

\$78.6 Billion Budget Is Given Congress By HST

Military Funds Request Totals \$46.3 Billions

By ELTON C. FAY
WASHINGTON (AP) — President Truman today laid a \$78.6 billion budget before Congress, and Republicans promptly cried "fantastic" and promised to cut it sharply.

But that was the customary reaction of Democratic Congresses, too, and they frequently fell short of January pledges to trim away billions of dollars. Only time could tell whether, under the GOP, things would be different.

Truman's estimate of government spending was for the fiscal year 1954, which begins July 1. The total was four billion dollars higher than spending projected by the President for the current fiscal year and 12 1/2 billions more than in fiscal 1952, which ended last June 30.

The increases were almost entirely for national security programs and pointed, Truman said, toward a 10 billion dollar deficit 18 months from now.

Truman called for a big increase in foreign aid, mostly for military help to the nation's European allies. But he also included two billion for economic, rather than military, help. Some members of Congress have been urging that all purely economic aid to foreign countries be halted.

The whole foreign aid section promised to be a controversial one. Majority congressional desire, as expressed in a recent survey by The Associated Press, is for reduced spending abroad.

The budget message Truman sent Congress today, 11 days before he leaves office, is subject to revision by the incoming Eisenhower administration, which has indicated it will be scrutinized closely and revised, probably starting in April.

As is customary, the President sent the 20,000-word message to Congress, and did not read it to the legislators himself. It was about 10,000 words shorter than last year's.

The budget called for expenditures in fiscal 1954 equal to \$48.15 for every man, woman and child the Census Bureau estimates will be in the United States on Jan. 1, 1954, half way through the 12-month budget period.

The President said 73 cents out of every dollar in the budget would go toward programs directly related to national security, and 14 cents more toward paying for past wars.

The President made no proposals for increased taxes. But he told a Republican Congress whose leaders have been talking wistfully of a tax cut:

"I do wish to make it clear that in my judgment it would not be wise to plan for a large budget deficit during a period when business activity, civilian employment, and national income are reaching

Cries For Economy Heard In Congress

By FRANK O'BRIEN
WASHINGTON (AP) — President Truman today laid a \$78.6 billion budget before Congress, and Republicans promptly cried "fantastic" and promised to cut it sharply.

But that was the customary reaction of Democratic Congresses, too, and they frequently fell short of January pledges to trim away billions of dollars. Only time could tell whether, under the GOP, things would be different.

Truman's estimate of government spending was for the fiscal year 1954, which begins July 1. The total was four billion dollars higher than spending projected by the President for the current fiscal year and 12 1/2 billions more than in fiscal 1952, which ended last June 30.

Increase Sought In Military And Economic Help

By JOHN M. HIGHTOWER
WASHINGTON (AP) — President Truman asked a critical Republican Congress today for an increase of more than a billion dollars in foreign military and economic aid.

Our Allies need that much, he said, to meet "certain critical deficiencies" in equipment for their armed forces.

Truman proposed that Congress vote \$7,600,000,000 in foreign aid appropriations during the 1954 fiscal year, which begins next July 1. That would be an increase of \$1,100,000,000 over the amount enacted for the current year.

Actual foreign aid spending in the new fiscal year was budgeted at \$7,561,000,000 compared with \$6,035,000,000 this year and \$5,388,000,000 in the 12 months ended last June 30.

A recent Associated Press survey showed that a large majority of Congress members willing to take a stand were in favor of cutting foreign spending, although some defended it as a most economical way to build this nation's defenses against Soviet power.

Since the budget proposed by Truman covers a period after the Eisenhower administration will have taken over, the attitude of the new Republican President will have a great influence on what Congress actually votes.

In his budget message the outgoing President told Congress, with respect to American help to Allied and friendly nations:

1. The U. S. has shipped more than three billion dollars worth of weapons and military equipment to its allies under the two-year-old mutual security program, including 17,230 tanks, 432 naval vessels and 2,673 aircraft.
2. Through the mutual security program "we are helping ourselves just as much as we are helping our Allies."
3. European nations have more than doubled their defense expenditures since the Korean War started, but they still require U. S. assistance "to provide the crucial margin of resources" needed for their military buildup.
4. The U. S. contracted for 621 million dollars worth of weapons in Europe during the 12 months ended last June 30 and is doubling the amount of such "offshore procurement" in the present fiscal year. Truman said an important effect of this, by "removing plant

BIG CUTS TALKED

Budget Action To Await Ike Views

WASHINGTON (AP) — Some congressional fiscal specialists shouted "confusion" and "fantastic" today at President Truman's new budget. Some of them promised to cut it at least 10 billion dollars and also reduce taxes.

Republicans who will control the federal purse strings in the present Congress indicated they would ignore Truman's proposal for spending \$78,600,000,000 in the fiscal year starting July 1, and wait and see what President-elect Eisenhower has to say on the subject.

The expect Eisenhower to submit a revised, much lower budget sometime after he takes office 11 days hence. One top Republican said substantial reductions already have been outlined by men who will head the big federal departments after Jan. 20.

Some lawmakers voiced confidence that as much as 12 billion dollars could be whittled out of the spending plans. Others were more cautious.

Budget-cutting talk has always been prevalent on Capitol Hill in January. In past years, with Democrats in control of Congress, performance has often fallen short. It remained to be seen whether things would be different under the GOP.

Both Democrats and Republicans expressed surprise at an estimate of \$7,900,000,000 for foreign aid. Promises to slash this were nearly unanimous.

Sen. Bridges (R-NH), who will head the purse-string appropriations committee, said the "job which lies ahead is staggering."

"It will require complete teamwork between the new President and the new Congress," Bridges told a reporter. "I am confident the American people can count on such teamwork to work this country out of the fiscal morass into which it has been plunged by 20 years of deficits piled on deficits, of living for today without thought of tomorrow."

A 10 billion dollar cut was the goal set by Rep. Taber (R-NY), chairman of the House Appropriations Committee and top GOP congressional spokesman on the federal budget.

Taber didn't say where the money would be cut.

"A 10 billion cut is not too much," Taber told newsmen, adding that a bigger slash might be made.

Taber said the President's own budget figures don't jibe in some respects with Treasury Department official figures.

"The whole picture presented is that of utter confusion," he added.

Rep. Reed (R-NY), chairman of the House Ways and Means Committee and a leading advocate of tax reduction for individuals, called the budget "fantastic."

"There's going to be a tax cut and there's going to be a balanced budget," he said.

Rep. Cannon (D-Mo), top minority member of the appropriations committee and its chairman last year, called the budget proposal "very realistic." He said he couldn't figure how to cut it 10 billions but agreed sharp cuts could be made in foreign-aid spending.

Of the total budget, Cannon said, See REACTION, Pg. 2, Col. 5

Crop Surpluses Seen In Budget

By OVID A. MARTIN
WASHINGTON, Jan. 9 (AP)—President Truman predicted today the government will have to take over more than half a billion dollars in crop surpluses during the coming fiscal year.

These crops will flow into government hands under price support operations because of prospects, he said, that prices will be down to minimum levels guaranteed growers.

The President estimated in his annual budget message that the government's investment in farm commodities would be around \$1,872,331,000 by June 30, 1954. It is slightly more than a billion dollars and is expected to reach about \$1,282,744,000 by the coming June 30 when the present fiscal year ends.

Farm prices have dropped 12 per cent below the party goal of federal farm-aid programs. Parity is a standard for measuring farm prices declared by law to be equal to fair to farmers and those who buy their products.

Truman recommended appropriations for federal agricultural programs that would permit spending of \$1,827,000,000 during the coming fiscal year, or a decrease of 116 million dollars from this year's level. This reduction would largely reflect a smaller outlay on price-support crop loans. Somewhat smaller crops are expected.

TAX OFFICE TO STAY OPEN NOON FOR POLL TAXES

The county tax assessor-collector's office will be open during the noon hour beginning Monday to enable more people to pay their poll taxes.

Mrs. Viola Robinson, assessor-collector, stated that the office is usually closed between 12 and 1 p. m. daily. Many working people cannot make it to the tax office during business hours, so the office will be open for them at noon, she said.

A total of 1,799 poll taxes had been paid through this morning, and 603 exemptions had been issued. January 31 is deadline for both.

Southwest Share In Flood Control Big

WASHINGTON, Jan. 9 (AP)—President Truman recommended today millions of dollars in flood control and navigation project funds for Texas and adjoining states.

The Southwest would share heavily in the President's budget recommendation of \$661,524,000 for the country's flood control and harbor programs in the fiscal year starting July 1. The national total is about \$924 million dollars more than Congress voted last year.

Texas also was recommended with New Mexico for a \$529,000 part of the President's estimate of \$180,888,000 needed for land reclamation. This would be on the Rio Grande between the two states.

