## Nigerian Visitors Inspect Local Peanut Processing Facilities - Other Interests

FOREIGN VISITORS — Ben R. Townley, right, of Gorman Peanuts, explains drying facilities at Gorman Peanuts to Nigerian agricultural visitors, Charles A. Lott, left, and James O. Okunoye. E. L. Foster of Farmers Administration, District Supervisor of Lake Leon, is shown in the background.

James and Charles listen intently as Bob Green of Southwestern Peanut Growers' Association explains the operation of price support program through the Association.

Charles A. Lott and James O. Okunoye of Nigeria visited agricultural plants in Gorman Tuesday. They were accompanied to Gorman by E. L. Foster of Lake Leon, Farmers Administration District Supervisor, and O. M. Boyle of Eastland, Farmers Administration County Supervisor.

Agricultural facilities visited by the group were Gorman Peanuts and Southwestern Peanut Growers' Association. They also took a side tour of the new Gorman Hospital and were dinner guests at the Brown Jug of Mayor Eugene Baker.

The information they received on the tours will be returned and taught to their people in Nigeria.

Charles and James are in the United States to study, discuss, become acquainted, and whenever possible, receive on-the-job training concerning techniques of agricultural development; U. S. agricultural credit institutions, organizations and operation; economic principles of agricultural credit, agricultural credit and farm management, marketing, cooperatives and price support programs, field studies of farm units, inventory and appraisal of farm resources, collections and supervision, county case studies in agricultural credit, research programs and other areas related to credit. Lott is assistant credit officer in charge of the Oyo Division Field Office of the WNACC, farm and home plans, collect loans and make farm supervisory visits.

Okunoye is agricultural superintendent seconded to Western State Agricultural and Industrial Investment Corporation. His duties are processing of agricultural loans, agricultural training work with the loan secretary, Assistant Credit Officer of Loan Clerks. He also reviews the soundness of the farm plans prepared by the staff mentioned above; reporting information prepared for use by staff of WNACC in the administration of their supervised programs of credit management; organization group of farmers into registered societies to enable them to obtain marketing loans.

The Federation of Nigeria, with 56 million people (represents about one-fourth of the people of Africa), has the largest population of any country in Africa. It is located on the Gulf of Guinea, West Africa, and covers an area of 356,669 square miles, a little larger than Texas and Oklahoma combined. It is bordered on the north by Niger, on the northeast by Chad, on the east by Cameroon, on the south by the Atlantic Ocean, and on the west by Dahomey. The capital city of Lagos has a population of about one-half million.

Nigeria has important mineral resources. Oil is a major revenue earner. Other minerals in production are tin, columbite, lead, zinc, and iron ore. It is the only West African country with sufficient coal deposits for domestic use, as well as for export.

Along the coast is found a belt of mangrove swamp-forest from 10 to 60 miles in width. Beyond the coastal belt is a zone from 50 to 100 miles wide consisting of trop-

# Panthers Whip Roby 32-12; Travel To Dublin On Friday

GAME AT A GLANCE		
Gorman		Roby

165	Yards Rushing	86
161	Yards Passing	21
10 of 16	Passes Comp.	7 of 15
0	Interceptions	3

4 for 22	Punts, avg.	8 for 37
6 for 46	Penalties	6 for 50

The Gorman Panthers, under the leadership of their coaches Houston Jolley and Joe Ed Baze, continued their winning ways last Friday night as they fought off a tough bunch of Lions from Roby and came out on the winning side by a score of 32 to 12.

Roby really came to play ball and the Panthers had their hands full for a large part of the game.

Mark Arnold put the Panthers on the scoreboard with 8:21 left in the first period, when he picked up a Lion punt on the Roby 41 yard stripe and behind a beautiful wall of blockers raced for the TD. The kick for point failed.

Roby jumped right on the Panthers and came right back for the tying score going 55 yards in eight plays with Donnie Stephens getting the tally on a 9 yard run through his right side with 5:00 left in the period. The run for points failed and the score stood at 6-6.

The teams fought on even terms until the first moments of the second period when Rudy Espinoza broke through his right side and raced for 22 yards to put the Panthers ahead with 11:53 left in the quarter. A pass to Bill Self from Kelly Henderson scored the two pointer to make the score 14-6.

Gorman picked up a Roby bobble on the Lion 20 yard line following the kickoff and scored in six plays with Bill Self ramming over from the one yard line with 8:55 left in the second period. A pass for the extra points failed.

