Joe Bennett, Publisher

Most of the conversation around here and the rest of the country the past few days has been directed toward the fall of the stock market and the effect it is having and will have on the economy of our country, as well as the economy of many, many countries. In a lot of cases, the way the economy of the United States goes, so goes the economy of many other countries. Because it seems a whole lot of other countries depend on us for their livelihood. And if we don't have the billions to give away, then their countries will be really in bad shape.

Some of the talk on the TV and news casts have been directed to the trade deficit and the tremendously heavy spending habits of our elected officials in Washington. If a few of them would tighten the strings like a lot of us other folks have had to do, then things would change drastically. You can't keep spending more than you are taking in and give away even more on top of that and expect to survive. And if our country continues to do this, then we haven't seen anything yet! It's time for the "high officials" to come down off their ivory towers and get back down to earth like the rest of us.

Noticed that the stock market was on the upswing again, mainly on account of the change in interest rates. One thing for sure - there's an awful lot of folks really concerned about the situation in our country right now.

The Lions Club tried out our new hamburger cooker on Tuesday night when we "treated" our wives to a big hamburger supper. Our top "cookers", George Simmons and Lonnie Bennett, states that the new cooker is tops and will really do the job when the Lions hold their hamburger sales at different times during the year. And, also, those on hand seemed to agree with them, because they sure did put away a lot of burgers. Especially the wives.

The weatherman has sent us some rather cool weather the past couple of days. It was in the lower 40s on Tuesday and Wednesday, but it warmed up a little during the day. The small amount of rain that some received helped a little, but there wasn't much rain reported by a lot of folks, so it was spotted around the area. But we'll take all we can get, because the peanuts that are still in the ground need moisture to mature out like they should.

A lot of the grades on the peanuts that have been harvested doesn't seem to be too good. Maybe the later peanuts will be better.

The Lions Club expresses their thanks to everyone for the support that was shown for the annual broom and mop sale to benefit the Blind. The amount raised this year surpassed last year's total by a little. Our total sales this year was just over \$1300. And we know that the blind folks truly appreciate the fine support of the local folks in their behalf.

And remember to smile - because God Loves You!

The Gorman Panthers traveled to Evant on Friday night to take on the Elks in a district 8A contest and came home with their second district loss of the season by a margin of 7-6. This makes the Panthers record read 4-2. The Big Red just never seemed to jell just right until the final few minutes of the game and then they came up just a little short on their try for a win. After scoring their touchdown, the Panthers failed to convert the two point play for the win and thus lost their hard fought game.

The Panthers and Elks played on fairly even terms until just 2:02 remained in the first period. The Elks climaxed a drive from their own 37 yard line in 11 plays with Nicky Craft getting the final 5 yards on a run for the score. The drive featured some fine running and also a 12 yard pass completion. Sheldon Bennight kicked the point after and Evant was out in front 7-0.

The Elks had a couple of drives come up short and the Panthers couldn't muster any offense and the halftime intermission came with the score remaining 7-0.

In the third quarter the Panthers came out with a little more aggressive play and held the Elks to just 30 yards on the ground and no yardage passing, but they also were held to small yardage and pass completions.

Mary Ann Stewart, her Something Blue was her garter, given to her by her Great Aunt, Margie Hudson, hand made by Louise Brown.

Brenda Scitern of Stephenville was her sisters Maid of Honor. Bridesmaids were Amy Scitern of Gorman, Sister of the bride and Melissa Smith of Clyde sister of the groom. Flower girl was Rachel Harper, of Gorman. All of the brides attendants dresses were, Royal Blue ankle length lustrous Raschel lace over gleaming satin, with a sweetheart neckline satin bows, trimmed lace handkerchief sleeves. The full skirt featured a handkerchief hemline.

Eddie wore a white tuxedo with a white shirt and cummerbund. Best man was Ken Keith of De Leon, cousin of the groom. Groomsmen were Chas Bayer and Brad Gray of De Leon. Candle lighters were Cory Keith of De Leon, cousin of the groom, and Kevin Scitern, of Gorman, brother of the bride, Kevin also served as Ringbearer. Chas Bayer of De Leon and Steve Smith of Clyde, brother-in-law of the groom were ushers. All the grooms attendents wore silver tuxedos with white shirts and silver cummerbunds.

