NUMBER TWENTY-ONE

JULY 4TH

The Park Association members are finalizing plans for the big all day July 4th celebration at Frank A. Gray Memorial Park.

A workday and association meeting will be held at the park on June 30 and July 2. Meeting time is 6 p.m. and work will continue until dark.

All committees have been busy planning a full day of activities for young and old.

The usual turtle races and frog jumping contests will be held, so boys and girls plan now to locate your frogs and turtles. The ever popular balloon and bubble gum, sack race, three legged race, water melon and tobacco spitting contests will be held, also broad jump, egg toss, tug of war and a dunking pond for all ages will be an interesting attraction.

There will be volleyball games and games of dominos and 42 tournament--for the old youth and adults.

A booth will be open for face painting for the younger group.

Lemonade, soft drinks and baked items will be for sale throughout the day, and a beef barbecue and sausage dinner will be served at noon.

A grand musical program is planned with sixteen different groups who will be performing at different times during the day.

The Gibbs Family will start it off at 2 p.m. for the afternoon session.

A large fireworks display will be at dark, climaxing the fun filled day.

Activities will begin at 10 a.m. with the raising of the flag and the national anthem sung by Rev. Rawlyn Richter.

It promises to be a great day for the entire family, so come and join in the celebration.

Kay Ann Craddock and Estelle Craddock were in Corpus Christi last week to be with Elvy Clark, who is quite ill in Spahn Hospital.

CARD OF THANKS

We would like to extend our thanks and gratitude to everyone who offered comfort during the time of the illness and death of our loved one, Ben Koonce. A special thanks to the doctors, nurses, and staff of the De Leon Hospital, to those who sent flowers, to those who came to visit, to those who prepared the noon meal and brought food to our homes, to those who sent cards and offered prayers and words of comfort, we appreciate you all. You have helped to lighten the burden of sorrow.

CITY CHIT CHAT

At the last Commission Meeting, the Commission changed the procedure at the landfill. We have had so much trouble there, we are putting an employee out there from 1 p.m. to 6 Monday through Friday and from 8 a.m. to 5 p.m. on Saturdays, closed 12 to 1 for lunch. After a trial period, these hours may be changed.

We are making this change, hoping that it will stop the dumping of trash in the roadway, the gate and on private property. Cotton Frasier will be taking care of the landfill. When you go out with trash, he may be back in the landfill working, but if the gate is open, he is there. Find him before you unload your trash so that he can show you where to unload. I am asking each of you to cooperate with the City on the problem we are having. It will take just a little care on your part and a little consideration for others to help us change the appearance of our landfill.

The charge that we set is still in effect. It is \$2 for a pickup or small trailer load and \$4 for a truck or large trailer. There are certain items that you may not be allowed to put in the landfill. I think that all of you know that standards for the landfill are set by and enforced by the State Health Department. Help us to meet their standards.

The survey to locate the low to moderate income families is under way. Remember that at present, we are working from Roberts Street south to the city limits. Please cooperate with us in making the survey. The Chamber of Commerce still needs some help in making the survey, if you can and will help them contact Brent Lasater or call 734-2317
