Joe Bennett, Publisher

About all the talk around this week is about Presidential candidate Jesse ckson, who was able to e the downed pilot in Svria about a month ago. The Rev. Jackson evidently took advantage of the press coverage and accomplished a task that few thought could be achieved. The press coverage was very heavy with the Jackson group and I imagine that had a lot to do with putting the pressure on the Syrians to free Lt. Goodman. We add our congratulations to that of President Reagan and other people of the U. S. in commending him for a job well done. This should also make his "stock go up" as far as popularity polls are concerned, but he has a long way to go to get the Democratic nomination for their presidential candidate.

Mr. Jackson.

CORRECTION

The 50th wedding Anniversary reception of Thelma and J.B. Williams was held Sunday January 1, 1984 and not Wednesday January 4 as was published in last weeks issue of the Progress.

\_J\_ We are beginning our 11th year of operation of the Gorman Progress and as of the First of January we are the sole owners of the Progress, thanks to the generosity and kind heart of Kernel Gene Baker, who after many years of trying to get me to take over the reigns of the Progress, finally succeeded in getting my name on the dotted line. The Kernel gave my family and I the opportunity to own the Progress and 10 years in which to complete the purchase of the firm. Kernel Gene has been the father that I haven't had since my own father died in 1945. He taught me the printing business, along with numerous other young men who were interested in learning a trade. One of the trainees, G. L. Whitley, came in the shop the other day and paid for his subscription to the Progress and he and I were talking about the number of young men that the Kernel ( and I) had the privilege of introducing to the printing busiess, and there have been several who moved on to better things due to their

As far as my family and I, we will never be able to repay the Kernel for the opportunity that he afforded us. Of course we put in lots and lots of years with the Kernel and was due the opportunity, but that could not have been a possibilty without the help and cooperation of this fine christian gentleman and his desire to see the traditions of the Gorman Progress carried on in the manner in which he thought it should be.

The Kernel continued to work at the Progress for several years after the sale of the business before retiring. He really helped us through many a crisis and we just wanted the folks of Gorman and all the folks of the Progress Family to

area.

It sometimes rains frogs. Scientists say that frog eggs can be sucked up from rivers and lakes into the atmosphere by whirlwinds. The eggs hatch, and when the wind is spent, they drop to the earth as full-fledged frogs.

## **YOUTH SOCCER CLUB** LOOKING FOR PLAYERS

The De Leon Soccer Club invites all interested youth ages 4 through 13 to sign up for the spring 1984 soccer season. (Players who turn 14 on or after January 1, 1984 are still eligible). No experience is required. If you aren't sure what soccer is, we are planning a demonstration game in Comanche on Saturday, January 14, at 2 p.m. at field next to high school. If there is enough adult interest, and a practice site is available, teams will form and practice in this town. If there are not enough players and helpers for a local team, players will be assigned to a team in De Leon. Most games will be played in De Leon. Your ten

dollar registration fee will include the use of a uniform, accident insurance, and a trophy for each player at the end of the season.

Mail your registration form and check or money order for ten dollars to De Leon Soccer Club, P. O. Box 105, De Leon, Texas 76444 on or before January 14, 1984 or you may bring your registration to Coy's Cleaners in De Leon between January 9 and 14, or you can register at the demonstration game in Comanche. For more information call 734-2130 or 893-6778. Registration Forms can be picked up at Dr. Callaway's Office.
