

Shivers Says Teachers' Pay Hike 'Empty Gesture'

No Provision Made To Pay Cost Of Bill

By BO BYERS

AUSTIN (AP)—Gov. Shivers said today he considers Senate passage of a \$600 teachers pay raise bill an "empty gesture."

He said his view was based on the fact no provision was made on how to pay the extra 66 to 75 million dollar cost such a bill would run up the next two years.

Shivers told a news conference he thought the question of any further spending—including the teacher pay issue—should be put off until the suit over validity of the state's pipeline tax on natural gas is settled.

If the tax is finally upheld, thereby freeing an estimated 45 million dollars for two years, he then would consider calling a special session to allow action on worthy projects, Shivers said.

The governor reiterated the stand he took at the start of the session that teachers could be given some increase in pay, without new taxes.

He said that still could be accomplished by a shifting of various funds to free more money for salary purposes. School people generally have opposed his plan, saying it would require a greater contribution of funds to the local level.

Shivers made no prediction on when the Legislature might adjourn its work. Four weeks ago he had said he thought it could finally adjourn by May 12, the end of the constitutionally suggested 120-day session.

"The stage of the Legislature at this time is one of accomplishment," he said.

He said he was pleased with progress on the general program he suggested in his original message to the Legislature. He said worthwhile legislation on the problems of water conservation, election code revision, judicial reorganizing, and a state office building construction program stands a good chance of passage.

He indicated regret that "nothing much has been done" on the problem of job classification to equalize pay and provide incentive for state employees.

It was his first meeting with reporters since March 20, when he said the Legislature should hold all spending—except for roads—within anticipated revenue for the next biennium.

He recommended last month that no new taxes be enacted this session, except for a one-cent per gallon increase in the gasoline tax for roads.

He was hopeful the Legislature would be able to end its work by May 12, the end of the 120-day period suggested by the Constitution.

The Legislature has been sticking with Shivers' program thus far, but the big issue—the one that could knock the props from under his no-new-tax plea—has not been resolved.

That is the question of whether to grant teachers the \$600-a-year increase in pay scale minimums they are demanding. It would mean a new tax bill to bring in

some 33 million dollars a year to pay the higher salaries.

A bill giving that raise passed the Senate by resounding voice vote Tuesday, but ran into a snag in the House yesterday. Rules were invoked by administration leaders to prevent the \$600 pay bill from being shifted from the House Appropriations Committee to one considered more friendly by backers.

Rep. Lamar Zivley of Temple, who had hoped to make some progress with the bill, asked the House to suspend all rules in order to allow his motion to transfer the bill to another committee.

He needed a two-thirds majority but could muster only an 85-59 vote, 11 short.

Rep. Max Smith of San Marcos, appropriations chairman, denied his committee has tried to stall Zivley's bill.

"I think the committee has been unjustly accused of being unfriendly to this bill. I don't think that is so," he said vigorously as he opposed Zivley's efforts to re-refer the bill.

Four MIGs Shot Down; Red Front Positions Ripped

SEOUL (AP)—U. S. Sabre jet pilots shot down four Communist MIG jets and probably destroyed another today while Allied fighter-bombers struck Red positions on the Korean front.

Capt. Manuel Fernandez of Miami, one of the five double aces, bagged his 11th MIG. It brought him within one of equalling the score of Col. Royal Baker of McKinney, Tex., the world's leading jet ace.

Fernandez also is credited with one MIG probably destroyed and one damaged.

On the ground, the Chinese Reds hurled 1,000 men against five West Korean hills, overran part of one key height, then scurried back to their own lines in the face of savage Allied counterattacks.

Troops of the 7th Division defended four of the five outposts.

The Communist attacks late Thursday night and before dawn Friday were against the same hills north and west of Chorwon which 4,000 or more Chinese hit three weeks ago.

Two hundred Chinese swept down the slopes of Old Baldy, which the Reds wrested from U. N. forces three weeks ago, and broke through American barbed wire entanglements on West View, a main position adjoining Baldy.

Fighting here to hand with bayonet and hand grenades, the Americans ousted the Chinese and the Reds fell back to their lines on Old Baldy.

Thirty-one Chinese bodies were counted on West View and the ridge leading to it from Baldy, estimates of enemy casualties in other fights were not available.

Some 150 to 175 Reds hit Pork Chop Hill, a few hundred yards east of Baldy, and the attack carried some Reds into American trenches on the western slope. By 8:30 a. m., the Eighth Army briefing officer said, all the Reds had been thrown off the hill.

The other Red attacks—against Outpost Yoke and Outpost Arsenal in the T-Bone Hill complex and against South Horse Hill—were repulsed in shorter battles.

The Reds also charged furiously up a sixth outpost hill which was wholly unoccupied. Communist infantrymen swarmed up Upper Alligator Jaw, east of the T-Bone complex, with burp guns, and rifles behind a heavy artillery and mortar barrage. They shot it up for 30 minutes and finally pulled back to their own lines rather than occupying the deserted hill.

County Aides Talk About Road Project

Commissioners from Howard, Borden, and Ector counties met today at Odessa to discuss the area road project around Lake J. B. Thomas.

The meeting follows one held Thursday at Gall between Borden and Howard commissioners.

Pete Thomas, commissioner contacted before departure from Big Spring, stated that a "working" arrangement is being formulated between commissioners of all the counties.

Severy County and the Colorado River Municipal Water District are also participating in the road project. It was not known whether their representatives attended the Odessa meeting.

Ultimate aim of all the commissioners is to build a road which will partially circle the lake. A large recreational area is planned at the lake for West Texas.

Howard County commissioners have already pledged \$43,000 toward the construction of a road from the Snyder highway to the Borden County line. The Howard portion of the road will meet the other portion being constructed in Borden County.

The road will circle around the west side of the lake. Roads from Gall and Snyder are planned on the north side.

The Odessa conference was to end about 4 p. m. today. It started at 10 a. m.

Direct Hit Scored On U. S. Destroyer Off Korea; One Wounded

WASHINGTON (AP)—Enemy guns scored a direct hit on the destroyer Maddox off Korea yesterday, wounding a seaman critically and causing minor damage to the ship, the Navy said today.

The wounded man was seaman Frank Cataldo, Des Moines.

The Navy said today at least two North Korean batteries fired 154 rounds at the Maddox in Wonsan Harbor. A single shell hit the destroyer on the main deck but damage was "not serious," the Navy reported, and the ship was able to maintain a steady return of fire.

Road Back For Legless Red POW

A Communist prisoner of war who lost both legs fighting UN forces in Korea, uses crutches as he comes off a U. N. LST at Pusan on the first lap of a trip to Panmunjom and repatriation under a U. N.-Communist agreement to exchange sick and wounded prisoners of war. (AP Wirephoto via Radio from Tokyo).

General Thinks Ammo Wasted In Korea War

By DON WHITEHEAD

WASHINGTON (AP)—The ammunition controversy today found a general who fought in Korea directly disputing Gen. James A. Van Fleet's claim that ammunition shortages existed there for many months.

This development came as a Senate Armed Services Subcommittee appeared to be nearing an end to its investigation of the ammunition situation.

The senators called for testimony today from Maj. Gen. E. L. Ford, Army ordnance chief, before deciding the future of the inquiry.

The witness who contested Van Fleet's claims of shortages was his former comrade-in-arms, Lt. Gen. Williston B. Palmer, now the Army's chief of supplies.

Palmer commanded the U. S. 10th Corps during a large part of the time that Van Fleet led the U. S. Eighth Army. Van Fleet is now retired and the subcommittee has accepted his claims of shortages.

Palmer told senators yesterday that Van Fleet used "much too sweeping language and much too alarming language" in talking about a lack of ammunition. In fact, Palmer said, he believed ammunition was wasted in excessive firing.

As 10th Corps commander, Palmer had succeeded Lt. Gen. Edward M. Almond, who has testified in support of Van Fleet's claims.

Palmer produced a series of charts in which he testified supplies in certain types of ammunition had at times fallen below the 60-day safety level. But he insisted these shortages did not exist for any great length of time.

Other Pentagon officers have taken issue with Van Fleet, but Palmer was the first veteran of Korea fighting to speak out in opposition to Van Fleet's views.

Palmer conceded, as other witnesses have, that there were shortages in stockpiles behind the Korean front. But he said production now is supplying enough to meet the Korean needs and to start rebuilding the national stockpile.

Sen. Cooper (R-Ky) wanted to know whether a lack of ammunition at the front had had any effect on the safety of the fighting soldiers.

Palmer said: "In my opinion, there is nothing in the telegrams or cables (from Gen. Mark W. Clark, Far Eastern commander) indicating that an operation was lost, slowed down, postponed, or abandoned because of a lack of ammunition."

This caused Byrd to comment: "Does that mean we are no longer trying to win this war?"

Palmer said that question "is beyond my power to answer."

Byrd said: "If there would be a sudden war tomorrow then this country would be in a desperate (ammunition) situation?"

Palmer agreed, but he said ammunition production is now rolling after a slow start.

Truce Talks Resume In Korea On Sunday

WASHINGTON (AP)—Russia has notified the United States that North Korean authorities "are taking measures to release" seven American civilians seized nearly three years ago at the outbreak of hostilities.

The State Department said North Korean authorities also have sent word, through Russia that three other Americans, including a Catholic bishop, are dead and three others missing.

The Russian foreign office gave this information to Jacob Beam, American embassy minister, yesterday. Beam had asked Moscow two weeks ago to use its good offices in helping obtain the release

Tides Talkathon Is On In Senate

By JACK BELL

WASHINGTON (AP)—Sen. Taft faced the task today of breaking a well-organized Senate talkathon if Congress is to carry out President Eisenhower's campaign promise on oil-rich tidelands.

Taft, the Republican leader, ordered day-and-night Senate sessions next week to counter the first filibuster to beset the GOP Congress.

Despite Taft's pleas for action on a measure he described as illustrating a "vital difference" between Eisenhower and his Democratic opponent last year, jeretics talked on in the 11th day of debate on a bill to establish the states' title to submerged lands within their borders.

Eisenhower pledged action on the measure in last year's campaign. Adlai Stevenson, the Democrat, supported federal ownership.

Sen. Hill (D-Ala) planned to continue speaking in opposition for the third day. In 9 1/2 hours of talking previously he covered only 14 of 73 pages in a 45,000-word prepared text.

Sen. Sparkman (D-Ala), the 1952 Democratic vice presidential nominee, said he and other opponents were carrying on only an "educational campaign" in an effort to arouse enough public interest to

WINDY

Timely Fashion Tips For Pop

Young Mackie Frazier is only four years old, but he recognizes a good thing when he sees it. Here he searches through his father's assortment of neckties in an effort to locate something that would complement the new straw hat and sports shoes which he has just tried on for size. Pop, along with other men, needs a new straw hat and seasonal footwear to click in a fashionable way, Mackie indicates. Mackie is the son of Mr. and Mrs. James Bruce Frazier, 901 East 16th Street. Men of the Big Spring area will have an excellent opportunity to follow his advice Saturday, when Big Spring merchants observe Straw Hat and Sports Shoe Day. All local stores which retail men's furnishings will have huge stocks of new, stylish headgear and shoes on hand for the event. And those less fortunate than Mackie, who discover that their supply of neckties is depleted, will find plenty of them, too, right here in Big Spring.

Iran Chauffeur Of U. S. Attache Stabbed In Riot

TEHRAN, Iran (AP)—The U. S. Naval attache's Iranian chauffeur was stabbed today in a new outbreak of anti-American violence in Iran. The attack came less than a day after Premier Mossadegh promised security forces would prevent further incidents.

The driver, Mesrob Melikian, was knifed in the shoulder when a group of 20 forced him to stop his car, which bore U. S. Naval markings and carried diplomatic plates. The men, shouting anti-American slogans, also threw a brick through the auto window. Two uniformed soldiers, apparently off duty, tried unsuccessfully to halt the attack.

Melikian was driving to the home of the attache, Eric Pollard, to pick up Pollard's baggage when the incident occurred.

The Premier received U. S. Ambassador Loy Henderson and Point Four Director William W. Warne last night. He told them martial law has been declared in Shiraz and order restored.

The American authorities asked for protection and an investigation after 38 Americans, including women and children, took refuge from mobs in an Iranian official's house at Shiraz. Led by Reds, crowds had attacked the offices of the American technical assistance program Wednesday night and then tried to invade American homes yesterday.

U. S. officials reported no Americans were injured.

Retention Of Military Aid Sought By Dulles

By JACK BELL

WASHINGTON (AP)—Secretary of State Dulles follows up President Eisenhower's peace challenge to Russia with an appeal today for congressional assurance of continued military aid to Western Europe.

With Congress applauding Eisenhower's blueprint for eventual world disarmament, Dulles arranged to brief separately the House Foreign Affairs and Senate Foreign Relations Committees on the forthcoming session of the North Atlantic Treaty Council in Paris next week.

Although Europe was the subject up for discussion, there were signs Dulles might run into sharp questioning on the Korean War. It is his first congressional appearance since the resumption of truce speculation in Korea.

Dulles was represented as ready to tell the committees that progress has been made toward agreement on the European Defense Community Treaty and to remind them he needs assurances that aid will continue to prevent any collapse of the Western European army project.

At the same time, or in a Saturday speech, he may sound a note of caution that the danger from communism has not slackened despite recent Russian peace offers.

Several senators made this point in approving Eisenhower's call on the Soviets yesterday to demonstrate that they want peace by acceptance of his proposals for a series of moves designed to bring about disarmament.

The President listed among these (1) an "honorable armistice" followed by free elections in a united Korea, (2) an end of Communist aggression in Indochina and Malaya, (3) signing of an Austrian peace treaty, (4) unification of Germany and (5) "full independence" of satellite East European nations.

Democrats and Republicans alike applauded these objectives, although some expressed doubts that Russia would accept them and some differed about the consequences if the Russians turned them down.

Sen. Capehart (R-Ind) put a rugged complexion on the speech, saying: "This is a challenge to the Russians to make a peaceful settlement of the world's difficulties or, in the absence of that, it means war."

Sen. Mundt (R-SD) said the President's speech should convince the world that "the era of appeasement of communism is over insofar as America is concerned."

Sen. Welker (R-Idaho) rated Eisenhower's pronouncement "with Theodore Roosevelt's speech when he advocated speaking softly but carrying a big stick."

Oil Allowable Is Upped For Next Month

SAN ANGELO (AP)—The Texas Railroad Commission today set a jumpy oil production allowable of 2,894,299 barrels daily—an increase of 7,175 over the April allowable.

Officials of the Texas Company and Gulf Oil Corp. said at the hearing that they are reducing second-quarter imports of foreign oil.

John Edwards of Houston, manager of Texas Company's crude oil department, said his company is reducing imports to its east coast refineries about 10 per cent, or 5,000 barrels daily.

Edwards said the Texas Company also imports some oil into California but does not consider this competitive to Texas and other producing states east of the Rockies.

R. B. Huggen of Houston, vice president of Gulf, told the commission his company is reducing its imports during the second quarter by 5 per cent, or 6,200 barrels a day. He said Gulf is making further studies to determine whether it can make new reductions in the third and fourth quarters of this year.

The commission set state-wide production in May at 20 days. The East Texas field will get 18 days, Pantex field 16, Pickton nine, Hawkins 18, Spraberry none, and 14 fields connected to the Phillips-Goldsmith field 20.

Grunewald Is Again Before House Probe

By B. L. LIVINGSTONE
WASHINGTON (AP)—House tax fraud investigators today pressed their hunt for evidence to back up their contention that "bags of money" were sent to Wash- ington in a "bribery scheme" involving a former top tax official.

They recalled once more Henry W. Grunewald, mysterious Washington influence man who had friends at the Internal Revenue Bureau, and other witnesses who

refused yesterday to testify about the case.

The investigating House Ways and Means Subcommittee sought to hear more about the 1948 suspension of criminal tax fraud proceedings against a New York wholesale meat firm and Luis and Phillip Berman, partners in the now-defunct Gotham Meat Company.

Questioning by John E. Tobin, subcommittee counsel, left inference that \$50,000 was transmitted to Grunewald to "fix" the \$213,000 case, and that part of the money went to Daniel A. Bolich, a federal tax official.

Revenue bureau records show a decision was reached in August of 1948 to end the criminal aspects of the Gotham-Berman case. That was a month before Bolich, then special revenue intelligence agent in charge in New York, came to Washington as deputy revenue commissioner. He has since resigned and been indicted on charges of income tax evasion.

The Bermans yesterday refused, on grounds of possible self-incrimination, to say whether they transmitted \$50,000 to Grunewald, through the former New York law firm of Samuel Schopick and Irving Davis.

They also refused to say if they were ever told that part of the money "went to Mr. Bolich."

The committee also heard from Schopick; Davis; Max Halperin, New York lawyer; Leo Greenstein and Monroe Tobias, New York accountants; and Milton Hoffman, an accountant in Schopick's law office.

Like the Bermans, they all refused to answer questions about the Gotham case, pleading possible self-incrimination.

"You helped Mr. Halperin carry the \$50,000 in cash to Washington for delivery to Mr. Grunewald, did you not?" Tobin asked Hoffman at one point, and added: "It was two satchels of money."

Hoffman refused to answer. The committee also got refusals when witnesses were asked whether Grunewald, in Washington, telephoned Bolich about the case, using the name of "Capt. Henry."

The 60-year-old Grunewald, who credited \$74,000 of his income in 1944-46 to bets on the horses, balked again at telling the nature of business he undertook for a wide range of clients.

However, he acknowledged receiving a \$75,000 fee around 1939 for getting 100 fighter planes for the Chinese Nationalist government.

He said he arranged it through James H. Kindelberger, head of North American Aviation Company. A company spokesman said North American sold 100 training planes to the Chinese in 1938, but that the firm had no dealings with Grunewald.

Grunewald said he once made \$4,000 on a government egg deal for San Francisco hotel man Ben Seig. And he testified he did "investigative work" which netted him \$8,000 from the American Broadcasting Company, \$6,000 from former Sen. D. Worth Clark (D-Idaho), \$786 from Pan-American Airways, and either \$16,000 or \$2,250—be wasn't sure which—from the United Mine Workers for investigating a federal judge.

American Broadcasting said its records do not show that Grunewald ever did any work for it. But a spokesman added he might have done some private work for an ABC executive nine years ago.

Grunewald testified that now he is broke, and hasn't even filed income tax returns for 1951 and 1952.

Campaign Leaders

These are the individuals who will head up the First Methodist budget campaign next month. At left is Dr. W. A. Hunt, general chairman. Others, left to right, are associate chairmen, H. G. Keaton for mechanics; Mrs. G. T. Hall, women's activities; K. H. McGibbon, education; M. E. Ooley, solicitation.

Committee Appointments In Church Budget Drive Named

Committee appointments for the First Methodist budget campaign, projected for May, have been announced by R. W. Thompson, chairman of the board of stewards.

Dr. W. A. Hunt is to be general chairman. Associate chairmen, who will head up various divisions, are M. E. Ooley, solicitation; H. G. Keaton, mechanics; K. H. McGibbon, education; Mrs. G. T. Hall, women's activities.

Organization preparations are being pressed now and the actual campaign kick-off date is May 10. Set-up for the effort has been mapped by Roy Farrow of the Texas College School Movement.

