Things have just about settled back to normal around here following our big Peanut Festival celebration on September 19th. Folks around here are still talking about the success of the event despite the good "Wet" weather. There were a tremendous number of people who "braved" the very hard rain shower to attend the event. And the Gorman Business Alliance, along with all the other folks and organizations greatly appreciate the fine support of folks (both local and otherwise) gave to the annual event, which the Business Alliance and other folks here sincerely hope will continue to grow as time goes on.

Anyway, it was great!

—J—  
Got another note the other day: Just wanted to thank you again for your help with my daughter's history report. Looking through the pages of 25 years ago was really a highlight of my visit this past weekend!

Vance Laminack

Thanks for the good words, Vance. Glad Herman could help you out with finding the information your daughter needed.

The Lions Club is anticipating a good advance sale of merchandise made by the Blind for their annual Broom and Mop Sale to benefit the Blind, which is slated for Saturday, October 15. The Lions plan on having the big display of merchandise downtown this year, on the sidewalk in front of the Senior Citizens Center so that folks can come by and pick out the purchases they wish to make during the day, instead of having the usual house to house canvas. A lot of folks are not at home on Saturday mornings and others don't like to be disturbed at that time, so the Lions are planning on having advance contacts this year and holding an all-day sale at the street display downtown. The Lions hope that the usually great support they receive for this most worthwhile project will be as great this year and urge folks to come on out at their leisure and shop for what they would like to buy to benefit the Blind.

Those Panthers sure did a great job Friday night at Santo. The defense played a great game and the offense was really rolling in a 42 to 0 shutout.

The Big Red will go to Santa Anna this Friday night for a tough battle with the Mountaineers. These two teams always have great games and this one is expected to be no different. So follow the Panthers to Santa Anna Friday night.

—J—  
Don't forget the big "Golden Exes" event on Saturday, October 8th at Carbon High School, with the Class of 1938 being spotlighted this year. Registration begins at 9 a. m. in the school cafeteria. The noon meal will be catered by the mothers of the Senior Class for \$5 per plate.

Reservations may be made by sending a check payable to the Carbon Golden Exes, P. O. Box 403, Carbon 76435 by Saturday. For more information call 639-2372.

What we really need around here is one of those "Fantastic" rains like we used to get in the "Good Old Days" when it still rained once in a while.

And remember to smile - - because God Loves You!

## PANTHER SPIRIT CLUB NEWS

Growl Towels are now available at Lasaters Dept. Store and Gilmore's Auto for \$4 each and at Pam Childers' office and J. R. Jones' office at school. See one of them for your towels. Get yours now before district games begin on Oct. 7, because we want to see lots of towels waving in the stands. Let's show our Panthers we're behind them.

Everyone is urged to wear red, white or royal blue Friday night and help the Cheerleaders form a victory line.

## Buck and Anna Faye Foster Honored On 50th Anniversary

On Saturday, September 24th, Buck and Anna Faye Foster were honored on their 50th Wedding Anniversary by their children and grandchildren. They were married on September 24, 1938, by Rev. Norman A. Sanders, in Gorman. Buck and Anna Faye have lived all of their married life in Gorman.

Those attending the celebration were Martha, Gary, Sara and Jennifer Overstreet of Kermit; Becky, Vernon, Robert, and Rachel Smith and Pam, Ron, Ronson and Jonray Childers, and Tiffany Stephens, all of Gorman.

## FIFTH GRADE SOLAR SYSTEM PROJECTS

J.J. Clark's project displays How the Four Seasons Happen on Earth; Heather Sandlin's project is Saturn and it's moon's; Anthony Patel's project showed Dark, Dawn and Daylight; Nick Burleson's project is a visual display of the nine planets in orbit.

Ronald Major's drawing of the planets in order from the sun; Justin Snider's project shows the Space Shuttle's journey over the moon and back to earth; Kim Campbell made the nine planets out of wood and put them in order from the sun; Keri Wright's project is displayed with a lamp to light up the solar system.

All of the Science Projects were fantastic. We were unable to picture everyone with their projects.

There will be a Musical at the Sipe Springs Community Center on Saturday night, October 1st at 6:30 p.m. Everyone is invited to attend. A Special Invitation is extended to all musicians.

## OCTOBER IS ATTENDANCE MONTH

The Gorman Independent School urges all parents to impress on their children the importance of attending classes during the month of October. All monies from the State will be based on the average daily attendance (ADA) of each student.

