

HULLS

By KERNEL GENE, aPc

The secret is out! Actually it isn't a secret but for years Kernel Gene has usually been the last one to hear news. So when Joe and I agreed on a partnership effective July 1st, I decided not to publish it for awhile. Of course, no one really noticed any difference around the Progress because Joe has more or less been running the joint for a long time.

When I first moved to Gorman, Joe and his brother, Freddie Lee, were helping Billie Dee Hamrick run the Progress after school and during the summer. Except for time out to help Uncle Sam and a week or so leave of absence to see how Mrs. Bennett would enjoy living in a larger town, Joe and I have worked together for over fifteen years. I am proud to have him as a partner.

Now he is promoted from LieutenUT to LieutenUT Kernel. Herman is now a First LieutenUT and Estelle's title of Editor and Commander fits her nicely as she can really throw her voice when 'us NUTS' mess up a story she has written.

Next month Thereasa and I will have lived in Gorman twenty-three years. I believe I speak her sentiments too when I say it has been the happiest days of our lives. Everything good has come our way and I still enjoy serving the people of this area. After all, you are the ones that are responsible for the success we have enjoyed.

A WORD FROM THE LIEUTENUT KERNEL

I sincerely appreciate the opportunity which has been given me to enter the printing business with Kernel Gene (even though I have been with him for over fifteen years). I am looking forward to the association with Gene and of the opportunity of continuing to serve the people of this community, who are all really important to me. I know of no other man in this world of whom I had rather be associated with and admire more than Gene. There just isn't a better fellow to be found. The people of this town and surrounding area should be real proud of this man who has done his utmost for all of us and will continue to do.

The Woman's Study Club has a beautiful table lamp for some person. One of their members will be glad to give you the details. Proceeds will go to the Swimming Pool Fund.

The Gorman Ind. School Board will meet Monday, October 10.

Panthers Defeated By Santa Anna; To Host Buffs Friday

The Gorman Panthers suffered their first loss of the season on Saturday night at Brogdon Field

when the Santa Anna Mountaineers spoiled the Homecoming Game with a 31 to 12 win over the Panthers before a near capacity crowd.

The Mountaineers wasted little time in showing what was in store for the night. They received the opening kickoff and drove 58 yards in five plays with Butch Makuta making the final 13 yards on a sweep 3 minutes deep in the first period. The run for points failed.

The Panthers and Mountaineers then exchanged possessions with neither being able to move the ball.

CUBS IMPROVE DESPITE LOSS TO DE LEON - TO PLAY MAY OCT. 11

Coach Lee Roy Duke's Junior High Cubs played the De Leon Cubcats last Thursday night and De Leon won 14 to 0. However, the Gorman crew showed marked improvement over the first game played a week earlier.

The two clubs exchanged the ball on two more possessions, each before the first half ended but neither could score.

Two long gainers by De Leon's 6 ft. 2 inch quarterback set up both of De Leon's touchdowns

and the Panther Cubs were held on the opponents 2 inch line, the 8 yard line and the 13 yard line. Doing real fine tackling and blocking in the line for Gorman were Reggie Underwood, Bill Mears, Randy Wright, Hal Lasater, Scott Stacy, Larry Snider, Bruce Smith, Mark Arnold, Don Porter Danny Snider and Wendell Treadway. Doing yeoman service in the backfield were Wesley Rogers, Rickey Sutton, Johnny Scitern, Billy Self and Bill Clark.

The Lions Club of Gorman will sponsor a bake sale on Saturday morning in front of the Progress Office. All members are urged to bring a cake or pie.

Following the half-time activities of the Homecoming Game Miss Elizabeth Parr, Homecoming Queen of 1966, was presented with a bouquet of red roses by Supt. Garrett. Miss Parr was escorted onto the field by her father W. O. Parr. Also presented were the runner-ups in the Queen's race balloting, Miss Bennie Peveto who was escorted by Allen Morris, Grade School Principal, and Miss Lana Stacy, escorted onto the field by Dave Smith, High School Principal, while the band played appropriate background music.

Proceeds from the bake sale will be used for the club candidate, Miss Pam Foster, who is a candidate for "Miss Gorman".

The next game will be with the May Cubs and a victory is expected since the Cubs have developed into a pretty smooth football team.

