

NPA Announces New Program To Provide Metals

WASHINGTON, March 23 (U. S. — A plan to assure enough steel, copper and aluminum for defense and atomic energy needs while fully freeing the civilian economy was announced today by the National Production Authority (NPA).

The new program, to take effect July 1, will replace the present controlled materials plan — provided Congress passes a new law before June 30.

The controlled materials plan, known as CMP, called for government allocation of all steel, copper and aluminum—not for defense purposes alone but for the entire civilian economy. The new plan, announced by H. B. McCoy, acting NPA chief, will be labeled the defense materials system.

The new system will work this way: The Defense Department and Atomic Energy Commission will tell NPA exactly how much of the three materials they need each three months to meet their production and construction schedules. These needs will be parceled out among all producers of these three metals who will reserve a portion of their production to fill the orders.

McCoy said exceptionally heavy military demand for nickel-bearing stainless steel "will require maintaining control of this material for use in both the civilian and military economy after July 1."

Thus, CMP allotment authority for this metal will be continued during the three months starting July 1.

Servicemen's Center Here Is Formally Opened

Brief ceremonies Sunday afternoon dedicated Big Spring's new Servicemen's Center, 112 Runnels. Open house followed and the public and servicemen alike put a stamp of approval on the new center.

Visitors agreed that although somewhat small in size, facilities were adequate. Webb airmen lost little time in putting the ping pong and pool tables to work.

Joining in the ceremonies were the Webb band, San Tunes quartet composed of Dr. Dwight Jones, Harry Lee Plumley, Tolford Durham and Gilbert Cook; Col. Ernest F. Wackwitz Jr., Webb commanding officer who accepted the center on behalf of the military; Mayor G. W. Dabney, who presented the center on behalf of the city; Dr. P. D. O'Brien, who offered the invocation and dedicatory prayer; and Elton Gilliland, chairman of the Servicemen's Center committee, who acted as master of ceremonies.

Col. Wackwitz extended the appreciation of Webb officials and servicemen and lauded the city's determination in setting up the center despite a variety of difficulties.

Refreshments were served by hostesses under the direction of Mrs. Hayes Stripling. Assisting her were Mrs. Ruth Burnam, Mrs. J. B. Knox, Mrs. K. H. McGibbon, Miss Clara Sergeant, Mrs. H. M. Jarrett, Mrs. G. H. Wood, Mrs. J. D. Elliott, and Mrs. W. C. Foster.

Beginning today, the center will be opened full-time under the direction of Miss Edith Gay, executive secretary. Hours of operation are: 5 to 10:30 p. m. Mondays through Fridays, 5 p. m. to midnight on Saturdays, and 2 to 7 p. m. on Sundays. Tuesday and Thursday are to be designated for Negro personnel.

Man Dies After Oil Rig Mishap

Donald C. Maxwell, 23-year-old driller for the B. & T. Drilling Company, was killed Sunday afternoon from injuries sustained in an accident on a drilling rig.

Maxwell was caught in the catline on the rig and broke his neck. He was pronounced dead on arrival at a local hospital.

The rig was located in Sand Springs, and the accident occurred about 5 p. m. Sunday. Maxwell was rushed to the local hospital in a private car.

Maxwell was temporarily residing in Snyder, but his home was in Kilgore. His body is now at Nalley Funeral Home and will be shipped to Kilgore tonight.

He is survived by his wife, Mrs. D. C. Maxwell, his mother and father, Mr. and Mrs. W. R. Maxwell of Kilgore; three sisters, Mrs. E. E. Dewey and Mrs. Tommie Lee of Kilgore and Mrs. W. F. Porter of Snyder; five brothers, E. L. Maxwell of Freer, and B. E., A. W. B. A. and Perry, all of Kilgore.

UN Admits Mistake

MUNSAN, Korea (U. S. — The U. N. Commission today acknowledged two Allied shells fell by mistake in the Panmunjom truce area two weeks ago but told protesting Communists they invited such incidents by establishing positions next to the zone.

Rescued From Raging Torrent

This dramatic picture of the rescue of 11-year-old John Erickson from the raging torrent below the falls in Kankakee River at Kankakee, Ill., was made from a bridge by Photographer Jim Marek of the Kankakee Daily Journal. John's rescuer, Joe Corso, lower, was a passerby on the bridge, went down on firemen's ropes, and kept the boy afloat until the boat reached him. (AP Wirephoto).

South Is Hit Again By Tornadic Winds

LITTLE ROCK, Ark. (U. S. — The Midwest was struck by a series of tornadoes and windstorms yesterday, leaving one dead, at least five injured and property damage estimated at more than a million dollars.

The twisters raked across the same general sections in Arkansas, Louisiana, Mississippi, Alabama and Tennessee that were ravaged by tornadoes a year ago this week end, causing 30 million dollars damage and killing 221 persons.

At Columbia, in Northern Louisiana, a twister unroofed most of the business buildings yesterday afternoon and practically all streets in the town of less than 1,000 were blocked by debris and fallen trees.

Near Leesville, La., Sgt. Harold Gomez of Camp Polk, La., was killed when wind slammed a tree across his automobile. Nine towns and communities were struck by high winds and small tornadoes during the afternoon.

High winds caused an estimated \$12,000 damage to business buildings and homes at Jacksonville, Ark.

In Northeast Arkansas, a farmer, L. A. Gilmore of near Jonesboro, was carried 40 feet and slammed into a tree when a storm ripped the kitchen from his house. He suffered only a cut finger.

The squall line ripped into East Tennessee and a tornado slapped its angry tail at Newbern, Dyersburg and Four Points. Several buildings and homes were damaged.

A small tornado ripped through a river community west of Florence, Ala., a whirling, lightning-filled cloud skipped across the screen of a drive-in theater at intermission time, passed the parked cars of spectators, and roared away to a nearby airport, where at least 10 light planes were destroyed.

Another tornado hit Sky Park Harbor Airport near Florence and high winds were reported as far south as Birmingham.

Near Jasper, Ala., in Walker County, Grady Tucker, 37, and his infant daughter were injured severely when their tornado-wrecked house caught fire.

Tornadoes lashed through Central and Southern Minnesota from Fairmont, Neb., near the Iowa border, to St. Cloud Saturday. At least three persons were killed and property damage was estimated in the thousands of dollars.

GERMAN TRUCK IS DIVIDED BY IRON CURTAIN

BERLIN (U. S. — Russian Zone and West Berlin police leveled their guns at each other for half an hour today across an escape-bent East Zone truck which crashed a border fence and got stuck—its cab in Berlin's French Sector, its back end still in Communist territory.

Violent Death Toll For Week End At 20

By The Associated Press

Four persons were killed late Sunday night when a car hit an embankment on a country road near Austin to raise the week-end violent death toll in Texas to at least 20.

Three died in an attempt to break out of the Tarrant County Jail in Fort Worth when they met deadly fire from a 73-year-old turnkey.

Traffic deaths numbered eight.

Fierce Red Attack Hits On 'Old Baldy'

SEOUL, Tuesday, March 24 (U. S. — A fierce Chinese assault by up to 3,500 men hit allied positions around Old Baldy on the Western Front early today.

The Eighth Army said the Chinese jumped off last night against allied positions about 8 a. m. From there it built up to a heavy blow in the early morning hours.

State Justice Dept. Backed By Shepperd

AUSTIN (U. S. — "The rats of crime would flee like squirrels from a bulldozer" if Texas law enforcement officers would band together, Atty-Gen. John Ben Shepperd said today.

Keynoting an annual conference of local, state and federal officers and prosecutors, Shepperd stoutly endorsed a proposed state department of justice.

The department's first job would be rooting out "criminals and political racketeers who seem to be bigger than the law in certain counties," he said. But he expressed concern over this method.

"We might be building a cannon to shoot a few squirrels."

Maybe the question ought to go into a constitutional amendment, Shepperd suggested. "In any case, we must devise the means to make crime not only unpopular, unprofitable and dangerous, but suicidal."

The attorney general's audience includes more than 200 Texas crime stoppers here for a two-day conference to seek ways to plug enforcement loopholes.

Officers must use modern means to catch modern criminals, Shepperd indicated. "Crime is organized. It is educated. It is no longer merely a committed—it is engineered. . . ."

Any criminal can flee hundreds of miles from the scene of the crime within a few hours, the speaker pointed out.

The police officer must stay within the law by keeping within the . . . area of his jurisdiction.

Besides, Shepperd stated, the officer must stay within his budget.

Backers of the centralized state justice department don't want to take away local officers' independence, the attorney general said.

"They hope to establish an agency that will stand under local authorities to bolster them, not one that will stand over them and dominate."

Members of the conference will hear some advice from Congress to community leaders.

The recent bulky report of the House Crime Investigating Committee that recommended organization of local citizens crime study committees and made other suggestions for tightening up on law enforcement, will be studied.

There is unanimous agreement among representatives of city, county and state law enforcement agencies that we must tighten up anti-crime machinery all over Texas," Shepperd said in calling the conference. It is an annual affair sponsored by the attorney general's office.

Governor Signs Bill On Tax Sub-Stations

AUSTIN (U. S. — Gov. Shivers signed today a bill lowering from 74,000 to 70,000 the population of a county which can have a branch office of tax assessor and collector.

Rep. Richard Stark, Gainesville, is author of the measure.

THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy with not much change in temperature today. Light rain tonight and Tuesday.

High today 72, low tonight 61, high tomorrow 72.

Highest temperature to date so far this season is 78 in 1927; lowest this season was 22 in 1922; mean annual rainfall this season 1.31 in 1923.

President To Stand Pat On Bohlen Nomination; Senate Debates Today

99-Year Term Given To Sapet In Floyd Death

BROWNWOOD, Tex. (U. S. — A 99-year sentence was handed Mario (El Turko) Sapet last night for the "murder by mistake" slaying that stirred anew old South Texas political hatred.

To convict Sapet the District Court jury had been charged that it must find that Alfredo Cervantes, a Mexican national who has never been arrested, was the triggerman, and that Sapet conspired to kill Jacob S. Floyd Sr., but by mistake killed his son. It convicted Sapet of murder with malice.

The case was tried here on a change of venue.

Jacob S. Floyd Jr., 22, was fatally shot in Alice last Sept. 8.

Defense attorneys said they would appeal.

Sapet, San Antonio bar owner and onetime deputy sheriff of George B. Parr, South Texas political power, and Nago Alaniz, Alice attorney, were charged with conspiring to kill Jacob S. Floyd Sr. The indictment says young Floyd was killed by mistake.

Floyd Sr. is a leader of a political party in the 9th District that opposes Parr. He said Alaniz told him the night of the shooting that "a man is waiting in your garage now to kill you" and that "Mario Sapet is the leader of the killers."

Sapet pleaded innocent. He claimed he was on a bus bound from Corpus Christi to San Antonio at the time of the shooting.

Fred Seman, one of the defense attorneys, accused the state of "trying George Parr and not Mario Sapet."

The bitter political feud between Parr and anti-Parr parties was an underlying theme in the week-long trial.