The President's budget message recommended sharp curtailment of

Ceiling On Income Taxes Is Sought

WASHINGTON, Jan. 9 (AP)—Rep. Reed (R-III) today proposed to limit the government to a 25 per cent tax on individual incomes, unless three-fourths of the membership of the House and Senate voted for a higher levy.

With Sen. Dirksen (R-III) Reed sponsored a similar, unsuccessful move for a ceiling on income tax rates last year.

Under the revised measure he offered today, the top rate could be no more than 15 per cent even though Congress had voted to lift the 25 per cent ceiling. Thus if the lowest rate were 22 per cent, the top rate could be no more than 37 per cent.

POLICE ARE OCCUPIED, TOO

Burglars Keep Busy Eatin' And Drinkin'

Hungry, thirsty and probably broke, burglars raided at least six local establishments last night. They appeared their hunger at the Rose Barbecue Stand, 804 E. 3rd, where they helped themselves to barbecue, pie, milk and other food. A barbecued ham was taken when the burglars departed.

The thieves loaded up with their quenchers at the Central Cafe, 501 NW 4th, taking two cases of beer from a cooler. An undetermined quantity of cash was stolen from a juke box which was rifled. Another quantity of food, frozen, was stolen from Hull & Phillips Grocery, 303 Bell. Cases of frozen food had been left outside the store by distributor prior to opening of the business. One box was taken.

Also burglarized were Driver Implement Company, Taylor Implement Company, Kate Morrison School, and Newell Motor Company. An unknown amount of money was taken from a soft drink vending machine at the Driver concern, police said. A money box contain-

VA Figures \$4.5 Billion

WASHINGTON, Jan. 9 (AP)—President Truman asked Congress today for \$4,574,214,664 to operate the Veterans Administration during the fiscal year starting July 1—80 million of it for four new hospitals.

The total budget proposal for the VA calls for some 12 million dollars less spending than estimated for the current fiscal year.

Truman's recommendations for building four new hospitals — at Cleveland, San Francisco, Washington and Topeka—would give the VA an operating capacity of 131,400 hospital beds, the budget proposal said.

This is bound to stir some controversy in Congress. Bills already have been introduced to reauthorize a number of other VA hospitals which Truman knocked out of the program several years ago. On the other hand, the American Medical Assn. and other groups contend the VA has too many hospital beds now and cares for too many veterans who do not have service-connected disabilities.

By law, the VA provides hospitalization in such cases when it has the available beds and the veterans say they can not afford necessary treatment elsewhere.

Airport Building Request Hiked

WASHINGTON, Jan. 9 (AP)—President Truman recommended today that federal aid for airport construction be more than doubled—from 14 million dollars this year to 30 million for the fiscal year starting July 1.

The Airport Operators Council, of which the big city airports are members, promptly labeled the total not half enough and said members probably would call on the Eisenhower administration for a bigger appropriation.

Most Of Crew Reported Safe In Sea Disaster

TOKYO, Jan. 9 (AP)—A Japanese patrol ship reported tonight that 33 crew members of the shattered Swedish tanker Avanti have been rescued and eight more are either dead or missing.

The report was raised from the Kusagaki, a patrol ship of the Japanese Maritime Safety Board at sea off Kyushu Island.

Twenty-one are aboard the Japanese freighter Kanazu Maru, 11 aboard an unidentified Chinese Nationalist ship, and one more aboard the British vessel Eastern, the board said.

The Nationalist ship may be the freighter Yen Ping.

The Kusagaki said it had confirmed that the crew list totaled 41, leaving eight still unaccounted for.

Rescued seamen aboard the Kanazu Maru said eight had perished when the tanker broke in two in a gale yesterday.

Another report, still unconfirmed, said all the ship's navigation officers and the chief engineer had been lost.

The board's radio at Kagoshima, southern patrol fleet headquarters on Kyushu, also said it picked up a radio message from Takao, Formosa, that the 11 men—all aboard the after section of the broken tanker—had been saved.

The Avanti, registered out of Gothenburg, had a crew of 40 men from nine nations in addition to its Swedish captain. The 10,034-gross ton tanker was built in 1946.

There was no report on an U. S. ship in trouble in the wind-lashed Pacific. The Panamanian freighter Santa Despo. The Santa Despo was last reported out of control in raging seas about 600 miles north of Midway Island.

The British freighter King Edgar, another victim of the angry Pacific, reported she had made necessary repairs and was heading for Honolulu. The report said no assistance was needed and the freighter hoped to reach Honolulu Saturday.

Off the California coast another stricken vessel made its way slowly toward port. The lumber schooner Cynthia Olson, buffeted by high winds and mountainous seas Wednesday night, reported she was out of danger and proceeding slowly to San Pedro, Calif., instead of to San Francisco.

Winds which lashed the Pacific pushed passenger planes westward at record speeds yesterday. A Pan American Airways clipper, Golden Gate, flew from Honolulu to San Francisco in 6 hours 20 minutes—12 minutes faster than the old mark for commercial craft.

Another Pan American plane flew from Honolulu to Seattle in 6 hours 52 minutes, described as a record run for commercial planes.

The Seattle-bound plane reported tail winds up to 125 miles an hour and ground speeds up to 460 miles an hour.

The winds conversely slowed westbound planes. Some were forced to land at Hilo, Hawaii, about 300 miles short of Honolulu, their destination, to refuel.

Queen?

Princess Margrethe, 12-year-old daughter of King Frederik IX of Denmark, would become heir-presumptive to her father's throne under an agreement reached by Denmark's major political parties.

The agreement, in the form of a constitutional amendment for a change in succession, is sure of parliamentary approval. It will be placed before the voters on April 28. Under the present constitution, the King's only brother, Prince Knud, 52, is the heir apparent. (AP Wirephoto).

Searchers Look For Flares Of Missing Plane

By RAY CARPENTER
MONTPELIER, Idaho, Jan. 9 (AP)—Ground and aerial searchers blanketed a snow-covered mountain area today to check numerous reports that flares had been seen along the route likely taken by a troop transport plane, missing with 40 persons aboard.

The search centered in an area straddling the Idaho-Wyoming border and the northeastern tip of Utah.

One report that wreckage had been sighted near Kemmerer, Wyo., sent an Air Force C-47 wing to the spot. Crewmen reported they found only a sheepherder's camp.

Reports of the sighting of flares came from many sources. Members of a Union Pacific freight train crew said they saw a red flare and three other flares which mushroomed into a blue-yellow color while their train was speeding across desolate western Wyoming.

Three red flares were reported by other persons seen in the same general area. Bill Pugnaire, St. Charles, Idaho, said he saw a white light with a red circle around it near the summit of the mountain range just east of Bear Lake, which straddles the Utah-Idaho border.

All the reports originated along the probable route of the missing C46 plane, carrying three crew members and 37 war veterans returning home from Korea for discharge. The craft last reported over Malad City, Idaho, early Wednesday.

Clear weather today displaced the storm conditions of Thursday. Snow fell Wednesday night and part of the day Thursday.

Three ground crews were sent out this morning.

Sheriff Gilbert P. Arnell of Idaho's Bear Lake County said that if the plane occupants had survived a crash landing they could have lived through the two nights that followed.

Searchers pointed out difficulty of relying on the numerous reports of flares which have been received. Sheriff Earl Ellsworth said ground searchers checking one report of flares found they were night lights at a shepherd's camp.

Valley Areas Feel Effects Of Drought

By The Associated Press
Texas' great 30-month drought of 1950-52 extended into 1953 this week in the some-time lush Rio Grande Valley.

Broken by widespread rains in East Texas and denied by considerable moisture in West Texas, the drought was clamping a grim hold onto at least three small Valley communities Friday.

Hidalgo County Judge Milton Richardson asked Valley water master O. E. Van Berg for special permission to let the huge Willacy pumps take sufficient water from the Rio Grande to ease the emergency.

Affected are the communities of Monte Alto, Lasara, and Hargill in a rich farming area some 20 miles north of Weslaco. Several thousand persons live in the area.

Rio Farms, Inc., which supplies water for the three small towns, notified Monte Alto School Thursday that it could not guarantee purity of the drinking water. Richardson said the Monte Alto school may be forced to close.

In Raymondville, Water Supt. Earle Tomme said the Willacy County seat had only about three weeks supply left in the Delta Lake reservoir. He described the situation "uneasy," but said it was not yet critical.

Meanwhile, roadside ditches and lowland farmland in Kaufman, Henderson and Navarro Counties of East Texas held precious moisture. Stock tanks were full in most cases, but the Trinity River—a roaring monster in other years—still was a comparative trickle of its old self near Trinity.

