... GIVE THANKS ...

Press Points Joe Bennett, Publisher

Well "Turkey Time" is upon us once again. It doesn't seem like it's been but a few months since we marked the occasion last year. We are publishing a day early this week due to the holiday and appreciate the cooperation of everyone in getting their news in early. In case some news does not get in this week, we will be sure to get it in next week.

We sincerely hope that you and yours enjoy the greatest Thanksgiving of your life together. After all, that's exactly what Thanksgiving is all about. And folks should be sure and enjoy being with their families during this time, because you never know long the Good Lord will let us live on this earth and we should enjoy our loved ones while we can.

All of us at the Progress and our families wish for you and yours a holiday filled with good food and visits with your friends and loved ones. We ask God to keep all of you safe and to bless each of you with the best of everything.

We wish to apologize to the Hospital Auxiliary for not getting the news in about their meeting and also the bake sale notice in the article that was held on Friday. The article was set up and was cut and prepared to be put in, but it was just overlooked when the paper was made up. Sorry folks. But I understand they sold all the goodies anyway.

Received a note the other day from Kenneth Ezzell and his mother, Mabel. Ken sent the note with their renewal for the paper and stated that they were doing fine. They live in Barstow, Calif. and Ken said they love the desert and the weather.

Ken stated that they enjoy the paper and when they go over to see his sister, Laverne and Dalton Sellers, they take all the papers for them to read.

They wanted to tell everyone hello and wish them the best.

Thanks for the note Ken. We all hope ya'll continue to do well and wish you the best.

The basketball season is now underway for the Panthers and Pantherettes. In action on Monday night the Panthers defeated Hico by the score of 62 to 58. However, the Pantherettes lost their game by the score of 65 to 35.

