

Navy Operation 'Hideout' Said To Be Success

GROTON, Conn. (AP)—Navy brass and the 23 men who took part in it agreed today that "Operation Hideout" was a success—but for different reasons.

Navy officials said they got the answers to highly important questions during the two months an officer and 22 enlisted men were "buttoned up" in the submarine Haddock.

Life aboard the atomic submarines of the future will be less difficult because of the experiment, they said. Such subs, one of which is building nearby, are expected to be able to remain submerged indefinitely.

The 23 volunteers, sealed in the Haddock since Jan. 19, emerged from the vessel yesterday afternoon to be pronounced in good physical condition.

The submarine had been moored to a dock at the submarine base during the tests, mainly concerned with how the crew would withstand the effects of long exposure to carbon dioxide.

Commander Gerald J. Duffner, medical officer in charge of the project, said "Operation Hideout" was a complete success.

Half an hour after he said it, a barrel was tapped for the volunteers and the men quaffed the beer, saying "It tastes as good as we knew it would."

Soviets Ask For Meet On Air Problem

BONN (AP)—Allied officials today studied a Soviet suggestion for a British-Russian conference aimed at avoiding air clashes along the East-West border in Germany.

The suggestion was made last night by Gen. Vasily Chukov, Soviet commander in Germany, in a letter rejecting a joint protest from the Western occupation powers against hostile action by Soviet fighter planes toward three British aircraft last week.

Chukov proposed a conference of "competent" British and Soviet military representatives "to work out adequate measures" in order to "avoid such disagreeable air incidents," the Soviet news agency ADN reported.

Water Meeting Slated Today

Proposed surface water legislation for Texas will be discussed here this afternoon in an area meeting convened by the West Texas Chamber of Commerce Water Resources Committee.

Among those arriving for the convalesce were J. B. Thomas, Fort Worth, chairman of the Governor's Statewide Water Committee. It is from the suggestions of this committee that most of the bills put in the legislative hopper have emanated.

Fred Husband, vice-president and general manager of the WTCC, and Paul D. Marable Jr., manager of the WTCC water resources department, will explain pending bills and otherwise scan the legislative outlook.

Homer Grant, Lubbock, chairman of the WTCC committee, is to preside at the sessions starting at 1:30 p. m. in the Settles Ballroom. The meeting is a one day affair and is expected to attract upward of 125 of top West Texas governmental personalities.

Hopes To Avert Suspension Of Pioneer Air Service Brighter

A note of optimism was sounded here and elsewhere today that some temporary solution might be reached whereby Pioneer Airlines will avert suspension of service.

Pioneer was ordering back most of its suspended flights on a "daily" basis and without any mention of length of duration, Big Spring, however, was left with four flights, two east and two west.

On telephone calls to a highly placed Pioneer official in Dallas and to public officials in Washington D. C., J. H. Greene, Chamber of Commerce manager, got the impression that "something would be worked out this afternoon."

The fact that Pioneer was ordering back some of its suspended flights was taken as an encouraging sign.

Whatever is decided at the parley between Pioneer and CAB officials in Washington today will have to be brought back to a stockholders meeting for Pioneer, it was indicated. Those in a position to know, however, appeared more hopeful that Pioneer would be able to continue its operations.

WASHINGTON (AP)—Pioneer Airlines' top officers depended on Washington today in the wake of a flood of letters and telegrams backing them up in their battle with the Civil Aeronautics Board.

The board took note of the protests by issuing an extraordinary 900-word statement yesterday declaring it is confident Pioneer can keep on operating in Texas and New Mexico.

Before leaving Dallas by plane for Washington, Pioneer President Robert J. Smith said again the line may have to go out of business unless the CAB backs tracks on its refusal to grant the line higher mail pay.

With Smith came Pioneer Board Chairman William F. Long. They left Dallas yesterday shortly after the Chamber of Commerce there pledged its support to the air line's fight. The Dallas Chamber also sent telegrams to the more than 20 cities served by Pioneer urging them to do likewise.

Smith and Long planned to talk not only to the CAB but also to Texas and New Mexico Congressmen, many of whom have lined up behind the air line.

In its 900-word statement, the CAB promised "expeditious consideration" of any definite plans Pioneer might present for future operations. It said, however, that in any event it intends to "take such appropriate emergency action as will assure continuation of required services" to cities on Pioneer lines.

The CAB statement explaining and defending its refusal to boost Pioneer's mail pay was issued an hour and a half after the board's normal closing time in answer to

a flood of protesting letters and telegrams. Earlier the board had declined to comment beyond referring to its original order.

"The board believes that it is possible for Pioneer to continue to provide adequate service," the statement said. "The service performed by Pioneer with DC3 aircraft over many years had constituted a high standard and valuable service."

Pioneer had asked the higher mail pay after exchanging its DC3 fleet, which it called slow and old, for the faster but more expensive Martin 202s.

The CAB said Pioneer had not given it sufficient notice of the change in equipment and that last May 7, four weeks before inauguration of the Martin 202 Pacemasters, the board told Smith it was deeply concerned over the "possible lack of adaptability" of the Pacemasters to local-service air line use.

The letter to Smith warned that any cost increase "should not be underwritten with mail pay but (should be) undertaken as a risk of management," the statement added.

"Despite the plain wording of this letter, in June, 1952, Pioneer placed the Martin 202 in operation," the statement said. The board said it had determined that operation of DC3s over Pioneer's system would require \$1,000,500 in mail pay for 1953, against \$2,222,455 claimed by Pioneer for Martin 202 operations this year.

The statement said the Martin 202 was designed for trunkline operation, is now out of production; that even with increased mail pay Pioneer would have to cut back schedules to local communities, and that operation of the Martin 202 would increase Pioneer's mail pay need by \$3,400,000 for a five-year period with no promise of greater self-sufficiency over any longer period.

may eventually lead to an easing of world tensions?

Diplomatic officials, though highly skeptical about Russian intentions, said today it is still too early to say what the long range behavior of the Soviet dictatorship may be under Gorbachev, Joseph Stalin's successor as dictator.

At some point, but apparently not yet, these officials think careful diplomatic probing of Soviet intentions will be necessary to determine whether the Kremlin is really ready to do business on some real issues—such as ending the Korean War, for example.

Eisenhower administration officials have been considering possible lines of Soviet behavior in the event Malenkov really wants to demonstrate that his peace talk is sincere. One idea administration leaders are reported to have come up with was that the Soviets might agree to some acceptable plan for resolving the prisoner of war issue which has been the most persistent point of deadlock in Korea peace talks.

One fact about the current round of peace statements which was also true of earlier word exchanges with the late Premier Stalin is this: Neither of the leading powers of the two blocs into which the world is divided can afford to be backward in its expressions of devotion to peace. Both normally hedge their statements or put them in such general terms that they are not committed to any concrete action.

The great difference between statements from Moscow and from Washington, as Western leaders see it, is that there can be no doubt of the sincerity behind this government's declaration for peace. The conditions of a peaceful world would be manifestly beneficial to its standard of living and general economy, although Soviet propaganda contends U. S. prosperity is due to a war economy.

Russia's totalitarian political system, on the other hand, is regarded here as making it profitable for the men in the Kremlin to prolong world uncertainty and tension to justify their own high handed methods.

The three-day show and sale was held at the barns of the Howard County Fair Association under the general supervision of County Agent Duward Lester, who was assisted by Truett Vinea, H. E. Baumhardt, M. T. Jenkins and Bobby Archer, vocational agriculture teachers at Big Spring. Coahoma and Knott. The event is another success for the fair.

Too Early To Decide On Malenkov Aims

WASHINGTON (AP)—Russia and the United States have been throwing soft words and peaceful assurances at each other for 10 days now without making any noticeable dent in the hard facts of the cold war.

And in that time Allied airplanes have been shot down in Germany and fired on in the North Pacific. Is this some kind of grim and cynical game, or is it the first round of a prolonged propaganda and diplomatic sparring which

Cervantes Is On Witness Stand In Sapet Trial

By WILBUR MARTIN BROWNWOOD (AP)—The state today tried to link the mysterious and long-sought Alfred Cervantes and Mario (El Turco) Sapet, on trial here for a slaying the victim's father called a bungled political assassination.

One witness quoted Cervantes as saying, the last time she saw him, that he "had a job to do."

Cervantes, charged originally with murder in the fatal shooting of Jacob S. (Buddy) Floyd Jr., was labeled by a grand jury that investigated the case "as a man who could clear up many angles" of the shooting in Alice, Sept. 8.

The state called three witnesses and for the first time injected the name of Cervantes into the case. It was his picture and his name that was conspicuously shown to witnesses yesterday with no reference as to his identity.

The three witnesses today testified they had last seen Cervantes in San Antonio on the night of Sept. 7 and the morning of Sept. 8. They had seen him previously in a saloon in Nuevo Laredo, Mexico, on Labor Day, 1952 (Sept. 1). They also said Sapet was in the same bar the same day, but each of the three denied ever seeing the two men together.

The Golden Horn Barn in San Antonio figured prominently. Andrew Garcia, San Antonio, said he had seen Cervantes at the Golden Horn between 10 p. m. and midnight Sept. 7. The owner, Encarnacion Mendez, and his wife, Inez, testified Cervantes stayed at the bar helping to clean up until 2 a. m. Sept. 8, then spent the remainder of the night in a room he had rented at a house owned by Mrs. Mendez.

Mrs. Mendez said she saw Cervantes the morning of Sept. 8 in San Antonio. Cervantes has not been seen in San Antonio since.

Over bitter objections of defense attorneys, Dist. Atty. Bill Allcorn asked Mrs. Mendez when was the last time she saw Cervantes. She answered about 10:30 or 11 a. m. Sept. 8.

Allcorn asked if Cervantes said he was going to see anybody. Mrs. Mendez said, "He said he was going to see Turko."

Allcorn asked if Cervantes said he was going to do anything. Mrs. Mendez said, "He told me he had a job to do. If he did it, I would never see him again. If he didn't, he would be back in a week."

