

Abe Torres Receives Plaques and Bonus From Easley Trucks

Abe Torres, (left) is shown receiving two plaques and a bonus from Tommy Harrison at a reception on Friday.

Easley Trucks would like to commend Abe Torres for his hard work and dedication to our trucking company. On May 10, Abe was honored with two appreciation plaques, a bonus check, and a private ceremony. During the ceremony Abe received one award for continuously working for the best interest of Easley Trucks over the course of a five year time frame, the second award Abe received was dedicated because of amazing safety record. Abe has transported freight on a daily basis for over five years in the most densely populated areas of the Metroplex, with out one accident. Abe has performed many diversified responsibilities for our company. Those ranging from transporting freight for priority accounts, performing office tasks, to giving oral depositions for legal purposes. In short Abe is an Easley associate, whom we respect immensely. He is dedicated and a productive example of a professional in his field. Thanks Abe, you are not only an asset to Easley Trucks, but also an asset to the community.

My family and I continue to be overwhelmed with the many tributes that have been given in honor of our beloved wife and mother. We cannot find enough words to express our love for this and the surrounding communities for their thoughtfulness and love during this time of sorrow. I can tell you one thing, Maxine is smiling in Heaven with our Lord at the many, many memorials, cards and words of sympathy spoken to our family. We shall never forget your love and concern and may God bless you and your in your time of sorrow as he has me and mine in ours. God bless!

The weatherman has been teasing us with a little sprinkle of two on Tuesday, but late in the afternoon the sun was shining bright, so don't know if we will get another good shower or not. We received between 2 and 3 inches of rain in our area and it was really welcomed by all. However, we have thought it would rain so more, but as yet it has slipped by us. Maybe we'll get it by press time or later in the week.

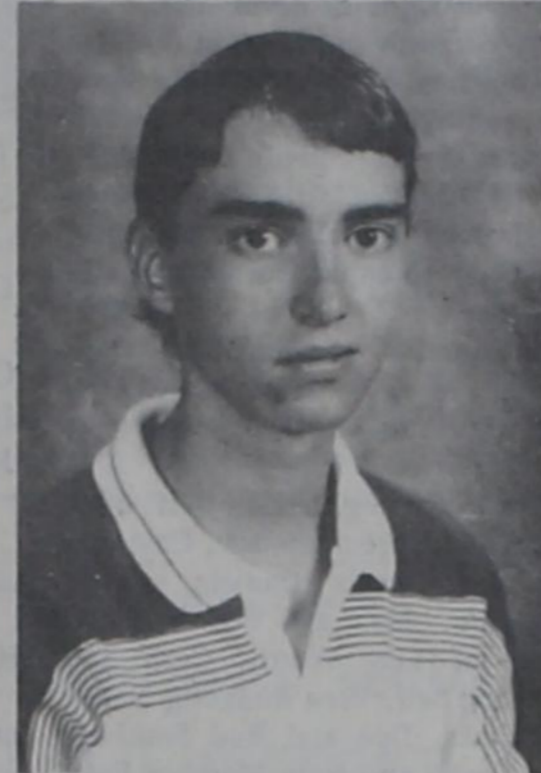

We wish to add our congratulations to Cari Daniels and Kevin Hirst for their outstanding performances at the State Meet this past week. Cari placed fourth in the 200 meter dash and Kevin placed Second in the discus throw. These are two very fine young people and they have worked hard to achieve what they have this season. We apologize for not getting some large headlines in last weeks paper about their trip to Austin, but with all that has been going on, it just slipped by us. Anyway, we have a picture of them in this issue so be sure to look at it.

Congratulations again on your performances and we wish you the very best in the future.

The graduation edition will be published next week. We will have all the news of the graduates, along with pictures, etc., and advertisements will be saluting and congratulating the Grads of 91. If you have any news for this edition, please get it in as early as you can, and we urge the advertisers to also rush it up if you can. We really enjoy publishing this salute to our graduates.

The Lions Club wishes to thank everyone for donating blood on Monday to the blood fund. We understand that between 25 and 30 persons donated blood, and that the blood has been used to replace blood that was needed for Claude Fuller and Stephanie Snider. Neely Carter Named U. S. National Award Winner In English

The United States Achievement Academy announced today that Neely Carter has been named a United States National Award winner in English.

This award is a prestigious honor very few students can ever hope to attain. In fact the Academy recognizes less than 10 percent of all American high school students.

Neely Carter, who attends Gorman High School, was nominated for

this National Award by Kayle Duke, English teacher at the school.

Neely's biography and picture will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the USAA.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability from a teacher or director.