Chairmen of subcommittees, which have several members each, are, by divisions: Solicitation—Bert Shive, listings; C. D. McDonald, ratings; John D. Robison, organization; Mrs. H. N. Robinson, attendance; C. Y. Clinkscapes, pledge distribution.

Mechanics—Omar Jones, score-board; H. H. Stephens, meeting arrangements; Arnold Marshall, program; Merle Stewart, audits; Jim Fryar, budget.

Education—Mrs. K. H. McGibbon, newspapers; Lucille Hester,

church bulletin; J. D. English, signs and posters; Darrell Webb, direct mail; Mrs. Walter White, brochure; Mrs. Cecil McDonald, speakers; Mrs. Arnold Marshall, church paper.

Women's Activities—Mrs. W. A. Hunt, food; Mrs. Lina Flewellen, telephone; Mrs. Albert Smith, volunteer office workers.

Civil War Vet, 107, Insists He's Due 3 More Birthdays

AUSTIN (AP)—Confederate veteran Thomas Riddle, 107, figures he's due three more birthdays.

He was a tired but happy little white-haired man with a shy, childish smile after his 107th birthday party yesterday.

He finally ate a piece of the

three-tiered birthday cake, but only after the some 70 guests who dropped in had left.

Riddle is one of six living veterans of the Civil War. He is one of two living in Texas but the only one residing at the Texas State Home for Confederate Men.

It's a big, sprawling home where the state now houses 913 aged and senile men in its care.

Most of the men set in the spring sunshine while Riddle's birthday guests walked by between 2 and 4 p.m. A few of his old cronies with whom he plays dominoes edged into the big room where Riddle lives.

Attendants said he had been counting the days until his birthday for months.

"I figure I'm due three more

Williams Quits Pipe Firm After Row With Board

HOUSTON (AP)—Disagreements with board members over conduct of the firm's affairs has resulted, in resignation of Claude Williams as president of Transcontinental Gas Pipe Line Corp.

Williams, a former acting secretary of state and former head of the Texas Employment Commission, has affirmed reports of his resignation.

He said board members and he were in disagreement as to how the company should conduct its affairs.

Williams was an organizer of the \$254 million dollar corporation. The company operates a natural gas pipe line extending from Mercedes to New York.

Williams, a former district attorney in Longview, said he would dispose of his 62,000 shares of Transcontinental stock.

birthdays," he said as he sat on the side of his bed. He started the party in a neat gray suit but soon shed his coat. On his suspenders were two red roses and he wore a gray tie on which was printed a Confederate flag.

Austin Hearing On Alice Judge Is Continuing

AUSTIN (AP)—Nobody was talking today on a State Bar Committee hearing on dismissal charges brought against South Texas Judge Woodrow Laughlin.

Laughlin appeared before the committee yesterday behind closed doors in an Austin Hotel parlor.

He is from Alice and Judge of the 79th District, torn by political warfare between the George Parr forces and the anti-Parr forces. Laughlin is a friend of Parr.

"We are holding a hearing—that's all I can say," J. G. Davis of Huntsville, chairman of the Bar committee said.

Davis would not say whether they were hearing charges against Laughlin and Judge E. D. Salinas of Laredo, or just Laughlin.

Laughlin said Salinas was not present, and he understood charges against him had been dropped.

J. T. Canales of Brownsville asked the Bar to recommend dismissal of the two judges. He based his charges on indictments concerning Laughlin's sale of his law library to Jim Wells County. Salinas was to try the case, but the charges were dismissed after Laughlin bought the books back.

A House committee has recommended a break-up of the 79th District, sending Jim Wells County to share a district court with Nueces and Brooks Counties and separating it from Duval County, home of George Parr.

Sen. William Shireman of Corpus Christi said he could not support that plan because that would make Laughlin a judge in Nueces County at least until his term expires Jan. 1, 1957.

Shireman wrote a resolution calling for an investigation of Laughlin as judge. The Senate Civil Jurisprudence Committee will hold a hearing on the resolution April 22.

Commissions To Be Offered By AF

Fifteen hundred commissions in 17 career fields in the Air Force Reserve will be awarded by the Air Force in the near future.

Appointments will range in grade from second lieutenant to colonel. This was announced today by M. C. E. Thomas Jr., commanding general, 14th Air Force, Robins Air Force Base, Georgia.

Specialties include intelligence, photography, cartography, weather, communications, armament, maintenance engineering, installations engineering, transportation, supply, production, procurement, comptroller, personnel, security investigation and law enforcement, legal chaplain, research and development, biological chemical warfare. In addition new vacancies have opened up for women in the AF.

Applicants should possess a baccalaureate degree in their specialty and must meet high moral and physical requirements. Military or civilian experience also will be considered in determining qualifications.

The greatest demand is in the field of weather, where 500 commissions will be offered. The legal field will offer over 225 commissions to young lawyers; and communications and electronics majors will be offered over 200 commissions.

Information about these commissions can be had by writing to Commanding General, 14th Air Force, Robins Air Force Base, Georgia, Attention: Director of Military Personnel Procurement.

THERE ARE GADGETS, TOO Insecticide Output Grows More Varied

By SAM DAWSON
NEW YORK (AP)—Harder-to-kill bugs are venturing forth about now to attempt damage that could run to around five billion dollars. They'll find the American farmer and householder armed this year with a wider choice of specialized killers—including some friendly bugs.

Insecticide output is up seven-fold in five years. Some 350 million pounds of it are available, including some new ones aimed at getting the flies and other pests who have become immune to some earlier types. The war-born DDT, when the 17-year locust comes forth this summer, for example, he'll be met by tetraethyl pyrophosphate for the first time.

There are gadgets, too: Hollow-

tooth combs to get at fleas and ticks on dogs; lamps that let off fumes that kill or repel insects; squeeze bottles that spray both insecticides and chlorophyll.

Farmers will have the benefit of around five million dollars worth of research on pesticides last year by private firms, exclusive of government agency spending.

Some specialized ones touted this year are:

A combined insect and disease protectant by du Pont both disinfects seed and kills insects in the soil bent on attacking the seed or plant.

Gardeners are offered a new insecticide by American Dyanamid Co. that specializes on doing in aphids, mites, scales, mealy-bugs, leaf hoppers and thrips.

Farmers storing wheat, corn and other grains are offered pyrethrin wheat protectant and pyrethrin grain protectant by U. S. Industrial Chemicals Co. It aims at keeping grain free of insect damage while in storage—a loss that often runs into millions of dollars in a year.

House flies may face a sulfoxide-pyretrethrin combination by S. B. Penick & Co. that is claimed to be 12 times as toxic as pyrethrins alone. Flies that have learned to laugh at DDT will run up against a mixture of lindane and chlorinated polyphenyl which the U. S. Bureau of Entomology says has twice the lethal power of lindane alone.

High time, too, as the housefly gets around — scientists have traced radioactive ones for 20 miles.

Housewives may polish their floors and kill insects at the same time. The Freewax Corp. of Tallahassee, Fla., has been selling the lindane and wax mixture to southern housewives for some time and this spring is branching out into other regions.

Friendly bugs are being encouraged. Beetles from Australia are imported to control the kiamath weed in Pacific Coast areas. Mexico has brought insect parasites from India to fight the citrus blackfly and prevent its invasion of the United States.

Maybe Lawn Mower Would Be The Best

PIAGERSTOWN, Md. (AP)—Florist Henry Bester brought a young cow in from the country to eat the grass around his greenhouse yesterday.

But it looked like there was more bull in the critter when she:

1. Snapped her halter and mowed into town;
2. Led three policemen on a chase that led to the city park and into the middle of a lake;
3. Flipped an uncautious cop and a pedestrian with her horns and charged a boy on a bike.

That was enough for the blue-coats. They killed the maverick with six bullets.

Bester is thinking of buying a lawn mower.

Deaths Of Four Children Bring Charges, Probe

SAN ANTONIO (AP)—Deaths of four children here have resulted in one murder charge, an open verdict in one of the deaths and requests for autopsies in two others.

Autopsies were ordered yesterday in the deaths of infants brought to Robert Green Hospital by their parents. Both were dead on arrival.

Mr. and Mrs. Peter Lopez brought their son, Lawrence, 8 months ago to the hospital at 2:43 p. m. An hour and a half later, Mr. and Mrs. Noe Perez brought in their son, Raul, 3 months.

Parents of both children were unable to explain how the children died.

Paul Langley, 25, was in jail pending a psychiatric examination following the Sunday death of his daughter, Karen, 3 months.

Police had thought the child smothered to death, but an autopsy showed it died of a skull fracture and hemorrhage. An open verdict was returned in the death. Murder charges have been filed in a fourth child's death against Mrs. Alreda Mendola, 35, accused of slaying Ramon, 18 months, an adopted son.

Father Trained Youth For Crime; Lad Admits Killings

NEWARK, N. J. (AP)—A hard-core, chain-smoking 15-year-old boy, who told police his father trained him for crime, has admitted a double slaying in a tavern holdup.

Union County Prosecutor Russell Moras said the youth, Michael Monahan, confessed last night to the fatal shooting of a bartender and a patron last month in a \$53 holdup in Elizabeth.

The slayings admission followed stories of how he committed about 150 robberies on orders of his ex-convict father, Eugene Monahan, 44, police said.

The boy told police he committed the robberies on his father's orders and that he was beaten if he did not comply.

The robberies netted thousands of dollars, the boy told police, adding that his father let him keep only \$2.

The father was described by police as an accomplished lawbreaker who has served 13 years in state prison on various charges. He constantly lectured the boy on the tricks of the trade—lock picking, jimmying windows and shutting off burglar alarms.

The father-son crime setup, police said, had the older man acting as lookout while the boy did the actual breaking and entering.

VAN MAKES JUNE WEEP

LAS VEGAS, Nev. (AP)—Van Johnson opened a night-club entertainer at \$13,500 a week last night—and made June Allyson weep.

Miss Allyson was one of a standing-room only crowd on hand for the start of Johnson's two-week stint as a singer and hooper at the Sands Hotel. Others included her husband, Dick Powell, the Edgar Bergens, Peter Lawford, Keenan Wynn and Eddie Cantor.

Miss Allyson's weeping was touched off by the show-business nostalgia of a specially-written number — "The Old Actor's Dream."

In this Johnson reminisced about Mae Murray and imitated Maurice Chevalier, Fred Astaire and Gene Kelly.

The Reds Can Keep It Up; No UN Units Are On Korean Hill

SEOUL (AP)—For 30 minutes Chinese Red infiltrators attacked the Western Front Hill with artillery fire.

Allied troops watching from other hills last night said it looked like a major assault.

The Reds had it all their own way, but that wasn't surprising—there weren't any Allied troops there.

U. S. Indians received more than 15 million dollars in bonuses, royalties and rentals from Indian lands leased for gas and oil development in 1952.

Ingrid's Hubby Enters Grueling Italian Car Race

ROME (AP)—With the grudging approval of wife Ingrid Bergman, movie director Roberto Rossellini made ready today to drive his car in Italy's toughest, dangerous 1,000-mile auto race.

The famed director, an avid racing fan with a long-time yen to drive in a race, said he had entered his 12-cylinder Ferrari car "just for fun."

Rossellini was not the only famous name down for the April 25-26 classic Mille Miglia (thousand miles). Prince Aly Khan, ex-husband of screen actress Rita Hayworth, also has a car entered but officials said he was not expected to compete personally.

Miss Bergman said she was "resigned" to her husband's participation.

Biddisons Make Home In Bentonville, Ark.

Mr. and Mrs. Charles D. Biddison are making their home in Bentonville, Ark. following their recent marriage in Parsons, Kan.

The bride is the former Lois N. Reed, daughter of Mr. and Mrs. Thomas J. Reed of Galesburg, Kan. Parents of the bridegroom are Mr. and Mrs. Dick Biddison of Big Spring.

The Rev. Q. D. Reed, uncle of the bride, officiated at the double ring ceremony at the Church of the Brethren. The couple repeated their vows before an altar banked with palms and flanked by seven-branch candelabra.

Suzie Neumann of Galesburg played the nuptial music and accompanied Mrs. C. J. Wortman Jr. of Chanute, Kan., vocalist.

Entering on the arm of her father, the bride wore a gown of traditional white satin styled with a yoke of pleated nylon. The long sleeves tapered to points over her wrists and the full skirt of the gown extended into a train. She wore a strand of pearls belonging to the bridegroom's grandmother and her fingertip veil of illusion was trimmed in velvet lace.

She carried a bouquet of white carnations centered with a purple orchid.

The bride's four sisters served as her attendants. Mrs. W. J. Rochee was matron of honor and Mrs. R. O. Clark and Mrs. M. G. Pellusch both of Big Spring and Mrs. R. W. Murray of Houston were bridesmaids.

W. J. Rochee served as best man and groomsmen were Dean Reed, R. O. Clark and T. Jason Reed. The latter two also served as ushers.

Jana Pellusch and Gail Murray were flower girls. The candles were lighted by Jacquelyn Clark and John Reed, a niece and nephew of the bride.

When the couple left on a wedding trip to Arkansas and Texas, the bride wore a dark green suit and an orchid corsage.

Mrs. Biddison is a graduate of Galesburg High School and attended Parsons Junior College. The bridegroom, a graduate of Big Spring High School, has recently returned from service with the Army in Germany.

Among the out-of-town guests for the wedding were Mr. and Mrs. M. G. Pellusch, Jana and Cynthia, Mr. and Mrs. Bob-Clark, Jacquelyn and Barbara, Mrs. Dick Biddison and Mrs. Minna Parrish all of Big Spring.

Filet Crochet

This pattern constitutes a small reference book on the art of Filet Crochet as it contains more than 50 step-by-step illustrations, 20 diagrams, directions for decreasing and increasing blocks and spaces at the beginning and ends of filets rows; easy to follow charts for insertion, edgings and matching corner pieces; charts and instructions for a perfectly beautiful Altar Lace, four Gospel Bookmarks to use as church or home markers in a Bible; a file alphabet for home letters.

Send 25 cents for the "HOW TO FILET CROCHET" (Pattern No. 573) YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS

Big Spring Herald
Box 229, Madison Square Station
New York 10, N. Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5 cents per pattern.

Sharon Starr Is Honored; Students Give Style Show

FORSAN (Sp) — Mrs. H. G. Starr entertained recently with a party honoring her daughter, Sharon, on her ninth birthday.

Tony and Gary Don Starr and Randle Fowler assisted with the basketball and baseball games. Refreshments were served to those mentioned and Jerry and Sharon Smith, Lonnie and Johnny Crumley, Delores Parker, Sandra Griffith, Verns Draper, Alice Long, Roger Park, Butch Everett.

Billie Blankinship, Glenda Whittember, Jamie Huchton, Danny Henry, Joyce Shoultz and Carolyn Everett.

Mrs. W. M. Roman, home economics teacher, presented the freshmen and sophomore students in a style show Tuesday.

The show, presented as a TV Show, had Peggy Knight as emcee and Sara Pike, Lela Fletcher and Lucie Jacobs as commentators.

Models were Mary Fletcher, Claudette Moore, Mary Lou McElrath, Doris Miller, Jerry Lynn Stephenson, Marquitta Willis, Shirley Kennedy, Barbara Dean and Bobbie Henderson, Mary Ann Fairchild, Yvonne Pike, Sue Jones, Nan Holliday, Betsy Wise, Madge Anderson, Doris Hahn and Ann Green.

Mrs. Vera Harris visited recently with Mr. and Mrs. James Craig and Jerry in Dollarhide.

Recent guests of Mr. and Mrs. H. H. Story and family have been Mr. and Mrs. R. G. Strom of San Angelo.

Students To Leave For Fort Worth

Members of the Shorthand Club and the second year El Rodeo staff of Big Spring High School will leave Friday for Fort Worth.

Saturday the group will tour the First National Bank in the morning and attend the Ice-Capades in the evening. They will stay at the Westbrook Hotel.

Attending will be Patricia Albert, Doris Jean Brown, Narrell Doree Choate, Mary Jo Cochran, Joyce Gouind, Barbara Hill, Monoh Holley, Rosemary Lawson, Mary Lou Leopard, Frances McClain, Margie McDougle, Jody Miller, Jean Morgan, Ella Mae Newton, Myra Talley, Marie Wallace, Joce Welch, Luan Larab, Shirley Wheat, Janice Boardman, Kay Richbourg and Frances Walker.

Mrs. Erma Stewart and Mrs. Betty Lou Ratliff will chaperone the students.

Garden City Seniors Are Feted At Banquet

Members of the graduating class of Garden City High School were honored at the annual junior-senior banquet Thursday evening.

The affair was held in the Settles ballroom, which had been gaily decorated with a profusion of balloons, vari-colored paper and other appointments.

Jan Burns presided for the host junior class and extended the welcome. Bob Frizzell, for the seniors, made the response.

Vital statistics on the seniors were presented by Lewis Newell, and Gary Mitchell and Roger Butcher each gave some anecdotes. Joe Pickle was banquet speaker and afterwards Mitzi Shirley played a piano interlude. Then she served as accompanist for Betty Dalan, Joyce Lair and Emma Stephens, who sang a medley of songs, ending with the Garden City Alma Mater. "Auld Lang Syne" was sung by the crowd and dancing climaxed the evening's activities.

There were more than 30 members of the classes attending, and other guests included their sponsors and Supt. and Mrs. J. Frank Jones.

Kouples Dance Klub Has Meeting Thursday

The Kouples Dance Klub met at the Country Club Thursday evening with Mr. and Mrs. Tom South and Mr. and Mrs. Charles Tompkins as hosts.

Guests were Mr. and Mrs. Dick Wisdom, Mr. and Mrs. Mallard Boyd, Mrs. Joe Bruce Cunningham, Dr. and Mrs. Dwight Jones, Mr. and Mrs. James Underwood, Mr. and Mrs. Brice Wintont. Seventeen couples attended.

P-TA Committees Named; Ladies Auxiliary Meets

FORSAN (Sp) — Joe T. Holliday was in charge of the P-TA program, "It's Good to Be an American," held recently at the school.

Plans were discussed for a game party to be held May 12 at 8 p.m. at the school. Admission will be \$1 for adults and 25 cents for children.

A feature film will show during the party. Mrs. L. B. McElrath will be in charge of refreshments. Proceeds will go toward lighting the tennis courts.

Mrs. Hamlin Elrod, incoming president, announced her committee chairmen for the coming year. Included will be Mrs. Joe T. Holliday, auditor; Mrs. F. P. Honeycutt, audio-visual aids; Mrs. Glen Whittember, budget; Patricia Edmonds, goals; Mrs. M. M. Fairchild, program; Mrs. D. M. Bardwell, publication; Mrs. W. H. Foreythe, publicity; Mrs. Glen Whittember, health; Mrs. L. B. McElrath, hospitality; Mrs. W. C. King, membership; Mrs. C. W. Brunton, projects; Mrs. Jesse Overton, spiritual life; Mrs. Holliday, summer round-up; Mrs. J. R. Asbury, recreation.

The second grade won the room count.

Mrs. M. M. Hines and Mrs. W.

B. Dunn were hostesses when the Ladies Auxiliary met at the Country Club recently.

Members voted to continue meeting twice monthly and Mrs. W. O. Averett was welcomed as a new member. Eight attended.

Mrs. G. F. Duncan has been visiting in Odessa with her daughter and her family, the Don Fagan. Mr. and Mrs. Joe Ratliff have been visiting in Midland.

