

RECORD NUMBER AT PLAY SCHOOL

A record number of 21 preschoolers attended Play School this year. The children enjoyed many activities planned by Summer Home-making I students, Kristy Barnett, Jackie Dennis, Terrye Jeffs, Elisha Phillips, Susan Snider and their teacher Katherine Ragan. Activities included free play inside which ranged from playing with dolls and having tea parties to building shyscrapers with blocks and racing cars.

The children also enjoyed free time activities outside, including playing in the sandbox, riding on the merry-go-round, swinging, and playing their favorite game of Red Rover. After all these activities each day preschoolers and homemaking students took a refreshment break before settling down to the serious business of participating in music time and story telling time. This was followed by rest time, which was the least enjoyed activity

NOTE OF APPRECIATION

We would like to thank all of those merchants who have helped us, at First National Bank, support our Golden Age club this year with their donations and time: Lasaters, Shell 7-11, Brown Feed, Gorman Insurance, A. E. Smith, Lawndale, Gorman Pharmacy, The Gorman Progress and Birdsong Peanuts. Without your help we could not keep our Club active. They enjoy their trips to the fullest and are the most gracious, appreciative group we have had the privilege of taking out.

Also, we would like to thank Jay's for the many, many times he has furnished the soft drinks, snacks, ice and the coolers for these trips. Any of you merchants are welcome to make one or more of these trips and just see how great a bunch you are helping sponsor. You may rest assured the money you donate is well spent.

Our thanks to Louise Rankin and Lela Dell Bennett for helping us sponsor these buses. We couldn't do without their help either.

Our trip to see the Rangers and Oakland A's play was a great one, especially since we beat the A's in the 9th inning by one run. Everyone seemed to have a great time even though we were about 1:30 a.m. getting back to Gorman.

Thank all of you so much! Bud and Beth Peterson

SENIOR CITIZENS

My! What a wonderful week that has rolled into history. Such nice weather for curing hay and also the other crops and pastures. The crab grass would not make kraut. It was just like King Coal Carters plans. It just turned sour and rotten. Ha!

Old Baldy Wright sure ruined my garden and yard. Last winter I noticed him out in his mothers backyard. He was putting his hand over my fence and it turned out that he had been out to his mothers farm gathering crab grass seed. He was throwing the seed in my garden spat. You see he is real neighborly. The old folks are busy with their garden stuff. My fingers are worn to the quick almost from shelling peas. Tho they are sure good grazing, believe me.

Our office gang is as busy as usual. A lot of coaching and fussing. Slim Pickens is almost too busy to play. Big Foot Wallace is too busy at the post office. He worries about "the slow train thru Arkansas." (Mail) Judge Gilbert had to take out entire crew to haul hay. Farmer Archie wants to hire us to hoe for him.

The Reaper called Mrs. Dick Jay to her final resting palce, after many years of

suffering. Also Ernest Broom was called. Our sympathy goes out to the bereaved. Remember there is a reward waiting for the "Faithful."

Last week was sure a rough one for me. On Thursday I received a Vitamin B shot. In ten minutes every thing turned blue. I could not see how to find the door at home. I came in and laid on the bed about an hour. I seemed to be Ok. The doctor wanted to run a Diabetes test on me. I had my regular appointment with Dr. Frank Terrell for my eyes on Wednesday. He said the shot probably hit a blood vessel. It was my sixth shot.

On Thursday morning they ran a Disbeties test. It was normal. So Doctor at Clinic changed to a powder in stead of B shot. I was to take two a day. It is a lot sweeter, and any 16 year old is. I took one dose and was sick for hours. So I just hid the can. It seems that everytime I get stuck with a bill and something that is worse than the start of all those rigorous tests.

Look up and smile if you can. It seems that everything in our Government is enough to make us all sick.

GORMAN PROGRESS, JUNE 29, 1978

TO THE DRIVER OF THE WHITE AND RED PICKUP: His name is Lebchen, which I'm told means "Dear One" in German.

You would have known his name and who to contact, had you cared enough to even stop and check his I.D. on his collar.

I'm writing about the little miniature chocolate colored dachshund that you hit this morning June 21, 1978 around 9:00 a.m. and then didn't care enough to even see if he was alive.

Thank goodness, I do have neighbors that care. They didn't recognize him at sight because he isn't allowed to roam the streets. Perhaps he wouldn't have trusted you so much if he had known how you speed down the streets. What was your rush? Late for coffee or your meeting with your buddies or even late for work? Whatever it was, it would only have taken a minute to knock on my door and let me know that my pet needed a doctor's attention. You couldn't undo what you had already done. His leg was crushed and had to be removed along with his tail, but the Vet assured me he will be able to walk again, and live almost a normal life.

