

Labor Day Celebration Set Sept. 5

Frank A. Gray Park Association has a full day of activities planned for the Labor Day Weekend. Festivities will be held at the park Saturday September 5th, beginning at 3:00 p.m. Everyone will enjoy the carnival with booths, a Cake Walk, Dunking Pond, Dart Throw, Football Throw, Penny Pitch, Ring Toss, Grab Bag, Water Toss, and Three Wheeler Run. All of these activities is something the young and old and in-betweens will enjoy. Watermelon stands will serve sliced melons, homemade ice cream will also be available. Balloons filled with helium will be available for the little ones.

You can munch to your hearts content as concession stands will be filled with delicious sandwiches, barbecue and sausage, cold drinks and snow cones.

The Tropics, a band from Eastland and Abilene will provide music for the dance beginning at 8:00 p.m. A new slab has been constructed at the park for dancing. Members of the band are Herman Alsup of Eastland, former band director at Gorman, Michael Henry Martin of Abilene, who has his own recording studio and Bob Wimberly and Al Rogers both of Abilene. This is the original Tropics group. Admission charges to dance will

be \$3.00 for singles and \$5.00 for couples.

The Association has planned something different for this celebration and something everyone will enjoy. So make plans to attend.

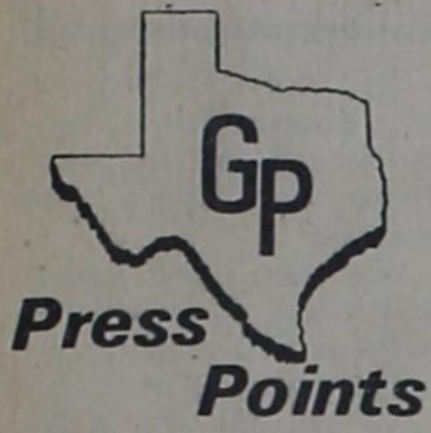

Anyone who would like to help by making a cake for the Cake Walk, please contact Nelda Mauney, or Blanch Browning and anyone who would like to make ice cream, contact Pam Childers or Brenda Hirst. All proceeds from the sales at the park will be used to make improvements at the park.

The Association needs your help and if you can help these ladies, it will be greatly appreciated.

OUR 81ST YEAR OF SERVICE

FALL REVIVAL AT FBC

The Gorman First Baptist Church will feature Boyce Evans, as evangelist and Larry Turner as Evangelistic singer in their coming Fall Revival, August 16-21. The revival will begin Sunday morning, the 16th, and evening services will be at 7:30 P.M., Sunday through Friday. The members and pastor of the church extend a cordial invitation to everyone to attend the services. There will be noon services Monday through Friday, with a covered dish luncheon each day. Everyone is invited to bring a covered dish, stay for lunch and hear Dr. Evans speak. Those who must return to work by 1:00 P.M. will have plenty of time to get back to their jobs.

It seems as though the rain has escaped us again. The weatherman has said that we were in for some rain but so far we haven't gotten narry a drop. The peanuts and grass are in dire need of some moisture and it will come soon or it may be too late. So lets all seek the help of the Lord when you go to him in your quiet time.

The cloudy weather did serve to cool things off some as the "cold front" moved through, but it is expected to get hot again in a day or two.

The Panthers are now in two-a-day workouts in shorts and are now in the physical drills in preparation of getting in shape for the season.

The Big Red will start workouts in pads next week and get down to some real tough conditioning. It was reported that about 25 had reported so far for workouts and a few more are expected to come out also.

According to the Harris System the Panthers are expected to do well this season and the fans are all ready for the season to begin.

Several of the "arm chair quarterbacks" have been at the workouts to help support the team.

The oil activity continues at a brisk pace in the area as several drilling rigs are operating in the community.

Also the pipelines to be laid in the area will help considerably as some have been waiting for the lines to be put in so that production could begin.

I saw about seven rigs within a short distance last week while driving on the Carbon highway. Some were to the south and some to the north of the highway.

So the oil activity in continuing at full swing.

Ruby Lee was telling me on Tuesday that James had just about completed their expansion project on their home and stated that as soon as the carpet was laid the inside would be completed. Then the finishing touches will be done on the outside.

Jerry and Brenda are in the finishing stages of installing a fireplace in their home on the Ranger highway and the renovation project is expected to be completed soon. Now poor ole Jerry will have to go out and hunt wood for the fireplace to keep the house cosy and warm.

I think we have failed to mention the Welch family has completed the finishing touches to their mobile home just past the Shorty Welch home on the Kokomo highway. The stone work on the home has really made a beautiful place and the yard landscape just sets it off nicely.

We understand that another new home is to be built out on the Desdemona highway pretty soon. We don't have the details as yet but will give you the information as soon as we can get it.

Guess most folks have noticed that the old front has been removed from the Senior Citizens Center downtown. A new awning and a new front will be constructed on the building.

And remember to smile because God Loves You!

