels and hotels, where all the little extras are an additional cost to you — besides you usually have to leave a sizeable tip!

Reading of the previous minutes were read and approved. Finance report was given by Ray Norris, Secretary and Treasurer.

Membership report was given by Cyrus Justice. A total of 12 new members joined during the membership drive.

John Love gave a report on public information and announced the next meeting on the Education Program would be in Gorman May 4th. Luke Palmer and Pat Moseley will have charge of the meeting, which will be on Safety. Jack Umberson, Safety Director of the Lone Star Gas Co., will present the program.

Mrs. Loresta Veale and Joy Love were appointed by the President to serve as Chairmen of the Young People's Citizenship Committee.

Rollin McFarland, Boy Scout Executive, was present and told the directors he had found the rural leaders for the Scranton, Olden and Desdemona Scout groups. Henry Fry, John Love and Herman Schaefer were appointed as the Farm Bureau Executive Committee.

The Directors voted to sponsor the 4-H boys and girls that will go to the State contests which will be held June 2-4 on the campus of the Texas A&M University. Those going will be Sharon Harbin, Favorite Food Show; Ruby Wende, Food Nutrition Education Activity; Ted McCullough and Kenny Thompson, Team on Farm and Ranch Management.

Those present were Mr. and Mrs. Jack Cozart, Ray A. Norris, Mr. and Mrs. W. O. Cantwell, Mr. and Mrs. J. C. Coats, Mr. S. C. Cotton, L. A. Harbin, Mr. and Mrs. Cyrus Justice, Mr. and Mrs. John Love, Mr. and Mrs. Herman Schaefer, Howard Wade, Mr. and Mrs. Henry Fry, Billy Claborn, Rollin McFarland, Pat Moseley, and Edwin Lepley, Agent from Jack County.

**this high-speed electric unit can heat a can of soup bubbling hot**

Super-speed cooking units on today's electric ranges start heating *instantly* — reach full high heat in *seconds!* And because they transfer heat by direct contact with utensils, they offer unsurpassed cooking speed. A can of soup or beans, for example, can be heated bubbling hot in just 65 seconds. A quart of water boils in only four minutes. On top of range, broiler or oven, you get the cooking speed you want electrically. See your electric range dealer soon. Cook electrically... live better electrically!

**OMAR BURLESON**  
**INCOME TAX REDUCTION**  
The income tax reduction bill that became effective in April of 1964 had the vote and support of OMAR BURLESON who has long felt that tax relief for the public was one of the most important issues before Congress.

**LIMITED BEEF IMPORTS**  
OMAR BURLESON introduced a bill in Congress to limit the imports of beef from foreign countries. With a 25% wholesale price decrease caused by foreign imports this bill would provide a broader market for the ranchers and cattlemen. Retail prices remain high.

**REDUCE FEDERAL BUDGET**  
Long an advocate for lower federal spending, OMAR BURLESON, in his 18 years in Congress, has voted to reduce the federal budget from three to 13 BILLION dollars each of his nine Congressional terms. He has never voted to reduce defense expenditures.

**CUBAN EMBARGO**  
During the Cuban affair OMAR BURLESON introduced a bill for a complete embargo on trade with that country. He voted against the sale of wheat to Russia, recognizing that it would encourage our allies to sell to Cuba which they have done in fact.

**CIVIL RIGHTS**  
Because the present form of the Civil Rights bill contains provisions to limit the freedoms of all Americans, he voted against it. He is for the constitutional guarantees for all Americans regardless of status.

**LIMITED OIL IMPORTS**  
In 1949 OMAR BURLESON introduced the first bill to limit oil imports, and then voted for the bill that gave the President of the United States power to limit or abolish oil imports.

**REDUCE COMMITTEE BUDGETS**  
As chairman of the House Administration Committee, OMAR BURLESON has consistently reduced the spending of congressional committees. He reduced Adam Clayton Powell's committee spending budget by 50%.

**FOREIGN AID**  
OMAR BURLESON has voted against foreign aid since the late 1940s. The recent reaction in Congress as to drastically reducing foreign aid and discussion about abolishing it proves him correct.

When buying fresh mushrooms at the market, choose those that are clean and white to creamy white in color.

The caps of the mushrooms should be closed or partially opened, not fully opened. The gills (the fluted formation between the cap and stem) should be light in color, not brown or black.

One pound of fresh mushrooms, cooked and drained, is equivalent to three 4-ounce cans of drained mushrooms.

When buying flowers seeds, look for new varieties listed as F1 Hybrids. These are among your best buys. Seeds from these hybrids cost more than seed of the usual open-pollinated varieties. For superior hybrids the money is well spent.