Miss Carol Ramsey Becomes Bride Of Charles Franklin Collins In Weatherford Church Rites

The Chapel of Courts Memorial Methodist Church in Weatherford was the scene of the marriage of Carol Raye Ramsey and Charles Franklin Collins on Friday, September 30 at 6:00 p. m. The Reverend John Dowd of Weatherford performed the double ring ceremony.

The Panthers didn't seem to be up to their usual fine ball playing in this game, but on the other hand they were playing what we think to be one of the best Class A ball clubs in the state. The Panthers looked good on a couple of drives but just couldn't seem to keep the momentum going.

Parents of the couple are Mr. and Mrs. J. W. Ramsey of Gorman and Mr. and Mrs. Ed Collins of Alvarado.

The bride wore a suit of loosely woven wool with a fingertip length walking jacket. Her hat was a white velvet ring with a short veil. Her jewelry included a gold chain bracelet that has been worn by brides in her family for three generations. She carried a cascade of tiny pink rose buds centered with a white orchid.

After a wedding trip to Oklahoma, the couple will be at home at 7102 Glenview Drive, Fort Worth.

Mrs. John Black of Irving was her sister's matron of honor. She wore a street length dress of pink crepe, styled with an a-line skirt. Her hat was a pink crepe ring and her bouquet was a cascade

of pink gladioli surrounded by stephenotis. Eddie Collins of Alvarado was his brother's best man. John Black of Irving was usher.

A reception dinner was held following the wedding at Westgate Restaurant in Weatherford for the members of the immediate family attending the wedding. The white tiered wedding cake was decorated with pink roses and topped with the traditional bride and groom.

Mrs. Collins is a graduate of Gorman High School and Texas Wesleyan College. She now teaches second grade at O. H. Stowe Elementary School in the Birdville School system. Her husband is a graduate of Alvarado High School and Brantley-Draughons Business College. He is employed by General Dynamics in Fort Worth.

Defensive standouts for the Big Red were Jim Tom Garrett and Louis Torrez, who caught the fast Butch Makuta on several occasions from behind after breaking in the clear. Other stalwarts on defense included Robert Hunt, John Shell, Dwayne Snider, Ed Sutton, Robert Reeves, Tommy Simmons, Jackie Harrison and James Jay.

The Panthers will host the Cross Plains Buffaloes at Brogdon Field on Friday night at 7:30. We look for the Panthers to return to their winning form and take this ball game. A large crowd is expected to witness this game and all local fans are urged to be on hand to back the Panthers. Get 'em Panthers!

Offensive standouts for the Panthers were Daryl Hirst who scored both Gorman tallies, Robert Reeves, who got 33 yards, and Robert Hunt, who caught two passes for 39 yards to set up a Panther tally.

The Panthers lost their first game of the season Saturday night to a fine Class A ball club. The Santa Anna Mountaineers beat the Red and Blue where we thought they were the strongest - from tackle to tackle. They made most of their yardage on off-tackle plays and around the ends on sweeps.

The Mountaineers stunned the Panthers in the Homecoming tilt to the tune of 31-12. Daryl Hirst, who scored both Gorman TD's, has taken over as the area's leading scorer with a total of 38 points according to the Abilene Reporter-News.

The Red and Blue are 2-1 against Class A opponents for the year and take on their fourth Friday night at 7:30 when they host the Cross Plains Buffaloes at Brogdon Field. Pink And Blue Shower Honors Mrs. Perez

The First Methodist parsonage was the scene of festivities Thursday morning when Mrs. Lorenzo Perez was honored guest at a pink and blue party. Mrs. S. A. Baker, hosting the event with other members of the Woman's Society of Christian Service, directed a game period, beginning with an introduction around the circle "I am Mrs. . . ." She presented the honoree with a corsage and her blessings. The unusual creation had cue tips and safety pins for blossoms signifying wishes for good health and a passifier with a wish for a sweetly quiet, easily pleased baby.

A second game was a "Baby's Needs" contest scramble. When Mrs. Perez's skill at dressing a baby was tested, she won the privilege of opening the gifts, the gifts that all but covered the stark resting on the dining room table. Mary, two, and John, three, assisted their mother in unwrapping. Guests were served orange juice, coffee, cookies and cake.

Gorman Public School Receives Approval For Title I Appropriations

The Texas Education Agency has informed Mr. Charlie Garrett that the Eastland County Co-op. Title I program has been approved. Under the present allotment, Gorman will receive some \$9,500. The money will be used to pay one teacher and a teacher aide.