The rest of the first half the teams played on even terms.

Roby came within 8 points of the Panthers in the third quarter when Gorman was backed up deep in their own end of the field and were forced to kick. The kick was blocked and recovered on the Panther 3 yard line by the Lions. The score came on a 1 yard plunge by Keith Matties with 6:54 left in the period. Run for points failed, bringing the score to 20-12.

The Panthers came right back to widen the margin going 59 yards in 12 plays with the score coming on the "Flea Flicker" (a pass to Mark Arnold and a pitch back to Rudy Espinoza) for the final 15 yards with 1:01 left in the third stanza. Again the kick for point failed, and the score moved to 26-12.

The final score of the evening came with 10:40 left in the fourth period on a beautiful 48 yard pass and run play to Mark Arnold for 48 yards. The kick failed and the final score was 32-12.

The Panther defense did a marvelous job all night holding off the tough Lions when the Panthers were caught in some pretty tough situations on defense. The whole team worked very nicely together for a defensive team effort. We thought Mark Arnold, Steve Patterson, Bill Self and Rudy Espinoza looked real well at their defensive spots. But believe me, friends, the whole "Jolley Bunch" did a tremendous job.

The Panthers looked real fine most of the evening on offense, with Quarterback Kelly Henderson mixing up his passing and running and the total yardage (165 on the ground and 161 in the air) will show. Steve Patterson had his best night at the fullback spot and Mark Arnold showed his outstanding ability to catch passes. Billy Self was the leading ground gainer with 98 yards on 18 trips. Patterson had 49 on 13 totes, Espinoza rambled for 22 yards on 4 carries, Henderson got 3 on one trip, and Bill Baze wound up with a -7 on two keeps, one of which he was thrown for a 10 yard loss on a pass try.

The offensive line was opening up holes in the Roby front wall all evening, as the Gorman runners will verify. The blocking was tremendous. Our Panther of the Week this week will have to be "Panthers of the Week" as we could only manage to narrow it down to two players, Steve Patterson and Mark Arnold. But again we say that it was a marvelous team effort by the Big Red.

Friday night the "Jolley Bunch" will travel to Dublin to take on another den of Lions. Dublin has a very big team and will be real tough even though they have dropped their first games to two real tough foes. The Panthers will be hard pressed in this game and will have to put forth their best effort to take this one. But that's exactly what they will do. Right Panthers?

### County Pecan Tour Slated For Friday

An Eastland County fall pecan tour has been planned for Friday, September 24th. Dan Childress, President of the Eastland County Pecan Growers Association, announced that three pecan orchards will be visited on the tour.

Everyone interested in going on the tour should meet at Jammie's Restaurant in Cisco at 9:30 a. m. Friday morning. The first stop will be made at Dale Carlile's orchard near Nimrod where visitors will see a pecan weevil control demonstration. The second orchard on the tour will be the Philpott orchard near Romney. Childress says visitors will see one of the better pecan crops in the county at the orchard.

The group will go to Rising Star for lunch and a short business meeting of the association at the Star Drive-In on Highway 36 East. Following lunch and a business meeting, the tour will continue at Mrs. C. E. Smith's orchard south of Rising Star.

Dr. J. W. Worthington, Extension Horticulturist, and Dr. Clif Hoelscher, Extension Entomologist, will be on the tour to discuss pecan production and answer questions.

### ACT Test for High School Pupils Set

Students at Gorman High School who are planning to attend college will have five opportunities to take the ACT Test Battery during the 1971-72 academic year.

The first of five national testing dates on which the national assessment examination will be offered is Saturday morning, Oct. 16. Students planning to take the five-part ACT battery on that date must have registered no later than Sept. 27, it was announced today by O. C. Warden, Supervisor.

Warden also announced the complete national ACT schedule for the 1971-72 academic year. The schedule is (with corresponding registration periods in parenthesis): Oct. 16, 1971 (Aug. 23-Sept. 27); Dec. 11, 1971 (Oct. 4-Nov. 15); Feb. 26, 1972 (Nov. 29-Jan. 31); April 22, 1972 (Feb. 14-March 27); July 15, 1972 (April 10-June 19).

For the fourth consecutive year, the cost for taking the ACT examination-questionnaire is \$6, despite increased services that are provided this year for the college-bound students and their high schools.