F1 Hybrids are produced by crossing selected inbred parents. Plants of F1 varieties are usually more uniform in size and more vigorous than the plants they come from. Good hybrids also produce more or better flowers, sometimes both.

You can't, however, save seeds from an F1 Hybrid. The second generation reverts to various combinations of characteristics possessed by the original parents.

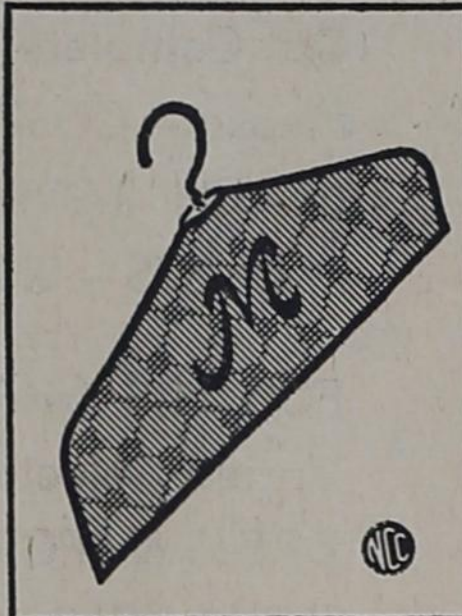

Did you know that vegetables cooked one day, then reheated and served the next, lose some of their nutrients? Vitamin C losses are particularly noticeable. The vegetables will have only three-fourths as much Vitamin C after 1 day in the refrigerator as when freshly cooked. After 2 days, the vitamin C content drops to two-thirds and after 3 days it's down to a third or half of its original value.

## Mrs. Boyd Is Host To Friendly Ladies

The day was cloudy and cool; the week's laundry was done (maybe), and somebody said, "coffee time." The Friendly Ladies gathered in the home of Mrs. G. O. Boyd for a coffee-social.

Mrs. J. W. Ramsey led the business session, and Mrs. W. O. Parr brought everyone up to date by reading the minutes of the previous meeting. Progress was reported on the church carpet fund, a fund that was created and has grown with memorials. It seems that, with a bit of effort, the time may not be too distant when the church center aisle and pulpit area can be carpeted.

## NEW FAMILY IN GORMAN

Mr. and Mrs. John D. Caudle moved to Gorman this week from Jal, New Mexico.

Mr. Caudle is employed with Gorman Peanut Company. The couple are at home in the Rev. A. B. Hunt rent house.

The family are members of the First Christian Church, but since there is not a church of that denomination here Mrs. Caudle stated they would probably attend the Methodist Church.

Mr. Caudle's mother, Mrs. Jim Ray Bucy, lives in Rising Star. Also a brother, W. E. Caudle.

## J. R. TODD FAMILY REUNION HELD SUNDAY

Junior College, summer 1962, and Midwestern University in 1962-1963. She currently is living in Wichita Falls.

The psychiatric nursing program at Austin State Hospital is designed to train nurses in the recognition of psychiatric disorders, techniques useful in caring for emotionally ill patients and of community agencies established for dealing with social problems arising out of mental illness, Dr. Hoerster said.

Students spend three months in ward training and classroom instruction under psychiatric nurses, social workers, psychologists, rehabilitation therapists, dietitians and chaplains.

Mr. and Mrs. J. R. Todd had all their children home for the day Sunday. They were Mr. and Mrs. Elmer Todd of Slaton, Mr. and Mrs. J. D. Caldwell and Mr. and Mrs. E. E. Todd and Mr. and Mrs. D. O. Munn, all of Gorman. Also a granddaughter, Mr. and Mrs. Delmer Shugart of Granbury, and Mr. Walter Goodwin, a brother of Mrs. Todd, and Mr. J. M. Todd, a brother of Donna, visited the family on Monday.

## What A Friend We Have In Jesus

A Carpenter and The Lord Write a Hymn Together

Grief fell over the town of Lake Rice, Canada. One of the community's most beloved citizens was dead. Some believed his death was accidental. But the poor people—those who knew him best—wondered if their friend had taken his life!

Joseph Scriven was born in Dublin in 1820. He was educated on the Emerald Isle and graduated from Trinity College. He was a youth of high ideals and a beautiful lass has set the day when she would share his high hopes. Then tragedy struck. The day before the wedding the body of the young Irishman's bride-to-be was pulled from a pool of water where she had accidentally drowned.

Scriven never overcame the shock. At twenty five he migrated to Canada in the hope of forgetting. But he never forgot. For forty years

the melancholy man associated himself only with the poor. He worked at simple labor but refused employment from those who were able to pay. Most of his time was spent sawing wood and doing patch carpentry for widows and the sick.

