THE GORMAN PROGRESS

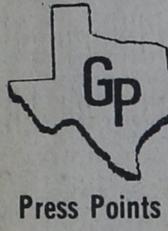

MAY 17, 1984

NUMBER FOURTEEN

ir 84th Year of Service

Gorman, Eastland County, Texas 76454

H

Joe Bennett, Publisher

-J-The recount has been made on the Constable's race and the final count showed a five vote margin by the enucmbent, Dewey Keesee, over Brent Foster. This makes the election results final and no other action is anticipated.

J

All the folks in this area are sure proud to see full operations returning at the Blackwell Hospital. The latest in equipment has been installed and the board has spared no effort to see that local folks will receive the best health care possible when they come to the

The hospital. The board has

The South Eastland Co. return Blackwell Hospital chines and supplies that Hospital District now has to the position it has enjoythe Blackwell Hospital operating in full swing after that of being one of the the HMA pulled out and most friendly, caring and ceased their lease.

MEMBER 1984

The hospital board has

full control of the operation and have secured Bill Black as administrator. Bill is a product of Texas Tech and the board feels fortunate to have secured his services. The board is doing everything it can to assure the people of the area the very best hospital facilities and

services that can be found in the area. They have assured the Progress that they will spare no effort to

were moved out when HMA ceased operations. The new equipment has been secured to assure patients that they will receive the best possible in health care at Blackwell Hospital and that no effort will be spared by any board member to see that this is accomplished.

It is sure nice to see the hospital back in full swing with operations continuing in full swing at the facility. We congratulate each of the board members on their effort to return the hospital to the prestigious position it

Proclamation

WHEREAS public works services provided in our community are an intergral part of our citizen's everyday lives: and

CONSTABLE **RACES ARE** UNCHANGED

Constable races for Ranger and Gorman came out with the same result after

recounts were conducted Saturday. A few votes shifted back and fourth, but not enough to alter the election results from May 5, according to Mary Bailey, Democratic

Party chairperson. In the Ranger constable's race, incumbent Jesse Brown retained his win over Alford Bush.

In Gorman constable race, incumbent Dewey Keesee held his seat by five votes over challenger Brent Foster. The recount results were: Gorman Precinct 5 -Keesee, 302, Foster 224; Carbon Precinct 6 - Keesee, 58, Foster, 96; absentee -Keesee, 10, Foster 45. The total count was 370 for Keesee and 365 for Foster. The May 5 vote gave

secured the services of Bill Black as administrator and feels that he will do an outstanding job. Bill is a "died-in-the-wool" Texas Tech Red Raider. However, we are sure that after James Miears is around him for a while, that he will probably will become a "full fledged Aggie". So be careful Bill.

The new Doctor's Clinic is now in operation even though the parking space around the building has not been completed.

We hope to be able to have the date and time for the official opening ceremony with a ribbon-cutting in the presence of the Mayor and all local folks in the near future. The date will depend on the completion date of the new facility. -J-

We wish to add our congratulations to those of the advertisers and local folks to the graduates of 1984. The advertisers have again been generous in their support of the Progress in making it possible for us to publish this graduation edition. Your local merchants are always ready to support things in the community and they deserve our thanks for the support they give. So be sure and look over all the ads in this issue and go by and let the advertisers in the paper know that you appreciate them. As I have said many times, without the support of the business firms of Gorman and the area it would be impossible for you to have a newspap-

support the youth of our with 2 runs in the fifth community at these games. The boys and girls will appreciate your interest and attendance.

If you plan to play Tee struck out 3 batters to end Ball (ages 4-6) please contact Gary Mauney (home 734-2904 office 734-2923). If you plan to play Pee -Wee baseball please contact Paula Morrow (639-2455) or Brenda Hirst (734-

2464). These teams will begin their games around June 1.

We will try and publish a season schedule in next weeks Progress. The teams also wish to express their thanks to their sponsors for their interest in the youth of our community.

--GP--

Gorman Care Center to Hold Bar-B-Cue

On Monday, May 21st. we will have an outdoor Bar-b-cue. Meal will consist of Bar-b-cued brisket, pinto beans, potatoe salad, and all the trimmings.

With ice tea and dessert. Family and friends are invited to come and eat with their loved one's.

Price of meal, \$2.25 per plate.

As an added bonus, Vardie Huff's Band will be

WHEREAS the support

of an understanding and informed citizenry is vital to the efficient operation of eleven run first inning with public works systems and programs such as water, dall Gibbs and Sam Brinesewer, streets, public gar. Toby Snider pitched 3 buildings, solid waste colinnings of shutout ball relection; and cording six strike outs. Scott

WHEREAS the health. safety, and comfort of this community greatly depends on these facilities and services; and

WHEREAS the quality and the effectiveness of these facalities, as well as their planning, design, and construction are vitally dependent upon the efforts and skill of the public works officials; and

WHEREAS the efficiency of the qualified and dedicated personnel who stall public works departments is materially influenced by the people's attitude and understanding of the importance of the work they preform; now therefore

BE IT RESOLVED that I, Charlie L. Garrett, mayor of the city of Gorman do hereby proclaim the week of May 20-26, 1984 as NATIONAL PUBLIC WORKS WEEK in the city of Gorman, and call upon all citizens and civic organi- safety, and comfort.