Fresh winds in West Texas kicked up dust Thursday around San Angelo and Big Spring. Temperatures for the day were unseasonably high with Corpus Christi and Laredo reporting 86-degree maximums, and Brownsville a hot 87.

Texarkana reported .10 of an inch of rain, and that was all reported in the state.

Possibility That U.S. Plane Hit Yanks Checked

By FORREST EDWARDS
SEOUL, Jan. 9 (AP)—An unidentified warplane—possibly American—bombed and strafed a U. S. service unit behind the Western Front Thursday, killing or wounding several soldiers.

One soldier who saw the attack reported the plane was a U. S. Thunderjet, but an Air Force spokesman said "as far as can be learned, there are no indications that Air Force planes were involved."

Military investigators visited the scene today and studied the burned tents and bomb craters.

Army and Air Force officers said only that "several" were killed and wounded and that at least one plane, probably a jet, was involved.

The unit hit was an artillery service company command post back of the front north of Yonchon.

The attack destroyed, riddled or burned 10 tents and one prefabricated building, burned a fuel truck and destroyed a jeep and killed its driver.

Incidents in which warplanes mistakenly hit their own troops are not infrequent in war. One such incident was reported on the Central Korean Front last year but the Air Force later denied its bombs fell among friendly troops.

AP correspondent George McArthur said the company commander told him, in a conversation over a faulty telephone line: "They went so fast I can't be sure what they were."

An officer said the surprised soldiers dived for cover and were unable to clearly identify the planes. The command post area behind the lines in a sheltered valley north of Yonchon was pocked by about 15 bomb craters, the officer said. It was bombed and strafed about 11 a. m. Thursday.

Neither the Eighth Army nor the U. S. Fifth Air Force would comment pending further investigation.

On the battle front, South Korean infantrymen smashed four attacks by North Korean Reds in the eastern sector. Then they crashed three of the Red groups back to the Nam River, chopping one to pieces.

An Eighth Army spokesman said South Korean troops stopped the brief but furious three-pronged attack on an Allied advance position northwest of Kansong in the predawn darkness.

At Least 6 Airmen Dead In Collision Of B-50 Bombers

SAVANNAH, Ga. (AP)—Six, and possibly nine, airmen were killed last night when two huge B50 Air Force bombers collided over Savannah and one plummeted into muddy marshland.

The other four-engine sky giant landed safely at Hunter Air Force Base with a damaged tail assembly and no casualties, reported Lt. Thomas R. Meredith, public information officer.

Meredith said there were no known survivors from the crew of nine on the ill-fated plane, but he said some persons reported they saw parachutes in the vicinity of the crash. He said both planes were assigned to the 98th Bomber Squadron at Hunter and were on a training flight.

THE WEATHER

BIG SPRING AND VICINITY: Fair and mild this afternoon, tonight a 4-6 tomorrow.

High today 65, low tonight 55, high tomorrow 71.

Highest temperature this date 79 in 1935; lowest this date 18 in 1929; maximum rainfall this date 1.26 in 1929.

FAIR

Coahoma Couple Honored On Golden Anniversary

COAHOMA, (Sp) — An open house in the home of Mr. and Mrs. A. E. Linderman recently honored Mrs. Linderman's parents, Mr. and Mrs. Sam Joiner, on their golden wedding anniversary. The table was laid with a white linen cloth and centered with the wedding cake. Granddaughters of the honorees, Edna Joiner and Peggy Linderman, presided at the punch service. Six of their seven children were present. They were Mr. and Mrs. J. L. Joiner, Coahoma; Mr. and Mrs. Fred Dodson, Westbrook; Mr. and Mrs. Lee Riggsfield and Mr. and Mrs. J. W. Joiner, Breckenridge; Mr. and Mrs. Ernest Joiner, Cuthbert; and the Lindermans. Also attending were 11 grandchildren and three great-grandchildren. Mrs. Roy Roxburgh and Mrs. S. R. Hagler were hostesses to members of the Viola Boswell Class of the Methodist Church Monday evening at their regular monthly party. Mrs. Ed Martin was in charge of the program on "The Legend of Elkhorn." Susie Brown gave the devotional, and Mrs. Eleanor Gar-

rett was in charge of the recreation hour. Refreshments were served to 20 members. Visitors in the home of Susie Brown the past week have been Ollie Brown of Skiatook, Okla.; Mrs. Emma Davis, Hobbs, N. M.; and Mrs. Elsie Neal, Long Beach, Calif. Mr. and Mrs. Bob Gressett and family of Comanche visited this week in the home of his sister and brother-in-law, Mr. and Mrs. Paul F. Sheedy. Mrs. Melvin Tindal is in Dallas this week where she is taking medical treatment. Mr. and Mrs. Tom Barber and Fan were called to Athens Thursday by the death of his mother, Mrs. N. T. Barber, who had been seriously ill since before Christmas. C. H. DeVaney is in Waco this week attending to Farm Bureau affairs. E. T. O'Daniel suffered a heart attack and is confined to a Big Spring hospital this week. Mr. and Mrs. A. L. Klien and family have moved to Big Spring to make their home.

Louise Burchett Entertains; Training Union Organized

LUTHER, (Sp) — Louise Burchett entertained a group of young people with a party Friday night in the home of her parents, Mr. and Mrs. E. O. Burchett. Attending were Evelyn Hanson, Joyce Nix, Glenda Nix, Donnie Webb, Dewey Thames of Big Spring, Carol Hanson of Center Point, Carol Self, Claude Self, Ted Scott, Edman McMurray, Russell Williamson, Connie Crow, Forrest Moore, Monette Caughey, LaFay Stanley, Ellen Morton, Bill Crow, Janice Williamson, Betty Hogan, Bill Hogan, Mr. and Mrs. C. C. Hale of Big Spring, Mrs. Dean Self, Mr. and Mrs. Jimmy Brunson, Sue and Nancy of Big Spring, Mr. and Mrs. J. Winn, Carus and Jimmy, Barbara Jean Burchett, Leroy Morton, Loyd Underwood, Jimmy Torrence, Marcus Stanley, Nellie Simpson, Jerry Burchett, Mrs. Bill Hanson, Mrs. Louis Underwood and Mr. and Mrs. E. O. Burchett.

A Training Union has been organized by the Bethel Baptist Church. The organization will meet Sundays at 8:30 p.m. Officers and sponsors elected include Bonnie Puckett, director; Mrs. Ann Lloyd, assistant director; Mrs. Ray Myers, general secretary; Joyce Nix, pianist; John Couch, song leader; Mrs. R. G. Murray, primary and beginner's sponsor; Mrs. O. R. Crow, assistant primary and beginner's sponsor; young people's and intermediates sponsors, Mr. and Mrs. A. G. Smith.

New Fashions Previewed For Reporters

NEW YORK (Sp) — America's fashion capital is staging its semi-annual edition of the "Greatest Show on Earth" for visiting editors this week, presenting styles of the new season with all the dramatic trimmings of a Broadway opening. For about 150 fashion reporters, representing newspapers throughout the United States and abroad, the daily schedule usually begins with an 8 o'clock breakfast showing. It proceeds far into the night, with many a breathing space for those hard-working gals who try to see every show. One of the houses usually sure of a full turnout is that of Maurice Rentner, whose openings are accompanied by all the fanfare of a first night at the opera, complete with impressive programs, elaborate lighting, haughty models and a hushed air of reverence. His latest showing this time climaxed the opening day of the industry's "Press Week" and was definitely gala. Among his innovations for the spring season are the butterfly sleeve, the demijacket and the stand-off collar.

The New Year brought several changes to the community. Mr. and Mrs. Deaton Stanley and son have moved to Big Spring, and Mr. and Mrs. G. W. Murphy and children of Morton have moved to the farm where the Stanleys formerly lived. Mr. and Mrs. Luther Streetman and son of Rankin have moved to the Reef Field Gasoline Co. camp, and Mr. and Mrs. Bill Hogan and children have moved to the W. D. Anderson ranch. Young people enjoying games in the O. R. Crow home Tuesday evening were "Pea Wee" Rice, Luke Thompson and Jerry Brooks of Big Spring, Sherry Fuller of Center Point, Monette Caughey of Stephenville and Connie Crow. Mrs. Charles Sweeney and children visited in Durant, Okla., last week with Mr. and Mrs. O. C. Pierce. A-2C Russell Williamson and A-1C Forrest Moore of Lockland Air Force Base, San Antonio, have returned to their station after a visit in the E. R. Williamson home. Mrs. Meda Owens of Eunice, N. M., has returned home after a visit with her sister, Mrs. E. O. Hamlin. Mr. and Mrs. Andy Andrus and children of San Angelo visited her mother, Mrs. B. Smith, last Thursday. Margaret Andrus, who has been visiting her grandmother, returned home with her parents. Saturday visitors in the Bill Hogan home were Mr. and Mrs. Monroe Lambert and children of San Angelo. Mr. and Mrs. J. N. Nutt of Ballinger visited Mrs. B. Smith during the week end. Mrs. Dean Self, Carol and Claude spent the week end with her mother, Mrs. R. M. Jones, at Westbrook. Mr. and Mrs. Roy Lambert and daughter of Lubbock and Mr. and Mrs. Vernie Lambert and LaWanda of Big Spring visited Mr. and Mrs. Bill Hogan Sunday. Norvia Hamlin received a bruised nose and mouth and a foot injury when his Christmas motor scooter overturned Sunday afternoon. Mrs. Tom Jackson of Westbrook, Mrs. J. A. Barrington of Lubbock, Mrs. W. A. Shaw and baby of Dallas and Mr. and Mrs. J. E. Barrington of Midland were visitors in the home of Mrs. Dean Self this week. To the joy of pupils, teachers and parents, classes started Monday in the new Gay Hill school building. Dismantling of the old building has started, and material from it will go into another building for a teacherage.