Neely is the son of J. A. and Nora Carter of Gorman. The grandparents are Tennie Carter of Stephenville and Elmer Thackerson of Dublin.

Whitney Lasater Named To National Honor List

The United States Achievement Academy announced today that Whitney Lasater has been named an All-American Scholar. The USAA has established the All-American

Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a school instructor, counselor or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

Whitney, who attends Eastland High School, was nominated for this National Award by Stephanie Snider. Whitney will appear in the All-American Scholar Directory, which is published nationally.

"Recognizing and sponsoring our youth is more important than ever before in American history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the USAA.

The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Whitney is a junior at EHS where she is a member of the Beta Club, Gifted and Talented Program, and is on the "A" Academic Team. She serves as Key Club treasurer, is on the yearbook staff, was a cast member in the Jr. class play, and placed in UIL District and Regional competitions. Whitney also listed in Who's Who Among American High School Students and was recently honored at Hardin-Simmons University as a Top Junior in Region 14.

Whitney is the daughter of Emmett and Kay Lasater of Eastland. The grandparents are Mr. and Mrs. R. A. Barnett and Mrs. Merle Lasater, all of Gorman.

PANTHERS TO MEET GORDON IN BI-DISTRICT MONDAY AT 2:30

The Gorman Panthers (15-6), the State's No. 2 ranked Class A team, has already tucked away the District 5-A Championship with a 2-0 district record.

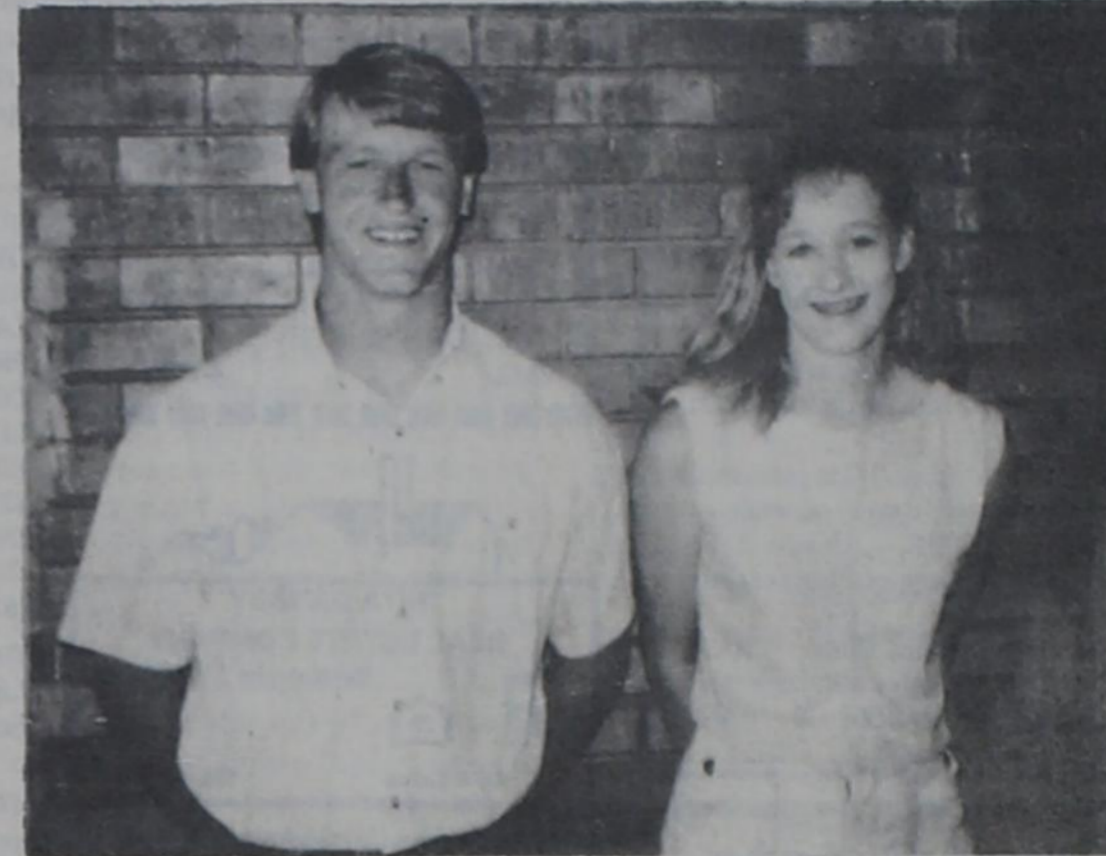

The Panthers, who made it to the State Semi-Finals last season, will meet District 6-A runner-up Gordon (2-6) in the Bi-District round. Huckabay (0-5), the only team in District bay (0-5), the only other team in District 5-A, will meet 6-A Champion Strawn (9-4) in its Bi-District test. These two games are scheduled as

a doubleheader on Monday, May 20th at the Stephenville High School field. The Gorman-Gordon matchup is slated to start at 2:30 p. m. and the Strawn-Huckabay contest is scheduled to begin 30 minutes after the completion of the first game.