Last year approximately one million persons in the U. S. and overseas took the five-part battery, which is required or recommended for applicants at more than 1,900 colleges, universities, two-year colleges, scholarship agencies, and athletic conferences.

The ACT battery, which takes about 3 1/2 hours to complete, includes a series of four tests designed to measure general ability to perform kinds of intellectual tasks typically required of college students. Another part of the examination consists of questions about the students' academic and non-academic background, immediate plans for college, and career aspirations.

Resulting score reports are of valuable assistance to students in the complex and important tasks of pre-college planning. For this reason, it is recommended students that the ACT battery in their junior year or early in the senior year of high school.

With national headquarters in Iowa City, Iowa, ACT is an independent and nonprofit corporation that offers varied services for use by students and educational institutions.

### Carbon Loses To May; Sidney Next

The May Tigers defeated the Carbon Wolverines by a score of 77 to 32. The action came in a non-district 6-man football game Friday night. This puts Carbon 0 and 2 for the season.

Mays leading scorer and top rusher was Larry Chambers. He came out of the game with five touchdowns and over 200 yards rushing for the evening. There was a lot of good running and tackling by the rest of May's team. Another one of May's top players was Bobby Rebble who made a lot of fine tackles and threw a lot of fine passes which went for touchdowns.

Carbon's leading scorer was Jimmy Cook. He caught two passes for touchdowns. Jimmy caught a lot of good passes that set up touchdowns during the game. Also scoring for Carbon was Ricky Johnson, Robin Griffin, and Timmy Wooley. These three players also caught passes for touchdowns.

All of the Carbon players played a real good game even though they did make a lot of mistakes.

All the Carbon fans will be behind our team when they travel to Sidney next week. We all hope they will win this game.

### Burleson Seeks Addition Pickups On Excise Removal

WASHINGTON, D. C. — Congressman Omar Burleson, a member of the Ways and Means Committee of the U. S. House of Representatives, commented briefly today on his effort to include pickup trucks used as passenger vehicles in any legislation to remove the 7 percent excise tax on automobiles.

As the Ways and Means Committee began its hearings on the President's economic proposal, with Secretary John Connally testifying, Congressman Burleson made inquiry about removing the tax on pickup trucks. Burleson pointed out that many farm and ranch families do not own an automobile but use their pickups for both pleasure and business. "It becomes

the family car in a great many instances," he said, and indicated there is often little distinction between the use of automobiles and pickups. He continued, "It seems to me that it is discriminatory unless this type of vehicle is included."

The Secretary of the Treasury, responding to Congressman Burleson, said he would arrange to have some estimate of the amount of money involved, but cautioned that some limitation would necessarily be required. He agreed he would have a difficult time distinguishing between the two, as Burleson presented the case.

Congressman Burleson indicated he would continue efforts to remove the excise tax from pickups as the Committee continues its deliberations.

### First United Methodist Church Presents \$770 to New Hospital at Church Service

The check was presented at the Church Conference of the Gorman Church, with the District Superintendent, Dr. Floyd E. Johnson of Cisco, presiding, at which the church reported a goal of \$500 for this project.

The check is a result of one phase of the church's 1971 Lord's Acre-Lord's Hour program emphasis, with Mrs. William Chandler and Mrs. Dorothy Hatcher giving leadership for the bake sales, rummage sales and working with the men of the church and community to help with a barbecue chicken dinner served several weeks ago. The pastor, Rev. Frank Williams, said that "the check was presented as a part of work in community action Health and Welfare Work of the Cisco District as well as the work of the local church, and that other emphasis of the church's program work would bear fruit at the church's Harvest Festival usually held in

Ross Wilson, center, Chairman of Finance of the First United Methodist Church, and Rev. Frank Williams, left, pastor, present Mr. James Holquist, Hospital administrator, a check for \$770 to furnish the intensive care room of the new Gorman hospital.

November."

The following is the prayer of thanks given by Rev. Williams in making the presentation:

"It is with a deep sense of humility and gratitude to God that we come this morning to give thanks for the members and friends of the First United Methodist Church of Gorman who gave generously of their time, talents, and hard work in contributing to the success of our Lord's Acre, Lord's Hour Projects of furnishing a portion of the needs of our new hospital. We thank you for the generous hearts of these good people and ask that you accept this gift as a token of our Christian love for our Community and our fellow man. May those who are entrusted with this gift use it with the knowledge given from thee, as to what is best needed for our people, and their physical care.

Harvest Festival usually held in In Jesus Name we pray. Amen."

