

Miss Annye Kate Blair And Jackie Don Wheeler Nuptials Pledged On Saturday

Miss Annye Kate Blair and Jackie Don Wheeler were united in marriage in the sanctuary of the First Methodist Church of Gorman at 8 p. m. Saturday, August 8, 1964. Rev. Roy F. Johnson, pastor of the First Methodist Church of Hewitt, officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Walter Marvin Blair. The groom is the son of Mrs. John Wheeler and the late Mr. Wheeler. Organist, Mrs. Leo Lambert of Andrews, presented the wedding music. She accompanied Miss Marjean Edgar of Dallas, who sang "Oh, Perfect Love," "Intreat Me Not to Leave Thee" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a formal wedding gown of white peau de soie. The figure molded bodice featured a sculptured neckline and elbow length sleeves. The controlled bell shaped skirt had a cathedral length lace framed train, fashioned at the back with a cluster of peau de soie roses. Re-embroidered Alencon lace appliques accented with hand sewn seed pearls enhanced the bodice, sleeves, and train. Her finger tip veil of bridal illusion fell from a cluster of peau de soie roses. She carried a white bouquet of white roses and gardenias.

Miss Elizabeth Ann Parr, cousin of the bride, was maid of honor. The bridesmaids were Misses Priscilla Beadle of Dallas and Sara Beth Greer of Fort Worth. Junior bridesmaid was Miss Catherine Parr, cousin of the bride.

Bridal attendants wore identical formal dresses of deep aqua peau de soie with scooped neckline, cap sleeves, empire waistline and floor length trains. Their head dresses were fashioned of peau de soie roses. They each wore short white gloves and carried bouquets of white roses.

The best man was William Latham of Denton. Groomsmen were Jerry Hoodenpyle of Fort Worth and Lt. Max Pierce of Austin. Ushers included B. F. Agee of Dallas; Paul Bellows of Richardson; and Jerry Warren of Orange; Matt Ferris of Denton, who also served as candlelighters.

The bride's mother wore a rose silk sheath dress with matching accessories and a gardenia corsage. The groom's mother wore a slate blue lace dress with matching accessories and a gardenia corsage.

A reception was held in the Fellowship Hall immediately following the ceremony. Members of the house party were Mesdames William Latham of Denton, B. F. Agee and Charles Butler of Dallas; Misses Kiki Dixon of Denton, Carolyn Christian of Fort Worth, Marilyn Shell and Linda Shell of

Gorman.

For her wedding trip to Mexico the bride chose an aqua silk linen suit with black accessories. She used a gardenia corsage taken from her wedding bouquet.

The bride is a graduate of Gorman High School and North Texas State University where she was a member of Chi Omega, a social sorority; also a member of A.C.E. and S.N.E.A. She has been teaching in the Andrews Public School System for the past two years.

The bridegroom is a graduate of Gorman High School. He received his BBA and MBA degrees from North Texas State University; while there he served as President of Blue Key National Honor Fraternity, Baptist Student Union, and NTSU Student Body. He is listed in Who's Who Among Students in American Colleges and Universities and in Who's Who at NTSU in Management. He is presently employed as Assistant Personnel Manager of State Farm Insurance Company.

The couple will reside at 14040 Peyton Street, Dallas, Texas.

The rehearsal dinner was hosted by the bridegroom's mother, Mrs. John Wheeler, at the Lone Cedar Country Club.

Out of town guests attending the wedding were Mr. Leo Lambert of Andrews; Mrs. Max Pierce, Austin; Mrs. Jerry Warren, Orange; Dr. and Mrs. M. L. Stubblefield, Baird; Mrs. Roy F. Johnson, Hewitt; Mr. and Mrs. Jim Gray, Mrs. Billy Gray and Cathy, Mrs. Sally Blair, and Mrs. Lillian Bozeman, all of De Leon; Mr. and Mrs. Bob Gray, Karan, Nell, Valerie, and Nan, Mrs. Reece Allday and Mrs. Charles McAdoo, all of Fort Worth; Mrs. Odie Alsbrook, Dr. and Mrs. Mark Miller, Mrs. Matt Ferris; Dr. and Mrs. Jack Bishop and Julia, Mr. and Mrs. Don North, Don R. Raburn, Crowbar Godfrey, Joe Ratcliff, all of Dallas;

Mr. and Mrs. Vernon Bennett, Ted and Gary, Mr. and Mrs. Robert Hodge, all of Midland; Mrs. Clyde King, Dr. Richard King, Mrs. Weldon Glasgow and Nancy, all of Stephenville; Mrs. Ernst Tetens of Brady; Mr. and Mrs. Leo Thames and Mrs. Beulah Davenport of Abilene; Mrs. T. C. Wylie of Ranger; Mr. and Mrs. D. N. Barron of Coleman; Mr. and Mrs. W. G. Kirk and Ann of Brownwood; Mrs. Paul Bellows of Richardson; Joe Culppeper of Temple; Mr. and Mrs. Ted Kerr of Oklahoma City, and Jimmy Clark of Bridgeport.