The elder Floyd testified that the plot was aimed at him because of his political activity on behalf of former 79th District Judge Sam Reams, an anti-Parr man, who was defeated for re-election.

Spurgeon Bell, special prosecutor appointed by Gov. Shivers, said he had notified the Governor's Mansion of the verdict.

"I must stay within my budget. . . . Bell declared that he never expected the jury to return a death sentence."

See SAPET, Pg. 8, Col. 1

LT. GEORGE O'BRIEN

Local Marine Cited For Medal Of Honor

A Big Spring man in the U. S. Marine Corps has been recommended for the nation's highest military honor.

He is Lt. George O'Brien Jr., a spare, dark-eyed young man who is fighting in his second war for his country.

While his family—his wife, Mrs. Janet O'Brien, and his parents, Mr. and Mrs. George O'Brien Sr.—knew of the recommended honor, there was no official word until the week end. A press service representative with the U. S. 1st Marine Division in Korea filed the story of how "a tough little Marine lieutenant, Tom Texas has been recommended for the Congressional Medal of Honor."

Tough is the combat word for Lt. O'Brien, who actually is an engaging, unassuming and mild-mannered individual. Even in correspondence to his wife and to his parents, he declined to discuss the recommendation and scarcely admitted he was being considered.

The action, in which the citation said he displayed extraordinary heroism in action during which he exposed himself to enemy fire to inspire his men, took place last October. The place was on a ridge in the west Korea front north of Seoul. This spot is known as the Hook.

Not long afterwards, he wrote his wife, the former Janet Robb, that he had been "slightly" wounded. Recently, he was given the Purple Heart and an added cluster.

But the Marines thought a lot more of his leadership and courage than that. One report indicated that a top ranking officer who had witnessed the action insisted that it merited the nation's highest recognition.

Although he saw service in World War II in the Pacific Theatre and has three battle stars for that conflict, Lt. O'Brien told the correspondent that before a battle he is scared. "My stomach tightens and my knees shake," he said. Before a fight he always says the Lord's Prayer.

Without referring to his exploits, he did write home once that in a moment of need "the Lord has supplied me with courage I didn't know I could have."

This must have been a measure of what he possessed when his platoon surrendered March 16.

See LOCAL, Pg. 8, Col. 5

AF Seeks More Land For Webb

Favorable action has been asked by the Air Force on acquisition of title and "avigational" easement for additional land at Webb Air Force Base.

Sen. Lyndon Johnson said Monday that formal request had been made to the Senate and House armed services committees. Included is a request for 94 additional acres on the southeast corner of the field where a north-south runway would be extended 2,000 feet. This would make the runway, now used by T-28 propeller-driven craft, 8,500 long. (The parallel runway to the east, used by jets, is 11,000 feet long.)

The "avigational" easement would be in the southeast corner and would ask that no obstructions be raised which would constitute hazards to incoming ships.

Six Guerrillas Killed

KUALA LUMPUR, Malaya (U. S. — The British announced today they have killed six Communist guerrillas over the week end and six other rebels—four of them women—surrendered March 16.

Democrats Are Giving Support To Ike's Stand

WASHINGTON (U. S. — Sen. Taft (R-O) reported today that President Eisenhower is standing pat on his nomination of Charles E. (Chip) Bohlen to be ambassador to Russia.

Taft, the Senate majority leader, and Chairman Wiley (R-Wis.) of the Foreign Relations Committee had a private meeting with Eisenhower after the regular Monday morning conference of GOP congressional leaders with the President.

Afterward, Taft told newsmen there had been "no change" in the position of the President, Wiley or himself on the controversial nomination.

"We are going right ahead with it," Taft said. He added that Senate debate would get under way later in the day.

The nomination has been under fire by GOP Sens. McCarran of Wisconsin and Bridges of New Hampshire. It also has been sharply criticized by Democratic Sen. McCarran of Nevada.

Sen. McCarran (D-Nev.) said he has a "chestful" of information for his colleagues about Bohlen, and Sen. McCarran (R-Wis.) was asking for a delay in a showdown vote. Both have demanded closer scrutiny of an FBI security check-up on the appointee's background.

Sen. Lyndon Johnson of Texas, the Democratic leader, predicted that a substantial majority of his party members will join with most of the Republicans to confirm Bohlen.

Sen. Taft of Ohio, the Republican leader, said he won't demand a vote today but indicated he wants action by midweek at the latest. He said the appointment may come up for discussion at the weekly meeting of congressional leaders with President Eisenhower today.

Taft's attitude indicated Bohlen's critics won't have much luck in efforts to recall Secretary of State Dulles and to get testimony from R. W. Scott McLeod, State Department security officer.

McCarthy and McCarran have contended Dulles cleared Bohlen over McLeod's objection when the secretary appeared before the Senate.

See BOHLEN, Pg. 8, Col. 4

Talks Start Today On Bracero Matters

MEXICO CITY (U. S. — Negotiations were to begin today on wages and insurance protection for migrant farm workers moving into the United States.

In conferences with U. S. representatives, Mexico will ask that braceros never be paid less than North Americans doing the same work and that Mexican citizens be covered by extended insurance.

The negotiations will not affect the supply of migrant laborers this year. The present inter-governmental agreement still has a year to run.

Workers now are insured only against death or injury suffered while working or en route between their jobs and their camps in the United States. Informed sources here said Mexico would ask extension of the insurance to cover workers from the time they leave their homes until they return to them.

Ike, Leaders Seek Extension Of Rent Control, End To RFC

WASHINGTON (U. S. — House Speaker Martin (R-Mass.) said today President Eisenhower and Republican congressional leaders have agreed to extend the present rent control law until Oct. 1.

Rent controls will expire April 30 unless extended by Congress. The present law provides for rent ceilings on more than 5½ million housing units, including those in critical defense areas and in cities where local governments have requested ceilings.

Martin said on leaving a congressional conference with Eisenhower and congressional leaders that an extension to Oct. 1 would serve as notice to the individual states that after that date the federal government would step out, except in critical defense areas.

The states would have to take over if they are to continue controls in less critical areas, Martin said.

Beyond Oct. 1, Martin said, rent controls would be authorized only in areas determined to be critical defense areas.

The House Banking Committee has been holding hearings on possible legislation to extend rent controls. All price and wage controls have been ended.

WASHINGTON (U. S. — President Eisenhower and GOP congressional leaders agreed today to let the Reconstruction Finance Corporation (RFC) die June 30, 1954.

That is the date the government's big lending agency is due to go out of business under present law. Some congressmen want the RFC to be abolished at the end of this year.

Congressional leaders said liquidation of the agency already is under way.

The decision was announced by House Speaker Martin (R-Mass.) after the congressional leaders' regular Monday morning conference with the President.

Martin said about 50 per cent of the RFC offices throughout the country will be closed within 60 days.

The small loan functions of the RFC, he said, probably will be transferred to some other governmental agency. Details will be worked out by Treasury Secretary Humphrey and Commerce Secretary Weeks, Martin added.

Meanwhile, he said, RFC will grant no loans over one million dollars.

Senate Debating Primary Measure

AUSTIN (U. S. — The Senate began debate today on a bill designed to end rump political delegations and stacked "boss-ruled" conventions. It is a measure by Sen. Jimmy Phillips, Angleton, to permit voters to say in primaries who they want for presidential candidates of the various parties.

The bill is an outgrowth of power politics and "boss rule" charges hurled after last summer's stormy presidential conventions in Texas.

The Senate voted 26-6 to take up the Phillips bill.

Phillips said he had letters supporting his measure from people all over the state who had been kicked out of precinct, county and state conventions.

"They recommend Texas adopt the presidential primary," the senator said.

The Phillips bill provides for a presidential primary on the second Saturday in June each year a president is to be elected. Delegates would be elected by districts, with some to be named state-wide.

House members rested during a long week end from their grueling grind in passing the session's first big money bill in a three-day marathon. Senate action on it is expected Wednesday.

The Senate is expected to substitute its \$65,233,609 general fund spending bill for the \$163,202,700 measure approved by the tax and economy-conscious House last week.

Sen. Otis Lock Lufkin, chairman of the powerful 21-member Senate Finance Committee, predicted the

41 States Are Planning To Draft 19-Year-Olds

By RAY HENRY
WASHINGTON (AP)—Forty-one states will draft 19-year-olds for military duty next month, and two others may have to, an Associated Press survey showed today.

For 14 of these 41 states, it will be the first draft of 19-year-olds since World War II.

The survey of state selective service directors also found that all but two states—Alabama and South Carolina—probably will be taking 19-year-olds in May. The Alabama director said it will be June, perhaps later, before any will be drafted in his state. The South Carolina director said he didn't know when.

The other three states that won't take 19-year-olds in April are Maryland, Vermont and Virginia. New Jersey and Tennessee directors said "maybe not."

Thirteen states plan to call 19-year-olds to fill at least 50 per cent of their April draft quotas. Probably the biggest number will come from Illinois where the state director estimated the "bulk" of a 3,254 quota would be 19-year-olds. Pennsylvania will need about 2,500 of a 4,084 quota. California comes third with about 2,000 of a 3,164 quota.

The April draft quota for the

whole country is 33,000. The present draft age is 18½ to 26. Draft boards have been taking first the oldest men they have. Until January state directors had been ordered to take no 19-year-olds.

The reason some states are taking 19-year-olds and some aren't results from the variation in available manpower to fill their quotas.

The actual number of 19-year-olds the states need to fill April quotas, the AP survey showed, varies widely.

Massachusetts, with a 1,262 quota, will need "substantially all" 19-year-olds, as will Arizona with a 243 quota, the District of Columbia with a 218 quota and Oregon with a 350 quota.

Eleven states—Georgia, Indiana, Maine, Minnesota, Mississippi, Nebraska, Missouri, North Dakota, West Virginia, Wisconsin and Wyoming—say a small percentage of their quotas will be 19-year-olds.

In the following states, over 50 per cent of the listed quotas will be 19-year-olds:

Arkansas, 940 quotas; Michigan, 2,527; New Hampshire, 151; Nevada, 48; New Mexico, 286; Rhode Island, 197; and Texas, 2,876.

In the following, about 25 per

cent of the quotas will be 19-year-olds:

Florida, about 850 quotas; Idaho, 248 quotas; Kansas, 749 quotas; Kentucky, 1,350 quotas and Louisiana 892 quotas. North Carolina expects to take 700 of a 1,672 quota; Oklahoma, 500 of 1,300 quotas, and Colorado, 100 of 336 quotas.

No estimate of the number was made for Connecticut, Delaware, Iowa, Montana, Ohio, South Dakota, Utah or Washington, but each of them will be taking some 19-year-olds.

Aid To Friendly Nations Increases

WASHINGTON (AP)—U. S. aid to friendly countries increased 10 per cent in 1952 while their payments to the U. S. went up more than 25 per cent, the Commerce Department reported yesterday.

It gave these figures:

Total U. S. aid to the free world in 1952 was \$5,074,000,000, compared with \$5,074,000,000 in 1951. Of the 1952 total \$2,738,000,000 was military aid, nearly double the 1951 figure of \$1,484,000,000.