One day when he was ill an attending neighbor found a poem in his room. Questioned as to the authorship, Scriven replied, "The Lord and I wrote it between us."

It was October 10, 1836, and Joseph Scriven was dead. Like his sweetheart of years ago, his body was pulled from a pool of water. Whether he died of his own design didn't really matter. His neighbors built a monument to his memory. Not because he had written a famous hymn but because he had devoted his life to the poor.

The Hymn Scriven said he and the Lord wrote together was

What a friend we have in Jesus,  
All our sins and griefs to bear!  
What a privilege to carry  
Everything to God in prayer!

O what peace we often forfeit,  
O what needless pain we bear,  
All because we do not carry  
Everything to God in prayer.

Have we trials and temptations,  
Is there trouble anywhere?  
We should never be discouraged,  
Take it to the Lord in prayer.

Can we find a friend so faithful,  
Who will all our sorrows share?  
Jesus knows our every weakness,  
Take it to the Lord in prayer.

Are we weak and heavy-laden,  
Cumbered with a load of care,  
Precious Saviour, still our refuge,  
Take it to the Lord in prayer.

Do thy friends despise, forsake thee?  
Take it to the Lord in prayer  
In His arms He'll take and shield thee,  
Thou wilt find a solace there.

This is one of a series presenting the story of the world famous religious hymns sung by the faithful of all creeds.

## Gordon McLendon Hits Civil Rights In Senate Campaign

Gordon McLendon concentrated his fire on the pending civil rights bill in the waning days of his campaign for the Democratic nomination for U. S. Senator.

He followed a schedule designed to reach, through personal contact and communications media, the greatest possible number of voters before the May 2 primary. His itinerary calls for thousands of miles of travel into all sections of the State by plane and helicopter.

"My opposition to the bill being debated in the Senate actually is a crusade for civil rights," he declared. "I'm not in favor of denying any of our citizens the rights granted them by the Constitution, but I am against the passage of this bill because certain sections of it threaten the civil rights of all citizens. Those provisions would deny everyone, regardless of race or national origin, the right of trial by jury and deprive us all of control over our property — including our very homes."

"Some of the people who are demanding the passage of this bill, without changing a word or a punctuation mark, evidently are misled. But I am convinced that the leaders who are mapping the strategy of this high-power campaign know exactly what they are doing. They see in this bill, with its disregard of fundamental civil liberties, another instrument of power over the lives of the American people."

McLendon emphasized that the only way of registering majority opinion on the principles involved in the campaign is to vote in the Democratic primary.

## MICHAELYN BARKER WINS OKLA. UNIV. SCHOLARSHIP

Michaelyn K. Barker, daughter of Mr. and Mrs. Francis Barker of Oklahoma City, was named a winner Saturday night, April 11, of the General Motors Corp. Scholarship competition.

A senior in Northwest Classen High School at Oklahoma City, Mickey will receive up to \$2,000 a year for four years of study at the University of Oklahoma.

Dr. Clifford Craven, dean of the scholarship committee, said the winner was selected from 700 students who competed in the written and oral examinations.

Mickey, as she is known to her friends in Gorman, began her formal education in the Gorman Schools. She is the granddaughter of Mr. Don E. Rodgers of Gorman.

## Gov. John Connally to Review Progress On TV Friday Nite

Governor John Connally will review steps of progress for Texas under his administration in a special half-hour state-wide telecast Friday night of this week. The program will be carried on more than 22 stations in all parts of Texas. Tentative time in most areas is 8:30 p. m. on CBS stations.

It is the first major appearance by the Governor of his re-election campaign. He has made a few non-political appearances over Texas, but mostly concentrated on tending to duties of the governorship at Austin.

In the half-hour program, to originate from the State Capitol, Governor Connally is expected to stress several highlights of his administration on which he has placed emphasis since taking office. Foremost is likely to be the field of education, which has been a frequent theme of his statements. At the governor's recommendation, the 58th Legislature authorized creation of the Committee on Education Beyond The High School, which currently is evaluating the state's educational resources and laying out a blueprint for the future.

The Governor also is expected to dwell on increased industry for Texas and point out that 317 new plants were built in the state last year — second only to New York. He also likely will point out that the state's new Texas 65 Health Plan provides low cost medical care for aged as a result of legislation passed last year. More than 50,000 elderly Texans enrolled in the plan the first thirty days.

In addition to the statewide half-hour program, Governor Connally also has revived his popular "Coffee With Connally" series inaugurated two years ago. The 5-minute informal program is scheduled in stations throughout Texas — in most areas on NBC stations during the Today Show.

