Another Great Peanut Festival Panthers Lose To Hamilton; Enjoyed By A Large Crowd Travel To Ranger Friday

Saturday was a great day in Gorman with all the festivities of the Annual Peanut Festival with visitors of the area and as far away as Fort Worth, Dallas and Houston attending.

The large parade, led by Harry Holt, kicked off the days' activities and was super with the many pretty floats, antique tractors and cars, farm implements, bands from Ranger and Ranger Jr. College, and the De Leon and Gorman Cheerleaders. The Children's Parade was great, as usual.

What can you say about the beautiful baby contest, except words like great, fantastic and seasonal, with so many beautiful babies. They will surely grow up to be heartbreakers.

The store windows decorated with early day farm items and the children's peanut art contest was a great attraction and of special interest to visitors.

The art show was very successful again this year with so many works by very talented artists of the area.

The Goober Gourmet Cook-Off had a large number of entries of all kinds of peanut goodies and all sold well at the auction following the competition.

At the end of the parade Ina Scitern was presented a plaque in memory of Gerald Scitern for his devotion and dedication in getting the peanut festival re-vitalized. He was very instrumental in keeping things going for several years and until his death September 13, 1993. Ina is also an avid supporter of the festival.

The young and old enjoyed the old fashioned western shootout between the Comanche and Gorman Outlaws.

The antique tractor parade in the afternoon was a new event this year. Owners gave dates and history of each entry.

Good food could be found in several booths and vendors booths lined the downtown streets with arts and crafts. Some vendors were from as far away as Fort Worth.

Cold watermelon were sliced and was a welcome treat for everyone.

The day ended with a free street dance with music provided by the Outcasts of Comanche.

The entire day was a great success and the Festival Committee is to be commended for the many hours spent in planning the events, and the people who worked in setting up the booths and the clean-up on Sunday morning did an outstanding job.

A special thanks to the merchants who provided funds for prizes and ribbons and those who participated in the newspaper ad campaign.

All the people of Gorman and the surrounding area made the day a success.

Plans will begin soon for next year's festival which will be bigger and better.

Again our congratulations for a wonderful job to the Peanut Festival Committee and all those who had a part in making this one of the best.

Tom Forbus Wins Gas Grill Drawing At Peanut Festival

Tom Forbus of Carbon won the gas grill given away on Saturday at the peanut festival drawing.

The grill was donated by the Lone Star Gas Co. and was a very nice grill.

The Peanut Festival Committee has expressed thanks for the nice donation.

NOTE OF APPRECIATION

The Gorman Lions Club would like to express appreciation to the businesses who provided free hamburgers and drinks for various participants in the Peanut Festival Parade.

Citizens State Bank, Birdsong Peanuts, G&H Feeds, Smith Peanut Warehouse and Dryers, and Bank of America and Gorman Milling Co. all served as sponsors of this project this year.

The Gorman Panther Band, the Ranger High School Band, the Ranger College Band, the Cub Scouts, and visiting Army personnel were all recipients of this gesture of good will extended by the above named businesses.

Their sponsorship of these groups serves to encourage broader participation in the Peanut Festival activities as well as to enhance the funds raised by the Lions Club, which are put back into the community through our varied projects.

The Gorman Panthers hosted the Hamilton Bulldogs at Brogdon Field Friday night and were overwhelmed by the Bulldogs 61 to 0. The Panthers just couldn't handle the strong, big Hamilton line, which opened tremendous holes in the Panther defense.

The Bulldogs scored on their first possession when Noah Downs ran for the final 2 yards, capping a 62 yard drive in 11 plays, with 6:23 left in the period. Heath Hopper added the PAT and Hamilton was off and running.

On their next possession, the Bulldogs got the ball of their own 25, from where Noah Downs took the handoff and raced 75 yards for the TD with 4:04 left. The kick failed and the score was 13-0.

Then with 4:09 left in the half Chris Freeze capped an 88 yard drive with a 63 yard scamper. Rocky Galindo added the two pointer on a run and the score was 21-0.

During the halftime intermission, the Panther Marching Band and the Bulldog Marching Bands both did a fantastic job by getting great ovations from the fans with their performances.

Then in the third quarter the Bulldogs exploded for 26 points to bury the Panthers.

With 6:13 left Bert Walton scored on a 66 yard pass and run to cap a 82 yard drive in just 5 plays. Hopper booted the PAT and the score was 28-0.

The Bulldogs hit the scoreboard again with 3:50 left in the third when Cody Stanley ran 11 yards for the TD. Hopper added the PAT and the score was 35-0.

Following an interception by the Bulldog secondary, Christ Freeze scored from 4 yards out with 2:17 left in the period. The kick failed and the score was 41-0.

Then with just 10 seconds off the clock, the Bulldogs were on the scoreboard again as Zack Adams

Plans Finalized For 37th Homecoming September 25

Invitations for the 37th annual school homecoming have been mailed and plans for the day Saturday, September 26th are being finalized.

Raymond Hattox of Granbury and Class of 1974, will be speaker at the evening program.

A class reunion of the Class of 1940 will hold a 50 year get-together at First Baptist Church after the business session. The Class of 1988 will hold a 5 year reunion at Frank A. Gray Park from 2 to 4 p. m. Saturday and the Class of 1933 will hold their 60th year reunion.

Homecoming will begin Friday night with the football game between the Gorman Panthers and the Hico Tigers at 8 p. m.

The Class of 1973 will hold their 20th class reunion at the Senior Citizens Center at 1 p. m. Friday, Sept. 25th. All classmates from first to senior class and their families are invited and urged to bring old pictures and other school items.

We hope to see all Gorman Exes for this special day planned for you.

scooper up a Panther fumble and ran 9 yards for the score with 2:07 seconds left. Hopper added the PAT and the score was 48-0.

The Bulldogs hit the scoreboard again with 11:45 left in the final period when Andy Mills returned a Panther punt 50 yards for the TD. Hopper booted the PAT and the score was 55-0.

The Bulldogs scored again with 7:16 left in the game when Jason Custer ran for the final 8 yards for the score. Hopper added the PAT and the final score was 61 to 0.

The Panthers never got anything started during the game, either defensively or offensively. Scotty

Walton ran for 17 yards on 9 carries, as did Don Mauney, who went out of the game with an injury early. Jeremy Sanders was 12 for 12 yards, being caught for big losses on several occasions. Joshua Weldon had 11 yards on 6 carries.

Jeremy Sanders, Scotty Walton and Joshua Weldon led the Panthers on defense.

The Panthers will travel to Ranger on Friday night for an 8 p. m. game. The Ranger Bulldogs are 2 and 0 and have been playing some great football, and this should be another tough game for the Big Red.

