Interurbans Crash Head-On, 53 Hurt

DALLAS, April 10. (AP)—Fifty-three persons were hurt, five seriously, when two interurbans smashed together head-on in Dallas County today. Most of the injuries were considered slight.

The shattering crash of the Texas Electric Railway cars occurred at a curve just north of Dallas, near Vickers, at 7:55 o'clock this morning. The cars were on the Dallas-Sherman-Denison line, one south bound and the other north bound.

Then the whole front of the car fell in on me. I was not unconscious. A score of ambulances took the injured to hospitals. In some cases attendants gave first aid at the scene. The wreck created a tremendous traffic jam on the nearby highway and police worked furiously to untangle the tieup.

Reviewing The Big Spring -Week-

Our honored and dependable (almost) sentinels of Spring, the mesquite, are not showing much disposition to put out leaves. We've had our ear to the bark, however, and have ascertained that it is not due to an impending freeze, but that the crafty plants just don't want to stick their heads out into all this sand.

The Texas National Guard unit mustered its first men last week, but it is still a long way from completing the tables for organization strength, which is 97 enlisted men and five officers. A second enlistment meeting is slated for Monday evening at the Settles.

Motorcycle races a week ago drew large crowds, and the quality of the races was much improved. Each one of the events proves better than the preceding one, and if the trend is continued, it will become an outstanding event for cyclists in the Southwest.

Good news has come from northern Glasscock county, where considerable oil exploration is underway. This, however, had to do with development of a water well in the city's O'Bar field. Tests last week showed the new well to be rated at better than 300 gallons per minute, and to be perhaps the strongest in the city's battery of

TEXAS VIEWS Stassen Win Questions Our World Outlook

By PAUL BOLTON, Herald Austin Bureau

AUSTIN, April 10—Harold Stassen's victory in the Wisconsin presidential primary is bound to raise a question among Texas politicians: Are the people of Wisconsin more internationally-minded than the people of Texas?

Because they have expressed their preference for an internationalist, who was singled out by a prominent Texan for a bitter attack. Author of the attack was the Houston multimillionaire, H. R. Cullen, who is perhaps the outstanding supporter of Senator W. Lee O'Daniel.

Stassen was a delegate to the United Nations organizational meeting in San Francisco. Shortly prior thereto, he made a speech at the University of Minnesota, saying in substance that we must be willing to delegate a limited portion of our national sovereignty to the United Nations.

In later elaborations, Stassen instanced international air travel as a subject which should clear through a United Nations agency; and asserted that the United States must assign a portion of its armed forces to a UN army, to constitute a deterrent to small disorders wherever they may occur in the world.

To these views, Mr. Cullen took violent exception. He said that Stassen was trying to create a force which would result "naturally" in a "horrible Gestapo" which would have the power to come into the United States and "put a stop to strikes, race troubles or other disturbances."

Cullen thought that any such organization would be controlled by others, more specifically "Asiatics," since they so far outnumber the rest of the world in terms of population. He thought that a world organization would force the United States to "dig up all the gold now buried in the mountains of Kentucky," and distribute it.

Jake Bruton Is Candidate For Sheriff

JAKE BRUTON

J. B. (Jake) Bruton announced Saturday that he would be a candidate for the office of sheriff of Howard county, subject to action of the democratic primaries.

Bruton, 44, has been a resident of Howard county since 1940, is married and he and Mrs. Bruton have one son.

"The qualifications upon which I base my sincere solicitation of your vote and influence," said Bruton in his announcement statement, "include many years of peace officer work, schooling in all technical and most modern methods of the work, plus a substantial education."

"I am now, and have been since Sept. 1, 1944, juvenile officer of Howard county. I am not dissatisfied with the work, but state statutes limit the salary far below that necessary for present day living costs, and my past experience and training qualify me far better for the office I seek than the one I now hold."

### Group Backs Attendance Basis For Aid To Schools Of State

AUSTIN, April 10 (P)—Plans for changing the basis for allocating state financial aid to schools have the blessing of the Good Neighbor Commission of Texas.

Many groups have sought to change the granting of aid to put it on the basis of attendance, rather than on a head count of scholars. This would require a constitutional amendment. The constitution now directs that the available school fund be distributed to the counties "according to their school population."

Dr. George I. Sanchez, president of the Southwestern Council on Education of Spanish-Speaking People, told the commission at its March meeting that this requirement puts a premium on non-attendance.

He was replying to a question from commission member Guy Warren of Corpus Christi, who had asked the educator what he would think of placing state aid on the basis of average attendance rather than on a census count of scholars in each district.

Advocates of this plan have long contended that many counties take advantage of weaknesses in the compulsory attendance law and spend all or nearly all state aid funds on so-called "white" schools, leaving Negro schools and those attended principally by Latin Americans out in the cold.

A county where the proportion of Negroes and whites is 50-50, could for example, spend 10 per cent of state funds on the Negro schools and 90 per cent on the white schools by making half-hearted or no efforts to compel attendance of Negro children.

On the other hand, if the per capita aid (\$55 a child for the current and next school years) were distributed on the basis of attendance, it would either get a lot less money or it would have to try to stimulate attendance of Negroes. If it followed this latter course, no doubt it would have to provide some additional facilities.

There have been repeated efforts to push such proposed constitutional amendment through the legislature.

The last one was by Sen. Pat Bullock during the 50th session. It

got nowhere, or practically nowhere. You won't find it among the amendments to be submitted in the next general election.

After Warren's question and the reply from Dr. Sanchez, commission chairman R. E. Smith of Houston interposed that the commission had tried to accomplish this purpose, and would continue to.

The commission also went flatly on record as opposing segregation of Anglo Americans and Latin American children for any reason whatsoever, in the public schools. Earlier in the meeting, it had proposed opposition to segregation where it was "solely for the purpose of racial segregation." The original statement noted that it would urge a policy of permitting Latin Americans and Anglo Americans to study together when the Latin Americans were "competent in English."

Latin American educators have argued for many years that there is no good pedagogical reason for separating English speaking from Spanish speaking children in the lower grades.

### Vets Planning State Meeting To Ask Bonus

By Paul Bolton  
Herald Austin Bureau

AUSTIN, April 10.—A chance remark by Gov. Beauford Jester has boomeranged and blossomed into a statewide meeting to be held in Austin on the subject of a bonus for veterans—a subject which could cost the taxpayers several hundred millions.

The University of Texas Veterans Affairs committee has announced that representatives of 20 colleges and junior colleges will meet in Austin April 17-18, to discuss the pros and cons of a bonus—a subject hardly thought about until the governor labelled those favoring a bonus "un-Texan."

Meanwhile acceptances are expected to come in from still other colleges. It was specified that any college representatives must bear these credentials:

1. It must be shown that a poll was taken on the campus, with a definite commitment for or against a bonus plan.
2. The representatives must have authority from the student government to speak for it.
3. If the school favored a bonus, a definite plan must be presented.

Such representative colleges as Baylor, Texas Christian, A&M College, Texas Tech, the University of Houston have accepted along with smaller colleges ranging from Brownwood to Texarkana.

A spokesman for the host group at the University estimated that these representatives would speak for at least 50,000 students, which, he felt, would influence the average candidate next summer.

Six speakers have been invited to appear—three for and three against the bonus. The first invitations went out to Governor Beauford Jester, invited to speak against the bonus, and to Lieutenant Governor Allan Shivers, invited to speak for it. Two candidates for speaker in the next Texas House, Joe Kilgore of McAllen and Doyle Willis of Kaufman, are expected, as well as Roger Evans, the head of the Veterans of Foreign Wars, which advocates a state bonus.

### April Set Aside For Cancer Drive

one of every person who now dies of cancer could be saved through early detection and prompt treatment, that one of every eight deaths in Texas results from cancer.

"The American Cancer Society, Texas Division, is the recognized organization of Texas primarily devoted to the essentials of research, education and service for the cancer patient," the mayor said. "Therefore, I, George W. Dabney, mayor of the city of Big Spring, Texas do hereby proclaim April as Cancer Control Month and do request that the citizens of this city observe it as such."

"It is my further request that

### A Weak, Run-Down Feeling Is Often A Warning That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, and energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Emergence your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

M&M Production No. 1 Edwards, 990 feet from the south and 330 feet from the east lines of section 15-33-2s, T&P, was at 1,180 feet.