Garcia gave for the first time a description of Cervantes and he described him as a sort of handyman, a bartender in Nuevo Laredo and San Antonio, and a poultry

Dulles Hails Step As 'Significant'

By BRACK CURRY BONN, Germany (AP)—Disarmed West Germany emerged today as the first nation to meet America's demand for "clear and visible" progress toward creation of a two million man European army to include German troops.

By the sizeable margin of 234-165, the Bundestag (lower house) of the West German Parliament finally approved the treaty last night. Its companion Allied-Bonn Peace Contract was okayed 226-164.

Although the treaties still face stiff legislative and court tests in Germany, the Bundestag was the first European legislative chamber to act on the army pact authorizing recruitment of 500,000 Germans for service with the projected six-nation, one-uniform Western defense force.

The action laid down a clear challenge to other West European nations, especially France, to get on with ratification of the treaty in their own parliaments.

In Washington, Secretary of State Dulles hailed the Bundestag's action as "a truly significant step forward."

In a statement issued a few hours after the legislative balloting, the secretary said: "There is now increasing likelihood that the European Defense Community will become a reality."

Dulles had warned European leaders during his February tour of the continent that the American Congress might balk at voting big-scale funds for foreign military aid unless the army project gets rolling by April.

Under the companion pact—the peace contract—the Big Three Western Powers renounce most of their postwar occupation rights and grant West Germany near sovereignty. Britain and the U. S. already have ratified this, leaving only France and West Germany to complete action.

In Paris, an official French spokesman was quick to point out that the army treaty "still has to go through the upper house (of the German Parliament) where the vote will be a lot closer and then through the German Supreme Court where Socialists are attacking the proposal as unconstitutional."

The anti-rearmament Socialists claim the "pact" would alter the nation's Constitution and therefore requires a two-thirds vote for parliamentary approval. The margin in the lower house balloting yesterday was little better than 57 per cent. The German Supreme Court has said it won't rule on this point until after both houses ratify the treaty.

But Chancellor Konrad Adenauer declared the Bundestag vote "will be an important signal to other European partners to ratify the European Army Treaty," he hailed the legislative action as a "political event of first rate importance" and said:

"I am firmly convinced that hereby the whole work of European integration has taken a big step forward. I am convinced all partners will approve the European army pact—but naturally in the course of time."

The other partners in the projected treaty are France, Italy, Belgium, The Netherlands and Luxembourg.

Outside Germany, the big hurdle is France. Thrice invaded by German soldiers and have stalled acting on the army treaty even though they first proposed the idea of a unified continental defense force.

HCJC Is Due More Support From State After House Action

Howard County Junior College might expect around \$3,000 more state support on the basis of House action Wednesday evening.

Beating off the so-called economy bloc, the House strung along with Texas junior colleges in approving \$200 per capita for students attending these institutions.

Last year there were approximately 250 students in 15 semester hours representing one student on state aid by HCJC. The number of full time students is increasing and B. M. Keese, dean-registrar, said he felt it would be substantially higher next Nov. 1.

Tito Seems Pleased With Defense Talks

LONDON (AP)—Reported well-pleased with results of his defense talks with British leaders, Yugoslav President Tito faced a final round of social functions today as his five-day official visit here neared its end.

Sometime tomorrow morning, the anti-Soviet Communist dictator will board a launch and travel down the Thames River to join the Yugoslav training ship Galeb for his return voyage home.

Although no details of Tito's program were disclosed—for security reasons—it was reported he would be a guest of Queen Elizabeth II at scenic Windsor Castle, just outside London, much of today.

The Yugoslav strong man also arranged to attend a dinner being given tonight for him at the House of Commons by the National Executive of the opposition Labor party.

Tito outlined for Prime Minister Churchill and top British economic and military officials yesterday a Yugoslav plan to block Soviet aggression in the Eastern Mediterranean.

Although no exact details were disclosed, informed sources said the plan involved increased British economic aid to Yugoslavia and the supply by Britain of powerful new weapons, including jet planes and heavy tanks, to Tito's military and naval forces.

After the meeting, the Yugoslav leader told newsmen: "We examined the general situation in the world, especially the question of defense against aggression. We reached the same conclusions in greatest accord on how to preserve peace in Europe."

But a Yugoslav source said Tito will have achieved his main purpose if he has convinced British leaders that his country should receive a greater share of Britain's limited supply of arms and aid. Britain already has agreed to give the Balkan nation 4 1/2 million pounds (\$12,600,000) in economic aid for the year ending in June.

Tito apparently stressed that Yugoslavia's ability to co-operate in defense of the Eastern Mediterranean is directly proportional to the help she can get from Britain and the United States. He said "his nation badly needed jet planes to match the Soviet-made MIGs now being supplied to Red satellite Bulgaria, Romania and Hungary."

Mrs. Meador, 94, Is Dead

Funeral services for Mrs. Amanda Meador, 94, who died at her home, 804 Runnels Street, at 10:15 p. m. Thursday, will be conducted at the Eberly-River Funeral Home at 2 p. m. Saturday. Dr. P. D. O'Brien will officiate.

Place of burial had not been decided at noon Saturday but it will be in one of the local cemeteries.

Mrs. Meador had resided in Big Spring for the past 26 years. Her husband passed away in 1894. She was born Sept. 6, 1858, in Dewitt County.

Survivors include two daughters, Mrs. Leo Nall and Mrs. Pearl Sackett, both of Big Spring; a son, Sam Meador, Riverside, Wash.; and a sister, Mrs. Abbie Sawyer, San Angelo.

Three sons preceded her in death.

Grandsons will serve as pallbearers.

Search Continues For Plane Victims

ST. JOHN'S, Newfoundland (AP)—Search continued today for the bodies of two missing victims of a U. S. bomber crash on Newfoundland's isolated East Coast as rescue parties waited clearing weather to bring out the remains of 21 known dead.

Their burned-out plane was one of two American bombers downed Wednesday in Newfoundland with a possible toll of 33 lives.

Twenty-three of the men were aboard a huge 10-engine RB36 that smashed into a hill in rugged, heavily-forested country about 50 miles north of St. John's. The other 10 were crewmen of a B29 Superfortress from which wreckage was found floating in the water of St. George's Bay with no sign of survivors.

Quake Death List Is Put At 455 Thus Far

BALIKESIR, Turkey (AP)—Rescue workers dragged additional bodies of earthquake victims from the debris of villages and towns in Western Turkey today. The official death count thus far in Wednesday night's disaster stands at 455 but unofficial estimates say the total will reach 1,000.

Army, Red Crescent (Red Cross) and civilian volunteers gave aid to more than 1,000 injured and 15,000 homeless in the rich farming and mining region southwest of Istanbul and across the sea of Marmara from that big port. Between 3,000 and 4,000 homes were destroyed or damaged.

Yenic, a farm community of 5,000, was the center of the quake. Interior Ministry figures listed 420 dead there and 35 more at nearby Gonen, a town of 12,000 population. Turkish newspapers estimated the dead at Yenic at from 300 to nearly 1,000.

County Grand Champion Steer Brings \$1.25 A Pound At Sale

The 16th annual Howard County FFA and 4-H Club Fat Stock Show came to an end last night when the 70th capon was sold by the auctioneer, Col. Walter Britton of College Station.

Going through the ring ahead of the capons had been 60 fat lambs and 21 steers.

The grand champion steer of the show, owned by Sonny Choate, topped that division of the sale when the 906-pound Hereford drew a bid of \$1.25 per pound from Drs. J. V. and Nell W. Sanders for the Medical Arts Hospital.

The reserve champion steer, an 845-pound Hereford shown by James Caudle, 4-H Club member, brought \$1 per pound on a bid from the Couden Petroleum Corporation. The reserve champion lamb, shown by Joe Spinks of the Big Spring FFA chapter, was purchased by Anthony's and White Auto Stores, at \$1.50 per pound, and the reserve champion capon, exhibited by Norman Spears, who also had the grand champion capon, went to Mellinger's Store for \$50, the capons being sold by the head instead of by the pound.

The steers averaged 50 cents

the lambs .557 and the capons \$16.55 each.

The resale on the steers was bought by Bugg Wholesale Meats at \$24.00 and the resale on the lambs went to Nath Allen on a bid of \$20.10, which meant that purchasers not wishing to keep the animals could resell them to either of these bidders at these prices per hundredweight.

# GOP Senators Seek Review Of File On Bohlen

By ERNEST B. VACCARO  
 WASHINGTON (AP)—Two Republican senators who oppose Charles E. Bohlen's nomination as ambassador to Russia renewed their demands today for a review of the FBI field report on the nominee.

Sen. Bridges (R-NH) said the Senate Foreign Relations Committee, which approved Bohlen unanimously Wednesday, should reopen its hearings to get the report.

And Sen. McCarthy (R-Wis) declared that if President Eisenhower examined "even the FBI summary" of the file on Bohlen, "I think he would reject him."

Eisenhower told his news conference yesterday he thought Bohlen's nomination was a very good idea.

Chairman Wiley (R-Wis) said the Foreign Relations Committee was satisfied with Secretary of State Dulles' evaluation of the FBI file during 2½ hours of testimony Wednesday when he said there was nothing to arouse the slightest suspicion about Bohlen's loyalty.

"I could have made the evaluation myself," Wiley said, "but the FBI summary was available so late, I wouldn't take the responsibility."

"Mr. Dulles passed up an engagement at an embassy to give it a thorough going-over for the committee."

Wiley said his committee requires that, before it approves any nominee, an FBI report must be put in the hands of the State Department.

"Under this rule," he said, "the chairman will either evaluate it himself and request the aid of the ranking minority member, or have it evaluated by a competent official."

"The highest man in the State Department (Dulles) evaluated the report on Bohlen."

Senate Majority Leader Taft of Ohio predicted only a few votes will be cast against Bohlen Monday when he brings up the nomination for Senate confirmation. The Senate GOP Policy Committee is considering it today.