Returns on aid—repayment of loans and reverse aid such as land for U. S. military installations—amounted to \$74 million dollars in 1952, as against 452 million in 1951.

The net U. S. foreign aid figure in 1952 was thus \$5,004,000,000. It was \$4,622,000,000 in 1951.

Cat Hitchhikes Way From California To Oklahoma

GAGE, Okla. (AP)—Meowrrrr!!! The S. A. Woods family saw a vaguely familiar cat crawl feebly into their yard and stared. Was this Tommy?

It was!

The family cat had hiked, or hitchhiked, his way back to Gage from California, a distance of 1,500 miles at a catwalk.

Of course it could have been a stray who just happened to look like Tommy. Just because he answered to his name was no positive proof. This bedraggled ball of fluff, which still retained a trace of its bright yellow coat would have had to average over 83 1-3

miles a month during his 18-month absence to walk the distance. That's over two miles a day, without the aid of a compass, navigation equipment, or radar.

So the Woods clan checked. When Tommy was a kitten he had suffered a broken right hip. A physical check revealed this animal had the bad hip.

Woods still wouldn't believe it. He called the woman in California who was supposed to be taking care of Tommy. She said the cat had disappeared a few days after he was put into her care 18 months ago.

Woods and his family were in

California then. They had moved there from Gage, but decided, after a year of living on the coast, they longed for their Oklahoma farm. They left the cat in California. In 18 months Woods and the children had all but forgotten their old pet. Then:

"Meowrrrr!!!"

Choose either a thick piece of beef round or a rump roast when you plan to prepare pot roast. If you want rich brown gravy, be sure to brown the meat adequately before adding any liquid.

Fine Arts Members Feuding Over Lease

AUSTIN (AP)—Members of the Texas Fine Arts Assn. are feuding over a move to lease part of its historic Laguna Gloria lakeside property for a city boat dock.

James W. McClendon, former chief justice of the Third Court of Civil Appeals, has filed suit in 53rd District Court to restrain an asso-

ciation committee from leasing the land to the city of Austin.

The 28-acre estate whose last private owner was the late Mrs. Clara Driscoll of Corpus Christi is on the spot where Stephen F. Austin once dreamed fruitlessly of building his home. When he first saw the beautifully wooded spot, it was on a point of land on the Colorado River. Now is a sloping peninsula extending into Lake Austin.

The wealthy Mrs. Driscoll deeded the property, including an ornate mansion to be used for an art museum, to the association in 1943.

The mansion was the scene of many a glittering party 35 or 40 years ago with Mrs. Driscoll, then Mrs. Hill Sevier, as the hostess. Governors, high state and national officials and celebrities had been guests there.

Sevier was a brilliant state senator. Mrs. Sevier a power in Democratic politics.

McClendon's suit named a six-member Fine Arts Assn. committee and City Manager Walter Seaborn of Austin as defendants. The former judge is also a member of the Association which maintains the museum at Laguna Gloria.

McClendon said a lease for docking purposes is prohibited in the deed by which Mrs. Driscoll conveyed the property to the Association.

McClendon charged that the committee and the city of Austin were attempting to convert the historic lakeside property into a place for "the carrying on and maintenance of water sports and amusement."

Big Welcome Due Jet Ace

SAN FRANCISCO (AP)—The nation's top jet ace probably will fly to his home in McKinney, Tex., tomorrow or Wednesday.

Meanwhile, Col. Royal N. Baker, with a record of 12 Communist MIG kills in Korea, and his wife go to Los Angeles today for a big civic welcome.

He returned here yesterday after 10 months and 127 missions in Korea.

A Travis Base spokesman said Baker was scheduled to leave for Los Angeles today.

The couple will have luncheon at the North American Aviation Plant makers of the Sabre Jets. Then Baker will be honored with a ticker-tape parade through downtown Los Angeles to the City Hall and given the key to the city. Later he will attend a reception at the Ambassador Hotel and take part in radio and TV interviews.

The Bakers may leave for McKinney tomorrow or Wednesday to be welcomed by their four children, ages 2 to 8, but he expects to receive final word in Los Angeles from Air Force headquarters at Washington on the exact time of departure.

Mexico's Senior Revolutionary Dies

MEXICO CITY (AP)—Gen. Agustín Castro, 75, Mexico's senior revolutionary, died last night.

Castro had been governor of three states—Oaxaca, Chiapas and Durango—and twice minister of defense—under Presidents Venustiano Carranza and Lázaro Cárdenas.

His rank as senior revolutionary dated from his uprising in support of Francisco Madero, the man who overthrew the 30-year-reign of Porfirio Díaz. Castro proclaimed his support of Madero on Nov. 20, 1910, and took the field with 127 men. Nov. 20 is celebrated every year as the start of the revolution which lasted for seven years.

He was an unsuccessful presidential candidate against Miguel Alemán in 1946.

Un-American Group Opens Investigation

LOS ANGELES (AP)—The House Committee on Un-American Activities opens an investigation today of Communist infiltration in education, radio, film, television, newspaper, legal and medical fields.

A committee member, Rep. Donald L. Jackson (R-Calif.), said the group would seek to "clean up loose ends" left after a subcommittee inquiry last fall.

James Stewart MC For TV Opening

GALVESTON (AP)—Actor James Stewart was master of ceremonies last night when station KGUL-TV went on the air.

It is the first television station in the Gulf Coast area since the FCC lifted its freeze.

The station, with studios in Galveston, transmits from a tower midway between Houston and Galveston. Stewart is a stockholder in Gulf Television Co., the station owner.

Paul E. Taft, Houston, company president and general manager, said KGUL-TV's 235,000 authorized watts makes it the most powerful television station in the state.

It is a base affiliate of the Columbia Broadcasting System with independent affiliations with ABC-TV and DuMont TV networks.

Van Fleet Urges Bigger Attacks

By EDWIN B. HAAKINSON
WASHINGTON (AP)—Some sentiment for a more aggressive strategy in the deadlocked Korean War was evident today among senators who heard Gen. James A. Van Fleet detail his complaints that American forces there don't have enough ammunition.

Van Fleet, recently retired after nearly two years as Allied field commander in Korea, called for harder-hitting attacks on the Reds. But he said he doubts United Nations forces have enough ammunition to repel any major offensive the Communists might mount.

"Sure, if there is a showdown and no fighting," Van Fleet said, "there is no ammunition requirement; therefore, no shortage."

But, he added, "should the enemy start something, which is unpredictable, then do we have enough to meet his offensive, and I say 'No.'"

Van Fleet said stocks were so low at times that he issued orders to cut down on artillery fire, and that the troops "have to be in trouble in order to shoot" the heavier mortar and howitzers.

The general spoke out in testimony heard by the Senate Armed Services Committee behind closed doors earlier this month. A transcript, with security information deleted, was made public by the committee last night.

Sen. Symington (D-Mo), former secretary of the Air Force, asked Van Fleet if he thought "our pilots should have the right of 'hot pursuit' across the Yalu?"

"I certainly do," the general replied. "So do I," said Symington.

Sen. Flanders (R-Vt) suggested at one point that the ammunition supplies may have been used as "a leash" to keep Van Fleet from attacking.

Saying the "bloody stalemate" is an outrageous position, Flanders said: "Let us do something now."

Van Fleet replied he favors "having it out with Russia, and I mean an understanding with Russia; I hope a peaceful understanding. I do not mean a shooting war."

Sen. Case (R-SD) said the committee hearings proved that "we have a showdown policy in the Korean War," and he added: "The American people are getting sick

Survivor

This mannequin, placed beneath a lean-to type bomb shelter in the basement of House No. 1 at the Atomic Proving Ground in New Mexico, only 3,500 feet from last Tuesday's test explosion, came through unscathed. Debris from the first floor above slid down the incline. But the radioactivity which delayed inspection of the wreckage until Friday probably would have been fatal to Mandy, the mannequin. (Civil Defense Administration photo via AP Wirephoto).

UN Loyalty Problem Up For Probe

WASHINGTON (AP)—House investigators sought to learn today whether a State Department hands-off policy on loyalty screening of Americans slated for United Nations jobs.

A House Judiciary Subcommittee called as its first witness, William L. Franklin, special assistant to the director of the State Department security office.

The subcommittee, headed by Rep. Keating (R-NY), is investigating alleged interference by the State and Justice Departments with a New York federal grand jury which last Dec. 2 said American subversives had infiltrated the U. N.

In a hearing last Dec. 31, former Secretary of State Dean Acheson told the subcommittee he had inherited a department policy of keeping hands off U. N. appointments when he became secretary of state in 1947.

Acheson's predecessor was James F. Byrnes, now governor of South Carolina. Committee members expect to hear from Byrnes directly before the hearings are concluded Friday.

New Chairman Named

HOUSTON (AP)—Earl C. Hankamer is the new chairman of the Houston Executive Committee of the Baylor University Board of Trustees, succeeding E. E. Townes who becomes honorary chairman.

No Over-All Milk Surplus Exists, Benson Asserts

CHICAGO (AP)—Agriculture Secretary Benson told dairymen today that if they adjust their production to the markets and do a good selling job "the surplus problem will be gone."

Benson summed up his views this way: "There is no over-all surplus of dairy products. Actually there exists a great shortage of milk to meet our full needs."

"What we have is a lack of adjustment to the markets—so that not all of the butter, cheese and dried milk is being consumed. If the adjustments are made and milk and milk products are backed by the selling that their merits justify, the surplus problem will be gone."

Benson was hooked to address the American Dairy Assn. at a time when farmers are worried by a downward slide in farm prices and the dairy industry is confronted with a surplus of such

commodities as butter. Benson related that in the new marketing year which starts April 1, the government will support dairy products at 90 per cent of parity.

He said this would give the industry time to work out plans to solve its marketing problems.

"You can solve your marketing problems without the kind of government supports which price your products out of the market," Benson said in a prepared speech. "We expect you to do so."

This was in line with Benson's basic policy of less government subsidizing of farmers.

He reported sales of butter per consumer had dropped almost 50 per cent in 10 years, and added: "Many say 'butter' has been priced out of the market. If that is true, then dairy farmers and the dairy industry had better seriously question the wisdom of recommending to the government that butter and other dairy products prices be supported at 90 per cent of parity."

As an example of the loss of markets "through artificial prices" in another field, he said the high support price for cotton has been "given credit" for stimulating the production of synthetic fibers.

CAN'T EXPECT PERFECTION!

CHICAGO (AP)—Except for one thing, Smokie, a German retriever, is a better golf caddy than a human, says his owner, lawyer Warren J. Carey.

Smokie is not only unerring in finding Carey's ball when they tour the Chevy Chase Course almost daily, but he finds 10 or 12 balls a day. Nor does he find some other golfer's ball before it is lost, Carey asserted today, although he didn't explain how the dog is able to differentiate.

His manners are impeccable—he stays off the greens, out of the traps and doesn't bark, says Smokie's master.

The lone shortcoming? Carey has to carry his own clubs.

Three Escaping Prisoners Are Shot Down By Turnkey

FT. WORTH, Tex. (AP)—A 73-year-old turnkey fired two pistols into a band of seven escaping prisoners yesterday, killing three and wounding another.