Margie Hudson of Gorman, Aunt of the bride registered the guest. Wedding music was rendered by Shilo Ritcher and Peggy Collins of Gorman.

The Brides parents hosted the reception in the church fellowship hall.

The Brides table was covered with white cloth with a white lace overlay.

The brides bouquet was the center piece. White wedding cake, Silver and Royal Blue mints, nuts and pineapple punch were served at the Bride's table. Crystal appointments were used. Serving at the brides table were Veronica Seaton of Gorman and Tracey Bills of Stephenville.

The grooms table was covered with a Royal Blue cloth. The beautiful center piece was a silk flower arrangement of Royal Blue and Silver. Chocolate cake, chocolate covered mints, nuts and coffee were served at the groom's table. Silver appointments were used. Serving at the groom's table were Lana Keith, cousin of the groom and Elaine Bayer of De Leon.

The Groom's parents hosted the rehearsal dinner at the First Baptist Church fellowship hall on Friday night.

Following a Wedding trip to Canada, Nita and Eddie are at home at Route 5 Dublin.

This evenly matched game continued until late in the fourth period when the Panthers finally got their blocking assignments down and started a drive on their own 35 yard line after an interception by Scott Gressett. Following an incomplete pass, Gressett hit Jay McCormick on an 11 yard pass for a first down. Then following a 3 yard run, Gressett hit Don Rodgers for a pass completion of 5 yards. Then came a 4 yard run by Joe Rodgers for another first down. The following a 2 yard run, Gressett again hit Don on a 4 yard pass. Following this Gressett rolled out for 9 yards and the Panthers were rolling. Don added another 11 yards on a run. Gressett again made a first down on a 5 yard run after two running plays got 8. The following a no gainer and a 1 yard run, Gressett rammed it in from 1 yard out with just 2:02 left in the game and it looked as though the Big Red might pull out a win after all. However, this was not to be, as the Panthers called time out to check with Coach Gibbs on what play to run for the two pointer which would have put the Panthers out front by 1. But the Elks defense had other plans and set up their defense for a wide play and held the Panthers on the two point try and then proceeded to run out most of the remaining time on the clock to secure the win.

The Panthers did get the ball back

with a little under 1 minute to play, but could not get anything going in the time left and the Elks thrilled their homecoming crowd with a 7 to 6 victory.