## Young Home'akers Young Farmers Banquet Set 25th

STEPHENVILLE (Spl.) - The ninth annual meeting of the Area IV Young Homemakers of Texas will meet Saturday at Tarleton State College. Over 125 delegates representing 19 affiliated chapters from 13 west central counties will attend. Mrs. Layton Black, program chairman, and Mrs. Sammie Pittman, area consultant and advisor, announced.  
Registration will begin at 9 a. m. Saturday and the business meeting is scheduled for 10 a. m. with the selection of officers by the voting delegates. A buffet luncheon is planned at noon in the Tarleton Dining Hall, featuring Miss Barbara Whitis of Huckabay, Miss Holstein of Texas and a Tarleton student.  
The afternoon session includes "Tips on Award Entries" by Mrs. Mary A. Moore, past area consultant. The Outstanding Young Home-maker and Area Little Sister applicants will be presented by Mrs. Charles Elliott, state vice president of the Stephenville chapter.  
Following the afternoon session the delegates will visit the Stephenville Historical Museum and tour four new homes in Stephenville.  
Saturday night the Young Homemakers will join the Young Farmers for the Area Awards Banquet. Harry Bradberry of Dublin, Area IV Young Farmer president, will preside at the banquet.  
The 19 affiliated chapters who will be represented are Ballinger, Coleman County, Comanche County, Dublin, Early, Eastland, Gorman, Hamilton, Haskell, Iowa Park, May, Miles, Mills County, Stamford, Stephenville, Taylor County, Woodson, and two newly organized chapters, Newcastle and Wylie.

## State Light Traps Vandalized In De Leon Area

Texas Agriculture Commissioner John C. White said today that the five light traps in the De Leon area have been vandalized frequently in recent weeks. White said he is dismayed by those people who take the bulbs from the useful insect traps. "The light traps," he said, "are one of the most effective tools for determining the life cycles of the lesser cornstalk borer." By knowing these cycles, the Texas Department of Agriculture's De Leon Research Lab is better able to advise farmers when outbreaks of the lesser cornstalk borer might occur. The corn borer is Texas' most serious peanut insect pest.

The lights which have been stolen are designed to attract certain insects at night and by all means should not be used for any other purpose.

Commissioner White said he hopes that the persons involved in taking these lights will refrain from doing so.

## OLIVER SPRINGS NEWS

By FLORENCE RICHARDSON

**Out Thought For The Week:**  
Being overcome with envy is like running into the ocean; the deeper you go in, the harder it is to get out.

I think winter slipped in on us without a warning, but the cool weather is pleasant.

Mrs. McNeal, her daughter, Kathy and David of Fort Worth, were visiting Mrs. Bond Sunday afternoon. They also were visiting Mrs. A. D. Bryan in the Stephenville Hospital. Mrs. Bryan will be a patient there for sometime. She would be happy to hear from her friends. Her room number is 108.

Mrs. Marvin Jones, Mrs. Doris Bryan, Mrs. Bond and Mrs. Watson were shopping in Abilene Saturday. I think they ran into quite a rain-storm.

Mr. and Mrs. Wade Coan of Monahans have been here this past week visiting the Richard Watsons and relatives in De Leon.

Two of the New boys of Alabama were passing through here Wednesday visiting friends. The News family lived here many, many years ago. They stopped at our home and also visited the Dewey Lindleys.

Mr. and Mrs. Tom Lindley of Fort Worth were visiting the Dewey Lindleys Sunday afternoon.

## DESDEMONA NEWS

By MRS. ETHEL KEITH

Another tragedy in our community Sunday morning when Mr. Earl Browning was found dead at his home here just north of the Baptist Church.

Mrs. Mack Keith and children Michael, Stephen, Larry and Terri Lea of Monahans, visited here on the weekend with her parents, Mr. and Mrs. H. M. Rainey, and Ethel Keith.

A wedding shower honoring the former Shirley Shipman at the school building was held Saturday evening. The couple were given a number of useful gifts.

Mrs. Judy Grisson and one of her friends of Odessa visited Sunday night with her grandmother,

Mrs. Ethel Keith.

Mr. and Mrs. Morgan Roberts had their granddaughters for the past weekend. They are Shelly and Emily Horan of Dallas.

Mrs. Nita Gee and Mrs. Myrtle Reid left Love Field Monday via plane. Mrs. Reid will go to Pennsylvania and Mrs. Gee to Virginia, both to visit their daughters.