Chief Turnkey W. P. Foster thereby stopped the second attempted break in a little more than a month from the Tarrant County Jail.

Three others in the mob that rushed the jailer's office yesterday morning fled back into the jail and were beaten into submission by a Negro trusty.

Ten prisoners fled here Feb. 18. One of them, Floyd Hill, Alcatraz parole violator charged in a \$250,000 robbery, remains at large.

Three of those in yesterday's attempt had been recaptured after the February break.

Killed instantly was Bobby Dean Baker, 38, indicted for armed robbery. A moment before his violent end, Baker told his followers, "We're going for blood and death."

Lloyd D. Leshner, 17, held on car theft charges, also died. He had been Baker's confederate in the earlier break.

William Howard Ford, 20, jailed for car theft, also was fatally wounded.

Other slugs hit C. L. Eubanks,

held on burglary charges, in the mouth and right arm.

Foster had a flesh wound in the left thigh when a gun discharged as Eubanks and another officer fought for the weapon.

The attempted break began about 9 a. m. when jail guard Jess Miles went to the fifth floor of the jail for Ford and Eubanks. They said they wanted haircuts before regular Sunday morning church services. The pair overpowered Miles and freed the other five with his keys.

They were armed with a length of china, two knives, a club and a sharp-edged spoon, but had no guns.

As they rushed the jailer's office in the basement they found Foster and two deputies talking. Foster emptied his .38-caliber pistol. He grabbed another officer's .44 and fired it "several times."

Baker crashed to the floor dead. Ford fell at the base of the last door to freedom. Leshner tried to run into another office but fell with a bullet in the back of his head.

Eubanks was wounded, as he fought to get a gun kept in a desk drawer of the office.

The three others fled toward an elevator. The Negro trusty caught them there and beat them into a corner until officers took over.

New Tremors Hit Areas Of Turkey

ISTANBUL, Turkey (AP)—Further earth tremors yesterday shook down many of the houses at Venice and Gonen which had withstood the heavy quake last Wednesday.

The Red Crescent (Turkish Red Cross) reported no further casualties but said the area in western Turkey now is completely unfit to live in.

It broadcast an urgent appeal for 2,000 tents, as a foot-deep snowfall and continued cold weather added to the discomfort of refugees.

Four U. S. Air Force planes took 10,000 blankets and medicines from Istanbul.

Latest official and unofficial estimates of dead in the March 18 disaster range from 250 to 300 persons.

There might be some excuse for men living in a benighted land, they do not know where to turn to find inspiration. In this land libraries and churches and a thousand inspired men and women could lead into a better understanding of the Infinite. "They know not the thoughts of the Lord, neither understand they His counsel." - Micah 4:12.

Ike's Reaffirmation Of Nominee Virtually Snuffs Out Rebellion

Mr. Eisenhower's insistence that he wasn't having any trouble with Congress, contrary to the forecasts of gloom-spreaders, won striking confirmation with unanimous approval by the Senate Foreign Relations Committee of his nominee as ambassador to Soviet Russia, Charles E. Bohlen.

The 15-0 approval of Bohlen left Senator Bridges (R-NH), who is no less than the Republican President pro tempore of the Senate, and Senator McCarthy breathing heavily and talking darkly of further efforts to block Bohlen when his name comes before the Senate itself this week. Their sidekick in this enterprise, Senator McCarran (D-Nev) was not only the only Democrat to express opposition to Bohlen, but is almost certain to be the only member of that party to vote against his confirmation.

Johnson Slant On Partisanship In Nation's Security Most Wise

In Washington last week the leader of the Democratic minority in the Senate, Senator Lyndon B. Johnson of Texas, told a group of Texans that he is insisting that Democrats, as members of the minority party, be constructive rather than obstructive, and that America is above the dictates of partisanship.

has the bipartisan spirit of the Senate been strained, and in that instance Senator Johnson and his Democratic colleagues were solidly on Eisenhower's side. This is the kind of leadership the country needs, and the people of Texas can be proud that Lyndon Johnson, youngest man ever to lead his party in that august body, is providing that kind of patriotic leadership.

Ladies Of The Restaurant Are Seeking A More Dignified Name

The opinions contained in this and other articles in this column are solely those of the writers who sign them. They are not to be interpreted as necessarily reflecting the opinions of The Herald—Editor's Note.

There's a move afoot, I understand, to do away with the word "waitress." The ladies who deal them off the arm, some of them, at least, don't like it. Those championing the cause propose substituting "food hostess" for the word that may become as antiquated as "hasher" and "beanery."

Business Outlook - J. A. Livingston

Every Aspect Of The Economy Is Looking At Brighter Side Today

The sourpusses are a disappearing minority. And it's more than crochets, baseball bats, and spring. Almost everybody can feel hopeful and prosperous—the manufacturer, merchant, banker, broker, consumer—yes, even the farmer. It's the fashion these days to look at the sunny side. Let's go down the line, and see.

this time of the year, and their chief worry is too much debt. But borrowers' inventories don't seem excessive. So, bankers reason, loans ought to be safe. That's because total sales of manufacturers, wholesalers, and retailers are high. Stocks on hand would last only 1.6 months if sales continue at their recent level.

Hats Sell Faster If Man Buys Alone

NEW YORK (AP)—It takes the average man three minutes to buy a hat. If he is accompanied by a woman, the purchase takes 12 minutes.

Hot Water Needed In Southeast Asia. SAIGON, Indochina (AP)—In torrid Southeast Asia, where the heat is just about the biggest thing in anyone's life, there's one exasperating shortage—hot water.

Uncle Ray's Corner

Scientists Watched 'Eruptions'

A letter from Nels Johnson contains this question: "Are sponges really animals?" Yes, sponges are members of the animal kingdom. They are without heads or tails, eyes or ears, but they meet the definition which sets them apart from plants.

Tomorrow: Sponge Colors. To obtain a free copy of the illustrated leaflet on "Stamps and Stamp Collecting" send a self-addressed stamped envelope to Uncle Ray in care of this newspaper.

Mary Ann Wright Weds Lt. John H. Morton

Mary Ann Wright became the bride of Lt. John H. Morton in an informal, double ring ceremony Saturday evening.

Parents of the couple are Henry Wright, 1513-A Wood, and Mr. and Mrs. Bruce Morton of Hamilton.

The Rev. Jack Powers, pastor of the Trinity Baptist Church, performed the ceremony at 7 p. m. in the home of the bride's father.

The couple repeated their vows before an improvised altar decorated with stock, yellow daffodils and blue iris and flanked by white lilies in candelabra.

Given in marriage by her father, the bride wore a ballerina length gown of white nylon. It was designed with a deep bertha collar and a cartridge pleated skirt. Her short veil of illusion was caught to a calot covered with lilies of the valley.

She carried a spring bouquet of yellow and white ranunculus.

Regina Sullivan, attired in a yellow dress with a hoop skirt and a halo of white daisies, lighted the candles.

When the couple left on a wedding trip to San Antonio, the bride wore a blue faille coat dress with white accessories and a white handkerchief from Nicaragua, a gift of the bridegroom's father.

Mrs. Morton is a graduate of Deport High School, Paris Junior College and East Texas State College. She is an instructor at Howard County Junior College. Her husband, a graduate of Hamilton High School, Tarleton State College and ETSU, is an educational specialist at Lackland Air Force Base, San Antonio.

The bride will join her husband in San Antonio in June, after school is out here.

At the reception, immediately following the ceremony, the refreshment table was laid with white lace cloth. An arrangement of iris, stock and daffodils formed the centerpiece and crystal and silver appointments were used.

Mrs. Charlie Houston and Mrs. Marvin Baker served the two-tiered wedding cake which was topped by a miniature bride and groom.

LT. AND MRS. JOHN H. MORTON (Photo by Otis Chancellor)

Mr. And Mrs. Ted Fowler Are On Trip To New Mexico

Mr. and Mrs. Ted Fowler are on a wedding trip to New Mexico after their wedding Friday in Coahoma.

J. C. Bristol, minister of the Bowie Church of Christ, read the double ring ceremony at 8 p. m.

The bride is the former Eula Bell Self, daughter of Mr. and Mrs. Oscar Self of Coahoma. The bridegroom is the son of Mrs. Jessie Fowler of Coahoma.

Dorothy Fay Self, sister of the bride, and Bobby West attended.

Mrs. Bowman Entertains Sewing Club

FORSAN (Sp) — Mrs. R. L. Bowman entertained the Pioneer Sewing Club Tuesday afternoon in her home.

Secret pals were revealed and new names drawn. Refreshments and plate favors carried out the Easter motif. Mrs. George Overton was welcomed back after a leave of absence.

Twelve attended. Mrs. B. D. Caldwell will be the hostess on April 7.

YWA Makes Plans For Party At Meet

GARDEN CITY, (Sp) — The Garden City YWA met with Sandra Wilkerson Wednesday evening and plans were made for a party, March 27.

Time and place for the party will be set at the next meeting but members will come to the party dressed to represent the occupation they wish to take up in life.

Mrs. Richard Dodd brought the devotional and refreshments were served. The girls will have their next meeting with Deanne Marie Watkins.

A Gift From The District

Mrs. Harwood Keith, district president, registers surprise as she sees the silver tea service presented her Saturday morning at the awards breakfast during the final session of the District 8 convention of the Texas Federation of Women's Clubs. Mrs. Bob Eubank of Big Spring, state chairman of the soil and water division of the conservation of natural resources board and appointive member of the district board, made the presentation on behalf of the clubwomen in the district.

Judy Carol Wright Feted At Seventh Birthday Party

FORSAN (Sp) — Mrs. E. C. Sewell entertained with a party in her home Monday afternoon honoring her granddaughter, Judy Carol Wright, on the latter's seventh birthday.

Betty Ruth Sewell directed outdoor games and favors were balloons and bubble gum.

Refreshments were served to Christy Liles, Bettye Conger, Cheryl Ann Moore, Wilma Nancy Dunn, Glenda Prescott, Linda Alton, Sharon and Sandra Klahr, Dena Parker, Marilyn Huchton, Sharon Smith, Sharon Starr, Kenneth Soles, Harry King, Lester Duffer, Tommy and Jimmy Seward and Charles Newcomb.

Recent dinner guests in the home of Mr. and Mrs. C. R. Martin and Evelyn were Frank E. Fishell and John W. Edgar of Webb AFB.

Mr. and Mrs. T. T. Henry, Tommy and Danny were in Eunice, N. M., the past week end visiting her brother and family. Mr. and Mrs. Bill Rampley and Gregory. Guests of Mrs. George Overton and Mr. and Mrs. Jesse Overton

THIS IS GOOD EATING

CHEESE MUFFINS

Ingredients: 2 cups sifted flour, 3 teaspoons baking powder, 1/2 teaspoon salt, 2 tablespoons sugar, 1 cup very lightly packed grated cheddar cheese, 1 egg, 1 cup milk, 2 tablespoons butter or margarine (melted).

