We gat another nice shower in this vicinity in the early morning hours of Wednesday. Most folks were stating they had received about half an inch. Anyway, the moisture was sure appreciated by everyone as it was beginning to dry out in some areas. Everyone were happy it was just rain we received following the hail which fell in the area on the 27th of April.

We have received many, many reports of hail damage in the area north of Gorman. After all reports were in the damage was very widespread and was extremely heavy, especially to roofs, windows, screens and siding. Some homes were ruled as complete losses due to the hail and water damage.

It will be a long time before some folks forget that terrible day on June folks forget that terrible day on April 27th.

A seminar on water will be held on May 16th from 7:30 to 9 p. m. in the Eastland National Bank Community Room. "Water, A Source of Life" will feature "Laws Governing Surface and Underground Water" by an attorney; "Drinking Water Quality" by Mike Menzies of Abilene; and "Water Conservation and Wise Use of Water for Home, Garden and Landscape" by Dr. John Sweeten of Texas A&M.

The program is sponsored by Eastland County Program Building Executive Committee. The public is invited.

\_J\_ The Chamber of Commerce Board of Directors, meeting on Tuesday, May 7, voted to add to the number of contestants in the Little Miss Gorman Contest. It is anticipated that there will be about nine contestants in the 5 year old age bracket eligible to participate. Contestants other than the ones selected by the Chamber, the Lions Club and the Fire Dept., will be sponsored by the different businesses in Gorman. The Little Miss contestants will be ed to raise funds only through 'Can Donation Containers'' at e different locations in town. No money can be raised by special

events in the contest.

We hope to have more information on the contest by next week concerning the money-raising projects and other details. In the Little Miss event the Chamber voted to have the contestants dress in "Sunday" type dresses instead of formals. I'm sure this will make a lot of parents happy as it will cost much less to participate in the event.

The contest will begin May 11th and continue through noon on Saturday, June 8th.

well Hospital the last few months. We've added our new x-ray equipment and it is working just fine. The stroke prevention clinic was a huge success with 215 people being seen in two days of screening. We didn't plan on that many at first, but the phones didn't stop ringing. A notice to the people we missed, we will try to have at least one more screening in the future so keep an eye out for the announcement. We at the hospital would like to thank the First National Bank and the Gorman Lions Club for their co-sponsorship of the important community service.

BLACKWEL

Blackwell Hospital would like to welcome to its Board of Directors its newest member, Monty Montgomery, and to congratulate the reelection of Hershell Cordell, Lowell Rawls and James Miears. In our regular Board meeting on April 23, Lane Campbell was elected as President, Hershell Cordell, Vice President and Lowell Rawls as Secretary-Treasurer. We here at Blackwell would also like to thank these men for the great job they are doing.

### **Carrie Lee Koonce** Laid To Rest Thursday

#### **CARD OF THANKS**

We would like to thank

Ranger, celebrated their 65th wedding anniversary April 25, 1985. The celebration was held Saturday the 27th at the Annual Howard Cemetery Working near Deademona, Tex.

In attendance were their 2 sons, Grady Redwine of Grand Prairie, Floyd Redwine of Ft. Worth, and their daughter, Ruby Saint of Ranger and their families. A total of eight grandchildren and seven greatgrandchildren were present.

Unable to attend was their son, Curtis Redwine of Pyote, Texas, and his family. A total of eight grandchildren and thirteen greatgrandchildren were not able to attend.

Other honored guests were Earl's brother, Ila Redwine and his children, Junior Redwine, Vernon Redwine, and Oneta Mutchler, all of Fort Worth. Also attending were Marilyn Saint's boyfriend, Robin Sculthorp, student of Angelo State University, and Juanita Armstrong, sister of Burley Saint, and her friend, Esta Davidson, both of Fort Worth.

Many old friends were found and old times brought to memory. Thanks to all who came by, called, or sent cards.

### **Billy Barnett** Last Rites Held Monday

Billy Joe Barnett, 61, of Martinez, Calif., formerly of Carbon, a retired construction worker, died Thursday morning in Califormia after a lengthy illness. Services were at 2:30 p.m. Monday, May 6, in Bethel Baptist Church in Eastland.

The Rev. Dale Noska, pastor, officiated. Burial was in Murray Cemetery in Carbon, directed by Bakker Funeral Home in Eastland.

Born Nov. 12, 1923, in Carbon, he married Robbie Ables July 4, 1942, in Eastland County. He was a veteran of World War II and had lived in California during the past 30 years.

Survivors include his wife; a son, Dean of San Ramon, Calif.; father, Joe Barnett of Eastland; two brothers, Orville and Gene, both of Gorman; three sisters, Donnie Mathison of Carbon, Connie Cate of Eastland, and Dorotha Cate of Houston; two grandchildren; and a number of nieces and nephews. Pallbearers were Leymon Ables. Wayne Ables, Danny Barnett, Larry Barnett, Emmett Lasater, and Cecil Self.

Southwestern trains men and women for Christian ministry in schools of theology, religious education and church music.

The Senior class of GHS will hold a bake sale on Saturday in front of the post office.

They will also have a Car Wash on Saturday at the school. Prices will be \$8 and \$10.

It is still not too late to get in on the Clean Up Project. If you still have items to be hauled, call the City Office and let us know. We have already done a lot of hauling. Let us make one last big push to improve the looks of the city.

Elsewhere in the paper you will see a Public Hearing Notice for the grant to improve the water supply system in the City. We propose to use the grant to install larger mains into some areas of the city so that we can provide an adequate supply of water for normal use and have mains large enough to install fire plugs in these areas for fire protection. At the current time, fire rates in parts of the town are higher because of the distance to fire plugs. This project could remedy the situation. I am urging citizens in the areas where the water supply is critical to attend this hearing and give some input into the project. Remember it will be at the school lunchroom at 6 p.m. on May 16, 1985. We will conclude the. meeting in time for grade school graduation. See you there.

coordinator for 55 Alive driver imporvement Program, has scheduled a class for Gorman to be conducted May 16 and 17. The class will be at the Senior Center, starting at 2:00 p.m. each afternoon and lasting about four hours. The cost for the course will be \$7.00 and is open to anyone who is 50 years or older.

This course is designed for the aging driver and covers those things that affect us as we get older. It was developed by AARP and is the only driving program designed for older drivers. It will cover physical markings, following distances, interacting with traffic, basic rules of the road, seat belts, and many other items. It will be a class small enough that each person in the class will be able to take part. Those who attend all sessions will be able to receive a 10% discount on most of their insurance for three years when they present their certificate to their insurance agent. Passing the course will not depend upon you passing any test. If you are interested in the course you may sign up at the Senior Center, the City Hall or call Mr. Garrett at 734-2573 or the City Office at 734-2317. The class will be limited to not more than 24 students. Those who register first will have first choice at the course.