1930 Hyperion Club To Have Book Review

Mrs. Morris Patterson will be presented in a book review Saturday when the 1930 Hyperion Club is entertained in the home of Mrs. W. B. Hardy, 1304 Runnels. The meeting will be at 3 p.m., and the book review will be followed by a tea.

Guests Of Allens

Mr. and Mrs. Nathan Allen have had as recent guests Mr. and Mrs. A. O. Fuqua and children of Leuders, Nathan Allen Jr. of Lubbock, L. E. and Mrs. John Roldoff of Fort Hood, Jacques Demell of Breckenridge, Mr. and Mrs. Richard Wayne of Woodlawn, Ky., and Mrs. Ben Alkes of Ballinger.

Smart Slenderizer

Smart slenderizer; princess style home favorite with waistline gussets and new width to the skirt. Just as simple to cut and sew in its sleeveless version, too! Cool, uncluttered, the "ever-ready"! No. 2544 is cut in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38 and 40. Size 16, cap sleeve version with collar, 4 1/2 yds. 35-in.

East Ward P-TA Hears Gil Jones

Gil Jones pointed out the advantages and disadvantages of the town in his talk, "My Home Town," Thursday afternoon for the East Ward P-TA. Mrs. W. C. Bell was in charge of the program, and the Rev. H. W. Stroman gave the devotional. Mrs. A. C. Kloven presided and voiced an appeal for volunteers to aid in the March of Dimes. Announcement was made that the City Council of P-TA would sponsor a musical, "The Three Little Pigs," Jan. 20 in the High School auditorium. A report was heard on the aid given a needy family during the holidays and it was stated that those who wish to continue with further aid were encouraged to do so. Mrs. Kloven's first grade won the room count.

Beckett Class Has Monthly Luncheon

Members of the Berta Beckett Class of First Baptist Church held their regular monthly luncheon and business meeting at noon Thursday at the church. Mrs. R. V. Jones presided and Mrs. Walter Douglass gave the devotional. The table centerpiece followed a New Year theme and featured a snow scene and bells. Ten members attended.

Walter Symonds To Lecture Tonight On Christian Science

Walter S. Symonds, San Antonio, is to deliver a public lecture on Christian Science here today. Formerly general manager and owner of a group of insurance companies in San Antonio, Symonds is on a nation-wide lecture tour. He is a member of the Christian Science Board of Lectureship and his topic here will be "Christian Science: A Religion of Confidence in God." The lecture here will be in the Christian Science Church auditorium at 1209 Gregg at 8 p.m. The public is invited to hear him. Symonds left active business life to become a Christian Science practitioner and a member of the board of lectureship, whose members travel widely throughout the world as an activity of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

Curry Is Modern Hash

Curried dishes are delightful for family or company meals and seem to have taken the place of the old time hash made with leftovers. Leftover veal, lamb, chicken, turkey and even ham can be turned into a delicious curry, made in a jiffy and served over rice for a scrumptious meal. Curry is easy and simple to make and a recipe can be found in almost any cook book. Serve it with chutney or watermelon rind for an added taste treat.

Disposal Unit

Large, bulky wastes—such as grapefruit skins, corn husks, corn cobs, watermelon rinds should be cut into pieces before they're put into a garbage disposal, say experts. Fibrous wastes such as pea pods and artichokes should be mixed with harder things, like soft bones and fruit rinds, for satisfactory shredding.

AAUW Hears Air Force Officer Speak

Lt. John W. Peterson Jr. was guest speaker at the meeting of the American Association of University Women Thursday evening in the home of Mrs. Mary Heffley, 424 Ryan. Mrs. Ann Reagan was co-hostess. "Altitude, The Invisible Enemy" was the subject of Lt. Peterson's lecture. He showed Air Force films and discussed experiments which have been made to overcome the problems of altitude. He also exhibited an oxygen mask and helmet and demonstrated the proper usage of each. Mrs. M. R. Turner was elected treasurer, and Mrs. Christina Landrum, recently of Lubbock, was welcomed as a new member. Further plans for the Clare Tree Major productions were discussed. Attending were 12 including two guests, Mrs. Burns Lane and Mrs. Newton. The next meeting will be in the home of Betty Penn, 709 W. Park.

Mrs. Mead Entertains Baptist Class

The Friendship Class of First Baptist Church at entertained Thursday evening in the home of Mrs. Bob Mead, with Mrs. Dwain Leonard as co-hostess. Mrs. Ross Bartlett presided and Mrs. Marguerite Bryant led the opening prayer. Committee and sectional reports were made and visitations cards distributed. Plans for the sweetheart banquet to be held in February were discussed and the following committee chairmen appointed: Mrs. Riley Foster, menu; Mrs. T. H. McCann, entertainment; and Mrs. Leonard, decoration.

Mrs. Della Agnell To See Inauguration

Mrs. Della Agnell is in Washington, D. C., visiting her son and daughter and will attend the Presidential inauguration Jan. 20. Illness prevented Mrs. Agnell from spending Christmas with her son, Col. P. W. Agnell, and her son-in-law and daughter, Mr. and Mrs. Walter S. Hornaday, as she had previously planned. Mrs. Agnell will attend a number of parties during her stay in Washington and with her family will witness the inaugural parade from a grandstand seat. She will probably be in the Capital for six weeks or two months.

Jr. Girls Auxiliary Elects New Officers

New officers were elected by the Junior Girls Auxiliary of East Fourth Baptist Church at a recent meeting at the church. Named were Luan Phillips, president; Carol Ann Wilson, vice president; Carolyn Sue Hogan, secretary; Linda Bond, program chairman; Janie Phillips, mission study; Elaine Taylor, stewardship chairman; Irene Rudd, social chairman. Brenda Patton was received as a new member. Prayers were led by Linda Bond and Carol Ann Wilson. Refreshments were served to 17 members.

Theta Rho Club Holds Initiation

Six girls were elected to membership Thursday evening at the meeting of the Cayoma Star Theta Rho Girls Club in the IOOF Hall. They were Waldine Pike, Anita Greenhill, Virginia Godfrey, Thelma Braune, Beulah Hayworth and Lucille Petty. LaFaye Woods and the six just elected were initiated. Drill work was performed by the 32 who attended.

Girl Scout Council Is To Meet Tonight

All members of the Girl Scout Council are urged to attend a called meeting of the group at 7 p.m. today in the Little House. President Larson Lloyd said plans for the annual meeting would be discussed, as well as other important business matters.

Deputy Grand Matron Visits Garden City Eastern Star

GARDEN CITY, (Sp) — The Order of Eastern Star met Tuesday evening for the official visit of the deputy grand matron of Dist. 2, Sect. 8, Mrs. Dewey Pope, of Midland. Mrs. A. M. Geiger presided and guests were present from Midland, Odessa and Big Spring. The refreshment committee, composed of Mrs. W. C. Underwood, Mrs. E. M. Teele and Mrs. Glenn Riley, served refreshments to 30 who attended. Mrs. Glenn Riley was re-elected president of the Afternoon Bridge Club Wednesday afternoon in the home of Mrs. Ray Hightower. High score prize went to Mrs. W. K. Scudday and second high to Mrs. I. L. Watkins. Mrs. W. K. Williams, Mrs. W. C. Underwood and Mrs. Dick Mitchell took bingo prizes. Mrs. Targe Lindsay was a guest. The club will meet Jan. 21 in the home of Joy Wilkerson with Mrs. Walter Lowe as hostess. The Garden City P-TA will meet Tuesday at 3:30 p.m. in the school auditorium. Mrs. W. K. Scudday will speak on "My Home Town," and the senior class will give the program. Approximately 40 attended.