Ralph U. Fitting, section 158-29, W&NW, which had only light shows in the Yates on the east edge of the shallow area, was at 2,100 feet in a bid for the 2,400-foot pay. Frances M. Campbell and Son No. 2-C Hyman, an inside location on section 93-29, W&NW, was at 1,050 feet in redrock. Cooper No. 1 Chalk, section 94-29, W&NW, was at 2,100 feet.

In the East Howard area, Cooper No. 2 Percy Jones, section 13-30-1s, T&P, had begun potential test. The operators No. 4 and No. 5 Jones wells were waiting on cable tools.

Dr. W. H. Cooper No. 2 Mildred Coleman, a Coleman Ranch venture in Northwest Mitchell, prepared to set the seven-inch string. Location is in the west half of the southwest quarter of section 70-97, H&TC.

### Shaw's Announces Insurance Service

An unique service is being announced today at Shaw's Jewelry store.

It is an insurance policy with each purchase of diamonds or diamond jewelry.

The service is an added feature, at no extra cost to the customer, said Joe Blum, manager of Shaw's in Big Spring. The policy is exclusive with the company and is underwritten by a nationally known insurance concern.

Protection is granted against loss from fire, accidental loss, theft, and damage of most kinds. The policy is issued by the store at the time of purchase, and it is effective for the period of one year.

### Cub Scout Course To Be Continued

The Cub Scout leaders training course, launched here four weeks ago, will be continued at a class session scheduled for 2:30 p. m. today at the Howard County Junior college, D. M. McKimney, Cubbing commissioner, reminded Saturday.

Today's meeting will be held in the HCJC administration building, the original meeting site. Last session was conducted in the shop building.

## Once Abandoned Hale Wildcat Is Made Producer

By JOHN B. BREWER  
SAN ANGELO, April 10—Swabbing and flowing of oil after acidizing by a southeastern Hale county wildcat abandoned by Humble at 6,756 feet in 1941 and worked over by General American Oil Co. of Dallas highlighted West Texas developments this week.

A Ralph Lowe wildcat in Cochran county indicated production possibilities and a prospective shallow strike in Garza county by Proven Oil Co., L. M. Glasco and others No. 1 Geo. W. Herd prepared to pump. A Phillips Petroleum Co. wildcat recovered oil in promising amount from the Strawn before encountering water.

General American No. 1 A. F. Byrd in Hale county was credited with flowing 129 barrels of oil in three hours after acidizing the Pennsylvanian with 7,500 gallons through casing perforations at 5-835-95 feet. It continued swabbing to test. Earlier, following the acid treatment, the well swabbed oil at the rate of 25 to 30 barrels hourly.

The wildcat had been reworked and plugged back to 5,908 feet. It is in the C SE NE 17-K-D&SE, 7 1/2 miles east of the opener of and lone producer in the Petersburg (Cisco) pool, Standolind No. 1 E. L. Fisher.

Ralph Lowe of Midland No. 1 G. G. Wright, Cochran county wildcat, cored San Andres lime from 4-860-4,850 feet showing scattered streaks of porosity and oil stain. It cemented 5 1/2-inch casing at 4-835 feet and treated the open hole with 1,000 gallons of acid. Location is 440 feet out of the southwest corner of labor 25, league 95, Mills county school land survey, nine miles southwest of Whiteface.

Proven Oil Co. and others' No. 1 Herd, trustee, in Garza county was installing a pump. It treated the San Andres with 6,000 gallons of acid through casing perforations at 2,445-2,515 feet and at the end of a 36-hour swabbing period was making an estimated two barrels of fluid hourly, half oil and half acid water. The water was decreasing. Location is 330 feet out of the southeast corner of the lease in section 29-8-H&GN.

Phillips Petroleum No. 1 Mrs. W. J. Weddell in northern Schleicher county recovered 150 feet of drilling mud fairly well cut with oil and gas and 30 feet of free oil on a two-hour drillstem test of the Strawn from 5,620-80 feet. The next test, from 5,690-5,740, also lasting two hours, yielded 1,220 feet of free oil and 830 feet of salt water. Drilling continued, to explore the Ellenburger. The wildcat is in the C NE NE 72-M-GH&A, 17 miles northeast of Eldorado.

Anderson-Prichard and Vickers Petroleum No. 1 Miss Marvin Frances Foster, lower Permian lime strike in Sterling county, was watched closely as it tested.

Cities Service prepared to start No. 1 Dr. Edw. H. Jones, scheduled 7,500-foot wildcat in southwestern Tom Green county, 12 miles south-southwest of San Angelo. Location is in Maria Josepha Fernandez survey, 100, 660 feet north and 660 feet east of the northwest corner of J. H. N. Miller survey 928.

### Porter Places Third In Typing

MIDLAND, April 10 — Mary Louise Porter of Big Spring placed third in interscholastic league typing contests here Saturday to qualify for competition in the regional contests scheduled for April 24 in Abilene.

Miss Porter, with 123,177 points, was edged for second place by Marie Griffin of Abilene, who scored 123,787 points. Mary Elmor of San Angelo won first place with 135,462 points.

Patsy Roger, another Big Spring entry, placed seventh. Thirty-eight typing students from district schools entered the event.

Mary Louise Davis of Big Spring placed seventh in a field of 12 entries in the shorthand contest which was won by Pat Ferguson of Abilene.

WEST TEXAS OIL

## Sterling, Scurry Tests Announced

Wildcat locations, an Ellenburger test in central Scurry county and 4,200-foot venture in western Sterling county were announced Saturday.

Magnolia Petroleum company which filed location to drill the No. 1 Harrie Winston, four miles southwest of Snyder, also filed for a wildcat in Pecos county.

The No. 1 Winston is to be 330 feet from the north and east lines of section 37-72, Kirkland & Fields. The rotary venture is projected for 8,000 feet.

Magnolia No. 1-33 Eaton will be eight miles southwest of Imperial, in north Pecos county. It is slated as a 2,000-foot rotary exploration. The driller is 330 feet from the southwest and southeast lines of section 33-3, H&TC and is in an undeveloped Pecos valley area.

The Texas Company is to start drilling at once on a 4,200-foot prospector in West Sterling county, 15 miles west of Sterling City.

The venture will be on land owned by the Texas Pacific Land Trust, and 660 feet from south and east lines of the east half of section 13, block 31, TP survey, T-45.

It is slated to use rotary tools to test through the Wichita-Albany section of the lower Permian. The driller is 19 miles northwest of Anderson-Prichard Oil Corporation and The Vickers Petroleum Co., Inc., No. 1 Marvin Frances Foster, discovery for flowing production from the Wichita-Albany, seven miles south of Sterling City.

That development, located 660 feet from south and west lines of section 12, block 15, H&TC survey, made a hole full of sulphur water, with only slight shows of oil and gas in the Ellenburger at 8,200-30 feet.

It is to plug back to about 4,400 feet, run pipe and complete from the section between 4,232 feet and 4,343 feet, where it flowed 1,360.4 barrels of 28.5 gravity oil, natural, on a 48-hour test through the drill pipe.

Leases in the region surrounding the location for the new Texaco prospector in West Sterling county are owned mostly by The Texas Company and by Humble Oil & Refining company.

Rotary equipment is being moved in to drill the L. G. Yarborough & Son, et al, No. 1 Rufus W. Foster, slated 5,000-foot wildcat in Southeast Sterling county, two miles west of the Anderson-Prichard and Vickers No. 1 Foster discovery.

That project was announced several days ago, to be 660 feet from north and east lines of section 10, block 13, PRR survey. It is on a

block of more than 12,160 acres in the Foster ranch.

Objective of this venture is to test through the Wichita-Albany, and into the Wolfcamp zone of the Permian. Contract to dig the well has been let to Grappe-Denton, Inc., of Levelland.

In addition to the Yarboroughs, Midland independent operators others interested in the new exploration are Jack W. Goddard of Midland, Pan American Production Company and J. A. Elkins of Houston, and C. R. Winn of Dallas.