Homemakers Class **Of First Baptist** Church Met May 8th

Homemakers class of First Baptist Church met on Tuesday night, May 8th, in the home of Gladys Chambless. Co-hostess was Opal Holliday and Lula Vermillion. Annye Faye Foster presided over the business session. Elaine Skinner led the prayer.

L.E. Reeves showed slides from her trip to the Holy Land which the group enjoyed very much. Lois

Keesee 371 votes to Foster's 365. -GP-

NOTE OF APRECIATION

The Senior Class has been informed that an anonymous couple has been so thoughtful to treat the Senior Class with a brunch at the New Orleans Hilton, while on their Senior Trip next week. The Seniors would like to thank you for this generous gift. It is deeply appreciated by each member of the class. We would also like to thank the Merchants and people of Gorman for their support in the past two years. Without your

> support we would not be able to go to New Orleans and see the World's Fair. Thank You,

SENIORS 1984 zations to acquaint themselves with the problems involved in providing our public works and to recognize the contributions that public works officials make everyday to our health,

THE GORMAN PROGRESS MAY 17, 1984 Page Five

Congratulations to each of you and best of luck.

Comanche County Tractor Company

To GHS 1984 Graduates

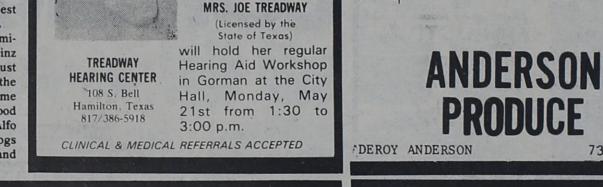

In the hustle and bustle of business, with its saving and slaving grind we are too apt to give credit to the works of our own hands and mind.

But we pause at this Graduation Time to give credit where it is really due to you kids and your parents and thankfully say that our progress results from your and their friendship.

You will meet some unsavory and immoral characters along the road of life and it is both your duty and responsibility to help change their step where possible but never to fall into the path that they have trod. Keep America way ahead of anything in second place.

We express the same **Happy Graduation Greetings** we have extended each class for the past Fifty-Nine years. **GOOD LUCK in Your Chosen Field.** SALES SERVICE CHEVROLET

Roundup was held April 28 at Stephenville. Part of the Roundup is the 4-H Judging Contest. After five weeks of practice Eastland County was represented by a 4 man Jr. Judging Team and a 4 man Sr. Judging Team. The team members on the Jr. Team were: Shane Burgess, Howard Lawrence, Stephanie Long and Toby Long. Shane Burgess was the second high point individual junior division and Howard Lawrence was the third high junior individual. The overall team score was 1441 which was enough to place them first over Bell County who scored 1399. On the Senior Team members were: Wade Shackleford, Shannon Kendall, Darla Cagle and Noble Laminack. Wade Shackleford was third high individual Senior division and Darla Cagle was tied for fourth high individual senior division. The Senior Team score was 1546 which gave them the second place Sr. team score under Bell County who placed first. This does however make the Senior team eligible for State Roundup which will be held June 5-6 at Texas A&M University. Congratulations to both these teams for doing such a fine job! The parachute was de-

AGRICULTURAL BRIEFS DIRECT MARKETING

CONSIDERATIONS--Direct marketing by fruit and vegetable growers, in the form of roadside stands or "pick-your-own" operations, reduces packaging and labor costs and gives the grower personal contact with the buyer. Ingredients of a successful direct marketing operation include location near a major highway, soda facilities, restrooms, a separate entrance and exit, adequate parking and a good advertising program. Growers should offer different varieties and sell only high quality produce. Staggering plantings provides for continous supplies, says an economist in fruit and vegetable marketing with the Texas Agricultural Extension Service, Texas A&M University Sys-

insurance coverage." says Smith.

Acreage planted after May 31 should also be reported on the June 15 acreage report (in the "remarks" section) as being planted too late for insurance coverage.

"The final planting date of May 31 is the latest date established by FCIC to plant and expect a normal crop to be produced. Crops initially planted after this date are not insurable unless a late planting agreement is signed by May 31," Smith said.

Farmers wishing to discuss local conditions, such as excessive moisture, that may affect planting should contact their local, authorized crop insurance agent as soon as possible.

THE GORMAN PROGRESS

tem. BEEF IMPORT LEVELS UNPREDICTABLE--U.S. beef producers will have to adopt a "wait and see" attitude about import levels for 1984 because of several unpredictable factors. notes a marketing economist with the Texas Agricultural Extension Service, Texas A&M University System. The question at issue is what effect expected increases in cow slaughter resulting from the new dairy program will have on the 1984 import trigger level. Each year the USDA establishes import quotas by adjusting the base level of 1.205 billion pounds. Quotas are imposed if quarterly estimates of annual imports exceed a trigger level designated as 110 percent of the quota level. A trigger level of 1.228 billion pounds was announced last Dec. 30 due to expected impacts of the new dairy program.

Some people don't know their electric bills can be about the same all year round.

Some do.

The Average Payment Plan will put you in the know; and just in time to take the heat off your hot weather bills.

You'll still pay for all the electricity you use. But under the Average Payment Plan, your bills will be more even all year round.

The plan is based on a 12-month average that's refigured each month. So you can pay less during the months you use the most electricity, by paying more during the months you use less.

The Average Payment Plan is available to Texas Electric residential customers. So look into it today. It's definitely worth knowing about.
