of ice cream or sherbet with Dr Pepper

Frosty PEPPER-always a fun-blend with any flavor! Take your choice!

Go ahead! Lose your head. Have a ball - of ice cream or sherbet with sparkling Dr Pepper or Diet Dr Pepper. Happy result: fun-filled, flavor-filled Frosty Pepper - with lift as lighthearted as laughter. Tradition has had vanilla ice cream hobnobbing with Dr Pepper — and with good cause. But shatter tradition! Be inventive. Put in two flavors of ice cream or sherbet. Or mix 'n match 'em. Invent a color scheme — a taste dream. See how many ways Frosty Pepper can be so delicious. Have a ball!

WHOSE COLD? — The cold southern wind at Brogdon Field Saturday night gave one the feeling that it was football weather instead of a fine spring evening. However, (l to r) Burma Broom, Dorenda Arnold, Tresa Duran and Debra Smith didn't seem to mind. They were snuggled beneath a quilt below the press box enjoying the program while most of the crowd were wondering if this was June or January.

Get a new NO-FROST refrigerator-freezer that never needs defrosting

You can say goodbye to defrosting-one of the messiest of kitchen chores-once you install a no-frost electric refrigerator-freezer. Because frost never forms—either in the refrigerator or freezer sections-there's no layer of ice to take up needed storage space. You can store more packages of frozen foods . . . the packages won't stick together . . . and there's no frost to make labels hard to read. Ice trays come out easily. too, without pounding, pulling or hammering. See the new no-frost electric refrigeratorfreezers at your dealer's soon.