Sun Oil Company No. 1 Central National Bank of San Angelo, trustee, Ellenburger wildcat, one quarter of a mile southwest of the discovery from production from the crinoidal reef lime of the Pennsylvanian, in the South Jameson field of Northwest Coke county, and 1-050 feet from south and 467 feet from east lines of the W. F. Benson survey, was coring ahead from 7-228 feet in the Ellenburger, topped at 7,193 feet.

A drillstem test was run for one hour at 7,193-7,203 feet. Recovery was five feet of drilling mud, with no shows of oil, gas or water.

### A DOLLAR WENT FARTHER IN WASHINGTON'S DAY

It is said that Washington once threw a silver dollar across the Potomac. Well, a dollar went further in those days. But here is good news for sick people—a price reduction that will make your medicine dollars go further. The makers of Mertz Compound have reduced the price of this excellent tonic approximately 15%.

The amazing results people have been obtaining with this great medicine has kept sales increasing in such volume that this lower price was made possible.

Mertz has been endorsed in writing by hundreds of Texas people. Here is what Mrs. Alma Cummings of Waco wrote us:

"For the past 10 years I have been troubled with severe gas pains which seemed to press against my heart and made it difficult to breathe.

"I had a pain under my heart that was almost unbearable at times. My food just would not digest and soured on my stomach. I had had dizzy spells and when these attacks occurred, I felt all puffed up.

"I am under weight, but since taking Mertz two weeks, I have gained seven pounds. My appetite has greatly improved and I can now eat lots of things that I couldn't eat before taking this wonderful medicine.

"Since taking Mertz, I feel like a different person. It certainly is wonderful to get up in the morning and do a day's work, without that tired, worn-out feeling. I was amazed at the quick action of this medicine."

The above is just one of many from people who report quick action for constipation, stomach disorders, kidney conditions, rheumatic pain, etc.

Buy Mertz from your druggist at the new REDUCED price. Send post card to The Penick Co., 4815 Bryan, Dallas 4, Texas, for free booklet, "BETTER HEALTH," and PROOF of what Mertz is doing for sick people.

## Upton Flanker Running Tests

Slack-Urschel Oil Company and Plymouth Oil Company No. 1 W. M. Standifer, et al, southwest flanker to the discovery for Ellenburger production at the same operators' No. 1 Alford, to open the Benedum field in Central-East Upton county, was running a drillstem test at 5,058-82 feet on a sand zone in the Pennsylvanian formation.

Cores through that zone had shown some bleeding oil. This prospector is 660 feet from north and 1,980 feet from east lines of lots 3, section 50 1-2, P. B. Scott survey. It is scheduled to continue to around 12,000 feet to explore into the Pennsylvanian formation.

K. A. Ellison and Ray P. Diehl No. 1 John G. Crockett, North Pecos county wildcat, two miles east of Buena Vista, and 660 feet from northeast and northwest lines of section 28, block 2, H&TC survey, had drilled to its contract depth of 5,000 feet in lime and was shutdown for orders.

The prospector developed salt water, with only slight shows of oil and gas, in a drillstem test at

4,890-4,940 feet in a zone which may be the Ellenburger.

Gar-Ter Drilling Company No. 2 Weiner-Vaughn, North Crockett county exploration in the Vaughn shallow area, and 1,673 feet from south and 2,623 feet from east lines of section 86, block OP, GC&SF survey, had plugged back to 1,440 feet in the upper Permian lime, and had perforated the 7-inch casing which had been cemented at 1,452 feet, with four holes to the foot at 1,398-1,440 feet.

That section had tested for 15 million cubic feet of gas per day, and the project is to be completed as a gas well.

Gar-Ter No. 1-E Weiner-Shannon, slated 6,000-foot wildcat in northeast Crockett county, and 660 feet from north and east lines of section 16, block UV, GC&SF survey, had drilled below 1,500 feet in lime and was making more hole.

This development was reported to have shown a small amount of free oil between 1,420 feet and 1,435 feet. Since going below that section it is understood that the wildcat has found some water.

Two cups of hot chocolate combined with a cup of hot coffee and a few drops of vanilla makes a delectable drink. Serve this sweet crackers with it.

# Steers Finish Second To Odessa In 3AA Conference Track Meet

## Locals Pick Up Four Firsts

MIDLAND, April 10.—A dramatic mile relay victory, last event on the program, enabled the Big Spring Steers to win second place in the District 3AA track and field meet here Saturday afternoon.

Odessa's powerful Bronchos copped the team blue ribbon with yards to spare, tallying 32 points. Big Spring had 23, Abilene 29-2-3, Midland 22-1-3 and San Angelo 16. Sweetwater did not get a point.

Abilene's scrappy War Birds needed only a first place in the mile to win the second place cup and for a long while looked capable of producing. Their foursome held a 20 to 25 yard lead until big Delmar Turner took over the baton from Jim Bill Little, who had accepted it from R. H. Carter.

Turner ate up the yardage and narrowed the gap to about ten yards and that was all the great Leon Leopold, Steer anchor man, needed. He kept on the Eagle galloper until they hit the back stretch and then stepped on the gas. Drawing abreast at the far turn, he then breezed home in front by ten yards and made it look easy. The Steer quartet's time was a respectable 3:35.2 minutes.

Leon also negotiated the 800-yard run in 2:04.3 minutes—he was never pushed—and finished second to Byron Townsend of Odessa in the broad jump with a prodigious jump of 21 feet

# Tri-County Loop Teams Tee Off This Afternoon

## Ed Gideon, Dory Detton Tangle In First AC Bout Here Monday

Monday night's wrestling card at Promoter Pat O'Dowdy's Sportatorium on East Third street will feature a re-match between the talented Dr. Gil Knutson of Davenport, Iowa, and The Masked Marvel, one of the arch villains of the local arena.

In a taffy-pull several weeks back, The Marvel had his hands raised in victory by a dazed Ace Abbott, the third man in the ring that night. The party threatened to turn into a real ruckus when the spectators claimed that Knutson had pinned the hooded one's shoulders for the required three seconds.

Abbott was willing to disagree for he was in the gauze at that particular moment, having been slapped into the land of nod by the man of mystery.

First part of the double main event will pit the ever-popular Dory Detton of Amarillo against Eddie Gideon of Springfield, Mo.

Both boys have banner followings here. Gideon gained more friends by dropping Ace Freeman in a sensational match last week.

Detton admittedly wasn't in shape when he appeared here two weeks ago but since that time has been working out every day. He told O'Dowdy he proved a disappointment to himself as well as to his supporters and wanted a chance to redeem himself.

The show begins at 8:15 o'clock.

## Lamesa Beaten By Berger, 7-2

SAN ANGELO, April 10. — Ed Carnett's Berger Gassers of the West Texas-New Mexico League put together two, three-run innings Saturday afternoon to take a 7 to 2 verdict from the Lamesa Lobos of the same loop in an exhibition tilt called at the end of seven innings by agreement.

## Men, Regain Youthful Vigor Here is a Vital Message to Men of 40, 60 or Older Men Who Feel That The Years Have Let Them Down

If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have allowed down your vitality, vitality and successful pleasures, here is a simple method that may change your whole outlook on life. Don't feel old and wear out at 40, 50 or more. Why not try to regain the pleasure of living and vigor? Regain the nerve and zest of a youth younger man. Just ask your druggist for Calvesa stimulating tablets. Take as directed on label. There is nothing harmful in Calvesa tablets. Make no mistake as you feel you need them. Added years may no longer deprive you of desired enjoyment. Why be the victim of the "older" man?

**Don't Be Discouraged**  
Goethe finished Faust at 42; Beethoven lost his hearing at 40; Napoleon died at 48; Titian painted masterpieces between 40 and 50; Clark Gable was an active president of the Red Cross at 48; Verdi was composing, Victor Hugo was writing, Corot was painting long after 40.

So don't let the added years get you down. Why not try Calvesa tablets today? Available at all druggists.

## Orlie Moreno Ordered Here By Sen Scout

**ORLANDO MORENO**  
... Coming Back

Joe Cambria, chief scout of the Washington Senators, informed Claud McAden, general manager of the Big Spring baseball club, via telephone Saturday morning that he was returning Orlando Moreno to the Broncos.

Moreno, sensational third sacker of the 1947 club, has been working out with the Havana Florida International league team.