GORMAN SCHOOL HOME COMING SATURDAY OCTOBER 24

Homecoming Officers for the year 1981-82 are: Brent Lasater, President Woodrow Browning, 1st Vice President Louise Rankin, 2nd Vice President Kay Snider, Secretary Ruby Lee Kinser, Treasurer Lottie Morris, Reporter

Peanut Supports Same as '80 Crop

WASHINGTON, D.C. — Price support levels, by type, for the 1981 peanut crop were announced last week, by Everett Rank, Administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service. The 1981 crop rates, premium discounts, quality and location adjustments are the same as for 1980 crop peanuts, he said.

Rank said the average price farmers can expect for a short (2,000 pounds) ton of peanuts is \$451.69 for Virginia type; \$459.09 for Runner type; \$437.89 for Spanish type; \$451.69 for Valencia from the Southwest that are suitable for cleaning and roasting; and \$437.89 for other Valencias.

Rank said the rates announced are based on the national average price support level of \$455 per ton.

The actual support levels depend on the percent of the various sizes of kernels in each ton of nuts, Rank said. The method of computing differentials will be the same as for the 1980 crop, he said.

For each percent of sound mature kernels and sound split kernels, the support level per ton is: Virginia, \$6.518; Runner, \$6.390; Spanish, \$6.422; Valencia in the Southwest that are suitable for cleaning and roasting, \$6.786; and other Valencias, \$6.422.

The percentage factor used in calculating the loan value of additional peanuts will continue to be 54.95 percent because the 1981 national support levels for quota and additional peanuts remain unchanged from the 1980 levels, Rank said.

Mr. and Mrs. J. O. Sparger of Hobbs, N.M. returned home Tuesday after a weeks visit with Mrs. Velma Bennett. Mrs. Bennett accompanied them to Dallas for their medical checkups. Darwin May of Andrews visited Velma on Saturday.

Mrs. Charles Brown and Brandon of Whitesboro visited from Sunday to Thursday with her mother, Mrs. Dorothy Hatcher.

boy and received knowledge of relating to men in all walks of life. His base of operations is Lubbock, Texas, where he flies his 10 place Navajo twin engine turbo plane to evangelistic meetings from coast to coast.

Boyce Evans has recently earned a Doctor of Ministries Degree from Luther Rice Baptist Seminary and an Honorary Doctor of Divinity Degree was conferred on him by Linda Vista Baptist College. He's also listed in WHO'S WHO IN AMERICAN RELIGION.

Boyce Evans believes in his ministry. But he gives praise to the Lord Jesus for his effectiveness as an evangelist.

He believes in a personal prayer life and starts each day with prayer and meditation. Boyce means it when he says, "You should never talk to men about God until you have talked to God about men."

A total evangelistic program is provided when Boyce Evans holds a meeting. He arranges something special for every age group with special activities for children, young people, married young people, and adults.

It's a team effort which brings together singers and musicians who know how to reach people through music. He also provides soul winning team members who can work on a one-to-one basis.

Boyce Evans is one of American's most dynamic evangelists. In revivals and crusades throughout the nation, he is bringing a zeal and urgency to the preaching of the Gospel.

Boyce Evans believes that sin is sin, hell is hot, eternity is long and Jesus saves.

His evangelistic ministry is dedicated to glorifying our Lord and Saviour, Jesus Christ!

Larry Turner, who's home is in Carthage, Missouri, is married and has one child. He attended Missouri Southern State College, Joplin, Missouri. He has recorded two record albums. He has been in full-time evangelism since April, 1978. He has been with the Boyce Evans Evangelistic Association since November, 1979.

Boyce Evans has been in the field of evangelism since he began his ministry. During his 16 years as pastor, he was an evangelistic pastor, and at one church where he pastored three years, a total 1100 people were added, many having come to know Christ through witnessing on a one-to-one basis.

Since 1965, Boyce Evans has been a full time evangelist, first for Hardin-Simmons University and Southwestern Baptist theological Seminary. During World War II and the Korean War, he was a flying officer. He has retained his flying skill in piloting his private plane to evangelistic meetings he has conducted throughout the nation. He had logged over 9,000 hours in the air. Boyce was an amateur rodeo cow-

LOOK WHO'S NEW IT'S A BOY

Mr. and Mrs. Ricky Fuller proudly announce the birth of their son, Wesley Don, born Friday August 7, 1981 in Blackwell Hospital. He weighed 8 pounds and 8 ounces, and was 20 1/2 inches long.

Maternal grandparents are Mr. and Mrs. Kenneth Good and great grandparents are Mr. and Mrs. Irven Thompson of Lawn, Mr. and Mrs. R. V. Hoot of Lubbock, and Cliff Good of Australia.

Paternal grandparents are Mr. and Mrs. Claude Fuller of Gorman and great grandmother Mrs. Eva Johnson of Hico.

CORRECTION

Senior Citizens 60 years of age or their spouse is 60 years old are eligible to attend the senior citizens programs and dinners at the Senior Citizens building. We were in correct when we published the eligibility age as 65 in last weeks edition of the Progress.

FUND STARTED FOR BOBBY GRAY

A Bobby Gray Fund has been opened at First National Bank for Bobby Gray who underwent surgery last week for the fourteenth time. Bobby, eleven years old is the son of Bill and Sharon Gray.