Mrs. John Connally carried out a busy schedule of coffee appearances in several Texas cities last week in support of her husband's candidacy.

## J. B. Williams Issues Statement For County Sheriff

"I am not a politician," J. B. Williams says. "I am a law enforcement officer."

That statement is one of the highlights of the formal announcement of his candidacy for Sheriff of Eastland County.

"The office of sheriff is one of the most important positions to be filled by citizens of Eastland County during the coming Democratic primary elections," Williams declared and added:

"Prior to announcing our candidacy to be your next sheriff, we had been visited by citizens from all parts of the county who urged that we enter this race. Our announcement and subsequent campaigning is in response to their wishes.

"Since law enforcement has been our major career interest with civilian and military experience totaling over 18 years and since our performance of duties and conduct in office is a matter of public record, we feel that we are dedicated and qualified to render the type service which our citizens deserve and have a right to expect.

"I am not a politician. I am a law enforcement officer. My background includes three and a half years' experience as a constable, four months as a deputy under the late and esteemed John Hart, and 10 years as your sheriff. During my three years' service in the U. S. Navy during World War II I was engaged in military police and law enforcement activity. I also spent 18 months as a security officer in the employ of Humble Oil & Refining Co.

"Over these years we have had the opportunity to handle every type case from minor infractions of the law to major thefts, homicides, etc., and are thoroughly trained in all phases of law enforcement work and procedures, including use of the polygraph, modern fingerprint identification and the latest scientific methods now employed in preventing and controlling crime.

"I am in excellent health and top physical condition and my only hospitalization in recent years was for a hernia operation to correct an injury received while working at my ranch. Earlier this year a cataract was removed from my right eye and my vision is good.

"We are intimately aware of the challenges which lie ahead for the man who will serve you as your sheriff during the next four years and know that we can vigorously and efficiently handle any problem or incident which arises in the law enforcement field.

"If elected we promise an efficient, courteous administration, handled by a new, highly capable and experienced staff and pledge ourselves and those who assist us in assuring the citizens of Eastland County that our laws will be fairly and impartially enforced.

"Although we have been busily engaged in the conduct of this campaign, it has been impossible for me personally to meet and greet every voter in the county.

"Due to the shortage of time," Williams' statement concluded, "I am taking this opportunity to invite you to consider my past record, experience and qualifications and to respectfully solicit your vote and support on May 2."

Williams, who served as sheriff from 1947-1951 and 1955-61, was constable at Gorman prior to his enlistment in the Navy during

## John Wright is New President Of First St. Bank In Abilene

John A. Wright, former executive vice president, became president of the First State Bank in Abilene Tuesday afternoon, succeeding Briggs Todd, who resigned to become senior vice president of Mercantile National Bank in Dallas.

It was announced that the First State Bank elected Wright president last Wednesday, subject to Mercantile's anticipated appointment of Todd. His election to the presidency comes ten years and eight months after he began his banking career as vice president at First State, the third largest bank in Abilene.

Wright was an employee of the Southwestern Peanut Growers' Association in Gorman from 1941 to 1944. From 1944 to 1946 he served as an Ensign in the Navy. He returned to SWPGA as assistant manager and became manager in 1947, a position he held until resigning in 1951.

After ranching in Stephens County and engaging in the peanut business for the next two years, he was named vice president of First State Bank in Aug. 1953. He was a loan officer and also in charge of new business development. He was elected to the bank board in 1958 and promoted to executive vice president in 1959.

Wright is now director and treasurer of Abilene Chamber of Commerce, director and vice president of Central West Texas Municipal Water District, member of the United Fund budget committee, a director and member of the advisory committee of the Taylor County March of Dimes and a director of Abilene Boy's Club and West Texas Rehabilitation Center. He is also a director of Citizens National Bank of Breckenridge, which opened last July.

Mrs. Wright was a teacher in the Gorman Schools during the time her husband was serving in the Navy.

The Wright's have two children, Ouida Jo and John Amos, Jr., and live at 925 Westridge in Abilene.

## Heart O' Texas Singers Reunion At Brady April 25-26

The Annual Heart O' Texas Singers Reunion will meet Saturday night and Sunday, April 25th and 26th, in the high school auditorium at Brady, Texas.

A concert by the visiting quartets will be given Saturday night beginning at 8 o'clock. Four outstanding quartets and many other groups will be on hand for your entertainment.

Doors open Sunday morning to the public for the all-day singing, which will include class singing and also quartet singing, until 4 o'clock in the afternoon.

Lunch can be had at noon in the school cafeteria.

Mrs. A. C. Stewart, president of the organization, cordially invites everyone to attend.