Third Grade Has Program For P-TA

Mrs. Dean Bennett's third grade room gave the program and won the room count at the meeting Thursday evening of the South Ward P-TA. Joe Pickle, guest speaker on the topic, "My Home Town," related the background of Big Spring and of the big spring for which the town was named. Mrs. H. D. McCright presided and Mrs. Omar Jones gave the devotional. Mrs. C. R. Dunagan reported on the two Christmas baskets distributed by the organization. Mrs. McCright gave a report on the state convention held in Wichita Falls.

Playground Need Cited

A. Mack Rodgers, guest speaker at Thursday afternoon's meeting of the College Heights P-TA, called attention to the need here of supervised public playgrounds. Subject of Mr. Rodgers' talk was "My Home Town." Mrs. Ann Reagan's third grade presented the program and won the room count. Mrs. J. T. Grant-ham, hospital chairman, reported on the five baskets of food and clothing distributed to needy families during the holidays.

Hawks, Rugged Schreiner Quintet Tangle Saturday

Upset by San Angelo College earlier this week, the Howard County Junior College Jayhawks will seek a return to winning ways here at 8 o'clock Saturday in an exhibition with the rugged and rangy Schreiner Mountaineers of Kerrville.

BUBBA CREEL
... 2nd in Scoring

The Hawks have their work cut out for them. Schreiner is the only junior college team, outside of HJCJC, to defeat Wharton this season.

Schreiner, coached by Ted Carley, will boast a distinct height advantage over the Big Springers.

For that reason, the locals will have to depend upon speed and passing wizardry to keep up with the Mountaineers, if that is possible.

The Hawks haven't been at top strength lately. Bobby Williams and Bobby Malnes, regulars, have been out with the flu and other members of the club have reported feeling puny.

Four reserves on the Hawk team

came down with the flu late Thursday. They included Lonnie Muse, who would not have seen much action anyway due to his injured hand; Calvert Shortes, Jack Lee and Cecil Hoggard. The coach himself wasn't feeling very good.

Williams and Malnes will probably start, along with Charley Warren, Casey Jones and Dick Gilmore.

McCann is the Mountaineers' top scorer. Creel ranks close to him.

His clicking, side arm shots have proved disastrous to opponents.

There'll be a B string game, starting at 6:30 p.m.

Webb Fashions 64-59 Victory

Webb Air Base's Dusters gathered their forces in the final two periods to come from behind and defeat the Goodfellow Field Skyhawks, 64-59, in a Southwestern Air Force Conference basketball game here Thursday night.

The Hawks led at the intermission, 30-27, but Alton Mann, of Bakersfield, Calif., waxed warm after that and Webb took command.

Mann, the game's top scorer with 19 points, hit eight points in the third and six more in the fourth.

The Dusters will next see action against Sheppard Field of Wichita Falls here Tuesday night.

Gophers Tackle Tough Hoosiers Saturday Night

CHICAGO, Jan. 9 (AP)—Minnesota's Gophers, who haven't won a basketball game at Bloomington, Ind., in eight years, are determined to break the jinx tomorrow night and hand Indiana its first Big Ten loss in five games.

Minnesota's practices this week have centered on a defense to harass Don Schlundt, the Hoosiers' 6-9 sophomore center. He has racked up successive totals of 24, 24, 39 and 33 points against Michigan, Iowa, Michigan again and Michigan State.

Another big game tomorrow night sends Wisconsin (2-3) to Illinois.

Kansas, which is not expected to retain the NCAA crown this year, upset Oklahoma A&M, fifth ranked nationally, 65-53, in last night's leading game.

With B. H. Born sinking 21 points, the Jayhawks broke a 45-all tie early in the last quarter, then pulled away.

Western Kentucky was the only other team of the top ten in The Associated Press poll to play last night. The 10th ranked Hilltoppers whipped Cincinnati 84-76, for their 14th consecutive victory on their home floor at Bowling Green, Ky.

George Washington knocked George Mason (DC) out of the unbeaten ranks with a 79-65 overtime victory.

Marquette also turned apparent defeat into a 55-54 victory over Creighton when Doug Gill made a long shot from the side in the very last second of play.

Duquesne whacked St. Bonaventure, 86-66, and Boston College beat Dartmouth, 54-51. Siena tripped Cincinnati's Xavier, 71-62. North Carolina slammed Virginia Military, 79-62, for the Tar Heels' sixth straight Southern Conference victory.

Brigham Young nipped Denver, 55-54, and New Mexico dropped Utah, 66-59, in two Skyline Conference games while Hardin-Simmons edged Arizona State of Tempe, 50-49, in the Border Conference.

First seeded Gardner Mulloy of Miami takes on Bill Davis of Knoxville, Tenn., No. 7.

Bernard Bartzon of San Angelo, Tex., No. 2, plays dark horse Jerry Moss of Miami Beach. Hal Burrows of Charlottesville, Va., No. 3, faced Alfredo Millet of Mexico City, No. 6.

Bryan (Bilby) Grant of Atlanta, No. 4, faces Calhoun Dickson of Tampa, No. 5.

Brazen had a day off yesterday, only one of the performers to have a rest.

"We regret that two institutions—the University of Pennsylvania and the University of Notre Dame—saw fit repeatedly to attack the motives of their fellow members to bring discredit upon a program which had the backing of an overwhelming majority of the NCAA."

"Infectious wording," Father Joyce called it. And he added: "The University of Notre Dame certainly is not attacking the motives of the Television Committee. We have never done anything to sabotage the program."

Robert A. Hall of Yale, chairman of the 10-man television committee, said he would refer the sentence to the group again. But he gave his opinion on the spot.

"I consider it a temperate statement," Hall said.

Conference against 31 of the best in the American division, will be televised over the National Broadcasting Company network. It will not be televised in the Los Angeles area.

The telecast starts at 3:15 p.m. Central Standard Time.

The two T-formation rivals will be steered by some of the best quarterbacks in the league.

There will be Bobby Layne of the NFL champion Detroit Lions, No. 5 on his jersey, and Norman Van Brocklin of the Los Angeles Rams (8) for the Nationals.

Automatic Otto Graham of the Cleveland Browns (b) will handle most of the American offense, and ready for relief will be Pittsburgh's Jim Franks (4) and Charlie Trippi, Chicago Cardinals (6).

Coach of the Nationals is Buddy Parker, who guided Detroit to the title, and Paul Brown of the runner-up Clevelanders is handling the Americans for the third straight time.

The Americans won the first game, a thriller played before 53,676 fans, 28-27. Last year, with rain cutting the crowd down to 19,400, the Nationals thumped out a 30-13 triumph.

If the weather is good, another 50,000 turnout is expected.

LATE TODAY

TV Decision Due At NCAA Parley

By ARTHUR EDSON
WASHINGTON (AP)—The National Collegiate Athletic Association faces a decision late today on whether it should keep a tight hold on television college football games or whether it should allow each school to do as it pleases.

The best guess on the outcome: another thumping verdict for controlled television.

A substitute motion by Pennsylvania, seconded by Notre Dame, to allow each college to make its own TV arrangements, seemed likely to attract little support.

No definite time was set for the vote, but late afternoon appeared to be a good guess. And if the boys get too wound up in their oratory, they may not get around to voting until tomorrow.

Although many television fans have complained about the NCAA football diet that, generally speaking, gave them one nationally televised game a week, the TV committee stuck by its guns yesterday in a 39-page report.

"Television continues to be a serious threat to the welfare of college football," the report said. That led to this conclusion:

"Supervision of college football telecasts must be maintained."

The report was assailed by Chris J. Witting, managing director of the Dumont TV network. In a

statement last night he said its recommendation "completely fences in the area of operation for 1953."

In a roundtable discussion, Francis Murray of Pennsylvania and Ed (Mooses) Krause and the Rev. Edmund Joyce of Notre Dame argued that the American way is to have free competition. But no other college official rose to support them.

Father Joyce took exception to one sentence in the report which read:

"We regret that two institutions—the University of Pennsylvania and the University of Notre Dame—saw fit repeatedly to attack the motives of their fellow members to bring discredit upon a program which had the backing of an overwhelming majority of the NCAA."

"Infectious wording," Father Joyce called it. And he added: "The University of Notre Dame certainly is not attacking the motives of the Television Committee. We have never done anything to sabotage the program."

Robert A. Hall of Yale, chairman of the 10-man television committee, said he would refer the sentence to the group again. But he gave his opinion on the spot.

"I consider it a temperate statement," Hall said.

IN LOS ANGELES

Turnout Of 50,000 Due At Pro Game

By BOB MYERS
LOS ANGELES, Jan. 9 (AP)—Individual prestige and a healthy rivalry between the two conferences of the National Football League combine to make tomorrow's third annual Pro-Bowl football game an outstanding windup of the 1952-53 grid season.