# New Check Is Sought On Military Needs

By JACK BELL and RUSSELL BRINES  
 WASHINGTON (AP)—Sen. Taft (R-Ohio) called today for a fresh survey of U. S. military needs in the light of President Eisenhower's assertion that the nation can't show its combat strength buildup.

The Ohioan, the Senate's Republican leader, said in an interview he believes little can be done immediately toward altering the military program outlined by former President Truman in his 46 billion dollar budget request.

"But Taft said he thinks a complete reshuffle by the new administration of overall armed services requirements is in order. He indicated this should go far beyond present efforts to rejuggle the Truman program."

"I think we have got to look at the whole picture and see what needs to be done," he observed.

Rep. Short (R-Mo) said lighter management could cut billions of dollars from defense costs—the only way, he said, to reduce expenditures without impairing preparedness.

Short, chairman of the House Armed Services Committee, said in a separate interview the solution is to "squeeze the water" out of defense spending by tighter supervision and better longrange planning.

"The measure of strength," he

LEXINGTON, Ky. (AP)—University of Kentucky basketball Coach Adolph Rupp, Ed Curd and Frank Costello today were named defendants in a Federal Court suit seeking triple damages of \$378,257.79 for alleged gambling losses.

The suit was brought by Mrs. Lucille Chumbley Bradberry, Athens, Ga. She is the sister of George Chumbley, no address given, one of the alleged losers in gambling operations the suit said were conducted by "Curd and his co-conspirators."

The amount asked is three times the total of the losses alleged in the suit. How many others besides Chumbley figured in the claimed loss of \$121,085.93 was not stipulated.

Curd, Rupp and Costello, the suit

alleged, "concocted a fraudulent and debasing scheme of gambling in schools, colleges, and university sports and athletics," and "seduced student leaders and players to betray their institutions and devotees of the institutions and college sports."

Costello was a key figure during the Senate Crime Committee investigation. He is now in the Federal Correctional Institution at Milan, Mich., serving 18 months.

### Iranian Premier Rejects Latest British Proposal

TEHRAN, Iran (AP)—Premier Mohammed Mossadegh rejected Britain's month-old latest proposal for settlement of the Iranian oil controversy today but coupled his turn-down with a hope the two nations would renew diplomatic relations.

Elated with the recent Italian court victory over the British-owned Anglo-Iranian Oil Co. (AIOC), Mossadegh said in a radio address he believed his government now could sell enough oil abroad to operate the Abadan Refinery at full capacity—47½ million gallons of petroleum products daily.

Although he offered no counter-proposal, the aged nationalist premier insisted he was leaving the door open for further negotiations in the dispute over compensation to the AIOC for Iran's nationalization of its vast properties in the country.

(In London, a Foreign Office spokesman said Mossadegh had misconstrued the British-American proposals and so "rejected a fair and equitable settlement." By putting this "fallacious interpretation upon both the letter and the spirit" of the offer, the spokesman continued, Mossadegh deferred "prospects of putting Iran's economy on a sound basis and of restoring her political and commercial standing.")

### South Probably Won't Cut '53 Cotton Planting

WASHINGTON (AP)—An Agriculture Department survey indicated today southern farmers do not plan to go along with a government appeal for an 18 per cent cut in cotton plantings to stave off a surplus problem.

The department gave no forecast on this year's cotton acreage. But it estimated that one per cent more land will be put to all crops—and its forecasts for crops other than cotton clearly indicated plantings of the latter would be about as large as last year.

Farm law prohibits official cotton acreage and production forecasts before July 1. The theory is that earlier forecasts would help buyers and hurt growers.

Secretary Benson has cautioned cotton farmers that if they fail to reduce plantings, they will face prospects of rigid production and marketing quotas in 1954.

The survey indicated large increases over 1952 in acreages of oats and flaxseed, small increase rice, potatoes, sweet potatoes, soybeans, hay, sugar beets, and dry beans and peas.

Smaller acreages were indicated only for corn, durum wheat and tobacco, barley and peanuts.

The department made no production forecasts for individual crops because it is not known yet how plantings actually will turn out.

WASHINGTON (AP)—If Agriculture Department forecasts are correct, Texas corn plantings will be off about 8 per cent this year.

The department said yesterday Texas farm plantings indicate a total of 2,102,000 acres of corn, or about 92 per cent of the 1952 crop, when Texas farmers planted 2,232,000 acres.

### Judicial Change In S. Texas Aim Of House Measure

AUSTIN (AP)—The 79th Judicial District would be eliminated by a bill introduced by Rep. B. H. Dewey Jr., Bryan, and would give Gov. Shivers an opportunity to appoint the judge of a new district for Jim Wells, Duval, Brooks and Starr Counties.

A bitter fight between the powerful George Parr faction and a minority anti-Parr group has kept the district politically upset for years.

Dewey's bill would create a new 143rd District made up of the same four counties. This would allow Shivers, who has been sympathetic to the anti-Parr movement, to name a new judge.

A Jim Wells County grand jury has accused Judge C. Woodrow Laughlin, whom Parr supported for election, of placing "stumbling blocks" in the path of their recent investigations. Laughlin said the charge was just "more politics."

Shivers and Atty.-Gen. John Ben Shepperd conferred privately with the grand jury here last week.

### Two British Airmen Die In Bomber Crash

GAINSBOROUGH, England (AP)—Two British airmen died last night in the crash of a speedy jet bomber, returning from a mock war raid over West Germany. It was the first fatality in four days of the Exercise Jungle King—the biggest air maneuvers of its kind since World War I.

The two-engine bomber plunged to the ground and exploded just three miles short of its home base here. Another Canberra set a record last fall by flying across the Atlantic and back in one day.

## Russia Loses In Move To Get Mrs. Pandit UN Sec'y General

By OSGOOD CARUTHERS  
UNITED NATIONS, N. Y. (AP)—The race for a new United Nations Secretary general was wide open again today with Russia's latest candidate, Mrs. Vijaya Lakshmi Pandit of India, beaten in her first bid before the Security Council.

In a grueling five-hour secret session yesterday, the 11-nation council turned down Mrs. Pandit, sister of India's Prime Minister Nehru, and then called again on the Big Five permanent members to try to iron out the deadlock before their next meeting, scheduled for March 24.

In the drawn-out maneuvering over a successor for Trygve Lie,

which promises to continue for some time, only Lebanon was said to have voted with Russia in the secret ballot on Mrs. Pandit. Eight nations, including the United States, Russia's Andrei Y. Vishinsky from major policy talks in Moscow with the new post-Stalin regime of Prime Minister Georgi M. Malenkov.

Many diplomats believe that despite the last two votes in the council, the Russians will take no final decisive action until after Vishinsky comes back to take over leadership of the Soviet U. N. delegation. This appeared to be borne out by Soviet Delegate Valerian A. Zorin's repeated attempts at council meetings to postpone the vote on the nominees. Each time, however, U. S. Delegate Henry Cabot Lodge Jr. has pushed through his demand for an immediate vote.

Lie has said he will stay at his post until a successor is found, although he offered his resignation last November because of violent Russian opposition to him.

### Church Formally Organized Here

St. Paul's Presbyterian Church, located on Birdwell Lane directly fronting Howard County Junior College, was formally organized at a meeting of the El Paso Presbytery here Thursday night.

Rev. R. Gage Lloyd, pastor of the First Presbyterian Church, served as moderator and H. G. McDonald as clerk. The devotional was led by Rev. Joseph M. Brown of Odessa's First Presbyterian Church.

A petition for organization, signed by 60 persons, was accepted. Of that group, five joined the church on profession of faith, four through baptism and one on re-affirmation. The remainder previously had been members of other churches.

The following church officers were elected:

Ralph McKenzie, H. G. Carmack, J. G. Potter, Dave T. Evans and Leon Moffett, all elders; and Leroy Olask, J. L. Tune, R. R. McNew, H. R. Culp, L. B. Edwards, Joe Knight, Eugene Peters, H. F. Rule, W. D. Conway, Phil Smith and A. C. Wilkerson, all deacons.

Both the elders and the deacons will be installed in a formal ceremony at the First Presbyterian Church at 7:30 p. m. March 29, along with officers of the First Church.

### Seven Are Committed

Seven people were permanently committed to the Big Spring State Hospital in lunacy hearings held Thursday. The hearings were held at 10 a. m., with Harvey Hooser acting as defense attorney.

# Dictators Are Only Symptoms Of Our Troubles

The American people are looking in the wrong direction for a cure to their problems, the Rev. Clyde Nichols, First Christian Church minister, told Kiwanis Club members Thursday.

When World War II started most people had the idea that all problems would be solved when Hitler was dethroned, he reminded. Then, it was Japan that was considered the cause of all troubles in the world and now it is Russia.

"These things are symptoms, rather than the cause, of our troubles," Rev. Nichols said, in emphasizing that a turn for the better must start with the individual, instead of groups in high political and government positions.

He challenged members of the club to make an objective survey of their respective lives and note the changes that someone else might make if he were suddenly "put into your shoes."

"If we think other people would make changes if they were in our shoes, why shouldn't we make the changes ourselves?" he asked.

A change in a person's life is not easy when attempted by the individual himself, Rev. Nichols admitted, but fortunately there is another source of power available.

"God can do these things for you and me," he declared.

H. W. Smith was in charge of the program.

In a brief business session, club members voted against continuing sponsorship of the Civic Drama Guild's series of stage plays for the 1953-54 season.

A visiting Kiwanian who attended the luncheon was Albert Larsin of West Bend, Wis.

## In the Shadow of the Cross

JUDAS ISCAARIOT AGREES TO BETRAY HIS MASTER

Scripture—Matthew 26.

By NEWMAN CAMPBELL.

THE EPISODES related in today's lesson are heartbreaking from a human point of view. Jesus' knowledge of His impending arrest, trial and painful death; and His knowledge also that one of His disciples would betray Him to His enemies; how it must have torn His sensitive heart, even as it would that of a mere mortal.