## MRS. DOROTHY JOHNSON IS EMPLOYED WITH STYLE RITE BEAUTY SHOP

Mrs. Dorothy Johnson received her State Beauty Operators License this week and has accepted a position with Style Rite Beauty Shop in De Leon.

She is a graduate of Gary's Beauty College in Brownwood.

World War II. The husky six-footer who weighs 180 pounds was raised on a farm and attended school in the Duster community. He is the son of the late R. H. (Uncle Bob) Williams, a pioneer Eastland County resident.

His wife, the former Miss Thelma Taylor, is a lifelong Eastland County resident and daughter of C. S. Taylor, Gorman pioneer.

The Williamses, who make their home six miles north of Gorman, have one daughter, Nanette, age 8. The family attends the Church of Christ.

## O. L. Stamey Makes Statement In Race For County Supt.

Since I am a native of this area and have for the last five years worked personally in your schools, I feel that most of you need no introduction to me. It will be impossible for me to see each of you because the duties of my office cover about forty (40) areas of activity, and often include meetings with school men of the county and educators of the state. For this reason, through your newspaper, I am asking you as voters to elect me to serve the remaining two (2) years of the unexpired term of County School Superintendent to which office I was appointed about eight (8) weeks ago following the death of Mr. H. R. (Pop) Garrett. My work in your schools included that of supervisor in the state and national testing programs, and as assistant in guidance and counseling and in the Career Day activities.

I hold a bachelor's degree from the State Teachers College at Alpine and a master of arts degree from Hardin-Simmons University of Ailene with a major in school administration. I have attended administrative workshops at Texas A&M, the University of Texas and North Texas University, and have advanced credit from the University of Colorado at Boulder.

My certification includes the Professional Certificate for Teachers, the Professional Certificate for Principals and Superintendents, and the Professional Certificate for Supervisors. I have had a broad experience in school administration, having served in both public schools and college.

I have worked in the schools of this county thirty-four (34) years, the last five (5) as supervisor of schools working out of the county superintendent's office.

My community service includes more than thirty (30) years on my church board, more than twenty (20) years as a teacher of the Men's Bible Class in Church School, a number of years in Youth and Scout work, and many years in various other activities. I am now serving as an International Counselor of Lions International. I am a committeeman and director for the Lions Training School for the Blind at Kerrville, Texas and help with the rehabilitation of handicapped children.

Mrs. Stamey, the former Ina Leveridge, is a native of Eastland County and a former teacher with many years of service. We are the parents of one son, a minister in Talco, Texas.

Please look at my record of achievement, qualifications and service - and vote on May 2nd. I shall deeply appreciate your efforts on my behalf.

## CARBON ANNUAL STAFF ENJOYS SUPPER FRIDAY

A fried chicken supper with all the trimmings and German chocolate cake as dessert was enjoyed Friday evening, April 17 in the home of Mrs. Walter Steele, layout sponsor, by the Carbon Annual Staff and their dates.

Those attending were Paula Norris, Larry Morrow, Larry Duncan, Sharon Sayre, Ronnie Pack, Linda Jackson, Tim Warren, Kay Thackerson, Mr. C. T. Spence, Tim Stacy, Nancy Justice and Jeanna Norris.

After supper Tim Stacy and Tim Warren entertained the group with a series of amusing hunting experiences.

The Carbon "Sandstorm" is expected to be back from the printers in the very near future, possibly by the first of May.

## Lone Cedar Club Bridge Tourney Set For April 25-26

Lone Cedar Country Club will have a two-day duplicate bridge tournament Saturday and Sunday, April 25-26, under the sponsorship of the Fort Concho Unit No. 204 of the American Contract Bridge League.

The event will honor Mrs. Margaret Bearman and Mrs. Netta Sandler, both of Cisco, who were the over-all winners in the State of Texas in the March 6th. National Charity Tournament.

Trophies will go to the winners of the Lone Cedar tourney. For complete information, players were asked to contact Lloyd L. London of Cisco, the director.

## Open Horse Show Slated On Saturday At Hamilton Arena

HAMILTON — An "Open and Kids Western Horse Show" will be presented here Saturday, April 25, by the Town & Country Riding Club.

Time is 4 p. m. at the clubs arena on the Old Stephenville Road, 1 mile north of Hamilton. Riding Clubs and individuals from the wide area of Central Texas are planning to attend.

Entry fee is \$1.00 per class or event and all events except first may be entered after the Grand Entry.

Trophies will be seared to the high point boy and high point girl as well as trophies and ribbons to each of the 21 classes. A trophy will be given for the best Riding Club in the Grand Entry.

Emphasis in the show is on family and youth participation, but there will be classes for both sexes and all age groups.

