KOKOMO

By MRS. GLENN JORDAN

"LAST ROUND-UP" The weather was crisp and 'ear, just perfect for "Round-" time at Kokomo on Weday night, Feb. 14 when ing people of the church and the ir guests drifted into the Koka mo Baptist Church dressed in their western finery for the Sweetheart Ban-

As they arrived they were entertained with campfire music by the Gorm an Wranglers, Tony Ripley, Ri cky Park and Brent Foster, and their

At the appointed hour the comparis and cowboys made their way into the banquait hall that was a setting of the old west. The tables were covered with bandana tablecloths and decorated with kerosene lamps, spurs and mounted

A bale of hay, a guitar, saddle and saddle rack, ropes, branding irons, a beautiful saddle blanket, brand signs and the inscription "Last Round-Up" on the walls and sparkling stars overhead completed the decorations:

beans, creamed potatoes, veg etable salad, stuffed celery, pickles and olives, hot rolls and butter, cake suares, beau tifully decorated with a cactus plant, and iced tea in pint jars were served.

Bro. Joe O'Neal served as master of ceremonies, welcoming the boys and with a big "Howdy!" O'Neal was a special guest. and boys remained for a cou- Mrs. J. L. Morrow and Mr.

by Glenn Jordan. Christi Fuller expressed thanks and appreciation to the chutrch and the ladies who did the work for the banquet.

Cardboard brands in sealed envelopes were given to each one, and Rebecca Parker was the lucky lady to be branded "Queen of the Cowgirls" and Lindell Fields was branded the "King of the Cowboys."

With Christi Fuller leading and Mrs. Oren Webb at the piano all sang "Home on the Range." Mrs. Claude Fuller and Christi rendered "Riding "The Range For Jesus."

Mrs. Glenn Jordan introduced the speaker, Bro. Franklin Krause, who is the Youth Director at the First Baptist Church in Eastland. He attends the Southwestern Baptist Theological Seminary in Fort Worth.

Bro. Krause kept things very lively and entertaining and then closed with more serious thoughts of being the type of individual that God expects us to be as Christians, by setting moral standards high with rules and regulations to guide us, and to stick by the rules regardless of what others do. He said that we "can have the right kind of love for and relationship with one another when we know God, creator of all love and mankind, and have the love of Christ in our hearts."

Following the benediction, given by Oren Webb, the cowboys and cowgirls gathered around the campfire again for more music by the Gorman Wranglers, and then wandered off into the starlighted night to their homesteads, thanking God that they live in a country where they can enjoy good times like this.

Mmes. Bill Brown, Claude Fuller, Glenn Jordan, and Oren Webb were the decoration committee.

NEW SIGNS Something new has been added at Kokomo. The new name signs have been put up at each home with a large master sign at the community grounds. These signs have taken a lot of time and effort from the people of the community, but it is well worth it. The signs are very attractive as well as informative. A special thanks to Mr. Bo Caraway and the FFA boys for their help on the

STEW SUPPER The Kokomo HD Club will have their annual stew supper in the community center on Saturday night, Feb. 24th with serving from 5 to 8 p. m. Tickets are \$1.00 for adults and 50c for children under 12. They may be obtained from members of the club or at the

You know, some people figure they can get by pretty good with second best. Well sir, that's the kind of thinking that'll make a good peanut farmer snicker to himself. If he was to take that attitude, he'd be out of business before long.

Folks who grow peanuts for a living will be real quick to tell you that the quality of their peanuts depends a whole lot on the quality of the seed. And right there's the reason why Star Brand Certified Seed Peanuts are so popular in this part of the country. The people at Gorman Peanuts take the very lost care of their seed.

They grow it on choice irrigated land. It's combined at a slow, steady speed so it won't be damaged. Then it's field dried.

And they have electronic equipment that culls out all the damaged and ballhead kernels. Then te assure you of the finest quality, all splits are removed before and after treating. The last step, and one of the most important, is that they don't treat their seed until the dealer calls in your order.

Of course, there's a lot of other important steps involved in getting the excellent quality seed that bears the Star Brand label. Tell you what, why don't you drop by your dealer who handles Star Brand Seed and get him to tell you some more about it.