Method: Sift flour, baking powder, salt and sugar together. Stir in cheese. Beat egg until foamy; add milk and beat enough to combine; stir in melted butter. Add sifted dry ingredients; stir only until dry ingredients are moistened. Fill greased muffin pans about two-thirds full. Bake in hot (425F) oven 20 to 25 minutes or until lightly browned and cake tester inserted in center and comes out clean. Serve hot. Makes 12 medium-size muffins. Serve these with the dishes given below.

Vegetable Soup
Cheese Muffins
Sliced Pineapple

Mrs. Klahr Is Honored At Gift Tea

FORSAN, (Sp) — Mrs. Roy Klahr was complimented at a pink and blue tea given recently in the home of Mrs. John Kubecka.

Co-hostesses were Mrs. B. R. Wilson, Mrs. L. W. Moore, Mrs. C. C. Suttles, Mrs. C. C. Brunton, Mrs. Hoyt Andrews, Mrs. T. R. Camp, Mrs. E. B. Prescott, Mrs. Henry Park and Mrs. W. O. Averett.

The honoree was presented a corsage and was assisted at the gift table by Mrs. Delmer Klahr. Floral decorations were lilacs and ivy.

Guests included Mrs. R. H. Newcomb, Mrs. L. D. Garrett, Mrs. Pearl Scudday, Mrs. Ed Campbell, Mrs. W. B. Dunn, Mrs. Lee Ledford, Mrs. Berl Griffith, Mrs. Sammy Porter, Mrs. W. J. White, Mrs. W. E. Heidemann, Mrs. John Cardwell, Mrs. R. A. Chambers, Mrs. Robert Vick, Mrs. J. R. Asbury, Mrs. E. E. Everrett, Mrs. J. N. Seward, Mrs. E. E. Blankinship, Mrs. J. M. Stagner.

Mrs. Vera Harris, Mrs. Jim Snelling, Mrs. H. G. Starr, Mrs. A. J. Smith, Mrs. M. M. Hines, Mrs. Bettye Anderson, Mrs. L. B. Griffith, Mrs. J. D. Leonard, Mrs. R. L. Shelton, Mrs. V. L. Bennett, Mrs. C. J. Lamb, Mrs. L. W.

Tacky Party Entertains Baptist Girls

FORSAN, (Sp) — Mrs. E. E. Everett, councillor of the Baptist Church Girls Auxiliary, entertained members and guests with a tacky party in the junior department.

Glenda Whittenberg and Linda Kay Camp won prizes for the tackiest costumes.

Other guests were Janet Gooch, Dorothy and Johnny Crumley, Judy and Joyce Shoults, Betty Majors, Nedelene Pitcock, Lorita Overton, Carolyn Everett and Gaye Huestis.

Sorority Has Preferential Tea Sunday

Mu Zeta chapter, Beta Sigma Phi, entertained pledges and the Exemplar and Beta Omicron chapters at a preferential tea Sunday afternoon in the home of Mrs. Elmer Giles, 1100 Pickens Ave.

The tea table was appointed in silver and centered with an arrangement of sweetheart roses. Mrs. Jessie Bell presided.

Receiving were Mrs. Giles, Mrs. Zolzie Rawlins, Mrs. Betty Ray Clifton.

Others in the houseparty were Mrs. Jewell Reinhart, Mrs. Billie Marie Knoop, Mrs. Margaret Roberts, Mrs. Frances Doll, Mrs. Lee Lovelace.

Special guests were Mrs. Jeanette Rogers, Martha Lysath, and Charlotte Nichols.

Buttonhole Scissors Make Different Gift

Anyone that does a lot of sewing will be jubilant to have some buttonhole scissors. Now on the market are some made of finest quality tempered steel and they come complete with a side screw which gauges the size of the buttonhole.

Phelans Have Guest

Irvin Hurt of Wichita Falls, formerly of Big Spring, is visiting Mr. and Mrs. Dewey Phelan and Ikey Skiles. Hurt recently was discharged from the service after serving 19 months in Korea.

Study Club Hears Talk On Gardening

FORSAN (Sp) — Mrs. B. P. Huchton gave a talk on "Your Garden" when the Forsan Study Club met Thursday afternoon in the school.

Mrs. Lois O'Barr Smith presided and Mrs. H. L. Nixon was welcomed as a new member. Mrs. Joe T. Holliday showed a film, "Your Home."

Mrs. R. L. Bowman and Mrs. H. H. Story were hostesses for the social hour. Approximately 20 attended.

Mrs. Dennis Hughes, Raymond and Anne of Andrews have visited here during the week with her parents, Mr. and Mrs. B. R. Wilson, and Mr. and Mrs. A. D. Barton.

Mrs. J. D. Martin is a patient in Malone & Hogan Clinic-Hospital in Big Spring.

SERVING BIG SPRING

New Morales Restaurant And Bar Opens Tuesday

Frank Morales, who formerly operated a restaurant on West Highway 80, has moved to a new location, at 206 Northwest 4th and will open his new establishment on Tuesday. The building here is modern in every respect and will feature the same famous foods for which the other establishment was noted. Organ music and a bar are other features.

Morales To Open In New Location

Morales Restaurant and Bar, which has been under construction for several months, will be opened Tuesday.

Frank Morales, owner and operator, has announced that an open house will be held from 9 a.m. to 2 p.m. Dinner will be served at 5 p.m.

The completely modern restaurant is located at 408 NW 4th, just off North Gregg Street.

Although everyone is invited to attend the open house, reservations must be obtained for dinner service on the first night. Music will be furnished on the organ for both occasions.

The establishment is divided into two sections—the bar and the restaurant. Although the front entrance leads through the bar, a side door has been provided to give direct access to the restaurant.

Morales has a Hollywood style canopy over the front entrance. And the front is well equipped with neon signs broadcasting the food fare.

Immediately inside the front entrance is the Matador Bar, which can accommodate 42 people. There are 11 stools around the L-shaped bar, four booths and two tables.

The Matador Bar is trimmed in blue, red and yellow. The bar is trimmed in yellow leather, as are the booths. Lights are dimmed. Murals set in tile are spaced about the wall.

Dividing the bar and the Palm Room is a small music room in which the organ is located. Domestic curtains resembling bamboo sheathing are hung on the entrances.

Although Miller Allen of San Angelo will play the organ on open house day, Clyde Heslep of Orange will play each evening. Open house proceedings will be broadcast over radio station KTXC.

Heslep, airman at Webb Air Force Base, was a musician before entering the service and has played at numerous supper clubs in southeast Texas and southwest Louisiana.

The Palm Room is on a slightly higher level than the Matador Bar, and a walk-up is provided. Palm tree posts are centered in the dining room, which accommodates 110 people.

The dining room is colored in pink and green. Although indirect lighting is provided, Morales thinks it is too bright. Consequently he has several small lights burning in the ceiling which barely illuminate the room.

Each table is lit by candlelight. Actually the candles furnish the majority of illumination in the room.

The Palm Room also has a matador motif. Pictures of Pat McCormick showing her in the bull ring are scattered about the walls. Menus—which are giant size—are black with cactus outlines on them.

A new feature of the restaurant will be the revolving barbecue on the spit. The stainless steel revolving spit will be in the rear of the Palm Room, along with a refrigerated pastry and salad unit and a steak bar.

The kitchen has a stainless steel steak table, two charcoal broilers (open from 5 p.m. to 9 p.m.), two rows of stoves, a seafood storage unit, and an ice making unit.

Two huge fans to take smoke out the ceiling are located in the kitchen. There is also a huge cooler in the extreme rear of the building to store vegetables.

Also in the same building is a tortilla unit, in which fresh tamales and tortillas can be purchased.

Wines and champagnes will be served.

Truman Has Praise For Charles Bohlen

SAN FRANCISCO (AP) — Citizen Harry Truman, at a press conference yesterday, praised Charles E. Bohlen, ambassador to Russia, as "a very capable person...a fine man. I know him well."

Truman, his wife and their daughter, Margaret, then sailed for a 30-day vacation in the Hawaiian Islands aboard the liner President Cleveland.

CYLDE HESLEP

featured in the Matador Bar, and mixers for any special drink will be available. The bar will be open at 9 a.m. daily.

The Palm Room will be open starting with lunch at 11:30 a.m. Dinner will be served at 5 p.m. Daily, Mexican food, seafood, steaks and chicken will be featured.

There is plenty of parking space at Morales new restaurant. In addition to the front, cars can park in a large space at the side, near the direct entrance to the Palm Room.

Morales said the parking lot might not be completely ready for the opening, as he wants to spread gravel over it.

The old Morales Restaurant was located on West Highway 80 and it was closed several days ago.

U. S. Seeks Way To Free Trio Held By Reds

HONG KONG (AP)—Three Americans seized with their yacht were held by Communist China today as high British and American officials tried to figure out a move to free them.

The 42-foot yawl Kert, with its six occupants, was taken in tow Saturday by an armed Communist junk between Hong Kong and Macau, five miles west of British-occupied Lantau Island.

The Americans are Richard Applegate, Medford, Ore., former United Press correspondent now with National Broadcasting Co.; Donald Nixon, New York, International News Service correspondent, and Benjamin Krasner, Brooklyn, ship captain.

Two Chinese boat boys and a Chinese woman also were reported aboard the Kert. The craft was believed held at Lap Hap Mei Island, three miles southwest of Lantau.

U. S. and British naval officers and consular officials conferred Sunday but no action was reported.

Meanwhile, friends predicted a grim period ahead for the three Americans.

The last American who fell into Red hands in a similar manner was Robert Buol, a commercial transport pilot who landed in Red China in January of 1950. He still is held.

Several British have been picked up or drifted into Red waters from Hong Kong in the past three years. Most of them have been held from three to five months, then expelled.

Terrorists Arrested

NAIROBI, Kenya (AP)—British-led troops and police arrested 2,487 suspected Mau Mau terrorists in sweeping week-end raids. Six tribesmen were killed and six others wounded in scattered clashes during the roundup.

Most of the Kikuyu and Embu tribesmen were picked up because they lacked passes issued last week.

Woman, 107, Helps Break Ground For California Church

NORWALK, Calif. (AP) — Mrs. Christine Nelson turned a spadeful of earth on her 107th birthday.

She thus broke ground yesterday for construction of a new Mission Covenant Church to be built in her honor. The site was donated by her daughter, Mrs. Marie J. Schumacher, and Mrs. Schumacher's three children.

Born in Lingoms, Sweden, Mrs. Nelson lived in Gloucester, Mass., and New Sweden, Me., before coming to California in 1920. She attributes her longevity to "living a good Christian life."

On Way To Formosa

SAN FRANCISCO (AP) — Madame Chiang Kai-shek is on her way back to Formosa today after a seven-month stay in the United States for treatment of a nervous skin disorder.

The wife of the Chinese Nationalist President left aboard a Pan American clipper last night.

'Group Practice' Plan Rapped By Physicians

By FRANK CAREY
Associated Press Science Reporter

ST. LOUIS (AP) — Young family doctors would be just "flunkies" for specialists under a "group medical practice" plan advocated by ex-President Truman's health commission, a committee of family physicians says.