Contributions may be made to the Bobby Gray Fund at First National Bank. Also containers have been placed in various business places in Gorman for contributions.

GORMAN TROJANS WIN DISTRICT

Gorman Trojans baseball team won district and was in the playoff with the Cisco Panthers. Cisco won by winning the best two of three games played.

Mark Swanner and Jeff Seaton, members of the Trojan team played in the All Star Regional games held in Snyder. Their team played Sweetwater and won with a score of 2-0. In second game with Colorado City, they also won but lost out to Snyder 11 to 5 in the first game. The second game was played to determine who went to State, Snyder won.

Randy Seaton was Coach for the Gorman Trojans and Leaster Seaton was assistant Coach.

WOMAN'S STUDY CLUB FINISHES PROJECT

The Woman's Study Club have completed one of their numerous projects that was planned for the year.

The Hankins Memorial plot has been cleaned and beautified. Some large rocks were moved, old shrubs removed, new shrubs will be planted this fall.

A water line has been placed to the marker, and flowers and shrubs will be planted in the future.

The water line was placed with contributions from Mr. and Mrs. Arnold Butler and Mrs. Berenice Jeffs in memory of ex-Hankins students, Bedford Butler and Mrs. Edna Anderson Kirk.

Bob Wilkerson of Bob's Grocery Store will furnish the water for the beautification project.

MR. AND MRS. ODIE BRIGHTWELL TO OBSERVE 60TH

Mr. and Mrs. Odie Brightwell who have been married for 60 years on August 14 will be honored with a reception Saturday August 15 at 2:00 p.m. at the home of their daughter, Mr. and Mrs. Gerald Hale (Betty Ann Brightwell) at their lake home on Lake Brownwood.

The 60th Wedding Anniversary will be in conjunction with the family reunion with all their nine children, 24 grandchildren and 21 great children present.

All relatives and friends are invited to come by and congratulate them. For directions to Betty's home, call 955-784-5823.

MRS. D. L. BOND HONORED ON 86TH BIRTHDAY

Mrs. D. L. Bond was honored on her 86th birthday Sunday August 9, with a family dinner in the home of her daughter, Mrs. Doris Bryan.

Attending the celebration were her four daughters, 3 grandchildren, five great-grandchildren and 1 great-great-grandchild.

Present for the happy occasion were: Mrs. Vesta Johnson, Mrs. Valeta Rhichardson, Mrs. Ola Hirst, Mr. and Mrs. R. H. Watson, Mrs. Bea O'Neal, Mr. and Mrs. Bruce Hirst, Mr. and Mrs. Daryl Hirst and Kevin, all of Gorman and Mr. and Mrs. Craig Waller and Bryan of De Leon and Mr. and Mrs. Richard Watson, Rachel, Leah and Stephen of Eastland.

HOSPITAL AUXILIARY TO PLACE CURB MARKERS

Blackwell Hospital Auxiliary are in the process of placing curb markers at Blackwell Hospital and Doctors' Clinic.

This will make parking much easier and will enhance the looks of the hospital facilities.

The markers are being financed by the Auxiliary from funds they have raised from their various projects.

This organization is to be commended for the many ways in which they give of their service to the hospital.

Rites Held For Martha Hensley

BALLINGER — Martha Hensley, 75, of Ballinger died at 4:10 p.m. Saturday August 8, 1981 at Ballinger Health Care Center after a short illness. Services were at 4 p.m. Monday at First Church of God.

The Rev. Clarence Todd, pastor, officiated. Burial was in Old Runnels Cemetery, directed by Rains-Seale Funeral Home.

Born January 15, 1906, in Comanche County, she was a housewife and a member of the Baptist Church. She had been a Ballinger resident for the past 16 years.

She is survived by three daughters, Mrs. Frank Gray, Mrs. B. M. Batts Jr. and Mrs. Doyle Keese, all of Ballinger; two sons, Richard Bradshaw of Winters and Bobby Bradshaw of Coperas Cove; two sisters, Mrs. Johnny Hardin of Ballinger and Iner Patin of Carbon; a brother, Miggie Fenwick of San Angelo; 22 grandchildren; and 25 great-grandchildren.

G. W. MAXFIELD MAKES STATEMENT

I would like to inform the Gorman Community that posting the tax rate for the Gorman School Year 1981-82 was in error, the board had not officially taken action on the tax rate. On August 10, 1981 the Board voted to set the tax rate at \$0.80 for the coming school year, \$0.74 for maintenance and \$0.06 for bond indebtedness. State law requires the district to go 100% values that are on the tax roll. The 100% value will change after the appraisal work is completed in the district for 1982-83. A tax hearing will be set August 24, 1981 at the Gorman High School at 7:00 P.M.

Also I would like to address the article on the cost per pupil, per pupil-teacher ratio. That two weeks ago appeared in the paper for the Gorman Schools. What happened the State combined all funds and personnel with your local school district and the Special Education Program in which Gorman I S D is the fiscal agent. This gave an inadequate account on cost per student and pupil-teacher ratio.

The actual account for the Gorman School should be read \$1,409.00 per student costs, 19.25 students average per teacher, overall 15.4 student average per teacher including all personnel, Administration, Librarian, Counselor.