Mrs. Ruth Higginbottom was employed under Title I as a special teacher in the elementary grades.

Mr. Garrett states that they are now looking for an aide. The aide will assist teachers in carrying out various phases of the program.

Money not used for salaries will be used to purchase library books, teacher supplies, special equipment, and materials related to the program.

Gorman received about \$11,000 last year under this program. It is hoped that the amount will be raised back to the amount of the previous year.

As soon as the final copy of the approved proposal is received, Mr. Garrett will give a breakdown on the entire program.

WCSG Continue Study 'Affluence & Poverty' In Home Of Mrs. Shell

The Woman's Society of Christian Service continued their study of Affluence and Poverty under the direction of Mrs. S. A. Baker in the home of Mrs. M. E. Shell on Monday.

Mrs. Baker gave a second part of the study, "Who are the Poor and Why?" Some suggested answers were: eradication of poverty, larger supply of better jobs, keep children in school and family planning.

Mrs. M. F. Allen gave "Poverty in Africa" by Huddleston, and "Poverty in Latin America" by Alberta Sausa, was presented by Mrs. G. C. Acrea. In relating Sausa's account of the poverty in Latin America he wonders what country will be the model for Latin America; the democratic way as practiced by Brazil and Mexico or Communism as shown in Cuba.

Following the study Mrs. Baker called attention to the projects which are dependent on the following offerings: the Friendship Home in Los Angeles, Calif. and Western Rural Work. She closed the meeting with a devotional and prayer.

W. L. Wood To Mark 90th Birthday On Saturday, October 8

Mr. William Lawrence Wood, who will be 90 years young this Saturday, October 8th, is going to celebrate it with family and friends.

Lawrence, a pioneer settler to this country, came from Carleton, Alabama, at the age of six in a covered wagon. The family settled in the Grosbeck area. His father passed away soon after their arrival to Texas. The widowed mother, Aunt Kitty, as she was known, moved with her five small children to the Midway Community to be near relatives. Being the oldest of five children, Lawrence began his life early as a farmer to help provide for the family needs. As a boy growing up in this area, he remembers many first things taking place and also many changes.

He married the former Dora Hallmark from New Hope in 1921. They moved into Gorman in 1926. Soon after, Lawrence became night watchman for the city for the next three years. He recalls many places where the city clock had to be "punched" on the hour. The depression years came and with the help of his friend, the late Clyde L. Garrett, he got to be Superintendent of the County Home in Eastland in 1935. After nine years there, he spent the remainder of the time in Eastland. Being ordained a Baptist Deacon in his early twenties at Midway,

Mental Health Is Topic Of Kokomo HD Club

The Kokomo Home Demonstration Club met Monday, September 26 in the home of Mrs. Glenn Jordan.

Mrs. Albert Hendricks, vice-president, led the club in their motto, pledge and prayer.

Mrs. Glenn Jordan presided at the business session with Mrs. Frank Williamson leading the opening prayer. Roll call was answered by each telling of "A person I look up to." Plans were made to visit the stamp mural window at the Eastland Post Office on our next meeting date, instead of our regular meeting on October 10th.

Following the business session Mrs. Albert Hendricks brought a very interesting program on "Mental Health and Health Service for the Mentally Retarded."

Mrs. Lee Bishop led the closing prayer. Delicious refreshments were served to the following members: Mmes. Delmon Eaves, O. T. Hazard, Albert Hendricks, J. L. Morrow, Wayne White, Frank Williamson, Lee Bishop, Rhonnie Richburg, and guests, Mrs. Jim Jordan and Mrs. Claude Fuller.

he misses not going to church because of bad health. Growing up he says he was pretty ornery, but the Lord has been good to me and kept me around for a reason he thinks.

To be ninety is wonderful, but the very sad part is not to be

able to talk with many friends who remember when. A brother, Green Wood of Brownwood, formerly of New Hope, and a sister, Mrs. Annie Bell Cain of Gorman, help share his memories of the past. Lawrence is looking forward to many birthdays in the future.

In A Word... Borax

Before the U. S. became a major producer of this compound, most of the world's supplies of borax came from Asia.

Thus it is not strange that the name is derived from Asian sources — the Arabian word *buraq* and the Persian word *burah* — both of which mean "white" and describe the compound's color.
