# KOKOMO NEWS

ZELDA JORDAN — PHONE 254-639-2289

We got a little taste of winter weather last week and it seems we may be in for more this week. As long as it brings some moisture we'll be happy.

Ruby Lee Kinser rendered the special music on the piano at the Sunday morning service at the Kokomo Baptist Church. Visitors were Gary, Donna, Lesley, Melanie and Garrett Gatlin of Mineral Wells. It was so good to have Hazel Snider and La Von Snider able to be back in church after Hazel's long bout with the shingles.

Several members of the Kokomo Baptist Church were among those attending the fifth Sunday singing at the First United Methodist Church in Gorman on Sunday afternoon to worship our Lord with the beautiful songs of praise and enjoy fellowship with one another.

Gary, Donna, Lesley, Melanie and Garrett Gatlin of Mineral Wells visited during the weekend with her parents, Woodrow and Helen Browning.

Johnnie B. Griffith spent the weekend in Midland with Ken and Janie Riley. She accompanied Joe and Elizabeth Vaughn to Midland.

Glenda Priest spent the weekend with her mother, Zelda Jordan. A friend Leon Black of Abilene visited on Sunday afternoon and they were among those attending the Southern Gospel Music Concern by the Continental 2 at the Desdemona Baptist Church on Sunday night. Others from the Kokomo and Gorman area (that I saw) were Daryl and Cecilia Hirst,

Bruce and Lavoyce Hirst, Nancy Hendricks, Daisy Slaton, Juanita Fuller, Barbara Tucker, Bro. Clarence and Leona Wilson, Woodrow Browning, Clifford Nelson, Iris Preston, Anna Rush and Robert and Kathy Ervin, some from DeLeon, Cross Plains and many from Desdemona.

Bro. Clarence and Leona Wilson visited one day last week with Hazel Snider. Susan, Kinsey, Caitlin and Kyann Wheat of Ranger visited with Hazel on Wednesday and Dwayne and Connie Snider of Stephenville had supper with her on Wednesday night. Ted Snider and Dan Snider had lunch with Hazel on Thursday. Gene and Kay Snider also visited at various times during the week and LaVon Snider of Brownwood visited from Thursday until Monday morning with her.

Visitors with Nancy Hendricks were Doris Bradshaw, Hope Joiner, Ruth Bryant, Zelda Jordan and Glenda Joyce Priest of Abilene.

The Continental 2--Daryl Hirst and Glenda Priest--presented a concert of gospel music for the residents at the Heritage Manor at Gorman on Saturday afternoon.

We extend sincere sympathy to Mrs. Hope Joiner and her family. A nephew passed away and was buried in a cemetery near Denton on Sunday.

Wednesday night services at the Kokomo Baptist Church will resume this Wednesday, February 2 at 6:00 p.m.

\* Birthdays come and go. However, it seems this 81st birthday was a little more special. R. O. Duncan, Obie, turned 81 on January 16. It was a day of celebration as the children and grandchildren and great-grandchildren gave Grandpa as many funny birthday cards as possible - some store bought and some made special on the computer. Giving a count down - Annita (the oldest) was there with her son Curtis and Amber and there little one Tessa (Marvin, Annita's husband was working); Larry (second oldest) was there with his wife Maria and daughter Lindey. Judd came by on Sat. and headed back to Baylor. Beth (third oldest) was there with her sons Jason and Chris (Becky, Chris' wife came by Sat. but headed to Dallas to get ready for the birth of thier first born.) Don (third youngest) was there with his wife Caleta (Carrie, Krista, Chris, Justin, Josh, James were in college or working.) Karen (second youngest) was there with her husband Mike and Kristi (Ryan, Kristi's husband was playing golf), Jessica and her son Braden (Richy, Jessicas's husband was working), and Kelton (just by himself); and Fran (the baby) with her husband Thom and their children Cole and Austin (they brought a friend). Mother's nephew Ronnie was also there. So I guess 28 people were there on Saturday and Sunday. Now, Obie "Grandpa" and Cleo "Grandma" of Big Mama as one of the great-grandkids called her, had 6 children. With those 6 children there are seventeen grandchildren, five great-grandchildren and two more on the way. I would like to say something about my dad. I grew up working either on our farm or at the service station with my dad. At the ser-

vice station, I witnessed my dad do numerous things for many people without charging them a dime (you do not hear of that too much today). I remember one day a preacher's car broke down on highway 80. Dad spent all morning long repairing his car. When it was all over and he asked dad how much he owed him dad said nothing. That is just one of many examples I could tell you about my dad. Now at 81, he cannot do for us kids all that he would like to. My mom goes the extra tenth mile I remember when I sensed God's call on my life. I met my dad at the service station and shared with him what I felt. He simply said, "if that is what you want, I want it to". Now, I serve as the Chief Chaplain of the Oklahoma Department of Corrections. It all began when my dad blessed my call into the ministry. I love you DAD.

/Don/

P.S. I have four super sisters and one super brother. Annita is working at Wal Mart, Larry is the Principal at Eastland High School (the best person for the position), Beth is working at the Court House, Karen is working at City Hall, and Fran is working with her husband Thom in their fire sprinkler business. Not a bad lot from the parents of Obie and Cleo Duncan.

\*Cleo Duncan writes of the little surprise she had Sat. the 15th. Her 90 year old sister from Sweetwater and her daughter came to visit. "So Lettie (my sis) and Winnette Maynard went to visit Imogene Norris (my late brother Paul Norris' wife) in Carbon. Then back to the nursing home to see Louise (another sister). There are six of us girls left out of my family of 10 children. Mama & Papa Norris lived in Carbon." Cleo enjoyed her visit very much.

I am sorry that this letter wasn't right the first time. I had the flu last week so some how between my husband and I,

A Note from the Administrator

Recently the Bacher family retired from the Macintosh and purchased a new PC computer system with the internet. WOW! Our lives have really changed. The "Net" is really great. A person can find anything on the "Net." Easy access--user friendly. All of our lives have gotten so much more convenient. My father can remember when they brought the first tractor onto grandfather's place. Grandpa just did

not see how the tractor could do as much work as a mule. Today, we have microwaves and computers in almost all of our homes. Our society has become speedy. Let us not forget in our fast-paced lives to remember and visit those who made it all possible. Our Heritage is the fold that went on before us! Come and visit these folks at the Nursing Home!
