FIFTH SUNDAY SINGING SLATED FOR SUNDAY, JUNE 30TH AT NEW HOPE BAPTIST CHURCH

NUMBER TWENTY-TWO

JUNE 27, 1991

Fun Day Planned At Gorman's July 4th Celebration

Boys and girls - get your frogs and turtles trained for the big races at Frank A. Gray Memorial Park on July 4th for the big celebration.

It will be a fun-filled day for the entire family.

Activities will begin at 10 a. m. with a flag raising ceremony, singing of patriotic songs and a welcome address by Rev. James Haynes, pastor of the First United Methodist Church.

Following the opening ceremonies games and contests for the children will begin.

There will be turtle and frog races, bubble gum blowing and balloon racing contests.

For the older youth, volleyball games, baseball throwing contest, watermelon seed spitting contest, as well as dunking pond, egg toss and three-legged races for everyone of all ages.

A barbecue dinner will be served at noon at a price of \$5 per plate.

Sandwiches, desserts and cold drinks will be available.

Snow cones, soft drinks and old fashioned lemonade will be served throughout the day.

Various musical groups will be presenting special programs through out the afternoon and evening.

Around 4 p. m. the Lions Club will start serving their famous "Lion Burgers" for \$2.00 each.

At 9 p. m. a drawing for several cash prizes will be given to those who sign up as a member of the Park Association or pay your dues if you are already a member. Dues are only \$2.00.

A large fireworks display will be presented at dark.

Bring your lawn chairs and all the kids, grandpa and grandma, aunts and uncles and spend the day with relatives and friends.

The celebration is sponsored each year by the Frank A. Gray Park Association.

Cecil Robertson Celebrates 80th Birthday

On June 14th the caravans started the journey to Promontory Park at Lake Proctor to set up for the Robertson reunion. Several families were out Friday, but Saturday was the big day. Everyone was to be there and help celebrate the 80th birthday of our Daddy and Pap-Pa. We started the activities by serving lunch to over 90 people. Then he was presented with a big cake. It was decorated as a big garden with a man in overalls holding a hoe. (We decided to forego the candles). Also a giant decorated cookie stating "Pap-Pa's #1! Among other gifts was a huge decorated box holding over 80 cards. Some had letters telling him what he has meant to the person. Some of the little ones made theirs with their own sweet message inside. (He is still trying to get them read). Needless to say there was a good time had by all.

Of course on Friday night we had our usual rain, wind, thunder and tents blowing down. Our group seems to bring out the worst in the weather every time. But we didn't give up and stuck it out.

There weren't as many on Sunday, but there were some new faces. Over the weekend 101 registered.

Another storm blew in Sunday afternoon so we finished breaking camp and everyone headed for home all looking forward to next time. To catch up on the talking, laughing, and find out what is going on in the lives of loved ones. There is always a lot of love spread around, laughter, sometimes a few tears, and pranks are always played on someone. One thing for sure kids, grandkids, etc. all love their Pap-Pa and Me-Ma and always show it.

So until next time we get together, "Be Happy".

Miss Gorman and Little Miss Contest Ends Saturday

Miss Gorman and Little Miss Gorman contests are coming to an end. The contests will end on Saturday, June 29th at 12 noon. All winners will be announced at the Pageant on Saturday night at 7 p. m. in the high school auditorium.

We urge everyone to come out and see who will represent Gorman in 1991.

Our reigning Miss Gorman, Jana Norris, and our reigning Little Miss Gorman, Shari Marlow, will crown the new Miss and Little Miss Gorman winners. These girls have represented Gorman most respectfully in many parades, etc. We appreciate them very much.

Fund raising projects are still underway for our Miss Gorman

candidates. Give them your support. They are Annette Love, Chamber of Commerce; Sylvia Ramirez, Business Alliance; Cari Daniels, Lion's Club; and Stephanie Jobe, Fire Department.

Cans for Little Miss Gorman candidates are still in various businesses. The candidates are Kalyn Porter, Chamber of Commerce; Francis Lewis, Business Alliance; Kimberley Dudley, Park Association; Marcie Davis, Fire Department and Holly Abbe, Lion's Club.

The proceeds will go to the Baseball Park and to install fans and more speakers in the gym. We appreciate everyone's support of these projects and our town.

A special invitation had been sent out for the classmates and their spouses to meet at the Golden Arrow Cafeteria in Comanche for lunch at 12 noon on the homecoming day, Saturday, June 22nd, compliments of Mazurel Land & Cattle, Inc. of Sidney.

Needless to say, the group enjoyed visiting and remembering until 3 p. m. Then everyone headed out for De Leon City Hall, the homecoming site. Zuleam and Harland Moore were at the entrance to greet new arrivals and see that those name tags were filled in and to have each visitor register. Preach Horton was one of the early birds, too.

The City Hall was nice and cool. Long Tables had been set up at the back for the evening meal of finger foods, chips and dips, cookies and many kinds of desserts, plus iced tea.

Those name tags are a blessing. A new arrival would bend to get a glimpse of the name tag... then the greeting would follow. The memory books, photograph albums, mementoes of yesteryear were shared and visiting was non-stop.

Dink and Martha Keith were ending their second year as president and secretary-treasurer of the homecoming organization. At 6 p. m. Dink took the microphone and extended greetings to everyone and congratulations to the Class of 1941 for their golden anniversary.

Zanette Stephenson Swanson, valedictorian of the class, was asked to come to the mike and say a few words. Zanette moved to De Leon five years ago from Fort Worth after having been away from Comanche County for forty-five years.

Bessie Byrl Halbrooks, class salutatorian, was there, also.