Follow the Panthers to Ranger and give them your support. Go Get 'Em Big Red!

GAIN FOR SHORT YARDAGE - Jeremy Sanders is shown surrounded by a whole herd of Bulldogs during game action Friday. Also in the picture are Tom Bynum, Juan DeLa Torre, Kevin Scitern, and other unidentified Panthers.

PANTHER DEFENSIVE EFFORT - Scotty Walton and Don Mauney are shown above making a tackle on one of the Bulldogs during game action Friday.

Nikki Warren and Tod Forbus Pledge Vows Aug. 7

Nikki Lynn Warren and Tod Donovan Forbus were united in marriage on August 7th at the First Baptist Church in Gorman. Pastor Ron Carroll officiated the double ring ceremony.

Mr. and Mrs. Wesley Warren are the parents of the bride. The bridegroom's parents are Mrs. Vickie Sallee and the late Ray Forbus.

As family and guests entered the church they were greeted by Courtney Fields, cousin of the bride, as she presided at the registry table. An arrangement of pink silk roses, ivy, and baby's breath graced the lace covered table.

The sanctuary of the church was decorated with two large basket arrangements of pink roses, white roses, and royal blue carnations. The candelabras were decorated with greenery and the two outside candelabras were accented with hot pink and royal blue bows.

In the center of the sanctuary, the

cathedral candelabras were accented with greenery. The unity candle was made and presented to the couple by the groom's aunt, Wanema Aiken of Brownwood.

Escorted by her father and given in marriage by her parents, the bride wore a wedding gown of shantung silk with delicately beaded schiffli lace. The V neckline was set in a fitted bodice with lace bib tapering around the drop waistline. The entire bodice was accented with filamented pearls. The V back neckline was enhanced by filamented pearls with rosettes at the back waistline. The large tapered sleeves with beaded lace appliques had bead dangles above the elbow. The sleeves ended in a lace wedding band point. The full bell skirt was enhanced with a beaded pyramid front. The back of the skirt had three large beaded motifs with rosette accents on the

NATHAN TUCKER CELEBRATES BIRTHDAY

Nathan Tucker celebrated his second birthday on August 28th in the home of his parents, Steve and Brenda Tucker in Desdemona. The theme of the party was "Barney"

the purple dinosaur. Birthday cake and ice cream were served to McMaw and Kevin Scitern and Alvis and Bonnie Scitern of Gorman; Eddie, Neta, Emily and Ashley Auvenshine of Granbury; Randy, Amy, Audrey and Jamie Johnston of

Proctor; Jamie and Colton Mathis of De Leon; and Pa and Granny Tucker of Desdemona.

Merlene Wisdon spent several days this past week in Andrews to "babysit" with her grandsons, Billy and Chris, while her daughter, Marsha Johnson attended a five-day school for Mobil Oil Co. with whom she is employed.

Carbon Christ Center Full Gospel Church Set Revival

The Carbon Christ Center Full Gospel Church will hold revival services beginning September 19th and continuing through the 23rd.

Services will begin at 7 p. m. each evening.

Evangelist Billy McCannon of Oklahoma will be doing the preaching.

The public is cordially invited to attend.

wishes to him.

Bernard and Ann Keith were in Glen Rose last Saturday to attend a Blue Grass Festival.

Edra (Parks) Hilliard of Gordon spent about 2 months in the Eastland Rest Home following a stroke. But she is now able to be back at home with her husband, Travis.

This reporter received a "note" from Nova Lynn (Graves) Campbell in Midland. She is 81 years old - attended school in Desdemona with the Class of 1930. She asked about Dick and Beryle (Gallagher) Cutting of Lake Leon; Aaron and Marge (Davis) Henslee of Lingleville; Evah Sparkman and several others who attended school with her. She said to say "hello" to all of her friends in this area.

Bill Williams of Dale, Texas reported last week that his mother, Dorothy Jane (Feightner) Williams had passed away. Jane attended school in Desdemona and asked that her name be added to the Memorial List that is read each year at the annual Desdemona Homecoming. Her father worked for Magnolia Oil Co. when the family were living in Desdemona.

THE ACCOMPANYING TAX NOTICE IS WRONG!

The Gorman Independent School District is *required* by state law to publish the accompanying tax notice in this form, *even though the notice is deceptive.*

Because of an omission in the recently-enacted state law, Gorman I.S.D. may not include revenue collected by the county education district in the calculation of taxes for the 1992-93 school year. The effect of this is to understate last year's actual school tax rate and produce an inaccurate comparison of last year's tax rate to this year's tax rate.

The correct comparison of tax rates is as follows:

Last year's (1992-93) total school tax rate (including county education district taxes):	<u>1.21444</u>
This year's (1993-94) proposed school tax rate:	<u>1.24000</u>
Percentage change:	<u>2.06</u>

A tax notice published in this newspaper and paid for by Gorman I.S.D. may leave some local taxpayers scratching their heads in confusion.

The notice incorrectly states that the school tax rate will grow by 350 percent. But in publishing the notice, local school officials are only complying with a state law.

"This is one of those situations where the law doesn't make any sense, but we must nevertheless comply with it or risk serious consequences," said Supt. Shackelford

Gorman I.S.D. is required by the state's "truth-in-taxation" law to publish an official notice reporting last year's tax rate, the proposed tax rate for this year, and the percentage increase. However, due to a drafting oversight in the new school finance law, the notice significantly understates the tax rate for last year and produces a misleading comparison between last year's and this year's school taxes.

Under the previous school finance law, the county education district (CED) levied part of the taxes used for operating schools and the school district levied the rest. Under the new school finance law, CEDs are eliminated and all school taxes are levied by the school district.

Last year, the county education district imposed a tax rate of \$93444 (per \$100 of value) and Gorman I.S.D. imposed a tax rate of \$.28 , for a combined school tax rate of \$1.2144 This year, Gorman I.S.D. is proposing a tax rate of \$ 1.24

Because of the mistake in the new school finance law, Gorman I.S.D. is required to report a 1992-93 tax rate of \$.28 , a 1993-94 tax rate of \$1.24 , and an increase of 350 percent, when in reality the rate will increase/decrease by 2.06 percent.

In an effort to correct the misinformation, Gorman I.S.D. is publishing alongside the tax notice an advertisement indicating that the official tax notice is wrong. The supplemental advertisement, also paid for by the school district, provides the correct tax information.

The new school finance law, Senate Bill 7, was enacted on May 31, 1993.

This notice is required by the Texas Legislature.

*The percentage increase shown in the first paragraph below may appear unusually high because it does not reflect 199 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will lev all school taxes. For an explanation of the increase, attend the public hearing scheduled below or call your school district.

