This 100-plus weather sure is taking its toll on almost everything, from people to plants, animal life or anything connected. There seems to be little hope for rain, with only a possibility for Saturday, if it develops. We sure could use a little more rain now as the peanuts sure do need a good drink in most parts. Guess we had better ask the good Lord for some more rain in our next prayer session.

We are hearing a lot about the different ways that the State government may be figuring to raise the necessary funds for the State budget to overcome the deficit. I think that the most thought of proposal around this area by most everyone is that the State sales tax should be raised to a full five percent. Most feel this would be the fairest way for the extra needed money to be raised so everyone would be paying their part. Also the lottery idea has been mentioned and this would be a good way to raise extra funds, according to an awful lot of folks in the state. One thing is certain, the needed funds WILL BE raised and we are all thinking that it should be done as fairly as possible so that everyone will be paying their portion of the bill. One thing is sure, the cost of education and other things will not be going down in the years ahead. And these funds will have to come from somewhere. So the sales tax increase would be the fairest way to do it. The idea of a state income tax sure doesn't set very well with folks in these parts, or in any other part of the state as far as I have heard. So let your officials know how you feel on the idea of raising the needed funds.

Receiveds the following note the other day:
Dear Joe and all;
Thanks for printing the story about mother and dad's anniversary. It turned out very nice and they appreciated it very much.
Thanks

Willie Dean Ormsby
Thanks Willie Dean. We appreciate getting news like this to print. We feel this is what we are here for. If folks will just let us know about the news items we will be more than happy to print them.

We received another letter, only on a sad note this week also:
I received the notice this morning, July 25, that my birthday gift to Mrs. C. C. (Delmar) Gilbert expires in August.

I am sad. She passed away June 20, 1986, age 90 years. She was worn out and lonely - lived at Denton at the time of death. She spent many happy hours reading the Gorman paper about her many friends of long age.

Thanks so much for all the joy she had reading the paper. I am so glad I sent it to her. Nothing would have pleased her more.

I enjoy reading my own copy of the paper each week. I am 87 years old myself, and that isn't young anymore.

Thanks again,
Mrs. Bonnie B. Poe
Thanks Bonnie. Mrs. Gilbert had a lot of friends in this area. She will be missed.

Another note made us feel good also:
Dear Joe,

Enclosed is my check to renew my subscription to the Gorman Progress. I really enjoy your "Press Points" each week and "Keeping Up With Friends".

Tell everyone "hello" and keep sending me my favorite newspaper.
Thanks,

Helen (Collins) Oglesby
P.S. I really enjoyed the picture and the write up about the Odie Brightwells. They still look like they did the last time I saw them in 1965.

Let's all be thinking about the Peanut Festival that will be coming up September 20th here in Gorman. There will be plenty for everyone to do, so if you are asked to do something, please pitch in and do it. If you don't happen to be asked,

Jeanette Greene Crowned Miss Kokomo July 23

Members of the Kokomo Extension Homemakers Club and the Kokomo Community Club and their guests met at the Kokomo Community Center for their annual ice cream supper and family night on Wednesday night, July 23 at 8:00 p.m.

Highlight of the evening was the crowning of our new "Miss Kokomo", Jeanette Greene, by the outgoing "Miss Kokomo", Charla Little.

J. L. Morrow, President of the Community Club welcomed everyone and then turned the program to Mrs. Bill Brown, President of the Homemakers Club, who expressed thanks and appreciation to Charla Little for the excellent way she represented Kokomo during her reign as Miss Kokomo.

Mrs. Brown presented Jeanette Greene to the crowd and told of her many interests and activities, and placed the "Miss Kokomo" ribbon and a corsage on Jeanette and Charla placed the crown on her head. Jeanette was presented a gift on behalf of the Community Club.

Jeanette is the daughter of Mr. and Mrs. Lyle Greene of Gorman, formerly of Kokomo, and she will be a sophomore at Gorman High School this fall. She will represent the Kokomo Community in the De Leon Peach and Melon Festival activities and other events throughout the area.

Ice cream, favorite toppings and cookies were enjoyed by all attending, along with lots of visiting and fellowship.

Special guests were Mr. and Mrs. Lyle Greene and their friends, Mr. and Mrs. Frank Weeden and Steve of Eastland.

Jennie Stone celebrates 100th birthday

Jennie Stone, a resident of Granbury Care Center, was given a 100th birthday party on Thursday, July 24.

Mrs. Stone was born July 24, 1886 on a cattle ranch in Nebraska. In 1896, her family moved to Indian Territory in Oklahoma, where her father farmed and ranched. Four years later, the family moved to Tulsa to operate a boarding house.