Texas University Interscholastic League Officials have assured the President of the Town and Country Riding Club that participation in this show will not cause ineligibility for future participation in Interscholastic League events.

Area people have also been invited to participate in a Western Parade in downtown Hamilton at 2 p. m. the same day.

These events will climax Hamilton's Western Week.

Entry blanks and details about the show may be secured from the Town & Country Riding Club Secretary, Maxine Thompson, Rt. 3, Hamilton, Texas. Telephone DU 6-5068, Arena Ph. DU 6-5614.

## Shirley Jane Brown To Become Bride of Ronald Harrison

Mr. and Mrs. Willie M. Brown of San Antonio wish to announce the engagement of their daughter, Shirley Jane, to Mr. Ronald T. Harrison, son of Mr. and Mrs. Paul T. Harrison of Devine, Texas. The bride-elect is the granddaughter of the late Mr. and Mrs. Fred Cornwell and Mr. William Barrett Brown.

The bride-elect is a graduate of Thomas A. Edison High School, San Antonio, and is now working at United Services Automobile Association. The future bridegroom is a graduate of Cotulla High School, Cotulla, Texas, and is now attending Draughon's Business College, San Antonio.

The couple plans to make their home in Devine.

## CARD OF THANKS

We wish to thank our friends and neighbors for the many acts of kindness, the beautiful floral offering, and the many cards of sympathy extended to us at the time of loss of our beloved brother, Theodore Currie.

This thoughtfulness at the time of this deep sorrow will always be remembered. May God bless each of you.

Mr. and Mrs. Barton Eppler  
Mr. and Mrs. Edward Harrison  
Mr. Maurice Currie

## Omar Burleson Is Honored At Dinner On Friday Night

Congressman Omar Burleson was honored with a dinner at the Lake Leon Country Club last Friday night with some thirty persons attending. Mr. John Kimble, long time friend of Mr. Burleson planned the informal program and it began with John presenting Congressman Burleson as a "Friend" not only to the group attending, but to all the people of the 17th. Congressional District.

Mr. Burleson responded with a non-political talk about how much he appreciated his friends honoring him with such an occasion and how he recalled fond memories when he first became a lawyer and how at times he longed to return home to catch up on his fishing, but that at the same time he had plans that he thought were important to his constituents and how he would like to see those plans completed.

Mr. J. E. Walker, long-time resident of Gorman, told of his experience with Mr. Burleson when he first hung out his shingle as a young lawyer in Gorman and had always found him a dedicated and conscientious person.

Mr. Ross Wilson, Manager of the Southwestern Peanut Growers' Association, remarked about how much the Congressman had done for the peanut farmer.

Mr. M. E. Shell, local peanut sheller, told of many achievements for the peanut grower which Mr. Burleson had accomplished.

Out of town guests were Dr. W. T. Calhoun of Comanche, Mr. Roy Parnell of Stephenville, Commissioner Glenn Justice of Carbon, and Tom Hallmark of De Leon.

## John C. White Aids Texas Consumers

The agency headed by Texas Agriculture Commissioner John C. White provides more direct services to Texas consumers than any other department of State government, White's office reported this week.

During Commissioner White's administration of the Texas Department of Agriculture, the report said, programs which directly benefit all Texans have been begun and increased to such an extent that consumer services are now 5 times greater than when White took over. Direct consumer services under White's department include such important programs as checking for honest weights on all goods for home and industry sold in Texas, inspection of egg grades and quality, quality tests of all brands of automobile anti-freeze, inspection of numerous kinds of fruits and vegetables, and inspection of nursery products.

In addition to responsibility for fairness in the sale to Texans of the billions of items which come under these programs, White's agency is in charge of numerous additional laws and services which benefit Texas farmers. Laws to insure quality of seed the farmer uses, to guard against insect pests and diseases, to protect grain that the farmer stores, to assure careful applications of farm chemicals — these and many more programs of service and assistance for farmers and ranchers are Commissioner White's responsibility. Such farm-related programs have more than tripled in volume and kind since White took office as Texas' sixth Commissioner of Agriculture.

## CARD OF THANKS

May I take this means of expressing my sincere thanks and gratitude to everyone who has been so thoughtful and kind to me since my arrival in Gorman. The many cards, visits and numerous gifts are all deeply appreciated. You have made me feel so welcome and I appreciate your thoughtfulness and interest because I know it is genuine. It's wonderful to know that so many kind, thoughtful and sincere people exist.

God bless each and every one.