Notice of Public Hearing on Tax Increase

The Gorman ISD will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 350 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Sept. 23, 1993 at 7:00 P.M.
FOR the proposal: Hirst, D. Snider, B. Rich, W. Treadway, L. Keith, F. Gilmore, G. Glasson
AGAINST the proposal: None
PRESENT and not voting: None
ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on Sept. 9, 1993. The following table compares taxes on an average home in this tax unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year School District	This Year School District
Average home value	\$ <u>17,002</u>	\$ <u>17,013</u>
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ <u>5,000</u>	\$ <u>5,000</u>
Average taxable value	\$ <u>12,002</u>	\$ <u>12,013</u>
Tax rate	\$ <u>.28</u> /\$100	\$ <u>1.24</u> /\$100 (proposed)
Tax	\$ <u>33.60</u>	\$ <u>148.96</u> (proposed)

This paragraph compares last year's school district tax with this year's proposed school district taxes:

Under this proposal taxes on the average home would increase by \$ 115.36 or 343% *

percent compared with last year's school district taxes. Comparing tax rates without adjusting for changes in property value, the school district tax rate would increase by \$.96

per \$100 of taxable value or 343% * percent compared to last year's school district tax rate.

These tax rate figures are not adjusted for changes in the taxable value of property.

chapel train. She chose a full length veil of pearls and silk rosettes. She carried a bouquet of white and royal blue roses accented with ivy, baby breath, pearls, and royal blue ribbon.

The attendants of the bride were her cousins. Shannon Steward served as maid of honor. Angela Stewart and Tiffany Stephens were her bridesmaids. All three wore royal blue satin and lace tea length dresses. They carried bouquets of hot pink roses and royal blue flowers. They were accented with baby's breath, lace and pearls.

Jade Barnhill, cousin of the bride, Nichole and Tiffany Forbus, nieces of the groom, served as flower girls. Their dresses were identical to the bridesmaids.

Serving as groomsmen were his brothers. Best man was Tonu Forbus of Stephenville. Groomsmen were Jody and Stephen Forbus, also of Stephenville. The groom wore a black tuxedo with a royal blue ocean mist cummerbund and tie. Groomsmen wore black tuzedos with royal blue accessories. Boutannieres were royal blue rosebuds and German stative. Ushers were Wayne Warren of Gorman and Michael Forbus of Newcastle. The ring bearer was Everett Steward of Abilene. They wore identical attire to the groomsmen.

The wedding music that preceded the ceremony was taped selections by Kenny G. As the bride entered, Mrs. Juanita Fuller of Gorman played the traditional bridal chorus. During the lighting of the unity caandle, "I Can't Help Falling In Love With You" by Elvis Presley was played. As the newlyweds left the ceremony, Mrs. Fuller played the wedding march.

A reception was held in the fellowship hall of the church following the wedding. The bride's table showcased the three-tiered cake sitting on columns above a lighted water fountain. The layers were decorated with silk flowers and ivy. The traditional bride and groom set atop the cake. The groom's table featured a chocolate cake in the design of a western hat. The theme was carried out with a centerpiece containing a bale of hay with a ceramic boot accented with bandanas. A fruit tray with assorted dips was featured at another table. Bags of birdseed were available to the guests in a white wicker basket. Stephanie and Ewndy Forbus of Stephenville served at the groom's table. Tonya Caraway of San Angelo served at the bride's table.

Following a wedding trip to Hot Springs, Ark., the couple are making their home in Gorman.

Good News For Old Problems

By. Rev. Jerry A. Davis
First United Methodist Church
"LISTENING"

Have you ever tried to really concentrate on something and found it almost impossible because of all the distractions around you? Of course you have! We all have! In fact, at times, it seems the only peaceful time we have is when our eyes are closed in sleep. And even those times are often without peace because of distractions (worries) that we take to bed with us. With all these things cluttering our minds, it is not hard to see why no one listens anymore!

To listen, really listen, takes concentrated effort. That is why there are so few really good listeners.

In one of my former congregations I once noticed a man during the sermon with a painful look on his face. During the sermon my eyes kept being drawn to this man and the look on his face. This same thing happened every time that I preached...he always had this grimace on his face. For a long time I was bewildered by his facial expressions. As I got to know the man better it was evident that he was straining to grasp every word that I preached. His personal life was very hectic. He worried about his family a lot and was extremely interested in knowing more about Jesus. With all the distractions that were going on in his own life, he found it exceedingly hard to concentrate on even the thing that he wanted most...to know more about Jesus.

As a pastor it is very important that I be a good listener. When people talk to the pastor they usually are seeking answers to problems or just need someone to listen to them. Either way, a truly concerned pastor will take the time to listen. I have found that my time to talk is when I'm preaching or when I'm writing articles like this one. The rest of my time is now being spent trying to develop the skill of listening. "There is a time for everything...a time to keep silent, and a time to speak" (Ecclesiastes 3:1,7).

The person who talks all the time is always a very poor listener. A poor listener is always without knowledge. To gain knowledge one must be able to listen. "Let the wise listen and add to their learning" (Proverbs 1:5).

Listening is also the way to make contact with God. I know, you are thinking, "Prayer is the way to contact God. I have to speak to Him or I won't be in contact with Him"...Wrong, wrong, wrong!!!!... God knows what you are praying about before you do. Prayer consists of listening. Listening for God to

Guy Family Reunion Held Labor Weekend

The Guy family met again this year over the Labor Day weekend at the Kokomo Community Center.

The attendance was down a little but everyone who came had a great time.

Relatives from the John Newborn Guy side of the family brought with them some very interesting facts about the background of our forefathers.

There was a short business meeting before the noon meal of bar-b-q and all the trimmings. It was decided we would have the reunion every two years, making our next one in 1995.

Those attending were our "special guest" from the John Newborn Guy family. They were: George Boles of Odessa, James and Charlotte Boles oof Levelland; John E. (Gene) Guy of Fort Worth; and Oma Dee Garrett of Gorman.

Those attending from the James Hillary Guy family were Mickey and Gladys Rogers of Fredericksburg; Jeff, Lisa, Ashlea and Lauren Gould of Odessa; Pat and Linda Guy of Georgetown; Tim and Lori Baucum of Grand Prairie; Steven, Gina, Steven Jr. and Nicholas Guy of Yukon, Ok.; Dorothy Jackson, J. F. and Siegel Guy of Carbon; Pete and Maxine Huddleston, Glen and Shirley Clement, all of Lake Leon; Truett and Toby Guy of Oklahoma City, Ok.; Weldon and Sharon Guy of Midland; James and Peggy Guy of Artesia, N.M.; Elmer Ruth Guy of Eastland; Dick and Joyce Phillips of Manchaca, Texas; Lavada, Erin and Andy Tucker of Sweetwater; Bill, Debra, Jill and Lee Ann Coward of Boerne; Ken and Mary Rogers of Abilene; Larry, Jessica, Crystal and Ben Huddleston of Fort Worth; Bill Guy of Austin; and Frank and Maxine Smith of Lubbock.