Stone met her husband, the late Earl L. Stone Sr., in Tulsa and they married March 10, 1910. They came to Texas during the oil boom of 1918 and settled in the Desdemona and Gorman area where she resided until 1983.

Her late husband's company, the Kennedy and Stone Drilling Co., drilled one of the largest oil wells in the Desdemona Field during the boom days of 1919.

Her children are Mrs. Minola Townsend of Fort Worth; Earl L. Stone Jr. of Granbury; and the late Mrs. Clara Mae Smith.

Stone has been a resident of Granbury Care Center since 1983.

PEANUT FESTIVAL SET FOR SEPTEMBER 20

The Gorman Business Alliance has set September 20 for a Peanut Festival in Gorman.

The last festival held was in the mid 50's. In a meeting last Thursday, the interest of the people was strong enough to merit the festival being revitalized.

In years past, this event was the highlight of the peanut harvest.

Events planned for the day include

a giant parade at 10 a.m., peanut cookoff contest at 2 p.m., fiddling contest at 7 p.m. and street dance from 7 p.m. til ?.

Also planned are commercial, exhibit, and vendor booths for everyone. Deadline for reserving a booth is August 31. For information write Gorman Business Alliance, Gorman, TX 76454, or call Gerald Scitern at 817-734-3110.

Other events planned are game booths, peanut pushing contest, peanut throwing contest and peanut spitting contest.

The festival is not just a club involvement event, anyone interested in the peanut industry are welcome to participate and help. It takes a lot of people to make an event like this a success. With the help of a lot of people this can and will be a great day for Gorman.

Deliah Eaves Vacations in Europe

Deliah Eaves has returned from a vacation trip and visit with a friend, Kelly Pharris in England and many points of interest in Europe. Ms. Pharris and Deliah are former teachers in the Kermit School District, and Ms. Pharris now teaches 3, 4, and 5 year old handicapped children in the Locheheed Air Force Base School System near London and Deliah is a first grade teacher in the Ennis School District.

Kelly's mother, Mrs. Gay Taylor of Cloudercroft, N.M. and sister, Lisa Taublee of Arlington made the trip with Deliah. They left DFW on June 13 and returned on July 5.

On their arrival in London, Kelly met them and they drove to the coast of England and crossed the English Channel on a ferry and spent the first night in Brugge, Belgium. After a couple of days of sightseeing, they journeyed by train to Amsterdam, Holland, Heidelberg, Germany, through the Swiss Alps and Switzerland to Venice and Rome, Italy, spending about two days at each stop they made. They took a Gondola ride in the Grande Canal of Venice and visited the Cathedral of St. Mark. Going on to Rome they visited the Ruins of the Coliseum where the Roman Chariot races were once held, St. Peter's Basilica and other points of interest in Rome, and Italy including the Mona Lisa.

Leaving Rome there was a long train ride to Paris, France where they visited the Louvre Museum and the Venus DeMilo statue, the Eiffel Tower and many other interesting places in Paris.

From Paris, it was back across the English Channel and to Kelly's home on the Air Base and a trip to the beach on the coast of England and lots of side tours and sightseeing at Stratford On Avon, Cambridge, Oxford and to London for five days. Highlights of the London visit was seeing the changing of the guard at Buckingham Palace, Westminster Abbey, the Tower of London and the Crown Jewels.

Deliah stated that it was so interesting to see so many things that she had studied about in school books. The trip took them through seven countries in twenty-one days. It was a wonderful trip, but it is good to be home, too.

Deliah is the daughter of Mr. and Mrs. D. F. Eaves of Kokomo.

KOKOMO NEWS

Phone 639-2289

By Mrs. Zelda Jordan

Summertime is surely here with the 100-plus temperatures that we have had the past few days. A cool rain shower would be so welcome.

Carol (Mrs. Doug) Atkins and daughter, Mindy of Dallas, rendered the special music at the morning services at the Kokomo Baptist Church.

Other visitors were Doug Atkins and nephew, David Atkins of Dallas, Rev. and Mrs. T. H. Brown of Onalaska and Mexico, Mr. and Mrs. Jerry Gibbs, Darrell, Randall, Jerry and Barbara.

Joe, Glynda, Shannon and Brian Bond were presented a going away gift from members of the church and extended our love and best wishes to

go with them to their new home in Gail. We will miss them. Joe is a deacon and a Sunday School teacher; Glynda is church organist and a Sunday school teacher, and Shannon and Brian have also been very active in the church and community. Joe has been a coach and teacher and Glynda a teacher's aide in the Carbon School District, and will be coaching and teaching in the Borden County School District at Gail.