KEEPING UP

Visiting the L. D. Hollidays recently was Orville Johnson of Flatwood. The Hollidays visited with Mr. and Mrs. Bill Holliday on Saturday in Eastland.

Kevin Hirst and Cari Daniels Compete At State Track Meet

Two Gorman track and field athletes, Kevin Hirst and Cari Daniels, represented Gorman at the State Class A Track and Field Meet in Austin on Friday and Saturday of last week.

Cari, a sophomore at GHS, daughter of Mr. and Mrs. Ray Daniels, placed fourth in State Class A 200 Meter Dash with a time of 26.2. Cari has performed well for the Pantherettes this season and did well in the 100 and 200 meter dashes.

Kevin Hirst, senior, and son of Daryl Hirst and the late Brenda Hirst, placed Second in the State in the Discus Throw with a mark of 156.5. Jason Smithey of Italy won the

discus event on his first throw of 173.11.

Hirst, who is going to play in the Oil Bowl football game in Wichita Falls this summer and then play for McMurry University this fall, threw only 147 feet last season.

"I put in a lot of hours in the a. m. and p. m. and worked a lot harder this year," Hirst said. "I wished I had thrown better today, but I'm pleased. I think the humidity hurt us. I sure could tell the difference."

We congratulate these two fine athletes of Gorman High School and want them to know that the entire school and community is very proud of their accomplishments. Great job!

Masonic Lodge and Eastern Star Honor Students

Gorman Masonic and Eastern Star Lodges held a joint open meeting Thursday, May 9th at the Masonic Hall to honor four high school students with the Mirabeau B. Lamar Medal for their outstanding achievements in education.

Ann Jay, Worthy Matron of the Eastern Star, welcomed the guests and gave a brief history of the Eastern Star. She then introduced Elizabeth Webb, Past WM of the Eastern Star from Cisco, who entertained the guests and members with several songs whose themes were closely connected with education. Her last song was very timely, concerning graduation and the friends made through the years in school.

The Citizenship Scholarship Awards were then presented to one student from each class from GHS by Bill Hagood, Master of the Gorman Masonic Lodge. The students who were presented with certificates for these awards were freshman, John Mart Stephens; sophomore, Angela Treadway; and junior, Steven Taylor. The Senior recipient, Kevin Hirst, was unable to attend as he was

buried on Sunday in De Leon. Freda, the widow of Elmer Joiner, lived in De Leon. They were former residents of Desdemona. She is survived by a son, Elmer Ray Joiner of De Leon.

Bernard and Ann Keith visited the past 3 weeks in Louisville, Ky. with their son, Brad and Pricilla Keith. They reported seeing beautiful country scenes on this trip, but was glad to get back home.

in Austin participating in the discus throw at the State track meet. His grandmother, Joann Butler, was present and accepted the award for him. The students were nominated by teachers and then approved by the Masonic and Eastern Star Lodges, who asked teachers to nominate students who exhibited outstanding moral character, good manners, courtesy, respect, promptness, consistency, friendliness, students with good attendance records, students who were well-disciplined, students who got their homework in on time, students who gave the most of themselves and tried the hardest each day, and, in general, just well-rounded overall good students.

Master of the Gorman Masonic Lodge, Bill Hagood, presented a Mirabeau B. Lamar Medal to an outstanding student, senior and this year's Valedictorian, Kim Broom, and to an outstanding teacher in Gorman Public Schools, Mrs. Ruby Lee Kinser, for her outstanding personal achievements in education. Mirabeau B. Lamar was an outstanding Mason and the second President of the Republic of Texas. He was instrumental in getting legislation passed to fund Texas schools and colleges and was nicknamed the "Father of Texas Education". In the early days of the Republic Masonic Lodges sometimes paid the salaries of teachers, furnished a building for a school and sometimes built two story buildings; the bottom story to be used as a school, and the top story as a lodge hall.

A beautifully decorated cake with the honorees' names on it and other refreshments were served after the presentation ceremony to a large crowd of guests, family members of the recipients, and members of the two lodges.

The ladies of the Eastern Star and members of the Gorman Masonic Lodge would like to congratulate these students, Mrs. Kinser and their families for their achievements. The lodges would also like to thank Linda Glover, the school counselor, for her assistance in surveying the teachers and tabulating the results to pass on to the lodges. The Masons and Eastern Star have made it an annual project to award these scholarships and Lamar medals, and look forward to awarding them to the fine students and faculty members of the Gorman Public School System each year.