A total of 51 attended.

answer. How do you hear God answer? Easy, by listening to, and concentrating on everything that you hear. God could be talking to you everyday through another person. God could be talking to you through everyday occurrences, through nature, through your own body and mind. Listen...you might hear Him talking to you right now. But, the best way I have learned to be able to hear God is to go to His word. He speaks loud and clear from the HOLY BIBLE.

Take the rest of this week and really start listening. Listen to everyone and everything. Do a little less talking and a little more listening...then call me next week and tell me what you heard. I promise i'll listen to you!!

Until next time, God bless you and have a great week.

Services For Verna Lasater Held Sunday

Verna Lasater, 85, of Kokomo, passed away Saturday, September 11th in the Eastland Memorial Hospital.

Services were held at 2:30 p. m. Sunday in the Bakker Funeral Home Chapel with the Rev. Joe O'Neal and Elder Barry Brown officiating. Burial was in the Simpson Cemetery near Kokomo.

Born in Energy, Mrs. Lasater grew up in Gorman and had lived most of her life in Kokomo. She was a homemaker and member of the First Baptist Church of Eastland. She was the widow of John A. Lasater.

Survivors include one brother, G. W. Cole of Las Vegas, N.M.; and several nieces and nephews.

CARBON NEWS

Church services were well attended at the First Baptist Church Sunday. Bro. Keith's message was taken from Ephes. 1, 1 through 12. Visitors were Stan, Lavada, Andy and Erin Tucker of Sweetwater. Melinda, Keagan and Meagan Henson were visiting in Plano with her sister. We missed them very much.

A revival will begin September 19th and continue through the 23rd at the Carbon Christ Center Full Gospel Church with Billy McCannon, national full-time evangelist from Oklahoma doing the preaching. There will be Bible preaching, inspirational singing and prayer for the sick. So we invite you to come and worship, because Christ is your answer. The church is located on Hwy. 6 near the caution light in Carbon.

We are all rejoicing over the good rain we received on Monday night. The reports that I've heard are from 2.7 to 3.8 inches. It is quite cool this Tuesday morning too. The cool rainy weather is very welcome, and we thank the good Lord for it.

Doug and Carol Adkins and Alvin and Melanie Lane of Dallas were visitors at the Kokomo Baptist Church on Sunday morning. Carol rendered the special music.

We extend sincere sympathy to the family of Verna Lasater who passed away early on Saturday morning. The funeral was in Eastland on Sunday with burial in Simpson Cemetery. Verna and her late husband, John Lasater, were former residents of Kokomo.

Bro. Joe O'Neal and Nancy Hendricks were among those attending the funeral for Verna Lasater in Eastland on Sunday afternoon.

Norma Webb visited on Monday and Tuesday last week in Sweetwater with an aunt, Helen McMullen.

Stacy and Brenda Webb, Kaci and Jacob of Comanche were visiting with Oren and Norma Webb on Sunday afternoon.

Gail Ann and Tommy McFalls of

Houston visited Sunday til Tuesday with Larry and Betty Strube. Their dad, Bill McFalls, grew up at Carbon and Kokomo. They went to Springtown on Tuesday for the funeral of an uncle, Burl Smith. Their aunt, Lurline (Mrs. Burl) Smith attended school at Carbon. She is the former Lurline McFalls.

Larry and Betty Strube visited in Comanche with Elvis and Johnnie Chambers on Monday.

Anna Laura Clearman attended the birthday dinner honoring her sister, Edna Sudduth, on her 82nd birthday on September 9 in the home of Mrs. Sudduth's daughter, Joyce Choate in Abilene. Other members of Mrs. Sudduth's family were also present to help her celebrate.

Anna Laura Clearman spent Monday night in Ovalo with her son and daughter-in-law, Jamie and Ann Clearman.

Visitors with Bro. Joe O'Neal during the past week were Ron Vaughan of Lake Leon, Kelly Buchanan of Waco, Cameron Bultriss of Waco, Sylvia Buchanan of Stephenville, Mr. and Mrs. Odrey Alcock of Carbon, David Brown, Buck Anderson of Clyde, Paul Taylor of Lake

Leon and his son and grandson, and Nancy Hendricks.

Bob and Kathy Rodgers of Brownwood visited with Berniece Rodgers on Friday.

Glenn and Zelda Jordan spent the weekend in Abilene with Bill and Glenda Priest and attended the birthday dinner honoring Bill on Saturday night at the Priest home. Others attending the celebration were B. J. Priest, Daniela Priest and La Donna Priest of Stephenville, Mildred Priest and Kathryn Sammons of Albany, Nathan and Barbara Ledbetter of Moran and Wade and Sheri Daniell of Abilene.

The Bill Priests and Glenn Jordans visited with Orval Treadway in Hendricks Medical Center on Sunday afternoon and with his wife, Marjorie and Windell and Terry Treadway, Angela, Allison and Keith. Orval hopes to come home today, Tuesday.

The Jordans and Priests also attended the West Texas Fair and viewed the exhibits on Sunday afternoon. Bill Priest placed third with his bridal portrait of Sheri Daniell and Sheri placed third with her photograph of her puppy "Hoosier".

EMILY LITTLE IS BIRTHDAY HONOREE

Ray Neal and Melissa Little honored their daughter, Emily, with a party at Camp Inspiration on Sept. 6th in celebration of her 10th

KEEPING UP WITH FRIENDS

Joe Craddock of Sundown visited Friday and Saturday with his sister, Merle Lasater and Mr. and Mrs. Ralph Hudson and Estelle Craddock. Recent visitors with Mrs. L. D. Holliday were A. V. Seay, Modess Burgess and Grace Townley of Gorman and Mrs. J. L. Moorow of Kokomo.

birthday, which was Sept. 8th.

Her guests enjoyed swimming and then hot dogs, chips, cold drinks and the birthday cake. The cake was decorated with a black steer and had candles and "Happy Birthday Emily." The black steer was a replica of the steer that Emily is raising for the livestock shows.

Those attending the party were Emily's grandmothers, Delores Tankersley and Verna Little; other relatives, Nelda, Cody and Jarad Fails of Arlington, James and Jill Little, and Lauren Huff and many of Emily's schoolmates and friends, and the hosts, Ray Neal and Melissa Little.

Nancy Hendricks visited with Zelda Jordan on Monday.

