HERALD WANT ADS GET RESULTS!

Elbe Vets Plan To Visit Russia

WASHINGTON (U-S)—If they can get passports and money, 12 American World War II veterans hope to go to Moscow for a celebration of the meeting of U.S. and Soviet troops at the Elbe River in Germany 10 years ago.

The 12 members of a group calling themselves the American Veterans of the Elbe River Linkup, accepted a Russian invitation yesterday in a cable saying without qualification that "we will leave for Moscow in a few days."

But Joseph Polowsky, of Chicago, secretary of the group, conceded that funds must be raised to finance the trip, although he said, "We'll try to figure out something."

There was no official indication what attitude the State Department might take when the men apply for passports.

Both Polowsky's group and the Elbe Day National Veterans Committee—a group set up by five veterans' organizations—celebrate today the meeting of Russian and American troops at the Elbe April 25, 1945. Armies of the two nations had been fighting across Germany from opposite directions.

Polowsky's group is composed of men actually present at the meeting of the troops.

The Moscow celebration is planned for May 9, the day Russia recognizes as the end of the fighting with Germany.

Proud Moment

Standing in the background, Mrs. Salk and their sons listen as Dr. Jonas Salk is honored at a White House ceremony in Washington for his polio vaccine research, climaxed by a citation from President Eisenhower. Left to right: Basil O'Connor, president, Infantile Paralysis Foundation; Dr. Salk; the President; Mrs. Oveta Culp Huber, Secretary of Welfare; Dr. Leonard Scheele, surgeon general, U. S. Public Health Service; Peter, 11; Dr. Chester Keeler, Boston, presidential assistant; Darrell, 8, Mrs. Salk; Jonathan, 5.

AF Security Stepup Told

WASHINGTON (U-S)—A new report to Congress showed today a multi-fold stepup in the Air Force's personal security program over the past two years.

The report, given to a House Appropriations subcommittee during budget hearings and made public today, disclosed:

1. The Air Force filed security risk cases against 260 uniformed personnel in 1953 and 1954. In the two years before that, in 1951 and 1952, it handled only 15 such cases.
2. In the past two years, the Air Force discharged 37 officers or airmen on security grounds. In the two preceding years, it made no such discharges.
3. In 1953-54, in addition to the outright security discharges, 164 Air Force men resigned or were discharged on other technical grounds prior to settlement of their security cases. For the 1951-52 period, there were only 15 such cases.
4. Over the past two years, 59 military men were cleared after security charges had been filed by the Air Force. There were no such actions in 1951-52.
5. In the first two months of this year, 18 security cases were disposed of—more than during all of 1951 and 1952. In these 1955 cases, 6 were discharged, 1 was cleared and 9 were separated from the service prior to completion of their security cases.

These figures were given Congress March 24, after some questioning by committee members, by Maj. Gen. J. F. Carroll, director of special investigations for the Air Force.

Carroll said none of those discharged were spies or saboteurs.

Spurned Airmen Sought Following Berserk Spree

FORT WORTH (U-S)—A pickup truck in pursuit, a guard swung a gate to close it.

The fender of Beadling's car banged the gate, but he got through. His car outdistanced the pickup, which had a governor limiting its speed to 35 m.p.h.

Miss Scruggs said she broke off an engagement to Beadling two months ago because "he expected me to sit in the barracks while he went out."

She received a long distance call from him about 7 a.m. yesterday— from where, she didn't know—and asked him to surrender. She quoted him as saying, "I'm not going to. They're going to have to come and get me."

\$60,750 Asked In Suit For Damages

T. F. Cooper asks \$60,750 for injuries, suffering and loss of earning capacity in a suit for damages filed in 118th District Court against the El Paso Natural Gas Company.

He alleges the company was negligent in not completely filling a pipeline ditch across the Gall road in northern Howard County last spring.

Cooper's petition states that he was riding in the back of a pickup which came upon the ditch suddenly on March 23, 1954. Driver of the pickup applied the brakes suddenly, causing Cooper to be thrown about in the bed of the pickup and resulting in injuries to his head, neck and back, according to the petition.

The plaintiff alleges that EPNGC dug the ditch across the road and failed to fill it completely after laying pipe.

Sparkman Urges Formosa Truce Effort As Red Sincerity Test

WASHINGTON (U-S)—Sen. Sparkman (D-Ala) proposed today that the United States test the sincerity of Red China peace talk by seeking to renew United Nations efforts to gain a cease-fire in the Formosa area.

Sparkman and some other members of Congress lined up behind the State Department's suggestion that the Chinese Communists demonstrate their good intentions to negotiate.

Red Chinese Premier Chou En-lai said at the Asian-African conference in Bandung, Indonesia, that Peiping wanted no war and was willing to talk with the United States about relaxing Far East tensions, particularly around Formosa.

In a follow-up talk at yesterday's closing session, Chou said Peiping will not give up the "sovereign right" to liberate Formosa. But he said "China and the United States should sit down and ease

tension in the Taiwan (Formosa) area."

The legal status of Formosa is uncertain. China yielded her rights in the island to Japan at the end of the Sino-Japanese War in 1895. In the Japanese Peace Treaty ending the Pacific phase of World War II, Japan surrendered her rights to Formosa. Peiping contends the Nationalist-held island is rightfully a part of China.

Sparkman, a member of the Foreign Relations Committee, said he supports the State Department's position that "of course the United States would insist on free (Nationalist) China's participation as an equal in any discussion concerning the area."

That position was set forth in a statement made public Saturday afternoon after department officials had conferred at length by telephone with President Eisenhower. He spent the weekend at Gettysburg, Pa., returning last night.