The impossibility of making His close companions acquainted with what was soon to happen must also have been a great grief. He had spoken of it often to them, but while they had seemed to understand it at certain times, it evidently had not entered deeply into their consciousness. They apparently "lost no sleep over it," as we say.

After the Lord's sayings in our last lesson He again told His disciples that in two days the feast of the Passover would be celebrated and then He would be betrayed to be crucified. It was then that the chief priests, the scribes and elders of the people went to the high priest's palace to consult as to how they might destroy Him.

The high priest's name was Caiaphas. They must not take Him on the feast day, he said, "lest there be an uproar among the people."

In the meantime Jesus went to

opportunity to betray Him." On the first day of the Passover, Jesus told His disciples to tell a householder that He would keep the feast at his house, so they made ready as He had said.

As they sat down to eat, Jesus said, "Verily I say unto you, that one of you shall betray Me." Eleven of them were shocked and asked, "Lord, is it I?"

"He that dipeth his hand with Me in the dish, the same shall betray Me." He answered. Also, Jesus said, "Who unto that man by whom the Son of man is betrayed? It had been good for that man if he had not been born."

Even after this Judas had the effrontery to ask, "Master, is it I?" and Jesus replied, "Thou hast said."

Breaking the bread, blessing it and giving to His disciples, Jesus said, "Take, eat; this is My body. And He took the cup, and gave thanks, and gave it to them, saying, For this is My blood which is shed for many for the remission of sins."

After the ceremonies of the Passover had been concluded, they sang a hymn, as was the custom, and went out into the Mount of Olives.

Jesus suggested that His friends might be offended with Him for His actions that evening, but Peter insisted that no

matter who might be offended, he never would be.

"Jesus said unto him, Verily, I say unto thee, that this night, before the cock crow, thou shalt betray Me thrice."

Peter still protested, saying, "Though I should die with thee, yet will I not deny thee."

Taking Peter, James and John with Him, Jesus went to the garden of Gethsemane and, going a little way apart He prayed that if it was possible, the suffering in store for Him be avoided. "Nevertheless, not as I will, but as Thou wilt."

Coming back to His companions He found them sleeping, and what a world of paths are suggested by the words, "What could ye not watch with Me one hour?"

Again He prayed, and again when He returned He found the others asleep. Then the third time He returned to them He said, "Sleep on now, and take your rest: behold, the hour is at hand, and the Son of man is betrayed into the hands of sinners. Rise, let us be going; behold, he is at hand that doth betray Me."

And so it was: With the affectionate greeting, "Hail, Master," Judas kissed Him, and He was seized and led away.

Of His trial before the church authorities and Peter's denial, we have not space to write here. The chapter ends with Peter's bitter sorrow over his great fault.

MEMORY VERSE

"I lay down My life, that I may take it again. No one taketh it away from Me, but I lay it down of Myself."—John 10:17-18.

Bethany, to the home of Simon the leper. There a woman came to him, with an alabaster box of precious ointment in her hand. This she poured over the Master's head. The disciples considered this a great waste. They could have sold the ointment and used the money to feed the poor.

Jesus said, "Why trouble ye the woman? for she hath wrought a good work upon Me.

"For ye have the poor always with you; but Me ye have not always. For in that she hath poured this ointment on My body, she did it for My burial."

In the Nazi regime in Germany and now in the Soviet Union the people are urged to report to the authorities anyone whom they suspect of any disloyalty to the government—even members of their own families—their nearest and dearest companions and friends.

How could Judas Iscariot who had been with the Christ in daily communication; who had seen His compassion for the suffering and sinners, had witnessed His miracles of healing and His teachings of love, turn against Him and betray Him to those who were thirsting for His death?

Judas went to these scheming church authorities and asked them what they would give him if he delivered Jesus to them. They agreed to give him 30 pieces of silver—the price of a slave.

### Clothing, Food Distributed To Tornado Victims

Three truck loads of clothing were distributed in four day's time at the Knox City tornado-ravaged area by workers of the Salvation Army.

Lt. and Mrs. Robert Hall of Big Spring, who were among the Army personnel administering aid in the area, said that 4,992 sandwiches and 200 gallons of coffee were also distributed.

Two other truck loads of furniture from the Dallas-Fort Worth area will be sent to Knox City within the next few days, they said.

They also stated that a Bible was placed in the hands of each family suffering losses in the area. Quilts and first aid supplies were also distributed.

Mrs. Hall said the greatest need in the area seems to be cooking utensils. She stated that some would be sent from the local headquarters in the next few days and is asking for contributions.

Red Cross workers were at the area administering aid at the time of disaster and are now preparing for rehabilitation work.

Mrs. Moore Sawtelle, director of the Howard-Glasscock Chapter of the Red Cross, stated that the national headquarters has appropriated \$127,333 for rehabilitation work there.

She stated that the Red Cross money will be used to put the people hurt back in the same status as before the disaster.

### Men In Service

Sgt. Marvin Alexander, son of Mr. and Mrs. Paul Alexander of Lamesa, was one of the specially assigned Army men who participated Tuesday in the Atomic Maneuvers at Camp Desert Rock, Nev.

Immediately after the blast he charged forward in skirmishes to mop up an imaginary enemy theoretically weakened by the A-bomb blast. The maneuver was a sequel to a series of similar exercises conducted by the Army and the Atomic Energy Commission at the desert site last spring. Alexander is a member of the Sixth Army operational staff for Desert Rock. He normally assists other troops assigned to the Mojave Desert for special combat training. He is a veteran of World War II and entered the Army originally in September of 1942.

Pvt. Joe D. Brewer, 222 Kendal Road, has arrived at North Fort Hood where he will be assigned to the First Armored Division for basic training. He is the son of Mr. and Mrs. Mack Baker of Dallas and attended Big Spring Junior High School.

### 400 Rail Men Here Get Raise

Although exact figures have not been calculated, the four-cent hourly wage increase granted a million and a quarter rail workers Wednesday will boost the Texas and Pacific Railway payroll here by approximately \$35,000 a year, it was estimated today.

Most of the workers affected by the pay increase normally work eight hours per day on a five-day week. Approximately 400 T&P personnel working in and out of Big Spring are affected. Enginemen have their salaries computed on a mileage basis, and the calculation of their wage increase will take that factor into consideration.

The increase, of course, adds to the gross rather than the net wages of the personnel involved.

### John Riffe Slated To Get CIO Post

WASHINGTON (AP)—John Riffe, veteran labor organizer now working in the South, reportedly will succeed the late Allan S. Haywood as executive vice president of the CIO.

It was understood Riffe's selection by top CIO officials was at the behest of the CIO Steelworkers Union, which he helped organize. He now makes his headquarters in Atlanta.

The CIO is headed by Walter Reuther, president of the million-member Auto Workers Union. Riffe's choice was seen as a reflection of the CIO leadership's desire to give a top job to someone designated by the steelworkers, also in the million-member class.

The choice will have to be ratified by the CIO's 48-member Executive Board, which meets in Washington April 6.

SGT. AND MRS. BILLY G. GREER

## Ruth Starr Is Wed To Billy G. Greer

FORSAN — Ruth Starr, Dallas, daughter of Mr. and Mrs. H. G. Starr, Forsan, and Sgt. Billy G. Greer, son of Mrs. Tom McCain, Slaton, were married March 7 in ceremonies at the home of his mother.

The Rev. J. T. Bolding, pastor of the First Baptist Church, officiated at the double ring ceremony.

The bride wore a ballerina length

dress of white satin and net. The bodice was fashioned with an off-the-shoulder neckline outlined with medallions centered with pearls and coming to points at the neck. She wore a net stole. Her shoulder length veil was edged with medallions decorated with pearls and joined to a beaded tiara. The second of her three full skirts of net over tulle was tinted pale blue. She wore a single strand of pearls and carried an orchid on a white ribbon.

Matron of honor was Mrs. Don Kendrick, sister of the bridegroom. She wore an ice blue ballerina length dress of nylon lace and net. She carried red roses. Phillip Dawson of Slaton served as best man.

The marriage was performed before an arch decorated with white gladioli on lace fern over flat fern and flanked with tall baskets of gladioli.

Mrs. J. T. Bolding played "I Love You Truly" and the traditional wedding marches.

At the reception following Mrs. H. G. Starr, mother of the bride, cut the cake. Afterwards, Sgt. and Mrs. Greer left on a brief wedding trip to Ruidoso, N. M.

They will be at home in Dallas where she is employed as a secretary by Magnolia Paper Company. Sgt. Greer is stationed at Duncannon, near Dallas.

Among those attending the ceremony from Forsan were Mr. and Mrs. Starr and the bride's sister and brother, Cheryl and Tony, and from Dallas her aunt and uncle, Mr. and Mrs. Wendell Moore, and her grandparents, Mr. and Mrs. E. I. Moore, with whom she has been living.

## Period Dance Entertains Kouples Klub

Mr. and Mrs. Charles Tompkins won the Charleston contest Thursday evening at a period dance given by the Kouples Dance Klub at the Country Club. Hosts were Mr. and Mrs. Andy Jones and Mr. and Mrs. J. B. Lamb.

Music consisted of new records of old tunes from the Gay Nineties through the Roaring 20s. Mr. and Mrs. Don Anderson won the prize for the cleverest costumes.

Decorations included balloons floating from the chandeliers.

The guest couples included Mr. and Mrs. Gene H. Flewelling, Mr. and Mrs. Lowell Knoop, Mr. and Mrs. D. W. Conway, Mr. and Mrs. Ruben McNew, Mr. and Mrs. Weldon Bigony, Lt. and Mrs. John McFarren and Mr. and Mrs. J. D. Wighton.

Attending were 27 couples, including the guests.

## Mary Martha Class Has Dinner Meeting

Mrs. John E. Brown gave the devotional, "A Truthful Life" at the dinner meeting of the Mary Martha Class of the E. 4th Baptist Church held recently at the Watson Hotel.