Nelda, Cody and Jarad Fails of Arlington spent the Labor Day weekend with Jimmy and Verna Lee Little.

93RD BIRTHDAY CELEBRATION — Mrs. Pearl Snell is shown with her 93rd Birthday cake at her celebration on Monday, September 13th at the home of her daughter, Leola Fillyaw in Eastland. Children (left to right) are Truman Snell, Leola Fillyaw, Gaylon Snell, Doris Bennett and John Snell.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 2, 1993

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment that would authorize the Texas Legislature to provide for the issuance of bonds for the state financing of start-up costs for historically underutilized businesses. The amendment provides that the legislature by law may establish a Texas historically underutilized business capital growth and start-up fund. The money in the fund may be used without further appropriation and only for a program established by the legislature to aid in the start-up costs of a historically underutilized business, as defined by the legislature. To carry out the program, the legislature may issue up to \$50 million of general obligation bonds to provide funding. The legislature may require review and approval of the issuance of bonds, the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Bonds authorized by the amendment constitute a general obligation of the state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the issuance of \$50 million of general obligation bonds for the recovery and further development of the state's economy and for increasing job opportunities and other benefits for Texas residents through state financing of the start-up costs of historically underutilized businesses."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 86 proposes a constitutional amendment authorizing the legislature, by general law, to exempt from ad valorem taxation all or part of real and personal property used, constructed, acquired, or installed wholly or partly to meet or exceed rules or regulations adopted by any environmental protection agency of the United States, Texas, or a political subdivision of this state for the prevention, monitoring, control, or reduction of air, water, or land pollution. The amendment applies to real and personal property used as a facility, device, or method for the control of air, water, or land pollution that would otherwise be taxable for the first time on or after January 1, 1994. The amendment does not authorize the exemption from ad valorem taxation of real or personal property that was subject to a tax abatement agreement executed before January 1, 1994.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to promote the reduction of pollution and to encourage the preservation of jobs by authorizing the exemption from ad valorem taxation of real and personal property used for the control of air, water, or land pollution."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 3 proposes a constitutional amendment to clear land titles in which the State of Texas relinquishes and releases any claim of sovereign ownership or title to an undivided one-third interest in and to the lands and minerals within the Shelby, Frazier, and McCormick League (now located in Fort Bend and Austin counties) arising out of the interest in that league originally granted under the Mexican Colonization Law of 1823 to John McCormick on or about July 24, 1824, and subsequently voided by the governing body of Austin's Original Colony on or about December 15, 1830. Title to such interest in the lands and minerals is confirmed to the owners of the remaining interests in such lands and minerals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the clearing of land titles by the release of a state claim in a fractional interest, arising out of the voiding of an interest under a Mexican land grant, to the owners of certain property in Fort Bend and Austin counties."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 21 proposes a constitutional amendment that would abolish the office of county surveyor in Jackson County. The amendment also provides for the powers, duties, and functions of the county surveyor to be transferred to the county officer designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of county surveyor in Jackson County."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 57 proposes a constitutional amendment that repeals article XII, section 6, of the Texas Constitution, which currently provides that no corporation shall issue stock or bonds except for money paid, labor done, or property actually received, and that all fictitious increase of stock or indebtedness shall be void.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing certain restrictions on the ability of corporations to raise capital."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment that would authorize the commissioners court of McLennan County to call an election to abolish the office of county surveyor. The office of county surveyor will be abolished if a majority of the qualified voters of McLennan County voting on the question favor the abolition. If the office of county surveyor is abolished, the amendment requires the maps, field notes, and other records in the custody of the county surveyor to be transferred to the county clerk of McLennan County. After abolition, the amendment also grants the commissioners court of McLennan County the authority to employ or contract with a qualified person to perform any of the functions that would have been performed by the county surveyor if the office had not been abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in McLennan County."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 19 proposes an amendment to article VIII, section 13 of the Texas Constitution that would modify the provisions for the redemption of real property sold at a tax sale. The amendment deletes current language in article VIII, section 13 that allows the legislature to provide for the sale of property without trial to pay for delinquent taxes. It also states that the deed to the new owner vests a good and perfect title subject only to redemption as set out in this amendment or impeachment for fraud. Language is added limiting application of the current two-year redemption period to former owners of residence homesteads and land designated for agricultural use sold for unpaid taxes. When property is sold as the result of a suit to enforce collection of unpaid taxes, the amendment would allow the legislature to limit redemption to property used as a residence homestead or designated for agricultural use at the time the suit was filed. The amendment creates a second type of redemption for former owners of real property when property is neither a residence homestead, nor designated for agricultural use. These owners would have a six-month period in which to redeem their property by paying the amount of money paid for the property, including the Tax Deed Recording Fee, all taxes, penalties, interest, and costs paid plus an amount not exceeding 25 percent of the aggregate total. The amendment applies to redemption of properties sold at a tax sale for which the purchaser's deed is filed on or after January 1, 1994. For redemption of properties sold at a tax sale for which the purchaser's deed was filed before January 1, 1994, the former law is applicable and remains in effect.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to modify the provisions for the redemption of real property sold at a tax sale."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that adds a

new section 49-b-2 to article III of the Texas Constitution. This new section provides that, in addition to the general obligation bonds authorized to be issued and sold by the Veterans' Land Board (the "Board") by sections 49-b (\$950 million) and 49-b-1 (\$1.3 billion) of article III, the board may provide for, issue, and sell general obligation bonds of the state in an amount not to exceed \$750 million to provide financing to Texas veterans. \$250 million of the bonds authorized by this new section shall be used to augment the Veterans' Land Fund (the "Land Fund"). The Land Fund shall be used by the Board to purchase lands situated in Texas owned by the United States government, an agency of the United States government, the State of Texas, a political subdivision or agency of the State of Texas, or a person, firm, or corporation. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest determined by the Board. Lands in the Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, terms, prices, and rates of interest determined by the Board.

New section 49-b-2 creates the Veterans' Housing Assistance Fund II (the "Housing Fund II"), and \$500 million of the general obligation bonds authorized by the section shall be used for the Housing Fund II. The Housing Fund II is a separate and distinct fund from the Veterans' Housing Assistance Fund (the "Housing Fund") established under section 49-b-1 of article III. Money in the Housing Fund II shall be administered by the Board and shall be used to make home mortgage loans to veterans for housing within this state in quantities, on terms, and at fixed, variable, floating, or other rates of interest determined by the Board. The principal of, and interest on, the general obligation bonds authorized by this section for the benefit of the Housing Fund II shall be paid out of the money of the Housing Fund II. The principal of, and interest on, the general obligation bonds authorized by section 49-b-1 of article III for the benefit of the Housing Fund shall be paid out of money in the Housing Fund. If there is not enough money in the Land Fund, the Housing Fund, or the Housing Fund II, as the case may be, available to pay the principal of, and interest on, the general obligation bonds authorized by this section or by sections 49-b or 49-b-1 of article III, there is appropriated out of the first money coming into the treasury in each fiscal year an amount that is sufficient to pay the principal of, and interest on, the general obligation bonds that mature or become due during that fiscal year.