The Panthers wasted little time in showing the Santo Wildcats that they came to play as they took the opening Kickoff on their own 34 and went the distance in 8 plays with Brandon Gilmore racing in for the score on a beautiful 21 yard scamper with 8:11 left in the period. The drive featured a 14 yard pass to Shane Morrow. The try for two points failed and the score was 6-0.

After holding the Wildcats on their first possession, the Big Red took the ball on the Santo 46 and in just three plays the Panthers were on the scoreboard again when Gilmore took the pitch and rambled for 23 yards for the TD with 4:39 left. The drive also featured a beautiful 26 yard quarterback keeper by Kevin Hirst to set Gorman up at the 25. Then after a 2 yard run, Gilmore got the TD. The run for points failed and the Panthers were up 12-0.

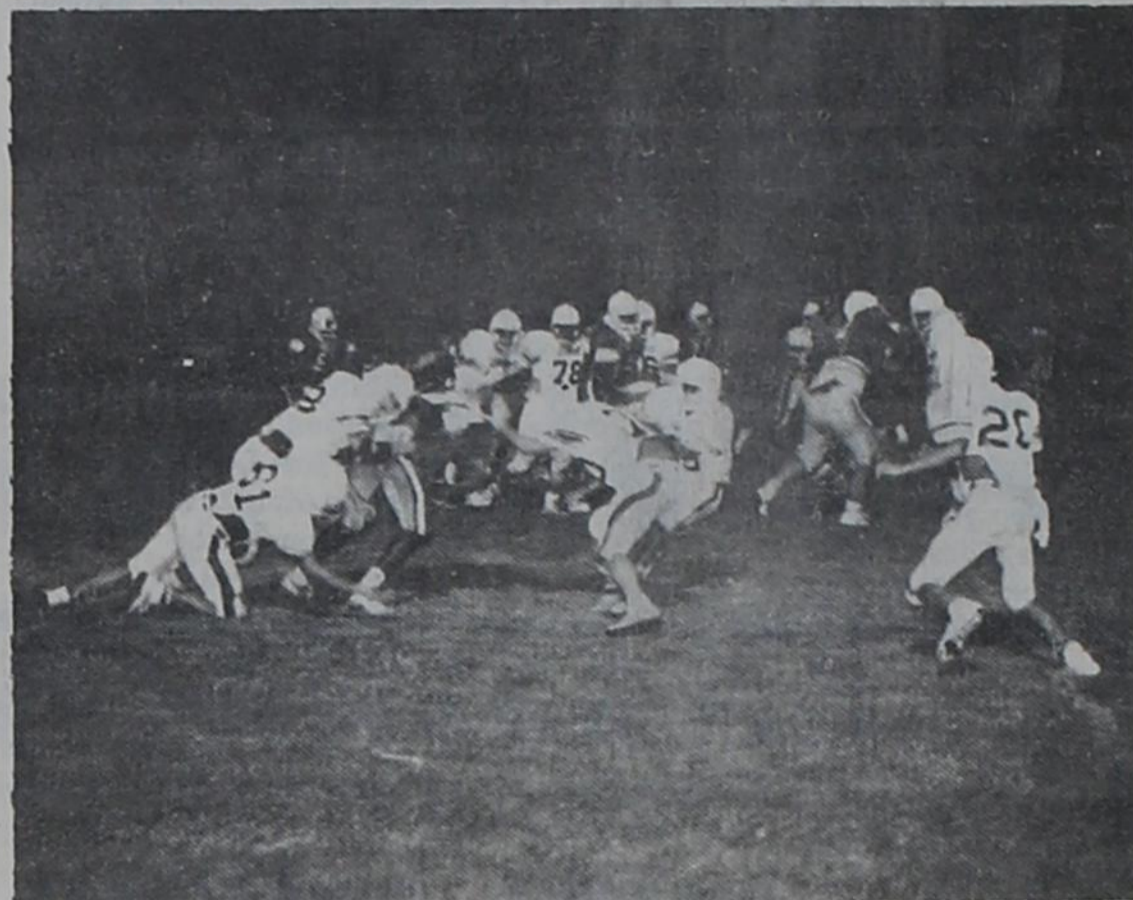

Then on a drive just before halftime the Big Red took the ball on their own 38 and went the distance in just three plays with Kevin Hirst tossing a perfect strike to Shane Morrow for a 23 yard touchdown with 1:19 left in the half. The drive featured a 20 yard run by Gilmore and a 16 yard scamper by Joe Rodgers. Rodgers added the two pointer on a run to up the margin to 20 to 0 at intermission.