Named to the Longhorn league's all-star team, Moreno hit a respectable .345 last year. He scored 186 runs to lead in that department, was one of three players in the circuit to get over 200 hits (his total: 201), collected 305 total bases, had 33 doubles, ten triples, 17 home runs and accounted for 99 runs batted in. In addition, he stole 28 bases.

Armando Traspuesto has been playing third base for the Hosses. He will be returned to his post behind the plate. He was also on the all-star team in 1947.

Cambria also informed McAden he was sending a short stop here but did not identify him by name. He added Justo Apiezu, first baseman, was being dispatched to the states but would check in at Sherman until the Twins' first sacker, Jake Suytar, recovered from an ankle mishap. Then Apiezu, Cambria stated, would come here.

## All Teams Still In 3AA Battle

No team has been eliminated from District 3AA baseball title consideration after a week and a half of play. Neither does any of the clubs boast a spotless record.

San Angelo and Odessa are leading the pack at the moment, each boasting a record of two wins in three games. All the other contingents have won one game each. San Angelo tests Big Spring at home Tuesday. Sweetwater invades Lamesa and Abilene goes to Odessa. Friday, Big Spring goes to Abilene. Odessa hosts Midland and Lamesa makes a trip to Angelo.

## Forsan Blasts Local Brigade

**FORSAN**, April 10.—Exploding with a barrage of home runs, Forsan turned back the Westerners from Big Spring Hardware here Friday afternoon in a Tri-County league baseball warm-up, 7-2.

Lewis Heuvel, Lefty McCabe, and Andy Anderson, who bat consecutively for Forsan, connected for the circuit. Eddie Hammond, Western twirler, was the victim. Rules and by-laws are being shaped for the next league meeting on April 26, said C. J. Lamb, president of the loop. At that time, eligibility lists will be passed.

# Steeds Oppose Lamesa Nine Today, San Angelo Tuesday

## Hosses Romp On S'Water

Local fans, unless they're in the mood to travel, get their next chance to see the Big Spring baseball Broncs in action at Steer park Tuesday night, at which time the Steeds tangle with Pepper Martin's San Angelo Colts.

The Big Springers square away with Lamesa in Lamesa around 3 o'clock this afternoon and will be seeking their second straight win over the WT-NM leaguers.

Humberto Baez, returned to the Hosses yesterday, may pitch a few innings for the Cayuses.

**SWEETWATER**, April 10. — Big Spring slugged out a 25-20 victory over the Sweetwater Sports in a three hour and 30 minute baseball exhibition here Saturday night. About 500 fans looked on.

The Broncs tallied in every inning but the fourth and the sixth and twice enjoyed six run out-breaks.

Armando Traspuesto hit two home runs for Big Spring while George Siffitt and Ace Mendez collected one each.

Ken Peacock and Coy Taylor hit for the circuit for Sweetwater. Two Sports outfielders, Melvin Weible and Earl Benson, collided in the first inning and both suffered injuries. Weible suffered a broken jaw, Benson a broken kneecap.

Bobby Fernandez and Traspuesto each had four hits for Big Spring. **BIG SPRING** .362 060 332—25 21 Sweetwater .502 250 312—20 22

Cowan, Smith (2), Whisenunt (5) and Cadalso, Traspuesto; Robinson, Smith (2), Whisenunt (5), Waits (7) and Ed Peacock, Jones, Manns.

## Longhorns Trim Texas Christian

**AUSTIN**, April 10. — Young Charley Gorin, rapidly becoming the ace of Coach Bibb Falk's mound staff at the University of Texas, made an impressive Southwest Conference pitching debut today in holding TCU to three hits as the Longhorns triumphed, 6-1.

Gorin, willowy sophomore left-hander from Austin, permitted a single to Paul Koch and a double to Billy Beck in the fifth inning for the Frogs' lone run.

## San Angelo Tennists Win Pair Of Titles

**MIDLAND**, April 10. — R. G. DeBerry, Jr., San Angelo, easily won the District 3AA boys singles tennis championship by defeating Buddy Satterwhite of Abilene, 6-0, 6-1 here Saturday afternoon.

Satterwhite had earlier trounced Billy Montgomery of Big Spring, 6-4, 7-5.

Diane Estis, Abilene, turned back Sue Price of San Angelo, 7-5, 6-3, in girls' singles finals. Miss Price edged Dot Couble, Big Spring, in the semi-finals, 6-2, 6-3, after Miss Couble had drawn a bye in first round play.

In boys' doubles play, Charles Blackworth and Bob Keeley of San Angelo edged Russell Reece and Raedolph Haile, Abilene, 6-3, 6-1. Reece and Haile had qualified for the finals with a 6-2, 3-6, 6-4 win over Cuiin Grigby and Jerry Houser of Big Spring.

Jane Walker and Dolores Edwards of Sweetwater won the girls' doubles title by virtue of a 6-4, 6-2 victory over Susie Rose and Mary Morris of Abilene. Kitty Roberts and Jean Pearce of Big Spring lost to the Abilene twosome, 6-1, 6-4, after edging Midland in the first round, 6-2, 6-2.

Bill Montgomery won his first round match from Odessa, 6-4, 8-6.

In Junior play, Carl Nunn of Sweetwater was crowned the boys' singles champion. Sue Cook, Sweetwater, copped the girls' singles title. Billy Ray Reynolds and Ronald Fraley, Sweetwater, proved the best in boys' doubles and Ann Whorton and Sarah Beth Marsh, Sweetwater, triumphed in girls' doubles.

## Mustangs Defeat Baylor, 6 to 5

**DALLAS**, April 10. — Southern Methodist virtually eliminated Baylor from the Southwest Conference baseball race today by edging the Bears 6-5 on an 11-hit attack.

The Methodists won in the tenth inning when Ernie Hughes slugged a single with Mack Maroney on third. Hughes thus made up for three errors he had turned in at second base.

## Links Forces Play Tuesday

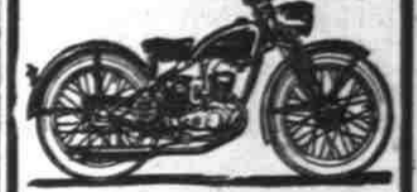

Coach Johnny Malaise picks his high school gold team for a 3AA joust with San Angelo's Bobcats in Angelo today. The candidates are qualifying for positions at the Munn course.

A half dozen or more youngsters are scrapping for the four berths. Bobby Maxwell, Malaise's ace, is certain to go. Clarence Schaefer is reasonably sure to make the trip.

Other spots will be filled by Sam Thurman, Gib Savatelle, Jimmy Webb, Bobby Hohertz or Dickie Cloud.

The Tuesday match marks the first time the Steers have ever fielded a team in district competition.

"Talk about VALUE," says America

"CHEVROLET and ONLY Chevrolet IS FIRST!"

You'll find that new front-end styling—new colors—new and even more luxurious interiors add still further to the Big-Car beauty of Chevrolet's bodies by Fisher. They're the world's finest bodies, found only on Chevrolet and higher-priced cars.

You'll get much better performance with economy from Chevrolet's world's champion Valve-in-Head engine. It has the finest record of dependability of any automotive power plant! And Valve-in-Head engines are exclusive to Chevrolet and more expensive automobiles.

How much more smoothly and steadily Chevrolet rides on all types of roads! Here's your Big-Car comfort. It's the fine result of the Utilized Knee-Action Gliding Ride; and this feature, too, is found only on Chevrolet and higher-priced cars.

You and your family will have Big-Car safety, too. For Chevrolet brings you the three-fold protection of Fisher's Uni-Trac body-construction, the Knee-Action Ride, and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and more costly cars.

Turn in Scrap Iron and Steel in Chevrolet and more costly cars.

Yes, from one end of the country to the other, public enthusiasm for the new 1948 Chevrolet points to a great public conviction that CHEVROLET AND ONLY CHEVROLET IS FIRST in all-around value as in popularity. More people drive Chevrolets, according to official nationwide registrations and more people want Chevrolets, according to seven independent nationwide surveys than any other make of car. You'll understand why when you see this newer, smarter, finer Chevrolet for '48. Your own judgment will tell you that it gives more value... that it alone offers BIG-CAR QUALITY AT LOWEST COST!