The department said Red China could show in three ways evidence that it would enter such talks with good intentions: (1) agree to an immediate cease-fire in the Formosa Strait; (2) release imprisoned American airmen and civilians; or (3) accept the U.N. Security Council's invitation to discuss the end of hostilities in the Formosa area.

SPRING TEXAS

Indoor Sports President

Claudia Arrick, president of the local chapter of Indoor Sports, waits for the cutting of the birthday cake which was served Saturday evening at the tea given by the group. This was in observance of the 25th anniversary of the founding of the national organization.

Indoor Sports Join In National Rites

Saturday evening, the local Indoor Sports Club joined all clubs of the national organization in the same birthday ritual, when members and friends met in the small auditorium of Howard County Junior College.

The affair, which was given in observance of the 25th anniversary of the national group, was opened with a prelude of music by Mrs. Nell Frazier. She accompanied Mrs. Pat Hiney as she sang "Serenade" from "The Student Prince," "Glanina Mia" from "The Firefly," and "My Wonderful One."

Claudia Arrick, president of the local club, introduced James Horton, past president, who gave the birthday ritual, lighting candles as he spoke. Using one candle as the symbol light of one group, he lighted three other candles as he explained the creed of Indoor Sports Clubs.

"The flames of these clubs must be fed by other groups and with the addition of new members," he told his listeners. "And we must continue to prove that the hand-

capped person can be of use to the world."

Miss Arrick introduced guests and expressed appreciation to the various groups which have helped the club in its work. An out-of-town guest was Shelby Cole of Seagraves.

For the tea hour, the table was laid with a white linen cloth and held a cake frosted in white. Using the club's color, royal blue, the club crest was outlined on the top. An arrangement of daisies and snapdragons completed the table decorations. Silver appointments were used in the serving.

Bessie Love, president of the sponsoring club, the B&PW, presided at the silver service. Serving was done by Adele Cole, Mrs. Ross Hill, Mrs. Armour Long and Mrs. Joe Roberts.

A standing basket of coral and yellow gladioli decorated the stage. These flowers were a gift from the B&PW. Mrs. M. T. Kuykendall sent the table arrangement and corsages or buttonieres for the members.

Midland Club Plans For Flower Show

The Pyranantha Garden Club of Midland will present their spring flower show "Southern Legacy" and Iris Show on Tuesday, from 3 p.m. to 8 p.m., in the Church of Christ Annex, corner of West Tennessee and San Angelo streets.

The old southern atmosphere will be carried throughout the show by using antiques to display the various arrangement classes and by hostesses dressed in colonial costumes. The theme of the show, "Southern Legacy" is written as the last will and testament of an old southern family.

The last possessions of Capt. Jonathan and Abigail Adams are listed as titles of various flower arrangement classes — We hereby bequeath: "My Wedding Ring," "Papa's Violin," "Grandfather's Clock," "Abigail's Ruby Glass," "The Dueling Pistols," "Grandmother's Crazy Quilt," "The Family Album," "Our Old Harpsichord," "Aunt Melanie's Fan," "Uncle Ben's Pill Box," "Jessica's Bouquet," "Jonathan's Riding Quirt," "Our Confederate Money," "Tintype of Our Children," "Our Alabaster Urn," "Miranda's Mammy," "Cousin Camille's Cameo," and in the Junior Division, "Buckles and Bows," and "Peaseant of Hoop Skirts."

In the Iris Show, entries may be made by any amateur living in Midland County. A purple rosette ribbon of the American Iris Society will be awarded the "Best Iris Specimen" in the show. The silver and bronze medals will be given upon approval of the American Iris Society.

Youth Fellowship

About 50 young people from Trinity Baptist Church attended the Youth Fellowship meeting held in Hobbs, N. M., recently. Representatives were present from Monahan, Odessa and Denver City. The Rev. W. Y. Houston gave the inspirational talk. The next meeting will be held in Monahan on May 20.

Go To Family Party

Several Big Spring people attended a family gathering in Odessa Sunday in which Mr. and Mrs. P. A. Rix honored their daughter, Mrs. Carol Todd, who leaves Tuesday to join her husband, Lt. Dean Todd, in Munich, Germany. Among those attending were Mr. and Mrs. Fred Stitzel and son, Charles; Mr. and Mrs. Alfred Moody, Mr. and Mrs. Chester Matheny; Dr. and Mrs. C. W. Deats, Mr. and Mrs. Joe Pickle and sons, Tommy, Gary and David.

To Leave For Europe

Mrs. F. S. Gray will leave Tuesday for Milan, Italy, where she will visit her son, Harris Gray and his family. From there, she will go to Frankfurt, Germany, to visit her son, William Gray, Mr. and Mrs. Harris Gray and their daughters will return with her at the end of three months for a visit in the United States.

Smart Costumes Mark Lionesses' Meetings

By LUCILLE PICKLE

At the "Yakitty-Yak," that's a coffee, or brunch where a great many women all try to talk and be heard at the same time, Mrs. J. E. Hogan wore a smartly tailored bright blue linen. The affair was in the Hogan home for the visiting Lionesses.

Mrs. Carl Marcum looked smart even though wind-blown in a blue and white checked gingham. The high collared dress was featured by the buttons at the points of the collar and at the center of each large pocket. Full sleeves, banded and buttoned just above the elbow, added to the attractiveness of the frock.

Mrs. John L. Dibrell Jr. wore a dress styled similarly to Mrs. Marcum's in yellow of nylon cotton with a tiny white dot. The bodice was accented with minute tucks and the skirt was pleated to the waist.