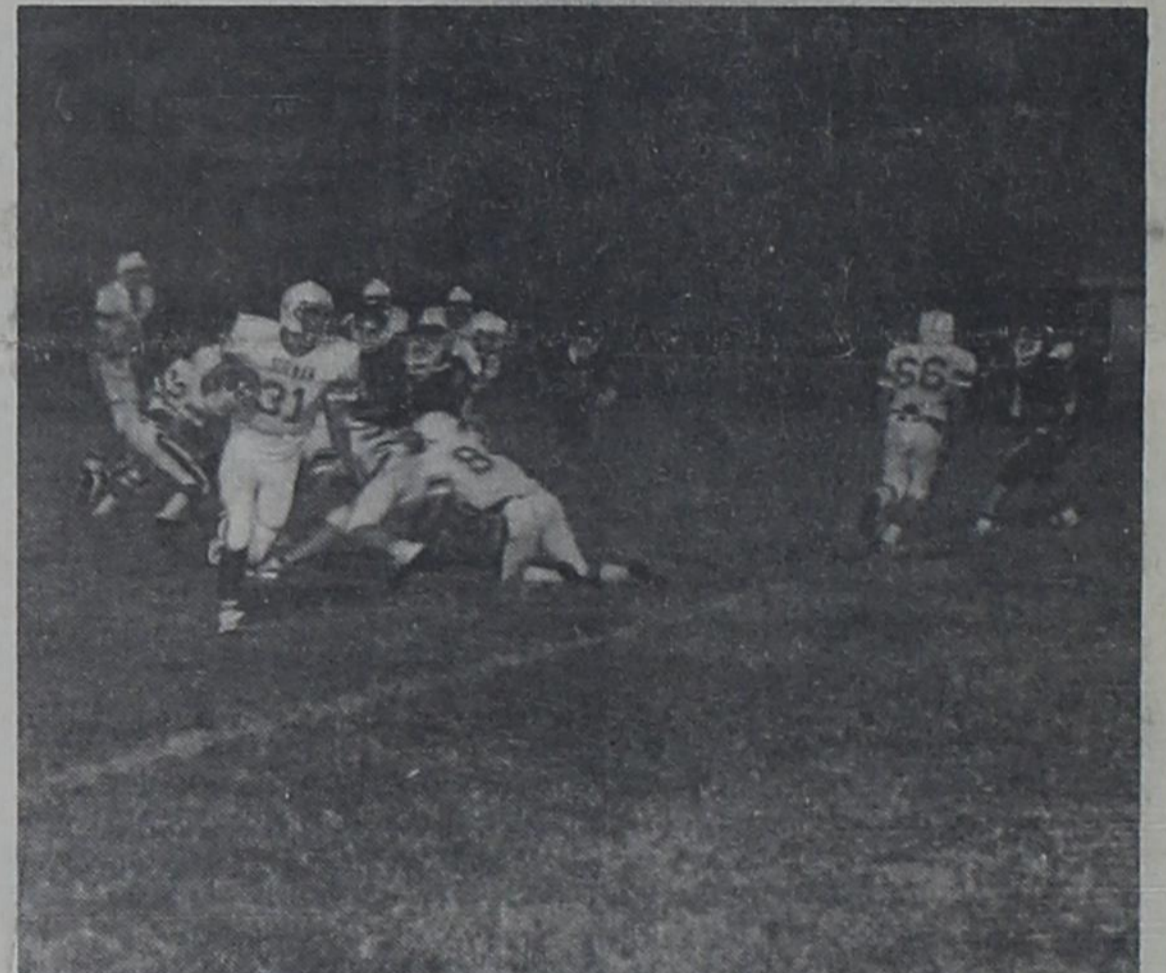

This was a tough loss for the Big Red, but they were hampered with some key injuries and that hurts a lot. We feel that the Big Red just waited too long before getting any momentum going and then didn't have time to get the other score to win the game.

The Panthers will be on the road again Friday night when they travel to Blanket to take on the Tigers, who have shown a lot of strength this season and always give the Panthers a stiff contest. The Tigers have also a couple of games but have a fine ball club and will be ready to play. The Panther defense will really be tested in this battle and will have to have a good game to come out on top.

Scott Gressett led the Panthers with 42 yards on 9 keepers. Don and Joe Rodgers each had 30 yards rushing. Don ran 12 times and Joe ran 5 times. Jay McCormick got 28 on 6 tries and Brandon Gilmore had just 6 yards on 4 carries.

Let's all follow the Panthers to Blanket Friday night and back them to victory and help them get back in the win column again.

Go Get 'Em Big Red!

BRANDON MAKING A FINE RUN - Shown above is Brandon Gilmore on one of his 4 carries in game action with the Evant Elks. Also shown in the picture is John Carter, Tommy Curb, Alan Little, Scott Gressett and other unidentified Panthers.

We received a nice rain shower on Sunday afternoon. About .8 here at our house. It was really welcome as it was becoming very dry.

Glenn and Joye Donadson of Artesia, N. M.\* Phyllis Wright of Eastland, Wanda Bryant of Carbon and Sam and Eva Flemming of Rising Star were visitors at the Kokomo Baptist Church on Sunday morning. For Phyllis, Wanda and Glenn, it was a visit to their former "home church" as they grew up at Kokomo. Eva Flemming is a sister of Bro. Clarence Wilson.

Following the church services on Sunday night at the Kokomo Baptist Church, members enjoyed ice cream and cake in the fellowship hall. There was also a lot of fun had by all with a quiz about the presidents of the United States and a Bible Trivia Game, under the direction of Nancy Hendricks. Juanita Fuller played several selections on the piano for a wonderful ending to a happy time of fellowship together.