Mrs. Alvin Long has received word that her brother, Johnny Neil, is a patient in an Army Hospital at Osaka, Japan. A former Forsan resident Neil is suffering from a broken hand.

Recent guests of Mr. and Mrs. James Eubanks have been his parents, Mr. and Mrs. J. C. Eubanks, of Lueders, Mr. and Mrs. J. L. Weaver, Jan and Linda of Stamford.

Mr. and Mrs. C. C. Wilson and Sue of Hobbs, N. M. were recently in Forsan.

Mrs. Bill Allen, a former resident, now of Kermit, is in a Big Spring hospital.

Mr. and Mrs. B. R. Wilson and Mr. and Mrs. John Kubacka were in Brady recently to attend funeral services for W. A. Dickinson, 62, a former resident.

THIS IS GOOD EATING

NUT CARAMELS

Ingredients: 1 cup sugar, 1 cup dark corn syrup, one 6-ounce can (2-3 cup) evaporated milk, 1/4 cup butter or margarine, dash of salt, 1/2 teaspoon vanilla, 1 cup chopped nuts.

Method: Place sugar, corn syrup, evaporated milk, butter and salt in 3-quart saucepan. Cook and stir over low heat until butter is melted; increase heat and allow mixture to boil; continue boiling, stirring constantly, until candy thermometer reads 242F., or until a spoonful of the candy dropped into a cup of cold water forms a firm ball. Remove from heat; let cool until candy stops bubbling and

str in vanilla and nutmeats. Don't worry if candy has a curdled appearance during cooking and when poured into pan; it will be smooth when it sets. Pour into a well buttered 8-inch square pan. When set, turn out on wooden board. With sharp knife cut into narrow strips; with scissors cut strips into bite-size pieces. Wrap each caramel in waxed paper. This makes a delicious candy to serve with the following:

- Broiled Ham and Cheese Sandwiches
- Peach Salad
- Beverage
- Cookies
- Nut Caramels

©1953 The Nut Butter Co. This or future use. It may occasionally be passed on a recipe file card.

Susie Brown Is WSCS Head; Band To Present Concert

COAHOMA (Sp) — Susie Brown was elected president of the Methodist WSCS at a recent meeting.

Other new officers are Mrs. Edd J. Carpenter, vice president; Mrs. J. W. Wood, secretary-treasurer; Mrs. A. K. Turner Sr., secretary of Christian social relations and local church activities; Mrs. Royce Womack, secretary of missionary education; Mrs. C. C. Williams, secretary of student work; Mrs. Leland Wallace, secretary of youth work; Mrs. Pete Thomas, secretary of children's work; Mrs. Melvin Tindol, secretary of spiritual life; Mrs. Edd Martin, secretary of supply work; Mrs. S. R. Hagler, letters and publications.

Mrs. Carpenter gave the last chapter of the study, "Better Understanding the Bible," during the program. Plans were made for a revival to be held April 19-20.

J. T. Verner, band director for the Coahoma Schools, will present his students in a concert Sunday at 2:30 p.m.

The varied program will include "Easy Steps March," Junior Band March, "Activity March," "Project March," "Medallion Overture," "Dreadnaught and Dauntless," "Aeolian Overture," "Golden Gate Overture March," "Ambition Overture" and "Legionnaires on Parade," "Brasses Triumphant."

The concert, with 35 students participating, will be held in the high school auditorium. The public will be invited and no admission will be charged.

The Viola Boswell Sunday School Class met recently in the home of Mrs. Mattie Duncan to make plans to entertain the Coahoma High School seniors.

Mrs. Melvin Tindol gave the devotional topic, "Trusting in God's Strength." Secret pal were revealed and new names were drawn.

Refreshments were served to 11.

The Coahoma Chapter of the Order of Eastern Star held a special program following the regular meeting recently.

Mrs. Edd J. Carpenter and Mrs. Melvin Tindol sang a duet and Mrs. Royce Womack sang a solo. Bama DeVaney and Eleanor Garrett were hostesses.

Coffees Open Crusade; P-TA Elects Mrs. Bryans

GARDEN CITY (Sp) — Coffees given by Mrs. Roy Carter and Mrs. C. H. Neely have opened the Cancer Crusade in Glasscock County. A film was shown in Mrs. Neely's home and Mrs. Lorin McDowell, county chairman, spoke.

Attending the coffees were the Rev. and Mrs. J. P. Boswell, the Rev. and Mrs. Hugh Magee, Mr. and Mrs. Cecil Hanson and daughter, Mrs. Edward Bryans, Mr. and Mrs. A. J. Cunningham, Mr. and Mrs. A. H. Self and Mrs. Vena Lawson.

Mrs. Edward Bryans was elected president of the Garden City P-TA at a meeting in the school auditorium.

Other officers elected were Mrs. Rube Ricker, vice president; Mrs. J. H. Coomer, secretary, and Mrs. Dick Mitchell, treasurer.

R. T. Newell was appointed to arrange a volleyball game between the faculties of Garden City and Sterling City. Proceeds will be used by the P-TA units of both schools.

The group voted to contribute \$10 to the National Congress building fund. The Rev. Hugh Magee, Baptist minister, gave the devotion, "Overcoming Fear." Mrs. Joy Wilkerson spoke on "The World on Our Hearststone."

Mrs. Rube Ricker directed a musical program. Mavis Montgomery and Mrs. Ricker gave piano duets. Mitzi Shirley accompanied Mrs. M. A. Barber who gave a violin solo. The Future Farmers of America band, Wilburn Bednar,

Mrs. Brooks Speaks

Mrs. Blanche Brooks spoke on "Effective Methods of Credit Sales Promotion" at the Big Spring Credit Club luncheon Thursday at the Settles. Sue Ratliff was introduced as a new member. Nineteen attended.

Scout Troop Meets

Girl Scout Troop 7 met Thursday afternoon at the home of Mrs. A. C. Brown, 307 W. 5th. Members discussed work on their home-making badges and day camp activities.

Wives To Be Guests

Wives of the First Church of God Men's Fellowship will be guests at a supper to be given by the Fellowship Saturday at 6:45 p.m. in the church basement.

Rush Party Planned

Epsilon Sigma Alpha, Alpha Chi chapter, will have a chicken barbecue Friday night at 7 p.m. in the home of Mrs. Billie Smith, 819 E. 12th. It will be the first rush activity of the season.

Mrs. McEwen Speaks On Immigration

Mrs. R. R. McEwen Jr. spoke on "Immigration Problems" at the 1948 Hyperion Club meeting Thursday in the home of Mrs. C. C. Jones, 603 W. 17th St.

Mrs. Jones introduced the speaker.

Mrs. Hayes Stripling, Federation counselor, reported on the Big Spring Concert Association 1953-54 season and distributed tickets for members to sell.

Mrs. Odis Grafa Sr. reported on activities at the Servicemen's Center.

Mrs. D. M. Penn is in charge of mailing a box of women's clothing to be sent to Austria next week. All members who have not yet contributed to the box are urged to do so.

Mrs. H. W. Smith reported on the district convention held in Odessa. Representing the club at the convention were Mrs. Grady Duling, Mrs. Zollie Boykin, Mrs. G. H. Wood, Mrs. Stripling and Mrs. Smith.

The group discussed the achievements of the Big Spring High School band. Sixteen attended.

Mrs. Gene Cauble Honored At Shower

Mrs. Gene Cauble was complimented at a surprise pink and blue shower Thursday night in the home of Mrs. Faye Wegg, 1315 Wood, by members of the B. 4th Baptist Althean Class.

Mrs. Leta Kirby was co-hostess. Mrs. Leticia Davis gave the devotion from John 16:33. Mrs. Kirby gave a prayer. Secret pal gifts were exchanged. Ten attended.

Ceremony Honors Five Girl Scouts

An investiture ceremony was held Wednesday at the Girl Scout Little House for five scouts.

Invited were Kay Coleman and Martha Faye Cobb of Troop 22 and Marcella Storms, Nellie Nichols and Jaynie Cooke from Troop 18.

The program included a pledge of allegiance led by Toni Thomas, a poem, "I Am An American," by Shirley Ransom; a song, "Girl Scouts Together," sung by the entire group; a friendship circle and "Taps."

Edith Freeman and Catherine Greenlees were color guards and Mrs. Carl Coleman was a special guest.

Local Girls Enroll For Summer Camp

Virginia Hatch, Julia Ann Rainwater and Nancy Pitman have enrolled for the summer session at the Carey Ranch Camp seven miles out from Cloudford, N. M.

The camp exclusively for teenage girls, stresses the western angle. It is located at an elevation of 9,000 feet in the aspen and fir section of the Sacramento Mountains and near the famous White Sands and Mesalero Apache Indian reservation. Dates are June 14-Aug. 9.

The fourth and ninth grades won the room count.

Mrs. Charlie Cox won guest high score at the Afternoon Bridge Club meeting Wednesday in the home of Mrs. W. C. Underwood. Mrs. Roy Carter won club high score. Mrs. Robert Lawson received the consolation prize.

Bingo prizes were won by Mrs. Clyde Reynolds, Mrs. I. L. Watkins and Mrs. K. Scudday. Arrangements of spring flowers were used in decorations.

One Convicted Of Burglary As Other Missing

STANTON — A 118th District Court jury found Noble S. Kirk guilty of burglary Thursday and sentenced him to two years in the penitentiary.

Kirk took a gum vending machine and a package of rolls from Dan McDonald's Grocery here in February.

Joe Andrew Gunn was charged with the same offense. However he did not show up for trial. Judge Charlie Sullivan said today that Gunn forfeited \$1,500 bond which he had posted pending trial.

Law enforcement officials are now searching for Gunn. In Kirk's trial, officers testified that Gunn had a gum vending machine under his coat when arrested with Kirk.

The two men were arrested about 1:30 in the morning, officers testified. They were near the store, which had been broken into. Tools were also located in their car which could be used for the break-in, officers testified.

McDonald took the stand and said the gum vending machine found on Gunn at arrest was the one which belonged in the store.

District Attorney Elton Gilliland prosecuted the case. Kirk, who pleaded not guilty before the trial, was defended by Attorney Magk Rodgers, who was appointed by the court.

Judge Sullivan stated that trials will be held in Glasscock County beginning Monday. A grand jury has been called to consider charges against J. A. Walker, Willie McNew, and Dwayne Myrick for alleged cattle theft.

Girl Is Reported As Missing Today

Bobbie Jean Russell, 17-year-old daughter of Mr. and Mrs. Choc Russell, was reported missing today.

Her mother, who operates the Air Castle Cafe, stated that Miss Russell was last seen around noon Thursday. The Russells live about three miles east of the city on Highway 80.

Sheriff Jess Slaughter and Juvenile Officer A. E. Long said they were searching for the girl.

P-T-A Makes Plans For Benefit Supper

Kate Morrison School P-T-A will have a benefit supper Sunday at Carlos' Cafe from 4-10 p.m. to raise money for a fence around the school grounds.

In charge of arrangements are Mrs. C. Puente, Mrs. Dora Mendoza and Mrs. Irene Marquez. Tickets are \$1.25 for adults and 50 cents for children and may be bought at the door.

Committee Action Would Take U. S. Out Of Housing Business

WASHINGTON (AP)—The House Appropriations Committee ordered a halt today to the government's low-rent housing program as it cut deeply into the 1954 budget requests of 23 federal agencies.

Its action, if sustained, also would start getting the government out of the mortgage and housing business by ordering it to dispose of home mortgages it now holds and to refund local housing bonds held by the Public Housing Administration.

By committee arithmetic 61 per cent or \$72,423,697 was lopped from original Truman budget estimates of \$1,172,444,190 but some Democrats described much of the cut as "phony." In the same category a large part of an additional \$1,945,472,000 the committee claimed would pour into the Treasury as a result of its recommendations. In some, but not all, cases the Truman budget was revised downward.

The actual money cut was the largest ever imposed by the committee in the so-called independent offices appropriation bill. It started the GOP economy drive off with a bang.

The bill's total in new money for use during the fiscal year starting next July 1 was \$451,029,483, a reduction of \$542,516,350 from what the same agencies received this year. In most cases it will mean deep personnel cuts.

Largest reductions from amounts requested by former President Truman in January for the Civil Service Commission and for stockpiling critical and strategic materials.

The committee denied the entire \$176,139,000 requested for the government's normal contribution to the Civil Service retirement and disability fund and all of the \$192,015,000 requested for payment of interest on what the government already owes the fund. It said operation of such a fund in government results in the accumulation of money that could be put to better use.

Democrats claimed the committee's denial in full of a request for \$188,000,000 to acquire strategic and critical materials is a "phony" saving, since the money probably will have to be put up later. The committee said the general services administration, which handles the stockpiling program, will have an unobligated balance of around 457 million dollars on June 30 and can finance its 1954 program from that fund.

The committee claimed an average saving of 795 million would result from its recommendation that no new public housing units be started in 1954.

Congress in 1949 authorized 135,000 housing units in each of six years starting July 1, 1949. On Feb. 28, some 78,182 units had been completed, 86,177 were under construction and 8,133 had been approved for construction.

The committee said "the housing program is not justified and is met in accord with the program for economy and a balanced budget." It added that the public housing administration is having difficulty completing the occupancy of some units already built.

A \$1,271,088,000 improvement in the Treasury's cash position was foreseen by the committee as a result of its recommendation that the Federal National Mortgage Association sell during the coming year to private investors one billion dollars of its mortgage holdings and that the Public Housing Administration refund with private money \$271,088,000 of local housing authority bonds it holds. Proceeds would go into the Treasury.

The committee also recommended that federal agencies not be allowed to buy new autos next year.

Rebekah Team To Leave For Pecos

Members of the degree team from Big Spring Rebekah Lodge 284 will leave Saturday by chartered bus for Pecos where they will attend the West Texas IOOF Association, District 2.

All members are urged to bring linens to the meeting Tuesday for Mrs. Jennie Kimbrough, a Rebekah member whose home in Ranger was destroyed by fire recently.

Auxiliary Makes Plans For Luncheon

A covered dish luncheon for members of the Grand International Auxiliary to the Brotherhood of Locomotive Engineers was planned at a meeting in the WOW Hall Thursday.

The luncheon will be held May 23 in the WOW Hall at noon. Mrs. J. H. Johnson presided at the meeting. Mrs. B. D. Ulrey will attend the state meeting at Wichita Falls, May 4-6. Eight members attended.

Capacity Down A Bit

WASHINGTON (AP)—The Census Bureau reported today the cotton spinning industry operated during March at 139.5 per cent of capacity on a two-shift, 30-hour week basis. This compared with 140.2 per cent during February and 123.3 per cent during March last year.

Negro Is Arrested On Assault Charges

Elbert Ford, local Negro, was arrested by sheriff's officials Thursday on charges of assault.

Ford allegedly was involved in a fracas in the Luther community. Complainant says that Ford pulled a gun on several Negroes there on Jan. 12.

Sheriff's officials investigated at the time the incident occurred. However, Ford has disappeared. He showed up in Big Spring again Thursday and was arrested.

He told officers that he had been to San Antonio and had just returned.

Gromyko To Moscow?

LONDON (AP)—Informed British sources said today Soviet ambassador Andrei Gromyko shortly will leave for Moscow, probably to be replaced by Jacob Malik, former Soviet delegate to the United Nations.

Completion Is Reported In Spraberry Area Of Dawson

A completion was reported today in the Spraberry area of Dawson County. It is the Seaboard No. 10 shaft, which pumped 59.9 barrels of 34.3 gravity oil in 15 hours. Also continued oil flow is reported on tests of Wood No. 1 Dixon and Sun No. 2 McCabe, Mitchell County ventures.

Borden

Green No. 1 Slaughter, C NW NW, 24-33-30-T&P survey, is down to 6,071 feet in lime and shale. Superior No. 9-580 Jones, C NE NE, 580-97-H&T survey, is cleaning out around 8,182 feet. Perforations are from 8,180 to 8,181 feet, and operator is now attempting to shut off water.

Dawson

Seaboard No. 10 Shaft, 1,373 from north and 440 from west of lines, 48-34-5n-T&P survey, pumped 15 hours after acidized with 9,000 gallons to make 59.9 barrels of 34.3 gravity oil. The gas-oil ratio was 100-1. Top of pay 3,464, total depth 3,905, and elevation 2,894 feet. The 5 1/2 inch oil string went to 3,512 feet. Vega and Universal No. 1 Fowler, C SW SW, 111-M-EL&R survey, is waiting on cement a plugged back depth of 5,000 feet. Operator will test the San Andres. Magnolia No. 1 Eiland, C NE NE, L&R 33, league 273, Glascock CSL, reached 2,070 feet in shale and redbeds.

Glasscock

Sinclair No. 1 Cox, C SE SE, 32-33-46-T&P survey, got down to 9,512 feet in lime and shale.

HOWARD

Cosden No. 1 Crawford, C SW SW, 47-32-1n-T&P survey, is reported drilling below 2,351 feet in anhydrite. Operator was fishing for about 10 hours yesterday, but the hole was cleaned and drilling resumed.

Martin

Brown and Wheeler No. 1 Morrison, C NE, NE, 28-36-1s-T&P survey, spudded Thursday, but no depth has been reported. Phillips No. 1-C Schar, 1,320 from south and 700 from west of lease lines, section 324, LaSalle CSL, hit 12,841 feet. Pan-American No. 6 Breedlove, 4,620 from south and 660 from east of lines, league 258, Briscoe CSL, drilled to 11,324 feet. Gulf No. 4-B Glass, C SW NW, 20-28-1n-T&P survey, is at 10,052 feet in shale. Operator cored from 9,990 to 10,040 feet for recovery of 50 feet of lime and shale with no shows.

Mitchell

Wood No. 1 Dixon, C SW SW, 2-12-H&T survey, made 55.25 barrels of oil in 24 hours through various type chokes from perforations in the Strawn sand at 6,234 to 6,254. Perforations were hydraulized with 4,000 gallons. The chokes ranged from 24-64 to 32-64 inches in size. Flow was on intermitter for 30 minutes during each four hour period, than 24 hours through 1/2 inch tubing choke, and finally 30 minutes during each four hour period. It made 47.8 barrels of oil. Flowing tubing pressure was 425 pounds. Operator is still testing.

Help Needed For Family Whose Home Burned On Thursday

Salvation Army officials are asking help for a Negro family whose home was burned here Thursday. Lt. Robert Hall, commander of the local Army post, said furniture is needed more than anything else. The family consists of ten, he said, and the man has regular employment. "It's just one of those times when a family loses everything and needs help to get back on top," he said. He reported that the family has been provided with clothing.

MARKETS

WALL STREET (AP) - The stock market was mixed today at the opening with a leaning to the downside. American Telephone and General Motors opened unchanged, U. S. Steel lost 1/4.

LIVESTOCK

and potential report is due early next week. Sun No. 2 McCabe, C NW SW, 224-1A-H&T survey, flowed 24 hours on test through a 12-64 inch choke to make 121 barrels of oil and no water. Tubing pressure is 375 pounds, and casing pressure is 500 pounds. The gas-oil ratio is 1,033-1. Operator is still testing. Sun No. 3 McCabe, C NW SE, 225-1A-H&T survey, got down to 530 feet in shale and anhydrite, where operator is waiting on cement for 9 1/2 inch casing.