Mrs. Bill Minnix of Dell City stopped by to see her mother on the way here for the convention and, deciding her hat was too dull, took the artificial fruit from a bowl and had a fetching hat. Her dress was a sleeveless gray striped cotton flecked with red, blue and yellow. Piping of gray polished cotton completed the trim.

Mrs. Jack Cook covered her head from the wind and sand with

a brown and white polka dot scarf with a small trim. This ties under the chin and seems very practical for West Texas.

One of hardest working women in the town last week was Mrs. L. D. Carothers who was field marshal for the women's activities of the Lions convention. At the luncheon and style show Saturday she looked lovely in a neat brown, short coated suit with which she wore pale blue.

Mrs. R. E. Dobbins wore a two piece outfit that was topped with a colorful blouse of pink and gold metallic cloth. The skirt was white and flecked with gold. Her small flowered hat was pink.

A good looking sister combination was Mrs. Avery Falkner and Mrs. Carl Coleman who wore lilac and pink respectively.

Mrs. Larson Lloyd was attractively attired in a coat type dress of Dior blue the silk with large white polka dot. It is lined with matching taffeta which is beautiful but, she confides, makes it hard to handle.

The models for the Saturday style show were as lovely a group of women as will be seen here in a long time. Just for the record they were either wives or daughters of the local Lions.

THIS IS GOOD EATING

BEDEVILED CHEESE SANDWICHES

Ingredients: Eight slices bread, 1 can (2 1/2 ounces) deviled ham, 4 slices cheddar cheese (size of bread slice), pickle relish, butter or margarine (soft).
Method: Spread 4 slices of the bread with the ham; place cheese over ham; spread cheese with pickle relish. Top with remaining slices of bread. Spread top of sandwiches with soft butter; place under broiler until browned; turn and spread other side of sandwich with butter; broil until browned. Cut each sandwich in half and serve at once. Makes 4 servings. Serve with the following foods:
Green Pea Soup with Crackers
Bedeveled Cheese Sandwiches
Crisp Celery Stalks
Cookies
Beverage

Bomb Suspect Cool As She Faces Accuser

PORTLAND, Ore. (AP)—Mrs. Marjorie Smith "didn't bat an eye" when confronted by a man who said she had tried to involve him in a death plot against her husband.

That was the way police described the meeting yesterday between Mrs. Smith and Thomas A. Marlin, her accuser. The 35-year-old mother of two children is charged with first-degree murder in the bomb death here last Thursday of her husband, Kermit, a Portland attorney.

Throughout long hours of questioning she has steadfastly maintained her innocence, despite a confession of Victor L. Wolf, a Portland electrician, that he and Mrs. Smith plotted the slaying. Wolf said he hooked up a dynamite charge in Smith's car that went off when Smith turned the ignition key. Smith was killed outright. Wolf's statement said the motive was love for Mrs. Smith and \$21,000 insurance on Smith.

Wolf, 45, and Mrs. Smith were arrested within 24 hours after the slaying. Yesterday police questioned Marlin, whom Wolf had mentioned in discussing the bombing. Marlin said he had known Mrs. Smith for 12 years and that two weeks ago she had tried to enlist his aid in a plot to kill her husband. Marlin said she told him she had made arrangements for a man to shoot Smith but that she needed someone to drive the car. Marlin said she frequently spoke in this manner and that he did not take her seriously. Police speculated on the basis of Wolf's confession that the plans for the slaying then were changed and the bombing plan hit upon.

Bomb Kills Attorney

A deputy sheriff above extinguishes flames in the wreckage of an automobile belonging to Kermit Smith, 34, Portland, Ore., attorney who was killed when he started the car at the Columbia-Edgewater Country Club. The blast demolished the car and hurled Smith's body far to the rear of the vehicle.

New Wave Of Violence Marks Phone, Rail Strikes

ATLANTA (AP)—A new wave of cable cuttings and the knocking out of a railroad bridge by fire were reported as regional telephone and railroad strikes entered their 43rd day today. The violence climaxed a week-end marked by mob rowdiness in Florida, derailment of a freight train in Kentucky and the failure of three governors to settle the phone strike at an Atlanta conference.

Two homemade bombs blasted the Gretna, La., telephone exchange last night but no injuries were reported and officials said equipment apparently was undamaged. A hole was blown in the concrete roof of the building. Police said one bomb apparently exploded before it hit the roof, the other on contact.

The slashing of cables in Mobile and Montgomery temporarily disrupted service to thousands of Southern Bell Telephone Co. customers in Alabama. One Montgomery radio station was off the air several hours.

A 104-foot section of a Louisville & Nashville Railroad bridge six miles east of Calera, Ala., was so badly damaged by fire it will have to be rebuilt. F. W. Kirchner, L&N division superintendent, estimated damage at \$150,000 and said he believed the blaze was of incendiary origin.

Kentucky state police said 25 sticks of dynamite were found attached to an L&N bridge at Washoto, near Pineville, Ky. Trooper Robert Rose said the dynamite was in a paper shopping bag and was rigged so it could be exploded electrically.

At Washington, L&N company and union representatives met four hours with the National Mediation Board but no change in the situation was reported. Gov. Lawrence Wetherby of Kentucky asked the 13 governors of the states affected by the L&N walkout to meet in Nashville Tuesday with company and union representatives in a new effort to reach agreement.

Seven men were arrested on disorderly conduct charges at Miami, Fla., when 40 policemen and firemen broke up a noisy crowd of about 500 outside the main telephone exchange. Hoses were turned on the crowd and union leaders protested the action as unnecessary.