The contest, pitting a select squad of 31 players of the National

Conference against 31 of the best in the American division, will be televised over the National Broadcasting Company network. It will not be televised in the Los Angeles area.

The telecast starts at 3:15 p.m. Central Standard Time.

The two T-formation rivals will be steered by some of the best quarterbacks in the league.

There will be Bobby Layne of the NFL champion Detroit Lions, No. 5 on his jersey, and Norman Van Brocklin of the Los Angeles Rams (8) for the Nationals.

Automatic Otto Graham of the Cleveland Browns (b) will handle most of the American offense, and ready for relief will be Pittsburgh's Jim Franks (4) and Charlie Trippi, Chicago Cardinals (6).

Coach of the Nationals is Buddy Parker, who guided Detroit to the title, and Paul Brown of the runner-up Clevelanders is handling the Americans for the third straight time.

The Americans won the first game, a thriller played before 53,676 fans, 28-27. Last year, with rain cutting the crowd down to 19,400, the Nationals thumped out a 30-13 triumph.

If the weather is good, another 50,000 turnout is expected.

Ski Business Good In New England

BOSTON, Jan. 9 (AP)—Ski hill proprietors and northern inn-keepers whose activities are the barometer of New England's multi-million dollar winter recreation business are hitting the jack-pot for the second year in a row.

A survey of Vermont and New Hampshire ski centers showed today that snow-covered slopes are echoing the whirs of hickory blades in an ever rising crescendo that indicates greater business than last year's record-breaker.

After three years in the "red" the skiing industry got a shot in the arm last year with a heavy supply of snow. This season looks like a repetition.

New Scoring Plan For Boxing Given

PATERSON, N. J., Jan. 9 (AP)—Commissioner Abe J. Greene of the National Boxing Association today described a new scoring system for boxing designed "to eliminate the disputes of split decisions."

Greene said the system, developed by Benjamin Yessarsky, veteran up-state New York sports editor, will be presented to the NBA's executive committee at a meeting in New York this week end.

Corsairs Defeated By Texas Wesleyan

FORT WORTH, Jan. 9 (AP)—Texas Wesleyan's potent Rams defeated Southwestern of Georgetown, 83-68, here last night.

Southwestern's Pirates were unbeaten until the loss the only undefeated basketball team in Texas. They had won 10 straight victories since play started in the fall.

Mel Chapman with 24 points and Joe Bradley with 22 paced the winners while Bob Arnold racked up 22 points to lead the losers.

LITTLE SPORT

Grid Coach Not To Be Envyed

By WILL GRIMSLEY
WASHINGTON, Jan. 9 (AP)—Don't envy the college football coach—it's a life of hard knocks and few rewards, says Carl Snavely, outgoing president of the American Football Coaches Association.

You're on top of the world today and a bum tomorrow...there's always the danger of evasive associates...you have to win half your games or else...chances are you're through before you've hit your prime.

Snavely, himself now out of a job after brilliant successes at Cornell and North Carolina, painted this depressing picture last night in an address to the nation's coaches at the annual Coach of the Year dinner.

Congratulating Michigan State's Clarence (Biggie) Munn, the 1952 coach of the year, the white-haired former Tarheel mentor said:

"Some of our great coaches via their share and he's on top of the world. Then a new hidden danger besets him, envy and jealousy on the part of important individuals, and one such enemy high in the university family, one displeased man on his staff, can bring disaster to the best of coaches."

Snavely issued this cautionary word as if drawing upon his own experiences. He was let out at North Carolina after winning two games and losing six last fall. He has a faculty status at reduced salary if he wants it. But, at 54, he's looking for another coaching job.

Snavely told the dinner group "no other field of human endeavor is so precarious or exacting."

Ocean Drive, winner of the 1949 Hibiscus at Hialeah, is now a stable pony for Fred W. Hooper's string.

PAMPA IS ADDED

Longhorn Football Schedule Complete

One of the strongest football schedules in history has been arranged for the Big Spring High School Steers by Coach Carl Coleman.

The Steers will play non-conference contests with three AAAA clubs, one AAA 11 and meet Breckenridge as a conference foe for the first time since the '30s.

The schedule: ONLY AD LONGHORN FOOTBALL. Sept. 15—San Angelo at San Angelo. Sept. 22—Pampa at Pampa. Oct. 2—Brownwood at Big Spring. Oct. 9—Open.

Oct. 16—Plainview at Big Spring. Oct. 23—Verdon at Big Spring. Oct. 30—Breckenridge at Big Spring. Nov. 6—Lamesa at Lamesa. Nov. 13—Snyder at Snyder. Nov. 20—Yleta at Big Spring. Nov. 27—Breewater at Breewater. Dec. 4—Denton Conference Games.

It takes Detroit Lions halfback Doak Walker seven seconds to change from his "low cut" football shoes to the regulation type he uses for extra-point and field goal attempts.

Yearlings To Host Odessans Tonight

Eighth and Ninth grade basketball teams at the local Junior High school will play teams representing Crockett Junior High of Odessa in the Junior High Gymnasium here this evening.

The Yearling teams were to have played Colorado City quintets here last night but the Colorado City Cubs failed to show up.

Trend Is Reversed In Tech-HSU Game

LUBBOCK, — Hardin-Simmons football teams have frequently met Texas Tech gridmen after the Red Raiders had disposed of Southwest Conference foes, but in basketball this season the situation is reversed.

Next Tuesday night in Abilene, Tech will meet a Cowboy quintet that defeated by a 56-55 score Southern Methodist University, winner of the recent Southwest Conference tourney.

LOOKING 'EM OVER

With Tommy Hart

There's an outside chance the head coaching job at Colorado City will be filled as early as next Monday.

The school board there meets on that day to consider the list of applicants, which are now supposed to be about ten in number.

The job could be one of the best in West Texas. The board reportedly will offer between \$5,000 and \$6,000.

Jerome Bukkemper resigned as head mentor there recently.

Incidentally, there's a trend toward older, more experienced men in the coaching ranks. The school boards are going for the fellows who have been at it a long time (e. g., Odessa, who hired Cooper Robbins, a man with 25 years experience in the game).

Time was when a young man fresh out of college ranks had a good chance to land a head coaching post. Now, the young man finds he must serve long apprenticeship and wait for the breaks.

SPRING GRID DRILLS WILL COME LATE HERE

Spring football drills at the local high school will probably be held late in the school year.

Coach Carl Coleman wants to give the turf at Steer Stadium, which suffered during last summer's water shortage, time to grow.

One advantage in holding late drills is the boys have less time to forget many of the things they learn, by the following September. The hot weather that is sure to come will be a discomfort to the boys, though no more so than it usually is in through most of September.

HAWKS ARE IN EXCELLENT PHYSICAL TRIM

Are the HCJC basketball players in good physical trim? Look at the record. Prior to their game with San Angelo this week, the Hawks had called for only 15 'time-outs' in 12 games, compared to 36 times for the opposition. And basketball, as the Hawks play it, is a 'race-horse' game. Those with weak underpinnings had best stick to slower-moving endeavors.

In four of their games, the Hawks refused to take a respite. In each of four other contests, they asked the officials to call to play only once.

The Odessa JC Wranglers made a rather dismal showing in the tournament here last week end but no club in the Western Zone is taking them for granted. Not by a long shot.

For one thing, Odessa's top hand, Duane Jeter, has been declared ineligible until mid-term, and didn't suit out here for that reason. Most of the play within the zone takes place after mid-term.

For another, there's a report a third Pampa player, as good as Jeter, will enroll at Odessa JC at mid-term. He's now in Wayland College at Plainview, where he made the starting team as a freshman, but is unhappy there.

The very capable Odessa mentor, Larry McCulloch, saw fit to use his first string only two minutes of the first half of their losing effort against Decatur here last week end. Seems most of his regulars were crippled.

COAHOMA LOSES TO WOLFPACK

COLORADO CITY. — Colorado City and Roscoe emerged as first round winners in Colorado City's annual invitational basketball tournament, Thursday night. Colorado City measuring the Coahoma Bulldogs, 29 to 15, and Roscoe's Plowboys defeating the Lorraine Bulldogs, 44 to 25.

Manuel Herrera led the Plowboys in their decisive win, sinking 6 field goals and three free throws for 15 points. Joe Ed Coleway netted 16 points for the losers.

In the second game of the evening, the Colorado City Wolves held their most decisive margin at the end of the first quarter, doubling their opponent's score by two to one; and that was the score, two and one as the quarter ended.

With both teams playing tight defensive ball, the score crept to 5 and 4 at halftime, with the

Demaret And Burke Combine Forces

PEBBLE BEACH, Calif., Jan. 9 — Veteran golf star Jimmy Demaret announced today he had signed Jack Burke Jr., crack young professional, as his associate pro at the Concord International Golf Club at Klamath Lake, New York.