NICE WELL — James Miears, left, manager of Higginbotham Bros. in Gorman, and Bill Andry checking the flow of the irrigation well just completed on the Andry farm.

Several progressive farmers in the Gorman area are listening and watching the delightful sound and scenes of falling water of newly installed sprinkler irrigation systems for irrigating coastal bermuda and peanuts.

A solid three-inch stream of water flows from the well installed Saturday on the Bill Andry farm north of Gorman on Route 2, and pumps approximately 150 gallons per minute. Andry plans to irrigate coastal bermuda fields first for fall grazing and will irrigate twenty acres of peanuts.

The new well on the C. L. Highsmith farm east of Gorman on De Leon Route 1, flows 100 gallons per minute and will be used for irrigating coastal and peanuts, with the aid of 24 sprinklers.

R. E. Fox of Desdemona has recently completed a well which pumps 120 gallons of water per minute. Fox plans to irrigate his coastal bermuda.

Pumps installed on the Fox, Highsmith and Andry farms were installed by James Miears, man-

CARD OF THANKS

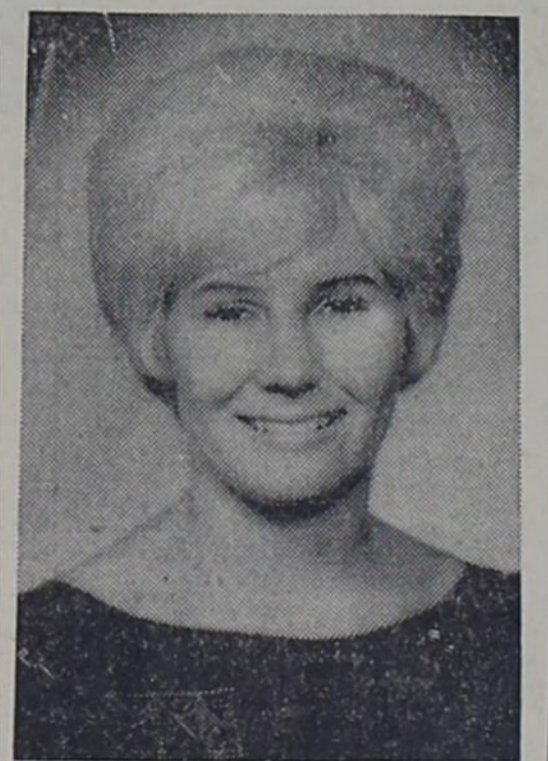

We wish to extend our thanks to everyone who has been so kind and helpful to us during the illness; and at the time of the loss of our loved one. The many cards, beautiful flowers, food, and all other acts of kindness are greatly appreciated. For the assistance of the funeral directors, ministers and those helping with the music we shall always remember. To the doctors, nurses and entire hospital staff for the ever-ready, efficient help rendered at all times, we are most grateful.

May each of you be richly blessed in our prayer.

The family of Jim Brewer

HEARING TEST SET FOR DE LEON

Free, Electronic hearing test will be held in De Leon. Anyone that has a hearing problem of any kind is welcome to come in for the test. Pictures of the ear showing how the ear works, and why a person loses his hearing, also the nerve system of the ear that is connected to the brain, to tell us what we have heard. Each person is tested with the latest electronic machine that can pinpoint in what part of the ear they are having trouble and what can be done to help them.

Mr. Treadway, who is an Audiologist, will conduct the test through the courtesy of the Temple Hearing Center, 120 N. 3rd. Street in Temple.

How the new electronic device is helping thousands of people with the dreaded NERVE DEAFNESS to hear again. How 2 year old children are being fitted with aids and can learn to hear and talk. How packed wax in the ear canal affects the hearing. How head congestion affects the hearing. Everyone should have a hearing test at least once a year if they have any hearing loss. Even people that wear Hearing Aids should have a test. People that have been told that nothing could be done for them should have a test each year, as new ways are being discovered to help these people.

The test will be held at the Travelers Hotel in De Leon Monday, August 17th. from 10 AM to 12:30 PM.

Mr. Treadway, who is an Audiologist, will conduct the test through the courtesy of the Temple Hearing Center, 120 N. 3rd. Street in Temple.

If you miss the test you may come to the Temple office on any Thursday or Friday between 9 AM and 5 PM and take your test.

heats the food... not the kitchen

flameless ELECTRIC cooking!

Every time you cook during hot weather, you'll appreciate the cool comfort of flameless electric cooking. Electric range surface units transfer heat to utensil bottoms by direct metal-to-metal contact, with no intervening air space. Heat goes into the utensils and the food, not into the kitchen air. The flameless electric oven needs no oxygen for combustion, so there's no flow of air through the oven to heat your kitchen. Result: Your kitchen stays degrees cooler when you are cooking hot meals. See your electric range dealer soon. Cook electrically... live better electrically!

