

**PRESS POINTS**  
By JOE BENNETT, Publisher

Boy, the farmers and ranchers of this area are beginning to wonder if they should have cut all that timber on their places, as the way it has been raining the past weekend, they may need to do like Noah did - you know when. Well, all kidding aside, the folks in this entire area are very, very happy, and should be very, very thankful to the Good Lord for this marvelous rain we have had. Of course, I am sure all of you have already spoken a few words of thanks to our creator for the life-saving moisture. If you haven't, then its overdue.

The good amount of moisture we have gotten recently had let the farmers begin the task of breaking and preparing their land. And a lot of the land was already broken when our last big rain hit, letting all of the moisture soak in. This will be a marvelous boost to the entire area around here.

We are rushing a little bit with the paper this week on account of having to check the daughter, Joetta, into Hendricks Hospital on Wednesday afternoon. Sorry for the rush on some of the news, and I hope that we haven't left out any important news. If so, please accept our apology and we will run it next week.

There seems to be more and more activity around our town and community recently, and things continue to grow and improve week by week. Still haven't heard any more about the new addition in our town, but maybe it is still in the works and will become a reality in the near future. We hope so, for there have been numerous folks coming into the office to check on houses, both for sale and rent, and there have been a good number of them in the past several months. These folks would have settled here if the housing had been available. So maybe some housing will be available in the next few months. We hope so anyway.

Sure hope the Baseball organization will be able to get everything in readiness for the upcoming baseball season. I noticed the land had been cleaned off some, but I guess the wet weather we have had has prevented work on the project. Sure hope everything can be done that is necessary for the kids to be able to play baseball this season.

Am glad to have the space this week for yours truly to ramble on a bit. I have missed not getting the column in the past several weeks. But lack of space and other activities have prevented it.

When you lay the body down tonight, lets all take a little time out to thank the Good Lord for our many, many blessings, and for the privilege of living yet another day in His wonderful world.

And remember to smile -- because God Loves You.

**THANK YOU NOTE**  
I want to express my appreciation to everyone for your thoughtfulness and kindness during my stay in the Stephenville Hospital. For your prayers, cards, flowers, visits and food, I'm grateful.  
Flora Singleton

**CORRECTION**  
We regret leaving three names off the list attending the Harry Cooper funeral in Odessa out of last weeks paper. They were Mrs. Conley Fields, Mrs. Herman Claborn of Rising Star, and Mrs. Kenneth R. Hill of Eastland.

## Vicki Hughes and Bobby Rich Pledge Vows

Miss Vicki Hughes became the bride of Bobby Wayne Rich in a candlelight ceremony held in the Church of Christ Saturday, April 10, 1976 at 7:30 p. m.

Parents of the bride are Mrs. Linda Hughes of Gorman and Mr. W. D. Lester of Midland. The groom's parents are Mr. and Mrs. Marvin Rich of Gorman.

Bill Wilson, Church of Christ minister, officiated as the couple exchanged vows in a double ring ceremony before an archway covered alter of greenery, large yellow bows and clusters of white wedding bells. The archway was flanked with baskets of yellow gladiolus, candelabras holding white tapers and yellow bows. Family pews were marked with large yellow ribbon bows.

Escorted to the alter on the arm of her father, the bride wore a floor length gown of white organza. Rich cotton

lace lavished the demure neck line. The bodice was touched with seed pearls. The long sheer sleeves ended at the wrist in a graceful split. The full chapel train was embellished with lace. She carried a Princess bouquet of yellow carnations, miniature pom-pom mums, and baby's breath, with an average length cascade of lace and baby's breath.

As she approached the alter, the bride paused to present her mother a long-stemmed yellow rose; and in a processional of wedding bells, she gave another to the groom's mother as a token of her love.

Attending as bridesmaid was Debbie Torrez of Gorman, and matron of honor, Laverne Rhyne of Iraan, who wore gowns of floor length yellow crepe fashioned with long sleeves with an overlay of lace. Each attendant carried a long stemmed yellow rose.

Candlelighters were Kellye Stewart, Betty Rich, Manuel Torrez and George Fraley. Ushers were George Dickerson and Abram Torrez.

For her daughter's wedding Mrs. Hughes wore a formal gown of beige and melon colored polyester, beige accessories and a yellow cymbidium orchid. The groom's mother wore a floor length gown of green with white trimming, white accessories and a yellow cymbidium orchid.

Following the wedding trip to Fort Worth the couple will be at home in Gorman.

The bride is a senior in Gorman High School and the groom is a 1973 graduate of GHS and is employed by Gorman Milling Company.

A reception was held in Fellowship Hall of the church immediately following the wedding, hosted by the parents of the bride and Mrs. B. W. Stewart and Mrs. W. D. Warren. Members of the house party were Donna Fraley, Lola Rich, and Diane Warren of Plano.