Following the service, a bountiful covered dish lunch was served in fellowship hall of the church.

At the night services Bro. and Mrs. T. H. Brown, missionaries to Mexico, showed slides of the missionary work being done there. It was

very interesting to see pictures of the church building that Kokomo Baptist Church helped build by furnishing money for the building materials.

Bro. and Mrs. Brown were house guests of Mr. and Mrs. Glenn Jordan for the weekend.

Steve Gilbert of Fort Worth and his fiancée, Kim Hill of Abilene, spent the weekend here with Steve's grandparents, Mrs. Odis Rodgers and Mr. and Mrs. Floyd Gilbert, and Floydene in Gorman. Steve and Kim and Mrs. Rodgers also visited with Mike and Alice Rodgers. Kim's mother, Mrs. Wylie Hill of Abilene also visited with Mrs. Odis Rodgers on Friday evening.

Mrs. Joyce Gilbert and Glenn of Oklahoma City were recent visitors with Mrs. Odis Rodgers and the Floyd Gilberts in Gorman. Joyce, Glenn and Berenice visited with Bob, Kathy, Kevin, Jason and Corby Rodgers in Brownwood and attended church services at the First Baptist

THE GORMAN PROGRESS JULY 31, 1986

PAGE THREE

Church on Sunday morning, July 20.

Mr. and Mrs. Jimmy Little and Mrs. Dora Garrett attended the Williams family reunion at the Texas Electric Reddy Room on Friday night.

Mr. and Mrs. Jimmy Little honored their son, Ray Neal Little of Eastland with a family get-together at their home on his birthday, Sunday, July 27. Those helping Ray Neal celebrate with ice cream and cookies were his wife, Melissa, and their daughter, Emily, James Little, Jill Lowrance, Nelda, Cody and Jarad Fails of San Antonio, Mrs. Dora Garrett and Deliah Eaves of Ennis. Mrs. Mamie Little and Mrs. Dora Garrett also visited with the Little family on Saturday.

Nelda, Cody and Jarad Fails spent last week here with her parents, Mr. and Mrs. Jimmy Little. They also visited in Abilene and in Comanche with Tim's parents, Mr. and Mrs. Talmadge Fails, before returning to their home in San Antonio.

Visitors with Mrs. Dora Garrett last week were Mr. and Mrs. Alvin Lasater, Mr. and Mrs. Jim Bennett of Eastland, Mrs. Nelda Fails, Cody and Jarad of San Antonio, Mrs. J. B. Blancet, Mrs. J. C. Clearman and Mrs. J. L. Morrow.

Mrs. Gene Wood and Mrs. Mary Bell Rivers of Odessa, Mrs. Floyd Wood of Carbon, Mrs. Bill Bradshaw of Gorman, Mrs. Ruth Bryant and Mrs. Bill Joiner were recent visitors with Mrs. Albert Hendricks.

Deliah Eaves of Ennis visited Sunday until Tuesday with her parents, Mr. and Mrs. D. F. Eaves, and grandmother, Mrs. Erma Eaves. Deliah has just returned from a vacation trip to Europe. Mrs. D. F. Eaves, Deliah and Mrs. Erma Eaves visited in Fort Worth on Tuesday with Mrs. Virda Mae Norris and Mrs. Erma Eaves remained for an extended visit with Mrs. Norris.

We are happy to learn that our grandson, Joe Miles of Abilene, had a more successful run at the Abilene Speedway on Saturday night, than at other times when his car developed mechanical trouble. He placed fourth in his heat and second in the B feature race that qualified him for the A feature race and was doing well in the race before a flat tire forced him out. Good Luck, Joe. Hope we get back up to see your races before long.

Our sincere sympathy to the family of Mr. Shelby Frasier who was buried in the Simpson Cemetery on Saturday.

Nancy Hendricks visited with the Glenn Jordans on Monday evening.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: RICKY DANIEL RICE, A Party of Interest, Greeting:

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 91st District Court of Eastland County at the Courthouse thereof, in Eastland, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 18th day of August A.D. 1986, to Plaintiff's Petition filed in said court, on the 3rd day of July A.D. 1986, in this cause, numbered, 32455 on the docket of said court and styled IN THE INTEREST OF A MINOR CHILD.

A brief statement of the nature of this suit is as follows, to-wit:

Termination and Adoption of a Minor Child

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, Mary Jane Rowch-Brown, Clerk of the 91st District Court(s) of Eastland County, Texas.