As you know, public demand for new 1948 Chevrolets is at the highest level in all Chevrolet history. For that reason, we urge you to keep your present car in good running condition, pending delivery of your new Chevrolet. Come in, get skilled, dependable service, now and at regular intervals.

**DP's Called Great Problem In China**

One of the greatest post-war problems faced by welfare and rehabilitation organizations in China has been arranging the return of persons who migrated during the conflict to their homes, Harold Matthews, representative of the Hogg Foundation, declared at a special luncheon in the Settles Friday.

Some 20-million Chinese left their homes in the eastern part of the country and moved westward to escape the Japanese, he said.

Matthews returned last December after two years of duty with UNRRA in China. He is in Big Spring in connection with survey work for the Hogg Foundation and the Women's Foundation of New York. The Friday luncheon was arranged by Lee Milling, general secretary of the YMCA, for "Y" members, officials and guests.

Matthews said he actually saw people drop dead in the streets from starvation in some Chinese cities. He also told of visiting one city caught in the grips of a serious food shortage where a full warehouse of rice was found. Guards at the warehouse would not release the rice, however, because they said they had no authority to open the doors. Matthews produced a pen and a piece of paper and hurriedly wrote a personal order, which was accepted by the guards, and the food was made available to the starving populace. His own authority for issuing the order was self-generated, Matthews admitted.

Many children's institutions, hospitals, schools and roads were completely wrecked by the war. The welfare agencies repaired many of these and erected temporary facilities in tents, Matthews said.

Despite all of these problems the Chinese generally are surprisingly optimistic, he declared. And after remaining in the country for almost two years, Matthews said it was his opinion that Japan would have moved toward extinction if it

had conquered China on the military field. The Chinese have a way of absorbing everyone who comes into their country, he explained, and although they have been conquered half a dozen times during a lengthy history they have overcome their conquerors by this absorption on each occasion.

**SWING YOUR PARTNER**—The intricate combinations, the fast steps and the fascinating rhythm of square dancing attract increasingly large numbers of couples in Big Spring, who gather regularly for an evening of the dancing so popular in days gone by. Several local groups are organized, others meet for instruction, all are finding real enjoyment in the "old-time" diversion. Upper left, members of the Chaparral club are doing the square at a regular meeting of the club at the VFW hall, with Harry J. King calling. Shown are Mr. and Mrs.

Kenneth Hulley, Mr. and Mrs. Art Kern, Mr. and Mrs. J. B. Apple, Mr. and Mrs. Elvis McCrary and Lawrence Robinson. In the top center photo are Mrs. Portia Boardman and O. M. Thompson and Mr. and Mrs. Joe Blum as they do the heel-and-toe polka. This was at a folk and square dancing session at the YMCA. Upper right is another group at the YMCA, in the Virginia Reel. In the foreground are Mr. and Mrs. J. D. Jones, Mr. and Mrs. R. B. Reeder and Mr. and Mrs. H. C. Stipp. Lower right, dancers execute the "Sally Goodin" This

set includes Mr. and Mrs. Joe Blum, Mrs. Portia Boardman, O. M. Thompson, Merle Flaherty, Lee Roy Franks and Mamie Lee Dodda. Lower center, Mr. and Mrs. R. T. Piner at the YMCA hall, dancing the schottische. Lower right, Harry J. King calls as members of the Chaparral club execute the Texas Star. In the circle are Mr. and Mrs. Jack Thompson and Mr. and Mrs. Lawrence Robinson, while Charlie Staggs is "waiting to go home alone."

## Health And Summer Round-Up Is Held At Methodist Church

The Parent-Teacher Health and Summer Round-Up for the Pre-School mothers was held at the Methodist church Friday afternoon with Dr. Clyde Thomas as speaker. Dr. Thomas said that the parents owe their children three things: a good home, healthy bodies and an education; and that the children should be given a health

check-up before they start to school so that they have the same advantage at learning and not be retarded by the lack of health.

Mrs. Louise Horton, county health nurse, showed two films, "The Right to Hear" and "Modern Guide to Health."

Mrs. Robert Hill, district health chairman, gave a report on the health meeting which was held in Midland recently.

Mrs. Jimmy Mason, City Council Parent-Teacher president, extended an invitation to all the parents of pre-school children to attend a meeting May 5, at the high school gymnasium to get better acquainted with the teachers.

Those attending were Mrs. Earl Parrish, Mrs. A. L. Harrison, Mrs. W. A. Miller, Mrs. Ray Phillips, Mrs. J. C. Daugherty, Mrs. J. O. Murphy, Mrs. C. C. Harris, Mrs. L. A. Webb, Mrs. E. A. Williams, Mrs. Jim Hogg, Mrs. W. N. Norred, Mrs. Hollis Webb, Mrs. E. A. Jones, Mrs. John L. Appleton and Mrs. Earl Hollis.

Mrs. A. J. Cain, Mrs. Marvin Sewell, Mrs. Lee Rogers, Mrs. Wilford Prichard, Mrs. Johnny Green, Mrs. Ruler Jones, Mrs. Joe T. Myrick, Mrs. C. R. Dunagan, Mrs. Eldon Appleton, Mrs. W. P. MRS. DERREL D. DOUGLASS, JR.

## Melba Dean Anderson, Derrel D. Douglass Are United In Marriage

Miss Melba Dean Anderson, daughter of Mr. and Mrs. M. E. Anderson and Derrel D. Douglass, Jr., son of Mr. and Mrs. D. D. Douglass, Sr., were united in marriage Saturday evening.

The wedding was solemnized in the First Baptist church with Dr. P. D. O'Brien, pastor, reading the double ring ceremony. The platform of the church was banked with huckleberry, stock and fern. Tall white tapers were on either side of the altar.

The traditional prenuptial selections were presented by Mrs. Omar Pitman, organist. Marilyn Keaton, accompanied by Mrs. Pitman, sang "Because" and "At Dawning."

The bride wore a gown of ivory satin styled with a marquise yoke which extended low in the back and fastened with self covered buttons. A satin roll outlined the marquise and was looped into three satin scrolls. The long fitted sleeves terminated in points over the hands. The closely molded bodice, which came to a point in the front with a satin roll accenting the long waisted feature, was joined to a full gathered skirt which swept into a long formal train.

Her finger-tip veil fell in full graceful tiers from a coronet of tiny seed pearls. The bride carried a white Bible topped with an orchid surrounded by stephanotis. Showers of white satin ribbons tied with stephanotis fell to the hem of the skirt.

To carry out the bridal theme the bride wore an heirloom ring belonging to Codie Selkirk, as something old; a string of pearls, gift of the bridegroom, as something new. The white Bible belonging to Mrs. Earl Bryant, Jr., was something borrowed and something blue was a pair of garters made by Mrs. Tip Anderson. A penny was worn in her shoe for good luck.

She was given in marriage by her father. Mrs. Tabor Rowe, sister of the bride, attended as matron of honor.

She wore a dress of dusty rose taffeta designed with a sweetheart neckline and a peplum on each side meeting in the back to make a long bustle effect. She wore matching dusty rose taffeta gloves and carried a colonial bouquet of spring flowers in pastel colors. Her

headdress was a halo of matching maline with shattered carnations across the top; satin streamers which fell from a halo and extended down the back.

Carol Conley and Codie Selkirk were bridesmaids. They wore dresses, headdresses and gloves of the same style as that of the matron of honor, in aqua taffeta.

Nancy Thompson of Fort Worth and Bobbie June Bobb of Abilene, both wearing white formals and wristlets of white carnations, lighted the tapers which were on either side of the altar.

Harry Middleton attended the bridegroom as best man. Groomsmen were Gill Barnett, Billy Casey, Bill Merrick and Wayne Underwood.

The bride's mother wore a rose crepe dress with a powder blue maline hat and a corsage of blue iris.

Mrs. D. D. Douglass, Sr., wore a blue silk dress with a black picture hat and a corsage of pink carnations.

A reception was held in the parlor of the church following the ceremony. The bride's table was covered with a white satin cloth designed with a full gathered skirt and edged with white net ruffles. Nosegays and fresh white flowers were on the table. The three tiered wedding cake topped with the miniature bride and bridegroom was arranged at one end of the table and tapers were in the crystal holders in the center of the table.

