TED UNDERWOOD BENEFIT BARBECUE SET THURSDAY

The Lions Club and Fire Department Benefit Barbeque for the Ted Underwood Fund will be held at Frank A. Gray Park, Thursday, July 18 with serving beginning at 5:30 and continuing through 8:30 p.m. The park is located about 2 miles southwest of Gorman off of FM 8, with the turnoff at the old Jobe Equipment location.

Barbeque and all the trimmings, tea and coffee, and homemade cobblers will be served. Admission will be by donation with folks giving whatever they can to help with the fund.

There will be entertainment by the Roland Smith Band and other entertainers during the evening, with a pastry auction to be

held following the meal. Ray Shipp will be the auctioneer and will be selling the goodies. If you wish, you can bring a pie or cake to be auctioned off.

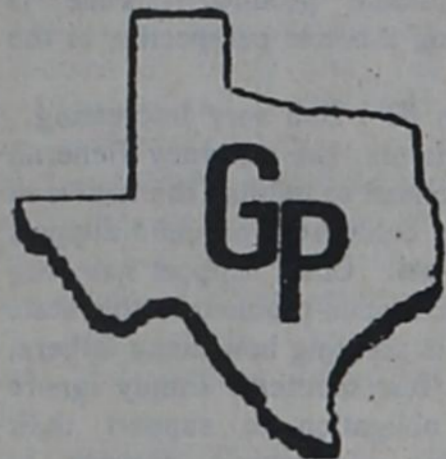

A large box will be available to place donations at the serving line. Folks are asked to donate what they can toward the fund.

There will carry out plates for those who wish to come out and pick up plates and carry them home. Also a delivery service has been set up for shut-ins and folks who can't get out to the park. Several youths have volunteered their time for this service. They will deliver your meal and pick up your donation to the fund. Call 734-2445, 734-2886, 734-2739 or 734-2519 by 4 p.m. if you want a plate delivered.

Of course, all proceeds will go to the Ted Underwood Fund. The Lions and Firemen have been overwhelmed at the number of folks contacting them to help in any way they can. It is marvelous how folks in our community and area pull together for something of this kind.

If you need directions to get to the park, just ask someone and they will tell you.

Please remember to bring your own seating as there will be none available at the park. Due to the large number of folks expected at the fund-raiser, it would have been impossible to secure tables and seating for everyone.

It seems that the weatherman just won't cooperate in sending some rain our way. There was lightning to the east of us Tuesday evening, but nothing moved our way. Oh well, maybe some rain will be coming in soon. The sooner the better as far as most folks are concerned. The crops need moisture and some have already started irrigation operations, that is the ones who are lucky enough to have irrigation water.

—J—
There seems to be more and more interest in the Yard of the Month series. We may have to increase it to Yard of the Week to get all nominations in before the weather starts zapping all the beautiful yards.

—J—
Everything and everyone around here seems to be focused on the Lions Club and Fire Dept.'s Benefit Barbeque for the Ted Underwood Fund. The two organizations are sponsoring the event but without the outstanding cooperation of the wives and other ladies, and the entire community as a whole, the job just couldn't be done. The cooperation of everyone has just been fantastic and the organizations are expressing their appreciation for all the marvelous folks who are volunteering to do what is necessary for an event like this to be successful. Never before has so many folks did so much to help with the project. Really I should not have stated it that way, because the folks of this community and entire area are always ready to pitch in when someone is in need of assistance. Folks around here are just that way. Oh, all of us may gripe and moan about this or that but when it is time to come together for some real important matter everyone forgets their differences and pull together to get things done.

—J—
The benefit barbeque will get underway at Frank Gray Park on Thursday, July 18 (today) at 5:30 when serving will begin. Serving will continue through 8:30. The price of the meal will be by donation and a large box will be placed at the serving line for folks to make donations to the fund.

The Roland Smith Band, and maybe some others, will be on hand to entertain folks. Those coming to the park are asked to bring chairs to set in as there will be no seating available at the pavillion due to the large number of folks anticipated to attend the event. There will be carry out plates available and also there will be a delivery of plates to shut-ins and folks who cannot come out to the park. Call 734-2445, 734-2886, 734-2739 or 734-2519 by about 4 p. m. and when your meal is delivered you can make a donation to the fund. Some young folks have volunteered their time to make the deliveries.

—J—
There will be a pastry auction following the meal with Ray Shipp doing the auctioning for the sale of the goodies.
Please remember to bring your own seating if you wish to eat at the park and enjoy the evening with all the folks.

Retail advertising carried by newspapers, either as ROP (run of paper) ads or pre-printed newspaper inserts proved almost three times as effective on a sales-per-dollar of advertising cost basis in a recent test against direct mail circulars, Leo Bogart of the Newspaper Advertising Bureau, recently reported.