Six crewmen were injured in the derailment of an L&N freight train five miles south of Barbourville, Ky. Four diesel engines and 27 cars went off the rails. A company spokesman termed the incident sabotage.

Govs. Marvin Griffin of Georgia, Hugh White of Mississippi and James Folsom of Alabama, made an unsuccessful attempt in Atlanta to settle the strike of the Communications Workers of America (CIO) against Southern Bell.

AFL nonoperating unions are on strike against the L&N for a medical care insurance plan to be paid on a 50-50 basis by the company and the employees. Operating unions—men who actually run the trains—are refusing to cross picket lines of nonoperating unions.

Southern Bell workers are out in a contract dispute.

Police took the man into custody for extensive questioning after he and four other male friends of the victim underwent lie detector and chemical tests. Police said the man reacted to the lie detector test and chemical tests showed that blood might have come in contact with one of his cheeks.

During a break in the questioning, police said the man admitted he had a key to Miss Dose's apartment. The man who killed the attractive nurse by striking her on the head with a heavy weapon tried to cover up his crime by setting fire to the bed on which she lay. A medical examination showed she was cluded to death.

Police said a Cambridge man informed them he and Miss Dose had a date Friday night and that they both returned to her apartment. He was quoted as saying that Miss Dose changed into a robe and had coffee with him before he left about 12:30 a.m. Saturday. The killer apparently entered the apartment after he left.

About four hours later three other tenants of the apartment house smelled smoke and together they broke into Miss Dose's kitchenette apartment and discovered her body on the burning bed. Police said she had not been sexually attacked and that robbery was not the motive.

Miss Dose came here about 18 months ago. She was a graduate of Mercy College of Nursing, San Diego, Calif., in the class of 1950.

Mrs. Alexander Services Slated
COLORADO CITY — Mrs. C. C. Alexander, 70, Colorado City, died Sunday afternoon in a hospital here after a long illness. Mrs. Alexander was born Jan. 29, 1885 in Cullman, Ala., and had lived in Colorado City for 32 years. She married Charles C. Alexander, Dec. 13, 1905 at Cullman, but was left a widow in Nov. of 1952. She was a member of the Oak Street Baptist Church.

Funeral arrangements are pending until a son arrives and will be announced by Kiker and Son, of Colorado City. Burial will be in the Colorado City cemetery. She is survived by five sons, Homer, Clyde and R. C. of Odessa, Sgt. R. G. Alexander of the U. S. Army in Korea, and M. Sgt. F. W. Alexander of the U. S. Army in Germany; one daughter, Mrs. W. P. Gary of Merkel; two brothers, J. H. Ledbetter of Decatur, Ala., Arch Ledbetter of Cullman; two sisters, Mrs. Lula Webb, and Mrs. Vettie Reid, both of Cullman, 12 grandchildren and 4 great-grandchildren.

Big Spring Pythians Win District Contest

A 13-man degree team from the Big Spring Knights of Pythias lodge won first place in district competition in Lubbock Sunday, eliminating Pampa and Lamesa.

The team will compete in one other contest, to be held in May, the winner of which will go to the grand lodge in June for state competition. Date and place for the final district contest has not been set.

Chairman of the Big Spring degree team is Paul Darrow.

Just Make A Check Mark

Fill This Blank When You Have Completed Puzzle — And Get Entry To The Herald By 8 A.M. Thursday
Note: Postcard is necessary only when you use mail. Do NOT put card in an envelope! Your facsimile puzzles must approximate size of puzzle printed here.

HERE ARE THE RULES

(1) Anyone may enter except employees of the Big Spring Herald and members of their families.
(2) Entries must be made in crossword puzzle form. They can be on the form printed here for your convenience, or on a facsimile of the same size.
(3) Each individual is limited to TEN (10) entries. Machine duplicated puzzles will not be accepted. Facsimiles may be made in your own handwork.
(4) A cash prize of \$300 will be paid for the correct solution. If more than one correct solution is received, the prize will be equally divided among the winners. If no correct solution is received, the week's prize of \$300 will be added to the award for next week's contest. The weekly prize of \$300 will be added each week there is no winner, so that the total award will increase until there is a correct solution.
REMEMBER: There is only ONE correct solution and only a correct solution can win. There is only one answer that in the decision of the judges is the BEST word fitting the definition in each clue. The decisions of the judges shall be final and all contestants taking part agree to accept those decisions as a condition of entry.
(5) After you have filled in the puzzle, clip it evenly and mail or deliver to The Big Spring Herald—or to any participating merchant whose ad appears on this page. Mail entries MUST be postmarked by midnight Wednesday, April 23, or delivered entries must reach The Herald by 8:00 a.m. Thursday, April 24. Any entries received after these deadlines will be declared ineligible.
(6) Any winner whose entry is submitted on a post card will receive a bonus of \$2.50 in cash.
(7) Winners and the correct solution will be announced in The Big Spring Herald Friday, April 25.

Tigers Defeat San Angeloans In Twin Bill

The Big Spring Tigers swept a double header from the San Angelo Greyhounds by scores of 11-2 and 6-3 here Sunday afternoon. Charley Fierro set the visitors down in the opening contest, rationing out only five hits. The Tigers enjoyed a big fourth-inning in that one, at which time they scored six runs. Hill, Arguello and Charley Fierro all hit home runs for the Big Springers.