Mrs. Ted Phillips led the opening prayer and secret pal gifts were exchanged. Mrs. Jean Pistole offered the benediction. Attending were 12 including one guest, Mrs. Elgin Jones.

## 6 To Attend Nat'l P-TA Convention

Six Big Spring women have made reservations to attend the annual convention of the National Congress of Parents and Teachers to be held May 18-20 in Oklahoma City.

They are Mrs. W. N. Norred, president of the City Council; Mrs. A. C. Kloven, president of East Ward; Mrs. E. G. Fausel, president of the High School unit; Mrs. Elvis McCrary, Council secretary; Mrs. Aron Underwood and Mrs. Clyde Thomas Jr.

This will be the first time in the history of the P-TA here that Big Spring will be represented at the national convention, according to Mrs. Norred. She is expecting a large delegation to attend the spring conference of District 16, which will be held April 20 and 21 in Lamesa.

## Mrs. Jessie Killam Finds Braiding, Crocheting Rugs Rewarding Pastime

After a hurried checkup of Mrs. Jessie Killam's schedule one wonders how she ever finds time to make rugs.

For every morning Mrs. Killam, who lives at 1600 Settles with her son, Kenneth, 16, attends classes at Howard County Junior College. Afternoons she may usually be found at the Salvation Army Citadel, teaching rug making, handwork and crafts to the women assisting with other work around the Army headquarters.

Mrs. Killam is taking the college courses mainly to better equip herself for Army work, but she someday hopes to take a college degree. She has taken courses in such subjects as English, history, psychology, typing, Bible and speech, and next June she will graduate from HCCJC.

The versatile grandmother — she

has four other children, all married, and four grandchildren — makes both braided and crocheted rugs. And right now, when braided rugs are so popular with Early Americana and other informal furniture styles, she is more than willing to share her know-how with homemakers who would like to make a hall runner, a scatter rug or even a room size rug.

Braided rugs are long-lasting, warmly old-fashioned and made of any and all old or new serap materials that are available. The cost may be as little as you please or as much as you can afford.

The first step is to assemble the materials. Woolens wear better, if

they are available, but cottons are quite satisfactory. They may be dyed if desired and, oftentimes, scraps already dyed may be purchased in five- and ten-cent stores. All seams should be ripped apart and then the material should be torn into strips. Working with cotton scraps, Mrs. Killam tears the material into 3-inch strips. If one is working with woolen, however, the width will depend upon the thickness of the material — the heavier the weight the narrower the width, so that the thickness of the rug will be uniform.

The strips should be sewed together on the bias, end to end. Then fold both edges of each strip toward the center, fold again to make sure that all raw seams are on the inside, and then stitch the edges together with a neutral color thread. Take three of the finished strips, sew together and begin braiding.

Braid by folding the righthand strip over the center, then the lefthand strip over the center, continuing as you would braid hair. When stitching the braided cable together to make the finished rug, keep the braid tight in the center and loosen a little as you go around the rug. Otherwise the rug will pucker in the center and not lie flat on the floor.

Crocheting rugs is much simpler if you know how to crochet. You simply cut the material into strips and crochet as if it were thread. May women use discarded silk rayon or nylon hose for crocheting into rugs.

Mrs. Killam, who was born in Oklahoma in 1905, has been crocheting since she was a small girl. Her main pleasure, she says, is petting her Cairn terrier, Skipper, who snuggles at her feet while she busies herself making rugs.

Braiding Rugs  
Mrs. Jessie Killam, an expert in rug braiding, has to stop her work occasionally to give an affectionate pat to Skipper, her pet Cairn terrier.

## Mrs. LeFever Reviews Book For Nurses

Mrs. Ann LeFever reviewed "The Red Chair Waits" by Alice Huggins for the Registered Nurses Study Club at a meeting in the VA Hospital nurses home.

Mrs. Martha Scudder announced that a benefit bridge and canasta party will be sponsored by the group April 8 in the Girl Scout Little House. Tickets may be purchased from any club member.

Members of the group brought gifts to the meeting to be sent to Eva Mae McElrath, a student nurse at Hendricks Memorial Hospital in Abilene. Eva Mae is training on a scholarship awarded her by the graduate nurses.

Refreshments were served to 10 members.

**Twenty-Third Psalm**

This beloved psalm is embroidered on a panel measuring 18 by 18 inches; words are in dark blue cross-stitch, wheat border is in gold thread, shepherd's robe in two shades of blue, the distant hills are in blue, clouds are in pale heavenly blue. Capital letters are in crimson threads. A panel to be worked with loving care on silk, linen, satin, smooth-surfaced cotton—it will constitute one of the household's treasures when framed in narrow gilded wood!

Send 25 cents for the TWENTY-THIRD PSALM PANEL (Pattern No. 470) transfer, color chart, sketches of all stitches used, framing instructions, YOUR NAME, ADDRESS, PATTERN NUMBER TO CAROL CURTIS

## Jaycee-Ettes Entertained At Dinner

Jaycee-Ettes were entertained Thursday evening at their monthly dinner and business meeting at the Wagon Wheel.

Hostesses were Mrs. Glen Gies, Mrs. Raymond Andrews and Mrs. Joel Cuiver.

In bingo prizes were won by Mrs. Milton Knowles, Mrs. Oliver Cofer, Mrs. A. J. Prager, Mrs. R. L. Heath and Mrs. Glen Brown.

A nominating committee was appointed, consisting of Mrs. Brown, Mrs. Cofer and Mrs. John H. Stewart. Further plans for the benefit bunko party in April were discussed.

Attending were nine members and two guests, Mrs. Prager and Mrs. L. Y. Moore.

Hostesses for the next meeting will be Mrs. Bill Horne, Mrs. Bill Cox and Mrs. Knowles.

### THIS IS GOOD EATING

**BROILED TUNA PATTIES**

Ingredients: Two 6½-ounce cans chunk-style tuna, 2 eggs, 3 table-spoons fine dry bread crumbs, salt and pepper, dash of garlic salt, butter or margarine, chili sauce (if desired).

Method: Drain tuna; separate into small pieces. In mixing bowl beat eggs with fork until yolks and whites are combined; add tuna, bread crumbs, salt and pepper (to taste) and garlic salt. Press down in bowl and divide into 8 portions; place one portion at a time on waxed paper and shape into patties about ¼-inch thick. Transfer carefully with spatula to broiling pan; dot with butter. Broil about 3 inches from source of heat 3 to 4 minutes turn carefully with spatula and dot with butter; broil 3 to 4 minutes or until hot through. Makes 4 servings of 2 patties apiece. Accompany with chili sauce if desired, and serve with the menu below.

## Taylor's To Entertain At Dinner

Mr. and Mrs. W. F. Taylor will honor their son, John, and his fiancée, Beverly Stulting, and members of their wedding party at a rehearsal dinner this evening at Smith's Tea Room.

The U-shaped tables will be laid with pastel yellow cloths. The bride's table will be centered with an arrangement of orchid stock, pink carnations and yellow daffodils interspersed with tye leaves, fern and lemon leaves. Flanking the arrangement will be triple crystal candelabra holding yellow, dusty rose and orchid tapers intertwined with greenery.

Mr. and Mrs. Taylor will be assisted in receiving the guests by their daughter-in-law, Mrs. Wayland F. Taylor, of O'Donnell, and

With Franklin Reynolds

Ray Hastings, Martin county agricultural agent, stood it just as long as he could, and he asked her if she would, and she said yes, and so Ray trooped down and bought a license and the beautiful and attractive Miss Mary Frances White, daughter of Mr. and Mrs. H. C. Wilson of Silsbee, led Ray to a preacher—and now it's Mr. and Mrs. Lewis Ray Hastings of Stanton.

Congratulations Ray! You've done better than you likely deserved—but you know that better than we do.

Looking back down the line the job of county agricultural agent in Martin County isn't any piece for a single man who wants to stay single. No Sir! There was Jim Eiland and Ralph Jones and now Ray Hastings. Martin County agents can't any more get along without wedding bells than they can get along without a pickup.

Cowmen attending the convention of the Texas and Southwestern Cattle Raisers Association at Houston gave their unqualified endorsement to the livestock programs of President Eisenhower and Secretary Benson this week. They opposed any form of price support for cattle and asked that foreign beef be denied admittance into the United States.

Those politically-minded persons who have shown such loquacious concern over the plight of the cowmen, as contrasted with the view the cowmen take of the same situation, should take a look at the record, as Al Smith used to say.

Parity on cattle was established on the basis of the years of 1909-14. During the past 13 years no type of agriculturist has fared as well as the cowmen and they know it. Nobody knows better than the cowmen that beef prices have been too artificially high and they have been expecting the break for several years. They don't understand how prices held up as well as they did. These prices have been higher and stayed up longer than most cattlemen expected them to.

During the last 13 years the cowman has been selling at an average of 63 per cent of parity, but the same period the food producers next best off was the rice farmer who managed to sell at an average of 120 per cent of parity. The average for corn and cotton farmers was 92 per cent of parity; for the wheat farmer 91 per cent of parity, and for the peanut grower only 85 per cent of parity.

As Jeff Slocum of Cresson has said: "We've got to realize the day of Santa Claus in the cattle business is gone."

Cattle prices are now leveling off on a sound foundation, the cowmen know it and on the whole they're glad of it.

**Water Flooding Of Oil Wells Increases E. Kansas Production**

TULSA (AP)—Water flooding of oil wells in eastern Kansas during an 18-month period increased production there from 34 to 1,797 barrels daily, members of the American Petroleum Institute were told today.

J. D. Walters, Sunray, Tulsa, made the report at the final session of the Mid-Continent District meeting of the API's Production Division.

In less than four years, Walters said, the flooding project in the Fankhauser Unit, Greenwood County, Kan., recovered crude almost equal to that surfaced by primary methods over a 23-year span. Current production there is still nine times above normal, he declared.