I hope this has corrected some questions on comparing your school district with neighboring districts.

Thank you, G. W. Maxfield, Supt.

MRS. ROSA BENNETT CELEBRATES 80TH BIRTHDAY

Mrs. Rosa Bennett of Ranger, a former Gorman resident, was honored with an early birthday celebration for her 80th Birthday Sunday August 9 with a birthday dinner in the home of her step-daughter, Mrs. Claude Tucker of Gorman. Her Birthday was August 11.

Those attending were: Mr. and Mrs. Ed Choate of Coleman, Miss Betty Tucker and Mrs. Eura Tucker of Ranger, Mrs. Pricilla Tucker of Artesia, N.M., Mr. and Mrs. Hollis Teakell and Joe Tucker of Odessa, Mr. and Mrs. Leo Horn, De Anna and Donna of Cottonwood, James Tucker and Chryl Wheat of Cisco, Mr. and Mrs. W. R. Collins of Fastland, Mr. and Mrs. Marvin Dorsett and Mrs. Kate Love of Gorman and Mr. and Mrs. Claude Tucker.

Mrs. Jolene Gilliland was in Arlington Tuesday to visit her new great-granddaughter, Amy Eria, daughter of Mr. and Mrs. Ron Eison. She was born August 7 and weighed 7 pounds and 6 ounces. Paternal grandparents are Mr. and Mrs. Jack Eison of Bridgeport, and great-grandmother is Mrs. Jolene Gilliland and Mrs. Mary Timmons is great-great-grandmother.

Maternal grandparents are Mr. and Mrs. North of Decatur.

a step-daughter, Laquita Hardwick of Odessa; one step-grandchild; a brother, Ray Broom of Ranger; a sister Frankie Eakin of De Soto, Texas.

He was preceded in death by his son, "Butch", his father and one brother, George Marshall.

Rex Broom Laid To Rest Saturday

Rex Augustus Broom, 54 of Goldsmith, died August 6, 1981 in Medical Center in Odessa.

Funeral services were held at 10:00 a.m. Saturday August 8 in Easterling - Wilson Chapel in Odessa. Graveside rites were held at 5:00 p.m. in Oakland Cemetery near Gorman. Rev. Darrell Dossey of First Baptist church in Gorman, officiated.

Rex was born November 6, 1926 in Eastland County and was a long time resident of Gorman. He was a member of the Baptist Church.

Survivors are his mother, Mrs. Ruth Broom of Gorman;

Gorman Woman Earns Pin

GORMAN — Mrs. Daisy L. Slayton, an observer for the National Weather Service, has been presented a 30-year service award and lapel pin.

Mrs. Slayton has recorded rainfall here since August 1951. She is employed by the Southwestern Peanut Growers Association.

The award was presented to Mrs. Slayton by Alan Starnes, substation network specialist with the National Weather Service in Waco.

END OF THE YEAR PARTY FOR 4-H COUNCIL

The Eastland County 4-H Council had their End-of-the-Year Party and regular bi-monthly meeting this past Friday July 31st. The 4-H Council members who attended traveled to Abilene for a movie and supper. All the 4-Hers enjoyed the movie Superman II and topped off the evening with pizza from Crystal's.

The Eastland County 4-H Council also voted to select two outstanding 4-H Adult Leaders who have helped in the past year.

LAWNDALE NEWS

FOR WEEK OF AUGUST 6 By Jettie Daniels

Once again we wish to say Thank You to all the visitors this past week. You make your loved one's much happier and make their days more pleasant by visiting them every chance you get.

We had our monthly Birthday Party at 2 P.M. on Thursday July 30th. Those having Birthdays were: Eliza Maxey, Mary Timmons and Flora Foster, Susie Buckley, Jessie Lemley, Velma Hamilton, Vernon Hamilton, George Bennett and Charlie Simmons.

The Ladies received a Bud Mrs. A. B. Smithey of Gorman, Russell and Harriette Duggan of Stephenville, Pam and Ron Childers, Ronson and Janray of Gorman, Jenny Fraiser of Olden, Mr. and Mrs. Ray Cooper and Kimberly of Jacksboro, Mr. and Mrs. James Thackerston and son of Cisco, Mrs. Vea Cooper of Ozona.

Plans were made to meet again next year at the same place and same time.

vase with a pretty pink carnation. The men received after shave lotion. Mrs. Ava Rodgers, brought some beautiful cakes. The Kokomo ladies served the refreshments.

We Thank You very, very much.

The Girl Scout Troop 235-entertained for us. Every one enjoyed them very much. Our thanks to each of them. Thanks to Billie Stacy for playing the piano.

Today, Tuesday the 4th is Bingo Day. For our prizes today we will have fresh peaches.

Last weeks winners were: Mary Timmons, she won two games. Ollie Nelson won number four.

Blackout Winners were Ollie Nelson, Jessie Lemley, Lexie Wright, Vera Goodwin, Nancy Holloway, Jessie Lemley won game number three.

This Friday afternoon there will be a cook-out for our residents. They are real looking forward to this outing.

On the Eleventh of this month at 7 P.M. we will have our regular monthly musical. Music by: Roland Smith and Band.