Mr. and Mrs. G. L. Whitley of Everman visited here with her parents, Mr. and Mrs. Curley Craig.

Mr. and Mrs. Albert Johnson attended the wedding of her niece in Weatherford Friday night.

Mr. and Mrs. Jimmy Shane of Denton were here on the weekend with her parents, the John Allens.

The monthly musical at the school building was quite a success last week. Next one will be October 16th. Be sure and bring your instruments and help us enjoy it all.

## Gorman Bank Robbers Receive Additional Terms

Judge Earl Conner, Jr. of 91st District Court in Eastland Tuesday, August 29th, sentenced three persons to terms in the state prison in connection with the holdup of the First National Bank of Gorman last November.

Mark Lindsey, 31, was sentenced to 27 years; his wife, Beth Lindsey, received 12 years; and Bobby Beal was sentenced to 17 years. All three are of Coleman. They had been charged with "robbery with the use of firearms."

In the hearing held recently the trio had asked for leniency and had also requested that any term assessed run concurrently with the sentences previously handed out in federal court in Abilene.

U. S. Judge Leo Brewster had sentenced the three to federal prison terms of 20 years for Lindsey; 10 years for Mrs. Lindsey; and 15 years for Beal.

Judge Conner said Tuesday, August 29th the terms will run concurrently "so far as it applies." The trio will be turned over to Federal authorities to begin serving their portion of sentences received in Abilene Federal Court. When those terms are completed, they will be turned over to the State of Texas to serve whatever is left of the sentences given by Judge Conner.

### THIS IS A POLICEMAN

Just recently a professor of a university law school gave a speech on and about the definition of a policeman.

Taking into consideration the terrible conditions in our country today, I believe the words bear repeating.

What the public expects from a policeman. He must have the appearance and manners of a gentleman, the dignity and bearing of a general; the ability to make instantaneous decisions like the president of a corporation; the legal accuracy of a lawyer. He must be able to handle paranoids, suicidal types, family feuds and juveniles.

He must drive a car like a racing driver, shoot like a sharpshooter, but not use his gun. He must have the courage of a lion, the willingness to put his life on the line for the public at any time.

He must have the integrity and character of a priest and rabbi. And finally, he must stand there like a jackass and be able to take insults, degradation, to be pelted with rocks, spit on and be shot down like a dog.

And for all this he receives minimal pay and very little thanks from the public he protects and from newspapers and television mediums.

### Rules of The Road Law Related To Trailer Braking

Because of erroneous reports several peanut growers are concerned and confused on Section 132 of S. B. 183 enacted by the 62nd Legislature. Many have been led to believe that the law was changed to require all farm trailers to be equipped with a braking system.

I have contacted the authorities in Austin (State Department of Public Safety) and find that no significant changes were made regarding the type of conveyance used by most growers.

Texas law since 1947 has required brakes on trailers weighing in excess of 3,000 pounds with the exception of farm trailers. There is no change in this part of the Act under the new statute. The law still exempts "any farm trailer or farm semi-trailer operated or moved temporarily upon the highways when its gross weight does not exceed 10,000 pounds and when the speed of such farm trailer does not exceed 30 m.p.h."

The new law is the same as the old in extending this exemption to 15,000 pounds for any farm trailer or farm semi-trailer operated or moved temporarily upon the highways solely to transport cotton and not to exceed 30 m.p.h.

Surely the intent of the law is not to favor one commodity over another and if peanut growers feel that the special exemption allowed the cotton people should include peanuts, then an effort should be made in this direction.

Significant changes were made in the section of S. B. 183 pertaining to trailer lighting. Most of the changes become effective January 1, 1972. A copy of both the braking and lighting section of this Bill can be obtained from this office upon request.

### W. S. C. S. Hear Witness of "Now" Gift of The Spirit

Mrs. Rollo Herrington, wife of the pastor of Cross Plains United Methodist Church, gave her witness of visitation of the Holy Spirit in her life and of gifts received, while speaking at the Woman's Society of Christian Service Tea on Monday.

The theme of her address was "Her search for something more than church membership — Even the presence of Christ with the promised gifts of the Holy Spirit". She was, she said, first led through prayer to join a group of seekers in Waco.

Later she attended the preaching and healing services of Catherine Kuhlman in Dallas, with the Rev. Herrington, who has been blind since before his seminary years.

