The annual Kokomo Stew Supper, sponsored by the Kokomo Extension Homemakers Club will be this Saturday night, Feb. 22 in the Kokomo Community Center. Serving will be from 5 to 8 p. m. Tickets for the stew, crackers, tea or coffee and cake are \$2 for adults and \$1 for children. Come and enjoy the good food and fellowship with friends and neighbors and help the Kokomo EH Club support their worthy projects.

We extend our special thanks to the Crawley family - the heirs of D. B. Crawley, who donated the refrigerator to the Kokomo Community Center. Clovis Crawley and Larry Strube delivered it to the community center one day last week. We really appreciate it.

Our special thanks are also extended to David Revels of Claifornia for the donation to the Kokomo 4-H Club House Restoration Fund in memory of his father, Clinton Revels and his uncle, Bob Revels, who were members of the Kokomo 4-H Club at the time the 4-H Club House was built.

We hope to get started on the restoration of the 4-H Club house this Spring or summer. All the rain we've had through the fall and winter has delayed the work.

As the rains continue across the area, I've continued to notice widespread leaching of nutrients from the soil.

This leaching affects both the nitrogen and phosphorous levels in the soil and consequently, will affect the growth of the grain.

One indicator of this affect is the pale green color of both wheat and oats in the area.

If the weather permits and allows for top dressing od these crops, farmers should consider the addition of extra nitrogen and phosphorus.

However, this application must be mustard.

## Your Library!!! Get INVOLVED!!!

Volunteers met February 5th at the Charlie Garrett Memorial Library in Gorman.

Ida Chandler presented a most informative and educational review of the Dewey Decimal System to those attending. Mrs. Chandler, who has devoted her time and services to the library for the past several years, stressed the importance for using the proper filing procedures for the volumes in the library. She also stated the necessity of using proper check-out methods and filing of cards which insures an efficient and effective method of operation for the library.

At the present time approximately 3,000 volumes are maintained at the library and available to the public.

The library has many needs, such as more shelves, space, and filing cabinets, but the most pressing need is you, as a patron and volunteer.

Plans and projects to increase an awareness of reading are now being discussed and should be formulated shortly.

The library is now open 5 days a week, Monday through Friday (except for holidays) from the hours of 3 to 5 p. m. The facility is staffed by volunteer workers.

A regular meeting date for those persons interested in the library has been set for the second Tuesday of each month at 1:30 p.m. The next

# **Geraldene Wright Hosts Edna Smith Class Party**

On February 13th the Edna Smith Sunday school class met with Geraldene Wright for their Valentine Party and class meeting. Her home was so beautifully decorated with red hearts everywhere. She always goes out for decorations and her lace covered table was lovely with foods that carried out the Valentine theme. Estelle Erwin ask the blessing on lasagna, salads, fresh vegetables and fruit platters, chips, with hot chocolate, coffee or tea.

Louise called the meeting to order. Minutes were read and approved. All officers gave reports.

Frankie Jo made a motion that the class give \$25 for an Acteen girl to go to Impact in Waco. Geraldene seconded the motion and it carried.

Our March meeting will be going to Hazel Smith's in Rowlett, a former member of the class, for her birthday.

Beth Welch brought a beautiful devotion on love which is what Valentine is all about. She read poems, "Links of Love", and "Trust". She read several scriptures on love and made some good and timely comments on them.

Louise read an item about where Valentine came from. St. Valentine, his life and his dying for Jesus Christ, because of what he stood for.

**Hendrick Hospital Thanks Dairy Queens For CMNT** 

Richeson Dairy Queen stores in the Abilene area have received thanks from Nancy Estes Director of Special Projects at Abilene's Hendrick Hospital for their \$13,628.94 contribution to the Children's Miraccle Network Telethon of 1991.

The funds raised by Richeson Companies will be used to support projects of the Meek Children's Hospital and other children's services at Hendrick Medical Center.

According to Ms. Estes, the construction of Hendrick's new Pediatric Intermediate Care Facility will begin this spring and thus the hospital will be able to treat a larger number of pediatric patients.

As the chosen charity of the Richeson Companies, the Children's Miracle Network Telethon is a year-round project of all forty-one Richeson Dairy Queen stores. Funds raised in other geographical areas go to the children's hospital in their respective areas. Among the fundraisers are carnivals, rockathons, food concessions, rodeos, auctions, sidewalk sales, flea markets, dances and golf tournaments. All 500 employees of the Richeson Companies participate in raising funds for CMNT, a project of International Dairy Queen and Richeson Companies since 1985. The CMNT, founded by Osmond Foundation, is the largest annual telethon in existence today, and telecasts live from Disneyland on the first Saturday and Sunday in June. Founders include Marie Osmond and John Schneider; the telethon features a host of contemporary stars and relates the stories of children who have received life-saving care at CMNT member hospitals. In the eight years of International Dairy Queen's sponsorship of the CMNT, the telethon has raised \$336 million for hospitals serving children, and helps more than five million children each year.

Unlike many efforts, the CMNT allows 100 percent of donations to stay in the community to benefit the local participating hospital; no administrative funds are deducted from the amounts raised.

In 1991, the Richeson Co, panies raised a total of \$33,326.48 for the CMNT, and Dairy Queen store managers have already spearheaded several projects for the 1992 Telethon.

The funds raised by Richeson Dairy Queen stores for the Hendrick Hospital were generated by the Dairy Queen stores in Albany, Anson, Aspermont, Baird, Breckenridge, Cross Plains, Eastland, Gorman, Hamlin, Ranger, Rotan, Santa Anna, Snyder and Stamford.

### -GP-**County Cancer Society Sets**

# **Auction For March**

Nine members of the Eastlan County Chapter of the America. Cancer Society met at the Pizza Inn in Eastland at noon February 11th. Mindy presided in the absence of Lesa.

The ACS plans something every 3 months to raise money for the county goal and have a good time, too. An auction in March - the Golf Tourney in June. More about each later.

The current need is for funds for gasoline for patients being taken to Houston, Fort Worth and Abilene. Normally the spouse takes the patient leaving no one working. Radiation and chemotherapy treatments last from 20 to 25 treatments, five days a week. When the trip is to Houston or Fort Worth, food and lodging are needed also. Those staying overnight ask the ACS about motels with reduced prices for cancer patients. If there is a need for help on gas, call Loretta White, 629-8626. Good Neighbors can help meet these needs by sending funds to Eastland National Bank % ACS Fuel Funds. These funds are from local county people. It is really being appreciated, and there are four patients being helped at present. Groups or clubs can choose this for a project. Those attending were Loretta White, Dr. Chip Rice, Carol Snyder, Ginger Vaughn, Mindy Stephenson, Rhett Miller, Letty Craddock, new member Dawn Langlitz, and Wanda Baune, Rep. from Abilene. Next meeting date is March 11th.
