The Woman's Study Club will sponsor a musical variety show on February 24. All proceeds from ticket sales will be used in constructing of the Community Swimming Pool. A highlight of the show will be a special guest appearance by the Cisco Junior College Band and Wrangler Belles under the direction of Mr. Homer Kruger. Local residents who attended the Miss Gorman

Coronation last October will remember the Cisco Jr. College Combo group, female vocalist, Wrangler Belles and piano player all of whom provided very fine entertainment. On February 24th the program will include all of these plus additional musical numbers. Also on hand to provide entertainment will be popular local talent groups.

Tickets will be 50 cents for everyone and will go on sale within a few days. The Variety Show will begin at 7:30 p. m. in the High School Auditorium.

### CARD OF THANKS

I wish to thank my friends, the hospital staff and doctors for the cards, gifts and acts of kindness during my recent stay in the hospital.

Mrs. Geneva Bailey

stand that caused me to lose most of my stars. Now I have to work a little harder to have them replaced.

FINALLY — I have been an active worker off and on in churches of several denominations most of my life. However, it was only after I moved to Gorman that I became fully aware of the blessings I had received from the good Lord. How little I had done for Him. How little we, regardless of our church affiliation, do toward practicing what we teach and are taught. So, I decided to accept each day with thanks and do my best to serve my fellowmen in a way that might be in keeping with what mother and sister had instilled in me in my younger days.

It is truly said, "when one cast stale bread upon the water it will come back covered with Peanut Butter." Mine has and I have no worries, no bothers and no ulcers. So please quit fussing at me because I enjoy doing for others.

## William J. Robertson Joins Managerial Staff At Gorman Peanuts

Mr. William J. Robertson of Suffolk, Virginia has become associated with the Gorman Peanuts. He will be working in a managerial capacity with Mr. Tom Birdsong, who came to Gorman in 1965.

Mr. Robertson has been with the Birdsong Storage Company at Suffolk.

Noting the 37-year-old's athletic build, the assumption that he might be interested in sports proves right. Baseball it is. "For seventeen years baseball and peanuts have worked together for me affording an interesting and enjoyable avocation with a likeable vocation, a good job," said Robertson. "The two being seasonal, I have been able to follow the ball in the summer and shell the peanut in the fall."

After these seventeen years he is leaving his coaching position with the Kansas City (Mo.) Athletics in order that he may give all his time to the peanut industry.

When asked just what the W. J. initials stood for Robertson said William and Joe, but I'm called "Robbie".

At present he is making his home in Stephenville. His family, the wife and daughters, Robbye Jane, 11, and Jo Lynn, 17, will be heading down to Texas at the close of the school semester in June. They are members of the Baptist Church.

## Burke Musgrove Seeks Election As State Rep. Of 63rd. District

Burke Musgrove of Breckenridge today announced his candidacy for State Representative, 63rd District, in the Democratic primary election — the seat vacated by Wayne Gibbons, now on Governor Connally's Staff in Washington.

Musgrove has completed six years at The University of Texas, majoring in chemical engineering and business. He was selected in 1963 as "Outstanding Student" from the 24,000 member student body, among numerous other honors.

Having lived in Breckenridge for more than 20 years, Musgrove has been considered an outstanding young member of the community. He was awarded the State and National Elks Foundation "Most Valuable High School Student" Scholarship. Breckenridge High School classmates elected him "Best All Round Roy."

Later at the University of Texas, Musgrove, as president of numerous organizations, played an active role in student improvements, including library, language lab and student housing expansion. In recognition of this leadership he was awarded the Sons of the American Revolution Medal of Honor, the Chicago Tribune Award and the Berry Whitaker Leadership Award. He was on the Board of Directors of The University Co-op, a store serving the University community and doing an annual 4 million dollar business.

Musgrove, 25, is the son of Mrs. Dale Musgrove and the brother of Mrs. Phil Pitzer of Breckenridge. On the death of his father, Glenn Musgrove, when Burke was 11, he began the work that carried him through his high school and college years.

Employed by the Graridge Corporation in Breckenridge, he became familiar with the different aspects and problems concerning the oil industry while working after class in high school and during several summers in college. While attending The University, Musgrove represented several local and area independent oil operators by securing records and information from the Texas Railroad Commission in Austin.