Following the reception the couple left on a wedding trip to San Antonio. The bride wore a black and white checked suit with black accessories for traveling. Mr. and Mrs. D. D. Douglass, Jr., will make their home in Big Spring.

Out-of-town guests were Nancy Thompson of Fort Worth, Bobbie June Bobb of Abilene, Mrs. B. C. Morgan, grandmother of the bride from Amarillo, Mr. and Mrs. W. A. Morgan of Kingsville, Mrs. Selvin Allen of Amarillo, Mr. and Mrs. M. H. Dove of Pecos, Mr. and Mrs. B. F. Womack, Mr. and Mrs. T. A. Russell, Mr. and Mrs. W. L. Russell, Gwendolyn Wilson and Jimmie Griffin all of Abilene, Mrs. Reynolds, grandmother of the bridegroom, and Jess Reynolds of Albany.

The bride graduated from Big Spring high school and attended

### Parent-Teacher Association In Ackerly Holds Annual Banquet

ACKERLY, April 10. — Approximately 125 patrons attended a banquet here Friday evening marking the installation of officers of the Parent-Teacher association.

The affair was held in the school cafeteria, the monumental project of the P-TA for the year. Installing officer was Mrs. R. B. Kerbow, Lamesa, district vice-president, who read the P-TA prayer and object and presented each of the new officers with small potted flowers symbolic of beauty, vigor and development. Mrs. Kerbow was presented with a gift.

Mrs. S. G. Read, the retiring president, was presented with a gold, double-barred P-TA pin for two years of service. Mrs. Kenneth Baggett made the presentation. Mrs. Read and the Ackerly P-TA members were praised warmly by Supt. C. L. Mitchell for outstanding success in the lunchroom project.

Installed were Mrs. Carl Albert, president; Mrs. A. J. Lewis, vice-president; Mrs. Dick Simpson, secretary; Mrs. S. G. Read, treasurer. Outgoing officers were Mrs. S. G. Read, president; Mrs. Kenneth Baggett, secretary, and Mrs. Frank Condon, treasurer.

Invocation was pronounced by the Rev. H. E. Snell. Mrs. Read gave the welcome and Mrs. Snell responded. Mrs. Ed Hall led in an opening song and in two songs later in the program.

Colors of blue and gold were carried out in the printed programs and napkins which were personalized with the organization name. Lilies were decorations.

Food for the occasion was given by members and friends of the association, and the home economics department girls served the banquet. Members of the committee on arrangements were Mrs. Tommy Horton, Mrs. Ed Hall, Mrs. Harold Preston, Mrs. Norman Wallace, and Mrs. A. J. Lewis.

### Latin Classes Hold Annual Roman Feast

The annual Roman feast or banquet for the first and second year Latin classes was held Thursday evening in the high school cafeteria, with Roman customs carried out in the banquet.

The second year class, which is raising money for a trip to Carlsbad, N. M. in the near future sold themselves to members of the first year class as slaves for the day and banquet. They came dressed as slaves with the slave collar designating whom they were serving.

The first year class came dressed as the Roman gentry.

Roman sandals in purple and gold were plate favors.

The program and courses of the dinner were intermingled, according to the custom of the Romans. Jimmy Cole was elected by the members to act as Caesar or master of ceremonies. Wanda Lou Petty was Calpurnia, Caesar's wife. The program was composed of two pantomimes and a selection of songs by Peggy Lamb who was accompanied by Kitty Roberts.

Lillian Shick, sponsor of the group presented prizes to Norma Ray and Morris Rogers as the most typically dressed Roman girl and boy at the banquet; Nancy Bivings and George Hill as the girl and boy having the highest average for the year; and Barbara Greer and Billy Young, as the girl and boy having made the most progress since the first of the year.

Those present were Jo Jo Alexander, Sue Wasson, Wayne Bartlett, Maxie Dee Younger, Elwyn Bass, Mary Bailey, Clarice Terry, Rita Faye Wright, Janelle Beene, Gene Cantrell, Kenneth Curry, Marietta Staples, Jovieta Whittington, Jean Seiler, Dee Jon Davis, Pearl Mae Clanton and Venita Sue Smauley.

**Epsilon Sigma Alpha Gives Benefit Supper**

A benefit box supper, entire proceeds from which have been pegged for the Cancer Drive, was staged Friday evening by the Epsilon Sigma Alpha sorority at the VFW hall.

In carrying out a "country evening" motif, members of the local Square Dance club were presented in several exhibition numbers accompanied by a string ensemble. Dancers in the square included Mr. and Mrs. Jack Thompson, Mr. and Mrs. J. B. Apple, Mr. and Mrs. Theo Isobell, Mrs. Mildred King and Art Kerns.

Boxes were auctioned by Cliff Wiley from a large improvised wagon covered in hay. Bales of hay were placed at several points about the room and loose straw was scattered over the floor. A gold banner with ESA in blue letters was tacked on the side of the wagon.

Judged by applause, the box belonging to Billie Anderson won first place. Prizes for the most appropriate costumes went to Ernestine Ashley and Red Womack.

Use of bales of hay for the benefit supper was through the courtesy of Harvey Wooten. Juke box for dancing was provided by Oscar Glickman.

In charge of arrangements were Ruth Stripling, Dot Day, Laverne Webb, Stella Mae Wheat and Billie Anderson.

# MEALS IN BIG TIME IN YOUR NEW FREEDOM GAS KITCHEN

IN YOUR New Freedom GAS Kitchen there's a rich, roomy storehouse of freshly-kept, easy-to-get-at food... a new, silent trouble-free GAS refrigerator. It teams with a handy work counter to help you get meals in "jig time".

ROOMY? Just see. No hunting and fumbling for food in here. The modern GAS refrigerator has sliding shelves and modern arrangement throughout... more room, better planning to save you marketing trips.

FROZEN FOODS? Yep. A special storage space for them and a grand new place for home-made ice cream and frozen desserts. No more worrying "What can I have for dessert?"

Remember, too, that your New Freedom GAS Kitchen has two other streamlined work centers — a cooking center, starring a wonderful automatic CP® GAS Range and a clean-up center that never lacks hot water, thanks to a modern, automatic GAS water heater. Come in and let us tell you all about them.

BUDGET-EASY? And how! The freezing system of a modern GAS refrigerator has no moving parts to break down or wear out. It's silent, trouble-free, worry-free for year after year.

## WHAT GIVES 'ROUND TOWN

By Leatrice Ross

One can hardly go any place any more lest he run onto half the people he knows standing idly about. Wednesday evening we slipped backstage through courtesy of the manager of the Cinderella Revue to watch the stage show. Also lurking among the props: Bill

Bell, W. E. Eubanks, Don Hull, Bill Merrick... Be on the alert: the emcee or that stage act introduced the French Miss New Orleans as a singer of French melodies. And she sang in Portuguese!

Bobbie June Bobb, now living in Abilene and attending H-SU, was home this weekend to attend the Melba Dean Anderson-D. D. Douglas marriage Saturday evening... Murray Patterson, TWC student in Fort Worth, came in Friday night to spend a couple of days... Joyce Bug is in Corpus Christi these days... Bill Hix is back in town. The boy has been living in Goldsmith, plans to be here about a month.

Friday evening on the town: Two groups of picnickers dined at the city park. In one were Ellen McLaughlin, Bud Purser, Dot Purser, Adrian Cates, Maxine Moore, Digger Hickman, Woodline Hill, Tom Underwood, Ciema Helen, Potts, Pat Ray... And across the street were Wilda Watts, Kenneth Orr, Mary Ann Goodson, Milton Knowles, Audrey Harris, Jack Dyer.

The HCJC Spanish club will stage its annual banquet in conjunction with an observance of Pan American Day April 14. A program of Latin-American music, songs and dance routines has been set up. Open to the public, tickets may be purchased now from any member of the Club. Time is 8 p. m., cafeteria building at the school.

Both Spanish and Latin clubs at Big Spring high school held their yearly feasts this weekend—the Spanish group at the VFW hall Thursday evening, the Latin Club at the school dining room... Latin students of former years will possibly be interested in the set-up whereby second year students were sold to first year students as slaves earlier in the week. The “slaves” even wore slave collars to school.

