Dear Mr. Goldwater: The other day when you suggested that you would be willing to use some phrase other than that shop-worn cliche of "soft on ence suggested the word "treason"

and you replied "That's it!" I guess that's when the deep resentment I have been feeling about th calculated campaign of vilification against our President turned into pure nausea. I stayed awake until 2 a. m. feeling sick, and thinking about what you were doing.

You must have finally felt a touch of nausea yourself, when, on the next day, you cancelled the "smut" film your campaign crew had prepared for nationwide showing. I guess I am pleased to learn that you do have a limit.

In your heart, Mr. Goldwater, you know that neither President Johnson nor his administration is in any way guilty of treason, and that this, even for campaign tactics, is something of a record "low."

This brings me to the point of this letter, "morality", an issue which you, sir, have chosen to inject into this campaign. It is an issue which only one of tremendous personal integrity can affectively pursue; and although you have tried mightily to project a posture of piety, I want to point out that you have not been very convincing.

You have cried out against government spending and waste, and then you have rattled the saber, even saying that nuclear war is inevitable, an attitude which has to call for a tremendously expensive military force.

Even more remarkably, you have spoken glibly of ending the

# VOTE THE DEMOCRATIC TICKET TUESDAY, NOVEMBER THIRD

LYNDON B. JOHNSON

HUBERT H. HUMPHREY

# VOTE FOR PROVEN LEADERSHIP!

At this crucial time, it is the sensible course to follow a man who is a leader—and who is leading well.

\* LET'S KEEP A GOOL HEAD IN THE WHITE HOUSE \*

\* RESPONSIBLE LEADERSHIP FOR ALL AMERICA \*

# MONOU AROW...

# What Hubert Humphrey and the ADA want to do?

It's enough to scare the daylights out of all Americans

## HUMPHREY AND HIS ADA ARE FOR ...

### What is ADA?

A writer from the Louisville COURIER-JOURNAL defined ADA

"The political organization, Americans for Democratic Action, (ADA) has become a synonym for fellow-traveler, for communist sympathizer, for advocate of 'soft' policies toward Russia." Robert L. Riggs, Washington Bureau, Louisville COURIER-JOURNAL.

ADA stands for:

- Domestic socialism.
- One world government.
- Blindness to the Communist threat.

ADA is a national left wing political organization. It is the most influential of all home-grown organizations attempting to change our traditional American government into a socialist dictatorship. Though not admittedly a "secret organization," no membership list can be obtained from their national headquarters in Washington.

U. S. Senator Strom Thurmond said about the ADA: "All the actions and policies advocated by the ADA point to federal socialism."

### WHO FOUNDED ADA?

ADA was founded in 1947 by a group of ultra-liberals, including Hubert Humphrey; Chester Bowles; radical labor leader David Dubinsky; New York City editor, James Wechsler, once an official of the Young Communist League; Harvard historian Arthur Schlesinger, Jr.; Walter Reuther of the UAW; Morris Ernst of the American Civil Liberties Union; Joseph L. Rauh, Jr., liberal Washington lawyer; and many others.

## HUMPHREY AND ADA ONE AND THE SAME

Hubert Humphrey, perhaps more than any other person in high elective office, stands for and symbolizes the extreme left in American politics.

Humphrey, a founding father of ADA, was Chairman of ADA in 1949 and 1950. Every year since, he has served as National Vice-Chairman. During fifteen years in the Senate he has voted the ADA position on 191 occasions, and against it only 3. Humphrey demonstrated his subservience to the ADA when he said "this great organization has seen fit to chastise me. Perhaps I did not understand why at the moment, but their judgment was undoubtedly better than mine."

Norman Thomas, six times a Socialist Party presidential candidate, said this year: "Humphrey is the type of Democrat I like, and one who would be a Socialist if he got to England." Chicago Tribune, May 30, 1964.

ADA WORLD, (ADA official publication) March, 1964 reported: "The nation's great gathering of liberal-labor leaders will begin May 15 in Washington, D. C., at the ADA Seventeenth Annual Convention. Walter Reuther, Hubert Humphrey and Martin Luther King will address the convention.

Congressman Otto E. Passman (Dem.-La.), 10 years Chairman of the House Appropriations Sub-committee: "... Hubert Humphrey is a Socialist if I ever saw one. America is not creeping, but running toward Socialism." — Dallas News, Sept. 11, 1964.

ADA Is Blind to Security Risk. "We urge that all government employees removed as loyalty or security risks under the Executive Orders of Presidents Eisenhower and Truman and other Government programs be given the opportunity to have their cases reexamined."

ADA Wants to Recognize Communist East Germany. ADA wants East (Communist) Germany recognized as an independent nation.

### ADA CALLS FOR ONE-WORLD GOVERNMENT

ADA Would Replace American Armed Forces With United Nations Army. "We recommend development of an armed force as a permanent agency of the United Nations to replace national armed forces."

ADA Would Open U. S. to All Foreigners. "The United States and headquarters of the United Nations should be open to all foreigners having business with it. We urge the abandonment of the present restrictions upon the admission and stay of foreigners."

ADA Urges U. S. Disarmament enforced by United Nations Police Force. "Our aim must be to achieve general and complete disarmament... It must be recognized that no safeguards can provide 100% protection against error or treachery. For this reason it is necessary to build the capacity of the United Nations to enforce disarmament arrangements."

ADA wants America to abandon the Panama Canal and give it to the United Nations.

No man supporting these views should hold the office of President or Vice President of the United States.

### ADA ENDORSES JOHNSON

The ADA "enthusiastically and unanimously endorses the Johnson-Humphrey ticket." (ADA World, Sept. 1964)

President Lyndon Johnson, in a welcoming telegram which was read to the 17th annual ADA convention: "You (ADA) have now endured, despite frequent premature burials by your critics, to see many of your ideas become policies, your policies become programs, and your programs become laws."