The two are competing in the \$10,000 Bing Crosby Tournament which started today.

Demaret and Burke are Houston-born and Demaret considers Jackie as his protege. He took Burke on his first tour of the PGA Tour-nament circuit.

It will be the first time two Ryder Cup team members have been associated as pros at the same club.

BOBBY WILLIAMS
... Pace Setter

HC Club Ahead Of '52 Pace

The 1952-53 edition of the Howard County Junior College basketball team, winner in 11 of 13 starts, is far ahead of the scoring pace the '51-'52 Jayhawks set.

The Hawks this season have averaged 71.8 a game. In their 13 starts, the locals have scored a total of 933 points, compared to 818 last year. The opposition has counted 782 points for a 60.1 average.

Bobby Williams, who paces the team in point-getting with 218, had tallied only 179 this time a year ago. Casey Jones, up to 184 points thus far, had counted 124 this time in 1952.

Biggest gain has been made by Dick Gilmore, though. In 12 games, the Foran lad has counted 145 points, compared to only 23 last year.

Individual scoring:

Player	FG	FT	PF	TP	Av.
Williams	7	9	21	108	218
Jones	7	4	4	51	194
Malme	5	7	22	28	139

Prank May Have Been Cause Of Fire To A Bus Full Of Students

HOUSTON, Jan. 9 — A student prank may have caused a fire which destroyed a city bus and endangered the lives of 40 high school students yesterday afternoon.

The bus burst into flames while parked in front of St. Thomas High School. No one was injured but the students scrambled to safety only minutes before the blaze spread through the entire vehicle.

One of the students told officers that he saw three or four boys looking out a window of the bus at gasoline leaking from the tank and collecting in the gutter. He said he heard one of the boys say: "As soon as the bus starts I'm going to throw this match into the puddle."

The fire broke out soon afterward.

World's First Jet Ace Back To Korea

TRAVIS AIR FORCE BASE, Calif. (AP)—Maj. James Jabara, the world's first jet ace, hitchhiked a ride to Korea yesterday instead of waiting for his scheduled flight, grounded by bad weather over the Pacific.

The 28-year-old jet pilot was the lone passenger aboard a Navy DC8 cargo plane.

Jabara volunteered for another tour of active duty, leaving a desk job at Scott Field, Ill. He scored six kills in 63 missions on his first Korean tour.

AT PEBBLE BEACH

Crosby Open Gets Underway Today

By RUSS NEWLAND

PEBBLE BEACH, Calif. (AP) — Bing Crosby's annual golfing clam-bake began a three-day run today on soggy fairways. More rain was forecast.

Stars and lesser knowns of golf, screen, stage, television and radio faced a slushy first round in the 54-hole \$10,000 event for which crooner Bing foots the bills and gives the profits to charity.

Jimmy Demaret, pro winner last year with a 74-71-145 when the second round was called off because of rain, teamed up again today with comedian Bob Hope. They finished second in last year's best ball play with a 134.

Demaret urged Hope to "hit that ball in the eye." Bob asked: "Which eye?"

The bulky field of some 112 two-man teams was divided, half playing the opening round on the Cypress Point Course and the others at the nearby Monterey Peninsula Country Club layout. They'll switch courses for tomorrow's second round.

After the first 36 holes, the 60 low-scoring teams will play Sunday's final round on the famed Pebble Beach links. All three courses are par 72.

Natty Lloyd Mangrum, former Open champ and winner of the recent Los Angeles Open, was figured as the man to beat in the professional scramble. He and his partner, Milt Wershaw of Los Angeles, presented a strong threat in the best ball competition.

Veteran E. J. "Dutch" Harrison and band leader Phil Harris hoped to bag the best ball prize they won here two years ago.

The old master Byron Nelson, out of retirement for this affair, played with San Francisco's Ed Lowery, a former Massachusetts amateur title winner.

Sears Joins College Stars For Hula Bowl Encounter

HONOLULU, Jan. 9 (AP)—Oklahoma coach Bub Wilkinson's college All-Stars will be strengthened for the second Hula Bowl football contest Saturday with USC's Jim Sears in the backfield.

The Collegians last Sunday romped to a 33-14 victory over the Hawaii All-Stars, largely on the throwing arms of Illinois' Tommy O'Connell and Oklahoma's Eddie Crowder.

For the second game, the Hawaii All-Stars will get additional help from the ranks of the professionals. Duane Putnam, Los Angeles Rams guard, will join pro backs Eddie Lebrson and Doak Walker, end Dante Lavelli, of the Cleveland Browns, and Guard Herm Clark of the Chicago Bears. Putnam and Lebrson were teammates at College of the Pacific.

Lebrson, onetime ace T-quarterback for COP now with Washington's Redskins, and Walker, formerly of SMU now with Detroit, gave the collegians trouble last Sunday but lacked strong line support.

USC's Sears, who suffered a leg bruise in the Rose Bowl game New Year's Day, worked out Tuesday for the first time and said: "It feels fine and I expect to go Saturday."

Coach Wilkinson of the University of Oklahoma added: "I'm going to use him both on offense and defense."

Cawthon Delays Lubbock Trip

LUBBOCK. — Pete Cawthon, athletic director at the University of Alabama, has been forced to postpone a banquet appearance in Lubbock for two weeks.

Because of illness in the family of the former Texas Tech coach, the South Plains Officials and Coaches Association banquet has now been set for Jan. 29 instead of Jan. 15. George Phibbrick, president of the association, said that tickets to the banquet are still available at the Sports Center, at the Baker Co., and, by mail, at the Recreation Department, Lubbock City Hall, for \$3.25 each.

Forsan And Knott In Y Cage Opener

Forsan and Knott have at it in the opening game in YMCA Industrial Basketball League play away at 7 p.m.

At 8 o'clock, it'll be Dibrell's Sporting Goods against Coca-Cola and at 9 o'clock Western Auto against Vic Mellinger's Fliers. Dibrell's is still unbeaten.

Y managers were to meet at the Y Headquarters at 5:30 o'clock this evening to thrash out eligibility problems. One of Wednesday night's games — Western Auto's win over Knott — was protested.

Troupe Grounded

KANSAS CITY, Jan. 9 — Jack Kramer and his newly-formed pro tennis troupe, enroute to New York for a two-day stand, were grounded overnight in Kansas City by foul weather.

HCJC Coach Sick, Workout Doubtful

Harold Davis, coach of Howard County Junior College's basketball, was confined to his bed this morning with a 103 degree fever. He is suffering from the flu.

Though the Hawks are to play Schreiner here Saturday night, indications are no workout will be held by the Jayhawks this afternoon.

At least half a dozen players are either out with the flu or recovering from it. Two regulars — Bobby Williams and Bobby Maines — are included in the group.

Two 23-B Games Slated Tonight

Coahoma entertains Foran and Garden City plays host to Knott in District 23-B basketball games this evening, the first since Dec. 16.

Stirling City draws the bye in conference play this week and returns to action Jan. 13, at which time it hosts Garden City.

Castellani And Jones Meet In Garden Feature Tonight

NEW YORK, Jan. 9 (AP)—Rocky Castellani and Ralph (Tiger) Jones, both ranked among the top eight middleweights in the world, have a chance to move into contention for the title vacated by Sugar Ray Robinson tonight when they meet in a 10-rounder at Madison Square Garden.

Members of the National Boxing Association's executive committee, scheduled to meet with the New York State Athletic Commission tomorrow, will be present at ring-side with local officials. As they are to act on a middleweight title tournament over the week end, they should be ripe for convincing by a decisive winner. The 9 p.m. (CST) bout will be carried on radio (ABC) and television (NBC).

The NBA ranks Castellani, the Luzerne, Pa. boxer, No. 5 in the class and gives Jones, a 24-year-old Yonkers, N. Y. Negro, the No. 8 spot. Castellani, 25, has been highly rated for years but Jones is a "Johnny-Come-Lately" to the upper strata on the strength of his upset win Dec. 5 over Johnny Bratton, ex-NBA welter champ.

Both boys rate behind such as Randy Turpin, Bobo Olson, Charles Humes and Ernie Durando but the field is open.

When Jones fought Castellani last March 8 at Ridgewood Grove, he was a 4 to 1 underdog. Now Castellani is only a 13 to 10 favorite. Jones lost their first fight, on a split decision, but he had Castellani on the floor in the first round.

Pardons Board Told Public Favors Life For R. Miers

AUSTIN, Jan. 9 (AP)—The State Pardons Board was told today public sentiment favors life imprisonment instead of death for Robert Ernest Miers.