Twosomes seen about of late: Rhoda Miller, Russ Shannon, Mary Ann Goodson, Don Henry, Peggy Uthoff, Junior Gay, Betty Baker, Art Franklin, Vicki McElroy, John Bill Gary, Ruby Bell, Ed Mulet, Ellen McLaughlin, Jimmy Peden, Francis Weir, G. C. Broughton, Jean Phillips, Neil Spencer.

Disa and data: Don Clark has been in Denton attending basketball school. He returns today... Going to Midland Saturday morning as entries from Big Spring high school in the District Interscholastic League contests were Billy Bob Watson, extemp speaker; Faye Russell, Eddie Hickson and Bonita Hill, declaimers; and Lynn Porter, Nancy Whitney, Odell Vinson and Gerald Harris, debaters; Patsy Rogers, Billie Jean O'Neal, Oleta Williams, Vevagene Apple, Mary Beth Morgan, Joyce Beene, Mary Porter, Vivien Middleton, typists... Luan Creighton left Friday for Galveston where she is to attend a Home Economics convention.

The high school Bible class is planning a trip to Palo Duro Canyon, near Amarillo. They might benefit from our own experience

## WHY STARVE TO TAKE OFF FAT?

When you buy Barconate, you buy a preparation for taking off weight. You do not pay for a printed diet. Barconate is not a vitamin tablet to fortify you against weakness while on a starvation diet. You need never know a hungry moment while reducing with Barconate. It contains no harmful drugs, but does contain ingredients to make you feel better.

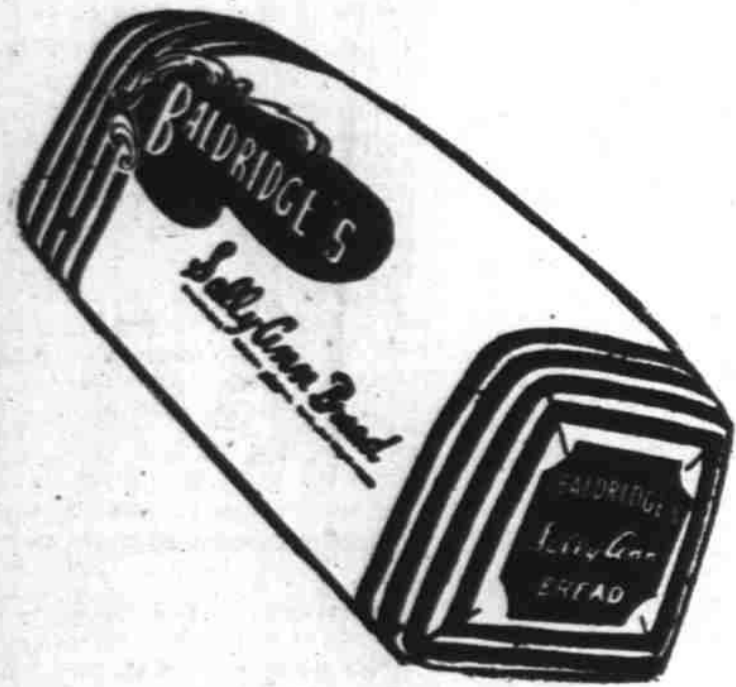

Barconate is mixed with grapefruit juice does this! First cuts down your desire for sweets and fatty foods, but you do not have to FORCE yourself. Barconate takes care of your DESIRE. Second, detoxifies and eliminates, so that water is carried away—almost like melting fat. At the same time you feel better, more peppy, more alive, but never starved or hungry.