Disturbance Cases Result In 2 Arrests

Window peeping, screen slashing and other forms of prowling and disturbance which have occurred in southeast and southwest Big Spring in the past few days may have been brought to a halt last night. Police arrested two persons—one accused of making improper advances and indecently exposing his body, the other charged with window peeping. The latter may also be charged with attempted burglary, officers said. The man arrested for indecent exposure pleaded guilty to two charges in Corporation Court this morning. He was given the maximum penalty in each case—\$100 for disturbance and \$25 for simple assault. He is a Big Spring resident. Judge William E. Greenlee also ordered examination of the man by a physician. Three women testified against the man. They said he improperly exposed his body and made other advances about 6 p.m. Thursday on Princeton and Tucson Streets. Testimony also was heard to the effect the man had previously created a similar disturbance on S. Monticello. The person being held for window peeping, believed to be from Chicago, Ill., was arrested about 11:30 p.m. Thursday at the alley in the 1700 block of Douglas. Police were called by a woman who saw the man peeping through the window of a neighbor's home. He fled down the alley when officers arrived, but was quickly apprehended by Patrolmen E. W. McCann and Perry Chandler. At least six houses in the 700 and 800 blocks of W. 17th and W. 18th apparently were visited by the prowler, officers said. Screens were cut on three or four windows and tracks were found near windows of the other houses, according to police. The man was ordered held while a thorough investigation is being made. Charges to be filed will depend on outcome of the check. City Attorney Walton Morrison said. Residents reporting prowlers in their neighborhood last night included Bill Cook, H. J. Asee, O. C. Lewis, Mrs. L. B. Baird, and Lewis Price, all residing in the 700 and 800 blocks of W. 18th and W. 17th.

Detector Test May Be Given In Robbery Probe

One of two Negro men being held for investigation in connection with a robbery here Mar. 30 may be taken to Austin today or Saturday for a lie detector test. Police Chief E. W. York reported today. One of the Negroes is being held in Big Spring. The other was in custody in Odessa, but was to be transferred to Big Spring today. The pair are being investigated in connection with the robbery of A. V. Hardin, Odessa, who was kidnapped at Third and Gregg, taken to the northside park, beaten and robbed. Hardin remained in Cowper Hospital here for nearly two weeks as a result of the beating. He had come to Big Spring to pay off a hospital bill. About \$35 in cash and a \$205 check was taken from the Odessa man. The check later was found and police say a bloody finger print on the instrument matches prints of one of the Negroes. Both Negroes are known to have left Big Spring shortly after the robbery occurred. Both were arrested in Odessa.

Phone Circuits Damaged Here

About 400 Big Spring telephones were knocked out of service Thursday afternoon when a utilities crew accidentally drilled a posthole through a 600-pair phone cable in the alley between Johnson and Runnels at Second. Phone workers expected to have all the damaged circuits back in service sometime this afternoon. All phones silenced are in the area west of Main Street and north of West Fourth. Telephone company officials said. Splicing crews worked all night and were still on the job today repairing the damage. The sheriff's phone in the Court-house, Crawford Hotel and other public agencies' telephones were given priority in the repair job and most were back in service by noon. The 600-pair cable, containing 1,200 separate wires, was knocked out about 3:15 p.m. Thursday as a hole was being dug for installation of an electric power pole.

Cool Front May Meet Warm Air To Bring On Rain

A feeble cold front hovered in the top of the Texas Panhandle Friday and another moved toward the state from Arizona and Colorado. The Weather Bureau said the first cold front will collapse without causing changes. It predicted that when the second pushes into Central and East Texas, probably Saturday, it will bump into warm air from the Gulf and shake loose light rains. Early morning temperatures Friday ranged from Brownsville's 74 to Dalhart's 40 degrees. Brisk winds that kicked up dust Thursday night still frisked around the state. No damage was reported. Abilene had 30-mile winds at 5:30 a. m. with gusts up to 45 m.p.h. No rain was reported but skies were cloudy over North Central and South Texas. It was clear elsewhere. Scattered showers were expected in all sections except West Texas Saturday. Random temperatures at 5:30 a. m. included Waco 58, San Antonio 65, Lubbock 49, Galveston 69, Amarillo 53 and Lubbock 53, Dallas 55, Fort Worth 59, Midland and Abilene 61, Laredo 73, and Big Spring 60.

By The Associated Press. The second snowstorm in a week left Western and Northern Texas heavily carpeted with white. Snow also hit the Rockies and spread east and south over the Western Plains. The main storm left eight inches of snow at Greenville and six inches at Rumbold. Snow spread across Central Illinois and into Central Indiana today. The Weather Bureau at Chicago warned of slippery highways from Quincy, Ill., eastward through Indianapolis and into Western Ohio. Snow fell Friday in Wyoming, Colorado, Montana, the Dakotas and Nebraska and headed for Midwest areas. The Weather Bureau in Kansas City issued a special warning for heavy snow in North-west Kansas and Western Nebraska, three to six inches. The Weather Bureau in Chicago said the fresh snow storm developed in the Northern and Central Rockies and moved into Northwest Nebraska. Snow was in prospect for Iowa, Minnesota and Wisconsin. Temperatures dropped to near zero in North Dakota early today. It was 8 above at Minot. Readings generally were below 20 degrees in the Far Northern Plains States and the northern sections of the Upper Mississippi Valley. It was a little cold in the Southeast today but temperatures were around seasonal levels in most other parts of the country. Light rain fell in the New England coastal region and in Northern Nevada, Washington and Oregon. Dust clouds whipped up by strong winds yesterday in the Eastern Dakotas and Western and Central Minnesota extended into Minnesota and Wisconsin today. Visibility was cut to less than three miles in places.

Another Snow Storm Due In Areas Of U.S.

Lions To Take Part In Meet

More than a score of Lions and their wives are expected to participate in a zone meeting in Terminal, between Midland and Odessa, Saturday evening. Talent for the impending district 2-T2 convention will be chosen at the meeting, and Sgt. John Engle will be the Big Spring entry. Big Spring also will be boosting the candidacy of Jack Y. Smith for district governor. The convention is in Odessa on April 24-25 and Schley Riley, campaign manager for Smith, is boasting for a large attendance from Big Spring. Capitalizing on Smith's long record of service to the district, the local club will campaign on the slogan, "It's Jack's Time." Names of members to be included in the group from whom the winner of the International Convention trip will be picked next week were announced by Larson Lloyd, secretary. Alfred Collins stressed participation by Lions in the clean-up campaign and stressed importance of having trash ready for hauling away by April 23. Bill Frnk, business manager for the Big Spring Lions, talked up attendance for the opening day. He said more than 2,000 of a goal of 3,500 tickets had been sold.

Hi-Y Groups Open Fund Raising Drive

Members of the Junior Tri-Hi-Y have organized into teams for club fund raising project. The girls met with their sponsors, Lynn Porter and Betty Gray, Thursday evening to set up organization for their campaign. They will sell vacuum packed peanuts with net proceeds to go to the club treasury for club activities. The Junior Hi-Y club met simultaneously, after both boys and girls had completed their sessions, they had a joint social hour in the Y gym with Joe Williamson and his orchestra furnishing entertainment. Tom Guin, Bill Sheppard and Burns Lane were supervisors.

Safety Meeting Is Slated At Midland

J. Thurman Green, Dallas, safety director for the Sun Oil Company, will be guest speaker at the monthly meeting of the Permian Basin Safety Society meeting on Monday. Sessions will be held in parlor C of the Schlarbaum Hotel. The time is 7:30 p.m. Green's subject is to be "Safety Engineering, a Growing Profession." All safety engineers and directors in the basin area are invited to participate. Mr. and Mrs. David H. Hurst and children, Ray Lynn, Jamie and Richard, of Manhattan, Kans., were due to arrive Friday for an extended visit with her parents, Mr. and Mrs. Jess Slaughter.

UNDERTAKER'S CAR POPULAR

NEW YORK (AP) - Three holdup men invaded a garage early today and, taking their pick of cars, drove off with an undertaker's station wagon containing a mortuary table and a stretcher. The garage attendant, Sidney Smith, 53, told police the stickup men didn't rob him or ask if there was any money in the place. Smith, bound hand and foot, soon worked himself free.

Burma Hits At Chiang's Guerrilla Role

UNITED NATIONS (AP) - Burma laid a mass of evidence before the U. N. today to back up charges that Nationalist China controls 12,000 guerrillas inside Burma and is supplying them with American arms. Burma's chief delegate, Myint Thein, made a 10,000-word speech before the 60-nation Political Committee and demanded that the government of Chiang Kai-Shek be condemned as aggressors. He hit hard at Nationalist China's claim that the guerrilla forces were independently directed by Gen. Li Mi and were "not under the control of the Taipei government. Myint then quoted statements from other Nationalist officials contradicting this. Turning to supplies and arms, he said it was obvious that the improvement in the type and amount of equipment could have been brought about only through the aid of the Nationalists.

Deep-Freeze Robber Gets 20-Year Term

FORT WORTH (AP) - Harry Fussell, 28, accused deep-freeze robber, has been sentenced to a 20-year prison term. Fussell was charged with the robbery near Crowley Oct. 2 of \$4,550 from the deep freeze of A. H. French. Mrs. French, after identifying Fussell as one of two pistol-brandishing robbers who entered her home, said she took the cash from the deep-freeze hiding place because she feared for her life.

Health Unit Official Attends Abilene Meet On New Milk Code

R. E. Brazee, Midland, dairy inspector for the Howard-Ector-Midland Health Unit, was in Abilene today for a clinic pertaining to the U. S. Public Health Service's new standard milk code. Public Health Service and State Health Department representatives were conducting the regional meeting to acquaint local health officials with provisions of the new code. Adoption of the standard code on state, county and municipal levels is expected—at some future date, according to Lige Fox, sanitarian for the Howard County-Big Spring unit of the State Health Department. At present, Big Spring, Howard County and state milk laws are patterned after the USPHS model code of 1939.

Youthful Driver Is Fined \$40 In Court

A 17-year-old driver, for whom three warrants had been issued, pleaded guilty and was fined a total of \$40 in city court this morning for speeding. He pleaded guilty to two charges of speeding and was fined \$20 on each count. A charge of driving without a license was dismissed when the youth displayed his license. Three warrants had been issued by arrest of the young driver after he failed to appear in court with the three tickets. About 90 other delinquent traffic tickets have resulted in the issuance. Police are cleaning up their file of "pending" traffic cases. Receivers of traffic tickets are liable for arrest if they fail to appear in court in five days.

Contract Let For Borden Co. Road

Contract has been let for 14.2 miles of road on Farm-to-Market Road No. 612 in Borden County. Stone Construction Company of Fort Worth submitted the low bid of \$153,485 for grade, drainage, base, structures and surfacing of the road from the Seury County line 14 miles southwest to intersect with U. S. Highway No. 180.

Hot Tar Burns Man On His Face, Head

Jasper Cline, Ackerly, suffered burns on his face and head Thursday afternoon when a quantity of hot tar splashed in his face. Cline, employe of A. F. Kasch and Sons, was working on a construction job at Vealmore. He was brought to Big Spring hospital where he remained overnight for observation.

Band Concert Seeks Funds For Okla. Trip

More than mere musical appreciation will be at stake in the annual Big Spring High School Band concert April 28. A projected trip to the Tri-State Music Festival in Enid, Okla., may hinge in the balance. The senior high band is depending heavily upon proceeds of its concert to finance the trip to Enid on May 7-8-9. Tickets for the concert will go on sale soon. The Big Spring Band, which last week end won sweepstakes awards at Andrews in regional competition, has been invited to supply six members of the Tri-State Festival Band, said J. W. King Jr., director. Nominees are Harris Wood and Margaret Martin, French horns; U. G. Powell, bassoon; Merlin Peterson, Jimmy King and Pat Rutledge, clarinets. In addition, solo entries will be Bill Bracey, baritone saxophone; Kenneth Briden, cornet; Frankie Marston, base clarinet; Wiley Brown, baritone; Margaret Martin and Harris Wood, French horns. Plans are also to enter a brass sextet, clarinet quartet, saxophone quartet and cornet trio. If the band can raise sufficient funds—upwards of a thousand dollars will be needed—the trip to Enid will be made in two chartered buses. There will be bands at Enid from Kansas, Oklahoma and Texas, and a few in from other states. The Big Spring Band will compete in concert playing, sight reading and marching. It also will take part in the festival's "million dollar" parade.

Accused Swindler Pleads Innocent

OKLAHOMA CITY (AP) - Accused bank swindler Ralph Acuff of Dallas pleaded innocent when arraigned yesterday on second degree forgery charges. The suave Texan, 37, was held under two \$5,000 bonds on separate counts charging he bilked two savings and loans associations of \$3,500 each here Wednesday.

Watch Said Stolen

Theft of a \$40 watch from her car was reported Thursday by Eva Mae George, Hitching Post Trailer Courts. She said the watch disappeared while the car was parked at an auto supply concern where it had been taken for installation of seat covers.

Will Be Released

WASHINGTON (AP) - The State Department says that Lawrence Zellers of Weatherford, Tex., Methodist missionary seized by the Communists early in the Korean conflict, will be released.

J. F. Cartwright Succumbs Here; Funeral Today

Joseph F. Cartwright, 82, father of Mrs. George O'Brien Sr., died in a hospital here at 7:30 a.m. Friday following a brief illness. Mr. Cartwright, a retired grocer, had been ill only two days. Rites were to be said at 3:30 p.m. Friday at Nalley Chapel with his pastor, the Rev. James Parks, minister of the Baptist Temple Church, officiating. Funeral will be held at 3 p.m. Saturday at the First Methodist Church in Smithfield. Interment will be in the Smithfield cemetery beside the grave of his wife, who died in 1935. Mr. Cartwright had lived in Smithfield, near Fort Worth, for approximately 50 years. Then he operated a grocery business in Fort Worth for a number of years before coming here in 1938 to make his home with Mrs. O'Brien. When George O'Brien operated a grocery on Eleventh Place, Mr. Cartwright assisted. Among the survivors are his daughter and a son, Claude Cartwright, Fort Worth; a brother, T. J. Cartwright, Fort Worth; five grandchildren, Joe O'Brien, Big Spring, Lt. George O'Brien Jr., who is in Korea, Ervin L. Cartwright, Bill Cartwright and Mrs. Ruth Cranford, Fort Worth. Pallbearers here were to be Wendell Parks, G. G. Morehead, Ted Phillips, Loy House, Yurrell Honey, Lonnie Coker, A. J. Kinard and Monroe Gafford.

Blowing Dust, Colder Weather Is Due Here

Colder weather but no relief from the high winds of the past few days is the prospect for Big Spring tonight and Saturday. The Weather Bureau station at Webb Field predicts a low of 40 degrees tonight, High Saturday will be about 68, compared to 87 expected for this afternoon. The wind will continue, with the normal amount of blowing dirt, observers said.

Works At Los Alamos

George E. Ragsdale, Big Spring, is listed among the new employes at Los Alamos Scientific Laboratory, a University of California branch, near Santa Fe, N. M. Ragsdale is assigned to the accounting department.

Knaua Critically Ill

Frank Knaua, long-time resident of Big Spring, was critically ill Friday morning, his physician reported at Cowper Hospital. Members of the family had been summoned to his bedside.

In Grave Condition

Condition of Nick Brenner, who operated a plumbing business here for approximately a score years, was grave today. He was taken to the Big Spring Hospital several days ago, but he has not responded to treatment.

Postmaster Is Dead

WEATHERFORD (AP) - Ray Oliver, 62, a Postoffice employe since 1906 and postmaster since 1948, died yesterday. Shoe size 4—see page 4. (Adv.)

Longhorns Host Lamesans In 3-AA Game Saturday

Roy Baird's scrappy Big Spring High School Steers, who have tasted victory and taken a great liking to it, meet the Lamesa Tornados in their first District 3-AA home baseball game here at 2 p. m. Saturday.

The Steers cleaned up on Midland last week end, 6-2, and then surprised a heavily-favored Odessa team last Tuesday, 6-5. Odessa had been favored to win the conference crown.

The Steers are now tied for second place in 3-AA standings, only one game out of first place. Abilene's Eagles, the top club, are first.

Every one counted the Steers out of the running for the league flag after they dropped a 16-0 decision to San Angelo in their opening game but Baird gathered his shattered forces, gave them the confidence they needed and they became an aggressive, alert ball club.

Indications are Charley Rose, who had the Midland Bulldogs eating out of the palm of his hand, will hurl for Big Spring. He boasts a fine curve ball. When his control is good, he's hard to beat.

Raymond Gilstrap has supplied the power on the Big Spring club to date. It was his home run which enabled the Steers to defeat Odessa. Others who have been powdering the ball include James Hollis, Tommy McAdams and Ronnie Wooten.

Lamesa is still a threat for the crown, despite the fact that it has lost two of three district starts. Carlos Berry will probably hurl for the visitors.

Native Dancer Makes Debut

NEW YORK (AP)—Native Dancer, America's most talked about horse since Man o' War, makes his three-year-old debut tomorrow in a race that should show whether Alfred Vanderbilt's grey colt is as great as his unbeaten two-year-old campaign indicated.

The race is Jamaica's \$30,000 added Botham Stakes—a mile and one-sixteenth test for three-year-olds. And the grey son of Polyesian enters the stake without the benefit of a warm-up race after winning nine straight during 1952 and piling up record earnings of \$230,495.

Right now, Native Dancer is the 7-to-10 choice for the Kentucky Derby at Churchill Downs on May 2.

Native Dancer's appointment after the Gotham is the mile and one-eighth of the \$100,000 added Wood Memorial at Jamaica April 25. Then he'll be off to Kentucky and the Derby.

Canadiens Champs Of Hockey World

MONTREAL (AP)—The Montreal Canadiens held the Stanley Cup today and their goalie, Gerry McNeil, was basking in the glory of one of the greatest comebacks since the competition was started in 1918.

The Canadiens, second to the Detroit Red Wings in the regular season play, whipped the Boston Bruins, 4-0, in a tense, sudden-death overtime struggle last night to take the cup, four games to one. It was the first time the Canadiens have won the cup since 1946.

National Grapple Tournament Opens

SAN ANTONIO (AP)—Fifteen wrestling matches this afternoon and 20 tonight were to open the first day of the fifth region National here.

The matches continue tomorrow with 16 afternoon bouts and 16 nighttime matches. Losers tomorrow afternoon will battle for third and fourth honors.

Although the meet is open to non-winners of all ages from New Mexico, Oklahoma, Arkansas, and Louisiana, as well as Texas, most of the wrestlers are from the Lone Star State.

Erich Pohl, AAU and Olympic representative, said yesterday the Region 5 winner is king of his weight since there are no National matches. Pohl will referee the one-fall bouts.

Hopkins Beaten In Golf Meet

HOUSTON (AP)—The third round of the Houston Country Club golf tournament unfolds today—without three early favorites.

Eliminated yesterday were Ed Hopkins, Abilene city champion; Tyrrell Garth Jr., a Beaumont finalist in 1951, and Raleigh Selby of Henderson, a quarter-finalist in last year's national amateur tournament.

Art Nelson, Houston, beat Hopkins, one up; Neil Smith, Ardmore, beat Garth, two up, and Happy Lenz, Houston, eliminated Selby, one up.

Bobby Riegel, Beaumont, brushed by Dick Colard, New Orleans, 2 and 1.