After the intermission the Panthers held the Wildcats and got the ball on the Santo 18. From there the Big Red scored in just 4 plays with Chuck Fonville getting the score from 2 yards out with 8:11 left in the third. Jason Ditmore added the two pointer and the score moved to 28-0.

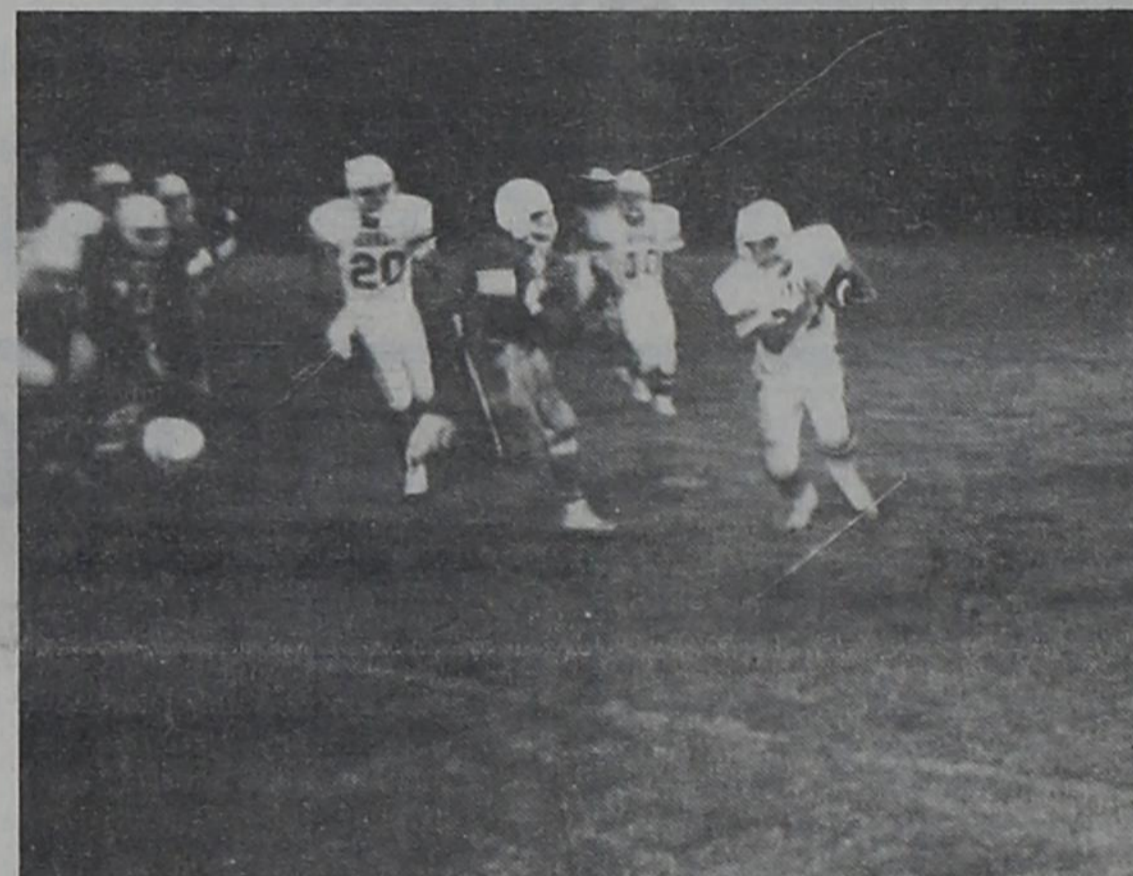

Then holding the Wildcats on the next possession the Panthers took the ball on the Santo 30 and scored in 6 plays with Gilmore getting the honors from 5 yards out with 3:13 left. Gilmore added the two pointer and Gorman led 36-0.

The final touchdown came on a pass interception and return by Matt Jones after the other troops had taken over for the Big Red defense which covered 17 yards with 8:37 left in the game. The run for points failed and Gorman led 42 to 0, which was the final score.

The Panther defense really did some good tackling and held the Wildcats to just a total of 91 yards of

**PANTHER DEFENSE SHOW THEIR STUFF** — The Panther defense held the Santo Wildcats scoreless in game action Friday night. Panthers pictured are: 61-John Carter; 88-Matt Jones; 70-Kevin Love; 20-Corey Pack; 78-Craig Rainey and other Panthers.