**State Weather Mild As Spring Time Is Here**

By The Associated Press

Tri-lala! "The spring, boys, and your hearts can lightly turn to thoughts of love, like the poet said.

The vernal equinox, otherwise known as the beginning of spring, hits Texas Friday at 4:01 p.m.

But while your thoughts are turning to the lighter things of life—consider your wife's flower beds which need digging...the lawn which may already need mowing...the lurking chiggers in the grass...the broken, hop handle...and the fertilizer that needs spreading.

The weather, according to the forecasters, may be just what you're looking for, depending on your location.

Skies, they said, would be partly cloudy to mostly cloudy over the state and temperatures mild. Scattered showers, they added, would greet the spring both Friday and Saturday.

Meanwhile, pre-dawn temperatures ranged from 66 at Brownsville to 43 at Dalhart with most of the thermometer readings in the state in the sixties. Only in the Panhandle and South Plains were thermometers in the forties and fifties.

Early morning cloudiness covered most of East Texas, but from Mineral Wells westward skies were clear at 5:30 a.m.

No rain was falling but there was fog reported at Beaumont, Alice, Lufkin, Corpus Christi, Palsacio, Houston and Austin.

In water-short Dallas, Water Supt. Karl Hoelzl said a plan to use water offered by the Dallas Power & Light Company from its Mountain Creek Lake was "highly feasible."

Hoelzl said it seemed a good idea to him to "dilute" sewage-laden West Fork water which Dallas plans to use in its mains during the water shortage.

Dallas police were ordered today to rigidly enforce a new water conservation ordinance, and other city employees were asked by City Manager Elgin Crull to inform police of any violations they saw or encountered.

SEOUL (AP)—South Korean infantrymen hurled back two sharp attacks by some 100 Chinese on the muddy Western Korean Front today—the 1,000th day of the stalemate struggle on this Asiatic peninsula.

The Eighth Army reported troops of the Republic of Korea First Division smashed assaults by more than two platoons of Communists in a driving rainstorm near Little Kori Hill, west-northwest of Yonchon.

The heavy rains — up to two inches in some sectors — and a thick haze covered the battlefield. Sporadic patrol clashes were reported on the central and eastern sectors.

Allied fighter-bombers for the second day were hampered in their blows against Communist troops and supply facilities. However, a few loud holes in the clouds on the extreme Western Front and reported hitting a dozen trucks in the Haegu area.

# Hurlers Beginning To Get In Shape

By BEN PHLEGAR  
AP Press Sports Writer—set apt.

Any day now a major league pitcher is going to work nine innings against major league opposition—then you'll see a new opening day of the baseball season is near.

SNIDER

Robin Roberts of the Philadelphia Phillies went eight-ninths of the way yesterday, Wilmer "Vinegar Bend" Mizell of the St. Louis Cardinals stopped after six, although he had said he intended to go the distance.

Roberts is generally regarded as the best in the business, but yesterday wasn't one of his better days. Telling against his Philadelphia neighbors, the Athletics, the righthander was cuffed solidly for nine hits including three home runs.

Mizell, a sophomore left hander, didn't fare as well as Roberts. The New York Yankees collected six hits and two walks in the six innings, good for three runs, while Wilmer struck out two. The Yankees won, 3-1.

So far only Johnny Lindell of the Pittsburgh Pirates has pitched a full nine innings this spring but his came against grade B opposition in the form of the Cuban All-Stars. Lindell, turned into an outfielder by the Yankees back in 1943, is back in the big time as a pitcher after a 24-9 season with Hollywood last year.

Another pinch hit home run, this one by rookie outfielder Paul Schrewenka, contributed to a one-sided triumph by the Cubs over the White Sox in the all-Chicago series at Pasadena, Calif. The Cubs walloped Tommy Byrne for nine runs in the first four innings and finally won, 11-3.

The Braves, starting their first game under the Milwaukee banner, dropped a 4-3 decision to their opening-day opponents, the Cincinnati Reds. The fans back in Milwaukee can hope their new club doesn't go through many ninth innings like yesterday's. Trailing 4-1 going into the ninth the Braves scored twice and had the tying and winning runs on base when pinch hitter Sibby Sibb filed out to end the rally.

Frank Carswell, the International League batting champion last year, homered in the ninth inning to give the Detroit Tigers a 9-8 triumph over the Boston Red Sox, their first victory of the spring season against American League opposition.

The St. Louis Browns split their squad for two games against Pacific Coast League clubs and lost both of them. The "A" team stumbled, 4-3, at San Diego, and the "B" outfit was smothered, 14-7, by Seattle.

Preacher Roe allowed one unearned run in six innings, his longest stretch of the training season, as Brooklyn whipped Washington, 4-1, in a night game at Miami. The veteran lefthander gave up seven hits. Duke Snider homered for the Dodgers with one up in the first.

Jackie Brown and Ed Wolfe, a pair of Pittsburgh rookies, shut out the Cuban All-Stars for three hits at Havana, 6-0.

Outfielder Ralph Kiner finally arrived at the Havana base in the middle of the fifth inning and immediately huddled with General Manager Branch Rickey. The Pirates said Kiner would sign his contract today for about \$75,000 plus a gimmick to give him an extra \$5,000 if he is sold or traded.

Expecting to have a big year in the American League this season is Bob Porterfield of the Washington Senators, formerly of the New York Yankees. Bob won 13 games for the Sens last year.

## BOBBY CAVAZOS

# Spring Drills Jinx To Star

LUBBOCK (AP)—Spring football training is a jinx for Bobby Cavazos.

For the second successive year, he'll sit out Texas Tech's intrasquad game tonight. A sprained ankle is the reason. Last year, it was a cracked rib. In 1951, he spent most of the spring training period in the hospital with the flu.

But Tech's 1953 opponents needn't take much heart from Cavazos' absence tonight. In both 1951 and 1952, he led the Red Raiders' rushing attack. Also, he made both the Associated Press All-Border Conference and the Coaches' All-Conference team each year.

And don't think Coach DeWitt Weaver isn't enthusiastic over the 178-pounder, who grew up on the King Ranch, and is just as much at home in the saddle as on the gridiron.

"Cavazos should be as fine a back as there is in Texas next season," Weaver asserts. Weaver doesn't believe that Cavazos' previous concentration on offensive play in college will hurt his chances, either, because the halfback has taken readily to defensive work.

"Every time I'd look around, there'd be Cavazos, lining up on defense," Weaver said. "It just shows that your best men in one phase, if they have the right build, will also be among your best in the other phase."

Cavazos is the kind of runner who can either power across, pick his way through a broken field, or skirt the ends. For the past two seasons, he has turned in Tech's

## Eleven Teams Enter Track Meet At San Marcos School

SAN MARCOS (AP)—Eleven schools will have teams in the annual All-College Track and Field Meet here tomorrow with North Texas State a heavy favorite to take the championship.

Several records are due to fall with Charles Holding, the East Texas State high jumper, expected to topple his own mark of 6 feet 5 1/2 inches. The North Texas mile relay team has done 3:23.4 this season and that's four seconds better than the All-College record.

Eugene Branscome of North Texas State should crack the discus throw record of 146 feet 2 inches. He did 148-5 last week. Howard Payne's sprint relay team did 42.8 seconds and the record here is 43.5. Walter Lindsey of North Texas State, who did the 440 in 48.6, should erase the record of 48.7 here.

Teams entered in the meet are North Texas State, East Texas State, Howard Payne, Southwest Texas State, Abilene Christian, Christian, Texas Lutheran, Mc-

Murry, University of Houston, Stephen F. Austin, Sam Houston State and St. Edwards.

## Travelers Play Stanton Quint

STANTON — The Arkansas Travelers, a touring girls' basketball team, will play a Stanton men's team here at 8 o'clock Saturday night.

The Travelers play men's rules. The Stanton lineup includes Billy Avery, James Biggs, Red Gibson, Bob McClain, Ken Henson, Leroy Gregg, Billy Louder and James Tunnell.

The game is being sponsored by the high school girls' team here. Profits are to be applied to the purchase of girls' cage sweaters.

## Bearkat Cagers Given Awards

GARDEN CITY — Garden City's District 23B basketball awards were presented in a special assembly program at the school Tuesday morning.

Targe Lindsay, coach, presented an individual award to Bryant Harris for making the all-district team and A. H. Self, coach, presented like-awards to Theora Calverley and Jan Burns of the girls' division.

Honorable mention on the boys district team were Wilburn Bednar and Bob Frizzell. Honorable mention for the girls' team was Betty Dolan.

Second place district trophy was presented to Roscoe Newell, principal of the high school, by Bryant Harris, captain. Theora Calverley and Jan Burns presented him with the sportsmanship trophy won by the girls.

# Seven Texas League Teams In Action

By The Associated Press  
Seven Texas League baseball teams—all but the Fort Worth Cats—take part in spring exhibition games Friday.

Five of the Texas League outfits saw action Thursday as the high-flying Eagles of Dallas took their fifth straight pre-season victory.

The Eagles, collecting 11 hits in a free-swinging battle, beat the Houston Buffs, 9-7, after taking their first four games of the spring from Oklahoma City.

In Alexandria, La., the Tulsa Oilers opened their spring exhibition schedule with a 6-4 decision over Shreveport's Sports. Tulsa broke a 4-4 tie in the seventh and added another run in the eighth for the margin.

Each team used three pitchers as the Sports collected seven hits against nine for the winners.

Fort Worth, idle Friday, took a 9-5 decision over the Memphis Chicks of the Southern Association in a game at Vero Beach, Fla.

Runless stunts by Rudy Paynick and Pete Mondorff, who hurled three innings each for the Cats, helped the Fort Worth cause along.

Dallas' victory at Port Arthur featured the stick work of stocky little Bob Bundy, fancy-fielding second baseman, who paced the Eagles with three hits and three RBIs in four times at bat.

Eddie Knoblauch, darling of the Eagle fans, went hitless in three official trips to the plate but managed to score two runs.