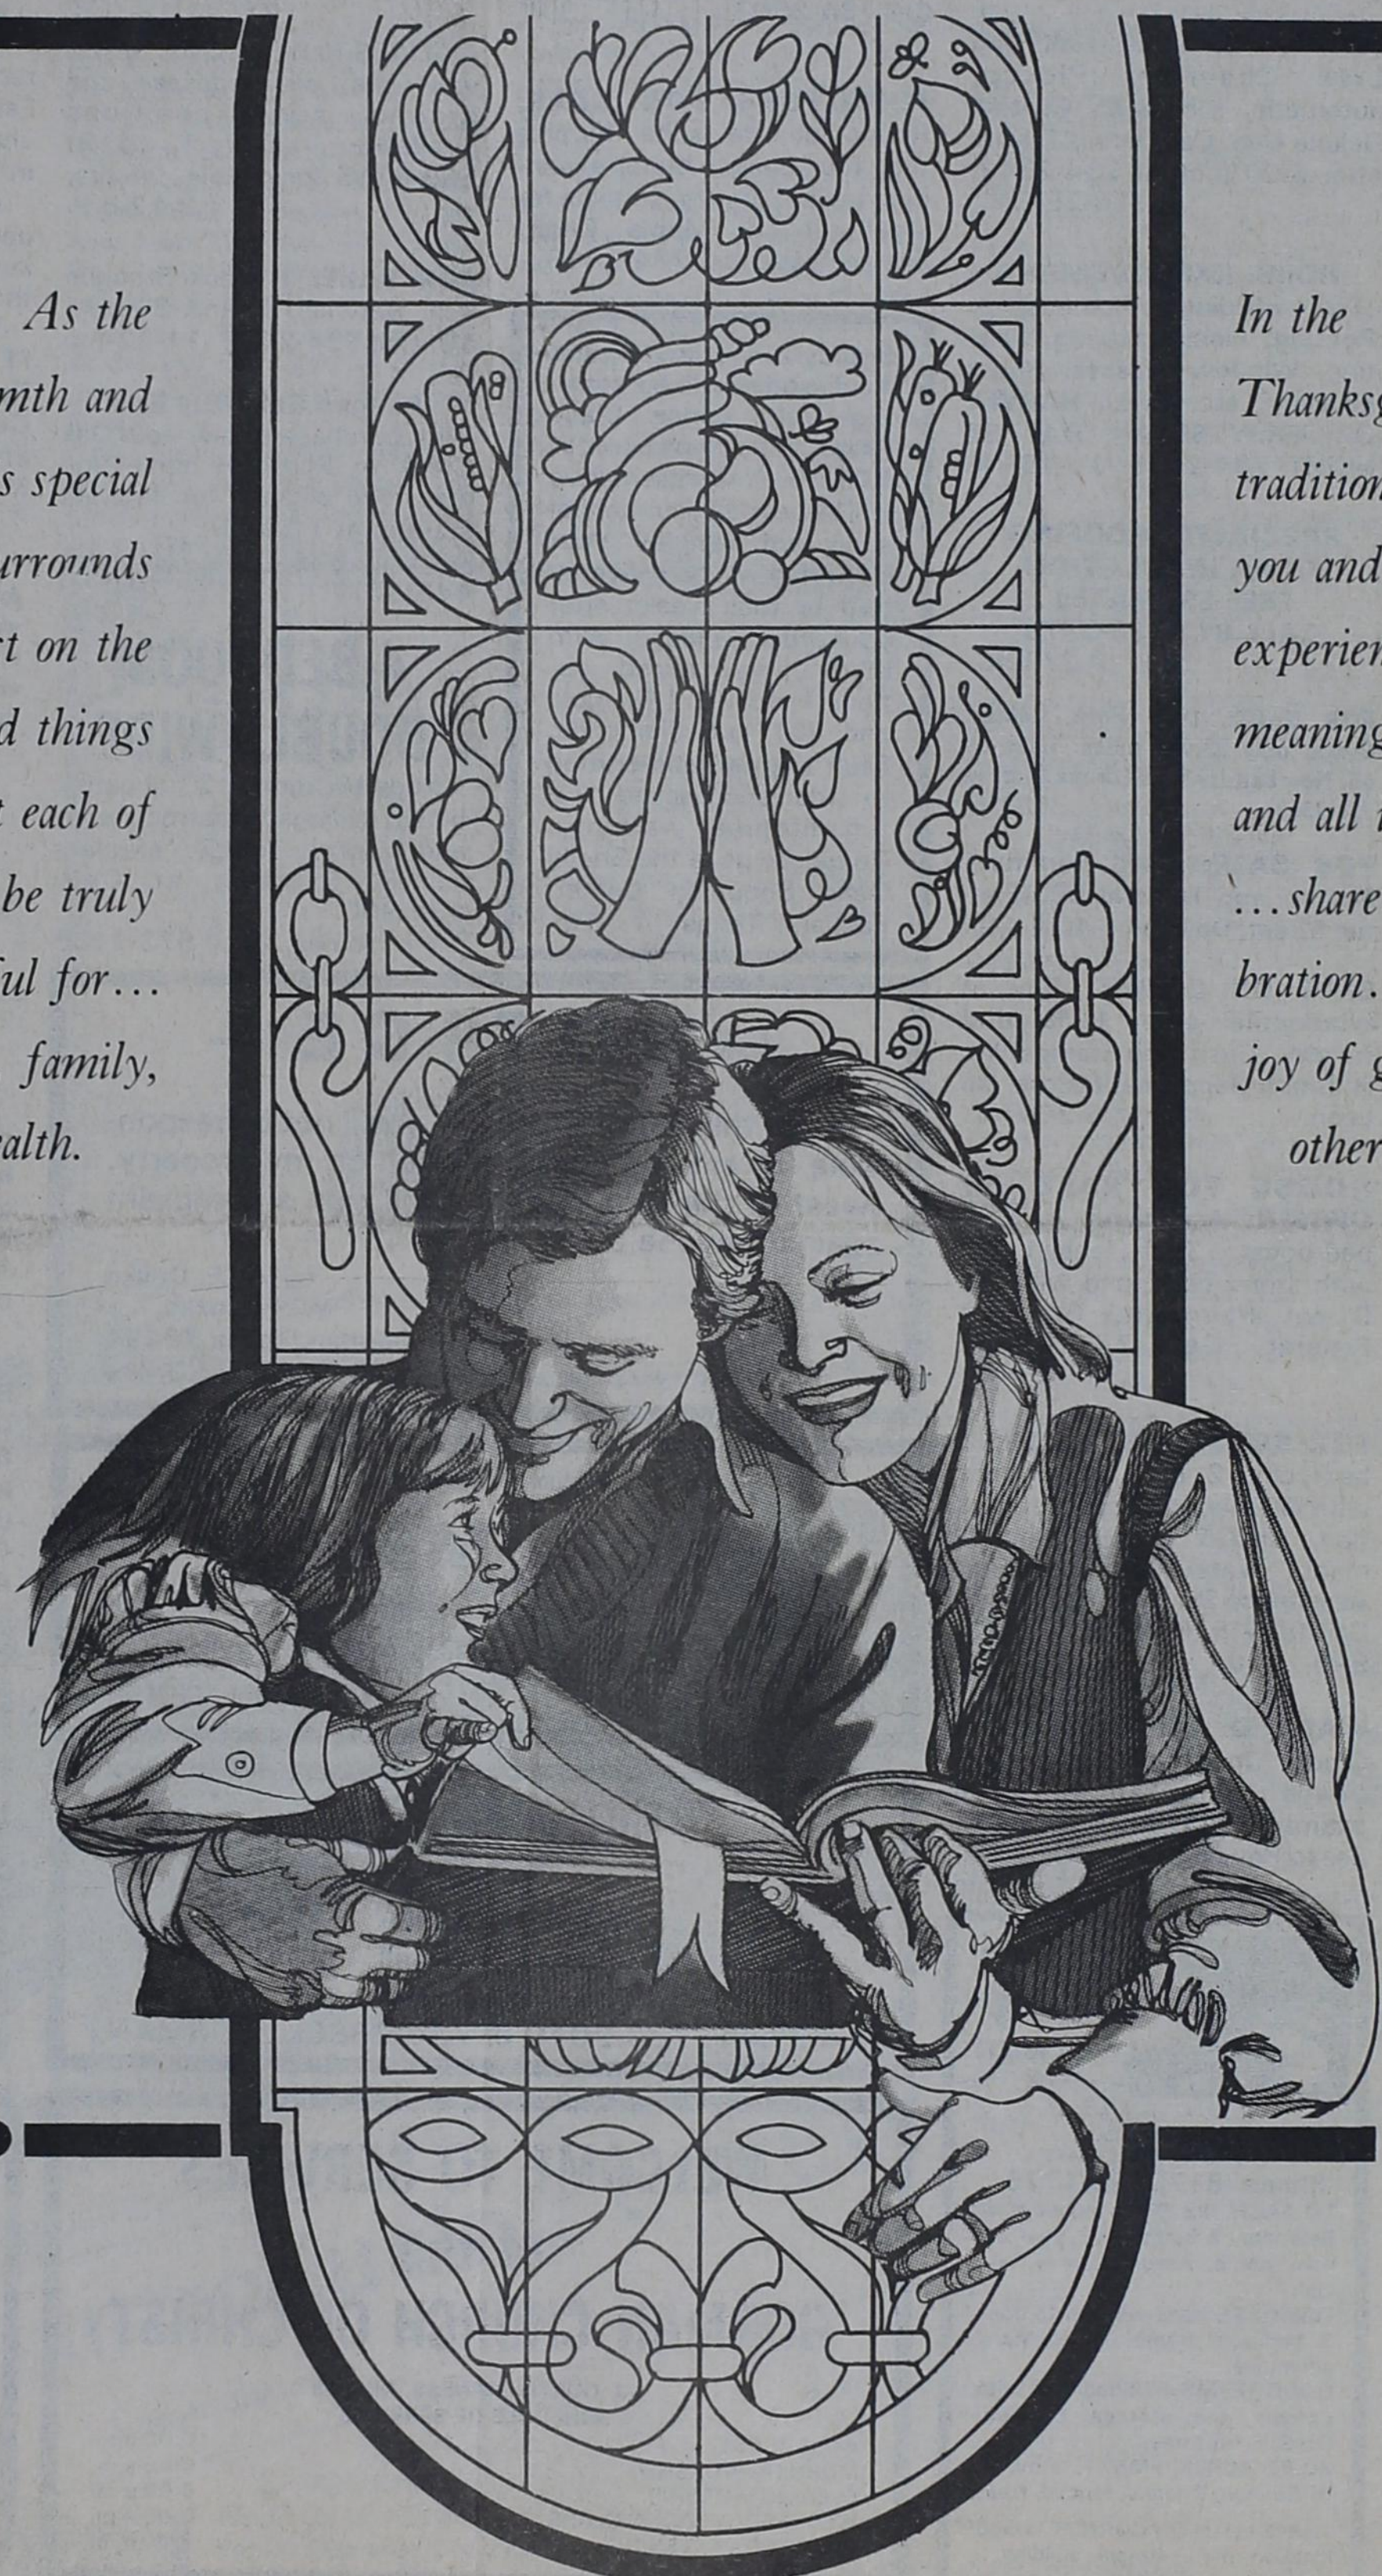

We hope to have a complete schedule for basketball either this week or next. We anticipate the Gorman teams having a good season this year.

The wet weather during the weekend has halted the peanut harvest around here. Everyone was hoping that it would stay dry a couple of weeks longer so that the peanut growers could harvest their crops. But the rain has fallen and the harvest is stopped for the present. The weather has been cold the past couple of days or so and it is beginning to seem like winter is just around the corner. Hope the cold and freezing weather holds off until the peanut harvest is completed.

Have you noticed the home of Hank and Nelda Hunter since they have gotten their mobil home set on the lot and have done a renovation project, along with a fine landscaping job. The home is located just west of the Mike McCormick home.

As the warmth and spirit of this special holiday surrounds us, let's reflect on the many good things in life that each of us has to be truly thankful for... friends, family, health.

In the Thanksgiving tradition, may you and yours experience the true meaning of this holiday and all it stands for... share in the celebration... know the joy of giving to others.