Although Mrs. Herrington, as she stated was suffering from at least two ailments, was not seeking healing for herself but a knowledge of the present day (now) working in the Holy Spirit. This she received when she saw a paralyzed woman healed while in the same moments she felt the warmth of healing in the varicose veins of her own body. It was some time later that she and her daughter came to sing in the Spirit (the gift of tongues). She concluded with prayer.

The hot spiced tea with pretty pink cake was appropriate refreshments for the first fall meeting of the WSCS service.

Mrs. G. C. Acrea, with other members of the program committee, Mesdames Barton Eppler, Charles Duran and Bob Green, greeted and served guests.

Rev. Frank Williams, pastor of the Gorman Church and friend of the Cross Plains parsonage family, Presented Mrs. Herrington to the thirty women attending.

Rev. Williams gave the benediction.

### FRENCH COOKING

Of all the cuisines in the world, the food of the French is the most famous. Centuries of artful, loving experimentation and enhancement have gone into their incomparable soups and stews, their superb sauces, their wine-laced poultry and garlic-scented roasts, and their delicious desserts.

Here's just one of them:

#### STEAK AU POIVRE (Pepper Steak)

3-pound boneless sirloin steak	1 tablespoon salad oil
2 tablespoons freshly cracked black pepper	1/2 cup dry white or red wine
2 tablespoons butter or margarine	2 tablespoons brandy
	1 teaspoon salt

Wipe steak with damp paper towels. Rub 1 tablespoon pepper into each side. Slowly heat a large, heavy skillet until very hot. Add 1 tablespoon butter and the oil, stirring until butter is melted. Add steak; over high heat, brown steak well on each side—about 2 minutes a side. Then reduce heat to medium, and cook 8 to 10 minutes a side for medium rare. Remove steak to a heated serving platter, and keep warm. Add remaining butter, wine, brandy, and salt to skillet; simmer, stirring, 3 minutes. Four over steak. Makes 6 servings.

If STEAK AU POIVRE (Pepper Steak) is French, 100 easy-to-follow recipes ranging from hors d'oeuvres and soups — through a variety of fish, meat, poultry, vegetable and salad dishes — and a tempting selection of desserts.

## A Hymn Is Born

BY CLINT BONNER

# Lord, I'm Coming Home

The hymn that was written to save one soul

A song was running through his mind so he told his wife he would set it down on paper before he went to bed. He was 83 years old, but he often worked late, so Mrs. Kirkpatrick thought nothing of it. But when she awoke long after midnight the light was still burning in "the professor's" study so she called to him.

Music was born into William J. Kirkpatrick when he came into the world on the Emerald Isle in 1838. Music was part of him when he migrated to America as a youth and it was part of him when, as a Pennsylvania Volunteer, he led a life band during the Civil War. And music was in his heart when he died in Philadelphia in 1921.

A religious Irishman, Kirkpatrick devoted his life to directing church choirs, playing church organs and writing church songs. And he set music to words from many another pen. In 1882 he took a poem by Fiedilla Owens and started the world to singing "We Have Heard the Joyful Sound: Jesus Saves! Jesus Saves!" The same year he wrote music for Louisa Stead's "Tis So Sweet to Trust in Jesus" and three years later he composed the tune for "Where the Tree of Life Is Blooming, Meet Me There."

In 1902 William Kirkpatrick was leading the music for a camp meeting in rural Pennsylvania when he questioned the sincerity of a soloist who was helping him. Sermons of the evangelist had failed to move the man and Composer Kirkpatrick decided on a unique plan. He wrote a song especially for his singing assistant. At the opening of the evening service he handed the song to his soloist and asked him to sing it. The singer did and joined others that night at the altar.

That night in 1921 when Mrs. Kirkpatrick called her husband there was no answer. She found him sitting in his study chair. On the desk were unfinished words of a song and the last verse showed that he had worked rapidly. But he didn't quite make the deadline. William J. Kirkpatrick went out of the world as he came into it... with a song in his heart. Among other monuments to his memory he left a song he wrote to save the soul of one man. But any evangelist will tell you that tens of thousands of penitents have gathered around the altar to the singing of...