Issued and given under my hand and the seal of said court at Eastland, Texas, this 3rd day of July A.D. 1986.

with wrinkles. Vicki (Vaughn) Campbell was the first to have a child and she was happy to see aspirin and a bottle of Mylanta. Ricky Klappenbach was the lonliest guy and was happy for helpful hints like Dial soap and Listerine mouthwash. Scott Marble now knows that Loving Care isn't just what Terri (his wife) gives him--it is also for the guy with the most gray hair. Tami (Simpson) Underwood won the prize for being married the longest. Tami got a bar of Oil of Olay soap and Bill got a crossword puzzle book to work at on long cold nights.

Everyone seemed to have a great time and are planning to do it again in five years.

SOME PEOPLE BUY AIR CONDITIONERS LIKE THERE'S NO TOMORROW.

When it's time to replace your old air conditioner, it'll probably only take you a little while to find a new one that looks pretty good and doesn't cost much. But it'll take a lot longer to realize a quick bargain is likely to cause a slow burn on your wallet every month.

A high-efficiency air conditioner could make a difference in your cooling costs this summer and every summer. A high-efficiency choice means steady savings because you're getting the same amount of cooling using less electricity than with a low-efficiency unit. On top of this, you'll get a valuable rebate from your electric company if your central air conditioner or window unit meets our Energy Action standards.

See your recognized Energy Action air conditioning contractor or dealer for help in choosing a high-efficiency air conditioner or heat pump. Tomorrow, you'll be way ahead of the game.

It pays to choose an Energy Action Unit.

Ann Justice Honored By Farm Bureau

On Friday, July 25, Ann Justice will be honored by the Eastland County Farm Bureau Board of Directors for her twenty-five years of service to the County office. A reception will be held at the Farm Bureau office (Highway 80 East) from 2-4 p.m. Everyone is invited to come by the office during those hours to visit with Ann. She began work on July 25, 1961, and worked full time until May of 1980, when she semi-retired due to health reasons. Since that time, she has worked Monday, Wednesday and Friday mornings, taking care of the Health Insurance program. She and her late husband, Cyrus Justice, have two children, Doug Justice of Abilene, and Madeliene Bowles of Dallas. She also has six grandchildren and four great-grandchildren. She is an active member of the First United Methodist Church. Having overcome two bouts with cancer in the past five years, she works actively for the American Cancer Society, Eastland Unit, and has served as President and Campaign Chairman. Her hobbies include crocheting and working in her yard.

Mrs. Justice had the following comments to make about her many years with Farm Bureau:

"I am glad to have been a part of Eastland County Farm Bureau. We first joined in 1946 and I went to work in 1961. Mrs. John Love and Pat Mosely were agents at the time. We had a small office on East Main in the old Lillie Cafe where Goodyear is now."

"I have enjoyed every day I

worked for Farm Bureau these 25 years. I love telling people what Farm Bureau is and what it stands for. I have worked with some wonderful directors that have served during these years. I have served under 9 presidents, 6 agency managers, and several lovely secretaries. When I went to work we had 585 members, and now we have 1,923. I didn't have any full time help until 1974. We had over 1,000 members then. I took care of all the office work from insurance to health insurance, membership and Farm Bureau work. Lots of changes have been made over the years. When I went to work you could get liability insurance and medical for \$12 and Farm Bureau gave you a 50 percent dividend back. Health insurance with Blue Cross was \$40.20 for a family. When Medicare came in people over 65 could get supplement for \$3.00 a month."

"Farm Bureau has grown so much in Texas and our county. We have had so many good programs. And I won't ever forget all the seed potatoes we have sold to our members over the years. That was always a fun time when members came for their potatoes."

"I always love for the members to come into the office. I treasure all the visits we had and all the good talks. I'm always glad to help each member with their problems and I am looking forward to continuing working with them. I have made so many friends while working and I appreciate each and every one."

THE GORDON SPOT

Fleas seem to be making it big in Eastland County this year. Over the last several years, fleas seem to have become more and more of a problem. The fleas infest dogs, cats and will readily attack humans.

Flea bites are extremely annoying, but they may not be felt immediately. They generally become increasingly sore and irritated over a period of up to a week or more. Fleas most often bite people about the legs and ankles. A small red spot with a light colored center appears where the mouth parts of the adult flea enter the skin. Some relief from the itching can be obtained by applying cooling preparations such as carbolated vaseline, methol, camphor, calamine lotion or ice. Severe allergic reactions or infections should be treated promptly by a physician. Fleas can transmit serious diseases, but fortunately very rarely in our area. A female flea can lay 4 to 6 eggs after each blood meal and up to several hundred in her lifetime. Eggs are often laid on the dogs or cats and can be distributed throughout your home and yard as the pets move about or shake. The eggs will end up in the dirt of bedding and lounging areas of the host.