Widely known in youth development work, Musgrove was the program co-ordinator of the first statewide Attorney General's Youth Conference in which over 1200 high school leaders participated. The Conference, now annual, has been a key factor in curtailing the state's rising juvenile crime rate.

Musgrove has worked with numerous state officials as the co-ordinator for eight years for the American Legion Boys State program, held each year in the State Capitol Building in Austin.

# Gorman Cagers To Play At Moran On Friday Night At 7

The Gorman Pantherettes won over the Putnam girls last Friday night on the local court by a score of 49 to 33 to remain in a tie with the Carbon girls in 14-B District race. Bennie Peveto led the Gorman scoring with 25 points and Laverne Scitern got 19. Petty scored 27 points for Putnam.

## FUNERAL SERVICES FOR CHAILLE GRAY HELD FEBRUARY 2

Chaille Gray, 73, died Saturday, January 29th, at his home near Magdalena, N. M. He was a former resident of Comanche, having moved to New Mexico ten years ago.

Mr. Gray was born June 6, 1892 in Gorman, the son of Dr. and Mrs. Andrew J. Gray of Comanche. He was married June 16, 1917 to Miss Neely Mankin. He was a member of the Church of Christ.

Funeral services were held at 10 a. m. Wednesday, February 2 in the Comanche Funeral Home Chapel with Clarence Bryant and Dennis Kellogg officiating. Interment was in Oakwood Cemetery. Mr. George Hollifield of Gorman, a cousin, attended the funeral. Mrs. Henry Capers and Mrs. Huron Palnoc of Gorman are also cousins of Mr. Gray.

Words were received early Wednesday morning by Mrs. Oda Monroe of the critical illness of Floyd Rider. He is in the McCleskey Veterans Hospital in Temple.

This program has afforded thousands of young Texans — and young Americans — with the inspiration to become active, participating citizens. In recognition for his outstanding service to youth, the Breckenridge Lions Club awarded Musgrove honorary membership.

"I desire to be of service to this area," Musgrove said in announcing his candidacy, "in order that I might repay some of the blessings and opportunities that have been provided me. It is certainly an honor and a compliment to be encouraged by many friends to offer my service in the capacity of State Representative. However, to be successful I will be calling on more and more of my friends, acquaintances, and lots of people I have not yet met to assist with my campaign. This promises to be a long and costly campaign — one which I cannot win without broad-based support from the many of you interested in good government and effective, energetic representation," Musgrove concluded.

In the boys game Friday night the Putnam team won handily over Gorman by a score of 70 to 30. Isenhower led the Putnam scoring with 23 points. Daryl Hirst hit 9 to lead the Gorman scoring and Mike Rodgers got 8.

In action on Tuesday night on the local court the Panthers edged the Olden Hornets by a score of 47 to 45. Mike Rodgers scored 21 points for Gorman and Bob Miller had 19 for Olden.

Chevrolet Impala Sport Sedan with Body by Fisher

## JET-SMOOTHER THE CHEVROLET WAY

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pffft! It all but disappears.

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).

### Sewing Problems Workshop Scheduled At Eastland Feb. 16

Got a sewing problem? Then why not solve it. Attend the Sewing Problems Workshop, to be conducted by Mrs. Beverly R. Nicholson, County Home Demonstration Agent, and Wanda Wat-

son, Assistant County Home Demonstration Agent.

Whether your problem be sewing construction, such as setting in sleeves or putting in a zipper, or sewing with problem or new fabrics, such as wool, stretch fabrics, you may attend the workshop, as each individual will work on their own individual sewing problem, rather than the group all working on the same problem.

This workshop is open to anyone who wants to attend. There is no charge for the workshop. The only requirement is that you must have a knowledge of sewing and be able to sew a little. Each person attending will be required to furnish their own fabrics and supplies they will need during the workshop.

The first meeting of the workshop will be held in Eastland in the Reddy Room of the Texas Electric Service Company on February 16, 1966 at 2:00-4:00 p. m. During this meeting plans will be made for the workshop sessions to be held during March throughout all areas of the county where interest is shown. However, in order to attend the workshop sessions in March, you must attend the first meeting on Feb. 16th.

Also during the February 16th meeting, information will be given on buying patterns, selecting fabrics and preparation for the workshop sessions.