Homers for the day were contributed by Jim Baxes of Fort Worth and Catcher Jim Martin of Shreveport.

Friday's games pit Beaumont against Dallas at Fort Arthur, Houston against Oklahoma City at Galveston, Shreveport against Tulsa at Alexandria, La., and San Antonio against Little Rock at Lakeland, Fla.

**A & I Will Play Nine-Game Card**

KINGSVILLE (AP)—A nine-game football schedule for 1933 was announced today by Athletic Director Dewey Mayhew of Texas A&I. A tenth game may be added.

The schedule:

Sept. 19—Stephen F. Austin at Kingsville, Sept. 26—Southwest Texas State at San Marcos, Oct. 10—Sam Houston State at Kingsville, Oct. 17—Trinity at San Antonio, Oct. 24—Sul Ross at Alpine, Oct. 31—Abilene Christian at Kingsville, Nov. 7—Howard Payne at Brownwood, Nov. 14—Austin College at Kingsville, Nov. 21—McMurry at Abilene.

**Defending Champions Still In Running In NAAU Meet**

By FRANK PITMAN  
DENVER (AP)—Three Pacific Coast clubs and the defending Champion Peoria, Ill., Diesel Cats scrambled through to victory last night in pressure-filled quarterfinal games of the 46th National AAU Basketball Tournament.

Tonight's semifinals match the champion Cats against a crew of Keepaway artists from San Diego, Calif., and the Cinderella team of Oregon collegians from Eugene against the silk-smooth Los Alamitos Naval Air Station team of Long Beach, Calif.

Missing from the semifinals for the first time in 15 years are the Phillips 66ers of Bartlesville, Okla. They were sidelined in the second round, 66-52, by the Everybody's Drags team from Eugene, Ore.

Peoria's Cats needed all the savvy they could muster to subdue the Houston, Tex., Ada Oilers, 61-57. The Oilers piled up a 10-point lead in the first and second quarters on sensational long distance shooting by Johnny Sanich.

The fans got their biggest quarterfinal thrill in Los Alamitos' 58-56 triumph over the U. S. Air Force champion from Sampson Air Force Base, Geneva, N. H. Looking weary after their hard game Wednesday with Phillips, the Oregon team outlasted an undermanned Carbondale, Ill., team of former Southern Illinois University players, 70-52.

The San Diego team, representing Grubbs Motors, turned back the Quantico, Va., Marines, 63-55, on a fine individual performance by Jim Hoverder, who canned 22 points.

**Tracksters Run At Cleveland**

CLEVELAND (AP)—The best of the nation's indoor runners and jumpers make their next-to-last big assault of the winter against the record books tonight and there is a chance one or two marks will fall.

After tonight's Knights of Columbus track meet before some 9,000 fans, only the Chicago Daily News meet remains.

High jumper Ken Wiesner, a Navy dentist and former Marquette athlete, and Mal Whitfield, a two-time Olympic winner who tops the 600-yard run entry list, were given the best chance to post new national records.

**Girls To Compete In Net Tournament**

Seventh and Eighth Grade girl volleyball teams representing Big Spring will compete in a tournament at Lamasa Saturday.

Local sextets won two of three exhibitions with Forsan teams in the Junior High Gym here Thursday evening.

The Ninth Graders copped a 42-22 verdict while the Seventh Graders finished in front, 64-47.

Forsan's Eighth Graders wound up on the long end of a 53-30 tally. In that one, Verna Blankenship counted 20 points for Forsan.

Bernie Blue paced the Big Spring Ninth Graders with 13 points. For the Big Spring Seventh Graders, Rita Fay Rogers set the pace with 17.

## LOOKING 'EM OVER

With Tommy Hart

I think football fields should be built for football and track goals for track and the two don't mix.

When they are combined, the grid fans are asked to sit too far removed from the arena—not everyone's eyes are as good as a 17-year-old's. Too, the turf on a gridiron takes a beating from the pounding, the shot puts and the disc that are hurled into it.

That's why I'm pleased to hear H.C.J.C. is planning to build a track solely for track, near the school. Cinders may be added to the plant later. It's certainly a start in the right direction.

Thurman Tucker, who gained a measure of fame in big league baseball because he resembled Joe E. Brown, now owns a fleet of taxi-cabs in Mineral Wells.

Remember Iverson Martin, the Fort Worth golfer who qualified for the Big Spring Invitational Golf Tournament a few years back and then lost out in the first round of play?

Last time I looked, he ranked fourth among the pro linksters for the Vardon Trophy. Over 15 rounds, Iverson had averaged 70.06 strokes.

The Oklahoma City Indians like their new training site in Galveston, will probably return there in '34.

Ever wonder where the expression 'love' came from, as used in the game of tennis?

It's taken from the French word 'l'oeuf,' which means eggs. By connotation, it means 'nothing,' just as we use 'goose egg.'

The Junior Rose Bowl game, which has featured a couple of Texas teams in the past, is about to be abandoned.

The federation which sponsored it is withdrawing its support of the venture.

A game will be played next December, before the contract runs out, however.

If it's news to anyone, the Kramer-Sedgman tennis troupe is consistently outdrawing the Harlem Globe Trotters across the country.

**BOBBY WILLIAMS AS GOOD AS THE BEST**

For his size, Howard County Junior College's Jayhawks may have the best rebound man in junior college circles.

That, of course, would be Bobby (Dallas) Williams, the stellar sophomore from Big D.

Williams is only 6-feet-4. That may sound tree-top tall to you but in basketball, especially college basketball, Williams is only reasonably tall.

Bobby can get up there with the giants and he's one of the best at making the opposition foul him when he's under the basket.

## Three Teams Tied For Top Spot In Bowling Circuit

Close of the Men's Classic Bowling League race is only two weeks away but the battle for first place is far from settled.

At the close of this week's skirmishing, three teams—Dairy Maid, Lee Hanson's and Seagram's—were tied for the top spot, each with a record of 44 wins and 34 reversals.

Dairy Maid snarled the race with a 2-1 win over the erstwhile leader, Lee Hanson's, while Seagram's kept pace with a clean sweep over Mathis Studio.

In other matches, West Texas Roofing Company kept within shooting distance of the lead with a 2-1 win over Big Spring Herald while the Eagles Club edged Sinclair Oil, 2-1.

John Stanley, West Texas Roofers, led all scorers with 222-579. Earnest Rice, Seagram's, had a 221. Tony Reinhardt, Lee Hanson's, posted a 211-570. Freddy Greene, Big Spring Herald, fired a 202.

Big Spring Herald boasted high team score with a 912-2541, followed by Seagram's with 902-2504. Lee Hanson's registered a 2462 and West Texas Roofers a 2408.

West Texas Roofers are fourth in league standings with a 40-38 record, followed by the Eagles.

The first consecutive double in Delaware Park's Christiana Stakes was scored in the 1932 renewal when W. G. Loew's Centime won. The Pimpernel, also owned by Loew, won the 1931 running.

## SW Net, Golf Teams To Open Play March 26

Tennis and golf competition begins next week in the Southwest Conference as the schools start the round-robin.

Team championships in these two sports are decided by dual meets. Individual titles are determined in the conference meet.

First golf matches are March 26 and first tennis comes March 28. All seven conference members play golf, but Arkansas does not participate in tennis.

The schedules:

Golf—March 26—Texas A&M vs Baylor at College Station, Rice vs Texas at Houston, Southern Methodist vs Texas Christian at Dallas; March 30—Arkansas vs Southern Methodist at Dallas; March 31—Texas A&M vs Texas Christian at Fort Worth, Texas vs Baylor at Waco; April 7—Arkansas vs Rice at Fayetteville, Baylor vs Southern Methodist at Waco; April 10—Baylor vs Rice at Houston; April 14—Texas vs Texas Christian at Austin; April 16—Texas A&M vs Southern Methodist at College Station; April 20—Texas A&M vs Arkansas at Fayetteville; April 21—Rice vs Southern Methodist at Dallas; April 22—Texas Christian vs Rice at Fort Worth; April 23—Baylor vs Arkansas at Waco; April 24—Texas vs Arkansas at Austin; April 27—Texas A&M vs Texas Christian at College Station; May 1—Texas vs Southern Methodist at Austin, Texas Christian vs Baylor at Fort Worth, Texas A&M vs Rice at Houston.

Tennis—March 28—Rice vs Texas A&M at College Station, Southern Methodist vs Texas Christian at Fort Worth; March 31—Texas A&M vs Texas Christian at Dallas; April 11—Baylor vs Southern Methodist at Dallas, Rice vs Texas at Houston; April 17—Southern Methodist vs Texas A&M at College Station; April 18—Baylor vs Texas Christian at Waco, Southern Methodist vs Rice at Houston; April 24—Texas vs Southern Methodist at Dallas; April 25—Baylor vs Texas A&M at Waco, Texas Christian vs Texas at Fort Worth; May 1—Texas A&M vs Texas Christian at College Station; May 2—Baylor vs Texas at Austin, Rice vs Texas Christian at Houston.

## Texas Bovines Grab Lead In SWC Swimming Meet

HOUSTON (AP)—Texas had an unexpected lead today in the 1933 Southwest Conference swimming meet after Charlton Hadden set a new 1,500-yard swim mark last night.

The Longhorn tankmen took their 18-4 lead over favored Southern Methodist with the first three places and fifth place in the night's single event.

Hadden's mark of 20:06.8 broke the old mark, 20:25.8, set by Arnie Amerine of SMU in 1930.

Preliminaries were on tap today in one-meter diving, 50-yard free style, 200-yard back stroke, 400-yard free style relay, with finals in these events tonight.

Tomorrow's events in the three-day event include three-meter diving, 100-yard back stroke, 100-yard breast stroke, 100-yard free style, 440-yard free style, 150-yard individual medley and 300-yard medley relay.

Places last night included second by Albert Yriart, Texas, 21:16.7.