**PANTHER BLUE OFFENSE** - Jason Ditmore is shown moving the ball during game action Friday. Also pictured are Steve Taylor (10) and Corey Pack (20). The Panther offenses (Red and Blue) each played a good game. The experience achieved Friday night will help build a better, stronger Panther team.

offense.

Alan Little and Shane Morrow are our picks as Panthers of the Week on Defense, as they really had a good game for the Big Red. It's getting harder and harder to pick players of the week as the entire Panther defense has been doing a very good job.

Gilmore again led the Panthers on the ground with 76 yards on 7 tries. Jay McCormick had 44 on 6 trips. Kevin Hirst got 38 on 4 keepers. Joe Rodgers had 34 on 7 tries, and Chuck

Fonville got 15 on 4 tries. Jason Ditmore had a good night with 24 yards on 4 carries. Matt Jones got 15 on 4 totes and Cory Pack had 5 yards on one try.

This week the Panthers will travel to Santa Anna to take on the Mountaineers. These two teams always have a great battle and the Panthers will really have to be ready to play to come away with a victory at Santa Anna. But that's just what we think they will do.

Go Get 'Em Big Red!

### CARD OF THANKS

Most people never know the true meaning of small town closeness. I'm one of the lucky ones who does. Words will never be enough to thank everyone for the prayers, calls, cards, and flowers. My parents telephone will never be the same. I have felt so loved and cared for since my accident and hospital stay. Thank you all for "being there" when you really were needed.

A very special thanks to Shelby for being my very best friend through everything. To all of my family, who had already had enough bad, I love you so much for just being my family. The rest of the world can take "life in the fast lane". As for me, I'll take Gorman and it's people any day of the week.

Love,  
Becky Crain Martin & Family

## LINGLEVILLE BAPTIST CHURCH REVIVAL SLATED OCTOBER 2-7

The Lingleville Baptist Church is preparing its members for a revival meeting that is scheduled for October 2-7 at 7 p. m. each night.

Church members have been working in a special effort of 50 days of revival since August. Their goal is to reach their theme, which is "A time of Redemption."

John Wesley Anderson, 33, will lead the revival in worship. He is the pastor of the First Baptist Church of Peaster, where he was ordained in 1985. He received his license to minister in 1972 at Bellevue Baptist Church in Hurst.

Anderson also served as music director, youth director and music/youth director in several churches. He has preached in Mexico and started several churches in Japan.

His wife is Zodie Kay Anderson and they have three children, Lindsay Elise, 7, Mark Wesley, 4 and Michelle Marie, 2.

Gary Wooten will lead the music during the revival services. He is a lifetime resident of Hico, where he served as music director for 11 years. He is now a resident of Granbury with his wife, Kay, and son, Scott. They are active members in the Texas Baptist Church.

Era Thomas, a lifetime resident of Hico and member of the First Baptist Church there, will be pianist. She has carried the music department in Hico for the last 25 years. She lives with her husband, Bum.

Hoyt F. Springer of Fort Worth is serving as the Interim Pastor for Lingleville Baptist. He has been very active in the ministry. Among some of his dedicated efforts to the ministry are involvement with pioneer missions in Colorado and Utah, leading the organization of the First Baptist Church in Montecello, Utah; serving as mission pastor in Montecello; serving as associate pastor at Harvest Baptist in Kleberg; taking two crusades in the Rock River area of Jamaica; and serving as pastor for Terrace Acres Baptist of Fort Worth for 25 years before going into semi-retirement.

Springer earned his degree in Theology from Southwestern Baptist Theological Seminary in 1966. Presently he is a member of First Baptist in Dennis where he teaches a men's Sunday School class. He is married and has three children.

The music and youth director at Lingleville Baptist is Clay Wooten, son of Gary Wooten. Clay was born and raised in Hico where he lived until 1986. Before coming to Lingleville in June, he served as music and youth director at Gustine for 19

## Bobbie Wilcoxson Named To The Cast of "Romeo & Juliet"

Stephenville, Tx - Bobbie Wilcoxson, a Tarleton State University sophomore from Gorman, has been named to the cast of "Romeo and Juliet" to be presented September 29, 30, and October 1, in the Theater of the Clyde H. Wells Fine Arts Center. The production opens the 1988-89 season for the Tarleton players with performances scheduled nightly at 7:30 and a matinee set for Saturday at 2 p.m.