Campanella Bowled Over

Brooklyn Dodgers' catcher Roy Campanella falls flat at the plate after tagging New York Giants' right fielder Don Mueller on a close play in the game at Ebbets Field, Brooklyn, N. Y. Mueller tagged up at third after Sal Maglio's foul fly to left which Sandy Amoros caught. Sandy's throw to the plate was in time to nip Mueller's attempt to score. (AP Wirephoto).

Cops Hang On To Gain A Split With Rocket Nine

Big Spring made the most of a meager offense to score a 10-8 victory over Roswell in the second game of a twin bill after the Rockets had copped the opener, 7-2. The largest Sunday crowd in half a dozen years here—729 paid—saw the Cosden Cops gain a 2-1 edge in the series through the split. The provincials had won Friday night's game, 4-1.

WEST ZONE MEET

Hawk Tracksters Run In Lubbock

The Howard County Junior College track and field team is in Lubbock today, where the annual West Zone meet is being staged. Texas Tech is host to the show and Landon Westbrook, coach of the Raider track team, is serving as the starter. The Jayhawks will be one of the favorites to take the meet, despite the fact that they are not at full strength.

Wickard, Phil Gore, Jimmy Castleberry and Jimmy Merrick. Jimmy Robinson, pole vaulter; and Jim Knotts, quarter miler, will not be able to compete due to injuries. The Hawks are especially strong in the dashes, where Curtis has been in a class by himself; in the high jump and pole vault, with Stovall an entry; and in the 800, where Cleonne Russell competes. Amarillo is the defending champion of the meet. Odessa, which beat HCJC in a recent dual meet, is also entered. Preliminaries were to be run this morning and finals this afternoon.

Rockets Launch Football Workouts This Afternoon

Coach Roosevelt Brown begins regular football drills at Lakeview (Negro) High School this afternoon and is expecting about 30 boys to ask for equipment. The Rockets will play a regular conference schedule this fall and have already lined up home-and-home dates with Lamesa, Odessa, Slaton and Midland. Tentative plans call for the Rockets to open their season in Slaton on Sept. 17. All workouts will be conducted

on the Lakeview campus, according to Brown. The drills are due to continue for about 14 days. The 1955 club will be the first fielded by the school in several years and the first ever to compete in a conference. Prospects are good, a spokesman for the school said. The Rockets have fielded strong basketball and track teams this year and most of the boys competing in those sports will be back.

Southern Methodist Leads By Two Games In SW Race

The Southwest Conference baseball race pushes into its final three weeks with Southern Methodist unbeaten and boasting a 2-game lead. SMU can virtually sew up the championship this week if it wins four games on the schedule. Then SMU would have 10 victories with 5 games to play and a 4-game lead. Tuesday SMU meets Baylor in a doubleheader at Dallas. Baylor has to win them both to get back in the running. Friday and Saturday the Methodists battle second-place Texas A&M at College Station in the real playoff.

Rice also beat Sam Houston 8-7 and split with TCU. The Owls won the first game 4-2 but TCU took its first conference test of the year in nine starts by capturing the second 3-2. SMU and A&M have the best season records, 10-4 and 10-5 respectively. Steers And Odessa Meet Here Tuesday

The Big Spring Steers wind up their 1955 baseball schedule at Steer Park Tuesday, meeting Odessa at 4 p.m. Both teams are out of the running for the conference flag but the Steers will be scrapping for a share of third place in the standings. Big Spring has won one game while losing four times. The Steers' Saturday game due to the fact that he was competing in the regional track and field meet at Lubbock, will probably pitch for the local club.

Artesia Here This Evening Artesia, long-season favorite to win the Longhorn League pennant and the leader by five full games last season, moves into Big Spring tonight to launch a two-game series with the Big Spring Cosden Cops. Game time is 8 o'clock. Indications are Al (Kosse) Hill will go to the mound for Big Spring. The limited service hurler from Tyler had tough luck in his opening game, when a ninth inning home run beat him, 4-4.

Table showing league standings for Longhorn League, Texas League, and American League.

LOOKING 'EM OVER With Tommy Hart

I'm inclined to think Texas has more of the "world fastest humans" than any state in the union. Such claims are being made by Bobby Morrow, the ACC freshman; Dean Smith, the mercury-heeled University of Texas star; J. Frank Daugherty, another Texas star; and Houston's Larry McBride. McBride ran a 9.4 century recently, Morrow went him one better and turned in a 9.3 but Smith, aided by a 16-mile an hour tail wind, exploded for a 9.2 still later. Daugherty hasn't hit his stride this year but the people who saw him in the American Business Club Relays here a couple of years ago know he can fly. Smith also ran here.

U.S. Olympics bosses are, no doubt, counting heavily on the state's speedsters to carry the nation's colors in the 1956 games. Duane White, the Roswell infielder, was returned to that team by Hollywood despite the fact that he consistently outran everyone in camp. Roswell officials, who said White conditionally to the Pacific Coast League club, thought he would stick with the Stars on his speed alone. Weldon Day, another Roswell player who was included in the deal for White, didn't even report to Hollywood. He decided to quit the game.

Midland's Fraternal Order of Eagles is offering a trophy to the Longhorn League team showing the best sportsmanship over the season. The award is 34 inches in height. Judges will be umpires, players and other closely associated with the circuit. The award will be rotated until one team wins in three years in succession. There may be better teams in the Longhorn League (which has to be proved) than Big Spring but it's generally acknowledged that the local team has the best crop of rookies in the organization. In Artesia, Dicesar, Tom Costello, Mario Salazar, Aga Baca, Jim Barr, John Telnetnik and Bob Kennemer, the Cosden Cops have seven of the flashiest freshmen ever to adorn a Longhorn league club roster. Each has the potential to go a long way in professional baseball. The team will probably keep only five rookies after 'cutting down' time comes (20 days after the season opened). Manager Pepper Martin is having a hard time deciding which five it will be.