KOKOMO NEWS

By Mrs. Zelda Jordan

Phone 639-2289

The annual Thanksgiving Supper at the Kokomo Baptist Church was held in the fellowship hall of the church on Wednesday night, November 14. This was a special time also to honor and welcome the new pastor, Bro. Clarence Wilson, his wife, Leona, Lowell and Cynthia. A beautiful decorated cake, baked by Joyce Eaves, was presented to the Wilsons. The white cake was decorated with red roses and a miniature church building and was inscribed "Welcome to Bro. Wilson and

Family".

Bro. Wilson voiced the prayer of Thanksgiving for all our blessings and for the delicious food that was ours to enjoy as we fellowshiped with one another around the tables so beautifully decorated with green plants, fall leaves and persimmons. Mrs. J.C. Clearman and Mrs. J.L. Morrow decorated the tables.

Mrs. Roy Buchanan and Yancy of Clyde and Steve Gilbert of Fort Worth were visitors at the Kokomo Baptist Church on Sunday morning.

The evening service was dismissed so that we might join the other churches in the area for the Community Thanksgiving Service at the First Baptist Church in Gorman. How thankful we are that we live in a country where we can have the freedom to meet and worship our Lord together in Christian fellowship. Bro. Darrell Dossey, pastor of the First Baptist Church, in his message challenged us all to be more thankful for all blessings, and to express our thanks and praise to the Lord for them. There was special music from each church.

What a wonderful time of fellowship we had as we enjoyed the refreshments and visiting with one another in the fellowship hall following the worship service.

Those from the Kokomo Extension Homemakers Club attending the E.H. Achievement Day Luncheon and Program in Eastland on Thursday were Wynelle Brown, Anna Laura Clearman, Nancy Hendricks, Naoma Morrow, Ava Rodgers and Berneice Rodgers.

Ted and Cindy Jordan of Munday spent the weekend with his parents, the Glenn Jordans. Ted came to do some deer hunting.

Visitors with Mrs. Albert Hendricks during the past week were Mrs. Roy Buchanan and Yancy of Clyde, Ted and Cindy Jordan of Munday Wilbourne and Martha Wood and Daisy Wood of Carbon, Buster and Louise Brown of Gorman, J.C. and Anna Laura Clearman, Lum Tuggle, Hope Joiner, Ruth Bryant and Glenn and Zelda Jordan.