Had a very good Singing Thursday night. Thanks to each of you that had a part in making our residents evening a more pleasant one.

There will be 175 scheduled schools days with 14 holidays including: Labor Day, Monday, September 7; Thanksgiving, November 26 and 27th; Christmas, December 23 through January 1; Spring Break, March 15 thru 19, 1982. May 21, 1982, will be Last Day of School.

Live warmer and help hold down your bills.

You may not feel quite comfortable at first when you set your thermostat at 80° or higher, but most people adjust very quickly to living warmer. At the same time, if you dress cooler and use a fan, you may not even notice the difference. But it will help hold down your electric bill.

SCHOOL HILL NEWS

By Oma Lee Riddell

Leslie, Tena and I returned home on Sunday after spending the weekend in Midland at the State Softball Tournament. The Team that Tena plays on won Fifth Place in State and came back with some beautiful trophies. We also visited in Odessa with my brothers, Hal D. and W. C. and their families. J. C., Patsy and Becky,

Brad, Terri, Jennifer and Lindsey Moon returned home on Sunday after spending several days in Colorado. They reported having had a great time.

Karen Proctor of Coahoma spent the week with Tena Riddell. We all enjoyed her visit.

Digger, Danah Ruth and Rob Proctor returned to their

ANNE BURNETT AND CHARLES D. TANDY FOUNDATION MADE GRANT TO TARLETON

STEPHENVILLE, TX — A gift of \$100,000 has been made by the Anne Burnett and Charles D. Tandy Foundation of Fort Worth to the Tarleton State University Horse Production and Management Program. The grant will be used to establish an endowment at TSU with the annual income to be used to directly maintain and support the Tarleton Horse Program, according to Dr. Les Waymack, program director.

The late Anne Burnett Tandy was involved in the horse industry for many years and was a founder of the American Quarter Horse Association in 1940, a spokesman for the Foundation said the grant was made to Tarleton to perpetuate in the interest and support of Mrs. Tandy in the horse industry.

The Tarleton program was established in 1977 following two years of planning by TSU officials and more than 30 people from the horse industry. It was designed to train professionally-minded people in the technical and business aspects of the horse industry. Program direction is guided by a nine-member advisory board made up of horse owners, youth leaders, and veterinarians.

"The Tandy Foundation contribution is an outstanding demonstration of confidence in and support of our efforts to serve the needs of a growing industry," Waymack said, "and it will allow us to maintain a positive growth in the right direction and to be more effective in training young people. Our goal is to repay the horse industry with people who share its objectives and who are interested in promoting its continued development."

TEXAS BUSINESS HONORS SENATOR BOB GLASGOW

Senator Bob Glasgow was honored by the magazine *Texas Business* in its August issue.

In its biennial report on the Texas Legislature, the democratic senator from Stephenville was listed in the "cream of the freshman crop" section.

The text of the article was as follows: "As with each rookie crop in football or baseball, some of the freshmen members of the 67th Legislature were promising, some instant stars and others were well undistinguished."

Two in the instant - superstar category are Senator Bob Glasgow (D-Stephenville) and Representative Jimmy Turner (D-Crockett). Glasgow, a onetime district attorney who replaced redoubtable conservative war horse Tom Creighton, has won nothing but accolades from colleagues of all philosophical hues. While his voting record was conservative, it was his exceptional work in committee that gained widespread praise.

"He knows how to ask the right questions to dig out the facts," comments one liberal senator. "I wouldn't be surprised to see Bob either as a committee chairman or on the Finance Committee next time and (either would be unheard of for a second term)," said a conservative senator.

Others mentioned in the article on freshmen legislators were Representative Jimmy Turner, Democrat-Crockett in the "instant superstar" category, and Senator Kent Caperton, Democrat-Bryan; Senator Mike Richards, Republican-Houston; Representative Ashley Smith, Republican-Houston and Representative Larry Don Shaw, Democrat-Big Spring in the "promising category."

CCC OFFERS CORN FOR SALE

Farmers and other interested persons will be eligible to purchase corn from the Commodity Credit Corporation starting July 27.

David W. Martin, County Executive Director of the Agricultural Stabilization and Conservation Office said the CCC will offer corn for unrestricted use sale at market prices, but not less than the formula price which is 115 percent of the county loan rate for corn where stored plus 54 cents per bushel carrying charges.

The minimum quantity that will be considered for acceptance is 1,000 bushels, Martin said.

According to the ASCS office, offers will be received and sales will be made on a first come, first served basis. Interested persons should contact the county ASCS

office as soon as possible for further details. The Eastland ASCS office is located in the Courthouse, Eastland, Texas and telephone number is 817-629-1636.

SENIOR CITIZENS NEWS

FOR WEEK OF AUGUST 6
Well, August arrived yesterday as usual, hot and dry.