The bride's table was covered with a yellow cloth with an overlay of white lace, and centered with an arrangement of yellow gladiolus, white daisies and miniature pom-pom mums and baby's breath in a gold pedestal crystal dish. The wedding cake, dominating one end of the table, featured a three-tiered confection with yellow roses. Yellow punch, nuts and mints were served from a crystal bowl with silver and crystal appointments.

Mrs. Iris Smith, grandmother of the bride, hosted the rehearsal dinner.

Out of town guests attending the wedding were Mr. and Mrs. George Langston, Mr. and Mrs. Lloyd Langston of Gilmer, Mr. and Mrs. Chuck Davis and boys of Nacogdoches, Mrs. Bessie Lester, Mrs. W. D. Lester and Susan, Shelia and Tracy of Midland.

## RAIN, RAIN, RAIN! SOAKS ENTIRE AREA

A "million dollar" rain blessed the Gorman area on Monday night. The City of Gorman recorded two and two-tenths inches, while Desdemona reported up to three inches, and the Ramona Stacy farm between Gorman and Carbon recorded better than three inches.

Farmers and ranchers, as well as all people of the area were thankful and pleased with this moisture, as it has been many months since the area has received this amount of moisture.

# SENATOR TOM CREIGHTON

A conscientious conservative who speaks and votes the voice of his district.

**I am opposed to any new taxes.**

I have worked to retain the "pay as you go" concept in State Government. If Texas is to avoid the problems of Eastern states and cities, we must continue to maintain a balanced budget without new taxes—that means only one thing—a tight rein on state spending of your tax dollars. As a member of the Legislative Budget Board, I will carefully watch the requests of state agencies for appropriations, and cut back spending wherever possible.

**I am opposed to more and bigger state government.**

I was a leading opponent of the proposed new Texas Constitution, which the voters of District 22 overwhelmingly rejected last November. The proposed Constitution would have given unchecked power to the legislature and to state agencies. This would undoubtedly have resulted in additional taxes. I will continue to fight proposed changes in state government that remove government from the people.

**I support the Texas Right to Work Law.**

I simply don't think that state government should force a person to join a union to have a job. To me, this is one of the basic rights of all workers, and I will continue to fight efforts by union leaders to repeal the Right to Work Law. As chairman of the Senate Economic Development Committee, I know that the Right to Work Law is one reason Texas has the nation's best business climate.

**I support the Texas Utilities Commission.**

The consumers in district 22 have been hit by staggering increases in the cost of energy. The new Utilities Commission will work to maintain rates at a reasonable level.

**FLAG DAY  
AT CARBON  
SET MAY 14**

The Carbon Bicentennial Committee met March 10 to discuss plans for coming celebration events.

The Flag Day celebration will take place May 14, 8 a. m. at the Carbon High School. Cleo Duncan will be in charge of the program.

A motion was made and approved to establish a Carbon Youth Fund. It is hoped this fund will grow large enough to make it possible for us to build a tennis court. Anyone wishing to make a contribution may do so by contacting Ray Ishmael or Darlene Wood. We will need a lot of support for this project, but it can be done!

A flea market will be held June 12 on the Birdsong lot downtown Carbon. There will be a booth set up in the large tin Birdsong building with proceeds going to the Carbon Youth Fund. Cleo Duncan and Quona Newman will be in charge of this event.

The next meeting is scheduled for March 24, 8 p. m. at the Carbon Baptist Church. Plan to attend and get in on the support this community needs.

## Senior Citizens

We played 84 one night last week. Still too sick and cantankerous to play more than one night. Big Foot is still too busy with his neighbors dogs and cats. Mama says they seem to be his first love. Kent seems to be mellowing some at last, instead of yelling at her partners so much. Mae really does appreciate it a lot too. My Boss got some more quilt material today. Oh! Poor me. No rest for the weary.

Fats found some Poke Salad and Murel is so happy now. They have pot licker for desert now. They even let the cats lick the bowls clean. No waste that way.

Cat Fuzz is gradually getting better, I am sure, as he can crawl louder now. Double Six is furnishing us in fresh teters and beans from that garden.

Our office has been very quiet each morning. Though going strong each evening. We have Bud on paid vacation at the hospital. Doc is so glad his neighbor is where he can check on him. Center Cut is feeling some better. Free meals in Houston and Abilene. I believe it has helped the growth of his hair.

Speck is so lovely with Bud

## "DEALING" With David

It has been said that "Pain is a teacher from which we can learn much." I believe this is true, if one will look at life from the proper perspective. None of our lives have been continually happy. Sometimes the rain must fall - for all of us. The question is, how do we handle such times?