Mr. and Mrs. Charles Bryant, Kristen and Kelly Ruth of Mozelle visited on Sunday with Mrs. Ruth Bryant.

Mr. and Mrs. Jerry Hallmark, Debbv and Amy and Debby's boy friend of San Angelo visited during the weekend with Mrs. Dora Garrett

BAND, BELLES AND FANS PREPARE FOR MACY'S THANKSGIVING DAY PARADE

The Cisco Junior College Band and Wrangler Belles from Cisco will represent Texas and the Southwest in the 1984 Macy's Thanksgiving Day Parade in New York City on November 22. The CJC groups will be among the featured presentations in the fifty-eighth annual parade and it will be their fifth appearance in the spectacular event.

The band and Belles' performance in the New York parade will mark their seventh national television appearance in recent years. In addition to four previous Macy's parades - in 1971, 1973, 1977 and 1981 - they have also made two trips to Washington D.C. - in 1980 and 1982.

Director of the CJC band in Mr. Tim Jones and Wrangler Belles Director is Mrs. Nicki Harle. Student leaders are Band Drum Major Kim Lacy of Bangs and Belle Captain Debbie Rodriguez of Ft. Worth.

and the Jimmy Littles and the men did some deer hunting.

Steve Gilbert of Fort Worth visited during the weekend with his grandparents, Mrs. Berneice Rodgers and Mr. and Mrs. Floyd Gilbert in Gorman.

I hope that everyone has a wonderful Thanksgiving Day with their families and friends. And may we all take time to be truly Thankful to our Lord for all the many blessings we enjoy each day, and most of all for Jesus Christ our Savior. If you do not know Jesus as your personal Savior, I urge you to pray and ask Him to come into your heart and become your Savior. Then you can know what the true meaning of Thanksgiving really is.

In addition to the 84 students in the two performing groups, approximately 200 other Texans are going along on the CJC sponsored trip to New York for a four day Thanksgiving holiday of entertainment and sight seeing. They are traveling in two American Airlines chartered planes and are staying at the Southgate Tower hotel. The group will tour the city and will attend the Christmas Show at Radio City Music Hall and performances at the New York Experience Theatre. They will also visit the Statue of Liberty and the United Nations Headquarters.

The CJC Band and Belles may be seen in the NBC Television coverage of the Macy's Parade between 9:30 and 10 a.m., Central Standard Time. Additionally, the band and belles may possibly be seen on an earlier coverage on NBC beginning at 8 a.m.

4-H'ERS ATTEND STAR JUNIOR RETREAT

17 Eastland County 4-H'ers attended the Star Jr. Retreat November 10-11 at the Texas 4-H Center in Brownwood. The 4-H'ers departed Saturday morning at 6:00 a.m. After arriving at the camp site they explored the exhibits of new games, made scrolls and, aggie yo-yo's. The youth interacted, questioned the council and finally enjoyed recreation directed by council.

The night concluded with recreation lead by two ladies from MHMR, Vernon Carter and the 4-H'ers presented a vesper. The morning began with an omelet rodeo then back to your leadership area for final instructions. Then each group presented a program. Each 4-H'er set goals to achieve during 1984-85.

KOKOMO EXTENSION HOMEMAKERS MEET

The Kokomo Extension Homemakers met on Monday Nov. 11 in the lovely home of Mrs. Berniece Rodgers. As it was "Veterans Day" the meeting was opened by all present singing "America" accompanied on the piano by Mrs. Billie Stacy.

Mrs. Ava Rodgers presided over the meeting and led the motto, and pledge. Mrs. Berniece Rodgers read a Devotional scripture taken from the 100th Psalm and Mrs. Wynelle Brown voiced the prayer.

Mrs. Nancy Hendricks read the minutes of the last meeting and called the roll by each on telling their most recent blessing.

Mrs. Wynelle Brown gave the treasury report and the club voted to send Rehab Center in Abilene \$100.00. This donation has been one of our club projects for years.