And the young doctors would have to answer all the calls in the wee small hours of the night for their specialist colleagues in the group, the committee charges in expressing a somewhat dim view of the "group practice" proposal.

In fact, the committee said, such a system could well mean the elimination of the family doctor from the American scene by discouraging young doctors from entering general practice.

annual report of the Commission on Legislation and Public Policy of the American Academy of General Practice (AAGP). The academy opened its annual meeting yesterday.

The academy commission said it had made a study of various recommendations made by the Truman-appointed Commission on the Health Needs of the Nation, which was headed by Dr. Paul Magnuson of Chicago. One of the recommendations of the latter commission, now officially disbanded after a year's work, was that doctors, in so far as possible, band themselves into "groups" so that patients could get a kind of one-package treatment from a team including various kinds of specialists

—and also a general practitioner or family doctor.

"The Magnuson commission believes that 'group practice' is the ideal arrangement," said the academy commission's report, "and goes on to state that the solo practitioner cannot render comprehensive care."

"They soften this by saying that there should be a general practitioner on an equal status with the specialists in the group, but knowing full well the difficulties that the general practitioner would encounter in such a setup, they have suggested that this is the place for the man who has just completed his training...."

"Without discounting certain advantages of group practice, at least for the doctors comprising the group, we believe that it is the quickest and surest way to entirely eliminate the family physician...."

The report said this would be true "because after making all of the night calls and doing all the 'flunky' work for the specialists in the group for a couple of years, the young general practitioner would be thoroughly convinced that he had chosen the wrong career, and that just any one of the ever-increasing specialties, in which there might be an opening, offered a better life for him."

Wildcat Oil Well Location Is Staked In Borden County

A wildcat location has been staked in Borden County, and a deepening project has been approved by the Railroad Commission for the discovery well of the Spade-Mississippi field in Sterling County.

The new wildcat is Helmerick and Payne No. 1 Dorward, which is six miles west and two north of Gall. It will test the Ellenburger, Austin Oil No. 1, Ellwood will be deepened. It was completed from 2,070 to 2,994 feet in the Mississippian and will be reworked for production in a higher zone.

Byrnes Says He Was Responsible For State Policy

WASHINGTON (AP)—James F. Byrnes said today he alone was responsible for the policy, when he was secretary of state, that the State Department would make no recommendations as to Americans applying for jobs with the U. N.

In a letter to a House Judiciary subcommittee, Byrnes denied specifically that Alger Hiss had anything to do with formulating this policy.

Byrnes, now governor of South Carolina, was secretary of state from July, 1945, to January, 1947. Hiss, an employee of the State Department during this time, has since been convicted of perjury for denying he passed secret information to a Communist spy ring.

Byrnes said his policy decision was reached in the light of conditions "as they then existed." It did not bind his successors if changing conditions made other action appropriate, he added.

The subcommittee has been looking into reports of subversive activity among Americans on the U. N. payroll, and into alleged interference by the State and Justice Departments with a New York federal grand jury's inquiry into subversives and the U. N.

The subcommittee solicited a statement from Byrnes in connection with testimony by then Secretary of State Dean Acheson last Dec. 31 that he had inherited from Byrnes a State Department policy against recommending U. N. job seekers or screening them for loyalty.

In his letter, Byrnes called attention to the wording of the U. N. charter. He said it gives the U. N. secretary general "absolute authority to select his staff" without obligation to consult with the State Department, or with other member nations.

He said his decision was made in the light of that provision.

Defendant Faints In Court; Trial Put Off

A Corporation Court trial was postponed this morning after the defendant, charged with drunkenness and affray, fainted in the courtroom.

A physician who examined the man said he passed out as a result of "previous drinking." The man arrested Saturday night following a disturbance at a local cafe.

SAPET (Continued From Page One)

penalty but he did expect Sapet to get 99 years or life sentence. The threat of a deathly silent courtroom in Brown County's old red brick Courthouse. One of the jurors was reported sick and a doctor was called, but before one could be summoned, the juror recovered from what was described as a "not serious" illness and the jury reported it was ready to return a verdict.

There were some 50 persons in the courtroom of the more than 100 that waited most of the bright Sunday for the verdict. The mother, sister, father and the girl young Floyd was to have married stared anxiously at the jury as it filed into place.

well is located on a 1,700 acre lease. Superior No. 2-500 Jones, C NW SE, 580-97-H&C survey, is drilling at 6,170 feet in lime.

Dawson Sun No. 1 Dean, C SW SW, 22-1-Pottsville survey, is drilling at 9,611 feet in lime, shale and chert. Texas Crude No. 1-109 Lindsey, 680 from north and 2,210 from east of lines, 109-M-EL&R survey, got down to 7,280 feet in anhydrite.

Glasscock Sinclair No. 1 Cox, C SE SE, 32-33-4e-T&P survey, is reported at 8,963 feet in lime and shale.

Howard Delbi No. 1 Hamlin, 1,650 from north and 2,310 from west of lines, 17-25-2b-T&P survey, is making a trip at 8,620 feet in shale. There are still no reports of drilling into reef.

Cosden No. 1 Allen, C SE SE, 57-2b-LaVaca survey, hit 7,410 feet. McCarthy No. 1 Vaughn, 2,970 from south and 330 from east of lines, 12-34-In-T&P survey, was reported past 2,930 feet Sunday. Operator believed drilling will hit contracted depth of 3,200 feet today or tomorrow.

Martin Phillips No. 1 C Schar, 1,320 from south and 700 from west of lease lines, section 234, LaSalle CSL, is drilling at 12,400 feet in shale and lime.

Mitchell Sun No. 2 McCabe, C NW SW, 22-1A-H&C survey, got down to 4,710 feet in shale and lime. Sohio No. 1 Yarbrough, C NW SE, 67-25-T&P survey, is reported at 2,135 feet in anhydrite and shale.

Annual Meeting of YMCA Is Set Annual meeting of the YMCA is set for 7:30 p. m. today in the high school cafeteria with Dr. Willis Tate, vice-president of the Southern Methodist University, as speaker.

25-18-LaVaca survey, hit 4,433 feet in lime and shale. Humble No. 1-B Coleman, 2,000 from north and 660 from east of lease lines, 77-97-H&C survey, has a corrected pumping potential of 5.81 barrels of oil plus 85 per cent water. Well was hydraulically fractured with 1,500 gallons. Gravity is 26.2 and gas-oil ratio is too small to measure. Top of pay is 3,130 and total depth is 3,145 feet. The 5/8 inch oil string is bottomed at 3,018.75 feet.

Sterling Austral Oil Exploration Company No. 1 Ellwood, 660 from south and west of lines, 78-18-SP survey, which was originally completed as the discovery well in the Spade-Mississippian field, will be reworked. It produced from 8,079 to 8,094 feet. It will be completed a second time from a zone between 7,000 and 8,157 feet, although operator does not know exactly where.

Young Orphan Has Party He'll Long Remember

CHICAGO (AP)—For the six-year-old orphan who had been warmed by his brothers and sisters that there might be none at all, David Hess' birthday party Sunday was one to last a lifetime.

Gifts for David, who was told that at six a boy "grows up and no longer cries for his mother and daddy," deluged the little household over which his 18-year-old sister, Carol, presides. There were plenty of gifts for the whole family, too, from sympathetic persons who read of the Hess troubles in the newspapers.

Carol had decided on an open house party to thank those who previously had sent gifts for David. To greet and thank visitors were David and Carol; William, 16, who has a job as a telephone operator; her twin, Walter, who earns money after school by clerking in a grocery store; Agnes, 15, who is in school; and Harry, 23, a thrice wounded veteran of the Korean fighting now stationed in Chicago.

BOHLEN (Continued From Page One) ate Foreign Relations Committee, which approved Bohlen, 15-0, last week. Dulles said in testimony released yesterday that he cleared Bohlen when McLeod "did not wish to take the responsibility" and passed the case on up to him.

Burglars Load Up With Small Change Burglars loaded up with small change at the Top Hat Cafe, 312 NW 4th, last night.

Standby Control Law Is Urged By Baruch

WASHINGTON (AP)—Bernard M. Baruch said today that if war comes and finds the government unprepared to clamp on immediate economic controls, "there will not be a person alive who will not bitterly rue this tragic needless neglect."

Urging that the administration and Congress get together on a standby economic control law—or that Congress do it alone if necessary—the New York financier and adviser to presidents said:

"The next war—and all of us pray it will be avoided—is likely to explode in a big smash. Cities may be all but obliterated. Who knows where Congress will be? ... You face a simple issue." Baruch said in a statement to the Senate Banking Committee. "Are we to take the elementary precaution of writing into law now what we know would have to be done in event of emergency?"

"Or shall we neglect this vital measure of defense and, in doing so, increase the risk of war, add

35 Perish In Crash Of New Mexico Plane

Thirty service men en route to the Far East and a civilian crew of five, including two women, from Roswell, N.M., died in this twisted mass of metal that once was an airplane, 20 miles south of Oakland, Calif., Friday night The DC4 was approaching to land. An investigation is under way. (AP Wirephoto).

Auto Workers Plan To Curtail Commies

By GLENN ENGLE

ATLANTIC CITY, N. J., (AP)—Leaders of the CIO, United Auto Workers readied a new weapon today aimed at curbing any Communist or sympathizer within the union's 1,350,000 membership.

A constitutional amendment prepared for presentation to the UAW's international convention would make it easier to prove a member is a Communist and thus ineligible to hold office in the union.

The auto workers was one of the first to bar Communists — Nazis and Fascists too — from office. But it has found it difficult to prove, under the present provision, that any particular member is a Communist or subservient to the party.

The new provision, whose details were not disclosed before presentation to the convention, would make the proof easier. However, it still would not oust Communists or sympathizers from membership — only from office.

As the convention went into its second day it became apparent that tightening of the anti-Communist provision would be one of three major issues to come up. The others will be:

1. The formal launching of the UAW's campaign for a guaranteed annual wage in 1955.
2. The marshaling of support of the nearly 3,000 delegates behind the union's demand that the auto industry revise the current five-year contracts to meet inflationary developments since they were signed in 1950.
3. UAW President Walter P. Reuther has hinted strongly that the union wouldn't hesitate to strike if necessary to win either the annual wage or the current contract revisions.

In his opening address yesterday, Reuther called the annual wage the only means of bringing about full employment and full production in peacetime.

Reuther told the delegates he still is hopeful that further action can be taken at a Washington meeting April 7 toward merging the AFL and CIO.

In speaking for a merger resolution he laid down four terms which he said the CIO would insist upon:

1. The CIO's industrial union structure "must remain intact" and "under no condition will we permit any craft to chip away any piece of our industrial union structure."
2. There must be machinery set up for settling long-smoldering jurisdictional fights between AFL and CIO unions.
3. Membership in all unions must be open to all people regardless of race, creed or color.
4. Both organizations must rid themselves of any racketeers and Communists.

Debenport Rites Set For Today

Funeral for H. R. Debenport, 71, who had served Howard County as judge longer than any other individual, will be held at 4:30 p.m. today.

