By VONNIE GUTHERY

Attendance was down in our local churches due to so many being sick with colds, flu and other things.

Mr. and Mrs. Chubbie Foreman and granddaughter, Tiffany Garrett of Irving, visited her mother, Mrs. Nannie Guthery, over the weekend.

Mr. and Mrs. Phil Reid of Alvin visited his mother, Mrs. Myrt Reid, the past week.

Mrs. Wayne McIntosh of Tyler was here visiting her brother, Mr. and Mrs. Morgan Roberts and Jeff, over the weekend, as Grandma Roberts is a patient in the Gorman hospital at this time. She is the mother of Morgan and Mrs. McIntosh. We send "get well" wishes.

Mr. and Mrs. Stanley Baker were in Kermit attending the funeral of her father, Mr. Arkie Bayless, Sunday. Our sincere sympathy goes out to the family of this loved one. Joe Merrill is home after spending a few days in the De Leon Hospital. "Get well" soon.

Odis Sharp is home following surgery in an Abilene Hospital. "Get well" soon.
The First Baptist Church has a special program set for Sunday, Feb. 29th. It is a "note burning" day and a great feeling for all and our thanks to God for making this possible. There will be our regular services plus a basket lunch following it all. Visitors are always welcome.

"WANTED - 42 Players! at our local Community Center every Thursday night. Even if you don't play 42 (like Jiggs) you can come and visit - agree?"
Mr. Don Landers and family of Fort Worth visited his parents, Mr. and Mrs. L. C. Landers and Cliff. Also his brother, Mr. and Mrs. Ronnie Landers and Stacy.
Visiting Neta Gee on Sunday was her daughter, Mrs. Doug Higgins of Fort Worth.
Mr. and Mrs. Ctt Ragland of Stephenville visited Sunday with her brother, Mr. Frank Genoway, and Mrs. Maude Fuqua.
Our Thought for Today - "Happiness is like a running stream, not a stagnant pool."

It is further found and determined that in accordance with an order of the Board of Directors, the Secretary posted written notice of the date, place and subject of this meeting on the bulletin board located in the Administrative office of this Hospital District, a place convenient to the public, and said notice having been posted for at least seventy-two (72) hours preceding the day of this meeting.

It is further found and determined that in accordance with an order of the Board of Directors, the Secretary furnished a notice of the date, place and subject of this meeting to the county clerk of Eastland and Comanche Counties, Texas, the counties in which most, if not all, of the Hospital Districts residents reside.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: E. N. Higginbottom, Berenice Jeffs, Claude Fuller, J. R. Files and Othell Clark, and the following voted NO: None.

Check furnace filters once a month and save money.

Why check filters regularly? A dirty filter makes your furnace work harder and use more electricity. Either replace a dirty filter or clean it as recommended by your furnace manufacturer.

Here are other ways to get your heating dollar's worth:

- Set your thermostat lower. When you lower the thermostat setting, you also lower your energy use and cost.
- Be sure your home meets the latest FHA home insulation standards. You can save as much as 20 percent or more on energy consumption if your home is well insulated.

Consider installing a humidifier. At lower thermostat settings, your home will be more comfortable with additional humidity.

Open draperies or shades on the sunny side of the house. Let the sunshine heat your home. When the weather is cold and gray, keep draperies closed to help keep the heat inside.

Weatherstrip doors and windows. Keep drafts out and seal in the heat. Also remember to keep the fireplace damper closed when it's not in use.

For more ideas, call Texas Electric. We'd like to help.

Mr. and Mrs. E. S. Robinett have moved from McGregor to Carbon. They are living in the house known here as the Uncle Tom Dingler house.

A land mark of our community known for years as the Poe house caught fire Sunday morning and was burned to the ground. The house was situated on a dirt road between Hwy. 6 and FM 256 about 3 1/2 miles east of Carbon. It was owned by Mr. and Mrs. J. R. McGinty. Mr. McGinty stated it was a complete loss, as were the contents including some lovely antiques and a gun collection.

Mr. and Mrs. Henry Harle and Charlene went to Fort Worth Saturday to attend the funeral of an uncle, Ernest Blue, who passed away at his home in Fort Worth Friday.

My! we have sure had good windmill weather. That forty-mile breeze would have made the mill spin. The usual amount of moisture. Just enough to get the ground damp for a very short time, as the wind sucked it up.

We played 84 one night. Too much sickness. Got Granny home and she told Big Foot about those sweet nurses and lo and behold he believed her and took her place in the hospital for a paid vacation. It is about to exhaust our treasury, too. Poor Mama will have to do her own cooking and washing dishes while he is on vacation. We are thru with that quilt for a few days. Thank goodness for that. Newton is still on vacation at Abilene. I'll bet he will ask those nurses "What the Cat Fuzz are you doing to me." Hurry!

home Cat Fuzz. Even the Editor's son, Lonnie, is there, minus a kidney now. Stokes is in serious condition in the hospital here. Even Wash Pot is on the sick list. We wish for all of you a speedy recovery.

If Speck does not calm down some he is liable to have a heart attack. He takes his playing so serious. Almost as much as Slim (Cowboy) and I do. I fell on the pavement in town Monday morning. There was a slight depression in the street that I did not see. I hurt both knees and arms and head. It is terrible to be so blind this way. Some may wonder why I always leave church at about five minutes until noon. I have been doing this for some 12 years, trying to save what sight that I have in one good eye. The doctor says if I miss one time, I lose a little sight and it can never be recovered. So remember this, please. Honest, Reporter