# HAVE A Picnic AT THE New York WORLD'S FAIR ON US!

## Bring up to 50 of your friends

### Grand Prize

Three fun-filled days for the grand prize winner and up to 50 of his or her guests at the New York World's Fair highlighted by a festive picnic, and \$50.00 spending money for each guest. Also a 1964 Comet Caliente for the top winner!

**NEXT 50 PRIZES**  
5000 PAPER NAPKINS (plus fitted picnic basket.)

**NEXT 100 PRIZES**  
ANT VILLAGES (what's a picnic without ants!)

**NEXT 250 PRIZES**  
5000 Dr Pepper cups  
(and a 2-gallon picnic thermos jug.)

A prize winner from every state submitting entries (excluding those states where prohibited, taxed or restricted) will receive a Columbia bicycle built for two, with a fully-equipped picnic basket. All you add is food, Dr Pepper and a companion—then wheel away!

Impress your friends! Dazzle your classmates or club members! Win this latest kookie Dr Pepper contest and invite up to 50 of them to be YOUR guests at a picnic! But (you know us from past contests) this is no ordinary picnic, 'cause it'll be held at the New York World's Fair! That's right—the first prize in this unusual contest is a free three-day trip to the New York World's Fair for the winner and up to 50 of his (or her) friends! You'll stay at one of New York's most modern hotels, you'll see the sights at the Fair and you and your party will be treated to an old-fashioned picnic right on the Fair grounds. For going to all this trouble (making out the guest list, etc.), we'll also give the top winner a new 1964 Comet Caliente, plus \$50.00 spending money for himself (or herself) and each member of the group!

We're having this distinctively different contest (aside from liking picnics ourselves) to remind you that Dr Pepper is the distinctively different soft drink for today's light 'n lively taste. It's not a cola or a root beer, but a delicious blend of fruit flavors—and you just can't have a real "picnic" without Dr Pepper.

So enter soon—and often! Contest details and official entry blanks are on Dr Pepper cartons now. Contest closes at midnight on May 23, 1964!

## Methodist News

By JO DURAN

The First Methodist Church is beginning a Stewardship Program called, "Every Member Canvass." It is our aim to reach each member during this four week period allotted for the campaign.

Some of the objectives are to teach the meaning and practice of Christian Stewardship to the members of the church by a carefully planned and executed program of education and visitation which will involve every family and individual in the congregation.

Christian Stewardship is not confined to "money" alone. Stewardship is offering our whole lives to God in commitment and expressing this total commitment in every day acts of daily life. This has nothing to do with any need of the church for money. It has to do with our needs as Christians to become better stewards through our increased giving to God.

The General Chairman of the program is Ross Wilson. The various committees are: Solicitation headed by Dr. W. M. Brogdon; serving with him on this committee are Ross Wilson, Mrs. Dorothy Hatcher, and Melvin Shell; The Mechanics Committee, headed by Bill Little is composed of Frank Kirk, Jr., Othell Clark, Mrs. Wilbur Shell, Mrs. Estelle Craddock, Mrs. Bill Parr. The chairman of the Education Committee is Bob Green, and serving with him on this committee are Mrs. Joe Ormsby, Mrs. Arthur Young, Mrs. Giff Acrea, Mr. Joe Collins, Mrs. W. M. Brogdon, Mrs. Clinton Revels, and Mrs. Charles Duran.

## Jack Umberson Is Speaker For LVNA

The meeting of the Licensed Vocational Nurses Association, Division No. 64, was held at the American Legion Hall at Ranger April 13th. at 7:30 p. m.

Jack Umberson, safety engineer of Lone Star Gas Company, was the guest speaker of the evening. The topic of discussion was Resuscitation. He discussed the ways of the immediate plan of action to take if the patient's life is to be saved with emphasis on the essential procedures in time of emergency. Demonstration with a life-size doll added interest to the lecture.

Mrs. Elizabeth Stroud, president of the association, presided for the regular business session.

The LVNA of Texas will offer \$150 scholarship for the best essay on "Why I would Like To Receive The Scholarship" to any worthy person or student who is interested in vocational nursing and who desires to make nursing a career. Entries should be sent to Mrs. Venita Mitchell, R.N., Cisco Junior College, Cisco, Texas, not later than June 1st.

New provisional members of the Association are Della Latimer, Lola Sanders and Elizabeth Comacho, and the membership of D. H. Freudiger was accepted.

Refreshments of coffee, punch, and cookies were served to the fifteen members present.

The next meeting will be held May 11th. at Rising Star in the home of Mrs. Mary Sue Lee, R.N., sponsor for the group.