*I've wandered far away from God,  
Now I'm coming home;  
The paths of sin too long I've trod,  
Lord, I'm coming home.*

*I've waited many precious years,  
Now I'm coming home;  
I now repent with bitter tears,  
Lord, I'm coming home.*

*I'm tired of sin and straying, Lord,  
Now I'm coming home;*

*I'll trust Thy love, believe Thy word,  
Lord, I'm coming home.*

*My soul is sick, my heart is sore,  
Now I'm coming home;  
My strength renew, my hope restore,  
Lord, I'm coming home.*

*Coming home, coming home,  
Never more to roam;  
Open wide Thine arms of love,  
Lord, I'm coming home.*

WASHINGTON, D. C. — MOST FEDERAL COURT DOCKETS are overburdened with a backlog of cases. It would be a good assumption that the Federal District Judge sitting in Huntsville, Alabama, would have plenty to do without meddling into the affairs of Butler High School in that City.

U. S. DISTRICT JUDGE, H. H. GROOMS, showing that unerring eye for grave and weighty issues of national importance, which seem to distinguish much of our judiciary these days, has outlawed the

use of the Confederate Flag as the school's banner and "Dixie" as their fight-song.

DR. MAX RAFFERTY, DEAN of Troy University in Alabama, had this to say about the Court's action: "Their Flag, for lo! these many years, has been the same Stars and Bars under which so many thousands of their great, great-grandfathers fought, and their song — no surprise considering their school's geographical location — is 'Dixie.'"

A FEW STUDENTS, OUT OF the school's enrollment of 2,000, found the old Flag and the song "offensive." The Federal Judge decided to take away from the great majority of the children their right to enjoy the symbols of their ancestors' gallant struggle.

SURE, THE CIVIL WAR WAS OVER a long time ago and there

is no need to continue to fight it but it is no wonder that the kids in Butler High School are a little up-tight about the decision.

THIS IS NOT THE FIRST TIME that judges have decided to stamp out symbols of a vanquished cause. The Irish fought for 500 years to save their harp and shamrock from similar unwarranted action. The Scottish Highlanders had to hide their tartans after the battle of Colloiden. The Jews down thru the centuries have seen the sacred emblems of their faith confiscated and destroyed by courts in Europe.

DR. RAFFERTY'S COMMENTS GO further, "We are watching this ancient evil operate in our own land, casting its long shadow over our own children. In the past decade, we Americans have been told by judges where our children must go to school, what they may wear in class, how they may behave and what they may or may

not read. And from here on, it appears even the school songs they sing are to be controlled by the courts."

THE STATE OF CALIFORNIA has its Bear Flag. Our State of Texas has its Lone Star. Both are more than just a State's adopted colors. Both are symbols of historic significance. Is it possible that now such symbols may be forbidden by those who find them to be "offensive."

FOR THAT MATTER, and following the same absurd reasoning, may not some court even find the Stars and Stripes to be "objectionable?"

IN THE EARLY DAYS, as our pioneers pushed Westward, "Dixie" was hummed around thousands of open campfires. As the wagon trains fought their way across a raw and savage continent, the song cheered and solaced a people. There remains romance in the whanging banjos in a summer twilight aboard paddle-wheel steamboats. It meant something to the people.

THE BARS AND STARS of the Confederacy holds a respect by the people of the South, as a symbol of a heroic lost cause. There are few, if any, in modern days who hold this banner in any deference to the Stars and Stripes. They do hold history in respect. They know it floated blithely on the morning breeze at first Antietam. It was carried through Shiloh's gloomy woods and Chickamauga's solitudes. The song of "Dixie" burst from hoarse throats and laboring bodies

## KEEPING UP WITH FRIENDS

Mr. and Mrs. Frankie Kimmell and Jason of Arlington were week end visitors with her parents, Mr. and Mrs. Dean Bennett.

Gorman youth attending the Billy Graham Crusade on Saturday night in the new Texas Stadium were members of the Youth Class of the First Baptist Church and teacher, Mrs. Dean Bennett, Vicki Harvey, Krista Henderson, Charlene Self, Kathy Ripley and Bill Baze. Approximately forty people from Gorman and Kokomo, representing the Baptist, Methodist, Church of Christ and Catholic churches also attended the Saturday night crusade services.

at Cold Harbor and at Chancellorsville.

WHEN AT LAST THE CIVIL WAR crested bloodily on the heights of Gettysburg, the song echoed like a solemn requiem over the defeated hopes of the greatest "lost cause" in the annals of our Nation.

TO BAN "DIXIE" as a school's fighting song and to prohibit a flag as a part of a school symbol, is banning history itself. This little song and the banner is part and parcel, warp and woof of the great tapestry which is the American story.