Tho just think next month Fall will be here. My how time flies by these short

AN ORDINANCE

AN ORDINANCE GRANTING TO LONE STAR GAS COMPANY, A DIVISION OF ENSERCH CORPORATION, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, A FRANCHISE TO FURNISH AND SUPPLY GAS TO THE GENERAL PUBLIC IN THE CITY OF GORMAN, EASTLAND COUNTY, TEXAS, FOR THE TRANSPORTING, DELIVERY, SALE, AND DISTRIBUTION OF GAS IN, OUT OF, AND THROUGH SAID MUNICIPALITY FOR ALL PURPOSES; PROVIDING FOR THE PAYMENT OF A FEE OR CHARGE FOR THE USE OF THE STREETS, ALLEYS, AND PUBLIC WAYS; PROVIDING THAT IT SHALL BE IN LIEU OF OTHER FEES AND CHARGES, EXCEPTING AD VALOREM TAXES; AND REPEALING ALL PREVIOUS GAS FRANCHISE ORDINANCES.

BE IT ORDNANED BY THE CITY COMMISSION OF THE CITY OF GORMAN, TEXAS:

SECTION 1. That the City of Gorman, Texas, hereinafter called "City," hereby grants to Lone Star Gas Company, a Division of ENSERCH CORPORATION, hereinafter called "company," its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares, and grounds of City for the purpose of laying, maintaining, constructing, operating, and replacing therein and thereon pipelines and all other appurtenant equipment needed and necessary to deliver gas in, out of, and through the City and to sell gas to persons, firms, and corporations, including all the general public, within the City's corporate limits, said consent being granted for a term of twenty-five (25) years from and after the date of the final passage and approval of this ordinance.

SECTION 2. Company shall lay, maintain, construct, operate, and replace its pipes, mains, laterals, and other equipment so as to interfere as little as possible with traffic and shall promptly clean up and restore to an approximate original condition, at its costs, all thoroughfares and other surfaces which it may disturb. The location of all mains, pipes, laterals, and other appurtenant equipment shall be fixed under the supervision of the City Commission or an authorized committee or agent appointed by said City Commission.

SECTION 3. When Company shall make or cause to be made excavations or shall place obstructions in any street, alley, or other public place, the public shall be protected by barriers and lights placed, erected, and maintained by Company; and in the event of injury to any person or damage to any property by reason of the construction, operation, or maintenance of the gas distributing plant or system of Company, Company shall indemnify and keep harmless City from any and all liability in connection therewith. Company shall repair, clean up, and restore to an approximate original condition all streets and alleys disturbed during the construction and repair of its gas distributing system.

SECTION 4. In addition to the rates charged for gas supplied, Company may make and enforce reasonable charges, rules, and regulations for service rendered in the conduct of its business, including a charge for services rendered in the inauguration of natural gas service, and may require, before furnishing service, the execution of a contract therefor. Company shall have the right to contract with each customer with reference to the installation of, and payment for, any and all of the gas piping from the connection thereof with the Company's main in the streets or alleys to and throughout the consumer's premises. Company shall own, operate, and maintain all service lines, which are defined as the supply lines extending from the Company's main to the customer's meter where gas is measured by Company. The consumer shall own, operate, and maintain all yard lines and house piping. Yard lines are defined as the underground supply lines extending from the point of connection with Company's customer meter to the point of connection with consumer's house piping.

SECTION 5. Company shall not be required to extend mains on any street more than fifty (50) feet for any one consumer of gas.

SECTION 6. Company shall be entitled to require from each and every consumer of gas, before gas service is commenced, a deposit of twice the amount of an estimated average monthly bill, which said deposit may be retained by Company until service is discontinued and all bills therefor have been paid. Company shall then return said deposit to the consumer, together with six percent (6%) interest thereon from the date of said deposit up to the date of discontinuance of service. Company shall be entitled to apply said deposit, with accrued interest, to any indebtedness owned Company by the consumer making the deposit.

SECTION 7. The rights, privileges, and franchises granted by this ordinance are not to be considered exclusive, and city hereby expressly reserves the right to

evenings. Just under nine hours from noon until sunset.

The Tax Cut in the Congress was figured wrong, I believe. The larger cuts should have been in favor of the ones in low "Income Brackets". Tho the Democrats favored it Reagans way. They are in hassle on S.S.

grant, at any time, like privileges, rights, and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat, and power to and for City and the inhabitants thereof.

SECTION 8. Company shall furnish reasonably adequate service to the public at reasonable rates and charges therefor; and Company shall maintain its property, equipment, and appliances in good order and condition.

SECTION 9. Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the last working day of each January, April, July and October of each year during the life of this franchise, the last payment to be made on the last working day of July, 2006, a sum of money which shall be equivalent to two percent (2%) of the gross receipts received by Company from the sale of gas to its domestic and commercial consumers within the corporate limits of said City (expressly excluding, however, receipts derived from sales to industrial and governmental users and consumers in said City) for the preceding calendar quarter, which quarterly payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys, and public ways of said City. The term "Calendar quarter" as used herein shall mean each three month period of time described as January 1 to March 31, April 1 to June 30, July 1 to September 30, and October 1 to December 30. And it is also expressly agreed that the aforesaid quarterly payment shall be in lieu of any and all other and additional occupation taxes, easement, and franchise taxes or charges (whether levied as an ad valorem, special, or other character of tax or charge), in lieu of municipal license and inspection fees, street taxes, and street or alley rentals or charges, and all other and additional municipal taxes, charges, levies, fees, and rentals of whatsoever kind and character of which City may now impose or hereafter levy and collect, excepting only the usual general or special ad valorem taxes which City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the forgoing sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, easement or franchise taxes or charges.