If the Board determines that assets from the Land Fund, the Housing Fund, or the Housing Fund II are not required for purposes of the fund, the Board may transfer the assets to another of those funds or use the assets to secure revenue bonds issued by the Board. The revenue bonds shall be special obligations of the Board and payable only from and secured by receipts of the funds, assets transferred from the funds, and other revenues as determined by the Board and shall not constitute indebtedness of the State of Texas or the Board. The Board may issue revenue bonds from time to time, which bonds may not exceed an aggregate principal amount that the Board determines can be fully retired from the receipts of the funds. The revenue bonds shall be sold in forms, denominations, and in installments, and bear a rate or rates of interest as the Board determines.

The general obligation bonds authorized to be issued by the Board by this section or by sections 49-b and 49-b-1 of article III shall be issued and sold in forms and denominations, on terms, at times, in the manner, at places, in installments, and shall bear a rate or rates of interest the Board determines. The bonds shall be incontestable after execution by the Board, approval by the Attorney General of Texas, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing issuance of \$750 million in general obligation bonds to augment the Veterans' Land Fund and the Veterans' Housing Assistance Fund and to fund the Veterans' Housing Assistance Fund II."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 31 proposes a constitutional amendment relating to the duties of trustees of local retirement systems which provide retirement and related disability and death benefits for public officers and employees and that do not belong to a statewide retirement system. The amendment provides that the

board of trustees of such a system shall (1) administer the system of benefits; (2) hold the assets of the system for the exclusive purposes of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the system; and (3) select legal counsel and an actuary and adopt sound actuarial assumptions to be used by the system.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing that the trustees of a local public pension system must administer the system for the benefit of the system's participants and beneficiaries."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 23 proposes a constitutional amendment providing that any person accused of a violent or sexual offense committed while under the supervision of a criminal justice agency of this state or a political subdivision of this state for a prior felony may, after a hearing and evidence substantially showing the guilt of the accused, be denied bail pending trial. If the accused is not, however, accorded a trial within 60 days from the time of his incarceration upon the accusation or indictment, the order denying bail shall be set aside unless a continuance is obtained upon the request of the accused. In the amendment, the term "violent offense" means murder, aggravated assault (if a deadly weapon was used or exhibited during the commission of the assault), aggravated kidnapping, or aggravated robbery. The term "sexual offense" means aggravated sexual assault, sexual assault, or indecency with a child.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the denial of bail to certain persons charged with certain violent or sexual offenses committed while under the supervision of a criminal justice agency of the state or a political subdivision of the state."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that amends article VII, section 17(a), of the Texas Constitution to provide that, of the \$100 million currently appropriated by that section for the use of public institutions of higher education during each fiscal year, those institutions may also utilize this money to pay for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. For the five-year period beginning on September 1, 2000, and for each five-year period thereafter, the legislature, during a regular session that is nearest, but preceding, a five-year period may, by a two-thirds vote of the membership of each house, increase the amount of the \$100 million constitutional appropriation for the five-year period. The amendment also reflects name changes that have been made to some of the institutions of higher education for which such funding is available. The amendment adds the Texas State Technical College System to those institutions eligible to receive such funding, but limits its allocation of the annual appropriation to 2.2 percent of the total appropriation each fiscal year. The amendment also provides that each governing board authorized to participate in the distribution of money under article III, section 17, may also issue bonds and notes for the purposes of refunding bonds or notes issued under that section or prior law for the purposes of acquiring capital equipment, library books and library materials, paying for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. The amendment deletes language in article III, section 17, which authorizes the legislature to designate a single agency to issue such bonds or notes in lieu of the governing bodies, and to transfer to that agency the authority to collect and pledge money to the payment of such bonds and notes as directed by the governing body of each eligible institution. Funds appropriated under article III, section 17, may not be used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent im-

provements that are to be used only for student housing, intercollegiate athletics, or auxiliary enterprises.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the amount and expenditure of certain constitutionally dedicated funding for public institutions of higher education."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 45 proposes a constitutional amendment that adds a new subsection (e) to article III, section 49-h, of the Texas Constitution. The new subsection provides that, in addition to the amounts authorized by subsections (a) (\$500 million), (c) (\$400 million), and (d) (\$1.1 billion) of section 49-h, the legislature may authorize the issuance of up to \$1 billion in general obligation bonds and may use the proceeds of the bonds for acquiring, constructing, or equipping new corrections institutions, including youth corrections institutions, and mental health and mental retardation institutions and for major repair or renovation of existing facilities of those corrections and mental health and mental retardation facilities. The amendment also provides that the provisions of subsection (a) of section 49-h, relating to the review and approval of bonds, and the provisions of subsection (b) of section 49-h, relating to the status of the bonds as a general obligation of the state and to the manner in which the principal and interest on the bonds are paid, apply to bonds authorized by this amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of up to \$1 billion in general obligation bonds payable from the general revenues of the state for projects relating to facilities of corrections and mental health and mental retardation institutions."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 37 proposes a constitutional amendment that would authorize the county commissioners court of a county to call an election to abolish the office of county surveyor. The office of county surveyor is abolished if a majority of voters of the county voting in the election approve the measure. If the office of county surveyor is abolished, the maps, field notes, and other records of the county surveyor are transferred to the county officer or employee designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit the voters of a county to decide, at an election called by the commissioners court, whether to abolish the office of county surveyor in the county."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 44 proposes an amendment to article III, section 49-i(b) of the Texas Constitution, which currently limits the principal amount of bonds outstanding at one time for the Texas agricultural fund to \$25 million and for the rural microenterprise development fund to \$5 million. The amendment would raise the principal amount limit for the Texas agricultural fund to \$100 million. The amendment would also make the principal amount limit for each fund apply to the total principal amounts of both bonds and notes issued or sold rather than just the principal amounts of bonds outstanding at one time.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing up to a total of \$100 million in bonds and notes to be issued or sold to finance the Texas agricultural fund for providing financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced primarily in this state by agricultural businesses domiciled in the state."