# City of Gorman

MRS. MOZELLE RHYMES, City Secretary  
Office Hours: 8 to 5 Weekdays - 8 to 12 Saturday

Guests to Six Flags Over Texas are continually surrounded by unlimited vehicles of entertainment. The Happy Motoring Freeway gives visitors an opportunity to drive peppy sports cars around a winding track, while the Astrolift transports visitors overhead from the modern U.S.A. area to the Texas section, 55 feet over the park. In the background is the Sky Hook, with its dual baskets which carries guests up to a height of 155 feet for a spectacular aerial view of Dallas and Fort Worth, and the 115-acre family entertainment center below.

## Rides Research Is Big Challenge For Growing Six Flags

In a theme Park such as SIX FLAGS, the rides are woven in with periods of Texas history. A team of artists, headed by SIX FLAGS art director Randall Duell, assumes the responsibility of creating and designing the rides. Many years as a set designer for MGM Studios have sharpened Randall Duell's imagination and architectural skills.

Before a ride becomes operational, six months to a year is the average time spent on feasibility studies, historical research, artists sketches, engineering blueprints and building and testing.

As SIX FLAGS grows in size and scope, the creation of new rides and attractions must be given year-round attention. These new rides and attractions serve a two-fold purpose. One is to keep the atmosphere of the Park always fresh and exciting. The other, simply stated, means every new ride or attraction offers an increased handling capacity, enhancing the Park's ability to comfortably host large numbers of guests.

SIX FLAGS' season attendance, which has soared from 563,000 in 1961 to 1,436,000 in 1963, has commensurately increased its rides and attractions from 40 to over 70.

In-Park capacity has climbed from 12,000 visitors per day in 1961 to over 23,000 per day in 1963.

To the \$10,000,000 initial cost of building SIX FLAGS, more than \$2,600,000 was spent during 1962 and 1963 for additions, rides and attractions. A major addition to SIX FLAGS costs anywhere from \$250,000 on up. According to Randall Duell, "the money has been well spent. I'm sure the 3.2 million visitors we've had so far will agree with me."

Fred Allen Gray and Russell Lee Fuller, members of the McMurry College Indian Band in Abilene, will be with the group on a 10-day tour, May 1-10, when they take a 2500 mile trip to Mexico where they will perform in Monterrey, Ciudad Valles, Mexico City, San Luis Potosi and Saltillo. Gray, son of Mr. and Mrs. H. E. Gray of Gorman, is a senior student on the McMurry campus. His major course of study is music. He will receive his degree in June. Also on the campus, he is a member of KIVA social club, Student Association, and Vice-President of the band.

Fuller, son of Mr. and Mrs. Q. D. Fuller, Route 1, Gorman, is a junior at McMurry. Music education is his major course of study, and music theory, his minor. Fuller is a member of I.H.R. social club on the McMurry campus. A graduate of Gorman High School, he was a member of the Gorman High Band.

The Indian Band is under the direction of Dr. Raymond T. Bynum, well-known West Texas musician and bandmaster listed in "Who's Who in the Southwest."

## MRS. LUTHER CUNNINGHAM VACATIONS IN EAST TEXAS AND MANNING, LOUISIANA

Mrs. Luther Cunningham returned last week from a three week vacation that began Easter Sunday with a family get-together held at Gladewater Lake, Gladewater, Texas.

The families attending were Mr. and Mrs. James Henry of Ranger, Mr. and Mrs. Jack Elson, Lori and Ronnie, and Al Crouch of Everman, Mrs. Jolene Elson and Carol, and Mrs. Glenda Lott, Wade, Glen and Mark, all of White Oak.

All the families returned home Easter Sunday afternoon, except Mrs. Cunningham, who remained with her family in White Oak, and with these families she made weekend visits to the various vacation spots located in the area.

One weekend was spent visiting Hodges Gardens at Manning, La. The group visited first the greenhouses viewing the beautiful flowers and foliage that could not be put outside until warmer weather. A picnic lunch was served at the beautiful Hodges Lake. The afternoon was spent in walking

through the main part of the garden, which includes Azaleas of pink, white and red, and white and pink Dogwood, and beds of tulips of all colors. This garden is set in a beautiful natural setting of large rocks and waterfalls, and was very colorful.

The group also visited the Sunken Gardens in Tyler, with its picturesque water fountains and walks of natural stone.

The last weekend was spent attending the Jefferson Pilgrimage at Jefferson, visiting the old homes filled with lovely antique furniture that dates back more than a hundred years. One of special interest was the house of four seasons. The youngsters in the group enjoyed most Jay Gould's railroad coach. This coach was found in a weed patch near Henderson, Texas and was bought and restored by one of the ladies clubs in Jefferson.

Mrs. Cunningham, like all other Gorman folks that have visited these historical places and places of beauty, insists that all Texans should visit them.