Other placers were Eddie Humphreys, Texas, third, 21:53.0; Jack McComb, SMU, fourth, 22:00.5; Bobby Timmins, Texas, fifth, 22:09.6, and George Dill, SMU, 22:09.9.

## Morrison Belts North, 18 To 7

Kate Morrison won its third Ward School football game without a loss Wednesday when it beat North Ward, 18-7, on North's diamond.

Jimmy Marin hurried and Yasabel Lara caught for the Maroons. Kinman was the North Ward pitcher. Jesse Mendoza's team crowded four runs across the plate in the first inning, added one in the second, another in the third, four in the fourth, two in the fifth and six in the sixth.

David Abreo hit a home run for Morrison.

Defends Title

Vic Hershkowitz, Brooklyn fireman, will defend his U. S. Handball Association championship in the tournament at Houston, Tex., Central YMCA, March 21-28. Vic, who has won 11 national titles, is also the 1933 national "Y" four-wall champ. USA three-wall king, and AAU one-wall title holder.

## Potashers Open 1953 Workouts

CARLSBAD, N. M. — The Carlsbad Potashers of the Longhorn League have opened 1953 workouts at home.

Ten members of the old Vernon club are under contract to Carlsbad. They are Steve Lagomarsino, Al Richardson, Pompeyo Carreras, John Bakas, Marty Doolley, John Reimold, Goldy Ghilson, Bob Brown, Bill Newman and Art Neal.

Reimold will face competition for the first base berth from Merv Conners, hard-hitting ex-Texas Leaguer. Reimold may be moved into the outfield.

Two Negro boys will also try out with Carlsbad. They are John Henry and Cranston Shaw, brothers. Gene Wolf, pitcher; John Treese, infielder; Lefty Marshall Epperson, pitcher; and Hank Williams, pitcher, are other newcomers on the Carlsbad roster.

## Defending Champions Still In Running In NAAU Meet

By FRANK PITMAN  
DENVER (AP)—Three Pacific Coast clubs and the defending Champion Peoria, Ill., Diesel Cats scrambled through to victory last night in pressure-filled quarterfinal games of the 46th National AAU Basketball Tournament.

Tonight's semifinals match the champion Cats against a crew of Keepaway artists from San Diego, Calif., and the Cinderella team of Oregon collegians from Eugene against the silk-smooth Los Alamitos Naval Air Station team of Long Beach, Calif.

Missing from the semifinals for the first time in 15 years are the Phillips 66ers of Bartlesville, Okla. They were sidelined in the second round, 66-52, by the Everybody's Drags team from Eugene, Ore.

Peoria's Cats needed all the savvy they could muster to subdue the Houston, Tex., Ada Oilers, 61-57. The Oilers piled up a 10-point lead in the first and second quarters on sensational long distance shooting by Johnny Sanich.

The fans got their biggest quarterfinal thrill in Los Alamitos' 58-56 triumph over the U. S. Air Force champion from Sampson Air Force Base, Geneva, N. H. Looking weary after their hard game Wednesday with Phillips, the Oregon team outlasted an undermanned Carbondale, Ill., team of former Southern Illinois University players, 70-52.

The San Diego team, representing Grubbs Motors, turned back the Quantico, Va., Marines, 63-55, on a fine individual performance by Jim Hoverder, who canned 22 points.

## Tracksters Run At Cleveland

CLEVELAND (AP)—The best of the nation's indoor runners and jumpers make their next-to-last big assault of the winter against the record books tonight and there is a chance one or two marks will fall.

After tonight's Knights of Columbus track meet before some 9,000 fans, only the Chicago Daily News meet remains.

High jumper Ken Wiesner, a Navy dentist and former Marquette athlete, and Mal Whitfield, a two-time Olympic winner who tops the 600-yard run entry list, were given the best chance to post new national records.

## Girls To Compete In Net Tournament

Seventh and Eighth Grade girl volleyball teams representing Big Spring will compete in a tournament at Lamasa Saturday.

Local sextets won two of three exhibitions with Forsan teams in the Junior High Gym here Thursday evening.

The Ninth Graders copped a 42-22 verdict while the Seventh Graders finished in front, 64-47.

Forsan's Eighth Graders wound up on the long end of a 53-30 tally. In that one, Verna Blankenship counted 20 points for Forsan.

Bernie Blue paced the Big Spring Ninth Graders with 13 points. For the Big Spring Seventh Graders, Rita Fay Rogers set the pace with 17.

## Fain Is Slamming Ball For Hose

HOLLYWOOD (AP)—Ferris Fain, the Chicago White Sox' new first baseman, is proving one of the Grapefruit League's best hitting stars this spring.

Fain has slammed 15 hits in 28 times up for a lustrous .535 average.

# House Floor Action On Slash In Taxes Due To Be Postponed

By CHARLES F. BARRETT  
 WASHINGTON (AP)—House leaders indicated today that delays in writing appropriations bills may postpone floor action on tax cuts for several months.  
 Chairman Taber (R-NY) of the House Appropriations Committee said in an interview "there's not a chance in the world" that the big defense spending bills can be brought to the House floor before May 25.  
 "And it will be June, he added, before the foreign aid appropriation is ready for a vote.  
 This raised a prospect that floor action will be delayed similarly on a tax trimming bill being urged

by Chairman Reed (R-NY) of the Ways and Means Committee. Reed's bill would advance by six months—from Dec. 31 to June 30—a 10 per cent scheduled cut in personal income tax rates.  
 Any further delay in action on Reed's bill would add new fire to the feud between him and Republican leaders, including President Eisenhower, over the legislation.  
 Reed charged, in effect, yesterday that Eisenhower and others who oppose early tax cut action are betraying their campaign pledges. He termed it "unfair, dishonest and gaining office under false pretenses... a shocking disregard of the will of a sovereign people."  
 Eisenhower told a news conference several weeks ago he never promised early tax cuts but had set tax reduction as a goal for his administration.  
 House leaders have stressed—and Eisenhower reiterated yesterday—that tax reduction moves should be held off until spending is cut and a balanced budget is in sight.  
 Defense and foreign aid are the

two major items in determining the size of the new budget. If House decisions in these fields are delayed until late May or June, the road would be cleared for waiting until then, or later, for action on taxes.  
 Reed yielded yesterday on one point. He said he will have to await a decision by the House Rules Committee on bringing his bill to the House floor, with amendments prohibited there. Earlier he had announced he would use his privilege as Ways and Means chairman to force his bill to the floor by April 15—but it would then be wide open to amendments.  
 Eisenhower told his news conference yesterday he doesn't want to lose any tax revenue this year, a stand Senate-Republican Leader Taft has taken against Reed's bill and some House efforts to let the excess business profits tax die June 30.  
 Taft said in a television broadcast last night that it might be possible to cut taxes 10 billion dollars in 1954 if Congress doesn't bring on a deficit by acting too hastily this year.

**De Mille Winner Of Oscar Award**

By JAMES BACON  
**HOLLYWOOD**—A happy Hollywood rejoiced today in honoring one of its founding fathers—Cecil B. De Mille whose "Greatest Show on Earth" became his first Oscar winner in 40 years of epic making. It was one of the few times Hollywood has honored one of its greats while he was still around to enjoy it.  
 The movie pioneer, now 72, was the big star of the silver jubilee Academy Awards last night. A film colony audience cheered wildly in the RKO Pantages Theater as millions more for the first time saw the ceremony via television.  
 De Mille's win for "Greatest Show" as the best picture of 1952 was the night's only surprise. Favorites Shirley Booth and Gary Cooper came through as predicted to take the best actress and best actor awards.  
 De Mille, whose 70 pictures previously had won him only millions at the boxoffice, admitted he was most surprised.  
 "I thought 'The Quiet Man' or 'High Noon' would get it," the proud showman told reporters. He also took home the Irving Thalberg special Oscar for distinguished production.  
 He was happiest for his daughter, Katherine De Mille, who became the first person to have a father and husband win Oscars on the same night.  
 She is the wife of Anthony Quinn, whose earthy portrayal of a Mexican revolutionary in "Viva Zapata!" won in the best supporting actor class.  
 Gloria Grahame, also a favorite, was voted best supporting actress for her job as the flighty Southern belle of "The Bad and the Beautiful."  
 Another veteran, John Ford, won the directing award for "The Quiet Man."  
 Although "Greatest Show" was a surprise—"High Noon" was the favorite—its win was not wholly unexpected. Many knew that Hollywood has never quite forgiven itself for letting D. W. Griffith go to his grave unhonored by the Academy.  
 Miss Booth, the blowzy housewife of "Come Back, Little Sheba," stumbled as she walked up stairs at a New York theater to receive her Oscar from Fredric March. However, she quickly composed herself and said:  
 "I'm a very happy and very lucky girl. It's been a long climb and I guess this is the peak. But the view has been wonderful all the way."  
 A veteran of 28 years of Broadway acting, Miss Booth's Oscar came on her first try at movie-making.  
 Cooper, for 28 years on the side of movie law and order, and a strong favorite, won his second Oscar for playing the righteous marshal of "High Noon." He previously won for "Sergeant York" in 1941.  
 Cooper, on location at Cuernavaca, Mexico, for a new film, "Blowing Wild," was having dinner when informed he had won.  
 "I'm a hell of an actor," Cooper drawled. "I get my inspiration from the people who work with me on the picture."  
 "That was particularly true about 'High Noon.' I feel doubly honored because I feel I'm receiving the vote for so many people. I'm very happy and very flattered."  
 Quinn, with Cooper, said: "This moment is doubly important because I started in movies with Gary Cooper 15 years ago in 'The Plainsman.' It's wonderful that 15 years later we are doing another movie together and being honored together."  
 The ballad "High Noon," probably the only song in history that gives away the plot of a movie, won the best-song award for composer and lyricist Ned Washington.  
 Bob Hope, who was master of ceremonies, was awarded a special Oscar for "his enormous contribution to the laughter of the world."  
 Hope said, "I've waited 15 years for this xxx I know now how the Republicans felt."