In order to determine the gross receipts received by Company from the sale of gas (expressly excluding the sale of gas to industrial and governmental consumers) within the corporate limits of City, Company agrees that on the same date that payments are made, as provided in the preceding paragraph of this Section 9, it will file with the City Clerk a sworn report showing the gross receipts received from the sale of gas to its domestic and commercial consumers within said corporate limits for the calendar quarter preceding the day of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

Receipts from sales to governmental users or consumers shall include all those receipts derived from the sale of gas to federal, state, county or city governments or branches and subdivisions thereof, school districts, or other similar districts, it being the intention to include within the term "governmental users and consumers" all tax-supported institutions owned or operated directly or indirectly by said governments and branches or subdivisions thereof, such as schools, colleges, hospitals, eleemosynary institutions, army or training camps, airports, courthouse, city hall, and other institutions of like or similar kind and character.

"Industrial users or consumers," as herein used, are those generally and commonly classified as such by Company.

The payment herein provided shall be for the calendar quarter immediately prior to the due date of each quarterly payment made hereunder.

SECTION 10. When this franchise ordinance shall have become effective, all previous ordinances of said City granting franchises for gas distribution purposes which were held by Company shall be automatically cancelled and annulled, and shall be of no further force and effect.

SECTION 11. Company shall file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by said City.

PASSED AND APPROVED on first reading on this the 4 day of June, A.D. 1981.

FINALLY PASSED AND APPROVED on second reading on this the 18 day of June, A.D. 1981.

City of Gorman, Texas

over 500,000 are drawing more than \$30,000 retirement pay and their spouse are also drawing \$122 per month S. S. That is what they are trying out. Even the ones in Congress are doing the same.

Our deepest sympathy goes out to the Lovell Family of Carbon, Mrs. Donnie (Crosby) Davis of Eastland. Born at Staff, died in Blackwell Hospital. May you look to the King of Kings in your bereavement for comfort.

We have real good wholesome meals here. Tho at times we may get a meal that does not appeal to us. Tho the meals are pleasing to me. As some things are out of my diet. Service is so good.

When I came here some 19 months ago. I came with my own free will. I came to like it here and intended to enjoy my stay here. Treat nurses and all employees as you wish to be treated. Life is a game of give and take.

There are some wonderful gardens here and such a fine fruit crop. I know the fruit crop is good as I have enjoyed so much of it.

Ott brought a full carton of cud for the Baseball season starting next week. So he has already given orders for no visitors during the games.

I will say this, I do not want to see a game. What shame to any network that will Broadcast any game.

There are so many that are in the Hospital from the home.

Look up and hope you see some raindrops falling.

I almost forgot, we had a wedding. Prince Charles and Lady Diana on TV.

GORMAN PROGRESS, AUGUST 13, 1981

Brown Dog Tick Control

Brown dog ticks have become one of the most bothersome pests in the homeowner with one or more dogs. These ticks, unlike most others, feed almost entirely on dogs. They rarely attack man or other animals.

The adult ticks are found most commonly in the ears and between the toes of dogs. The immature forms (larvae and nymphs) are usually found in the long hair on the back of the neck and back. Ticks must have blood in order to molt or change from immature stages to adults. The adult females also need blood to develop eggs which they will deposit in cracks

and crevices in area frequented by the dog, the agent commented. From 2,000 to 3,000 eggs may be deposited by a single female. These eggs will hatch in 17-30 days into larvae which seek out the dog and attach, feed, release, molt to adults and return to the animal to feed and mate. Once the female tick is fully engorged with blood, she will release from the animal, drop to the ground and seek out areas to lay her eggs. The life cycle is

then repeated. The immature ticks may survive from 6-8 months without feeding. Adults may survive as long as 19 months without a blood meal, so that control in areas where dogs have been kept is very difficult.

Control: When tick infestations occur, the yard, home, patio, dog and its sleeping quarters should be treated at the same time. Ticks should be removed and the dog

shampooed, then dipped in an appropriate dip solution. Light infestations on dogs more than four (4) weeks old should be treated every week with dusts containing 5 or 10% carbaryl (Sevin) or other labeled material. The dust should be rubbed thoroughly into the hair. These dusts should also be applied to the animal's sleeping or resting area. A new insecticide treated dog collar should be applied at this time.

The lawn should be treated with a labeled pesticide, usually recommended to be applied at a specified rate per 1000 square feet of surface area. Cracks around side walks, patios, or structures should also be thoroughly treated. "Remember, that one treatment is seldom adequate to get brown dog ticks under control", the agent remarked. He also commented that propoxur (Baygon), dichlorvos (DDVP), diazinon, dursban, malathion, pyrethrins, ronnel, SBP-1382 (resmethrin) and carbaryl (Sevin) are some of the materials registered for brown dog tick control. The agent also

Bread Wins In War Against Fat

If you're one of millions of Americans who are cutting back on their calories, one of the best tools you have in your war against fat is something you probably thought you'd have to do without - bread.