Church services on Sunday night will begin at 6 p. m. as we turn back our clocks to Central Standard Time.

Blanton and Ella Mae Clearman of Lamesa, Frankie Freeman of Seminole and Hugh and Dorothy Clearman of Lawm were visiting with J. C. and Anna Laura Clearman last week. Gary, Nanetta and Jo Beth Thompson of Plainview were weekend visitors with the Clearmans, and a cousin, Brenda Jarrell of Cisco, was visiting with them on Sunday afternoon.

Mrs. Joe Fields, Michael, Caylea, Lisa and Falyn of Bryan, were recent visitors with Vernon, Deon and Lindell Fields. Buster Johnson of Carbon was also a visitor in the Fields home.

Deon Fields spent Saturday and Sunday with Richard, Teresa, Taylor and Trevis Nachtigall at Morgan Mill. Trevis underwent a tonsillectomy on Thursday.

Berneice Rodgers, Ava Rodgers, Ima Brown and Billie Stacy of Carbon enjoyed a lunch visit with their Aunt Annie and Uncle Ernest Timmons at their home in the Ater community near Jonesboro on Tuesday. Cousins meeting them there for a visit were Cleo Dyson, Marlin Timmons, James and Martha Yows, Bill and Ethyl McKitchen and Stewart Coppinger.

Cassie Rasco returned home from the Eastland Hospital on Saturday. We wish her a speedy recovery from her surgery.

Mrs. Albert Hendricks and Mrs. Bill Bradshaw of Gorman went to Tuscola on Sunday and met Roy, Sylvia and Yancy Buchanan for a celebration of Mrs. Joe Buchanan's birthday in her home.

Visitors with Mrs. Albert Hendricks during the week were Bro. Joe O'Neal, Lum Tuggle, Ruth Bryant, Hope Joiner and Zelda Jordan.

Our sympathy to the family of Mrs. Leola Alderman who passed away on Saturday. She was the mother of Mrs. Troy Roane and the grandmother of Mrs. Gene Smith of our community.

**HAVE YOU WRITTEN YOUR FAMILY HISTORY?** This is a reminder that YOUR story is needed to make the Eastland County History Book complete. You have until November 15, so if you haven't turned in a story, please get busy and get your story written and turned into the Chamber of Commerce in one of the Eastland County towns, or to Roy Smith of Eastland. Stories are limited to 500 words and one picture for each generation. If I can be of help to you, please call me - Zelda Jordan - at 639-2289.

**COUNTY COMMISSIONERS**

Eastland County Commissioners Monday approved a contract with Apollo Data Services of Odessa for computer equipment and services.

Cost for the entire system is \$40,404 per year. Each department is billed separately.

In other business: Commissioners voted to keep Prudential Insurance Co. policies for another year.

They discussed the decision by the R.S. Postal Service to advertise for a new building to house the Olden Post Office. Commissioners were told the present building is not adequate. They placed no restrictions on a possible building site.

A letter was read from Marcia Carr, administrator of Eastland Memorial Hospital. In the letter, the hospital offered to be the provider for indigent care for eligible patients not in a hospital district.

Commissioners decided the indigent care should be handled on a patient-by-patient basis.