First produced about 1593, "Romeo and Juliet" was an immediate success and has remained one of Shakespeare's most popular plays. The story line of two young lovers driven to a tragic ending by the feuding of their families has been reproduced and copied so often that there are few in the general public who do not know the gist of the drama.

Early film versions include one made in 1935 featuring Leslie Howard and Norma Shearer and another made in 1954 starring Laurence Harvey and Susan Shentall. The most recent version was released in 1968 bringing instant success to Olivia Hussey as Juliet playing opposite Leonard Whiting as Romeo. Adaptions have ranged from bizarre rock to musicals to a jocular New York production featuring Peter Ustinov. The most popular "spin-off" is probably the American musical "West Side Story", first released in 1957.

The Tarleton production features an original musical score created by MSC International, a record company founded recently by Tarleton's Larry Shelton and Dr. John Macchietto along with Dayle Cox, also of Stephenville. Shelton appears in the show singing of the original songs. The elaborate period costume worn by the Players are unique designs by the play's director, Dr. Mary Jane Mingus.

Tickets to the show are available through the Central Ticket Office located in the Clyde H. Wells Fine Arts Center. The Office is open from 12:30 to 2:30 p.m. and from 4:00 to 5:00 p.m. weekdays. Reservations and ticket information is available by calling 817-968-9634.

konths. Before attending Tarleton State University, where he is currently enrolled, he studied at Howard Payne University for one year. He married Shana McKee in August.

Lingleville members look towards the revival with anticipation. Activities scheduled for September 25-October 1 include group prayer meetings for preparation of the revival.

HAPPY BIRTHDAY, SON!  
October 5!!!

You were born to us fifteen years ago,  
So tiny and so small.  
We looked at you with happiness and awe  
At the wonder of it all.

You changed our lives so very much,  
In ways we never dreamed.  
You let us know when you were unhappy,  
And robbed us of precious hours of sleep.

You were such a happy child,  
Whether playing with cars or building a fort.  
But you were really happiest—  
When playing some kind of sport.

You grew and grew and explored the world,  
And became so very tall.  
You dreamed and planned and talked constantly of  
The time when you'd play ball.

And now you're on the threshold  
Of the adult world, you see.  
New challenges you will have to face  
In order to be free.

To sum it up, we're proud of you,  
In a very special way.  
May God bless and keep you  
Every year and every day.

Love,  
Dad and Mom

The second annual Pioneer Days was a big success. Long dresses, bonnets, overalls, jeans with suspenders were the attire of the day. One man was dressed in such a way, all thought he was the circuit rider preacher. The day got off to a good start with the men's breakfast, with their wives as special guests. The morning service began at 10 for Sunday School, 11 a. m. was the worship service. Ike Whitson led the music with the choir doing several songs from "Old Time Religion", a vountry singing festival book. The morning message was brought by the pastor, Bro. Sheri Taylor. At noon all enjoyed lunch in fellowship hall. No one went away hungry. Food, food everywhere. Had to bring in more tables and chairs for people to sit and eat. After lunch all moved out under the shade of trees to carry on the music.

Some of the local people started the afternoon singing. Bro. Melvin Fields brought the afternoon message. The singing Phillip Crow family rendered several songs for the group to enjoy. Phillip writes all the songs they sing. Then attention was turned to fun and games for awhile. There was a hog calling contest. The contestants did so well, two hogs came up. Rodney Spruill was the No. One caller. Hope McGaha was No. 2 and Cole Sandlin No. 3.

Other games included two couples in a circle race, baloon bursting contest and the games were concluded with some children foot races and Phillip Crow challenging Marty Ray to a foot race. Think the grassburs won that race. The day ended with a watermelon feast.

Once again Mother Nature displayed her power with a lightning show this past week. Once again, no rain in our area.

The farmers are getting their equipment ready to begin harvest. No matter how good you overhaul your equipment, you still will have a breakdown.

Did you watch the debates? Election time is drawing near. We need to be ready to cast our ballot and believe you me, they DO COUNT.

p. m. at the Majestic in Eastland. It is based on a true story of the actual first wedding July 5, 1863 at Fort Blair - present townsite of Desdemona. The couple was Berry Moore Keith and Sarah Jane Blair. Grandchildren are Vonnie and Pug Guthery Bernard and Ann Keith of Desdemona, Mack Keith of Gorman. They are all in the play. 52 cast members and over 30 are related to this couple. This is a very good play, lots of laughs, Indian war dance, country music, a wedding, shoot out with the Indians, etc.