Bogart reported that on a sales-ad

NEW HOPE BAPTIST CRUSADE

New Hope Baptist Church is sponsoring an open air crusade to be held east of the hotel building July 19 through July 21 at 7:30 p.m. Evangelist Dan Grindstaff of Fort Worth will be presenting the unchanging gospel message, "While we were still helpless, at the right time, Christ died for the ungodly."

Dan's ministry has been featured on the ACTS television network, Commission Magazine and in the Ft. Worth Star-Telegram.

Leading the music for the open air crusade will be music evangelists Tom and Patti Estes from Kingsville, Texas. Tom and Patti have been in music evangelism since 1979 and travel thousands of miles each year singing in revivals, crusades, camps and concerts.

The crusade is not restricted to any church or denomination. It is presented as an opportunity for people of the entire Gorman area to be able to hear a clear presentation of the gospel of Jesus Christ and the relevance of that gospel to our lives

cost basis, compared with an index of 100 for direct mail circulars, ROP newspaper ads had a sales productivity index of 289 and newspaper inserts scored 271, while other combinations of newspaper and total market coverage products had intermediate rankings.

The relative rankings of the five ad procedures showed newspaper ROP at 289, Newspaper Inserts 271, Inserts plus TMC 191, ROP plus TMC 149 and direct mail Circulars at 100.

This is a test that has been needed for a long time to show people what form of advertising gets the best results. There is nothing that will give you better results than your newspaper ad or an insert in the paper.

today.

"Preacher Dan," as evangelist Grindstaff is known on the streets of Ft. Worth's south side, says, "Regardless of who he is or where he lives, man's need is the same. It doesn't matter if he is a wino on the streets of Ft. Worth, a villager in the interior of Mexico, or a teenager, housewife, farmer or laborer in Gorman, Texas. Everyone needs a personal relationship with Jesus Christ."

A nursery will be provided at First Baptist Church for children three years of age and under. The nursery will open at 7 p.m.

FRANK A. GRAY PARK JULY 4TH CELEBRATION

Frank A. Gray Park Association's 6th annual July 4th picnic scored a rousing success. Over 200 barbecue plates were served during the day. Six hundred pounds of ice, 211 pounds of brisket, 20 gallons of lemonade, 15 gallons of tea, all bean and potato salad were consumed. The people who made this year's picnic possible were Doris Gryder, games; Cliffa Vaughn, food; and Mrs. Claude Fuller, entertainment. These ladies recruited a legion of good helpers. Sam Brinegar and Thom Chandler worked the day before getting things ready. Sam cooked the brisket with help from Thom and Bud Jeffs. Thom, Bud, and Rhett Harrison fired off the fireworks.

The cost of this year's picnic was about \$1300 with income of \$1650. Louise Clark collected \$150 during the fireworks display. Sunbelt Savings donated \$100 and the banner. First National Bank donated \$200. These donations help but the cost of improvements as well as upkeep are large. Donations can be made to Pat Hagood or Milton L. Jensen, 734-2016.

CAPITOL UPDATE

by Jim Parker

Two items of interest this week, in light of earlier columns dealing with the subjects, are #1, the court decision on the "no pass, no play" rule, and #2, the Attorney General's decision to publish names of fathers delinquent in child support payments.

Item #1 is, of course, a continuation of the controversy generated by the education reform legislation know as H.B. 72. It required a public school student to pass all courses with a 70 to participate in extracurricular activities. A law suit was filed in a Houston court and this no pass, no play rule was declared unconstitutional on the grounds that it violated the equal protection and due process requirements of the Constitution.

The Texas Supreme Court, in an opinion rendered this week, has ruled that the no pass, no play rule is not unconstitutional and is in fact good law. Opponents of the rule have already stated the state court ruling will be appealed into Federal court. The only absolute conclusion that can be gleaned from all of this activity is that somewhere one or more lawyers are wearing a smile.

and looking forward to economic security for a while yet.

After examining the scores turned in by the students taking the sample high school exit level test, the "hard-liners" may be correct. If our graduating seniors are, in fact, woefully inadequate academically, perhaps we need to totally eliminate extracurricular activities.

It seems that everytime one forms an opinion, based on the most recent factual data, something occurs that indicates that position is totally incorrect. Surely the truth of the matter, and the best interests of the students, lies somewhere in the middle ground, if we can discover that middle ground. Time is bringing a better perspective to the issue.

Item #2 I find very interesting. Jim Mattox, the Attorney General, has decided to publish the names of fathers delinquent on child support payments. Child support has long been a serious problem in this state and it is amazing how many fathers, and a few mothers, simply ignore their obligation to support their offspring. Mattox's decision to publish names will certainly bring the harsh light of public awarness to an area that has long been overlooked.