The co-medalist, Ben Gossett, Houston, won over Dick Goerlich, Beaumont, one up in 20 holes.

John Hare Jr., San Angelo, defeated B. E. Walzel, Houston, 6 and 5.

The undefeated and untied Georgia Tech football team set 15 school team records, 17 individual records and tied one during the 1952 season.

LOOKING 'EM OVER

With Tommy Hart

Publicity men at two area colleges are really beating the tubs for two football players they hope will land spots on the 1953 All-America teams.

At Lubbock, Bill Holmes of Texas Tech is sending out all available data on Bob Cavazos, a 190-pound right halfback.

Over at Hardin-Simmons, Publicist George Hine Jr. (who will double as statistician for the Longhorn and WT-NM Leagues this season), is expending much energy in advertising the play of D. C. Andrews, a Cowboy end from Sweetwater by way of the Longview Community.

When Marvin Matusak of Tulsa University and the University of Houston's J. D. Kimmel landed on the Associated Press' All-American team last fall, it gave the tub-beaters new hope that sectional athletes outside the Southwest Conference and Big Seven could, with the right promotion, get proper recognition.

You can expect to be reminded of Cavazos and Andrews one way or another from time to time. Holmes and Hine, who are All-Americans in their own league, will see to it. That's the way. All-American grids are made.

Vince Amor, who got his professional baseball start here, is getting a tryout with Memphis of the Southern Association this spring.

Kenny Jones, the former Midland catcher, now with Temple, is bothered with a sore arm. He hit Big State League pitching at a .306 clip last season, batting in the surprising total of 94 runs.

FRANK CALO MAY NOT STICK WITH TYLER

Frank Calo, the Roswell-Artesia backstop whose contract was purchased recently by Tyler of the Big State League, may not make the ripple there. Mike Dooley, down from Dallas, is due to be Tyler's regular catcher and a number of other veterans are contending for the relief post.

Ernest Shadid, Gainesville's business manager, welcomed the chance to have his club work with Big Spring. His Sooner State league team was hurting for players.

Shadid had expected several boys from Greenville of the Big State League but Greenville didn't respond. Earlier this week, Shadid could count only 11 noses in camp.

Papa Joe Cambria, who used to ship ball players by the boat loads to Big Spring, has moved his Havana club to Key West, Fla. He hasn't been able to make proper stadium arrangements in Cuba.

Some observers say the switch is only temporary, that he'll be back in Havana before long. His scouting arrangements may be going to pot, though. Many other major and minor league outfits compete with him for Cuban help.

The Longhorn League was one of the three minor circuits in the country in 1952 that didn't have a club with a working agreement. (The others: Arizona-Texas and Mountain States).

True, Big Spring got its players from Havana but the deal was with Cambria himself rather than Havana and, to boot, was oral. Odessa worked with Corpus Christi but that arrangement, too, was oral.

DICK METZ GRABS LEAD IN VIRGINIA TOURNEY

VIRGINIA BEACH, Va. (AP)—"Now I think that's a pretty good score for an old man like me."

Dick Metz had just toured the 6,065-yard Cavalier Yacht and Country Club course in 61 strokes, eight below par 69, and taken the first round lead in the \$12,500 Virginia Beach Open.

The 61 fired by Metz yesterday set a new competitive course record. The former mark was made by E. J. (Dutch) Harrison during the Cavalier Specialists' Tourney here in 1949.

Metz was never over par on a hole in yesterday's initial round. He picked up eight birdies, some of them on deadly putts of 12 and 15 feet. Metz, who calls Maple City, Kan., his home, labeled his record-breaking play "one of the best putting rounds I've ever shot."

Pat Garner And Baltimore Girl Collide Today

PHOENIX (AP)—Gallery interest was split in four directions today as eight young ladies from six states headed into the third round of match play in the Trans-Mississippi Golf Tournament.

Taking them as they appear on the pairing sheet, the program read:

Mary Lena Faulk, Thomasville, Ga. versus Arlene Brooks, Pasadena, Calif.

Mrs. Lyle Bowman, Richmond, Calif. versus Lesbia Lobb, San Antonio, Tex.

Edean Anderson, Helena, Mont. versus Mrs. Marjorie Lindsay McMullen, Milwaukee, Wis.

Mary Ann Downey, Baltimore, versus Pat Garner, Midland, Tex.

The tournament favorite remains the defending champion, Mrs. Bowman, who advanced yesterday with a two-and-one victory over Gloria Armstrong, Oakland, Calif.

Miss Lobo, 18, the Texas state champion, moved up at the expense of Gloria Fecht of Palm Springs, Calif., 5 and 4.

Miss Faulk sank a 15-foot putt for a birdie 4 to end a duel with the Trans-Mississippi medalist and California champion, Barbara Romack of Sacramento.

Miss Brooks, another 18-year-old, former National Junior champion, defeated Mrs. David Stamps, Richmond, 3 and 2.

Miss Anderson defeated Mrs. Harten Riedel, Dallas, 4 and 3, yesterday, and Mrs. McMullen, with an eagle 3 and four birdies, won from Mrs. Nancy Lupton, San Bernardino, 4 and 2. Marjorie won the Trans-Miss in 1950.

Miss Downey, the 1951 champion, overcame Mrs. Frank Donaldson, Anaheim, Calif., winning 2 up on the 18th hole.

Miss Garner, semi-finalist in the National Amateur last summer, shot the hottest golf thus far in ousting Shirley Ann White of Phoenix, 7 and 6. Princess Pat was four strokes under women's par 76 and one (correct) under men's par 71 for the Arizona Country Club when the match ended on the 12th hole. Her card showed six birdies.

Shoe size 4—see page 4. (Adv.)

Robinson Enters Abilene Meet

He's had no time to toss the saucer around this week, what with football practice going on, but Carlisle Robinson will go to Abilene tomorrow to compete in the annual Abilene track and field meet.

The big sophomore will be Big Spring High School's lone representative in the big meet, which will attract 32 teams from over a wide area. Robinson won third place in the district meet's discus throw last week end at Odessa.

HEADQUARTERS FOR LEVIS AND LEE'S

Losses Heavy But Indians May Field Better Club

A fierce rivalry will be renewed here tonight when the Big Spring Broncs host the Midland Indians, 1952 champions of the Longhorn League. Game time is 8 o'clock.

Big Spring will be seeking revenge for a 10-1 defeat inflicted on it by the Warriors Wednesday night.

By CHARLEY ESKEW
Midland Reporter-Telegram
MIDLAND — Baseball fans of the Midland Indians wonder if this is good arithmetic:
Take a third place club (from 1952) and subtract two 20-game winners (Israel Ten and Keith Nicolls), the most versatile player in the Longhorn League (Glen Selbo), a classy second baseman (Manny Temes) besides other valuable player losses, then come up with this answer—

A team for the 1953 Longhorn race as good or better than last year's.
That's just about how the Midland front office figures it.
Business Manager Horace Busby and the field director, Jay Haney, have agreed. "The ball club we've started spring training with is good for a fourth-place finish." Then they did some more calculating and added Catcher Art Bowland from Abilene's Blue Sox and Pitcher Freddie Rodriguez from Havana to the squad. Those two new numbers do something to the above equation, in case you got a different answer.

Haney figures Bowland just about the best in all West Texas after seeing the ex-Blue Sox backstop work for three years as a plus-200 hitter in the West Texas-New Mexico League. Also, he can help any questionable moundman of Midland's over the humps by his veteran's experience behind the plate.
As for Rodriguez, he was purchased as a "man who can win 20 in this league." He believes Busby and he has the word of Joe Cambria, the Washington Senator scout, who helped close the deal.

If Midland's 1953 ball club doesn't fill the bill—according to the above adding and subtracting—then it's all because of a number of "unknown quantities." First, take the four returning servicemen, can they get back in the groove after two years' absence? The quartet is definitely being depended on—Ralph Blair as a pitcher, Quentin Basco as a third baseman-utility player and Lou Dawson and Tex Stephenson as outfielders. Blair, who won 1 in 1950, has been the most effective pitcher in the Midland spring training, yielding around one hit every two innings, and seems certain to make the grade.

There still were questions aplenty about the others on the eve of the league opening. None of them, excepting Blair, saw much baseball playing while in the service two years.
Second worry for the Indians is Jim Prince; can he take up where he left off in 1951 and pace the team in batting again? He won the Silver Bat for leading all baseball batting in 1947 with a .429 mark and headed the Indians in 1951 before going out of the game via injury.
If he makes the grade—and his hitting is not the real concern, he'll do that—then Midland is set at first base. Rookie Milt Wallendorf, a strong-arm rookie, backs him up.
That makes Midland strong around catcher and first base (with Prince a good bet); then Julio de la Torre, who hit .300 and has a great arm, makes third base look strong. Move

EIGHT JAYHAWK TRACKSTERS WILL COMPETE IN GORMAN SATURDAY

Eight members of the HCJC track and field team will go to Gorman Saturday for an invitational meet for juco athletes, which is to be held in conjunction with a high school meet there.
Gorman is located about 20 miles south of Eastland.
Preliminaries in the meet are down for 9:30 a.m., with finals booked during the afternoon.
Boys who will represent the local school are Ben Hitt, Carl Preston, Robert Cobb, Weldon McElreath, Jack Gilbert, James Seay, James Edwards and Bobby Baker.
Marvin Baker, who is doubling as the school's baseball mentor in the absence of Harold Davis, will go to Gorman with the athletes.
Other junior colleges expected to field teams at Gorman include Cisco, Ranger, Tarleton and at least one other, which was not identified in correspondence received by Baker.

HERE WEDNESDAY Shorthorns Beaten By Odessa Bees

Odessa High School's B baseball team thrashed the Big Spring Shorthorns, 18-2, in an exhibition played here Wednesday afternoon. The game was limited to six innings.

Hubbers Defeated By Angelo, 5-4

SAN ANGELO — The Lubbock Hubbers, Saturday night opponent of the Big Spring Broncs in San Angelo, lost to the San Angelo Colts, 5-4, here Thursday night.
The Colts scored all their runs in the last three innings to nip the Hubbers.
The win was the second in 13 exhibition starts for Angelo.

Ponies In Win

COLLEGE STATION (AP) — The Southern Methodist golf team downed Texas A&M 4-2 here yesterday with Don and Floyd Addington, brothers, responsible for three of the wins.

then to the second base combination—
And there is Midland's pride: Shortstop Scooter Hughes (.324) is back, shooting for all-star honors once again while he teams with the rookie of 1950 from the Mississippi-Ohio Valley League, second baseman Roger Della Betta. Della Betta, though only 5-foot-6 like Hughes, looked like a bargain when he hit around .300 in spring and fielded with Class AA prowess.
As for pitching and the outfield, those could cause the Indians trouble. Midland can hold Eddie Jacome to his promise of a 20-victory season (which held true in three previous campaigns) but about Blair and Rodriguez much has to be proved. For a fourth starting pitcher role the Indians must count on question-mark Ben Quintana (7-3 at Odessa in 1952), new man Romarico Soto (from Havana) or Rookie Bud Sisk, any one of whom can be a possible cracker-jack starter.
Hard-hitting Hayden White in right field, Bill Brown (.305) in left along with Stephenson or Dawson in center promises a fair outer defensive unit that is pretty fast and an offense that can produce the hits in a near .300 fashion.
Looking the team over, it seems well-balanced on paper, where most arithmetic is carried on—but you may think figures lie. Midland perhaps lost too much for a first division finish? It's possible.

Heater Pitches Big Springers To 16-11 Win

Bill Heater, strong-armed Big Spring Broncs to a 16-11 exhibition win over the Abilene Blue Sox on a wind-swept field here Wednesday night.
Figures lie in this instance, because Heater pitched a fine game, all things considered. The steady gale, the accompanying sand and a few bobbles on the part of his team mates, who could be forgiven in view of the atrocious conditions, combined to kilt the Abilene run total.
If the Steeds failed to get passing grades afield, they were holy terrors with the stick. Three towering home runs sailed out of the lot, all of them authored by Bronc logsmiths.

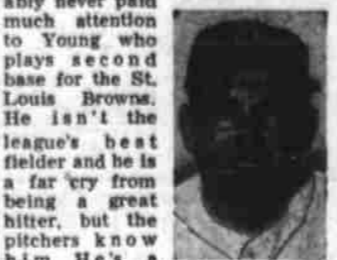

Al Costa greeted Larry Cummings with a four-master as the leadoff man in the 'Hello' frame. Mandy Diaz picked one with two mates aboard in the seventh. Jerald Fetrow followed suit (in the same round, also with two mates up-front).
Heater tired after he had disposed of one man in the ninth and big Francisco Perez came on in relief. The Cisco Kid put the brakes on after walking off the man.

Abilene led by a 6-2 count in the fourth, thanks to a four-run outburst in that inning.
Big Spring crowded five runs across the dish in the sixth to go to the fore, then iced down the decision with an eight-run burst the following stanza.
The win was Big Spring's fifth of the season, against three losses and a tie.

YOUNG SPOILER FOR BROWNIES

BY BEN PHLEGAR
Associated Press Sports Writer
It's about time the pitchers' union started boycotting Bobby Young.
Most average baseball fans probably never paid much attention to Young who plays second base for the St. Louis Browns. He isn't the league's best fielder and he is a far cry from being a great hitter, but the pitchers know him. He's a spoiler.

Young specializes in ruining no hit games, particularly real close no hit games where one hit can make all the difference in the outcome.

Yesterday Billy Pierce was baffling the Browns in the Chicago White Sox home opener at Comiskey Park. After six hitless innings Dick Kokos walked to start the St. Louis seventh steal. Up came Young, a .247 left-handed hitter facing a southpaw pitcher.
Nothing to worry about here thought the chilled gathering of 11,354 who sensed the tension that builds up during a no-hit effort.
Then Young spanked a solid double into right center field to break the spell. Without the thwarted steal it might have been a run.
As it was the White Sox scored without a hit in the bottom of the seventh and Pierce flushed up with a 1-0 one hitter. He had to be that good because his mates got only two singles off Harry Bre-

chen, the National League veteran who was making his American League debut.
The Chicago pitchers' battle was a sharp contrast to most of the other games played yesterday. Pittsburgh and Philadelphia combined for 24 runs in two innings as the Pirates edged the Phils, 14-12. The Boston Red Sox clobbered four Philadelphia pitchers for 19 runs in whipping the Athletics, 11-6. Cleveland outlasted the Detroit Tigers, 11-8. President Eisenhower tossed out the first ball at Washington and then watched the New York Yankees score four runs in the first inning to mark the occasion for the Senators, who finally lost, 6-3. Good pitching did prevail in a night battle between the other Chicago and St. Louis clubs as the Cards whipped the Cubs in St. Louis, 3-0.

Milt Bolling, a rookie shortstop, and third baseman George Keel, one of the few veterans in the Red Sox lineup, each collected a double and three singles in Boston's first game of the season after being snowed out twice at home. Ken Holcombe in relief of Mel Parnell was the winner with Harry Byrd, last season's rookie of the year, losing his first 1953 start.
Cleveland tried all spring to peddle centerfielder Larry Doby but the Indians were glad he was on hand at Detroit yesterday. He drove in five runs—two on a towering 400-foot home run and two more with a single that put the Indians ahead to stay in the sixth inning. Mike Garcia, a 22-game

Dreyer, Burton Clash Tonight

NEW YORK (AP)—Gerry Dreyer, an obscure welter a year ago, returns with the British welterweight boxing championship tonight to meet Phil Burton of St. Louis in a 10-rounder at St. Nicholas Arena.
The South African is a prohibitive favorite in the bout, scheduled for 9:00 p. m. (CST). It will receive the usual Friday night radio and television treatment.

Lamesa Acquires Spudder Hurler

LAMESA — John Miskulin, a southpaw hurler, has been purchased by the Lamesa Lobos of the Longhorn League from Wichita Falls of the Big State League.
Miskulin formerly was with Natchez of the Cotton State League, where he compiled a 21-9 win-loss record in 1952. His earned run average was 2.48.

winner for Cleveland last year, lasted only four innings with Bob Hooper picking up the victory in relief.
Washington, which like Boston was making its first appearance after rain and snow, collected nine hits off Johnny Sain but wasted a hatful of opportunities in losing to the Yankees. The President left after two innings because of other business. He didn't miss much.

Ex-Fighter Dies
Tom Sharkey, one of the great names in the fight ring in the 1890's, died in San Francisco this morning. He met John L. Sullivan, Jim Corbett, Bob Fitzsimmons, Jim Jeffries and others, earning \$250,000, but died broke.

Champion Ready For Big Test
DALLAS (U)—Jacky Blair and Texas lightweight champion Al Juergens of San Antonio today claimed they were in top physical shape for their title bout in Dallas Monday.

"I believe I'm in better condition than anytime in the last year," Blair, 32, said in Dallas. Juergens said a few more rounds of sparring today and tomorrow would round out his training, leaving him in top shape. Blair, state featherweight champion, is stepping up a notch in this bout.

Wright, Five Other Locals In Tourney
At least half a dozen Big Spring golfers are entered in the annual Lamesa Invitational Tournament, which formally begins today and continues through Sunday. Those entering from here included Luke Thompson, Bobby Bluhm, Bobby Wright, Doug Hill, Gil Barnett and Glenn Burgess. Prizes offered in the meet are valued at \$750. Wright lost in the finals last year to Buster Tuttle, Lamesa, 2 up.

Rice Licks Tech
HOUSTON (U)—Rice yesterday licked Lamar Tech, 8-4, to post its second victory in 11 baseball games this year.

Oklahoma City Scores Early To Defeat Fort Worth Cats

By WILBUR MARTIN
Associated Press Staff
Oklahoma City's Indians sometime work on the theory that "the firstest with the mostest" is as good as any old method. The theory worked last night. Oklahoma City got 12 runs in the first inning and made them stand for: (1) a 12-9 victory over Fort Worth, (2) its fourth straight victory and (3) a slender percentage lead at the top of the Texas League standings.

While the Indians used up all their energy on a one inning war path, Houston—tabbed the team to beat for the pennant—finally beat somebody—Beaumont, 4-0. It was the Buffs' first victory in seven attempts.

Tulsa nosed out Dallas again, 5-3, and San Antonio nudged Shreveport, 9-8, in other games. Seventeen batters got a whack at three Fort Worth pitchers in that wild first inning. Russ Burns, Omer Tolson and Troy Mitchell collected two hits each out of nine garnered this frame and Joe Frazier contributed a two-run triple. A home run by Vic Jorasco in the second, another in the third and then Fort Worth came up with its "big inning," a five-run affair in the sixth off three hits and two walks.

Houston used Floyd Woolridge's

LITTLE SPORT

THEY MEAN BUSINESS

Colonial Meet To Go On, Despite Clubhouse Fire

FORT WORTH (U)—The \$25,000 Colonial National Invitation Golf Tournament will go on as scheduled although it'll have to be conducted from tents due to a fire that virtually wrecked all the buildings.

The golf committee showed it meant business by sending invitations to six more golfers. Invitations went to Johnny Bulla, Walter Burkemo, Tony Holguin, Shelley Mayfield, Art Wall and Bo Winger for the tournament scheduled May 20-24.

Thirty-two golfers already have accepted places in the meet. The fire, which occurred early yesterday, caused damage of about \$250,000. It will not be rebuilt until after the tournament but there is a possibility that the locker room can be put to use for the players, and perhaps one or two other rooms for other purposes. S. M. Bligham, tournament chairman, said.