## A vote for Lyndon Johnson is a vote to make Hubert Humphrey President.

Lyndon Johnson had a serious heart attack in July, 1955. Doctors say that the average life expectancy of a man Johnson's age following such a heart attack is less than 10 years. (Ask your own doctor about this.) Therefore, medical odds are that if Johnson is elected in 1964, Humphrey will be President before the term expires.

NEVER BEFORE HAS THE EXTREME LEFT HAD ITS MAN SO CLOSE TO THE PRESIDENCY.

### HERE'S WHAT ADA ADVOCATES

This is the kind of program Hubert Humphrey may be expected to work for if he is elected. Read carefully the following policy statements quoted directly from ADA World, official publication of the Americans for Democratic Action. No man supporting these views should hold the office of President or Vice President of the United States.

### ADA ADVOCATES DOMESTIC SOCIALISM

ADA Advocates More Federal Controls. "We believe serious consideration should be given to the adoption of federal price, rent and wage controls."

ADA Urges Higher Spending. "The current level of federal spending is grossly inadequate to meet the needs of a growing population."

"The level of federal spending must be raised by several billion dollars a year."

ADA Wants Socialized Electric Power: "We recommend federal construction and operation of atom electric power plants."

### **AGAINST FREE ENTERPRISE**

"At the May meeting of ADA, a resolution affirming belief in free and competitive enterprise was soundly beaten by a voice vote." Saturday Evening Post, May '52.

### ADA IS BLIND TO THE COMMUNIST THREAT

ADA Would Discontinue Communist Investigations. "We urge that the Un-American Activities Committee of the House of Representatives be discontinued."

"We propose repealing the Smith Act, the Internal Security Act of 1950, and the Communist Control Act of 1954.

"We urge the abolition of the Attorney General's list of Subversive Organizations."

ADA Says Teachers Could be Communists. "Former membership in a Communist organization, or refusal to testify under the 5th Amendment, should not be automatic grounds to disqualify a teacher.

ADA Wants to Recognize Red China and Admit It into the U.N. "We urge immediate initiation of negotiations toward diplomatic recognition of the Peiping (Communist) regime and its accreditation to the United Nations as the government of China... We also urge free trade with Red China, the removal of all trade and passport barriers and surplus food shipments to this nation."

ADA Advocates Aid to Communist Countries. "We urge efforts to expand trade with Communist nations and the amendment of the Battle Act to give the President standing authority to extend loans and grants to the Communist countries of eastern Europe."

ADA Welcomes Castro. "Actions by the United States to intervene militarily or to support military invasion by Cuban exiles or by others would not only be wrong but self-defeating... We should welcome the Castro regime into the South American Alliance for Progress."

ADA Opposes Loyalty Oaths. "We oppose loyalty oaths other than the traditional oath taken by government employees to support the constitution and laws of the United States."

- RENT CONTROL
- RECOGNIZING RED CHINA
- AID TO COMMUNIST COUNTRIES

Jesus, Lover of my soul, Let me to Thy bosom fly, While the nearer waters roll, While the tempest still is high Hide me, O my Saviour, hide, Till the storm of life is past; Safe into the haven guide, O receive my soul at last.

Other refuge have I none; Hangs my helpless soul on Thee; Leave, O leave me not alone, Still support and comfort me; All my trust on Thee is stayed, All my help from Thee I bring; Cover my defenseless head

IT WAS MARCH, 1788. Eighty-year-old Charles Wesley preached his last sermon at London's City Road chapel. On the 29th, as friends stood around his bed "The sweet bard of Methodism" sang Isaac Watts' hymn, "I'll Praise My Maker, While I've Breath." Then he called for pen and paper. He would yet praise his Maker with another hymn.

Returning to England in 1736 from Georgia, where he had been secretary to Gov. Oglethorpe, Charles Wesley and his brother, John, started in earnest on their Methodist movement. In half a century John Wesley, six years older than Charles, traveled 250,000 miles and set England afire with 40,000 sermons. Charles set the Christian world singing 6,500 hymns. He wrote perpetually. Many was the time he stopped at houses along the road and asked for pen and paper that he might set down verses he had written in his mind while riding from mission to mission on horseback. At 30 he wrote "Hark, the Herald Angels Sing." At 39 he wrote "Hark, the Herald Angels Sing." At 39 when at 31 he wrote his crowning masterpiece. But, "Love Divine, All Love Excelling" and at 41 "O, For a Thousand Tongues to Sing." Hundreds lay in between. Thousands followed.

when at 31 he wrote his crowning masterpiece. But, strange, the hymn that critics have been unable to improve was thought so little of during Wesley's time that it was not included in a Methodist Hym-When pen and paper were brought to his bed, nal until nine years after the author's death. The Charles Wesley was too weak to write. But he still song . . .

> Thee, O Christ, art all I want; More than all In Thee I find; Raise the fallen, cheer the faint. Heal the sick, and lead the blind.
>
> Just and holy is Thy name, I am all unrighteousness; False, and full of sin I am, Thou art full of truth and grace.

Plenteous grace with Thee is found; Grace to cover all my sin; Let the healing streams abound; Make me, keep me pure within, Thou of life the fountain art, Freely let me take of Thee; Spring Thou up within my heart,

The Panthers have played some exciting games this year and the Panther fans have been real loyal in supporting the team and Friday night will no doubt be no exception as we look for one of the largest crowds of the season to see the Gorman Panthers play the Bangs Dragons.

Rice put seven starters for the Longhorns on the bench with their encounter with SMU, while the other teams are in good physical condition.