Chances are you won't see another game this season in which a shortstop doesn't get a fielding chance. Such a thing occurred when Roswell and Big Spring met here last Friday night. Shortstop Kennemer of Big Spring could have carried his knighting with him, for all the work he was called upon to do. Tommy McKenna, the Cosden Cop hurler, is looking for a furnished apartment for the baseball season. He'd like for his wife and small daughter, who are now in New York City, to join him. He can be reached through the Big Spring Baseball Club, dial 4-4770.

Trabert Hangs Up 9th Straight Cup

HOUSTON, Tex. (AP)—The amateur tennis troupe scattered today as powerful Tony Trabert hung up his ninth straight trophy with the championship of the River Oaks Tournament. Trabert, the man with the big game from Cincinnati, bounced Vic Seixas, the National champion from Philadelphia, for the seventh consecutive time yesterday. He beat him 6-0, 6-1, 6-4.

Murray Helps Dallas Cause

Associated Press Sports Editor It was generally conceded Dallas finished last in the Texas League race last year, after winning the pennant and Dixie Series the season before, because it didn't have the kind of catching given it in 1953 by the veteran Phil Mast. Mast didn't return to Dallas last season because he couldn't get the amount of money he wanted. This year, the first thing Dallas did was grab a top catcher. He was Ray Murray, the former Texas Leaguer who had been in the majors several seasons. The wisdom of this move has been aptly demonstrated in the league race thus far. Dallas is tied with San Antonio for first place, and it was a home run by Murray in the last inning to give Dallas a 3-2 victory over Tulsa Sunday that turned the trick.

Giants Topple Brooklyn, Yankees Suffer Shutout

How high is up? How low is down? Ask the Chicago White Sox. Manager Marty Marion's hearty crew climbed the highest mountain and probed the deepest sea over the weekend. Saturday they trounced Kansas City 29-6. Then yesterday they absorbed a 5-0 shutout from the same team. Take a look at some of the other things that happened yesterday: 1. Pittsburgh finally won its first game at Philadelphia, 6-1, after losing eight in a row. The Sunday curfew turned the second game into a suspended game with the Phillies leading 3-0 in the eighth. 2. The New York Giants scored six runs in the 10th, inning but barely managed to hold the fort as Brooklyn bounced back with five runs in an 11-10 thriller. 3. Willard Nixon, the old Yankee killer, beat the New York Yankees for the sixth straight time, allowing only two singles in a 1-0 Boston Red Sox victory.

AT VIRGINIA BEACH Stylish Chandler Harper Wins Title

VIRGINIA BEACH, Va. (AP)—Stylist Chandler Harper, of Portsmouth, Va., said today he's going to take another crack at the professional golf tournament circuit as a result of his victory here yesterday in the third annual \$17,500 Virginia Beach Open. "I'll join the circuit at Fort Worth, Tex., two weeks from now," said the 41-year-old Harper. Harper picked up \$2,400 by putting together rounds of 69-65-65-64 for a tournament record of 263 was set in 1953 by Doug Ford, of Klamath Lake, N. Y. Harper's spectacular iron shots and his putting gave him the victory over the 6,065-yard, par-49 Cavalier Yacht and Country Club course. Second place went to Dick Mayer of St. Petersburg, Fla., who finished with a 63 for a 72-hole total of 264. Mayer collected \$1,200. Ed (Porky) Oliver, Lemont, Ill., was third with 265 and made \$1,400. Tied for fourth were Ed Furgol, National Open champion from St. Louis, and Marty Furgol, Lemont, Ill., who carved 266 and took home \$1,100 each. Next came Jack Burke Jr., Klamath Lake, who won \$800 with 167. Jerry Barber, of Los Angeles, and Johnny Palmer, of Charlotte, N. C., came up with 268 to tie for seventh, good for \$650 each.

Lakeview Finishes Second In Meet At Prairie View

The Lakeview School track and field team returned over the weekend from Prairie View College, where it finished second in the annual State Negro Meet. The Rockets, who are coached by Roosevelt Brown, scored 38 points to finish back of Ash Creek High of Hubbard in the Class B division of the meet. Ash Creek had 44. The Rockets brought back two first places. Ernest Bird was first in the 800, covering the distance in 2:07.1. Billy Weatherall was first in the discus with a toss of 108 feet. He threw the saucer 121 feet in the district meet but last Saturday's meet was staged in a high wind. Lakeview's mile relay team was second. Running on that team were John Valentine, Ernest and Robert Bird and Alvin Kins. Big Spring's sprint relay team was fourth. Competing were Alvin King, Cornelius Price, Ernest Bird and Willie Roy English. In all, 19 schools competed in the state meet. Carver High of Pelham was third with 38 points and Grand Prairie fourth, with 32. In girls' competition, Cynether Wood of Big Spring was third in the baseball throw with 188 feet. The Lakeview 200-yard relay team finished fifth. Running were Mary Clemmons, Willie L. Green, Cynether Wood and Alice Foster.