Many tournaments, he pointed out, are held with only tent facilities when played on municipal courses without clubhouses, so Colonial's fire-changed arrangements will be nothing new.

The six golfers invited today qualified for bids to the tournament on the basis of their performances on the winter tour. Burkemo, Holguin, Wall and Winger are newcomers to the tournament. Mayfield was here last year. Bulla

played in the first three Colonial tournaments—1946, 1947 and 1948. All six are in the top 25 money-winners of the year.

Golfers who already have accepted invitations are: Skip Alexander, Jerry Barber, Al Besselnik, Tommy Bolt, Jack Burke, Jimmy Clark, Jimmy Demaret, Dave Douglas, Jim Ferrier, Doug Ford, Marty Furgol, Ray Gafford, Fred Haas, Bob Hamilton, Chandler Harper, E. J. Harrison, Clayton Heafner, Ben Hogan, Ted Kroll, Lloyd Mangrum, Dick Mayer, Dick Metz, Cary Middlecoff, Bill Nary, Byron Nelson, Ed Oliver, Johnny Palmer, Skee Riegel, Jack Shields, Earl Stewart and Harry Todd.

This is the third time for the Colonial tournament to run into difficulties. In 1948 it had to be cancelled because of a Trinity River flood two weeks before the tournament was to start. Last year Bingham was seriously injured in an automobile accident and conducted much of the tournament business from a hospital.

Invitations went to Johnny Bulla, Walter Burkemo, Tony Holguin, Shelley Mayfield, Art Wall and Bo Winger for the tournament scheduled May 20-24.

STEERS SHOW TO ADVANTAGE

Carl Coleman, Big Spring High School football mentor, had this to say of his 1953 team while watching them check in for the second day of spring drills Thursday: "They showed me more fire and hustle in our first scrimmage Wednesday than they did on their last day of workouts last fall."

HSU Wins, 21-3

SAN ANTONIO (U)—Hardin-Simmons walloped Trinity, 21-3, yesterday in a non-conference baseball game, collecting 18 hits off two Tiger hurlers.

Mustangs Invade UT Park For Crucial SWC Series

By The Associated Press
Face-setter Southern Methodist invades the corral of the University of Texas Longhorns Friday and Saturday for a crucial Southwest Conference baseball series.

From what has happened in previous games this season, the team that could win both of the games in Austin could count itself a long way down the road toward the championship.

Texas with a .311 team mark in batting and pre-season favorite to win the championship finds itself third in the flag race behind SMU and Baylor after losing only one game, that of the Bears last week.

The Longhorns could climb into second place this week end by sweeping the series with SMU if Baylor were to lose to Texas Christian Saturday in Waco. A TCU win, however, would be at least a mild upset, the Froggies having beaten only winless Rice in five starts.

Rice will try to get in the win column Saturday at the expense of Texas A&M at College Station. The Aggies are in fourth place in the six-way chase with two wins against three losses.

The Texas-SMU games Friday and Saturday, the Rice-Aggie game and the TCU-Baylor contest complete the calendar for the week. TCU edged Rice, 3-2, and SMU whipped A&M, 4-3, in conference games Monday.

Aggies On Way

COLLEGE STATION (U)—A squad of 15 left here yesterday to represent Texas A&M in the Kansas Relays at Lawrence, Kan., tomorrow.

RETURNING A COURTESY — King Haakon of Norway salutes honor guard as he rides with host, Sweden's King Gustav, after arrival in Stockholm for official visit to Sweden.

DOING THE CANCAN — The customers really keep awake when these cancan dancers go through their paces at Tabarin night club in Paris' famous Montmartre district. Here the girls rehearse for club's reopening after three-months shutdown.

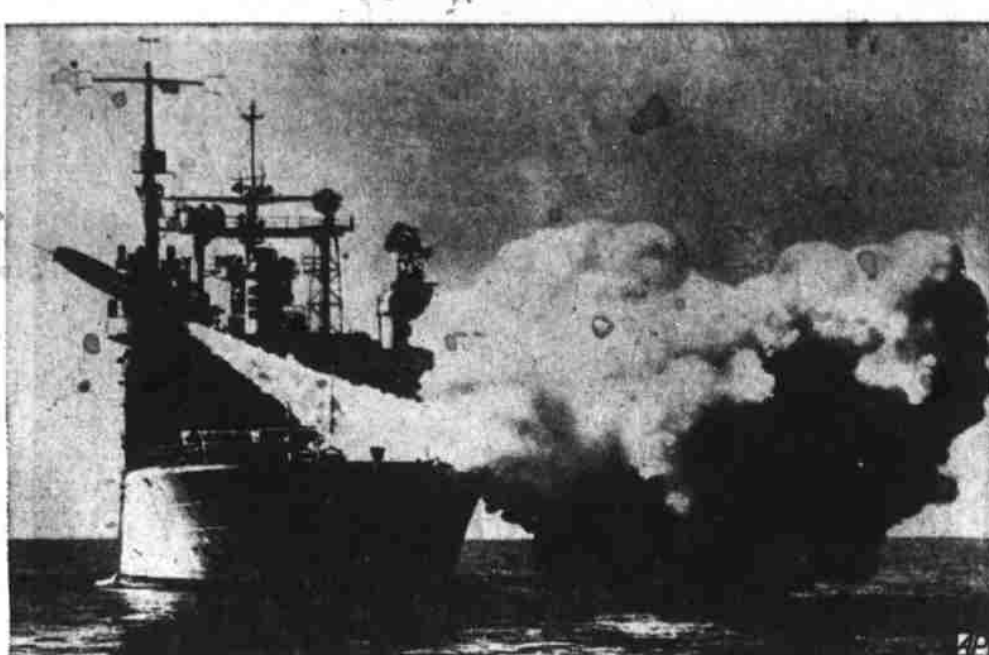

SPANISH FIRE FESTIVAL — Fireworks light sky at Valencia during annual fire festival. "Fallas" models, foreground, satirizing customs, habits and politics, burned later.

FIRST-HAND INFORMATION — Youngsters surround harpist Sylvia Meyer to find "where the music comes from" after concert for pre-school children in Washington, D. C.

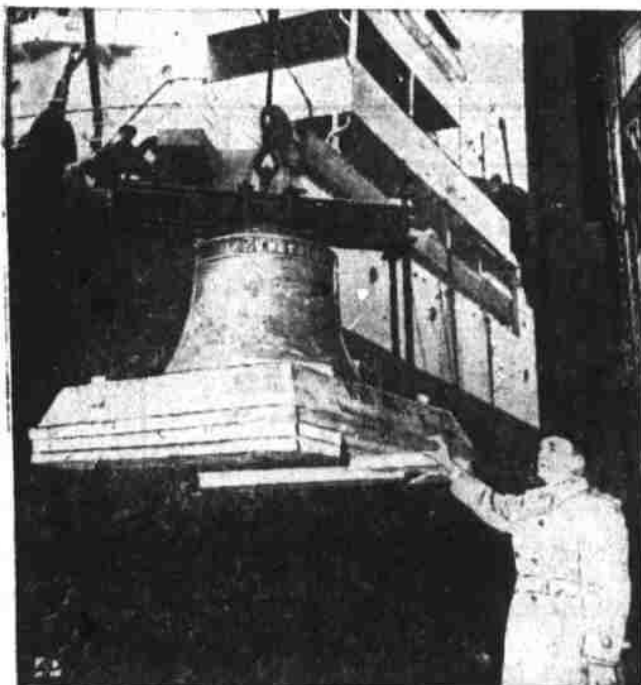

NOMINATED — Lt. Gov. Archer Nelsen of Minnesota has been nominated by President Eisenhower to succeed Claude Wickard as head of Rural Electrification Administration.

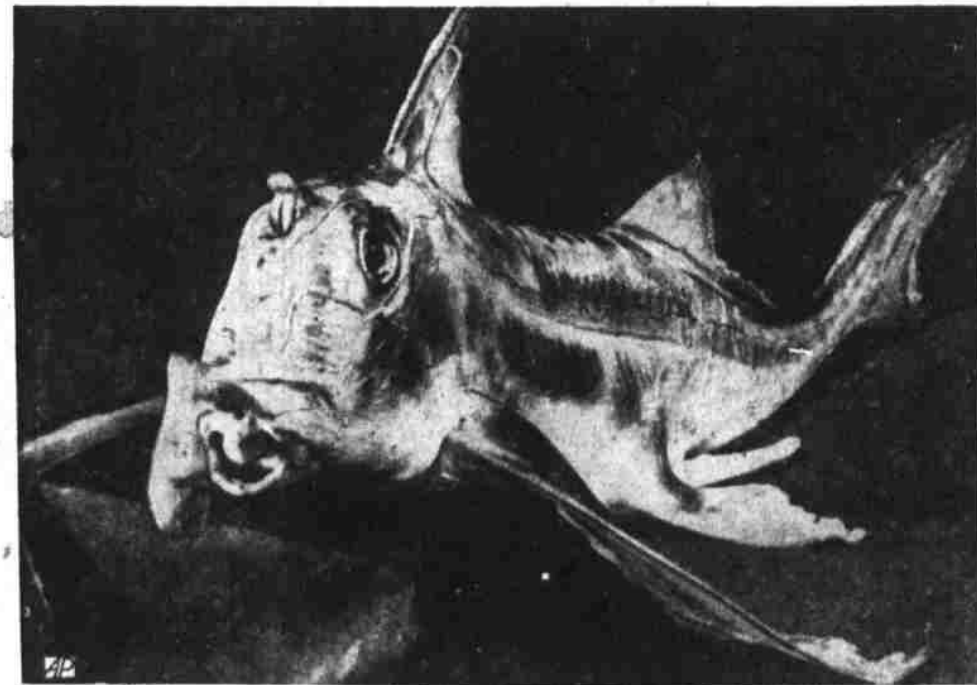

OFF IN CLOUD OF SMOKE — Navy's guided missile "Regulus" spouts smoke cloud on way skyward from seaplane tender USS Norton Sound in demonstration. A 30-foot craft resembling swept-wing jet fighters, Navy says it can be launched from several vessels including subs.

AWARD BY PLAY — British star Beatrice Lillie uses her "Tony" as monocle to view "Tony" held by Thomas Mitchell after they were honored by American Theatre Wing in New York.

GIFT TO LEPERS — Dr. Rolf von Scorebrand watches two-and-a-half ton bell, gift of Germany, unloaded in New York for transshipment to Ryukyu Islands Leprosy Relief Association.

RARE CATCH — This 31-pound, 16-inch elephant shark was caught off Middle Brighton, Melbourne, Australia. Distinctive features are trap-door lid between eyes, a projecting feeler in front of the mouth to find food, wing-like fins at sides and leg-like projections beneath.

SOCIALITE MODEL — Grace Coolidge, Boston socialite and a distant relative of late President Calvin Coolidge, models a white cotton organdie dress with printed sunflowers at London fashion show.

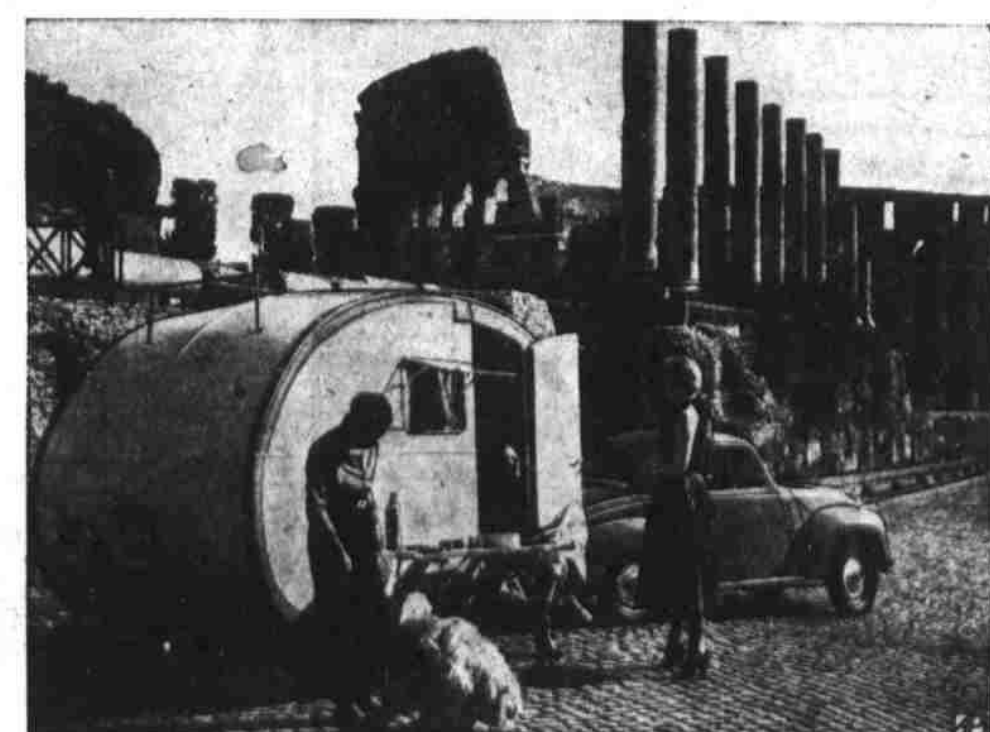

GETTING AROUND — Frank Koucky, 2, holds leash on his pet dachshund, Lucy, which half walks and half rolls along on cart improvised by master's father after Chicago car accident.

PARIS GREETSPRING — Gardeners arrange tulip bed in Carousel gardens section of the Tuilleries in French capital. In background is Arc de Triomphe of the Tuilleries.

TAKEN FOR RIDE — Italian movie star Gina Lollobrigida leads donkeys carrying Hollywood's Humphrey Bogart, left, and Peter Lorre on tour of Ravello, Italy, between film sessions.

LOW-COST TRAVEL — Aluminum vacation trailer shown near Rome's Colosseum can accommodate five, sleep three. Haulable by small car, it costs about \$500 without accessories.

Death Toll In Fire At 22 As 12 Missing

CHICAGO (AP)—The toll of known dead in a North Side factory explosion and fire rose to 22 today.

The body of the 20th victim was removed by firemen and bodies of two others were sighted in the water-filled basement last night but had not been recovered.

Firemen and wreckers worked throughout the night and early morning at the explosion-ripped structure, located in an industrial district two miles northwest of the Loop.

Minutes after the blast rocked the structure—and rattled windows in buildings several blocks away—fire spread quickly throughout the building.

Panic-stricken employees, some with clothing and hair on fire, rushed screaming towards doors and windows. Others jumped from third floor windows onto the roof of an adjoining one-story building. Some were injured. Many were burned in attempting to flee down a fire escape as sheets of flame shot out of second-story windows.

Winds of 28 to 30 miles fanned the flames and smoke billowed upward.

Five extra alarms brought more than 50 pieces of fire equipment and some 300 firemen to the scene. A dozen police squad cars and ambulances took the injured to hospitals.

The fire took the heaviest death toll in Chicago in nearly three years. On May 25, 1950, 32 persons perished in a streetcar - gasoline truck collision on the South Side.

Fire department officials estimated damage at \$175,000 but a company spokesman placed the damage as "more than \$500,000."

While firemen fought the big factory blaze, a fire broke out in an apartment house nursery home two miles away, killing two babies and injuring two other children and two women.

Police Capt. Robert Ryan said the death toll might reach "at least 30." A factory spokesman, however, said some of the missing may have escaped.

Thirty-seven persons were injured in the fire which struck the Haber Company, manufacturer of electrical appliances and parts. About 90 persons, both men and women, were reported by officials

Factory Fire Sends Up Smoke

Smoke billows from the Haber Screw Machine Co. factory on the North Side in Chicago which was one of two fires in Chicago April 16 which resulted in nearly a score of deaths. A deputy coroner said he counted 12 bodies on the second floor of this five-story building. (AP Wirephoto).

President Said Feeling Better

AUGUSTA (AP)—President Eisenhower was reported feeling better today after an attack of food poisoning. He kept to his bed at his vacation headquarters.

James Hagerty, press secretary, said the President no longer has a fever.

Eisenhower was stricken yesterday with what Hagerty then described as "a slight case of food poisoning."

The attack developed before Eisenhower flew to Washington for a major foreign policy speech and then on to Salisbury, N. C., for an informal talk.

Hagerty said the President was up at 7:30 a.m. (EST), today, had "a small, light breakfast," then went back to bed.

"He still has some abdominal pain," Hagerty added. "He will remain in bed throughout the day and will not play golf."

Edén 'Satisfactory'

LONDON (AP)—Foreign Secretary Anthony Eden, 55, who had an operation for gallstones last week end, has developed tonsillitis with some fever, the Foreign Office said today. His condition is "satisfactory."

Class Has Wiener Roast At City Park

Members of the TEL Class of the Baptist Temple entertained their husbands and members of the Fellowship Class with a wiener roast at the City Park Thursday.

New class officers presided during the meeting. They are Mrs. Frances Pate, president; Mrs. Billie Rigby, personal ministrant; Mrs. Alma Simpson, secretary; Mrs. Louise Root, membership; Mrs. JoAnn Gammon, fellowship; Mrs. Delma Marchant, reporter.

Guests at the meeting included

the Rev. James S. Parks, pastor; Mr. and Mrs. Jack Miller, Mr. and Mrs. Ernest Miller and Pam of Fort Worth.

Secret Pal gifts were exchanged and 42 attended. The next meeting will be held in the home of Mrs. Pate.

McCarthy Reveals New Pact With Ship Owners

By G. MILTON KELLY
WASHINGTON (AP)—Sen. McCarthy (R-Wis.) announced today that operators have pledged to keep 53 more Greek-owned ships out of trade with Communists in the orient and behind the Iron Curtain.

In a prepared statement, McCarthy said the pledge is similar to an earlier one, covering 242 Greek ships, which stirred up a controversy.

Like the first, McCarthy said, the new agreement calls for the owners and agents to "abstain from engaging these ships in trade with Red China, the Soviet controlled ports of the Far East, or Soviet intra-bloc trade anywhere in the world."

The agreements leave all 295 ships free, however, to carry cargoes from the Western Allies to Communist ports in Europe.

When he announced the first agreement March 28, McCarthy said it was "negotiated" by his investigations subcommittee staff. In the subsequent dispute, Mutual Security Director Harold E. Stassen accused McCarthy of hampering efforts to curb East-West trade. Secretary of State Dulles said such agreements were in the national interest, McCarthy said he had not meant the agreement was "negotiated" and promised to keep Dulles informed of such actions in the future.

This time, McCarthy said, Dulles was told of the pledge before it was announced. On March 28, McCarthy said he had acted without consulting Dulles or other government officials because he wanted no interference with his plans.

McCarthy named these firms and individuals as controlling the 53

vessels involved in his announcement today:

Extramir Panama, S. A., Compania de Vapore, Sram, S. A., and Compania Centauro de Vapore, S. A., of Panama.

Aristotle S. Onassis of London; Maria S. Embiricos of Montevideo, Uruguay; Nautilus Shipping Corp. of New York City; Shipping Finance Management Corp., Ltd., of London; Falaise Shipping Company of London, and E. Hadjilias of Athens, Greece.