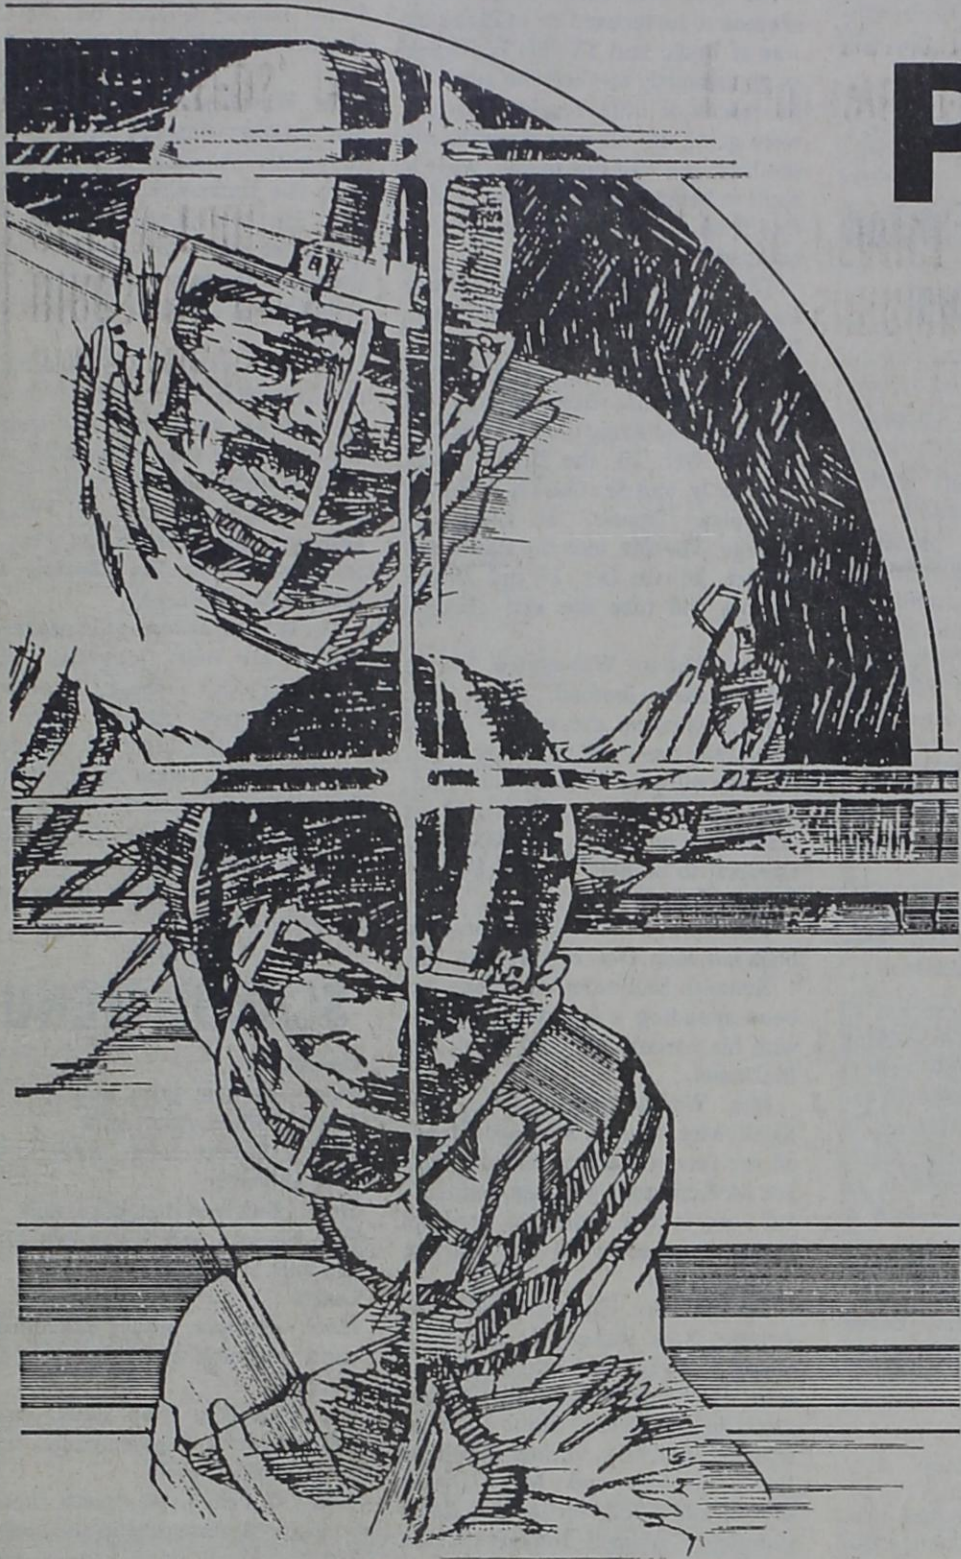

The present budget was amended to transfer reserve funds to the general fund. This will pay for repairs at the county jail and for out of county prisoner care.