Baseball Men Not Alarmed Over Slump In Business

NEW YORK (AP)—Great alarm already is being voiced in some quarters over the drastic dropoff in big league attendance. It has, indeed, been a disturbing feature of the new season. But notes that there have been no howls of anguish to speak of from the club owners, the men who should be most concerned. The truth is that, through the golden harvest from television and radio, the majors year after year are approaching closer to semi-independence of the fan who only a short time ago supported them totally by the dollars he left at the turnstile. The fan still is picking up the tab, all right, but he's doing it at the drugstore counter and in the corner delicatessen. A live audience of only 3,874 showed up at Ebbets Field on a recent day to watch Robin Roberts, the game's greatest pitcher, try to stop the Brooklyn Dodgers short of a record 10 straight opening victories. On the same day, a bare 2,832 paid their way into Yankee Stadium across the river. The Brooklyn players were audibly disturbed and predicted that if things didn't pick up in a hurry it would be necessary to move the club to Los Angeles, or somewhere.

Fans Turning Out At Kansas City

KANSAS CITY (AP)—The cold statistics showed today that major league baseball is getting a red-hot welcome in Kansas City. Home attendance for seven days for Kansas City's American League entry was brought to 138,807—an average of 22,429 by the 19,448 cash customers that turned out in chilly, windy weather to see the Athletics beat the Chicago White Sox 6-0 yesterday. That's more than half the 394,000 total drawn by the same Athletics in 72 games at Philadelphia all last season.

Urry To Texas A&M

CLEBURNE, Tex. (AP)—Don Urry, Cleburne High School All-State football end, has signed a letter of intent to attend Texas A&M next fall. He previously had said he would enroll at Southern Methodist University.

JAMES LITTLE ATTORNEY AT LAW

Afro-Asian Parley Closes In Harmony

BANDUNG, Indonesia (AP)—Delegates to the Afro-Asian conference headed home today. The 23-nation parley came to a harmonious close yesterday with a series of unanimous resolutions designed to foster peace among the world's diverse peoples.

Red China's Chou En-lai sounded one jarring note at the windup. After stealing the show Saturday with his call for direct talks with the United States on the thorny Formosa issue, the Communist Premier declared that Peking would not yield its "sovereign right in the liberation" of Chiang Kai-shek's island bastion.

The seven-day conference was marked by frequent clashes between pro and anti-Communist elements. But it reached last-minute agreement on the major issue that nearly caused a stalemate—the touchy colonial question.

After hours of deliberation a subcommittee finally came up with an acceptable resolution condemning colonialism "in all its manifestations." It carefully avoided specifying either Western or Communist colonialism.

Both sides in the cold war seemed to have profited during the parley.

There was little or none of the bitter condemnation the West had expected from the formerly subject peoples. Anti-Communist spokesmen captured the initiative at the outset of the conference with telling blasts against Red imperialism. Western observers were particularly impressed with the anti-Communist stand of Ceylon's Premier Sir John Kotelawala, one of the five conference hosts.

On the Communist side, Chou devoted himself mainly to winning friends. He attracted considerable favorable attention by refusing to pursue the arguments with his anti-Communist critics. The strategic Indochinese kingdoms of Cambodia and Laos both espoused Indian Prime Minister Nehru's neutralist policy, which Chou favored for the rest of Asia. And the Chinese Premier's gesture on the Formosa issue was applauded generally, although some delegates were skeptical that anything concrete would result.

The resolutions drawn up at the parley covered a wide field, ranging from demands for a ban on manufacture and testing of nuclear weapons to cultural cooperation among Asian and African peoples.

The final conference communiqué outlined these principal stands—in addition to that on colonialism—adopted during the meeting:

1. Universal membership in the United Nations to promote world peace—an oblique reference to Red China's demands for a seat in the world organization. It was the closest the conference came to backing Peking on that score.
2. Economic cooperation among the Asian-African nations "on the basis of mutual interest and respect for national sovereignty."
3. Cultural understanding among nations through cooperation. This stemmed from the resolutions condemning colonialism and racialism.
4. Full support for the principle of self-determination "of peoples and nations as set forth in the charter of the United Nations." The conference agreed on a seven-point blueprint for coexistence, including opposition to collective pacts designed to serve particular interests of any big powers.
5. Support for the "courageous stand taken by the victims of racial discrimination, especially by the peoples of African, Indian and Pakistani origin in South Africa."
6. Support for the rights of the North Africans to self-determination, a reference to the Nationalist demands in the French territories there. France was urged to bring about a peaceful settlement "without delay."
7. Support for the "rights of the Arab people of Palestine" and a call for a peaceful settlement there. Though the resolution did not mention Israel by name, its anti-Israeli intent was clear.

The resolution on nuclear weapons was sweeping. It called for an end to production, experimentation and use of nuclear and thermonuclear weapons and effective international control to carry out such a prohibition.

The delegates agreed to leave the decision whether to hold another conference next year to the five sponsoring countries—India, Pakistan, Ceylon, Burma and Indonesia.

Following up his bid Saturday for direct talks with the United States, Chou told the closing session:

"China and the United States should sit down and ease tension in the Taiwan (Formosa) area. This should not be the slightest degree, however, affect the exercise by the (Communist) People's Republic of China of its sovereign right in the liberation of Taiwan."

Publishers Have Faith In Ike's Abilities

NEW YORK (AP)—A number of the nation's leading publishers interviewed here yesterday say they have faith in President Eisenhower's handling of the Formosa crisis.

The publishers also said they believe the United States should not become involved in a war over the offshore islands of Quemoy and Matsu. Some publishers, however, advised a "tough stand" on the issue.

A majority of the publishers said they favor talks with the Chinese Communists on the Far Eastern crisis but advised caution.

The publishers were interviewed by the New York Times and the New York Herald Tribune as they arrived for Newspaper Week, which opens today.

Most of the publishers reported a continuing popularity of President Eisenhower in their respective areas and a healthy economic picture.