**Lost 22 Pounds**

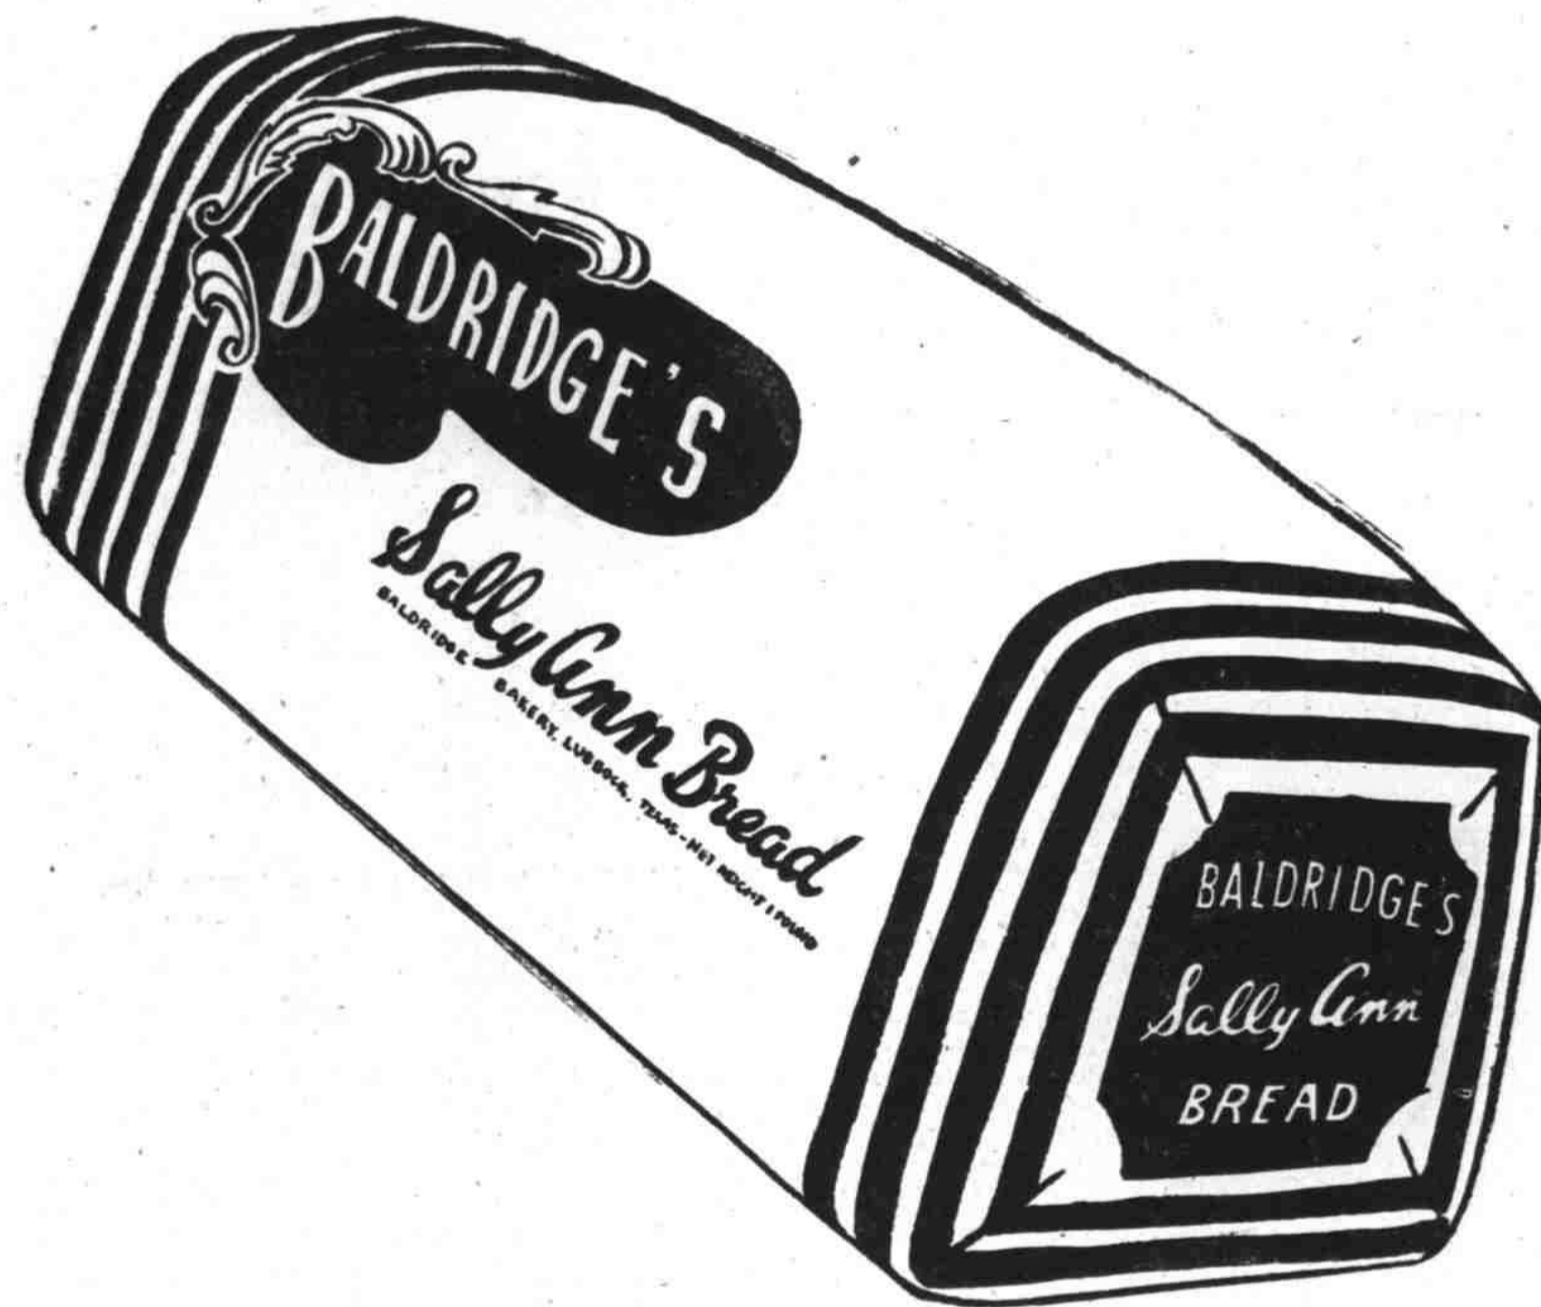

"I lost 22 pounds taking Barconate and I feel much better in every way. I eat anything I want and I gladly recommend it to anyone who wants to lose weight."—Mrs. Gertrude Billings, Route 1, Devine, Texas.

**15 Pounds Lost**

"I lost 15 pounds taking Barconate and can now control my weight. I feel much better in every way and I gladly say, 'It's Barconate that control the weight.'"—Mrs. Gayle Matthews, 925 Throckmoe Street, Beaumont, Texas.

**PARTY GIRLS** --- These two little misses might have stepped straight out of the pages of the Kate Greenaway story books by which their charming little party dresses were inspired. Both are of fine chambray, the one on the left with a double capelet collar of chambray and embroidered organdie. The other has petticoat eyelet edging on its big berth collar and around the hemline.

### Eight Delegates Will Attend District Meet

The eight delegates from Big Spring who will attend the Eighth District Federation meeting in Pecos, Monday, Tuesday and Wednesday are Mrs. Cecil Collings, Mrs. Bob Eubank, Mrs. J. P. Dodge, Mrs. A. B. Wade, Mrs. James T. Brooks, Mrs. Steve Baker, Mrs. Don Burk and Mrs. Grover Blisard.  
These delegates are representing the Modern Woman's Forum, The Junior Woman's Forum, Spoudazio For, the 1905, the 1930 and the 1946 Hyperion clubs.  
Mrs. Bob Eubank will be chairman of registration at the meeting which will have its headquarters in the Brandon hotel.

A good breakfast combination is corn flakes with apple sauce and stewed raisins. If a slice of lemon is added to the raisins when they are being cooked they will be more flavorful.

## County Home Demonstration Council Plans Activities For National Week

Plans were made at the County Home Demonstration Council Saturday at the HD office for a book review and tea for members of the 4-H Clubs and the Home Demonstration clubs in observance of the National Home Demonstration club week on May 7 and May 2 respectively.

The 4-H Club book review will be given by Mrs. Moree Sawtelle. Silver thimbles will be awarded the members. Other awards will be given to Rose Mary Rice of Centerpoint and Jamie Massingill of Vealmoor who won the bedroom awards. Rose Mary Rice is also the gold star girl for the county.

Mrs. Frank Thieme is chairman of the book review and tea.

Mrs. J. H. Severance of Coahoma will give the book review for the Home Demonstration clubs on May 2.

Mrs. J. F. Skalicky resigned as chairman of the exhibits and Mrs. Robert Brown was chosen to replace her. The council voted to give a book to the County Library in memory of Mrs. Johnny Phillips.

A demonstration of treatment of snake bite from a first aid kit was given by Mrs. Ray Swann of Coahoma.

All club presidents were asked to get information from their clubs

## Military Acts Get Priority

WASHINGTON, April 9. (AP)—Senate Republican leaders agreed today to place military legislation ahead of all business.

Senator Taft (R-Ohio) said the Senate will begin consideration of temporary draft, a larger air force, universal military training or any other defense measure as soon as its Armed Services Committee reaches an agreement.

Taft, chairman of the Republican Policy Committee, said it might take all next week and possibly two weeks to agree upon a bill.

Personally, Taft said he is willing to support increased funds for the Air Force and a temporary draft if the latter is necessary to fill up the ranks of the armed services. He still opposed UMT.

### Ozone Saves Us

SOUTHBRIDGE, Mass. (UP)—Man would be burned to a crisp in one second if all the invisible ultraviolet rays in sunlight reached the earth, according to Dr. E. D. Tillyer. Fortunately said the research director for the American Optical Co., most of the lethal rays are absorbed by ozone, a form of oxygen present in the upper regions of the atmosphere.

# Federal Aid Would Be Big Help To Schools In Texas

By Tex Esley

WASHINGTON, April 10. (AP)—The federal aid to education bill, passed by the Senate and awaiting final action in the House, would be a big help in financing of local school systems in Texas.

Out of a general appropriation by the measure, starting July 1, Texas would receive approximately \$11.90 per student between the ages of 5 and 17.

An idea of how Texas would fare under the formula: Minnesota would get \$5.10 per student and Mississippi, \$28.50. In 25 states there would be a flat allotment of \$5 per pupil.

The measure would not interfere with the states in operation of their own school systems. Many southern legislators were worried at first that the bill could not be passed without granting the federal government power in such matters as race segregation. But no such restrictions have been written into it.

Mail from many parts of the country poured into the office of Rep. Bob Poage of Waco commending him for his fight for repeal of the 10-cent a pound tax on colored margarine.

From a California woman, Poage received a letter saying: "My husband was so doggone mad when they shelved your bill to repeal the margarine taxes that he darn near blew his top. x x x "He came home and kicked the dog and took back \$10 that he had given me to get a new hat and stockings and then went out and bought 28 pounds of Nucoa. Then he threw all the butter we had out on the floor and jumped all over it and said if he ever found any of the stuff in the house again he

would pound me in the face with it. x x x

"He said he felt just like the people did before the Boston Tea Party. That was the first I knew he had ever even been to Boston."

The serious mail that comes into congressional offices these days has one dominant theme: Will there be war?

Texas congressmen, of course, do not have a yes or no answer. Rep. John E. Lyle of Corpus Christi expressed his views in the Congressional Record. He didn't in introductory remarks in inserting the text of the recent Texas state-wide radio speech of Rep. Lyndon B. Johnson.

"Mr. Speaker, war is not inevitable," said Lyle. "The opportunities for peace have not been exhausted. Armed conflict is, however, more likely each day the United States delays the implementation of a positive, active program of militant opposition to the spread of communism."

He then listed three courses which he believes this country must follow to stop communism: 1. Put the Marshall Plan into effect; 2. Actively participate in strengthening the United Nations; 3. Mobilize and maintain a military strength of operational and combat efficiency sufficient to destroy any nation or groups of nations which war is possible in the foreseeable future.

In another issue of the Congressional Record, Rep. Olin Teague of College Station inserted a letter from the Rev. N. R. Stone, a Corsicana Methodist clergyman.

"There are some great questions, besides politics, that need attention in 1948," wrote the minister.

"When the question of giving is up for any cause whatsoever, the first thing to consider is, are we able, have we got it to give? x x x

"If this nation is to survive and retain her place among the leading nations of the world as a leader, she must plan a more economical regime. A debt that has been accumulating for 15 years will not be easily liquidated."

Excerpt from news letter sent out by Rep. Wright Patman of Texas: "It is my opinion that none of the so-called civil rights proposals will become law."