"The individuals and firms who control the chartering of 31 of the vessels covered in the latest agreement are members of the Greek ship owners London committee," the statement said, without listing them.

McCarthy has blamed Stassen's criticism of his moves in the first agreement which covered a New York group, for announced reluctance of Greek ship owners in London to sign the pledge.

He told a news conference Tuesday he hoped Dulles would speak out anew in an effort to reassure the London Greeks that the U. S. favors such agreements. McCarthy has asked Stassen for a similar public expression.

McCarthy said in his statement that the agreements covering all 295 ships are "voluntary pledges" and no agreements of any kind have been made with this subcommittee.

"The subcommittee's investigation into the over-all problem of East-West trade is continuing," he said.

The announcement said 11 of the 53 ships covered in the new agreement fly the Honduran flag, 17 the Panamanian, 10 the Greek, 10 the Liberian, and five the British.

Committee Is Appointed At Scout Meet

A committee to make recommendations for the revision of the constitution and by-laws was appointed at the meeting of the Council of the Big Spring Girl Scout Association Thursday evening.

The meeting was held at the Girl Scout Little House. Larson Lloyd appointed to the committee Anna Smith, chairman; Arsh Phillips, Lawrence Robinson and Mrs. Leon Kinney.

It was announced that the Association has been assessed \$1,053 for the permanent campsite building fund.

There is already \$18,000 in the building fund, members were told. It is hoped that this will be enough to build the building and equip it with furnishings. The dining hall at the campsite, located near Sweetwater, will be 40 x 100 feet and will include space for eating, showers and a walk-in refrigerator as well as a kitchen.

The dedicatory ceremonies will be held at the campsite July 12. Eleven attended the meeting.

WASHINGTON (AP)—John Hannah, assistant secretary of defense, said today substantial cuts can be made in military spending "without sacrificing any defense strength."

Making it clear he spoke for Secretary Wilson and deputy secretary Roger Kyes, Hannah said those "premier" production authorities have "definite ideas for reducing expenditures and making intelligent savings."

In remarks to the American Society of Newspaper Editors (ASNE), Hannah outlined as basic factors in the defense planning of the new administration:

1. Military programs will be constantly re-examined, as the world situation changes.
2. Business procedures will be applied to obtain better integration of the many parts which make up the defense machine.
3. There will be some modification of the former policy which called for the expansion of the nation's industrial arms base, beyond present needs for Korea, and with the idea that it could be put into full production in the event of World War III.

Hannah Believes Military Costs Can Be Slashed

The Rev. Lloyd Mayhew of Slaton will conduct a revival at the Coahoma Methodist Church April 19-22.

Services will be held twice daily at 10 a.m. and 7 p.m. Denver Hayes will be in charge of the song services and Mrs. Royce Womack will be pianist. The Rev. Royce Womack is pastor of the church.

Revival To Be Held At Coahoma Church

FORT WORTH (AP)—Roy Berg of Washington, nationally known for his work with young persons, will give the commencement address at TCU May 31.

To Give Talk At TCU

Members of the TEL Class of the Baptist Temple entertained their husbands and members of the Fellowship Class with a wiener roast at the City Park Thursday.

Uncle Sam made the bonds you own an even better bargain!

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid your interest as current income—
Invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 80 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

President Launches Own Peace Offensive In Talk

AUGUSTA, Ga. (AP)—President Eisenhower's challenge to Russia on world peace and armament reduction is only the opening round in an all-out "peace offensive."

A White House official, who asked not to be named, told reporters today the administration already has launched "the greatest drive it possibly can" to bring pressure on the Soviet Union to subscribe to an effective plan for world peace.

The President yesterday called on Russia to back its talk of peace with action by (1) agreeing to an immediate armistice in Korea, (2) ending the cold war, (3) cutting world armaments, and (4) putting the savings into a global fund to fight "the brute forces of poverty and need."

The other choices to Soviet acceptance, the President said, are atomic war at the worst or—at the best—a continuing cloud of threatening war—"humanity hanging from a cross of iron."

Talking to newsmen after Eisenhower returned to his Augusta vacation headquarters, a White House official summed up the President's address this way:

"We laid it on the line. We asked some questions—what, for example, is the Soviet Union ready to do? We are now awaiting the answers."

The Eisenhower speech was described as a carefully planned "peace offensive" which a White House official said was discussed in advance with GOP congressional leaders and with such free world leaders as Winston Churchill.

Murph Thorp knows paint. (Adv.)

governments as Great Britain and France.

He said also that the text of the President's speech has been distributed to all American embassies, legations and consulates, and to the foreign offices of all the free world governments.

"The State Department's Voice of America radio also is beaming the speech behind the Iron Curtain," the official said, adding that it is being given "the most nearly complete treatment this government can give it to bring it to the attention of the greatest number of people."

The official said the speech was not transmitted formally to the Kremlin, but he understood that Tass, the official Soviet news agency, had picked up the text at the White House for relay to the Kremlin.

He indicated that Secretary of State Dulles might strike the same theme when he addresses the ASNE Saturday night.

The peace offensive Eisenhower launched on behalf of the United States had been planned weeks in advance, and is designed to take the initiative in that field from the Communists.

Eisenhower came down yesterday with what his press secretary, James C. Hagerty, described as "a slight case of food poisoning" and a slight fever.

He went to bed as soon as he returned to Augusta last night, after a 12-hour trip which took him to Washington for his speech and a brief stay at the baseball game between the Washington Senators and the New York Yankees, then on to Salisbury, N. C., for an informal talk at the 200th anniversary of Rowan County.

Famed Violinist Slugged After Israel Concert

JERUSALEM (AP)—An unidentified assailant slugged violinist Jascha Heifetz with an iron bar early today, injuring his right hand. It appeared he might have to cancel the remainder of his recital series here.

Heifetz was struck shortly after he played a sonata by German composer Richard Strauss. Strauss' music is unwelcome in Israel, because of the Nazi ban on works by Jews.

Rumor has it his hands are insured for \$300,000.

The attack was made as Heifetz stepped forth—a taxi in front of the King David Hotel, after receiving an ovation from the capacity audience attending his concert. The violinist said his assailant said a few words to him, apparently in Hebrew, which he did not understand.

Police searched the area but were unable to find the attacker.

Heifetz had played the sonata twice before during his Israeli tour, but after the second playing the audience sat in stony silence.

In answer to complaints of Strauss' alleged Nazi associations, he had declared that only artistic considerations should be valid in drawing up concert programs.

Dropped Light Bulb Ignites Fumes, Kills Man Working On Car

BEND, Ore. (AP)—A dropped light bulb killed Melvin H. Brown, 38, yesterday. The bulb, which was on an extension cord, exploded when it hit the pavement where Brown was draining gasoline from his car. Gas fumes were ignited, and Brown was burned fatally.

Circus Gets Competition From A 'Fan'

NEW YORK (AP)—The aerialists of the circus received unexpected competition last night from a customer at Madison Square Garden.

Celso R. Lorenzo, 33, arose from his front-row second balcony seat in the midst of the show of the Ringling Brothers and Barnum & Bailey Circus.

He stepped across the guard-rail, seized an overhead wire in the rigging for trapezes and other equipment, and swung out hand over hand for nearly 40 feet.

Once clear of the first balcony and the main level seats, Lorenzo clung to the wire with one hand and waved to the audience with the other.

Then he fell 50 feet to the arena floor.

A stretcher was used to carry him to the Garden's first aid room, but Lorenzo after an examination walked smilingly in an ambulance. Doctors said he had suffered only possible rib fractures. He was taken to the psychiatric ward at Bellevue Hospital. Police said he evidently had been drinking.

'Tree Army' Which Built Scenic Park, Came Into Being In 1933

Twenty years ago today, one of the first pet projects of Franklin Delano Roosevelt came into being. It was his "tree army," the Civilian Conservation Corps, a unit designed to absorb young men who could not find private employment and yet who wanted to be usefully occupied. Although they had civilian status and were called "enrollees," the young men actually were subject to a military regimen.

A year after creation of the CCC, Big Spring began pressing for establishment of a camp at Scenic Mountain Park. The green light came in the summer of 1934 as a cooperative venture between the National Park Service and the State Park Board.

Army men came in to supervise construction of barracks, mess hall and infirmary on the brow of the first marked rise on the entrance road. Across the road, the technical service set up shop to house offices, tools, and rolling equipment.

As young men began to arrive here from the surrounding area, they were put to work initially in completing the camp. Under Thompson R. Richardson and later V. J. Eckelkamp, plans for development of the park were developed.

The main objective was to utilize manpower, so few labor saving devices were employed. With blasting powder, chisels, tongs and cross-cut saws, the enrollees quarried and dressed big stone blocks. With Richardson, who, sometime drifted almost into flights of fancy about possibilities of the park, the rustic touch was a fetish.

The massive retaining wall on the descending road was his idea. "We're going to make it like the Romans did," he said. "Just big

blocks of stone, no mortar to deteriorate. Lay the stone so it will stay there forever."

That's a long time, but in nearly a score years, there are no signs yet that the late and effusive Mr. Richardson's aim of permanency is in immediate threat. As the enrollees quarried the rock, big cross-cut saws, such as

Bird Smugglers Do Big Business

SAN DIEGO, Calif. (AP)—A U. S. attorney expressed belief today that bird smugglers are doing a bigger business in this country than narcotics smugglers. Morris Sankary of the federal legal staff here said that virtually all of the birds of quality in the parrot and parakeet family are smuggled into this country through Mexico.

He announced the arrest of three persons he said were members of an international smuggling ring. "In a million dollar operation handling 70,000 birds annually," he said, "the three—Mrs. Olive Spicuzza, 36, and Chester W. Vosburg, 30, of San Diego, and Fred W. Steiner, 50, of Los Angeles—were released on \$5,000 bail each at their appearance before the U. S. commissioner on charges of conspiracy to smuggle tropical birds.

The birds can't come into the United States legally—except as non-for-sale pets and then only one pair for each owner. The commercial ban is due to the danger to humans of psittacosis—the parrot fever which can be fatal at a high rate to humans.

used in ripping up back logs for the fireplace, were used to cut the stone into blocks. Stone chips and dust were used for grout. When it came to designing the buildings, Richardson was a stickler for the hand finish. He had the beams for the open air pavilion hewn out with an axe and braced with iron hand-wrought in the shops.

He said Eckelkamp (an avid hunter whose landscapes may be found around here in various homes yet) designed the concession house so that a water storage tank would be concealed in it. Moreover, they had a circular stone stairway leading to it.

One project started but never entirely finished was the stone entrance, another of those mortarless jobs. Recently, one side of it was demolished to make way for a road swinging around the foot of Scenic Mountain—a dream at the time the CCC project was in progress. Another Richardson dream, halted when the project folded, was that of a swimming pool. He had dreamed of having a bowl out of the limestone cap on the mountain.

Figures are not available now on the actual number of enrollees on an average, but there were less than 100. They came and, when they did their jobs, they went. Roy Bruce was at the camp for about 60 days. Diddle Young, who later taught school for years at Water Valley, was another. The younger men had a softball team, a basketball team and most of them gravitated into community and church life.

By the autumn of 1937 word came that the project was to be abandoned. Citizens protested that the work wasn't complete and the investment would be jeopardized (the City of Big Spring had put \$8,000 into furnishing more land to the State Parks Board). Eckelkamp was left here with a side camp to complete the authorized project. By February 1937 the CCC camp closed down.

Roadbed, with a stone bridge and retaining walls, for a five-mile drive had been established. A pavilion; concession house with two rooms, kitchen and veranda; caretakers cottage with three rooms and kitchen; stone latrines; six picnic units; and other improvements had been made. As nearly as could be ascertained, \$302,641 had been expended by the government on the project. The city bid in the barracks and later moved them to its park extension area on the brow of a hill southeast of the city park proper. Later they housed a National Youth Administration project temporarily. Radio hams and others, including church youth groups have made use of them, and they also have served as living quarters. At the scenic location, only the remnants of foundations and a sunken septic tank bear testimony of the location of the CCC camp. What the young men did in improvements, however, still stands as a testimonial to their industry and craftsmanship.

To Be In Atomic Test

C. L. O'Brien, son of Mr. and Mrs. W. E. O'Brien, West 15th Street, is among the 2,000 Marines who will participate in the latest series of atomic tests at the Atomic Energy Commission proving grounds at Camp Desert Rock, Nevada. He will witness an atomic explosion and join in a mock ground-air assault near the center of the impact area. O'Brien is a member of a Marine battalion from Camp Lejeune, N. C. He was flown to the desert site for the atomic attack maneuvers. O'Brien, a private first class, enlisted in May, 1952.

RED REACTION IS MILD

President's Talk Heartens Europe

LONDON, (AP)—President Eisenhower's peace program heartened Western Europe today.

Many expressed doubts of Russia's reaction. But there also was a swelling tide of hope that the new rulers in the Kremlin might use this moment to relax the East-West conflict.

The first Soviet reaction came quickly. Moscow radio complained that Eisenhower had placed the blame for the international situation on Russian policy "though no facts were given to prove this."

West European foreign office journalists noted, however, that the Soviet reaction was mild in tone, by usual Russian standards, and the Kremlin left itself plenty of maneuvering room.

The liberal Manchester Guardian said editorially:

"The President has been enabled to make this statement of policy by the death of Stalin and the signs—as yet imprecise—that the new Soviet government wishes to see a relaxation of the conflict between East and West. "Without the hope that a relaxation can in fact be achieved the speech would ring somewhat hollow."

"By proposing that armaments should be cut down and the money saved used to fight the brute forces of poverty and need throughout the world, the President arouses the imaginations of all peoples. "Russia, as he made clear, would not be excluded from such aid and reconstruction."

Communist morning newspapers in East Germany ignored Eisenhower's speech. In divided Berlin the Red papers in the Eastern Sector carried not a line about it.

West Berlin newspapers splashed the story over their front pages and hailed the speech in editorials. Obviously keyed to Moscow's reaction, the official Soviet news agency ADN later distributed a 500-word report on the speech.

Echoing Moscow almost word for word, ADN said Eisenhower's speech was devoted chiefly to justification of U. S. post-war policy "including enforced armament, the formation of the North Atlantic bloc and so forth."

Actress And Football Player Are Divorced

LOS ANGELES (AP)—Actress Terry Moore and former football hero Glenn Davis are free agents today, romantically speaking.

Miss Moore won an interlocutory divorce decree a year ago and yesterday Davis obtained a final decree, which either party may do. Friends here say Miss Moore, now making a movie in Florida, plans to wed actor Bob Wagner.

Envoys Note Ike Speech As Policy

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The United States marshaled its far-flung diplomatic and information services today to build world-wide support for President Eisenhower's new peace challenge to Russia. Ambassadors and ministers in 70-odd countries were instructed to call to the attention of the governments to which they are assigned the President's address before the American Society of Newspaper Editors here yesterday.

They were expected to emphasize the pronouncement as a major foreign policy declaration of the new Eisenhower administration. The Voice of America radio system was operating under a directive to handle the speech fully in 45 languages. English broadcasts carried the President's own voice to Europe, the Middle East and Latin America as he spoke, with rebroadcasts to the Far East last night.

Administration officials expressed hope that the speech would put pressure on the Russians to keep them moving toward peace. But, hope aside, there is no real sureness among officials here about whether the Kremlin will hold to its receipt line of soft talk. Some authorities would not be too surprised if, for example, the Communists declined to make any real concessions on the prisoner of war exchange issue if and when truce negotiations start up again in Korea.

There is still grave concern here that the Reds would rather wreck truce negotiations than let it be officially recognized that thousands who had fought in their forces were refusing to go home.

The first Russian reaction to the speech was hardly favorable. The Communist party paper Pravda said Eisenhower had blamed Soviet policies for current world tensions, "though no facts were given to prove this."

As diplomatic experts read the President's speech, it was to be measured in two ways—as a basic, broad statement of U. S. foreign policy in relation to Russia and, second, as a stroke in the cold war—a counter to the Soviet peace offensive.

As foreign policy, some foreign

diplomats wondered whether the speech laid down terms so tough they might discourage the Kremlin from whatever thoughts about a settlement it might be entertaining.

The President said truce in Korea was the first step on the road to peace, and on this point Washington and Moscow appear to be in agreement. But then, after listing such other steps as peace in Asia and German and Austrian treaties, the President called for an end to Soviet domination over the satellites of Eastern Europe. That, he said, would be one of the final measures leading up to disarmament and, ultimately, the creation of a world aid fund to which he said the U. S. would contribute a large part of its savings from disarmament.

There is not yet a common understanding between the Kremlin and the White House that the Eastern European satellite states are a problem. The Soviets take the position that the fate of these nations as Communist states is settled once and for all. The Eisenhower administration contends there can be no final East-West agreements until the power of the Kremlin has receded to the borders of Russia.

On this point and others the President's speech served to focus sharply the apparently irreconcilable differences between East and West. Yet he said, as did Soviet Premier Malenkov a few weeks ago, that there are no problems between the world's two great power blocs which are incapable of solution.

STRAW HAT DAY SATURDAY APRIL 18TH

Reaching Out From Antioch

PAUL AND BARNABAS CARRY THE GOSPEL TO GENTILES

Scripture—Acts 11:19-26; 13-14.

By NEWMAN CAMPBELL.
 HOW DIFFERENT is travel in the world of today than it was in New Testament times. Today no country in the world is so far away from us that we cannot fly to it in a very short time. As an example, today one could fly from Spain to Antioch within 24 hours. In Paul's time it would have taken two months or more of travel—hard, wearisome toil on foot or by sailboat.

After Stephen's death, the disciples of Christ were cruelly persecuted, so many fled to such places as Phoenicia, Cyprus and Antioch, in Syria. In these places they continued to preach the word of God, and many converts were made, not only Jews, but also Greeks.

When the tidings of this reached the church in Jerusalem, they sent Barnabas to Antioch. He rejoiced at what he saw there and exhorted them all, that with purpose of heart they would cleave unto the Lord. Barnabas was a "good man," St. Luke tells us, "full of the Holy Ghost and of faith."

Evidently feeling that more than his work was needed in Antioch, Barnabas went to Tarsus, where Paul was, and brought Paul back with him. The two

MEMORY VERSE

"We are ambassadors therefore on behalf of Christ, as though God were entreating by us: we beseech you on behalf of Christ, be ye reconciled to God."—II Corinthians 5:20.

labored with other prophets and teachers, ministering to the Lord and fasting, until the Holy Ghost directed that they send Paul and Barnabas on their first missionary journey. The church fathers "laid their hands on the two, and they sailed to Cyprus." When Paul and Barnabas had gone through Cyprus to Paphos, they found a sorcerer, or false prophet with a Roman governor, Sergius Paulus, who was anxious to hear the word of God. Barnabas or Elymas, the sorcerer, tried to drive the disciples away, but Paul looked at him, and rebuked him most severely, saying: "O full of all subtlety and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord? And now, behold the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season." Immediately the man lost his sight. When Paul saw that miracle, he believed.

Leaving Cyprus the missionaries went to Antioch in Pisidia (look on the map of Paul's journey to locate this other Antioch where, apparently, there had been no Christian activity). There Paul gave his first missionary sermon, giving a brief history of the Jewish nation and how God had led His people out of Egypt into

the wilderness and had cared for them all the way.

Then he told of the coming of Jesus, and His message to His people; how the rulers knew Him not and put Him to death, but He was raised from the dead.

