Drivers Education Students Observe

Local Drivers

Dave Smith, Drivers Education r, assigned two of his in the local Drivers Ed to observe drivers for program, to observe drivers for one hour at the downtown inter ection.

Between the hours of 3 and 4 p. m. Thursday, June 8 the stu-dents noted that 66 cars had pass-ed the designated location. 66 1/4 percent of the drivers did not give a single signal, and 16 1/4 per-cent turned in a wreckless man-ner. 33 13/14 percent did not stop at the stop sign. Only 32 1/4 per-cent of those that did stop did not stop behind the stop sign. We all should have a refresher course in driver instructions ac-cording to the observations made by the students. That's right. You don't even have to lift a finger. Frost never forms in either the refrigerator or the freezer section. And since there's no frost, there's nothing to defrost. Think what that saves in time and work for you. Then see the no-frost refrigerator-freezers at your favorite appliance dealer's soon.