Este es el informe explanatorio sobre la enmienda propuesta a la constitucion que aparecera en la boleta el dia 2 de noviembre de 1993. Immunization Updating Required

Dear Parents and Guardians,
Letters have been mailed to you from your school nurse concerning the updating of your child's immunizations. These are required by state law.
Take the letter to your doctor or clinic and have it dated and signed and send it back to your school nurse

or office where it will be filed. Your child can be excluded from school if these immunizations aren't currently updated.
The deadline for these immunizations are Friday, Sept. 24th, 1993.
Thank you for your cooperation.
School Nurse, Marie Chapman

NOTICE!

Public Law 103-75, which President Clinton signed on August 12th. One of the provisions of the law provides grants for farmers and ranchers who have experienced 1993 crop losses because of damaging weather. The application period for this part of the program ends March 4, 1993.

In addition, the law also allows producers to file quality loss claims for the years 1990, 1991, 1992; and established a deadline of September 17, 1993 for farmers to apply. Farmers and ranchers should contact their local Agriculture Stabilization and Conservation Service Representative for details. This is a very important deadline.

TAAS and TEAMS Test To Be Taken October 19-21

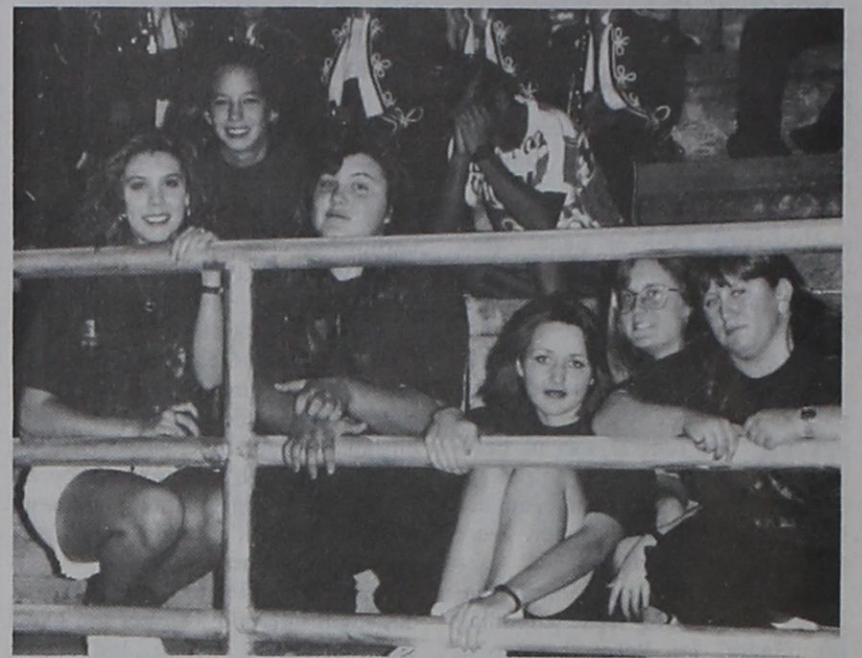

The TAAS and TEAMS tests will be offered this October at Gorman High School. By state law, students who are now enrolled in high school must pass all sections of the test in order to receive a high school diploma.

Anyone in the community who has completed all graduation requirements except for passing the TAAS or TEAMS may take these tests to try to earn their high school diploma. A person only has to take that portion of the test that he or she did not pass in high school. Individuals who are no longer enrolled in a Texas public school and who wish to retake a portion of the TAAS or the TEAMS may pick up a registration packet at any high school campus. Forms must be completed and are to be received in Iowa City, Iowa, no later than September 28, 1993. Students who are currently enrolled in Gorman High School do not need to register for this test.

Persons who have not finished high school and who are interested in obtaining their diplomas, must fulfill the requirements for graduation that were in effect when their class graduated. Therefore, if the TAAS was not required for your class, it would not be required for you today.

Original Eastland County Courthouse Corner Stone Discovered In Gorman

At the date of its establishment in 1858 Eastland County was under the jurisdiction of Palo Pinto County. It was in November of 1873 that the citizens of the county petitioned to be separated from Palo Pinto and Merriman was established as the county seat. In 1875 an election was held to move the county seat to a location nearer the center of the county. When the votes were tabulated, the C.S. Betts Survey (Eastland) had received 67 votes, McGue Springs 44, Merriman 9, Section #4, Block #3, H&TC Railroad Co. 5, and Scattering 2.

After the new county seat was moved to its present location, the old courthouse was moved to Olden. All that was left behind was a pile of stones that included the corner stone of the old courthouse.