Most of the publishers interviewed on the issue felt that former President Truman's remark that the press had given the Eisenhower administration a "cloak of protection" was without basis.

On the Formosa crisis, some of the publishers offered these views:

Palmer Hoyt, publisher of the Denver Post—"We take a dim view of any cavalier defense of Quemoy and Matsu. There is considerable wonderment about them. We wonder how important they are, but trust in Ike's judgment."

William Block, publisher of the Pittsburgh Post-Gazette—"My personal opinion is that Quemoy and Matsu are not strategic to either Formosa or the United States. The only reason for defending them is to keep the free world from falling back. I endorse Sen. George's speech suggesting that we sit down and talk with our allies and then with Chou. But we ought to get concessions on the American prisoners in China before we talk."

Norman Chandler, president of the Los Angeles Times, said it was "sound and proper" to talk with the Chinese Communists.

George T. Cameron, publisher of the San Francisco Chronicle, said he is in favor of a conference with the Red Chinese but added he personally does not think it would "get anywhere."

John S. Knight, president of the Knight Newspapers that include newspapers in Akron, Miami, Detroit, Chicago and Charlotte, N.C., said he doubts that a war will break out in the Far East.

"I think the President is handling the situation with great wisdom. I don't agree with those who say he ought to define what he is going to do sharply for everyone to know, because on certain delicate situations you have to play a little bit by ear," he said.

Flying's Safer Than Driving?

WASHINGTON (AP)—The Air Force has expressed "serious concern" about accidents—auto accidents.

In a report to a House Appropriations subcommittee released today, the Air Force said its men have about five times as many auto accidents as airplane crashes.

In 1954 there were 737 fatalities from airplane accidents and 608 from auto crashes. But 5,324 military personnel were injured in auto accidents, compared with 529 in planes.

Altogether there were 6,460 auto accidents, 1,326 airplane crashes.

Red China's Air Power Could Double 'Overnight'

WASHINGTON (AP)—Gen. Nathan F. Twining advised Congress in February that Red China's air force could be doubled or tripled "overnight" from Russia.

In testimony given Feb. 9 and made public today, the Air Force chief of staff said Red China's rapidly expanding system of bases . . . gives the Communists the ability to move in aircraft rapidly from the Soviet Union.

"We cannot ignore their capability to double or triple their air strength in the Far East overnight," he told a House Appropriations subcommittee.

He did not publicly locate the new Chinese airfields nor discuss their relationship to the Formosa Strait.

Early this month, President Eisenhower, in discounting predictions of a possible Red attack on Quemoy and the Matsu Islands by April 15, said the Communists still lacked sufficient airfields and supply bases to support such an assault.

Twining testified that in the last four years the Communists "have created a whole new air force in Red China and have made it the fourth most powerful air force in the world."

Apparently the others are the United States, the Soviet Union and Great Britain.

The buildup, he said, is continuing and "includes many jet aircraft."

He said the U.S. Air Force is continuing "important studies" to develop "a hard-hitting, self-protective combination of fighters and light bombers" capable of delivering tactical, or close-range, nuclear weapons.

"We already have units of this type in position overseas," he said, and "we will continue to improve and organize additional tactical atomic forces."

Twining gave this additional information:

1. Of an estimated 20,000 Soviet combat planes, thousands of jet fighters and bombers now can reach targets in Western Europe, Alaska, Japan or the Philippines.
2. The United States plans a total of 23,000 planes. By early 1956, all medium bomber units will be equipped with powerful jet B47s.
3. The Soviets are "putting vast resources" in the race to develop a workable 10,000-mile-an-hour intercontinental missile "with sufficient range to destroy targets in the United States."

Police Investigate Children's Deaths

BRECKENRIDGE, Tex. (AP)—Police are investigating the deaths of the two children of Mr. and Mrs. Frank Herpiche. They are trying to find out where they could have found phosphorus.

Doctors said Mary Lee, 5, and John Allen, 4, died of apparent phosphorus poisoning. The parents said the children didn't want any supper and complained of thirst Saturday night.

Mary Lee died in the hospital Saturday night and John Allen yesterday morning.

Adenauer Rebuffed In Reich Elections

HANNOVER, Germany (AP)—Final returns today from legislative elections here in West Germany's third largest state handed Chancellor Konrad Adenauer's pro-American foreign policy a sharp rebuff.

The anti-rearmament Socialists, who have governed the state of Lower Saxony since the war, ran ahead of Adenauer's Christian Democrats in voting yesterday for a new 181-member state parliament.

The Socialists polled 1,182,000 votes (55.2 per cent of the total) to elect 59 deputies, while the Christian Democrats won 43 seats with a total vote of 893,917.

Six other parties won seats. The right-wing German party (DP) 20; the Refugee party (BHE) 18; Free Democrats (FDP) 12; Nazi-like German Reichs party 6; Communists 2; and Centrist party 1.

Despite the prestige defeat for Adenauer, the lack of a Socialist majority raised the possibility that the Chancellor's backers might supplant the Socialist regime. Heinrich Hellwege, national chairman of the German party, called today for a 63-vote rightist coalition of the Christian Democrats, the Free Democrats, the Refugees and his own party. All four are partners in Adenauer's federal government.

The key to such a grouping appeared to be the Refugee party, which for the past four years has been allied with the Socialists in the state government. There was no immediate indication how the Refugees would react to Hellwege's proposal.

The previous State Parliament had 142 members. They included 55 Socialists, 44 Christian Democrats and members of the German party, 28 Refugees, 10 Free Democ-