A group of San Antonio attorneys, the condemned man's brother and sister and others gathered before the board to present the new pleas. Miers was slated to die shortly after midnight.

Four more letters from jurors favoring commutation were presented. Another such letter had been presented earlier.

"Public sentiment in San Antonio favors commutation," Arlita F. Bahnsen, executive director of San Antonio's Boyville, said. He quoted the foreman of the jury as "hoping" commutation would be granted but refusing to sign any statement.

Miers was given the death sentence for the fatal shooting March 8, 1951, of A. J. Senderer, a Bexar County road employee who tried to stop the holdup of a service station. Miers was one of four persons involved in the robbery. Others received prison sentences ranging from four years to life.

The foreman of the jury, however, was sticking to his original decision in the case. P. W. Hearn said, "I consider the law and the evidence as given us by the judge as conclusive. I have a clear conscience. I made up my mind. I believe I did the right thing."

Hearn, now serving on another jury, called on Criminal District Judge W. W. McCrory yesterday to determine whether the Pardons Board could commute Miers' sentence without recommendation from all jurors involved.

He said he had been threatened and harassed by telephone calls insisting that his signature should be on a petition in Miers' behalf.

"One of those calls can't make me change my mind," he said, "and I'm not going to sign any petition."

"Some of these people get pretty nasty," he said, but he would not say directly that his life had been threatened.

"If you don't think I've been threatened, just take my phone calls for a few days," the stocky, grey-haired man said.

Last night at midnight," he continued, "a woman called up and said, 'Do you know what time it is?' then all she would say after that was 'tick, tick, tick, tick.' Until I hung up."

Miers received a three-day stay of execution last Tuesday night about 25 minutes before he was to take the long, last walk to the death chamber.

Man Hospitalized After Car Mishap

L. B. Taylor of Midland was hospitalized here Thursday night as a result of a traffic mishap about four miles west of the city on Highway 80.

Taylor was driving an automobile which collided with the back of a truck. His condition was described today by a generally good, although he suffers from a broken right thigh bone and has a slight head injury.

The accident occurred about 10:30 p.m. Both Taylor and a truck loaded with oil field equipment were traveling east toward Big Spring.

Deputy Sheriff Dale Lane, who investigated the accident, said Taylor misjudged his distance and hit the back of the truck. The truck driver was uninjured.

Dr. J. E. Hogan, who was driving from Midland, was one of the first men to arrive at the accident. He administered aid and had Taylor kept in the car until a Nalley ambulance arrived.

Taylor's car was smashed in the front and was heavily damaged. The truck was damaged slightly.

McNair To Attend Newspaper Seminar

Wacil D. McNair, Herald news editor, will participate in a seminar at the University of Texas next week.

Twenty-two news editors and two observers will take part in the affair sponsored by the Texas Daily Newspaper Association. A get-acquainted supper is set for Sunday evening and sessions go from Monday through Wednesday.

Louis B. Seltzer, Cleveland (Ohio) Press editor, is to be the banquet speaker and moderator for the Monday morning opening session on "The News Editor and the Newspaper." McNair is to be moderator for a discussion on teletype operations in newspapers. Dr. W. J. Thomas, head of the Baylor University department of Journalism, and Donald Burchard, Texas A&M College Journalism department head, will attend as observers.

Only other news editor from this area to take part in the sessions will be Jack G. Hogan, of the Abilene Reporter-News.

Damage Suit Filed In Auto Accident

Edwin Elmore filed suit for damages totaling \$209.54 in County Court today against Curtis Elmo Watkins as a result of an accident at Carlsbad, Texas, on July 3.

Elmore alleges that as he was trying to pass Watkins, the latter started turning left, resulting in the accident. Elmore claims his car was extensively damaged on the right side and front.

The petition claims that Watkins was negligent in failing to signal for a left turn, failing to keep a proper lookout, and failing to keep his car under control. Both men are from Howard County.

Three Cars Involved In Traffic Accident

Three automobiles were involved in a traffic mishap at Third and State about 6:30 p.m. Thursday.

Police said drivers of the cars in collision were Chester R. Seward, D&G Trailer Park; Hoyle W. Nix, Gail Trailer, and L. Domokousky, Cicero, Ill.

An accident at Third and Scurry involved vehicles driven by Opa Miller, Beadle, 418 Dallas, and Elsie Robertson Harvell, 1603 Owens, said officers.

Midnight Is Deadline For C of C Balloting

Midnight today is deadline for voting in the Chamber of Commerce directorate election, officials reminded.

Ballots mailed to the Chamber office and postmarked prior to midnight will be counted. A total of 241 marked ballots had been returned this morning.

Votes will be counted Saturday and names of 15 new directors probably will be announced Sunday.

Two Persons Fined For Reckless Driving

Two persons were fined in Corporation Court this morning as a result of reckless driving charges.

One driver was assessed a \$100 fine after police testified he attempted to outrun a police department patrol car.

The other was fined \$25 for reckless driving on complaint of another motorist who said his car was forced off the street at Ninth and Main.

'Hot Check' Arrest

R. B. Crosby was arrested Thursday afternoon on charges of obtaining things of value with worthless checks. He allegedly gave a \$25 check on Christmas Eve which was not honored at the bank. Crosby was arrested by Deputy Dale Lane.

Drought Holds Down Average Hereford Sale Price To \$372

Thirty-four head of registered Herefords went through the sale ring here Thursday at the Howard South Plains Association's sale for an average of \$372, the remark was heard that "if we'd have two inches of rain instead of two inches of sand they would have averaged at least \$50 more."

The 26 bulls averaged \$373 and eight females sold on an average of \$364. Prices ranged downward from the \$1,300 paid for the grand champion bull to less than \$200 on three of the offerings.

The grand champion bull, AY Proud Mixer 21st, great-grandson of the famous old WHR Proud Mixer 21st, was consigned by F. A. Youngblood and Son of Lamesa, and went to Wilson Brothers and W. L. Wilson Jr., and Leland Wallace on their joint bid of \$1,300.

The average price Scharbauer paid \$500 for a grandson of WHR Proud Mixer 21st consigned by Loy Acuff; B. A. Marrow of Taboka bid \$870 for another grandson of the old 21st consigned by Tom and Linnie Garrard of Taboka; Wilson Brothers paid \$500 for a Domino cow and calf from the Leland Wallace consignment.

Three Herefords consigned by Cecil A. Walker commanded prices well over the average. One of these, a cow by Husky Domino Return, a Prince Domino Return grandson, joined Hair's herd in New Mexico at \$500; another, a grandson of the WHR Proud Mixer 21st, went to Scharbauer at \$500, and the third o.e., another 21st, great-grandson, went to Harry Leste on his \$430 bid.

The largest consignment was made by S. F. Buchanan, who sent two cows and four bulls through the ring. Hair took one of these females at \$330 while the other

went to Beech on his bid of \$250. Scharbauer bought two of the Buchanan bulls and one each went to Willis and to Johnny and Ray Walker.

A single bull consigned by Houston Cowden, the last Hereford he had in Texas, the others having been shipped to Montana, went to Loyd Wooten for \$300.

C. J. Egle of Coahoma and Wallace Jones of Fluvanna, bought the two bulls consigned by Rexie Caudle; Beech bought another Gardner bull; Ira J. Driver was buyer of two bulls consigned by R. Ed Martin; Wilson Brothers bought a second cow consigned by Leland Wallace, and a Wallace bull went to Willis.

Polio Group Is Planning Drive In Disease Fight

NEW YORK, Jan. 9 (AP)—The National Foundation for Infantile Paralysis has offered to buy all commercial gamma globulin and make it available for a national pool to combat polio, measles and infectious jaundice.

Basil O'Connor, foundation president, said yesterday the plan calls for buying up all the commercial type blood element now on hand or to be produced up to June 30. Such a purchase, O'Connor said, might require two to five million dollars in March of Dimes funds.

O'Connor said the commercial gamma globulin to be purchased from pharmaceutical houses has not been proved valuable in fighting polio, since it is not taken from large numbers of persons in widely separated areas.

Ike Working On Inaugural Speech

By RELMAN MORIN
NEW YORK (AP)—President-elect Eisenhower consults advisers today on a wide range of domestic and foreign problems in preparation for the first two speeches he will deliver to Congress as Chief Executive.

He is devoting most of his time to writing his inaugural address and the traditional State of the Union message.

Apparently in that connection, he had an hour-long conference yesterday with Bernard M. Baruch, 82-year-old elder statesman. In summarizing their talk, Baruch said they discussed military security and "the economic well-being of the United States—questions we've discussed since 1930."

How To Relieve Bronchitis

Murph Thorp knows pain. (Adv.)
Creomulsion relieves promptly because it goes into the bronchial system to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or money refunded. Creomulsion has stood the test of millions of users.