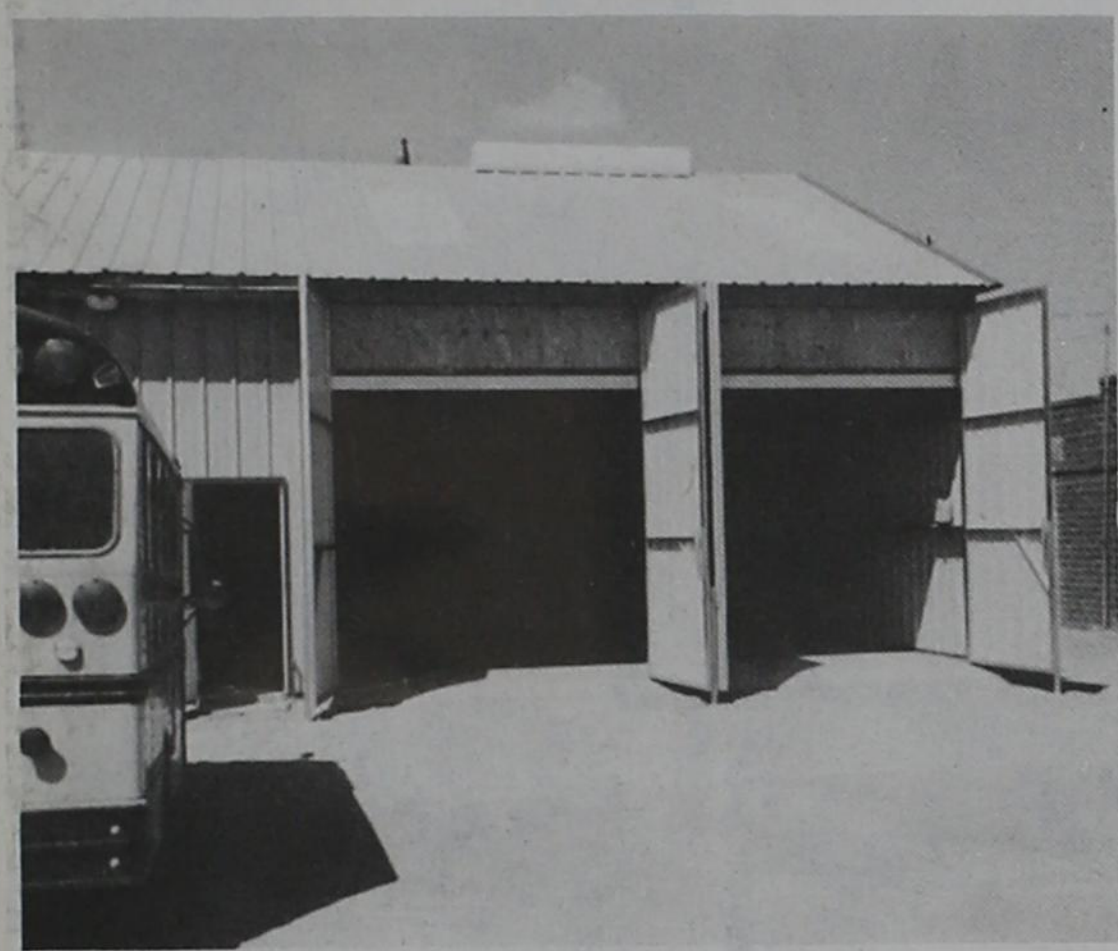

In 1932, Mr. D. P. "Polk" Holliday and his son Bill were making a trip into Ranger to sell produce from their farm in Kokomo. Mr. Holliday wanted his son to see the location of the old courthouse and showed him where the corner stone was buried. On a later trip he stopped and dug the stone up. L. D. Holliday, "Polk's" other son, inherited the stone when his father died in 1954.

The corner stone, engraved:

**Corner
Eastland
County
1st Court
House Meriman**

is now at the home of Mrs. L. D. Holliday, who lives in Gorman.

Desdemona First Baptist Church - 1939

The very interesting following article was printed in the Desdemona Gusher newspaper on Saturday, August 5, 1939.

The First Baptist Church of Desdemona was founded more than 65 years ago. It was located about one mile south of town near Hog Creek. It was a one room log structure. The building had only one door, in the south end of the building. One log was cut out of the west side of the building, this opening being the only window. The benches were hewed out of logs. The building was heated in the winter by a big fireplace. A homemade table was in the front of the building for the ministers use. It was told by oldtimers that in the early days people carried six-shooters to church with them, placing them on the table by the Bible. This was because of danger from Indians. Services were held once monthly beginning on Saturday, continuing on Saturday night, on Sunday and Sunday night. The minister usually came by horseback. Only the minister had a songbook. He would read a verse of the hymn then the audience sang it in unison.

Old people of Desdemona who recall attending church in this first church would mention the following families as regular attendants: Dave Lewis, Johnnie Carruth, Jim Tucker, Bill Prater, Tom Prater, Bill Kenner, John Williams and L. W. Hassett. Most of these were buried in the Desdemona Cemetery located south of Desdemona.

Rev. Johnnie Northcutt is remembered as being the first pastor. He founded this church in June, 1872. The old church house was also used as a school house.

After a new school was built, the Baptist people worshipped in the new school building located near the community tabernacle by the home of Mrs. Derrick. After a few years a second church house was built located just south of the present community tabernacle. The Methodist people also used this building before their building was erected. This building was sold to the Church of Christ people and is still in use at the new location.

Then came the Desdemona Boom Days and in 1921, the present church building was erected. Rev. Kidd was pastor at this time. Membership grew to about 400. The present church building consists of a main auditorium with seating capacity of

some 350, with nine Sunday school classrooms and a baptistry. The lot is 75 by 140 feet and well drained. Land was donated by C. H. and Fannie Genoway. The church also has a nice size parsonage.

An outstanding revival in the history of this Baptist Church was in July, 1928 when Rev. R. C. Tension was pastor. One hundred and sixty-five members were added to the church enrollment during this two weeks revival. One hundred and one for baptism; 53 came by letter; and 11 came by statement. It was a glorious occasion.

Rev. M. L. Shaw is pastor of the church at this time - August, 1939. Services were held twice monthly, on the second and fourth Sundays. Rev. Shaw is a young minister who will receive his degree this summer from the Baptist Theological Seminary in Fort Worth. In addition to regular Sunday school and preaching services, prayer meeting is held on Wednesday evening. Travis Hilliard is director of B.T.U. work. The W.M.U. has as their president, Myrtle Moore. The W.M.U. has for many years contributed regularly to the support of Buckner's Orphans Home, Baptist schools and hospitals, State and foreign missions and old ministers relief in addition to their study of church and mission work.

The present membership of the church is 140 resident members. Many who have moved away from Desdemona still have their church membership here. There were 22 church letters granted from this church to Freer, Texas. Evah Sparkman is now serving as the church clerk.

Treasurer is Alice Morrow. Deacons are W. B. Hilliard, Charlie Morrow, Mr. Thiebaud, Cliff Hilliard and Jesse Sparkman. Gid Tarpley is serving as Sunday school superintendent and Charles Morrow as assistant superintendent.

The oldest members of this Baptist Church and now residing in our community are Bob and Josie Gregory and Mollie Emde.

Since 1921 the following pastors have served the church: Rev. Kidd, Rev. Neil Greer, Rev. Melvin Cox, Rev. R. C. Tension, Rev. Cunningham, rev. T. N. Allen, Rev. Z. C. Chambers, Rev. H. N. Baldard and Rev. M. L. Shaw.

AGRICULTURE VIEWPOINT By M. Davy Vestal

YOUR EASTLAND COUNTY CROPS COMMITTEE IN ACTION

The Extension Field Crops Committee at its spring meeting discussed new educational activities to implement into their agenda. Much discussion lead to an interesting fact! Preaching to the choir as the saying goes. Let's work on the people we rely on to survive...the consumer.

Members of the Extension Field Crops Committee are Philip Lewis, Gregg Goode, Benny Hagan, Jack Phillips, Daryl Medford, Ronnie Love, Lynn Hagan, Gene Snider, J. D. Hutton, John Gerhardt and Windell Treadway.

Two programs have been designed by Eastland and Comanche County Extension staff, District based Extension personnel, Crops Committee members in Eastland and Comanche counties, the Texas Peanut Producers Board staff and Peanut Industry personnel to reach the consumer.

The first program will be on October 14th and 15th. This program is entitled: **Central Texas Peanut Harvest Tour** and is specifically designed to educate food writers from thirty (30) major magazine companies around the nation.

The second program is entitled: **Town & County Peanut Tour** and will be held on October 19th and 20th. This tour is designed to inform Extension Agri-Food volunteers from Bexar and Tarrant counties of the peanut industry.

The Mission: Inform and educate these groups about Food Safety and Quality Assurance Programs in peanut productions from the field to the consumer.

The Goal: For these groups to understand the process and relay our product assurance to the readers of