Dr. P. D. O'Brien, pastor of the First Baptist Church, where "Judge" Debenport was a member, will be officiate at the rites in the Eberly-River Chapel. Burial was to be in the city cemetery.

"The judge," as he was affectionately called, had served as county attorney from 1911-15 and as county judge from 1923-35. He had been licensed as an attorney in 1903 but it was not until 1910 that he began actual practice. Prior to that he had taught school, including posts at Vincent and Morris in Howard County. Stricken in 1933 with rheumatic and arthritic conditions, he never walked again. For the past seven years he had been confined entirely to his bed.

Palbearers were to be George White, Lee Porter, W. C. Blankenship, Jack Wallace, Walton Morrison, Joe Pickle, W. L. Wilson Sr., Sonny Edwards, L. S. Patterson, Dr. G. T. Hall. Members of the Howard County Bar Association will be honorary palbearers.

Delegation Attends Midland Luncheon

Big Spring and Howard County were represented by a 12-member delegation at a luncheon honoring Fred Wemple and Marshall Formby in Midland today.

The event, sponsored by the Midland Chamber of Commerce, was in appreciation for services of Wemple, Midland, recently retired State Highway Commissioner, and as a get-acquainted gesture toward Formby, of Hereford, Wemple's successor.

The luncheon was held in conjunction with the Midland Kiwanis Club meeting at the Scharbauer Hotel.

Attending from Big Spring were Sam McComb, Otis Grafs, Olen Puckett, H. W. Whitney, Jack Y. Smith, Willard Sullivan, Champ Rainwater, J. H. Greene, Arthur Stallings, Pete Thomas, Earl Hull, and Ralph Proctor.

Highway Patrolmen Issue 12 Tickets

Highway Patrolmen Amos Johnson and Jack Taylor issued 12 traffic tickets on area highways over the week end. They said most were for speeding, not obeying stop signs, and driving on the wrong side of the road. Several tickets were issued at the highway intersection north of Stanton where an accident resulted in three deaths last week.

Visit in Ft. Worth

Mr. and Mrs. W. A. Carter, 1516 Stadium, visited Mr. and Mrs. John Moore in Fort Worth over the week end. Mr. and Mrs. Moore formerly lived in Big Spring. Mr. Moore was associated with Southwestern Bell Telephone Company.

Turbulent Weather Slated To Calm Down Over State

By The Associated Press

Turbulent Texas weather that produced a minor tornado and sank three boats in a choppy lake calmed down Monday. The Weather Bureau promised a fair, mild day for the whole state.

The twister dipped into a rural area nine miles north of Marshall Sunday, destroying a barn and damaging another. Heavy rain fell at Carthage, where a tornado did \$30,000 damage in a residential section 10 days ago.

Waves churned up by high winds on Womack's Lake north of Paris sank two fishing boats and a rescue craft. All six occupants reached safety, however.

Gusty northerly winds blew dust

Baptists Planning A Home For Aged

HOUSTON (AP)—A home for the aged here will be sponsored by Houston Baptists and the Buckner Benevolences of Dallas.

Present plans call for a unit to house 50 people at a cost of \$250,000. The long-range program is for facilities to care for 200 to 300 people. Buckner Benevolences purchased a 45-acre tract on Houston's Memorial Drive for the Texas Baptist haven. A medical clinic will be included in the construction program.

LOOKING 'EM OVER

With Tommy Hart

Floyd Martin, the local boy who plays baseball for the Odessa Oilers, is Army-bound. Bad leg and all, he recently passed his service physical. He's due to go in about 45 days. Brother Pepper Martin had been counting on him to play second base.

TOURNEY PAID OFF

So much money was made in the Region 14 junior college basketball tournament at Tyler recently, Lon Morris was voted \$1,000 to make the trip to the National Tournament at Hutchinson, Kansas.

HGCJ got only \$600 for coping the Region 5 Meet at Amarillo, found it needed another \$500 for expenses. In addition, the Region 14 committee voted \$170.80 to each of the other seven coaches which brought teams to the Tyler show for expense money to and from the National Tournament.

That means Johnny Frankie, who took Wharton to the most last year (and won it) and Kilgore's Claude Owens — both of whom brought teams to the Howard College Tournament here in January — will get to see the show.

Here's information about which some readers have been asking: The Cleveland Indians and the New York Giants make their annual stop in Lubbock April 3, which falls on a Friday.

West Texas State's basketball team, for which HGCJ's Charley Warren may play next season, is booked to appear in New York's Madison Square Garden.

The Canyon Buffaloes used to be known as the "world's tallest team" when they appeared in New York. Charley will have to wear high heel boots and a ten-gallon hat to get past the six-foot mark.

He doesn't need the height to make the city folks open their eyes, however.

Paul Dean, the junior member of the "Me-n-Paul" firm of St. Louis Cardinal fame, noised it about in El Paso recently that seven of the eight clubs in the WT-NM League lost money last season. He's probably right.

The Longhorn League clubs fared better, because they operated more sensibly and didn't pass out the fabulous salaries the WT-NM teams paid. It was for that very reason the WT-NM League lost one of its best members, Lamesa.

There's a tendency toward that sort of thing in the Longhorn League, though. It will remain a going concern only so long as the wealthy clubs are kept in line. That's a job for every one concerned, from the league president to each league director.

True, each team is plagued with holdout worries but the hard-to-sign players usually come around in April. It's hard to beat those two-hour work days.

Relays Action

The Texas University freshmen didn't fare too well in the West Texas Relays at Odessa last week, but Joe Childress, Odessa native, showed to advantage. In the top photo, he's shown winning the 100-yard dash easily. In the lower picture, Bobby Baker, of Foran and HCJC, accepts a medal from Starter Abe Martin after having placed third in the broad jump.

CASEY HAS TROUBLE

Yankees' 'Big Three' Ailing

By ED CORRIGAN
AP Sports Writer

Manager Casey Stengel won't admit he's worried yet, but he certainly has a problem with the season opening in only three weeks. It's pitching.

And no team has ever won a pennant without pitching.

Allie Reynolds, Vic Raschi and Eddie Lopat are three names that should strike terror into the hearts of opposing batters. But Reynolds is nursing a "pulled muscle" in his back and doesn't know when he'll be able to toe the mound again. Raschi looked horrible yesterday against the Cincinnati Reds, although the Yankees won the ball game, 13-1, and Lopat hasn't made an appearance yet.

About the only bright spot in this dreary day for Stengel came when he talked to Redding Manager Rogers Hornsby about Ewell Blackwell. There had been rumors that the Whip wouldn't be much help to the Yanks, but Hornsby pooh-poohed the idea.

"It's true Blackwell isn't in condition yet," said Hornsby, "but he never is at this time of year. Blackie ought to win between 10 and 15 games if he works regularly."

If the Yank pitchers don't round into form, Blackwell will see plenty of action. In yesterday's slugfest at Tampa, Raschi couldn't hold an 8-1 lead his mates built for him in three innings. All told he was walloped for 10 hits in five innings. His relief, Bill Miller, was even worse. He was tagged for 10 in four innings.

Bubba Church and Barney Martin divided the hurling chores for the Reds. They, too, turned in sad performances, so Hornsby had nothing on Stengel, or vice versa.

But New York Giants' Manager Leo Durocher, who has had his share of headaches this spring, apparently was minus at least one headache, although his operatives suffered a 1-0 loss to the Oakland Oaks of the Pacific Coast League in Oakland.

Larry Jansen, who won only 11 games last year because of a sore back, started and cut loose for the first time. He allowed the Oaks only one hit in his five innings on the mound. If he can come close to his 1951 form when he won 23 games, the Brooklyn Dodgers can begin worrying.

CHURCH

All Aboard For Kansas

Members of the HCJC basketball team, together with their coach, Harold Davis, are shown here boarding the Eagle Sunday morning for Kansas and the National JC Tournament, which begins Tuesday and continues through Saturday. The team was to arrive in Hutchinson, scene of the tournament, this morning.

LITTLE SPORT

Buffaloes Hand Eagle Loss

The winning ways of the Dallas Eagles were changed in Houston Sunday when the Buffs handed Dallas a 5-3 loss in an exhibition baseball game.

Dallas had seven previous exhibition wins against Texas League opposition.

In other games Sunday Oklahoma City won 8-4 over Beaumont in Beaumont, the Port Arthur Sea Hawks of the Gulf Coast League edged the Tulsa Oilers, 8-7, and New Orleans beat Shreveport, 2-1, in New Orleans.

Houston batters got 16 hits off Dallas pitchers John (Red) Murff and Pete Mazar. The Buff's attack was led by Virgil Wallace with a double and a single and Harry Elliott with three singles. Gary Blaylock and Richard Umberger scattered seven Dallas hits over six innings.

Oklahoma City scored five runs in the top of the ninth inning in Beaumont. A lazy fly lost in the sun with two outs allowed two runs to score after the game had been tied. The Indians got two more runs before the Exports could stop the rally.

Hal Valentine of the Tulsa Oilers wild-pitched home the winning run in the seventh inning in the Port Arthur game. Chico Barcello scored on the misplay.

Tulsa had a 5-0 lead after two innings, but lost it in the second when Port Arthur scored six runs. The game was tied again in the fifth.

San Antonio meets Toronto Monday night in an exhibition game in Bartow, Fla.

That means Johnny Frankie, who took Wharton to the most last year (and won it) and Kilgore's Claude Owens — both of whom brought teams to the Howard College Tournament here in January — will get to see the show.

Here's information about which some readers have been asking: The Cleveland Indians and the New York Giants make their annual stop in Lubbock April 3, which falls on a Friday.

West Texas State's basketball team, for which HGCJ's Charley Warren may play next season, is booked to appear in New York's Madison Square Garden.

The Canyon Buffaloes used to be known as the "world's tallest team" when they appeared in New York. Charley will have to wear high heel boots and a ten-gallon hat to get past the six-foot mark.

He doesn't need the height to make the city folks open their eyes, however.

Paul Dean, the junior member of the "Me-n-Paul" firm of St. Louis Cardinal fame, noised it about in El Paso recently that seven of the eight clubs in the WT-NM League lost money last season. He's probably right.

The Longhorn League clubs fared better, because they operated more sensibly and didn't pass out the fabulous salaries the WT-NM teams paid. It was for that very reason the WT-NM League lost one of its best members, Lamesa.

There's a tendency toward that sort of thing in the Longhorn League, though. It will remain a going concern only so long as the wealthy clubs are kept in line. That's a job for every one concerned, from the league president to each league director.

True, each team is plagued with holdout worries but the hard-to-sign players usually come around in April. It's hard to beat those two-hour work days.

THIS AFTERNOON

Longhorn Tennists To Play Buffaloes

Four members of the Big Spring High School boys' tennis team will accompany Coach Wayne Bosner to Foran for matches this afternoon.

Steers Seventh In Golf Meet

ODESSA — Big Spring High School linksters finished seventh in team play of the West Texas Relays high school golf tournament here Saturday. The meet was won by Amarillo, with a combined score of 638.

