Thank all of you who had a part in it.

The past eight years and eight months have been very rewarding to me and my family. It have had the honor of working with five of the best Board of Commissioners anywhere around. They have become not only my commissioners, but most of all my friends. They have been there backing me up whenever I needed them. They have allowed me to do my job as I saw best. Thank you from the bottom of my heart.

God has allowed me to have residents from all walks of life over the past eight years. Most of them have become my friends. It has been a pleasure to be able to help so many people. I realize now just how God used me in this position in order to train me to work at the Austin Baptist Community Center. I will truly miss all of you as you are all unique and special to me.

I want to thank Tommy Clark and Hershell Cordell and all of the New Life Choir for the music. I especially thank Tommy for all the help he has been to me over the years. Anytime I had a problem with construction, I knew I could count on him. I appreciate all the hard work Tommy has done for me at the Housing Authority.

Most of all, I want to say thank you to Brent Foster. Without Brent, my job would have been impossible. Brent always knows what to do without me having to tell him. I could never have found anyone who could have worked so well with me. I am going to miss working with you.

Edna Smith Class Holds Meeting In De Leon

On April 20, the Edna Smith Sunday School Class of First Baptist Church went to De Leon and met with Estell Ervin. Recently she had moved to De Leon and as it was her time to host the Class Meeting, she asked us to her apartment there. We regret losing her as a member of our Class. We certainly enjoyed seeing her beautiful apt. and being served a lovely supper of baked chicken, a

variety of delicious salads, chips and dips, with coffee or orange punch. Frankie Jo Shipman asked the blessing. Louise Brown called the Business Meeting to order with Beth Welch leading in prayer. The minutes were read and approved. All officers made their reports. Louise reported on K. D. Boyd the Outreach Director asking that we

begin our Visitation on shut-ins or prospect members for our Sunday School Class. As there was no other business Connie Carroll our Visitor brought the devotional. First, she expressed her gratitude for the Church sending her to Mt. Lebanon, a Retreat for Pastor's wives. She said it was wonderful with such good speakers and a good time she came back on Cloud Nine. She read Psalm 31:24 and talked on "Take Heart". She read a poem "Rules for Daily Prayer". She said their song leader was a lady that had the greatest voice. She had a book of this lady's songs called "Grace So Amazing".

Connie closed by asking us to bow in prayer while she softly sang "Oh How He Loves You and Me". It truly was a beautiful devotional, and we were so glad to have her as a Visitor and especially to bring our devotional. Then Estelle served us dessert of cake and fruit salad. Those attending were Louise Brown, Frankie Jo Shipman, Beth Welch, Geraldene Wright, Leta Richerson, Bonnie Croft, Anna Rush, Gladys Chambless, Connie Carroll and the hostess Estelle Ervin. Bonnie and Gladys had birthdays and everyone brought gifts. So it was a Happy Occasion and a Very Good Time.

"In this kind of weather, wouldn't a heat pump be the last thing I need?"

A name like "heat pump" might be a little confusing, but here in Texas it makes a lot of sense.

In summer, the heat pump pumps heat out of your house and replaces it with cool air.

In winter, it uses the solar heat trapped in the earth's atmosphere to keep

your house warm and comfortable, even on the coldest days.

Which means you save on energy, natural resources and your monthly bill.

Any more questions? Your heat pump dealer has the answers.