USDA Announces Support Levels, By Type, For 1991 Crop Peanuts

The average support levels by type, quality and location for the 1991 peanut crop were announced today by Keith Bjerke, administrator of the U. S. Department of Agriculture's Agricultural Stabilization and Conservation Service.

The figures are based on national price support levels of \$642.79 per short ton for quota peanuts and \$149.75 per short ton for additional peanuts.

The quota support level by type for an average grade ton of 1991 crop peanuts will be:

- \$638.14 for Virginia-type peanuts;
- \$647.60 for runner-type peanuts;
- \$601.37 for Spanish-type peanuts;
- \$638.14 for Valencia-type peanuts from the Southwest which are suitable for cleaning and roasting; and
- \$601.37 for other Valencias.

The method of computing the price support levels for 1991 crop peanuts and the grades within the types is the same used for the 1990 crop.

For each percent of sound mature kernels in a ton, including sound split kernels, the support level will be:

- Virginia-type peanuts, \$9.402;
- runner-type peanuts, \$9.218;
- Spanish-type peanuts, \$9.172;
- Valencia-type peanuts in the Southwest suitable for cleaning and roasting, \$9.565; and
- other Valencias, \$9.172.

The loan value for additional peanuts will be 23.30 percent of the applicable quota rate. This factor represents the ratio of the \$149.75-per-short-ton national support level for 1991 crop additional peanuts to the \$642.79-per-short-ton national support level for 1991 crop quota peanuts.

As with the 1990 crop, the price support rate for 1991 crop peanuts on which a growth regulator was used will be discounted by 100 percent from the price support rate that otherwise would be applicable.

The actual price support level for an individual lot of peanuts will depend on the percent of the various sizes of kernels in each ton of peanuts and other factors.

TCI Cablevision Of Texas, Inc. To Add New Low Cost Movie To Cable Line-Up: Plans To Realign Channels

Cable Customers Can Preview ENCORE at No Charge in June

TCI of Gorman today announced the introduction of ENCORE, a new all-movie channel that will be available to its cable customers beginning June 3, 1991. Cable customers in Gorman will be able to preview ENCORE, which will feature movies from the sixties, seventies, and eighties, at no charge during the month of June. Following that introduction, ENCORE generally will be available to cable customers (who sign up by June 30) for \$1.00 per month through May, 1992.

To accommodate the addition of ENCORE and other new cable programming additions such as M.E.U. Network (Mind Extension University), TCI Cablevision of Gorman announced plans to realign channel assignments in Gorman.

Other channel changes include a new slot for the local FOX station, FoxNET on cable channel 11, clustering most of the broadcast stations on the lower channels.

The channel realignment will occur June 3, 1991. Cable customers will receive a new channel line-up card in the mail before the change. Additionally, the specific changes will be publicized in the local print media. Customers may also pickup a new channel card at the local cable office, located at 207 S. Texas in De Leon.

"While the channel realignment will pose a temporary inconvenience to our customers, we believe the changes help to refine the quality of service and programming options available to our customers," said Mr. Moore. "ENCORE brings the variety and volume of a local video rental store right to the home, at a very low price. For many TCI Cablevision of Gorman customers, that translates to significant cost savings and convenience."

Currently, some 60 percent of U.S. households receive cable, and last year spent more than \$16.2 billion a year to receive programming. During the same period, U.S. consumers spent \$5 billion on movie attendance and another \$9.7 billion on video cassette sales and rentals. With U.S. households, on average, spending more than \$100 per year on video rentals and making an average of one trip a week to the home movie rental store, cable operators such as TCI Cablevision of Gorman have found a strong market demand for cost-effective, in-home movie services.

With the introduction of ENCORE, TCI Cablevision of Gorman's cable customers will be able to view popular movies 24-hours a day. Following the preview of ENCORE at no charge during June, current cable customers generally will receive the all-movie channel automatically for \$1.00 per month. To cancel ENCORE, TCI Cablevision of Gorman customers need to contact the cable office.

Customers subscribing to cable after June 30, 1991, will be able to receive ENCORE for the following monthly price:

- * \$4.95 with basic service only
- * \$2.95 with one other pay service
- * \$1.95 with two other pay services
- * \$1.00 with three or more other pay services

Customers as of June 2, 1991, who choose to reduce the number of premium pay channels they receive anytime from June 3, 1991, to May 1992, will also pay the above prices for ENCORE.

TCI Cablevision of Texas is located at 207 S. Texas in De Leon. For additional questions or information, contact the system at 817-893-6110.