Janet Thomas, our "Extension Service Agent" brought our program on "Working Smarter, Not Harder." We enjoyed the many ideas for conserving our time and energy for our daily chores. She also showed us a collection of the latest in "Kitchen Gadgets" to make our kitchen work easier. It also gave us many ideas for Christmas gifts that would be useful and unusual.

The beautifully decorated refreshment table, which carried out the Thanksgiving theme was prepared by Mrs. Ima Brown. The refreshments consisted of pimento pinwheel sandwiches, ham and onion sticks, pumpkin roll dessert, cauliflower dip chips, caramel corn, and cold drinks.

Members present were: Mrs. Anna Laura Clearman, Mrs. Wynelle Brown, Mrs. Nancy Hendricks, Mrs. Ava Rodgers, Mrs. Naoma Morrow, the hostess Mrs. Berniece Rodgers, and guests: Mrs. Billie Stacy, and Mrs. Janet Thomas and Kathy Thomas who helped Janet with the program.

FOOD SAFETY TIP PROPER THAWING OF POULTRY

Proper thawing of your Thanksgiving turkey is as important as how it is cooked, according to Dr. C. David Morhead, Director of the Division of Infectious Disease in the Department of Pediatrics at Scott and White in Temple.

"Thawing of meat and poultry should be done in the refrigerator or in a microwave oven on the defrost cycle," explains Dr. Morehead. "Large Turkeys require two to three days to thaw in the refrigerator."

"If it is necessary to hasten thawing, use a watertight wrapping under cold water. Keep water cold by changing it frequently. Cook promptly after thawing."

For a safer, happier Thanksgiving, take precautions in your food preparation. Proper thawing of your Thanksgiving Turkey is just one way to insure your family's health and happiness during the holiday.

FABRIC SOFTENERS AFFECT FLAME RETARDANCE

The flame retardant children's sleepwear you buy may not stay that way unless you take care in laundering it, says a Texas A&M University Agricultural Extension Service clothing specialist. "Normal home washing is not a problem," says Alma Fonseca. "But several research studies indicate that using fabric softeners will reduce the effectiveness of flame retardant finishes." The best performance for fire retardance in 100 percent cotton sleepwear occurs when repeated laundering takes place without the use of a fabric softener at all. Sleepwear treated with a dryer fabric softener still meets standards for flame retardance, although it will not perform as well as those without fabric softener. A rinse-cycle softener causes some reduction in fire retardance and wash-cycle softener has the greatest effect, she says. For

CITY CHIT CHAT

The City is going along in a fairly smooth way at this time. We finished the street paving for the year and are trying to keep pot holes patched. At this time of year it is difficult to get good patch jobs done since the patching material does not set up well in cold weather, but we will try

to keep holes filled as best we can until spring. We are doing some ditch opening on some streets and will be doing some more during the winter. This is necessary so that the water will drain properly. In doing this we will try not to create a problem with private drives, but in some cases it may be necessary. If after grading you feel that a problem has been created, call the City office and we will try to work it out so as to help solve the drainage problem but will not hurt you any more than is necessary.

In driving around I observe that some streets are being taken over by parking old cars, stacking hay, parking trailers, and other items. I want you to be aware of the fact that the entire street right-of-way belongs to the City and you may be required to move anything you have on the street. I am asking that you use caution in putting anything on the public streets or alleys. Remember that this is City property and can be claimed by the City at any time.

The Commission is still getting complaints about disturbances by

loud and unusual noses at night. These complaints are on dogs and loud motors as a rule. I am aware of the fact that it is a problem to keep dogs from barking at night, but I am asking all citizens to carefully consider their neighbors in this matter and try to do something to correct the noise problem. I am asking that for those who are responsible for this disturbance to just try to put themselves in the same position that their neighbor finds himself and try to realize how bad the disturbance is and make an effort to correct it. Let us all try to live and let live in peace and quiet with our neighbors.

Taxes are coming in well at this date. We have collected \$26,601.44 to date. This represents about 50% of the assessed taxes for 1984. Remember that taxes are due and payable by January 31 without being delinquent. After that date penalty and interest will be added.

The City will be closed on Thanksgiving day, but will be in operation on Friday. I hope each of you have a very happy Thanksgiving with your loved ones and friends.