The Christian gospel has much to say to us about our past. One thing is that life is a destiny, it is not a life of blind chance. The Bible tells us that "all things work for good to those who love the

Lord." We are not here by happenstance. It is a part of God's divine plan. We were born because Christ wanted us born (Col. 1:16).

Another thing the Bible tells us is to approach problems with an attitude of gratitude. Take Joseph's life as an example. Here he was sold by his brothers into slavery, later thrown in prison in Egypt, and yet he finally emerges in the powerful position of second command only to Pharaoh. Things really worked out for the good in Joseph's case. Why? Because he always looked to see what good could come in every circumstance.

This human existence of ours is not all sweetness and light. It's not supposed to be. But what we have is a God who can take actions that are born of nothing but evil - like in Joseph's case - and still work them around for good. My friends, I urge you - give your past to God - and be thankful for all you've experienced, both good and bad. We really do have a God "who can write straight with crook-

ed lines." David Currie

**Hearing Tests  
Are Important**

If you have a hearing problem of any kind you owe it to yourself to have an Electronic Hearing test made to find why and what can be done to help you before it is too late. The tests are free and will only take about 20 minutes of your time. We check your ears for packed wax, the tubes that let your ears breathe, then with the machine we check your hearing nerve, (bone reading), air conduction, (outside sounds) then measure how much sound the ear will take. We can pinpoint your problem and explain in plain English what can be done to help you. Then you make your own decision. We never try to high pressure you into buying anything. There are thousands of people today suffering from lack of hearingness, (ever notice that wear Hearing Aids) just because they waited too late to do something about it. ... don't let this happen to you.

Mr. Joe Treadway will hold his regular Hearing Aid Workshop at City Hall in Gorman on Monday, April 19th from 1 till 3 P. M. We invite you to come in for your free test!

We do repair service on most makes of Aids, and have a full service of cleaning, tubes, batteries for your Aid and can always save

Mr. Treadway you money. We are Licensed by the State of Texas to fit and Dispensing of Hearing Aids. We are always close by when you need us. We are in the Stephenville office, (Skipper Real Estate Bldg.) every Thursday, and in the Hamilton office every Friday to run special tests and assist you in every way.

**KOKOMO  
NEWS**

By MRS. GLENN JORDAN

There's good news this week. We received 2.1 inches of rain on Monday and Monday night here at our place, for a total of a little over 3 inches over the past week or so. We praise the Lord for it.

Visitors at the Kokomo Baptist Church on Sunday morning were Mrs. Grady Shook and Cordell Edward Stephens and Mart Tucker of Carbon, Mr. and Mrs. Joe Bond, Bryan and Shannon of Arlington, Kelly and Yancy Buchanan of Lawn, and Kristi and Karley Clearman of Tuscola. I hope that I have not overlooked

Club, and the State Director for the Eastland Jaycees.

If elected to this office, I will be your Sheriff, promising to do the utmost to uphold the laws of our land and the office of Sheriff to the very best of my ability. I will be fair and just with all that I come in contact with, in the performance of my duties, and will do my very best to operate the office of Sheriff with promptness and efficiency.

I sincerely hope that you, the citizens of Eastland County, will study the candidates and evaluate our qualifications for this office and vote your convictions in the upcoming election.

I, Ronnie (RB) White, want to be your Sheriff for the next term of office. Thank you for your time and considerations.

If for any reason I do not get by to see you in person, please, take this as a personal invitation for your vote and support.

anyone. We do welcome our visitors who worship with us. Mr. and Mrs. J. C. Clearman visited in Tuscola Friday with Mr. and Mrs. Jamie Clearman and family. Our sincere sympathy is home with them for a week-end visit. Kelly and Yancy Buchanan of Lawn also came to Kokomo with them for a weekend with their grandparents, Mr. and Mrs. Al Hendricks. **Golden Age Club  
Enjoys Tour of  
LBJ Country**

On Thursday, April 8, a group of 131 members and non-members of the Golden Age Club enjoyed a trip to The Texas Hill Country. This tour included a visit to LBJ Park where we had an old time "picnic on the ground". This park is located near the center of Johnson City, close to the boyhood home of Lyndon Johnson, which we visited. This gracious home was restored to resemble the era of early 1900's.

From Johnson City we departed to the LBJ Ranch. At the LBJ Memorial Museum we were shown films of the Hill Country from early days to the present.

After a pleasant tour of the LBJ Ranch, which included the birthplace, Texas Whitehouse, and the burial place of our 36th President, Lyndon B. Johnson, we continued on to Fredericksburg to the Sunday House for our evening meal. A delicious dinner of authentic German food was served in a warm family atmosphere.

The perfect weather, delicious food and companionship of good friends made this a pleasurable trip for everyone.

Our special thanks to all participating merchants who helped make this trip possible.