Many were much impressed with Paul's preaching and begged him to teach again. Many Gentiles were glad when they heard the missionaries' message was for them, too. "And the word of the Lord was published throughout all the region."

As usual, many Jews and "honorable women" of the city, too, were stirred up to resent the teaching, and they "espelled Paul and Barnabas out of their synagogues." So the two disciples shook the dust of that region from their feet and went to Iconium.

Both men went to the synagogue in Iconium, and spoke to a great multitude of Jews and Greeks, but the unbelieving among them were hostile, the city being divided, and when they were assaulted, the disciples fled to Lystra and Derbe.

In these places they preached, and at Lystra a man who was crippled with baseless feet, and had never walked, listened attentively to Paul. "Beholding him

and perceiving he had faith to be healed, Paul said with a loud voice, 'Stand upright on thy feet.' The man, without hesitation, did as he was told and leaped and walked."

The people of the city were so excited by this miracle that they decided their gods had come to earth, calling Barnabas Jupiter and Paul Mercury, and they brought oxen and garlands and their priest "would have done sacrifice with the people."

Paul and Barnabas were horrified at this, of course, and had difficulty in persuading the people that they were only men like themselves, only they had a heavenly message.

Certain Jews came along who persuaded the people to turn against the missionaries, so that they stoned Paul and left him for dead. As the disciples stood around the supposed body of their leader, Paul rose up and departed with Barnabas to Derbe.

After more travels and much preaching, ordaining elders in every church, with prayers and fasting, they sailed at last to Antioch, from whence they had set out. There, when they "had gathered the church together, they rehearsed all that God had done with them, and how He had opened the door of faith unto the Gentiles."

AT BIG SPRING CHURCHES

Special Sermons And Revival To Be Held In Many Churches This Week

Series of special sermons and revival services will begin this week in several churches.

BAPTIST
 Dr. P. D. O'Brien will speak on "What We Are and What We Are to Become," based on I John 2:3, at the First Baptist Church morning service. "Why Be Baptized?" his evening topic, based on Romans 6:4, will be followed by a baptismal service.

The Rev. James S. Parks will speak at the 11 a.m. and 7:30 p.m. services at the Baptist Temple. Members will celebrate the first anniversary of the church at a picnic at City Park following the morning service. All members and friends are urged to attend and bring a picnic lunch.

CATHOLIC
 The Rev. William J. Moore, OMI, will celebrate Mass at St. Thomas Catholic Church at 7 a.m. and 9:30 a.m. The 9:30 Mass will be followed by Benediction. Confessions will be heard from 4 p.m. to 6 p.m. and from 6:30 to 8:30 p.m. Saturday.

The Rev. B. A. Wagner, OMI, will celebrate Mass at 8 a.m. and 9:30 a.m. at Sacred Heart Catholic Church. Confessions will be heard from 4 p.m. to 6 p.m. and from 7 p.m. to 8:30 p.m. Saturday.

CHRISTIAN
 The Rev. Clyde Nichols will speak on "The Kingdom of God and His Righteousness" at the 10:50 a.m. service at the First Christian Church. Mrs. Bob Simpson and Mrs. R. M. Rainbolt will give a piano-organ duet. "Jesus, Joy of Man's Desiring," by Bach. Rev. Nichols' topic at the 7:30 p.m. service will be "Warnings From God."

CHRISTIAN SCIENCE
 The Lesson-Sermon at the Christian Science Church will be "Doctrine of Atonement." The Golden Text will be I John 1:3.

CHURCHES OF CHRIST
 "I Build My House Anew" will be T. H. Tarbet's topic at the 10:40 a.m. service at the Benton St. Church of Christ. He will speak on "Ancestor Worship in America" at the 7:30 p.m. service.

Roy Phemister of Ackerly will begin a series of spring revival meetings at the Ellis Homes Church of Christ Friday. Services will be held every evening at 7:30 p.m. through April 26. James Record, minister of the church, will preach at the 11 a.m. and 7:30 p.m. services Sunday.

Lyle Price, minister of the Main St. Church of Christ, will speak on "The Simplicity of the Gospel" at 10:30 a.m. and on "The Joy of Growing" at 7 p.m.

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS
 Services at the Church of Jesus Christ of Latter Day Saints will include a priesthood meeting at 9 a.m., followed by Sunday School at 10 a.m. and a sacrament meeting at 6:30 p.m. Services will be held at the Girl Scout Little House.

CHURCHES OF GOD
 The Rev. J. C. Paulk, home missionary for the Church of God in Wyoming, will speak at the 10:50 a.m. and 7:45 p.m. services at the First Church of God. His morning topic will be "Christ's Intercessory Prayer" and his evening topic, "The Kingdom of God: Its Relationship to the Church." Mrs. Georgia Cauble will be in charge of the Youth Fellowship at 6:45 p.m.

Joshua 1:1 will be the Scriptural basis for "Making Ready for the Mighty Power of God," the Rev. W. E. Mitchell's topic for the 11:15 a.m. service at the Galveston St. Church of God. The evening service will start at 7:45 p.m. Rev. Mitchell will speak on "On the Way to the Death Chamber," at 8:15 p.m.

CHURCH OF THE NAZARENE
 The Rev. H. W. Stroman, pastor of the Church of the Nazarene, will speak on "A Religion for Life" at the 11 a.m. service and "Conflicting Philosophies of the World and the Church" at 8 p.m. The Rev. and Mrs. Paul Smith of Bethany, Okla., will begin a revival series Wednesday night. Rev. Smith will preach and Mrs. Smith will play the accordion.

ST. MARY'S EPISCOPAL
 Holy Communion will be celebrated at St. Mary's Episcopal Church at 8 a.m. Church school will be at 9:45 a.m. The Rev. William Boyd, rector, will lead the morning worship at 11 a.m. The YEP will meet at 6 p.m., followed by instructions class at 7 p.m. in the rector's office.

ST. PAUL'S LUTHERAN
 Following Bible class and Sunday School at 10 a.m. at St. Paul's Lutheran Church, the Rev. A. H. Hoyer will begin a series of sermons on "Christ's Tests of Discipleship" at 11 a.m. The first sermon will be "Loyalty to His Word." The choir will sing the anthem, "Holy, Holy, Holy."

METHODIST
 The Rev. Marvin Fisher will speak on "Loveliness" based on Philippians 4:8, at the morning service at the Wesley Memorial

Plumbers Increase By 12 Per Cent

DALLAS (AP)—It shouldn't take so long to get a plumber nowadays—in two years the ranks of the nation's plumbing and heating contractors has increased 12 per cent.

So said W. A. Landers of Oklahoma City, a director of the National Association of Master Plumbers, here with 350 craftsmen attending the convention of the Texas Associated Plumbing and Heating Contractors. Landers said there are 73,336 plumbers.

Methodist Church. "The Place and Program of the Holy Spirit" will be his evening topic.

Services at the First Methodist Church will be at 10:55 a.m. and 7:30 p.m.

PRESBYTERIAN
 "The Wheel of Life," based on Psalm 34:6 will be the Rev. R. Gage Lloyd's topic at the 11 a.m. service at the First Presbyterian Church. He will begin a new series of evening services entitled "The Faith Once Delivered" at 7:30 p.m. His sermon will be "God the

Father."
 E. Ous Moore, senior student at the Austin Presbyterian Theological Seminary, will preach at St. Paul's Presbyterian Church at the 11 a.m. service. The church has voted to extend Moore a call to be pastor of the church following his graduation in June. The matter is now being considered by the El Paso Presbytery of the Presbyterian Church in the United States.

TEMPLE ISRAEL
 Regular Friday evening services of Temple Israel will be held in

Room 30-D of the Settles Hotel at 7:30.

BUSINESS MEN'S BIBLE CLASS
 The Business Men's Bible Class will meet at 9:15 a.m. Sunday in the ballroom of the Settles Hotel.

BUILDER'S BIBLE CLASS
 The non-denominational Builder's Bible Class will meet at 8:30 a.m. Sunday in Carpenter's Hall. Coffee and doughnuts will be served prior to the lesson.

WEBB AIR FORCE BASE
 Services will be held in the Academic Building, Chaplain Henry N. Dunkel will celebrate Mass at 8:30 a.m. His sermon topic will be "Man's Final Resurrection."

Chaplain Francis E. Jeffery will speak on "You Are Known" at the 10 a.m. common order of service. "The Essence of the Gospel" will be Chaplain John C. Little's topic at the 11 a.m. general Protestant service.

THE CURE FOR CRIME

High walls, barred windows, armed guards—is this the cure for crime?

When a disease epidemic breaks out in America, we stop at nothing to find the source of trouble. Millions are spent each year on research for infantile paralysis, tuberculosis, heart disease, cancer.

But what is our cure for crime? Our government spends millions annually for law enforcement, for the building of jails and penitentiaries, but it does little to prevent crime. Legal punishment is costly and ineffective. It is not a cure!

"Overcome evil with good." This is the only cure for the disease of crime. This is the spirit of Christ that we must nurture in the hearts of our youth. This is our hope for tomorrow—that men will learn to live by understanding and love, not by law and punishment. A better world will come only with better people.

You and your children will find the true way of life taught in the churches and church schools of America. It is the privilege and duty of all to attend church services regularly.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verse
Sunday	Matthew	3	1-12
Monday	Matthew	7	15-20
Tuesday	Luke	25	14-30
Wednesday	Luke	12	1-8
Thursday	Romans	12	9-21
Friday	Isaiah	5	1-7

THE GRUB LINE

With Franklin Reynolds

Bruce Frazier Jr., of the Howard County Junior College agriculture and biology department reports that young David McClanahan, son of Mr. Weldon McClanahan, 807 Owens, has contributed a most unusual baby sparrow to the college for biological study.

This baby sparrow has seven toes on each foot. When David found the little bird he also discovered a normal one, with the usual five toes. Since David's mother is a student in the college's microbiology class, he thought the college might be interested, and so he visited them. They were interested, very much so, and gladly accepted the baby birds, which Bill Holbert, biology instructor is going to try to raise to maturity. But, says Frazier, if these birds don't make it to maturity they will be preserved anyway for the benefit of future students. He says the college is grateful to David for thinking of them first when he found the unusual specimen.

A meeting of great importance to the dairymen of this area will be held at the Settles Hotel at 10:30 a. m. Tuesday morning. It has been announced by R. P. Mayfield, president of the Tri-County Producers Association. The purpose of the meeting, Mayfield says, will be to acquaint West Texas dairymen with efforts now being made to reduce the price paid the dairymen in this area to the level of the price prevailing in Fort Worth, which is 71 cents lower per hundredweight for four per cent milk than the price now prevailing here.

Mayfield charges that more and more milk from Wisconsin, Missouri and other distant points is being brought into the West Texas retail market in competition with the fresher milk being produced here.

West Texas dairymen say they wish housewives would insist on the fresher milk produced in West Texas instead of buying the milk that is transported by tank trucks for many hundreds of miles and hence doesn't reach the consumer as fresh as milk produced and processed right here in West Texas.

Justice of The Peace Cy Nabors says all sorts of experiences come to the magistrate who serves long enough.

He has been performing quite a few wedding ceremonies and the fees have been running from a couple of bucks to as much as ten of the cartwheels. But a few days ago he had a new experience. He received a call to come down to the office and launch another couple on the sea of matrimony. After he'd tied the knot the groom asked:

"How much we owe you?" "There isn't any set fee," the JP explained. "People just usually pay whatever they feel they can afford, or what they think they should."

The groom turned to the bride. "Honey," he said, "give me a dollar."

The bride opened her purse, handed the dollar to the groom and the groom handed it to Nabors. When the Big Spring justice told me the story it reminded me of my own wedding. I had seven (\$7) dollars and my bride had \$700. I either borrowed her \$700 or loaned her my \$7. I don't remember which. That was the best deal I ever made.

Howard County Sheriff Jess Slaughter believes Glasscock County Sheriff Buster Cox has the best of him when it comes to getting speed out of their cars.

Cox, who was in Big Spring on official business in connection with some cattle theft cases, was telling Jess what he can get out of his car.

"I don't believe one of our new cars can do that well," Jess commented.

At this point Deputy Sheriff Forcus, who has been in California from where he returned a wanted man, joined the conversation.

"You ought to see some of those patrol cars they have in California," he said. "They've got some out there that really get the job done. They have to have them. Some of those old Ford hotrods out there have been rigged up to a point where they'll do 130 miles an hour. A man has to have a good car to catch one of them."

Toots Mansfield, who is to meet Shat Webster in a 10-calves-each match at the Rodeo Bowl here Sunday afternoon, is one of 16 top hands with a fast loop who will contest for a \$2,600 plus jackpot at Bandera Friday and Saturday nights, May 1 and 2.

The occasion will be the annual Bandera Stompede, another feature of which will be a matinee dance with Betty Grable's husband furnishing the music and all sorts of contests.

Sixty-four calves will be roped each night, a total of 128 for the match.

The other 15 ropers will be Troy Fort of Lovington, N. M.; B. J. Pierce of Clovis; John Dalton of Brownfield; Glen Christian of Vinita, Okla.; Elmer Carter of Antelope, Texas; Ray Wharton of Bandera; Dan Taylor of Doole, Texas; Jack Saunders of Gatesville; Lanham Riley of Fort Worth; Doyle Riley of Ballinger; Buddy Groff of Hondo; Rex Beck of Coleman; Jim Bob Allizer of Del Rio; Scooter Fries of Bandera, and Don McLaughlin of Smithfield.

Toots has been world's champion seven times, while Troy Fort and McLaughlin have each won the honor a couple of times, all of which accounts for the past 11 years of calf roping.

Some of the other boys have shown amazing skill in some of the bigger contests throughout the country.

In Howard County improved pasture grasses, such as Blue Panic have been building 150 pounds of beef to the acre, according to Marion Everhart of the SCS. He says the average pasture does well to produce 25 pounds of beef to the acre annually, but that in the Martin-Howard SCD there are pastures that have yielded as high as 200 pounds to the acre.

Everhart claims that if the mesquite is removed from West Texas pastures and that if they are then seeded to adapted grasses almost any of them can be built up to the carrying capacity of 150 pounds to the acre. He estimates it costs about \$25 per acre to clean the land and that this cost will be paid back in a year in the increased beef production.

Pasture owners interested in talking the matter over with him will find Everhart or some other SCS staff member in the office in the basement of the Big Spring Postoffice.

Johns Hopkins To Abolish Institute Lattimore Headed

BALTIMORE (AP)—Johns Hopkins University last night announced that its Walter Hines Page School of International Relations, headed since 1938 by Owen Lattimore, will be abolished at the end of this academic year.

Lattimore is on leave of absence from the university pending disposition of perjury charges against him. The former State Department adviser was indicted by a federal grand jury on charges that he lied when he testified before a congressional committee that he had never aided the Communist cause.

Dr. Detlev W. Bronk, Hopkins president, said the move to abandon the school is only one of a series of steps to simplify Hopkins' academic structure.

Suit On Note Filed In District Court

J. I. Balch filed suit against Louis L. Speck in 118th District Court today for payment of a \$2,480.46 note.

Balch alleges that Speck has not made a payment since March 3, 1952, and refuses to make payments now. Balch is asking that Speck's lien be held on lot 4, block 1, Bauer addition, be foreclosed also.

Clipper Salons Planned

Vern Doonan, Southwest Region Manager, and Frank McCarthy, Fort Worth area District Manager, give final approval to plans and locations for Packard Clipper Salons to be held in this area. One of these will be in Big Spring, with Rowe Motor Company, 1011 Gregg Street, the sponsor. Dates for the local Salon are Saturday and Monday, at which time the public is invited to view the entire Clipper line. Similar Salons are booked later in Sweetwater, Snyder and Mineral Wells, and others already have been conducted throughout this region.

Local Aggies Plan Annual Muster Here Next Tuesday

Former students of the A&M College of Texas who live in Big Spring area will gather at the high school cafeteria Tuesday, April 21 at 7:00 p.m. to carry on a tradition that is 50 years old. They will attend the fiftieth anniversary Muster of Texas A&M men.

The Big Spring Muster will be one of more than 400 similar ceremonies, held all over the world where Texas A&M College former students pay homage to their fellow Aggies who have passed on, and humble tribute to the Texans who won the freedom of the state at the Battle of San Jacinto near Houston some 117 years ago.

W. S. Goodlet Jr., chairman of the Muster, urges all A&M men and wives to attend the April 21st Muster program. Others to appear on the program are Jack Cook, president of the local club. The April 21st Muster is one of the greatest traditions to be found in American colleges and universities, and thousands of A&M men participate in the program of tribute and homage each year.

Ex-Aggies should call Jack Cook at 449 or 2309-W to make reservations for the dinner by Saturday, April 18.

Crew Saved From Burning Freighter

LOS ANGELES (AP)—The burning British freighter Meneceus is a derelict today, adrift off the Lower California coast 600 miles south of here.

Its skipper and 80 crewmen were rescued early yesterday after fire broke out in the engine room by the American ship Navajo Victory.

A Coast Guard patrol plane was to leave San Diego at dawn today for the Meneceus' last reported position. The plane will attempt to guide a Navy salvage tug to the scene.

TESCO Personnel Being Trained At JC

Training and good service go hand in hand, according to Texas Electric Service Company.

Moreover, you don't attain such heights but what a little training is in order. Consequently, practically every person in the company comes in for the continuous program of training mapped by TESCO—and that applies from the manager on down.

The company maintains an on-the-job training of employees for construction and maintenance of electric distribution lines, safety and other activities connected with the everyday job of dependable electric service. Now, it is engaged in a program of additional training for sales and supervisory personnel.

Howard County Junior College is the site of two classes each week for Texas Electric Service Company people from a wide area in West Texas. These classes, on Tuesday and Wednesday afternoons, are attended by a dozen men in each class. They come here from Lamesa, Colorado City, Sweetwater, Midland and Odessa, in addition to those who come from the local TESCO organization.

C. K. Shelton, Big Spring, who is now in the personnel department of the electric company, is instructor of the two classes. He spent several months in Chicago last fall receiving special instruction in how to present this training course in sales and supervisory development to others in the elec-

Federal Income Due To Be Under HST Estimates

NEW YORK (AP)—Undersecretary of the Treasury Marion Folsom said Thursday present prospects are that the federal government's income this year will be "substantially below" the estimate made by former President Truman.

If these prospects materialize, he said, the administration's problem of balancing the budget will be made more difficult.

Judgment must be suspended on the timing of tax cuts until the administration can determine how expenditures and income will compare in the next fiscal year, starting July 1, Folsom said.

Truman's estimated receipts for this fiscal year, ending June 30, at \$68,700,000,000.

Folsom did not say, in a speech to the special tax conference of the National Industrial Conference Board here, by how much receipts would fall under that estimate.

As for timing of tax cuts, Folsom said the first reduction must come in the excess profits tax now being levied on business and in individual income tax rates.

The excess profits tax is now scheduled to expire June 30. Income taxes are due to revert to pre-Korean levels Jan. 1, but there is strong support in the House for a bill to advance the date to July 1.

General Lafayette, the Frenchman who served under George Washington, received \$200,000 from Congress.

Queen Has A Yacht

CLYDEBANK, Scotland (AP)—Queen Elizabeth II pressed an electric button today and launched her trim, five million dollar new royal yacht. She named the 4,000-ton vessel the Britannia.