Most fleas require 30 to 75 days to complete a life cycle when optimum conditions of temperature and humidity exist during the summer. Indoors, breeding probably occurs year round. Adult fleas are long-lived and can survive several weeks off the host without a blood meal.

Effective flea control must include treatment of the pets and thorough treatment of the entire premises-in

doors and outdoors. These three areas should be treated simultaneously in order to break the "flea-cycle" and maximize control results.

Insecticides containing chlorpyrifos (Dursban), dichlorvos (Vapona), lindane, carbaryl (Sevin), dioxathion (Delnav), and pyrethrin plus piperonyl butoxide are labeled for use on dogs. Insecticides containing carbaryl, malathion, ronnel (korlan) and lindane are labeled for use on cats. Read the labels before using any products and consult a veterinarian if questions arise.

Spray all infested outdoor areas such as the yard, proches, garages, and outbuilding with either chlorpyrifos (Dursban), propoxur (Baygon), carbaryl (Sevin), diazinon, bendicarb, Malathion, ronnel, or synergized pyrethrins. Be sure to treat areas which are frequented by pets and let the spray dry before pets or children are allowed to use treated areas. Repeat the spray at approximately two week intervals until control is achieved. It is a good idea to mow and water the lawn a day before this spray treatment and avoid mowing or watering for as long as possible after treatment.

Inside the home, control measures should begin with thorough cleaning. Vacuum all floors and upholstery. Dispose of the vacuum sweepings immediately to prevent flea escape and subsequent reinfestation. Launder all pet bedding. Apply an insecticide spray to all floor areas, under and around upholstery cushions, and to pet bedding areas where fleas have been found. Also spray molding, baseboards, and drapery in flea infested areas to a

EASTLAND COUNTY DISPATCH BOARD DISCUSSES BUDGET

A preliminary budget was discussed Wednesday during a meeting of the directors of the Eastland County Cooperative Dispatch.

Head dispatcher Bob Mercer said preliminary figures showed about an 11-percent increase over this year's budget. The total budget was \$94,474.

height of one foot above floor level. Try to avoid further vacuuming and cleaning for 10-14 days after treatment. Insecticide sprays containing chlorpyrifos or propoxur (Baygon) should give 3 to 4 weeks of effective residual control indoors, but it will not give rapid knock down of adult fleas. In conjunction with the residual spray indoors, homeowners might also use a non-residual insecticide applied as a total-release aerosol or fogger. Products containing pyrethrins, resmethrin (SBP-13821), and dichlorvos (DDVP or Vapona) are available to provide this quick relief from fleas indoors. Some of the total-release aerosols contain Methoprene, a long residual insect growth regulator, which will keep the young fleas from developing into adults. This gives about 75 days of flea control.

We have in the Extension office free publications listing recommended insecticides for flea control both outdoors and indoors and publications on external parasite control on dogs, cats, and birds.

Our warehouses here at the Government Printing Office contain more than 16,000 different Government publications. Now we've put together a catalog of nearly 1,000 of the most popular books in our inventory. Mercer said expenses remained the same with the exception of \$250 per month he figured for teletype line charge and an annual \$50 increase for office supplies.

An increase of \$20 per month was requested for the answering service provided Texas Electric Service Co., Southern Television Systems and Comanche County Co-op, bringing the fee charged them to \$198 per month.

Eastland county towns share the dispatch, which handles police and emergency traffic. Each town is charged according to population, and the county pays for rural residents.

Cisco City Manager Michael Moore objected to raises of 3.3 percent that had been budgeted for dispatch employees. Moore said his objections were based on a lack of money, not dispatchers' work performance.

He said Cisco city workers would not get raises this year and were "glad to just have jobs."

Charlie Garrett of Gorman agreed his city commissioners would also look more favorably to a budget without raises.

Mercer reminded board members that the dispatchers are now getting \$2 per hour less than other dispatch offices are offering.

Moore asked that \$4,000 be budgeted for a radio transmitting on 37.180 frequency for police and fire departments to use in communicating with the dispatch office.

In other business, Mercer said iron bars and steel doors have been installed at the dispatch building. An electric eye to be placed at the entrance way to the property also has been purchased, he said.