San Angelo was second, Pampa third, Odessa fourth, Abilene and El Paso High tied for fifth, Jefferson of El Paso and Midland tied for eighth, Borger tenth, Bowie of El Paso 11th, Pinalview 12th, Kermit 13th, Austin of El Paso 14th and Andrews 15th.

Big Spring's combined score was 665. Medalist of the meet was Eugene Johnson of Abilene, who posted a two-day score of 155.

Bluebonnet Relays Next For Steers

Track Coach Mac Alexander sends his Big Spring High School track and field team back to the drill field this afternoon to begin preparation for the Bluebonnet Relays in Brownwood, which take place Saturday.

The Steers failed to score a point in the West Texas Relays at Odessa last week end but Alexander says they are making progress.

The team plays host to more than 30 schools in the American Business Club Relays here Saturday, April 4.

Part of the Bluebonnet Relays are scheduled at night, incidentally.

Officials Named For Nationals

Alex George, Kansas City, will serve as chief official of the National Junior College Basketball Tournament, which begins in Hutchinson, Kan., Tuesday. HCJC of Big Spring is one of the 16 teams in the meet.

George will be assisted by Rollie Clarkson, Atchinson, Kansas; Church Warrall, Lincoln, Neb.; Jim Wilcoxin, Topeka, Kansas; R McClain, Hutchinson; and Vic Gannon, Kansas City.

SPRING FOOTBALL

Two Texans Drill With Florida II

GAINESVILLE, Fla. (SpI) — With a couple of Texans in the midst of operations, the Florida Gator footballers are in spring drills designed to have them clicking smoothly for the opening date with Rice in Houston next September 19th.

Tackle Howard Chapman, from Corsicana, and guard Jim Keck, of Grand Prairie, are battling for line positions. Chapman, a 6-6, 235 pounder, was a defensive tackle last year and Keck entered school here in February.

We'll have to give the boys a highly concentrated dose to get across the many things we have to do before being called on to play Rice in the first game," Coach Bob Woodruff, the former Baylor mentor, said.

"Losing 19 lettermen from last year makes it a pretty tough proposition and Doug Dickey is the only one of our boys who has played both offense and defense."

Dickey played three games at safety last season and then took charge of the quarterbacking for Florida's T-formation offense.

The 19 missing lettermen were the major cogs that took the Gators to their finest season since 1929 and then powered them to a 14-13 win over Tulsa in the Gator Bowl.

Pampa, Plainview Play On April 7

SWEETWATER — The Pampa Oilers of the WT-NM League, who arrive here Thursday to launch spring drills, play their first exhibition game Tuesday, April 7.

At that time, the Oilers tangle with Plainview, new WT-NM member. Lubbock plays here April 9.

Local Fem Fourth In Bowling Meet

Mary Ruth Robertson, Big Spring, finished fourth in Class B Singles in the 19th annual Texas Women's Bowling Tournament at Houston, which closed Sunday night.

Mrs. Robertson's score was 540. Winner of the event was Billie Wilson, Dallas, who posted a 603.

Keil Is Pleased

SARASOTA, Fla. (AP) — Third Baseman George Keil — on whose physical condition hinges a lot of the Boston Red Sox pennant hopes — says "I'm tickled to death with the way my back has held up."

Schools To Get Huge TV Cut

KANSAS CITY (AP)—The National Collegiate Athletic Assn. is going to slice a million-dollar pie for 51 schools whose football teams appeared on television last year.

That fact emerged from a 2-day meeting of the NCAA Executive Committee which ended here today.

Walter Byers, NCAA executive director, said sponsors of the organization's 1952 controlled football television program paid \$1,151,109 to televise 33 "live" games. He said it wasn't known yet just how much each school's share of the pie would be.

The committee hopes to complete work on the 1953 television budget at a meeting in New York April 7-8.

Mack Pleased With A's Club

WEST PALM BEACH, Fla. (AP)—Connie Mack says the Philadelphia Athletics have their best squad in years.

The 90-year-old president of the Athletics, said, "The pitching looks good. Some time ago I told Bob Shantz that I thought Harry Byrd would turn in a better record than he would this year. But, the way Shantz looked against Brooklyn, I'm not so sure. This new boy, Marion Fricano, looks like a fighter, very, very good, and John Mackinson and Charley Bishop show definite promise."

Serena Is Batting Cleanup For Cubs

LOS ANGELES (AP)—Bill Serena apparently is ahead of Ransom Jackson in their battle for the Chicago Cubs third base job.

Serena has been batting in the injured Hank Sauer's cleanup spot in recent exhibition games and has looked good.

Texas Favored To Win S'west Baseball Title

By The Associated Press

Five games this week launch the fight for the Southwest Conference Baseball Championship with Texas, as usual, favored to win it.

The Longhorns started the season last week in impressive fashion. They slugged Baylor twice in nonconference games, a 5-0 win and a 4-0 win, and a 2-1 win in adequate pitching.

Texas opens the conference race Thursday against Texas A&M at Austin. The Aggies split two games with Rice last week in making their season start, beating the Owls 7-6 in the first game but dropping the second 3-2.

Friday Southern Methodist and Texas Christian open the conference campaign, playing at Fort Worth. They shift to Dallas Saturday. Baylor and Rice play at Houston Friday and Saturday in the other conference tests on the schedule.

Texas is the only undefeated team in the conference, showing a 2-0 record.

The Longhorns whipped Baylor 10-5 in the first game last week then clouted the Bears 25-7 with a 25-hit attack in the second.

Monday Texas A&M plays University of Houston at College Station while Texas begins an inter-sectional series with Minnesota at Austin. Baylor plays Texas Christian at Waco. Tuesday Texas Christian engages Hardin-Simmons at Fort Worth and Wednesday Southern Methodist starts a two-game series with Hardin-Simmons at Dallas.

Texas A&M plays Minnesota at College Station Friday and Saturday.

Jansen Slows Oaks But Giants Lose

OAKLAND, Calif. (AP)—Manager Leo Durocher of the New York Giants was looking forward to Larry Jansen taking his regular turn on the mound today, and that nearly eliminated one big worry for the Giants' pitcher.

Without Jansen, the club would be in bad shape. The Giants lost yesterday's game to the Oakland Oaks of the Pacific Coast League, 1-0, but Jansen faced only 15 men and gave up one hit in five innings.

Before yesterday's performance, he hadn't tried to extend himself on orders from Durocher, who wanted to see how Larry's back was responding.

Law On Red Trade Is Not Well Enforced

By RUSSELL BRINES
WASHINGTON (AP)—Rep. Battle (D-Ala.) said today the Communists still "get pretty much what they want" in strategic material from the West, and that the U. S. should wage "a vigorous and comprehensive" campaign to shut it off.

He said present measures are inadequate and not properly enforced. Battle issued a report to the House summarizing progress in enforcing an act, which he sponsored, to cut off American assistance to Allied nations which knowingly ship strategic materials to the Red bloc. Compliance has been universal among nations receiving U. S. assistance, he said, and over 300 items are subject to embargo. But, he added, the act does not apply to neutral nations not getting U. S. aid and has no effect on closing such "legal leaks" as the free ports of Europe. Battle said the act "has been administered with less firmness and determination" than Congress expected, particularly in efforts to obtain the voluntary co-operation of nations not obligated to participate. He said also the program has been handicapped by "a division of authority and responsibility" and "90 per cent of the energy devoted to administering the Battle Act has been used up in reconciling the conflicting views of Washington agencies...."

The congressman proposed a long-range economic "program of economic defense" centralized under a single American official and geared to a global effort to "cut off goods needed primarily by Communist war machines." Battle said Red countries are getting strategic goods from such neutral nations as Switzerland and Sweden by transshipment through European ports where no customs inspections are made and through the use of chartered ships. The government, in legal moves against such operations, announced last week it has moved to declare in default the mortgages of 14 surplus ships sold to Greek companies. It also seized, at Transbay Richmond, Calif., the tanker Seven Seas, charging it had been bought illegally by aliens using U. S. citizens as dummies.

Second Ship Of Jap Repatriates Due From China

By JIM BECKER
MAIZURU, Japan (AP)—A second repatriation ship, Takasago Maru, arrives today from Shanghai with 1,959 Japanese nationals stranded in China since the end of World War I. The first group of 2,009 men, women and children arrived in a peeling rain early today from Chinwangtao, Manchuria, aboard the Koan Maru. By midsummer, some 25,000 Japanese—some held as long as 16 years—were scheduled to be returned from China. Swarms of newsmen who boarded the Koan Maru today from fishing launches heard conflicting stories of life in Communist China. Some returnees wept for joy at the sight of their homeland. Others defiantly spouted Red propaganda. However, Mayor Tasuo Sagane of Maizuru, who met the ship, said the passengers were the most orderly group yet to arrive at this huge repatriation center from a Communist country. Some repatriates talked freely. Others glowered, close-mouthed. A few showed and pushed the only two Americans in the press party. Some described Red China as a paradise; others told of being driven at pistol point to work in Communist factories. Almost all said Red China was conducting a successful war against germs and flies. Some said the Communists taught them that South Korea invaded North Korea and that U. S. troops are waging germ warfare in Korea. They blamed the U. S. for the breakdown of truce talks. The Japanese said they acquired these beliefs in study groups which met in factories, offices and rural districts.

Boy's White Nylon Sport Shirt

A wonderfully cool, handsome 100% Nylon "Wash-a-Buri" sport shirt for boys, styled by Kaynee . . . short sleeves . . . convertible collar . . . in white only. Sizes 2 to 20.

Atomic Explosion Is Due Tuesday

LAS VEGAS, Nev. (AP)—Another atomic blast is indicated for tomorrow. The Atomic Energy Commission called a press conference for today. The past pattern in nuclear tests on Yucca Flat has been press conference one day—bomb explosion the next unless the weather was unfavorable. Meanwhile, 53 of the nation's top experts on atomic energy begin today a series of meetings that will continue through Thursday.

GOP Is Considering 'Big Name' Chairman

By JACK BELL
WASHINGTON (AP)—Some Republicans are discussing the possibility of replacing C. Wesley Roberts with a "big name" chairman of the GOP National Committee. This suggestion has come primarily from associates of Sen. Robert A. Taft (R-Ohio) but also national committee members who are friends of Roberts and were pre-nomination backers of President Eisenhower. Roberts became GOP chairman after the November election, succeeding Arthur E. Summerfield, who became postmaster general. Roberts has been under fire in Kansas for his part in the 1951 sale of a fraternal insurance organization's building to the state. The national chairman said he got an \$11,000 fee for public relations work in the \$110,000 sale but denied he lobbied among legislators for it.

erty, either already belonged to Kansas or would revert to the state if the insurance company abandoned it. Some of Roberts' friends concede

a clean bill from the legislators may not be enough to head off any future move to replace him as GOP national chairman. This is

based, in part, on the theory that Democrats will continue to try to make political capital out of the Kansas inquiry. Aside from the Kansas case,

however, some Republicans apparently feel Roberts' hasn't the national reputation to swing big contributions and to command headlines.

French Painter Dies

PARIS (AP)—French painter Raoul Dufy died today at the age of 75. The French news agency announced. He had been a long-time sufferer from arthritis.
