## Delays In Filing Can Be Costly In Medicare Matters

If you will reach age 65 within the next three months you should visit your social security office, or a representative when he is in your area, to apply for hospital insurance and medical insurance, better known as Medicare, according to R. R. Tuley, Jr., District Manager for the Social Security Administration in Abilene.

This advice applies to you even if you never worked under social security, or if you are now working and don't plan to retire. If you want the medical insurance (for payment of doctor's bills) to be effective with the month you become 65, you must file your application before that month.

When you visit the social security office you should bring the best available evidence of your age, he said. If you don't have any evidence, the social security office will be glad to help you obtain it.

Mrs. Fay Grant of the Abilene social security office, will be in Gorman at the City Office on Monday, November 14 and December 12th at 10 o'clock.

# B&B SPORTS

Herman and Joe Bennett  
B&B

The Panthers were down 13-0 before they could get their offense cranked up last Friday night at Hico. The final score of 45-13 points to the fact the Red and Blue wanted their sixth win in seven starts, than did the Tigers. This gave the Panthers their second straight District 17-B win.

The leading ground gainer for the Panthers was Robert Reeves with 115 yards on 16 carries for a 7.1 average, followed by Jackie Harrison with 84 yards and a 6.4 average on 13 trips (besides several good punt returns), Daryl Hirst had 69 yards on 12 carries for a 5.7 average, James Jay had 52 yards on 6 trips for a 8.6 average, David Guthery had 39 yards (also 2 runs for 41 yards and a touchdown called back on penalties) on 5 trips for a 7.4 average, Louis Torrez got 35 yards on 4 carries for an 8.7 average, Doyle Shipman 6 yards on 1 carry and Bobo Hunt 4 yards on 1 trip.

The Panthers meet Blooming Grove tomorrow night in a non-conference game at Brogdon Field at 7:30. Blooming Grove has a good club and from what we hear they like to fill the air with foot-balls. The Red and Blue will win number 7 for the season if they play again this week as they did against Hico after they gained their poise in the second quarter.

## PANTHER OF THE WEEK

B&B's choice for Panther of the Week goes to Ed Sutton and Jackie Harrison. Ed played his best game of the season last Friday. He plugged a hole in the line against the Tigers, then he opened holes on offense. Jackie had a very good night carrying the ball on offense with 84 yards and again almost getting loose several times on punt returns. It is almost impossible to pick one or two with the team efforts we have had this year.

All the top came off the crystal ball last week as Herman had only 5 of 10 and Joe had 7 of 10. Herman's average fell to 64.8, while Joe had 70.3. The trouble is that the way it looks this week it will be no better. So - - here is the way they will go come Saturday:

## Rep. Burke Musgrove Is Guest Speaker At Lions' Luncheon

Burke Musgrove of Breckenridge, Representative-elect of the 63rd District, was guest speaker at the Tuesday noon luncheon of the Gorman Lions Club at the Fire Hall.

Mr. Musgrove spoke on the Constitutional Amendments to be voted on in the General Election.

Fifteen members and guests, Kernel Gene and M. D. Stephens of the De Leon Lions Club, enjoyed a stew dinner and pie and coffee.

The football game between the Gorman and De Leon Lions Clubs tentatively set to be played this fall, has been called off and they will probably try to have a home and home series of basketball or volleyball games to raise money for the club funds.

The club reported a sum of \$170.72 was raised on the various money-raising projects for their candidate in the Miss Gorman Contest. Joe Bennett was the winner of the marble top wrought iron coffee table project, sponsored by the club.

The next regular meeting will be the Charter Banquet Tuesday night, November 15, at the Brown Jug Cafe.