J.E. Lawrence all of Gorman.

Visiting in the afternoon were D.R. Clark and Raymond Hattox of Gorman and Doris Grimes of Fort Worth.

CLASS OF 68 HOLDS TEN YEAR REUNION

The group met at Lake Proctor's Promotary Park on June 24 10:30 a.m.

The day was filled with writing in annuals, catching upon the latest of each classmate, eating a fine meal prepared by all, boating, swimming, and skiing, and taking lots of snapshots by all.

Those able to attend the event were: Carol Jean Collins Simmons of Austin, Jim and Katrina Garrett of Car-

I could possibly understand your not stopping to see about him, had been out of residential section of town, on a highway or country road -- or if you thought he was a stray -- but even a distant glance would have showed you he was well cared for, not a stray. The damage has been done to my pet and I don't expect you to do anything about it, but please, please, slow down on our residential streets. On our street, and in the same area that ran over my pet, there are 4 or 5 small children, playing everyday, sometimes in the street. My little granddaughter is not allowed to play in the street, but like Lebchen, she might get out of her yard before I knew it and be at your mercy. A dog you can ignore or forget about, but is your fast driving worth the life of a precious little child?

Mary Jo Eaves

Mr. and Mrs. George Burrows, Brad and Russell of Breckenridge visited the first part of the week with her parents George Hallmark and Mrs. Hallmark who is a resident of Lawndale Home.

Mr. and Mrs. L.D. Holiday and Debra spent the weekend in Normangee with Mrs. Bill Holliday and her mother Mrs. Maggie Smith and friends Mr. and Mrs. Lenox Wright.

Conan and Samuel Burnes of Coffman are spending this week with their grandmother Mrs. Margaret Day.

bon, David and Martha Guthery of Gorman, Mary Kirk Reeves and son Daniel of Gorman, Wayne and Vicki Huff of Eastland, Johnny and Jean Miller and son John David of Gorman, Dwayne and Connie Snider of Stephenville, Robert and Cordilla Redman of Eastland, Leslie and Lana Sharp of Gorman, Edd Sutton of Gorman, Jerry and Kathy Wallace of Oklahoma and their son Adam, Phyllis Watson Lebeda of Bedford, Texas was able to attend with her sister Mrs. Jim Garrett.

The group had a wonderful time and hated to see the day come to an end. Eleven out of Twenty one isn't a bad turnout. We are looking forward to another reunion in 1988. We hope all can be able to come. You will never know what you missed. Yea Sr. 68!

Monday night - Our ol' Folks enjoyed an evening with the Gorman Playboys. Several of my aunts were here, and if you want to have some fun just be around them for awhile. They are a barrel of fun. I haven't heard our Ol' Folks laugh so hard in a long time. It's good that we can laugh and have a good time for awhile.

The music was great. If you ever have the opportunity to hear the fine music these men play I guarantee you will be glad you came. We had Truett Norris on the bass guitar; Carroll Hogan on piano; Paul Norris on the electric guitar; Murl Milsap

on the fiddle and Lloyd Glasson on electric guitar. We thank these men so much for coming. It really means a lot for them to come. Thanks gentlemen!

Tuesday afternoon - We played bingo. We haven't had such a small crowd in a long time, but we had a good time. We had Ardis Porter; Daniel Boatwright; Vera Goodwin; Buddy McClearn as our winners. Buddy and Vera won 2 times each.

Oscar Carr; Otis Thompson and Ardis Porter were our Blackout winners. With our 4 tables we had a good time. Thanks to all!

Wednesday afternoon -

Rob, we are very glad to have you with us when you can come. Thanks to you and Ruby so very much. Rob's lesson was on 2nd Timothy - Study to show Thyself approved unto God. Mother is doing much better. Will be awhile before she's back to the same condition she was in, but God willing - she will be.

Guess there's always something funny to happen when you least expect it. While mother was in the hospital there were about five of us trying to put her in the wheel chair and some aids, being what they are, had forgotten to open the wheel chair out completely. We couldn't get her to fit into it and were about to drop her on the floor. Someone said "What'll we do?" I said "I'll get this leg if you all will get rest." I grabbed and yanked up-then it occurred to me that I had two legs, I said "Well, by doggies, I've got someone else leg up here too. kind little nurse said, "It's mine." It sure was hard to do anything then for all of us laughing at how funny she looked with one leg up in the chair and hadn't said a word.

There are a lot of other ways you can help cut down on the amount of electricity you use this summer. For our free tips booklet on ways to lower your bill, call Texas Electric, or request the booklet on the comment section of your electric bill.