OLIVER SPRINGS NEWS

By FLORENCE RICHARDSON

Our Thought For The Week:
"Be kind and friendly to the folks you know. If it wasn't for them you would be a stranger in this world, and friendship is priceless."

The Dewey Lindleys, Mrs. Roma Jewel Porter and children, Mrs. Roy Parker and John Robert Mauney were all picnicing at Possum Kingdom one day last week.

Mr. and Mrs. Joe Dominey and children of Fort Worth are vacationing here with their parents, the Irvin Domineys.

The children of the Clyde Setzlers were all here this past week end for the Setzler and Park reunion at Lake Eanes Sunday.

Mr. and Mrs. A. D. Bryan visited Mrs. Wolf and Mrs. Wallis at Okra Thursday night.

Sorry to learn that Mr. Joe Wallace is a patient in the Gorman hospital. We are all wishing him a speedy get well.

Mr. and Mrs. Gilbert Overby of Waco were visiting friends here over the weekend. The Overbys had been visiting relatives in West Texas.

We had the pleasure Sunday to attend the Browning reunion at Lake Leon. Mr. Ellison established the Ellison Springs. Mr. Ellison was Mrs. Browning's father. This was still Indian country at the time. The Browning children were all present except one, Mr. Lewis Browning of Ranger, who was unable to attend. The oldest girl, Mrs. Buchan of Desdemona, is 80, and the youngest, Oral Browning, 63. We enjoyed the day talking of days gone by and of the present. It is so nice to have friends that we can meet and spend the day with and more especially friends that date this far back.

**America's best sellers...
Your best buys!
Now at your Chevrolet Dealer's**

Stands to reason: America's number one cars have got to be your best buys.

Again this year that means your greatest buys in any size are at your Chevrolet dealer's one-stop shopping center.

Take your pick. Perhaps the Jet-smooth Chevrolet—America's best selling automobile. Or maybe the fun-loving Chevy II so many young families go steady with these days.

Or possibly you'd prefer the carefree Corvair.

So come ahead. Choose your favorite from among the 45 best ways in the world to go in the number one automobiles.

But hurry. The way they're going, no telling how soon they'll all be gone.

Better see your Chevrolet dealer before a thing like that happens!

Amazing Grace

The captain of a slave ship reads a book

An old windjammer tied up at Southampton. The captain staggered down the gangplank, paused and looked back at his ship. Then he disappeared up the ancient cobblestone street.

Capt. John Newton was only 23 years old but he had been to sea ever since his pious mother had died when he was 7. He had sailed with his sea-captain father, had done a trick in the British Navy, deserted, been caught, put in irons and whipped in public. Defiant, he signed on the lowest of all craft... a slave ship. He hardly knew how to read, but he knew the sea and it wasn't long until he was walking the bridge as master of his own slaver, with a whip in one hand and a gun in the other.

John Newton wasn't drunk that day in 1784 when he staggered down the plank. He was sick... sick physically, spiritually and morally. Most of all he was sick of the filthy slave business. On a long voyage from Brazil he had read a book called "Imitation of Christ." Then came

a storm... a vicious storm that threatened for days to send him to the bottom. When the storm calmed he fell to thinking... thinking about Christ who Thomas Kempis had written about in his book.

Not an Englishman in His Majesty's Empire would have dreamed that Capt. John Newton would have quit the sea for the ministry. That is, not an Englishman except Capt. John Newton. But when he paused for a last look at his ship, that's exactly what the hard-boiled skipper had in mind.

After 16 years of self education, John Newton was ordained and given a little church at the town of Olney. But he never gave up his sea garb. In the sunset of life, as pastor of one of London's greatest churches, he appeared in the pulpit dressed like a sailor—with a cane in one hand and a Bible in the other. But it was while serving his little church at Olney that he wrote...

Amazing grace how sweet the sound,
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed.

Thro' many dangers, toils and snares,
I have already come;
'Tis grace hath bro't me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun.

This is one of a series presenting the story of the world famous religious hymns sung by the faithful of all creeds.

Free Fashion 2-20 Demonstration Set Here On Aug. 14-15

A treat is in store for the women and young ladies in this area Friday and Saturday, August 14 and 15, when Barbara Diamond will give free demonstrations of a new cosmetic, Fashion Two-Twenty, at Delma's Beauty Shop.

The demonstration will include the correct application and shades of make-up of the completely new revolutionary idea in cosmetics

that puts moisture into the skin by applying with water.

Miss Diamond says "the idea is to get away from the heavy make-up" and she stresses the latest fashion of natural look that blends so well with the casual hair styles.

The Fashion Two-Twenty was developed through Warner Brothers Studio of California, a process that took eleven years to develop. The make-up is also adaptable to water. Ester Williams of Hollywood was among the water test groups.

For a free demonstration and make-up analysis call Delma's Beauty Shop for an appointment.