Grady Auvenshine gave the invocation. Double lines were formed and soon chatting gave way to enjoying the evening meal.

Later, at the business meeting, Dink presided and Martha read the minutes of the 1990 homecoming and gave the financial report. Money from the permanent fund financed the new speaker system for the hall. There was no problem in hearing from one end of the hall to the other, and many organizations will benefit from the gift.

The oldest Beattie High School graduate present was Ophelia Randolph of the Class of 1930.

Addie Williams took honors again this year as the oldest person at the homecoming. Mrs. Williams, a former teacher at Beattie High, is 93. Leola Keith was runner-up at age 91.

Leona Bingham Wright, daughter of the late Dan and Mary Daughman, will be 90 years old on December 4th and has lived in Beattie all of her life. Ikey Keith took honors as the oldest man that has spent his lifetime in the Beattie community. He observed his 85th birthday recently.

Ardis Williams recalled when Beattie boys basketball team were champions three years in a row. Jean Dukes told of the Beattie girls basketball team winning State!

At this time a hat was passed and contributions of \$236.80 was given. Expenses for the homecoming were \$115.50, making \$121.30 to be added to the permanent fund on deposit at Freedom Bank in De Leon.

Those coming the farthest were the Williams family from Seal Beach, Calif. "Happy Birthday" was sung to Don Chester, age 73, and Lloyd Reid, age 71, who were observing their respective birthdays at the homecoming.

Many cameras and cam-corders recorded the event which began at 4 p. m.

At the election of officers Harland Moore was named president and Zuleam Moore, secretary-treasurer. Homecoming date is the first Saturday after Father's Day each year and De Leon City Hall is the meeting

Two more men sentenced in Eastland ring

LUBBOCK — Two Big Country residents were sentenced Friday in Lubbock's federal court for participating in an Eastland County-based drug ring.

Billy Delbert Dickey, 42, of Brownwood received 12.9 years in prison. Dickey pleaded guilty to two counts — money laundering and conspiracy to manufacture and distribute methamphetamine. Dickey must be supervised for five years after his release from prison.

David Andrew Griffin, 38, of Rising Star received 21 months in jail for maintaining a place for the manufacture of methamphetamine. Griffin received three years' supervised release.

Twelve people have been sentenced in connection with a drug ring operated by Steve Benifel out of Benifel's Ranger wrecker service. Last week, Benifel was sentenced to 12 years in prison, and former Eastland County Sheriff Dee Hogan received a three-year sentence for obstructing justice.

Thirty-two people have pleaded guilty on charges related to the drug ring.

Eastland County to fix roof of the courthouse and install sprinklers

By MAYBELLE TROUT Correspondent

EASTLAND — The Eastland County Courthouse and grounds are getting attention from top to bottom and in between.

Precinct 2 County Commissioner Calvin Ainsworth said at Monday's commissioners meeting that the roof over County Judge Scott Bailey's courtroom will be fixed.

Ainsworth said rain water has dripped down an electric cord and filled the globe of an electric light in the courtroom.

Ainsworth, who is responsible for courthouse maintenance, said roof repairs are the top priority.

Also Monday, commissioners voted to hire Crawford Lawn Service of Clyde to install an underground sprinkler system at a cost not to exceed \$5,250.

Bailey said, "It's a well-known fact when you have a sprinkler system you save water."

Ainsworth plans to reseed the lawn next fall, he said.

Inside the courthouse, District Attorney Leslie Vance is rearranging and increasing office space for him and his staff on the second floor.

Center Point/ Brown Cemetery Need Help

The Center Point-Brown Cemetery need your help. About three weeks ago a list of the loved ones buried in Center Point and Brown Cemeteries was published hoping relatives and friends would donate enough money to at least be able to keep both cemeteries mowed and looking nice as possible. Not asking for you to do any work, just kick in a little money. Too this on a yearly basis, not just once a lifetime.

We want to thank the following for their donations:
Eldon Lee Maynard-\$100.00; Fred Johnson-\$25.00; John Gardner-\$10.00; Zelda Jordan-\$10.00.

As you can see this will not keep them cleaned up very long but will be used as far as it goes, then will just have to wait and see.

Send donations to P. O. Box 606, Carbon, Texas, 76435 or to P. O. Box 585, Eastland, TX 76448.

defoliation can weaken a tree and could result in the tree dying.

Control can be accomplished with out insecticides where they are only one to two webs in a larger tree. Simply prune out the web and destroy it.

In trees which are too small or the webs are too numerous for pruning an insecticide may be required. Before applying an insecticide, use a large pole to break up the web. This will help the insecticide reach the larvae. A high pressure spray will also be required to reach the taller trees and help penetrate the web.

These are several insecticides which can be used for fall webworms. Some of these products are Dipel, Sevin, Diazinon and Malathion. Whichever product you select make sure you read and follow the label instructions.

The publication entitled Fall Webworms (L-1811), is available in the County Extension Office located in the basement of the courthouse in Eastland.

SECOND GENERATION PECAN NUT CASEBEARER

If you sprayed on May 22nd for the first generation of pecan nut casebearer, then the second generation should be watched for before July 3rd. The recommendation is to spray for the second generation 42 days after the first generation spray, which would be July 3rd if you sprayed on May 22nd for the first generation.

Because timing is so critical in controlling the pecan nut casebearer, you should inspect your own trees. The female pecan nut casebearer moth lays its eggs on the tips of the nuts. The newly laid eggs are just visible to the naked eye and are greenish white in color. The egg color will turn greenish-brown then to a brown before the larvae hatches. The larvae hatches from an egg in 3 to 5 days.