Since bread is one of America's favorite foods, most dieters seem to think that it can't be anything but fattening. In fact, a slice of bread contains only about 70 calories, and is a filling and satisfying food. Even more important, bread supplies important vitamins and minerals that can often be left out of a strict diet.

Weight Watchers, the internationally known weight-reducing program, requires its members to eat a minimum of three one-slice servings of bread and bread substitutes each day, up to five servings for men and young people. That's twice as much bread as most people now eat. More and more, nutritionists are encouraging people - even those on weight-loss diets - to eat more bread.

One of the best ways to include bread in your weight reduction program is also one of the most popular and satisfying. Sandwiches can be a complete meal, low in calories and high in taking

care of your appetite. Starting with bread, you can build the basis of a nutritious meal for under 300 calories. Add low-fat milk and fruit, and you have a well-balanced meal that will help in your fight to take off pounds. The number of calories vary according to which of any number of different sandwich fillings you use. But all of them are nutritious, convenient and low in calories.

For example, a peanut butter and jelly sandwich, America's favorite, starts with two slices of bread at 140 calories, two tablespoons jelly at 98 calories, and two tablespoons of peanut butter at 186 calories, for a total of 424 calories. Add a cup of skim milk at 88 calories and a small apple at 59, and you have a full, well-balanced diet with only 571 calories.

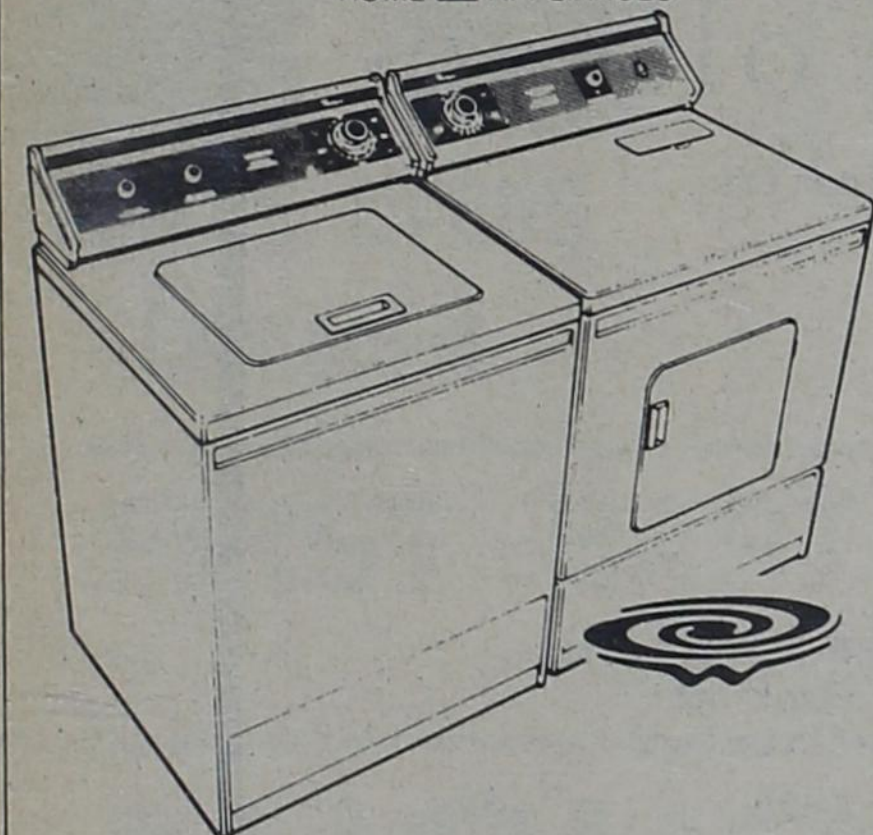

Caloric Values

To help you in planning your sandwich calories, the American Bakers Association has prepared the following list of sandwich contents and their average per serving caloric values:

Enriched White Bread (one slice)	70 cal.
Enriched Italian Bread (one slice)	83 cal.
Raisin Bread (one slice)	66 cal.
Rye Bread (one slice)	61 cal.
Pumpernickel (one slice)	79 cal.
Whole Wheat (one slice)	61 cal.
Butter (1 tsp.)	34 cal.
Catsup (1 tbsp.)	16 cal.
Margarine (1 tsp.)	34 cal.
Mayonnaise (1 tsp.)	51 cal.
Mustard, yellow (1 tsp.)	4 cal.
Ground beef (1 lean 3 oz patty)	186 cal.
Bologna (two 1 oz slices)	158 cal.
Cheese (American - 1 oz slice)	105 cal.
Cheese (Swiss - 1 oz slice)	101 cal.
Chicken (light - 1/2 cup chopped)	127 cal.
Deviled Ham (1 1/2 oz)	150 cal.
Egg (one, fried)	99 cal.
Ham (two slices lean - 3 oz)	184 cal.
Jelly (2 tbsp)	98 cal.
Lettuce (two med. leaves)	2 cal.
Liverwurst (two 1 oz slices)	180 cal.
Meat loaf (2 oz)	140 cal.
Peanut Butter (2 tbsp)	186 cal.
